

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Check engine light is on
Inquiry Sub-Category	Engine Misfires
Description	Inquiries regarding the check engine light being triggered by engine misfires due to problems with ignition coils, spark plugs, or the fuel system.
Data Size	5,123 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

Does _____ engine _____ the _____ light?
_____ is _____ faultin' motor _____ the _____ engine lights.
_____ engine light _____ because the _____ have been misfired.
_____ it possible to _____ engine light _____ the _____?
Was the check _____ light _____ a misfiring _____?
The check _____ if _____ misfiring engine causes it.
_____ engine _____ cause _____ check _____ to come on.
The _____ be due to the misfired _____.
_____ faulty _____ cause the _____ indicator to sound?
_____ the check engine light come _____ the _____?
_____ if _____ check engine light was _____ by _____ malfunctioning _____.
Does _____ engine _____ after an engine failure?
Is _____ misfiring engine responsible _____ check _____?
_____ possible for _____ misfiring engine _____ on _____ check _____ light?
Can _____ misfiring engine prompt _____?
The _____ have _____ that is what _____ the _____ to flash.
Is the engine malfunctioning _____ causes _____ engine _____ go _____?
Is that _____ gonna _____ on because _____ rubbish engine?
There could be a _____ engine light, _____.
_____ light may _____ because the engine may _____ been _____.
The _____ malfunctioned _____ that _____ prompt _____ check light.
_____ the engine light _____ when _____ is a _____?
_____ miss, _____ check eng _____ show _____?
The _____ may _____ been _____ that could _____ reason _____ the _____ engine light to come _____.
_____ checked-engine _____ triggered by a _____ engine.
Will my _____ light go off _____ misfiring _____?
_____ the _____ was _____ check _____ may come on.
Is there _____ could _____ the alert to _____ triggered?
Can a faulty _____ a check engine _____?

It _____ that _____ engine _____ misfired _____ that is what _____ the check _____.

The _____ lighting up _____ the engine was _____.

There _____ chance _____ the check _____ light _____ the engine _____ misfired.

Will _____ misfiring engine _____ to go off?

The check _____ light _____ caused by _____ misfire.

The check _____ may illuminate _____ engine is _____.

_____ a _____ the check engine _____ to malfunction?

Is _____ engine light _____ when _____ engine goes _____?

If the _____ misfired, the check _____ may _____ up.

The check engine light may _____ after _____ been _____.

_____ check _____ light _____ be triggered by _____ engine.

Did the _____ light _____ on _____ of _____ bad _____?

The check engine _____ be _____ the _____ being misfired.

Does _____ check engine _____ an engine misfire?

Is the check engine indicator _____?

Can _____ a _____ to illuminate?

_____ the check _____ light come _____ because _____ a _____?

_____ an _____ the check _____ light to _____ on?

Does _____ cause the engine light to _____?

_____ misfiring _____ the _____ engine _____ on?

Does _____ go on because _____ a _____ engine?

_____ it possible _____ faultin' _____ causes _____ check engine _____ to go _____?

_____ check engine _____ on if _____ engine is _____?

_____ might _____ activated by a faulty engine.

_____ the car's _____ been triggered by a _____?

Can a _____ be activated _____ a _____ engine?

_____ the _____ light activated by a _____.

_____ check _____ light might _____ consequence of _____ being misfired.

Does _____ check _____ after a bad engine?

_____ misfiring _____ the check engine _____?

It's possible that _____ is _____ to _____ being misfired.

_____ engine light come on _____ misfiring engine?

_____ faulty _____ cause the checked-engine _____ to _____ off.

_____ an _____ malfunctioning _____ engine _____ to go off?

Can _____ engine cause _____ check _____?

Engine _____ malfunctioning, _____ light?

_____ cause an alert to go _____?

Can the engine _____ bad misfire?

_____ check engine light _____ when the _____ misfired.

That _____ lead to _____ check engine light _____ was _____.

The engine _____ been _____ that would _____ check light.

Is the _____ causing the _____ engine _____?

There is _____ chance _____ faulty _____ could _____ alert.

Does a _____ engine _____ check _____ light _____ off?

_____ possible a _____ engine _____ cause _____ alert _____ off.

There is _____ chance that the _____ is because _____ being _____.

_____ the _____ come _____ if there _____ an engine _____?

Will _____ engines _____ on _____ engine _____?

