Masked sample paraphrases of one "Home Repair and Maintenance Company" customer inquiry. (Purchased data will not be masked.)

____ the garage ____ safety sensor obstructed, ____ it ____ unexpectedly?
 Is ____ of ____ garage ____ due ____ the obstructed safety sensor?
 ____ a sensor ____ affect a garage ____ ?
 Does the ____ door opener's ____ have ____ obstructions ____ can ____ reverse?
 ____ in ____ safety sensor may be ____ my ____ to reverse.
 There is a chance ____ my ____ door ____ obstruction ____ safety sensor.
 Does the ____ the ____ door ____ have to do ____ of ____ safety sensor?
 ____ am wondering ____ blocking its ____ to blame for ____ garage door ____ warning.
 Someone wants ____ if the ____ is obstruction ____ if it will ____.
 Someone is asking ____ garage door opener's sensor is ____.
 Can ____ sudden ____ my garage ____ attributed to ____ the safety sensor?
 ____ is ____ if the ____ garage door ____ is obstruction and ____ reverse suddenly.
 Could ____ way ____ garage door's sensor causing it ____ unexpectedly?
 I ____ if my ____ reverses ____ blocking the safety ____.
 Someone ____ if the ____ of ____ door opener ____ and it unexpectedly ____.
 Did the ____ reversal be ____ by ____ sensor ____?
 ____ unexpected ____ of ____ door ____ an obstruction in its ____ sensor?
 Someone is asking ____ on ____ garage door opener is obstruction ____ going ____ unexpectedly.
 ____ whether ____ of the garage door opener is ____ which ____ unexpectedly reverses.
 Someone ____ asking if ____ of the garage ____ obstruction as ____ sudden ____ of direction.
 I ____ an ____ in ____ safety sensor was ____ my garage ____ reverse.
 Someone ____ the ____ opener's ____ was obstruction, ____ to change direction.
 Can ____ blocked ____ garage ____ opener cause a ____ reverse?
 ____ asks ____ the sensor ____ the ____ door opener ____ obstruction ____ is going ____ reverse ____.
 ____ my garage door ____ because ____ a ____ safety ____?
 ____ by the garage door opener ____ are ____ obstructing the safety ____.
 ____ garage opener malfunctioning because ____ ?
 Did the sudden ____ of ____ door ____ be caused ____ an ____ safety ____?

A _____ door opener's safety _____ could _____ lurching _____ forth.
 Does _____ in the _____ sensor _____ sudden reversing _____ a _____ door _____?
 _____ an _____ safety sensor going _____ cause _____ reverse my _____ door _____ system?
 _____ the garage door _____ reversal a _____ obstruction _____ its _____ sensor?
 _____ is _____ garage door _____ obstruction, _____ is why it's reversing unexpectedly.
 _____ you tell _____ if _____ blocked _____ my garage _____ opener _____ reverse?
 _____ an obstruction _____ safety sensor _____ a sudden _____ door opener?
 Is _____ blocked _____ sensor causing _____ garage _____ opener _____?
 Is _____ safety detector _____ lurching motions backward?
 _____ the _____ opener _____ reverse _____ there is an _____ in _____ sensor?
 _____ an _____ of a safety sensor _____ cause of the _____?
 _____ the _____ of my garage _____ due to _____ sensor?
 A _____ safety _____ in my garage door opener could _____.
 _____ is asking _____ in _____ garage _____ opener is _____ causing it _____ make sudden _____ of _____.
 Is _____ reversing of _____ opener because _____ an obstruction _____ safety _____?
 Is the _____ of the garage _____ affected _____ an _____ safety sensor?
 The garage _____ opener's _____ hampered _____ the safety sensor.
 Someone _____ if the _____ door opener _____ reverse _____ sensor is _____.
 Does the sensor _____ the _____ opener _____ cause it to reverse?
 There may _____ a chance _____ garage _____ reversals being _____ in the _____ sensor.
 Can _____ garage _____ opener _____ caused by an _____ the safety sensor?
 Someone is _____ sensor _____ obstruction _____ the garage _____ opener is _____.
 Is there _____ chance _____ garage door reversals will be _____ an _____ the _____?
 The garage _____ be reversed by an _____ the _____.
 _____ the garage door opener's sensor _____ since _____ reverses suddenly.
 _____ wants _____ if the _____ door _____ obstruction, which _____ why it _____ reverses.
 _____ if the _____ of the garage _____ obstruction and it makes _____ changes _____ direction.
 _____ the door _____ because _____ the _____ obstruction?
 _____ is _____ of _____ garage door reversings _____ caused by _____ obstruction _____ the _____.
 Is _____ sensor _____ the _____ door _____ abrupt reversals?
 _____ a blocked _____ sensor _____ opener to reverse?
 _____ obstruction of _____ safety sensor _____ a reversal of _____ door _____?
 The _____ reverse direction, because _____ sensor obstruction.
 Is an _____ the _____ the cause of the _____ my _____ door _____?
 _____ a blocked _____ sensor _____ my garage door _____ to suddenly _____ and _____?
 Someone wants _____ know if the _____ door opener's _____ obstruction, causing it _____ sudden _____.
 Is it possible for _____ to cause _____ reversal of the _____ opener?
 There _____ a chance of _____ garage _____ an obstruction _____ the _____ sensor.
 _____ asking if the garage _____ opener's sensor _____ which _____ why _____ suddenly _____.
 _____ is _____ the garage _____ opener's _____ is _____ which _____ what caused _____ reverse.
 _____ garage door _____ reversal _____ related _____ the safety sensor.
 _____ a chance that _____ garage _____ reversals are caused _____ an _____ the _____.
 Someone is asking if _____ sensor _____ the garage _____ is _____ direction.
 The garage _____ reversal may be _____ the _____.
 _____ obstruction of a safety sensor could be _____ garage door _____.
 A blocked safety _____ the _____ door _____ to unexpectedly _____.
 _____ asking if _____ opener's sensor is obstruction and is _____ suddenly.
 Is _____ garage _____ opener _____ due _____ safety sensor.
 _____ wonder _____ something blocking _____ safety sensor is _____ caused _____ garage _____.
 _____ garage door _____ direction because _____ sensor _____.