_____ engine may have _____ could lead to _____ the engine.

The _____ may _____ been _____ could _____ the check engine _____ to _____ on.

_____ check _____ light come on after _____ malfunction?
 _____ engine light come on _____ engine malfunction?
 Can _____ engine _____ the _____ light?
 _____ the malfunctioning engine _____ check light _____ off?
 _____ misfiring engine make _____ engine _____ come on?
 _____ light activated by _____ engine malfunction.
 Is the check _____ misfiring the _____?
 There is a chance the _____ sets _____ the _____.
 Did misfire _____ engine _____ to come _____?
 The _____ light might _____ engine is misfiring.
 _____ the check engine _____ is an engine misfire?
 The misfired _____ be the cause _____ the _____.
 Is _____ engine light _____ by _____ engine _____?
 When there _____ check Engine light on?
 Does _____ malfunctioning _____ up?
 _____ cause the _____ to be activated?
 _____ diagnostic alert symbol being activated _____ faulty engines?
 There is a _____ the _____ may be _____ by the _____ being _____.
 _____ misfired _____ could _____ to _____ light on _____ engine.
 Could a malfunction in _____ engine _____ go _____?
 Is _____ engine light _____ to _____?
 The _____ engine _____ can be _____ is misfiring.
 _____ engine may have been _____ that _____ prompt _____ light.
 Maybe _____ light _____ triggered by the misfiring _____?
 _____ check Engine light come on when _____?
 _____ misfired _____ may cause a _____ on _____.
 _____ check engine _____ might _____ if _____ is misfired.
 Did _____ cause the _____ light to _____ up?
 _____ the _____ check engine light could come _____.
 _____ the _____ engine _____ come on _____ is misfiring?
 Does the engine fail _____ fire, _____ result _____ check _____?
 A _____ lead _____ a light in the _____.
 _____ engine may _____ been _____ could lead _____ light in the _____.
 The _____ light _____ be _____ by the misfiring _____.
 Does the _____ check engine light?
 _____ check _____ light _____ go _____ the engine _____ misfired
 The _____ may _____ failed _____ that _____ lead _____ on the engine.
 _____ cause _____ diagnostic _____ symbol to illuminate?
 _____ could mean _____ check _____ light _____.
 The check engine light _____ triggered when _____ a _____.
 _____ engine _____ malfunctioning and _____ cause a _____ on the engine.
 _____ check _____ light _____ up if _____ engine was _____.
 _____ engine light alert _____ of _____?
 _____ misfiring _____ might _____ my _____ light to _____ off.
 Is it possible that _____ misfiring engine _____ the _____?
 Does _____ Engine _____ light come on when _____ malfunctioning?
 Does a _____ engine _____ the _____ come on?
 The _____ engine alert could _____ malfunctioning engine.
 The engine may _____ been misfired and _____ light _____ on.
 The _____ light is _____ if _____ a malfunctioning _____.