_____ is wondering if _____ opener's _____ obstruction because the door _____.
 _____ garage _____ safety detector could _____ malfunctioning, _____ lurching _____.
 _____ if an obstruction in the safety _____ can _____ door _____ to _____.
 _____ could _____ in _____ safety _____ that _____ causing _____ garage door opener _____ reverse.
 Is _____ chance _____ obstruction in _____ safety _____ will _____ a garage door _____?
 The _____ door opener's _____ be due _____ safety sensor.
 Someone is wondering _____ of _____ garage _____ which is why the door _____ reverses.
 Can a _____ in _____ door _____ cause it _____ reverse?
 An obstruction _____ a safety _____ be _____ reason why my _____ is _____.
 _____ problem _____ the safety sensor _____ the garage _____ causing abrupt _____?
 _____ my garage door opener _____ to _____ obstruction _____ the safety sensor?
 _____ the garage sensor _____ causing _____?
 Could _____ the _____ cause a _____ my garage door opener _____?
 Does the garage _____ opener's safety sensor _____ any obstacles _____?
 Someone _____ know _____ the garage _____ sensor _____ obstruction.
 _____ the _____ sensor _____ blocked, it _____ it reverse.
 _____ know if _____ garage _____ opener's _____ is _____ and it _____ reverse suddenly.
 _____ an obstruction _____ sensor the reason the _____ door _____ is _____?
 _____ the garage door _____ safety _____ have _____ obstructions _____ could _____ a _____?
 _____ sudden reversal _____ my garage door opener _____ an _____ the safety _____.
 Did the _____ door opener's safety _____ cause _____ to reverse?
 _____ the garage door opener's _____ obstruction because _____ sudden _____ of direction.
 The safety _____ on your _____ malfunctioning, causing _____ reversals.
 The _____ have been hampered _____ the safety sensor.
 _____ the garage _____ opener's sensor _____ obstruction because it's _____.
 Is there _____ chance _____ in _____ safety _____ could cause a garage _____?
 _____ the _____ door opener's _____ by the _____?
 _____ asking _____ sensor of the garage _____ opener is _____ that causes _____ suddenly.
 _____ the sensor _____ the _____ door opener is obstruction, which _____ why _____ reverses.
 Someone is _____ the garage door _____ sensor _____ is _____ the _____ reverses.
 Someone _____ if the _____ door opener's _____ is obstruction _____ to _____ suddenly.
 _____ safety sensor vulnerable to obstructions that could _____ to _____?
 _____ door opener system _____ to an _____ in the _____ sensor.
 _____ is asking if _____ the _____ opener _____ obstruction, which is _____ suddenly reverses.
 _____ if the _____ the _____ door _____ was obstruction _____ it would reverse _____.
 There could _____ in the _____ that _____ to a reversal _____ the _____ door _____ system.
 Is there _____ chance that _____ door _____ would be caused _____ an _____ the _____?
 _____ am wondering _____ the _____ door _____ reversing _____ an _____ in the safety sensor.
 Can a garage _____ opener _____ a blocked _____.
 There might be an obstacle _____ that _____ to _____ my _____ door opener _____.
 _____ that _____ obstacle in the _____ sensor leads to _____ reversal of _____ door _____.
 Is something _____ of _____ garage _____ sensor causing it _____ unexpectedly?
 _____ door unexpectedly _____ direction is _____ to _____ obstruction.
 _____ if _____ garage _____ opener's sensor is _____ as it _____ suddenly.
 _____ the garage door _____ safety _____ have obstructions _____ it to _____?
 _____ garage door _____ be caused by _____ obstruction _____ sensor.
 Can a _____ safety sensor _____ garage _____ it to _____ reverse?
 _____ sudden reversal of my _____ by an _____ in my safety _____?
 _____ could _____ in the _____ garage door's _____ making _____ reverse.
 Is _____ reversal _____ door _____ due _____ a safety sensor obstruction?

Someone _____ know if the _____ door opener is obstruction _____ to _____ changes in _____.

Someone _____ asking if _____ sensor _____ the _____ is obstruction, _____ makes _____ suddenly.

_____ a blocked _____ in _____ door opener _____ not to close _____?

_____ safety sensor on the _____ door opener _____ that _____ it _____ reverse?

Someone is asking if _____ opener's _____ the door _____ reverses.

It could _____ that _____ sensor is _____.

The garage door opener's safety sensor _____ it _____.

How _____ is _____ that _____ garage _____ will _____ by an obstruction in _____ sensor?

Someone _____ if the _____ door opener's sensor _____ which _____ the _____ suddenly _____.

_____ door opener _____ reversing due to a _____ safety _____?

Someone _____ the _____ of the _____ door _____ is _____ due to _____ reverse.

_____ be an obstacle in the _____ that leads _____ the reversal _____ my garage _____.

_____ it possible that the garage _____ is acting _____?

Someone _____ the sensor of _____ garage _____ opener _____ obstruction, _____ to _____ direction.

I _____ my garage door reverses due _____ blocking _____.

_____ a _____ sensor _____ garage door opener _____ not close properly?

Someone _____ know _____ door _____ sensor _____ obstruction and _____ going _____ reverse suddenly.

_____ my garage _____ opener _____ because of a _____?

Can _____ blocking _____ sensor in _____ cause it to suddenly _____?

_____ if the _____ door opener's _____ is obstruction, because _____ reversing _____.

Someone asking if _____ sensor of the _____ door _____ reverse suddenly.

Someone _____ if _____ sensor _____ garage door opener is _____ which _____ why _____ reversing suddenly.

Does _____ the garage _____ occur because of an _____ the safety _____?

There _____ an _____ the _____ that is causing my garage _____ opener _____ reverse _____.

_____ reversal of _____ garage _____ opener _____ by _____ of safety sensor.

I _____ if a _____ in _____ opener will cause it to _____ reverse.

Can _____ garage door opener _____ caused by _____ malfunctioning _____?

Is _____ sudden reversing of _____ garage _____ opener _____ an _____?

_____ garage door opener's safety _____ cause _____ to unexpectedly reverse.

Is something _____ of the _____ door's _____ making _____ reverse?

Someone is _____ sensor of the garage _____ malfunctioning, causing _____ changes _____.

Someone is _____ the _____ the _____ door opener _____ obstruction, which is _____.

Is _____ sudden reversal of _____ opener caused by _____ a _____ sensor?

Is _____ in _____ way _____ garage door's _____ that could _____ to _____ unexpectedly?

A blocked _____ sensor _____ be the cause of _____.

Can _____ door opener _____ a _____ safety sensor?

_____ if an obstacle _____ safety _____ will lead to the reversals _____ garage door _____.

Someone is wondering if the _____ opener _____ will _____ unexpectedly.

The _____ reverses _____ safety sensor obstructions.

Can _____ garage door _____ be caused by _____ problem with _____ safety _____?

Can a blocked safety _____ to _____ close properly?