Will the ____ engine ____ on ____ my ____ misfiring?
 ____ engine may be ____ prompt an engine ____ light.
 ____ motor ____ the warning sign?
 Engine failure ____ eng ____ up.
 A ____ is ____ if ____ engine was misfired.
 ____ malfunction causing ____ engine light?
 Does the busted ____ light ____ go on?
 Does the ____ light ____ on ____ there ____ engine failure?
 Does ____ engine light come on ____ is ____?
 ____ malfunctioned and that could cause ____ engine check ____ to ____.
 Check ____ can be activated ____ engine.
 ____ possible that ____ causes the ____ engine alert to ____ off?
 There is a ____ check ____ illuminate ____ if ____ engine is misfired.
 A check ____ by a malfunctioning engine.
 Will ____ light ____ on ____ the engine misfiring?
 ____ the ____ malfunctioning ____ the ____ light?
 ____ the ____ Engine light ____ engine does not work?
 ____ the malfunctioning engines ____ the check ____ go ____?
 The ____ light may go ____ engine has been ____.
 ____ the ____ engine light come ____ an engine ____?
 ____ can be ____ check ____ alert.
 A ____ could ____ cause ____ alert to go ____.
 ____ the ____ engine light come ____ if ____ engine ____ to ____?
 ____ an engine is ____ the ____ engine ____ on?
 ____ light should light ____ the engine ____ misfired.
 ____ engine ____ to fire ____ cause a check ____?
 ____ engine light come ____ misfiring?
 ____ could be ____ check ____ if ____ engine ____ misfired.
 A misfired engine ____ be ____ engine light to ____ on.
 ____ faulty ____ a ____ light ____ go on.
 ____ checked engine ____ could ____ caused ____ a malfunctioning ____.
 ____ check engine ____ activated ____ an engine ____?
 ____ is a chance ____ faulty engine could ____ the ____ to go ____.
 ____ misfiring cause ____ light?
 ____ a ____ that ____ faulty engine could ____ the ____ happen.
 ____ check engine light might illuminate ____ engine ____ misfired.
 The ____ engine light might ____ because ____ engine being ____.
 The ____ and that ____ cause the check ____ to ____.
 ____ engine ____ cause the check engine light ____.
 ____ engine ____ the check ____ light to flash?
 A check engine light ____ caused ____ being ____.
 Is ____ check engine ____ due ____ a ____?
 ____ the ____ Engine light ____ an engine is ____?
 A malfunctioning engine ____ to turn ____.
 Does an ____ cause the ____ light to ____?
 Can an ____ cause the ____ engine ____ on?
 There could be ____ on ____ engine ____ of ____ being ____.
 Did the engine fail ____ will ____ the check ____?
 The check ____ gonna come ____ of the rubbish ____?
 ____ failure of the ____ lead to ____ light ____.

____ check ____ will light up ____ there is ____ engine.
 ____ malfunctioning ____ prompt the check ____?
 ____ cause ____ engine light?
 ____ engine ____ be due to a ____ engine.
 Does ____ faulty ____ a ____ light?
 ____ reckon the ____ engines ____ check ____ go off?
 The rubbish ____ the ____ light come on.
 Can ____ a ____ engine light?
 ____ have been misfired ____ that could ____ the engine ____.
 ____ the misfiring ____ a ____ light?
 ____ the check ____ happen when the ____ fails ____?
 Does ____ light turn ____ when an ____ fails?
 ____ engine light ____ be activated by ____ misfiring ____.
 The check ____ light may ____ result ____ the engine ____.
 The check engine ____ may ____ caused ____ engine.
 Does ____ engine light come ____ to ____?
 Does the ____ engine ____ there's an ____ malfunction?
 Does ____ check ____ light come ____ is ____ misfiring engine?
 ____ a ____ engine ____ for the ____ engine alert?
 ____ the check ____ light ____ malfunctioning ____?
 Is ____ engine ____ on due ____ a ____ engine?
 A ____ will ____ the ____ engine ____ to ____ off.
 Would ____ engine ____ be ____ by ____ malfunctioning engine?
 The engine ____ have ____ malfunctioning ____ could prompt ____ engine ____.
 ____ the ____ misfiring ____ the check engine ____ go ____?
 Is it ____ car's warning sign ____ be ____ by a ____?
 ____ on ____ could be ____ the misfired engine.
 ____ light could go off ____ the engine ____ have ____.
 A misfiring ____ cause the ____ go off.
 ____ the ____ sign triggered ____ motor?
 ____ the ____ and ____ light alert?
 Did the faulty ____ the ____ to ____?
 ____ check engine light may ____ a malfunctioning ____.
 There could ____ a ____ on ____ the engine ____ been ____.
 ____ an engine ____ cause the ____ to flash?
 ____ the rubbish engine ____ light come on?
 ____ engine ____ to fire, ____ cause ____ check engine light.
 ____ check ____ could ____ up ____ engine was misfired.
 ____ possible ____ faulty engine could cause the ____.
 ____ check engine light can go ____ is ____.
 Does ____ engine ____ on if ____?
 ____ a faulty ____ turn ____ a ____?
 ____ malfunctioning engines cause ____ engine ____?
 ____ light ____ when the engine is faulty?
 does ____ misfiring engine ____ check ____?
 ____ light happen when the engine is ____?
 The engine ____ been ____ and ____ prompt the ____ light.
 ____ the check engine ____ activated by ____?
 ____ faulty ____ an alert ____ go off.
 ____ the ____ light come from ____ the ____?

____ check engine ____ up if ____ engine was ____.
 ____ the check ____ light on ____ malfunction?
 Will my ____ light ____ of ____ engine malfunction?
 ____ engine ____ check light ____ illuminate.
 ____ engine light ____ illuminate ____ engine may have ____ misfired.
 ____ the check ____ light ____ by a ____?
 ____ engine light will turn ____ there ____ a misfiring ____.
 Is ____ that the ____ causes ____ light up?
 ____ been misfired ____ cause the check light to go ____.
 ____ may have ____ could prompt ____ check light.
 ____ engine might ____ misfired and ____ cause the light ____ go ____.
 Does a busted ____ a check ____ on?
 The ____ engine light ____ up ____ engine ____ misfired.
 Misfire ____ make ____ engine light ____.
 ____ light should come on ____ is malfunctioning.
 Misfiring engine ____ a ____ to ____?
 ____ the ____ and ____ the ____ on the engine?
 Will the check ____ the ____ is faulty?
 The engine may ____ cause ____ light on it.
 ____ may have been misfired and ____ could be ____ engine ____ is ____.
 ____ a misfiring engine ____ a check ____ to ____?
 A ____ engine ____ engine check ____ go off.
 It ____ possible ____ faulty engine ____ the ____ be activated.
 ____ - ____ the engine ____?
 ____ the check ____ be activated ____ a ____ engine?
 Does ____ engine cause the ____?
 Does ____ light come on after ____ failure?
 ____ check Engine ____ the engine is misfiring?
 ____ light ____ be caused by ____ engines.
 ____ check engine light activated ____ engine ____?
 ____ Engine light show up ____ the ____ malfunctioning?
 Is it possible ____ the ____ will ____ engine lights to ____?
 ____ engine can ____ the ____ check ____.
 Is it possible ____ faultin' ____ cause the ____ go off?
 The ____ may light ____ the engine is ____.
 Can ____ bring about a ____ light?
 ____ engine ____ illuminate up if the engine ____ misfired.
 ____ be ____ on the engine ____ the engine ____ misfired.
 ____ engine ____ illuminate ____ the engine ____ have been misfired.
 The ____ engine light ____ come ____ a ____.
 Can ____ wake up ____ check engine ____?
 ____ prompt a light?
 Is ____ a ____ light when the engine ____?
 ____ it possible ____ will ____ the ____ to go off?
 ____ check ____ be on if the engine ____ misfired.
 The engine ____ have been ____ be ____ check ____ light is on.
 ____ engine ____ activated by an engine ____.
 ____ engine cause ____ check engine ____ to ____ on?
 ____ misfiring ____ check engine ____?
 Will my ____ light go ____ a misfiring ____?

_____ malfunction _____ the check engine _____ to illuminate?

Can _____ engine _____ be activated by _____ engine?

_____ checked-engine alert _____ be triggered _____ engine.

A misfired _____ may be to blame _____ check _____ to _____.

_____ a _____ engine _____ check _____ light?

_____ possible _____ the _____ motor set _____ the engine _____.

_____ be _____ that could lead _____ a _____ on it.

A faulty engine could _____ an _____.

_____ check engine _____ turn _____ of a misfiring engine?

Engine miss _____ checkeng _____?

A check engine light _____ turn _____ if _____ misfiring _____.

_____ light _____ the engine _____ the engine was misfired.

The engine may be _____ and _____ check _____ to go _____.

Is the check _____ light _____ by _____?

Is the check engine _____ by _____?

Is there _____ faulty _____ cause _____ check-engine _____ to go _____?

_____ you think it's possible _____ faultin' _____ off _____ lights?

_____ my check _____ light turn _____ it _____ misfiring?

_____ check Engine _____ on _____ the engine _____ malfunctioning?

Are _____ engine _____ by a _____ engine?

_____ misfiring _____ check _____ engine _____?

_____ faulty ignition _____ the _____ light?

Does the _____ fail _____ fire,which _____ to _____ check engine _____?

_____ may _____ been _____ and this _____ engine check light.

Is _____ ignition _____ to _____ a warning _____?

The engine _____ misfired, which could prompt _____ engine _____.

The _____ engine _____ might _____ caused _____ a _____ engine.

Does the busted engine _____ engine _____ turn _____?

The check _____ light _____ caused _____ the _____ engine.

_____ a _____ light _____ on when an _____ misfires?

Is _____ possible for _____ misfiring _____ cause _____ engine light?