_____ a garage _____ opener's _____ for lurching _____ backward?

Is a _____ door _____ detector _____ and causing _____?

_____ if the sensor of _____ obstruction, which is why it _____ reverses.

There is _____ sensor _____ my garage door and _____ warning.

_____ my _____ door opener reversing _____ a _____ safety _____?

Could something be _____ the way _____ sensor?

The garage door _____ sensor _____ malfunctioning and _____ to reverse _____.

_____ an _____ of _____ cause my _____ opener to malfunction?

Do the garage _____ openers safety sensor have _____ that _____?

_____ don't know if an _____ the _____ will lead _____ reversals _____ the garage door _____.
 I wonder _____ in the way _____ garage _____ sensor causing it _____.
 Someone is _____ the sensor _____ the _____ which _____ why it _____ suddenly.
 _____ if _____ door _____ is blocking the _____ which causes it _____ suddenly.
 _____ safety sensor _____ affecting _____ garage door opener's _____.
 _____ garage _____ opener reverses _____ if there's _____ obstruction _____ the _____.
 Someone is _____ if _____ garage door _____ the sensor, _____ causes it _____.
 _____ obstruction _____ the _____ sensor _____ can cause _____ garage door reversal.
 Someone is _____ the _____ of _____ door _____ is _____ which _____ why _____ door _____ reversing suddenly.
 The garage door _____ may _____ due to _____ blocking its _____.
 _____ if _____ garage _____ opener sensor is _____ which is _____ the _____ reverses.
 _____ wants _____ if the _____ door opener _____ is obstruction, which causes _____ sudden changes _____.
 Someone asks _____ garage door _____ obstruction, _____ why it's reversing _____.
 _____ it _____ the garage _____ sensor _____ malfunctioning?
 _____ asking if _____ door _____ is obstruction, which _____ it to reverse _____.
 Can a blocked _____ sensor _____ my _____ door _____ suddenly _____?
 Could the garage door _____ malfunctioning _____ to _____ obstruction in _____?
 _____ is _____ if _____ sensor of the _____ door _____ is _____ why _____ is reversing suddenly.
 Problems with _____ door _____ safety _____ cause lurching _____.
 _____ know _____ the garage door opener's _____ is _____ to sudden _____ in _____.
 Can _____ garage _____ itself _____ of _____ obstruction in the safety _____?
 _____ want _____ if a _____ safety sensor in _____ door opener can _____ reverse.
 The garage door opener's _____ and _____ be _____ reverse _____.
 Do _____ garage _____ opener's safety _____ have _____ cause _____ to reverse?
 Someone is wondering _____ the garage door _____ obstruction, _____ suddenly.
 It's possible that the _____ without _____ because _____ something blocking _____.
 _____ the sudden reversal _____ because _____ an obstruction of _____ safety sensor?
 Can a _____ of _____ garage _____ opener be _____ by _____ sensor?
 _____ garage door _____ making _____ because of an obstruction?
 Does the sensor _____ garage door opener have any _____ could _____?
 _____ is _____ if the _____ garage _____ opener _____ and it causes it _____ reverse suddenly.
 Was _____ reversing _____ the safety _____ obstructing?
 There _____ safety sensor _____ that causes the _____ door _____.
 _____ the safety _____ cause of my _____ door opener reversing?
 _____ asking if the garage _____ is obstruction since _____ reversing _____.
 I _____ in _____ safety sensor _____ the reason my garage _____ reversing.
 _____ asked _____ sensor is obstruction, which _____ it unexpectedly reverses.
 Someone is asking _____ sensor _____ the _____ is _____ as _____ is reversing _____.
 _____ there a _____ with the _____ door _____ is causing abrupt _____?
 _____ that _____ garage _____ reversals might _____ caused _____ obstruction in the safety sensor.
 Is there a _____ my garage _____ reversing _____ of _____ the _____ sensor?
 _____ is wondering _____ the garage _____ sensor _____ because it's reversing _____.
 _____ it possible that _____ the _____ of the _____ door's _____?
 Is _____ the safety _____ responsible for _____ the garage _____ opener?
 Do the _____ door opener's _____ have _____ cause it to _____?
 Can _____ cause a garage _____ to back _____?
 _____ is _____ garage _____ opener's sensor is obstruction _____ it is _____ to _____.
 Someone _____ garage door opener's sensor _____ obstruction, which _____ it _____ reversing _____.
 _____ an obstruction in the safety sensor _____ garage _____?
 _____ reversing _____ opener down to _____ obstruction _____ the safety sensor?

_____ the sudden reversal of _____ door _____ a result _____ obstruction _____ safety _____?
 I wonder if _____ sensor _____ my _____ opener to _____.
 Does _____ of _____ safety sensor _____ garage door _____ to _____ directions?
 _____ obstruction _____ a _____ sensor be _____ reason my _____ door opener _____?
 Is _____ a chance _____ reversals being caused by _____ in _____ safety _____?
 Someone asks if _____ garage _____ opener's _____ is _____ is _____ reverse _____.
 Can _____ sensor in my _____ opener cause _____ to _____ turn _____?
 Does _____ sudden reversal of _____ garage _____ opener _____ the safety sensor?
 _____ my _____ door opener _____ due _____ blocked safety _____?
 _____ is questioning _____ the garage _____ sensor is _____ causes it _____ suddenly.
 Could an _____ opener's safety _____ cause lurching motions _____?
 Was _____ door _____ due _____ the obstruction _____ the _____?
 Is _____ garage _____ because _____ my blocked safety _____?
 _____ if the sensor of the garage door opener _____ which _____ it _____.
 Someone is _____ if _____ garage door _____ is obstruction, which _____ reverse _____.
 Someone _____ door opener's sensor _____ obstruction and _____ door suddenly _____.
 It is possible _____ an _____ will lead _____ reversals _____ garage door opener system.
 Is _____ garage door _____ malfunctioning, causing _____ to _____?
 A _____ the _____ door opener's safety detector _____ backwards.
 Someone asking _____ the _____ door opener's sensor is _____ to _____.
 Is _____ the way _____ sensor _____ it reverse unexpectedly?
 Does the garage door _____ have obstructions that _____ cause _____?
 Does the garage door _____ safety _____ have obstacles _____ cause _____?
 Someone asked if _____ the garage door _____ why _____ reverses suddenly.
 _____ is _____ garage _____ sensor is obstruction, which _____ the door suddenly _____.
 _____ asking if the _____ is _____ and it is going to _____.
 Someone _____ if _____ sensor is obstruction, _____ it's reversing unexpectedly.
 I _____ if _____ door _____ is due _____ something blocking the _____.
 Can _____ sensor stop my _____ door opener _____ correctly?
 _____ there an _____ the _____ sensor _____ causes the _____ opener to _____?
 Does the _____ sensor _____ garage door _____ any obstructions _____ it to _____?
 Is _____ sudden _____ of _____ garage _____ opener _____ to an _____ the safety _____?
 The _____ door opener's _____ be _____ and it _____ unexpectedly.
 _____ the _____ reversal _____ obstruction of the safety _____?
 _____ sudden reversing of _____ garage door _____ be prevented _____ safety sensor?
 _____ is _____ the garage _____ is _____ because it will reverse _____.
 _____ door _____ can unexpectedly _____ if _____ safety _____ is blocked.
 Someone is _____ if the _____ opener's _____ due _____ sudden reverse.
 _____ obstacle in the safety _____ reversal of my _____ door _____ system?
 Someone is _____ sensor of the garage _____ opener is obstruction, _____ opener _____ suddenly.
 _____ garage _____ opener's _____ be obstruction and _____ be to _____.
 Can _____ door opener reversal be caused _____ an _____ sensor.
 Is it possible that _____ the _____ leads _____ a reversal _____ garage _____ opener system?
 Someone _____ opener's sensor _____ obstruction, _____ is why it is reversing suddenly.
 Is _____ that _____ blocked _____ sensor _____ my garage _____ opener will _____?
 _____ if the _____ door opener sensor is _____ is _____ it _____ reversing _____.
 _____ is an obstruction _____ the safety _____ that _____ garage _____ reversal.
 _____ there _____ problem with _____ safety sensor _____ garage door causing _____?
 The _____ may have reversed _____ to _____ obstruction _____ its _____ sensors.
 _____ the _____ door _____ sensor was _____ and it's _____ suddenly.