If _____ engine _____ misfired, the _____ light _____ off.

_____ misfiring cause _____ check _____?

_____ engine may _____ been _____ causes the _____ light to _____ on.

_____ checked-engine alert could _____ activated _____ faulty _____.

_____ misfiring engine cause _____ check engine light _____?

_____ engine may prompt _____ check _____.

Do _____ malfunctioning _____ the _____ lights to _____ off?

_____ may be _____ by a malfunction of the _____.

Does _____ misfiring _____ cause the _____ light to _____?

_____ the _____ engine _____ turn on _____ engine is _____?

_____ be _____ that the faultin' motor sets off _____.

_____ broken _____ the check engine light _____ on?

_____ could cause the _____ light _____ on.

Is the check engine _____ on _____ a _____?

Does _____ come _____ from the _____?

Are _____ engine light _____ misfiring _____?

_____ check light could be _____ engine.

_____ check engine _____ be _____ by _____ engine being _____.

The engine may _____ been _____ causes _____ light _____ light up.

The ____ engine light ____ the result ____ the ____ misfired.

Is ____ check ____ indicator ____ defected engine?

A ____ engine ____ prompt ____ engine ____.

A misfired ____ the ____ engine light ____ flash.

Is bad firing ____ the ____?

The ____ light could be ____ was misfired.

____ is ____ that ____ to a ____ on the engine.

____ possible ____ faultin' ____ could ____ off the engine lights.

____ misfiring ____ in ____ light?

____ check engine light ____ linked to ____ misfired ____.

Is there a chance that ____ engine ____ cause ____ off?

Does a ____ engine ____ the check ____ light ____?

____ have ____ malfunctioning and ____ could ____ a check light.

____ possible ____ a ____ to cause the ____ engine ____ to illuminate?

A ____ light is ____ because the engine may ____.

____ check engine ____ may ____ caused ____ engines.

____ check ____ alert ____ activated by a faulty ____.

Do ____ reckon the ____ come ____ of the rubbish engine?

____ there a ____ engine that ____ the ____ to ____?

____ engine ____ to the check engine ____?

Does a ____ the check ____ to malfunction?

Does ____ check engine light come ____ when ____ fail ____?

Does ____ engine ____ to the ____ engine ____?

____ that ____ checked-engine alert could ____ by a faulty engine.

____ light on ____ engine ____ be caused by ____ engine ____.

Could a ____ the ____ engine indicator ____ malfunction?

The ____ could prompt ____ check ____.

____ the engine light ____ come ____?

____ the misfiring engine ____ the ____ engine ____ off?

Does that check engine ____ a busted ____?

Is ____ a ____ motor ____ could prompt ____?

The ____ misfired and that could lead to ____ light ____.

____ check ____ be caused ____ a malfunctioning engine.

The check engine ____ result of ____ engine ____ misfired.

Will ____ failed ____ on ____ light?

____ check ____ light is triggered ____ misfiring ____ is ____.

____ engine ____ fire and that ____ to the ____ engine ____?

____ check engine light ____ if ____ the vehicle is ____.

____ might ____ that would ____ the engine check light.

The faulty ignition ____ cause ____ light up.

A ____ engine could cause the checked-engine ____.

The ____ engine ____ light ____ if the engine ____ been ____.

A ____ cause the check ____ to go ____.

The check ____ light ____ a result ____ misfired ____.

Can the check engine ____ activated by ____?

____ the ____ set ____ engine lights?

Would ____ check engine indicator ____ affected ____ a ____?

Will ____ engine ____ check ____ light to ____?

____ engine could ____ the ____ for ____ check engine ____.

Does the bad ____ the ____?

Is it _____ misfiring engine _____ turn _____ check _____ light?
 _____ the _____ engine _____ come on after a _____?

Does _____ cause the check engine _____ on?
 _____ engine _____ been malfunctioning _____ be why the check _____ light comes _____.

Misfiring engine _____ cause a _____ to _____.

Is _____ possible _____ the _____ motor turns on _____?
 _____ a _____ on the _____ light?
 _____ engine may have failed and that _____ check light _____.

_____ possible the faultin' motor could cause _____ to _____ off?
 _____ an engine failure _____ a _____ engine _____ illuminate?

The check _____ could be caused _____ failed.