_____ an _____ in the safety sensor _____ of _____ door opener?
 Someone _____ if _____ door _____ sensor is _____ and that's why it _____.
 An _____ the _____ sensor _____ cause a reversal in _____ opener _____.
 _____ if _____ sensor _____ garage _____ opener is obstruction, which _____ reversing unexpectedly.
 _____ there _____ my _____ door reversals could be _____ an _____ in _____ safety _____?
 I wonder if an obstruction _____ causing _____ opener to _____.
 Is _____ the safety _____ might cause _____ reversal of my _____ door _____ system?
 _____ is _____ the garage _____ opener's sensor is obstruction _____ door _____.
 There are unforeseen reversals by _____ garage _____ to obstruction _____.
 _____ sensor could be _____ my garage door opener _____.
 Someone asked _____ sensor of _____ garage _____ opener _____ and if it _____ to reverse _____.
 I wonder if the reverse _____ garage _____ due _____ safety sensor.
 Someone _____ if the sensor of the _____ opener _____ and _____ reverse unexpectedly.
 The _____ of the _____ door opener _____.
 Can _____ obstruction _____ sensor _____ garage _____ to reverse its course?
 _____ obstruction in the safety sensor that could _____ garage _____ reverse.
 _____ chance of my _____ door reversing because of _____ in _____ safety _____.
 There _____ in _____ safety _____ might cause garage _____ reversals.
 _____ door's sensor _____ causing _____ to reverse unexpectedly?
 _____ door opener _____ to a blocked safety sensor?
 _____ there something _____ the _____ garage door's sensor?
 Is _____ opener reversal _____ to _____ obstruction _____ the _____ sensors?
 _____ safety sensor _____ my _____ opener cause it to sudden _____?
 _____ to know if _____ is in the way _____ my _____.
 _____ is asking _____ the _____ of the garage _____ is _____ which _____ the door _____.
 _____ a garage _____ opener _____ could cause _____ motions _____?
 _____ is _____ if _____ sensor of the _____ is obstruction _____ is why _____ suddenly reverses.
 _____ in a _____ sensor can _____ a _____ opener _____ reverse.
 Is there _____ of _____ garage _____ reversal being caused _____ in the _____?
 _____ is wondering _____ garage _____ sensor _____ obstruction and going to _____.
 Is _____ chance _____ garage _____ reversals _____ caused by _____ obstruction _____ the safety _____?
 Does _____ obstruction _____ affect _____ of the garage door _____?
 Someone is _____ if _____ garage _____ opener sensor is _____ reverse suddenly.
 A _____ sensor _____ the reason _____ garage door opener _____.
 _____ if _____ garage door _____ sensor _____ obstruction, which _____ the door to _____.
 Is there _____ sensor causing my garage door _____?
 _____ sensor that is blocked?
 If the garage door _____ safety _____ blocked, _____ occur.
 _____ door opener's _____ obstruction and may be _____ reverse _____.
 _____ garage door _____ safety _____ could _____ lurching motions.
 The garage door _____ obstruction and _____ reverse unexpectedly
 _____ are unforeseen reversals by _____ opener _____ there is a safety _____.
 Someone asked _____ the _____ sensor is _____ it's _____ unexpectedly.
 A blocked _____ making _____ garage _____.
 _____ wondering _____ the _____ the garage door _____ obstruction, which causes it _____ reverse _____.
 Is _____ a _____ with the safety _____ to reversals _____ my garage _____ system?
 Safety sensor _____ causes _____ garage _____ reverse _____.
 A blocked safety _____ lead _____ door opener _____.
 A _____ in the _____ door _____ detector _____ motions backward.
 Someone asked if the _____ sensor _____ obstruction, _____ it to _____ changes _____ direction.

Someone asked if the _____ sensor _____ obstruction, _____ caused _____ to _____.

_____ asking _____ the sensor of _____ opener _____ it to change direction.

_____ reversal of _____ door opener _____ blamed on an _____ in the _____?

Someone is asking _____ the sensor _____ opener is obstruction _____ it is _____ reverse _____.

_____ is _____ the _____ opener's _____ is obstruction and _____ it is reversing _____.

Someone is asking _____ garage _____ is obstruction _____ going _____ reverse unexpectedly.

The garage door _____ could be _____ might be _____.

_____ a blocked safety _____ door opener to _____ of closing?

I wonder _____ an _____ safety sensor will _____ me _____ the garage _____ opener _____.

I _____ wondering if the _____ reverses _____ of something blocking _____.

_____ there _____ problem with _____ sensor _____ the garage _____ abrupt reversals?

_____ asking if _____ sensor is obstruction, which _____ it _____ reverse suddenly.

Could an obstruction _____ a _____ the _____ of _____ garage _____ opener _____?

_____ wonder if an obstacle _____ the safety sensor _____ to reversals _____ garage _____.

_____ is asking _____ sensor of the garage _____ obstruction, _____ reversing suddenly.

_____ of a _____ sensor could be _____ cause _____ my _____ door _____.

Is _____ garage door _____ malfunctioning _____ of _____ problem _____ sensor?

_____ safety sensor cause _____ garage door opener _____ directions?

Can _____ blocked safety sensor in _____ sudden reverse?

Someone _____ of the garage _____ opener _____ obstruction, _____ caused _____ reverse suddenly.

Can a garage door opener _____ in _____ sensor?

Someone _____ know if the sensor _____ garage door _____ reverse unexpectedly.

A _____ door _____ is _____?

Can _____ sensor _____ the garage door _____ reverse?

_____ asking _____ garage _____ opener's sensor _____ obstruction, which _____ how it unexpectedly _____.

There _____ an _____ in _____ safety _____ causing a garage _____ reversal.

_____ the garage _____ opener suddenly reverse _____ if there _____ an _____ in _____?

_____ is asking _____ the _____ sensor _____ obstruction, _____ is why the _____ reverses _____.

_____ something _____ with the _____ on the garage _____?

_____ am wondering if _____ obstruction in _____ safety sensor _____ garage _____ opener to _____.

_____ is asking if the _____ opener's sensor is _____ is _____ it _____.

Is the garage door _____ reversal _____ sensor?

Did _____ the safety sensor obstructing?

Can a _____ lead to _____ door _____ reversing?

Can _____ garage _____ opener _____ reverse _____ a blocked _____?

_____ is _____ if the sensor on _____ garage door _____ which _____ why it _____ reversing _____.

_____ blocked safety _____ to _____ garage door opener _____.

_____ asking if _____ sensor of _____ garage _____ opener is obstruction, _____ it _____ reverse _____.

Someone _____ if _____ garage door opener's _____ and why it _____.

_____ is asking if the _____ of _____ opener _____ obstruction, _____ the garage _____ opener reverses.

Someone _____ asking _____ the garage door opener _____ is going _____ reverse suddenly.

Someone _____ opener's _____ is obstruction since _____ makes _____ changes of direction.

Is _____ garage _____ malfunctioning _____ the _____ being blocked?

_____ it possible _____ an _____ in _____ safety _____ could lead to _____ reversal of _____ door _____?

_____ obstruction _____ a _____ the cause _____ garage door opener reversing _____?

I _____ if _____ obstruction _____ safety _____ my garage door opener to _____.

_____ the garage door _____ sensor _____ obstructions that _____ cause _____ unexpectedly _____?

_____ by the _____ door opener due _____ a _____ its safety _____?

_____ sudden reversing _____ the garage _____ a safety _____ obstruction?

_____ blocked sensor _____ a garage door opener _____?

Did ____ garage door ____ safety ____ obstructions ____ cause it ____ reverse?

Does the garage door ____ obstructions ____ cause ____ reverse?

There ____ an ____ the ____ sensor ____ garage door opener ____ reversing.

Is ____ garage door opener's ____ impeded ____ the ____?

Can ____ garage ____ opener ____ there's a ____ safety ____?

____ obstacle in the safety sensor ____ reversal ____ garage door opener ____.

____ to know ____ the sensor ____ garage door opener is ____ it makes sudden ____.

A person ____ asking ____ the ____ opener's sensor ____ obstruction, ____ why ____ suddenly.

Someone is ____ the ____ of the garage door opener ____ obstruction and ____ suddenly.

Someone asks if ____ sensor of ____ garage door ____ because ____.

Is ____ with my garage ____ sensor ____ it to ____ unexpectedly?

Someone is ____ the sensor of ____ garage door ____.

____ garage door opener ____ reversed itself because ____ safety sensors.

Is the ____ door ____ reversing ____ because ____ an ____ safety ____?

Someone is ____ the ____ obstruction, ____ is why ____ garage ____ opener ____ reverses.

____ if the sensor ____ garage ____ opener is obstruction ____ will reverse ____.

I ____ an obstruction ____ the safety ____ is causing my ____ opener ____ reverse ____.

Someone is ____ if ____ of the ____ opener ____ due to ____ changes ____ direction.

Does the ____ door ____ sensor have ____ that ____ to ____?

____ is ____ the ____ the garage door ____ is obstruction.

____ are unforeseen ____ the garage ____ opener if any obstacle ____ obstructing ____.

____ my ____ door opener is reversing ____ a blocked safety ____.

Someone ____ if the ____ opener's sensor is obstruction ____ causing ____ changes ____.

My ____ reverses due to a ____ sensor.

Someone wants to know ____ garage door opener's ____ reverses suddenly.

Can a reversal of ____ garage ____ be due ____ obstruction ____ the ____?

____ a blocked ____ sensor lead to ____ reversing ____?

____ the ____ lead to a reversal of ____ garage ____ opener system.

Can ____ reversal of ____ door opener be ____ an ____ the safety ____?

Someone is ____ if ____ opener's sensor is ____ because ____ suddenly.

Someone ____ if the sensor ____ the ____ door opener is obstruction ____.

____ door ____ suddenly if ____ safety sensor is ____.

Someone ____ the sensor of ____ garage door ____ is ____ leads ____ the reverses ____.

____ there ____ of ____ garage door ____ being caused by the ____ safety ____?

Someone is ____ if the ____ of ____ door opener ____ it ____ going to reverse ____

____ garage ____ opener's ____ questions about the ____ sensor.

Someone ____ asking ____ garage door opener's sensor ____ cause ____ of direction.

Is there a ____ that ____ door reversals will ____ by ____ in ____?

____ the ____ reversal ____ garage door ____ due to ____ sensor?

____ the sensor of the ____ door opener is ____ why ____ door suddenly ____.

Is ____ due to a blocked ____ sensor?

Is ____ opener reverses suddenly ____ of ____ obstruction?

____ an ____ in the ____ sensor ____ door opener ____ reverse?

____ is ____ the garage ____ sensor is obstruction, which ____ why ____ garage ____ reverses.

The ____ door's safety ____ may ____ due ____ obstacle.

____ a blocked ____ sensor ____ a reversal of ____ garage ____?

____ sudden ____ of the garage door ____ with an ____ in ____ safety ____?

____ safety sensor could ____ the ____ my ____ door reversing.

____ wonder ____ garage door opener ____ unexpectedly ____ of ____ safety sensor.

Someone is asking if the sensor of ____ is ____ it's ____.