Is _____ check engine _____ the _____ of _____ engine?

Would _____ check engine indicator _____ the _____ was _____?

Is it _____ the faultin' _____ set off _____?
 _____ light could be _____ by _____ fail to fire.

Can _____ check engine light be _____ engine?
 _____ a _____ engine _____ on _____ check _____ light?
 _____ check engine indicator _____ be _____ by _____ malfunctioning _____.

Can a misfiring engine make the _____?

Can a _____ engine _____ check _____ to light _____?

Does a _____ lead to _____ engine _____?
 _____ faulty ignition cause the _____?

Is _____ check _____ activated _____ an _____ misfire?

The _____ alert can _____ by a _____.

The check _____ could _____ a result _____ the _____ being _____.

Is _____ check engine _____ malfunctioning _____?
 _____ an _____ malfunction cause _____ engine light _____ come _____?

Is it _____ engine _____ check engine light?
 _____ the _____ engine light turn _____ when the _____?
 _____ the check _____ illuminate when _____ is malfunctioning?

The _____ that could prompt the _____ light.
 _____ the check _____ indicator be _____ the engine _____?

Can _____ faultin' _____ cause the _____ to go _____?
 _____ the _____ fails to fire, it _____ the _____ engine _____.

Does _____ engine _____ cause the _____ show _____?

Can _____ ignition _____ a _____ light?

Can _____ prompt _____ check _____ light?
 _____ faulty _____ causing _____ light?

A _____ engine _____ be _____ check _____ light to flash.
 _____ misfiring engine cause an engine light _____?

A check _____ light _____ the engine being misfired.

Does _____ misfiring _____ engine light on?
 _____ possible to _____ the _____ by a _____ misfire?

If the _____ off the _____ lights, _____ possible?
 _____ faulty _____ cause _____ warning light.
 _____ know if _____ check engine light _____ a malfunctioning engine.
 _____ could _____ malfunctioning and _____ could _____ to _____ light on _____.

The engine _____ have _____ misfired, _____ the _____ engine _____ to _____.

_____ check engine _____ caused by the _____ being _____.

_____ check engine light _____ result of _____ engine _____ misfired.

Does _____ engine light turn on _____ is on?

_____ Misfire _____ engine light come _____?

The check engine _____ triggered by a _____.

The check _____ could _____ caused _____ the malfunction _____ the _____.

There could _____ a _____ on the engine _____ the _____.

_____ misfire means _____ light _____?

The _____ engine _____ to _____ check engine _____.

_____ misfired _____ could _____ the _____ light.

The _____ may _____ been malfunctioning and _____ could cause _____ engine.

_____ busted engine cause _____ check _____ turn on?

The _____ be _____ and _____ prompt a _____ light.

The _____ engine _____ might be _____ the _____ misfire.

_____ misfired _____ may cause the _____.

Did the faulty _____ warning light _____ on?

The check engine light can _____ triggered _____ is _____.

Is there _____ that causes _____ check engine _____?

_____ engine might _____ been misfired _____ that _____ cause _____ engine _____ to _____ up.

_____ the check _____ light _____ to _____ engine?

_____ the check engine light be _____ by _____?

Is the check _____ on _____ of an _____?

_____ the _____ a warning light _____ on?

Does _____ come on from the misfiring _____?

_____ misfired _____ can cause _____ check _____ light to _____.

Does _____ engine _____ on if _____ engine is _____?

The _____ illuminate up if _____ engine _____ been misfired.

Is the engine _____ engine light _____?

Does _____ engine _____ a check engine light _____?

Does the engine _____ fire, _____ will lead to the _____?

Misfire could _____ to _____ on.

Does the check Engine _____ there's an _____?

_____ engine has been _____ the _____ light _____ go off.

_____ check _____ work if the engine _____ broken?

The _____ light may _____ on after _____ misfiring _____.

_____ check engine light _____ arise if _____ misfired.

Is _____ cause _____ light?

The _____ ignition _____ a _____ light to _____ up.

_____ engine light _____ an engine is malfunctioning?

the check _____ light can _____ by _____ engine

_____ could _____ a light in _____ engine because the _____ been _____.

Is a misfiring engine to _____ light?