_____ in a safety _____ cause the garage _____ to _____.
 _____ garage _____ may have a blocked _____ makes _____.
 _____ the safety sensor _____ cause _____ of _____ garage _____ opener system.
 _____ door opener's sensor is _____ which _____ why it _____ reverses.
 Can _____ door _____ be reversed _____ there _____ a blocked _____?
 Does the garage door _____ safety sensor _____ obstructions that _____ to _____?
 A garage _____ opener _____ unexpectedly _____ the _____ an obstruction of _____ safety _____.
 Is _____ door opener _____ because _____ an _____ in the _____ sensor.
 _____ is _____ sensor of _____ garage door _____ is _____ it unexpectedly reverses.
 _____ asking if the sensor _____ garage door _____ is obstruction, _____ is _____ the _____ suddenly _____.
 Someone _____ asking if _____ opener _____ obstruction _____ which is _____ it _____ reverses.
 _____ obstruction in _____ safety sensor that might _____ the _____ opener to _____.
 A _____ door opener reversing unexpectedly _____ result of an _____ in _____.
 _____ an obstruction _____ the _____ sensor be _____ my _____ to stop?
 Someone _____ asking _____ of the garage _____ opener _____ because _____ is _____ suddenly.
 Is the sudden reversal _____ my garage _____ opener _____ to _____?
 The _____ sensor could be causing _____ to _____ unexpectedly.
 _____ may _____ obstruction _____ the garage door _____ sensor.
 There _____ obstacles obstructing the safety sensor, _____ garage _____ opener _____.
 The garage door _____ be _____ it _____ be to _____.
 Could it be that _____ is in _____ my _____?
 _____ safety sensor cause a _____ door _____ move?
 _____ asking _____ the _____ door opener's _____ is obstruction and the opener _____ reverse _____.
 Something _____ the safety _____ the reason _____ garage door _____ without _____.
 There is _____ possibility _____ the _____ opener's _____ sensor _____ blocked.
 _____ wonder if _____ garage door reverses _____ to _____ safety sensor.
 Someone _____ asking _____ sensor of the garage door opener _____ and _____ sudden _____.
 _____ asking if _____ opener is _____ to _____ unexpectedly _____ sensor is obstruction.
 I _____ if the garage _____ opener _____ because of _____ the safety sensor.
 Someone _____ if the _____ the garage door opener _____ it _____ reversing _____.
 The garage _____ opener's sensor _____ be _____ and it _____ be _____.
 Someone wants _____ know _____ sensor _____ the _____ door _____ is obstruction, which _____ reverse suddenly.
 I wonder if a _____ reason my _____ door opener _____.
 _____ the _____ reversal of my garage door opener caused _____?
 _____ asking _____ the _____ opener's sensor is obstruction and _____ sudden changes _____.
 _____ the _____ reversal _____ the garage door opener _____ to _____?
 Can _____ opener _____ reverse because of _____ blocked _____ sensor?
 Is the _____ because of _____ obstruction of the _____ sensor?
 A blocked safety _____ making my _____ opener _____.
 I don't know if _____ obstacle _____ safety _____ cause _____ reversal of _____ garage _____ system.
 Maybe an _____ safety _____ a _____ of my garage door opener _____
 _____ an obstacle _____ will _____ to _____ of my _____ door opener system.
 _____ blocked _____ sensor is causing _____ garage _____ opener _____.
 Someone _____ asking _____ garage _____ sensor _____ obstruction and it's reversing _____.
 Someone _____ know _____ garage door opener _____ obstruction, which is _____ reverses.
 _____ the garage door _____ because _____ an _____ in _____ safety sensor?
 Is an _____ the cause of a sudden _____ my garage _____?
 The garage door _____ have an _____ its _____.
 Someone _____ the garage door opener's _____ is _____ is why it's _____.
 I _____ if _____ is _____ to _____ blocking _____ safety _____ of my garage _____.

Could a _____ the _____ door _____ cause _____ lurching motions?
 Someone _____ asking _____ the garage door opener _____ obstruction, _____ door _____ reverses.
 _____ if _____ garage door _____ was obstruction, _____ it was reversing unexpectedly.
 I _____ an obstruction in the safety _____ garage door _____ reverse.
 Can _____ obstacle in _____ cause a reversal _____ my _____ opener _____?
 _____ is _____ the _____ of the _____ door _____ is obstruction _____ cause _____ reverse suddenly.
 I wondered _____ something _____ safety _____ was the reason _____ door _____.
 The garage _____ direction _____ of _____ safety sensor _____.
 Someone is asking if the sensor _____ door _____ going _____ reverse suddenly.
 Someone _____ the _____ door opener is _____ because it makes sudden changes _____ direction.
 I wonder if _____ the safety _____ cause _____ garage door _____ warning.
 _____ the garage door _____ be caused by an _____ in _____ safety _____?
 _____ door opener's sensor could be _____ it _____ be to _____.
 Does the _____ opener's safety sensor have any _____ to _____ reverse?
 _____ person is asking if _____ garage door opener's sensor _____ why _____ door _____.
 Maybe _____ the safety sensor _____ a _____ in _____ garage door opener _____.
 _____ wondering _____ the garage _____ sensor _____ obstruction and _____ reverse unexpectedly.
 _____ the _____ opener's safety sensor have any obstructions _____ it _____?
 There _____ opener _____ can cause _____ reversals _____ blocking the _____ sensor.
 _____ asked _____ door _____ was obstruction, _____ is _____ it reversed unexpectedly.
 Someone is _____ of the _____ is obstruction, which _____ it unexpectedly reverses.
 Someone is _____ if _____ garage _____ opener's _____ obstruction _____ going _____ reverse _____.
 There is _____ chance _____ the garage _____ an _____ the safety sensor.
 Does the _____ of my _____ is _____ to an obstruction _____ a _____?
 Something _____ be _____ the _____ my _____ door's _____ causing it _____ reverse _____.
 Can _____ sensor cause _____ garage door _____ to _____?
 _____ sudden reversal _____ door opener _____ to _____ obstruction _____ the safety sensor?
 Has the sudden _____ my _____ door _____ been _____ obstructed safety _____?
 _____ my _____ door reversals might _____ caused _____ an obstruction _____ the safety sensor.
 Someone is asking if the _____ the _____ opener _____ obstruction because _____ sudden _____.
 Someone is asking _____ the sensor of _____ door opener _____ obstruction, _____ causes _____.
 _____ is _____ if _____ sensor _____ the garage door _____ obstruction because of _____ direction
 Is _____ reversing of _____ garage door _____ an obstruction _____ safety _____?
 _____ blocked safety _____ cause _____ door to _____ reverse?
 _____ if the _____ opener's sensor is _____ which can cause _____ suddenly.
 _____ garage door opener is obstruction because the door _____ reverses.
 _____ obstacle in _____ safety sensor might _____ reversal _____ garage door opener _____.
 Is it _____ a blocked _____ my _____ opener will make _____ suddenly _____?
 I wonder if _____ door opener reversing _____ is _____ an _____ safety _____.
 _____ if the _____ opener's sensor was obstruction, causing it _____ changes _____.
 Are the garage _____ opener _____ blocked safety _____?
 _____ is wondering _____ the _____ door _____ is obstruction, which _____ it's reversing _____.
 _____ if the garage door opener's _____ obstruction, _____ it is going to _____.
 _____ the _____ opener reversing _____ to _____ blocked _____ sensor?
 Someone _____ the _____ door _____ is _____ that it's going to reverse _____.
 _____ may _____ an _____ safety _____ that may lead to _____ my garage door opener _____.
 _____ an obstruction in _____ safety sensor _____ cause _____ door opener to _____.
 _____ reversal by the _____ door _____ due _____ the _____ blocking the _____?
 _____ don't know _____ garage _____ reversals _____ be _____ by an obstruction _____ sensor.
 _____ garage _____ of safety sensor obstruction.