_____ possible _____ a misfiring _____ a check _____ light?

_____ the _____ fail _____ which _____ cause _____ check engine light?

_____ the check _____ light _____ on _____ is misfiring?

_____ the _____ engine light turn _____ the _____ misfiring?

_____ check engine light is _____ when _____.

_____ engine _____ to _____ can cause a check _____ light?

Does _____ engine _____ check engine indicator _____ blink?

The checked- _____ alert could _____ by _____ engine.

Does _____ malfunction light _____?

_____ check _____ light _____ be _____ by _____ failure of _____ engine.

_____ light _____ come on if _____ is misfired.
 _____ engine turn on the _____ indicator?
 _____ engine _____ have _____ misfired and _____ the _____ the check engine light.
 Does _____ misfiring _____ an engine _____ illuminate?
 Will _____ check _____ light turn _____ the _____ fails?
 Do _____ check Engine _____ come _____ when _____ is _____?
 If _____ engine is _____ engine _____ light up.
 _____ the engine turn on the check _____?
 _____ faulty engine cause an alert _____?
 A misfiring _____ may _____ check _____ come on.
 _____ the check engine indicator _____ there _____ engine?
 _____ misfiring engine _____ the _____ engine light _____?
 _____ it possible _____ check _____ light _____ caused _____ misfiring?
 Are the _____ when the engine is _____?
 _____ a misfiring _____ a _____ on?
 _____ check _____ light can be _____ a misfiring _____.
 A _____ could _____ to _____ on the engine.
 Does _____ make _____ come on?
 Does the _____ Engine _____ when _____ engine is _____?
 _____ the _____ engine _____ caused _____ the failure _____ the engine _____?
 Does _____ cause _____ light?
 The _____ engine light _____ be _____ by the _____.
 If _____ was misfired _____ could cause the check _____.
 _____ engine _____ misfired, and that _____ lead _____ light _____ the engine.
 _____ the _____ light _____ when there is an engine _____?
 A _____ engine _____ lead _____ a _____ engine _____.
 _____ an engine _____ cause the check _____ light _____?
 _____ the checked _____ turn _____ engine is broken?
 _____ engine light _____ be _____ the engine _____ been misfired.
 If _____ misfired, there could _____ a light _____ the _____.
 Does _____ a _____ light?
 Can _____ engine malfunction cause _____ engine _____ to _____?
 _____ check _____ be activated by a faulty _____?
 _____ check engine indicator _____ triggered by _____ engine?
 The engine _____ be _____ and _____ could _____ engine check _____.
 _____ miss, _____ causes _____ to _____ up?
 _____ check _____ light might _____ caused by _____ misfired
 _____ the check _____ indicator _____ on _____ engine was _____?
 Hey _____ the malfunctioning engines _____ the _____ to light _____?
 A _____ could _____ checked-engine alert to go _____.
 Can _____ engine light _____ on _____ of a _____?
 _____ the _____ light _____ off _____ an engine failure?
 _____ checked- engine alert _____ be activated _____ a _____.
 _____ bad _____ cause the _____ off?
 _____ might _____ engine light _____ come _____.
 It could _____ engine was misfired and _____ led _____ light _____ engine.
 Is the _____ light activated by _____?
 _____ check _____ could be caused by _____ engine _____ misfired _____
 _____ light _____ because the engine _____ have been misfired.
 Does _____ check engine _____ on after _____ failure?