_____ if an _____ in _____ safety _____ to _____ reversal of _____ garage door opener system.
 Is the _____ reversal of _____ door opener _____ an _____ safety sensor?
 The _____ be _____ to the safety sensor.
 The garage _____ opener's _____ could _____ malfunctioning, _____ lurching _____.
 _____ the _____ the garage door opener was obstruction and _____ reversed _____.
 Is _____ the _____ door keeps acting _____ itself?
 _____ the garage door _____ was obstruction and if _____ would _____.
 The _____ door opener's _____ sensor _____ be _____ to _____.
 _____ the _____ caused _____ obstruction _____ the safety sensor?
 _____ asked if _____ garage _____ was obstruction _____ to reverse unexpectedly.
 Someone asked if the _____ sensor _____ obstruction, which _____ it is _____.
 _____ if the _____ of _____ garage door _____ is _____ causes it _____ suddenly.
 _____ unforeseen _____ by _____ garage door opener if the safety _____.
 Could _____ with _____ garage door opener's safety detector _____?
 Could a _____ door _____ safety detector _____ cause _____ backwards?
 I wonder if _____ obstruction of _____ sensor is _____ of my _____ opener _____.
 _____ any chance that _____ garage door _____ be caused by an _____ safety _____?
 _____ is _____ if the _____ door opener is obstruction, and _____ is _____ to reverse _____.
 _____ blocked safety _____ a garage door _____ reversing?
 Someone wants _____ the sensor of the _____ door _____.
 Is _____ garage _____ opener reverting _____ because _____ blocked safety _____?
 _____ the _____ door opener's _____ be _____ to an _____ in its _____?
 Something in _____ garage _____ sensor _____ make _____ reverse unexpectedly.
 Maybe _____ obstacle _____ the safety sensor _____ cause _____ garage door opener _____.
 I _____ if _____ the safety _____ is _____ cause _____ door reversing.
 _____ blocked _____ sensor can make my _____ reverse.
 _____ sudden _____ of _____ garage door _____ to _____ in safety _____?
 _____ is asking _____ of _____ garage door _____ is obstruction, _____ it to _____ quickly.
 Is _____ door opener _____ to _____ obstruction blocking _____ safety _____?
 _____ if _____ the garage _____ is _____ which _____ why it suddenly reverses.
 _____ unforeseen reversals by _____ door opener, _____ any _____ obstructing _____ safety sensor.
 I wonder _____ the _____ reverses without _____ because _____ the _____ sensor.
 The garage _____ system _____ by an _____ in _____ safety sensor.
 Is there _____ the _____ door safety sensor _____ reversals?
 _____ block the _____ sensor _____ the garage door _____?
 _____ an obstacle preventing the proper _____ safety _____ on _____ garage _____ causing _____?
 _____ is _____ if _____ sensor of _____ garage _____ is obstruction, which _____ what _____ it to _____.
 Does _____ of a _____ cause _____ reversal of _____ garage _____ opener?
 Can _____ blocked safety _____ door opener to _____?
 _____ an obstruction of a safety sensor is _____ garage door _____.
 _____ a garage door _____ by _____ a safety _____?
 _____ sudden _____ my garage _____ opener _____ to a _____ sensor?

 Someone is asking _____ the sensor of the _____ door _____ due _____ of _____.
 Is _____ in the way of the garage _____ unexpectedly?
 Can _____ garage _____ safety _____ cause lurching motions?
 _____ an obstruction in _____ safety _____ door opener reversing?
 _____ sudden _____ the garage door _____ an _____ the safety sensor?
 _____ of the _____ door opener _____ obstruction, which _____ why the _____ reverses.
 _____ is wondering _____ the _____ of _____ door opener is _____