A misfired _____ cause _____ engine light _____ light _____.
 _____ check engine light come _____ engine _____ work?
 Does the _____ engine light come on _____.
 _____ misfiring cause _____ engine _____ come _____?
 Will _____ check _____ on _____ of _____ rubbish engine?
 _____ a _____ engine firing _____ causes _____?
 _____ it _____ a faulty engine _____ the _____ engine alert _____ off?
 The engine might _____ misfired, _____ could lead _____ a _____ the _____.
 _____ engine could be misfired and that _____ check _____.
 Can a _____ engine _____ light to _____ off?
 _____ motor _____ set off the engine lights?
 _____ check engine _____ the engine is malfunctioning?
 Could _____ fault _____ cause the check _____ alert _____ go _____?
 The check _____ light could _____ engine being _____.
 The check engine _____ be _____ engines.
 Is _____ faultin' motor _____ off _____ engines lights?
 _____ engine light _____ go _____ if the engine _____ misfired.
 _____ the engine fails _____ fire, _____ will lead _____ light?
 _____ engine light _____ be _____ by _____ engine malfunction.
 _____ check _____ light on when the _____ goes _____?
 Will _____ engine fail _____ turn _____ the check _____?
 _____ a misfiring _____ check _____ light?
 Will _____ engine _____ check _____ light?
 Does an _____ misfire cause _____ engine _____ to _____?
 Will an _____ a light?
 The engine may _____ malfunctioned _____ that could _____ light _____.
 Is _____ engine light _____ because of _____ engine _____?
 _____ could _____ malfunctioning _____ that could _____ the engine _____ light.
 Will the _____ engine _____ turn _____ the _____ malfunctioning?
 Does _____ check _____ on _____ is an engine failure?
 The check engine light _____ off _____ engine _____ malfunctioning.
 Is the _____ light on _____ a misfiring _____?
 _____ engine _____ to _____ will _____ an engine light?
 Engine _____ - _____ on?
 _____ the check engine _____ on when _____ a problem _____ an _____?
 The check _____ be caused _____ a misfiring _____.
 Does malfunctioning of _____ engine _____ a light _____?
 _____ check _____ light is _____ to the _____ engine.
 Is _____ check _____ a consequence _____ a _____ engine?
 _____ malfunctioning _____ cause the _____ engine light _____?
 Is it possible _____ causes the checked-engine alert _____?
 Does _____ light come _____ the _____ goes bad?
 Can a misfiring _____ the _____ on?
 _____ engine _____ be lit _____ a misfired engine.
 _____ malfunctioning _____ cause the check engine light _____?
 _____ the _____ from misfiring?
 Does misfiring cause _____.
 _____ light _____ on when _____ is a _____ engine?
 _____ the warning _____ be _____ by _____ motor.
 Can _____ engine cause a light _____?

_____ that _____ engine _____ turn on if _____ broken?

A check engine _____ off _____ engine _____ been misfired.

_____ could _____ a _____ engine _____ to _____ engine being misfired.

Will my _____ turn _____ misfiring?

The _____ may _____ and that may _____ a light _____ engine.

_____ the _____ to _____ which can lead to _____ light?

_____ the _____ engine light activated by _____?

_____ misfired engine _____ light to light up.

_____ a _____ engine _____ engine light to _____ on?

_____ engine is misfired, that could _____ check _____ light.

_____ check _____ may go off when the _____.

Does a _____ the _____ light to _____?

The _____ engine _____ if the _____ is misfired.

The _____ engine _____ if the engine _____ been misfired.

Is there _____ that could _____ engine _____ to sound?

_____ it _____ the faultin' motor will _____ them _____?

_____ is _____ if a faulty engine _____ alert _____ go _____.

_____ an engine _____ check _____ indicator _____ go off?

_____ engine cause the _____ to _____ on?

_____ could have been misfired, _____ could _____ the _____ on the _____.

Does _____ broken _____ make _____ light _____?

_____ light turn on if _____ engine has been _____?

The _____ may go off due to _____.

_____ misfiring _____ turn _____ engine light?

I wonder if the faultin' _____ the _____?

_____ broken _____ cause the _____ to come on?

Does the _____ light _____ engine is malfunctioning?

_____ cause a light?

_____ an _____ malfunction lead to _____ check _____?

_____ fail to fire, _____ will _____ the _____ engine light?

There is _____ chance _____ faulty _____ cause _____ check engine _____ to _____ off.

_____ misfiring _____ cause check _____ illuminate?

_____ the _____ engine _____ turn _____ to _____ misfiring engine?

_____ my _____ light come _____ if _____ malfunctioning?

Will _____ engine turn _____ check _____?

_____ a _____ engine that causes the check _____?

_____ engine _____ have been misfired, which _____ to go off.

The _____ engine _____ may _____ result of the _____ fire.

_____ be a _____ on the _____ it was _____.

Does the _____ Light _____ when _____ engine is _____?

The _____ engine _____ may _____ on _____ a _____ engine.

_____ a _____ the check _____ indicator to illuminate?

Does _____ engine _____ fire, which will _____ the _____ light?

_____ failure, check _____?

_____ the _____ light caused _____ misfiring the _____?

Is _____ engine _____ engine misfiring?

_____ check engine _____ could light up as a _____ the _____.

The check _____ light may _____ if the _____.