There ____ an ____ in ____ safety sensor ____ garage door ____.
 What ____ a ____ safety sensor in my ____ opener ____ to ____?
 ____ garage ____ unexpectedly reverse direction due ____ sensor ____.
 ____ the ____ garage door opener was obstruction ____ it was ____ to ____ unexpectedly.
 Someone ____ if ____ garage door opener's ____ obstruction because of ____.
 There ____ problem ____ safety sensor causing my ____ to reverse.
 ____ is ____ question if the ____ opener's ____ blocked.
 Can the ____ by a problem in its safety ____?
 ____ there an obstacle ____ the safety sensor ____ to ____ the ____ door opener ____?
 Someone is ____ if the garage ____ opener sensor ____ which ____ reverses.
 Someone ____ asking ____ the ____ garage ____ is ____ which may cause it ____ make ____ changes ____ direction.
 ____ obstruction of ____ blame for my ____ door opener reversing unexpectedly?
 ____ reversal of ____ garage door opener be caused ____ an ____ sensor?
 ____ to know if ____ door ____ is ____ which ____ it ____ reverse suddenly.
 A blocked ____ may ____ my garage door ____ to ____.
 Is ____ an ____ the functioning of ____ on ____ garage door?
 Someone ____ asking ____ the garage door opener ____ that's why it unexpectedly ____.
 Is ____ problem with the ____ garage door that ____ abrupt ____?
 ____ possible ____ door reverses ____ of something ____ safety sensor.
 ____ there a problem ____ the garage ____ that ____ causing ____ reversals?
 Is ____ sudden ____ garage door opener ____ result of an ____ my ____?
 ____ a ____ my ____ reversals ____ be caused by ____ obstruction in ____ safety sensor.
 Can the ____ door ____ reverse suddenly due ____ an ____ safety ____?
 It's possible that an obstacle in the ____ could ____ my ____ door ____ system.
 ____ blocked safety ____ my garage door opener is ____?
 Is the sudden ____ door ____ result ____ an obstruction of the ____?
 A ____ in the ____ door ____ safety detector ____ cause ____.
 Someone is ____ if the garage door ____ and ____ to reverse ____.
 ____ an obstruction ____ safety sensor cause a ____ the ____ door ____.
 Does ____ door ____ safety ____ have ____ that ____ cause ____ to reverse?
 ____ malfunction in ____ door ____ safety detector ____ lurching motions?
 There is an obstruction ____ safety ____ cause my garage ____.
 Can a ____ door ____ to ____ blocked ____ sensor?
 I ____ if ____ obstacle in ____ safety ____ will cause a reversal ____ garage ____?
 ____ safety sensor ____ impede the ____ opener's ____.
 ____ wondered if an obstruction ____ the safety ____ causing ____ reverse suddenly.
 Does ____ sensor ____ the ____ door opener's reverse function?
 Someone ____ asking ____ the ____ of ____ garage ____ is ____ why the door abruptly reverses.
 ____ if the ____ of the ____ door ____ is obstruction, in order ____ of direction.
 Is an ____ garage door ____ safety sensors the ____ of ____?
 A ____ with ____ garage door ____ safety detector ____ cause ____.
 Someone asked ____ the sensor of the ____ door ____ was obstruction, ____ reverses.
 ____ garage door ____ direction because ____ safety ____ obstruction.
 ____ garage door ____ sensor ____ and ____ could reverse suddenly.
 Is ____ obstruction ____ safety sensor the ____ garage door opener ____?
 Someone ____ if the ____ is obstruction, which is ____ it ____.
 Is ____ door ____ due ____ an obstruction ____ its ____ sensor?
 Someone ____ the ____ door ____ is obstruction, ____ why it ____ reversing unexpectedly.
 I was ____ if ____ in the safety ____ be causing ____ garage ____ opener ____ reverse ____.
 An ____ in the ____ be causing ____ garage ____ opener ____ reverse.

Someone is asking _____ garage door _____ sensor _____ obstructing, which causes _____.
_____ there an obstruction _____ safety sensor that _____ sudden reversing _____ garage _____?
_____ the safety sensor cause the garage _____ opener _____ back _____?

Someone _____ asking if _____ is _____ garage _____ is reversing suddenly.

Could _____ garage _____ lurching motions backward?

Is _____ due _____ the _____ sensor obstruction?

_____ blocked safety _____ can cause _____ garage _____ unexpectedly reverse.

_____ that _____ the safety sensor might _____ a _____ of my garage door _____ system.

_____ a possibility that an _____ the safety _____ could _____ a _____ reversal.

_____ a _____ door _____ be caused _____ obstruction _____ the safety _____?

_____ there _____ in _____ safety sensor that's _____ my garage _____ opener _____?

_____ opener _____ reverse if the _____ sensor is blocked?

_____ makes _____ garage door reverse.

Can _____ reversal of the garage door _____ something _____ sensor?

Someone _____ garage _____ opener's _____ it was going to reverse suddenly.

Can _____ garage _____ be _____ due _____ blocked safety sensor?

Can _____ blocked _____ sensor _____ the garage _____ to _____ up?

_____ be _____ the way _____ door's _____ making it reverse.

Are there obstacles that _____ preventing _____ functioning _____ safety _____ on _____ garage _____?

Someone _____ asking _____ the _____ of _____ door opener _____ which leads to _____ changes _____ direction.

_____ is _____ if the _____ opener sensor is _____ to _____ changes of direction.

Is there _____ reversals being caused by an _____ in _____ sensor?

_____ the _____ door opener _____ reversing unexpectedly _____ of _____ of _____ safety sensor.

_____ obstruction _____ the safety sensor that affects _____ opener reversing?

_____ could _____ in _____ garage door opener's _____ could _____ it to reverse.

_____ in the _____ door opener's sensor.

Can a blocked _____ in a _____ opener _____ it _____ abruptly _____?

_____ an obstruction _____ sensor be causing _____ door opener to _____?

_____ possible _____ the _____ door _____ could be caused _____ obstruction in _____ safety _____?

Someone _____ questioning _____ the sensor _____ garage _____ is obstruction, _____ is _____ reverses.

_____ asks _____ garage door opener's _____ and it is going _____ reverse _____.

_____ is _____ my _____ door reversing _____ to an _____ in _____ safety sensor.

Is _____ of the garage door _____ of an _____ in _____ safety _____?

_____ opener malfunctioning when _____ sensor _____ blocked?

_____ a reversal by _____ door opener _____ of _____ obstruction?

Does _____ sensor _____ opener _____ obstructions that _____ cause it to reverse?

_____ is asking _____ sensor of _____ garage door _____ obstruction, because _____ suddenly.

_____ the garage door _____ is obstruction _____ may _____ to _____.

Someone _____ sensor _____ the garage _____ was _____ which caused it _____ reverse _____.

Could _____ obstruction of a safety _____ to _____ garage door _____?

Someone is _____ the sensor _____ door _____ obstruction when it _____ unexpectedly.

Someone is asking if _____ garage door _____ obstruction _____ if it causes _____.

_____ door _____ may _____ reversing _____ because of _____ in _____ safety sensor.

_____ a blocked _____ sensor _____ opener cause it to abruptly _____?

_____ the _____ of the garage _____ be due to the _____ in _____?

_____ a blocked safety _____ door opener to _____ over?

A _____ could lead to _____ door opener _____.

_____ if _____ garage _____ opener's sensor _____ it to change directions suddenly.

Can a blocked _____ sensor _____ the _____ opener _____ reverse?

Something could be in the _____ of my _____ sensor, _____.

____ the garage ____ opener's safety sensor have ____ it to reverse?
 Is the ____ sudden ____ the safety sensor?
 Can ____ garage door reversals be ____ by ____ sensor?
 Can ____ blocked ____ sensor in ____ garage ____ opener cause ____ reverse.
 ____ reversal ____ the ____ opener due to the ____ blocking ____ sensors?
 Someone inquires ____ door opener's sensor is ____ which ____ it ____.
 ____ sudden reversing of ____ garage ____ opener have ____ obstruction ____ sensor?
 ____ opener's ____ could be malfunctioning and reversing ____.
 Someone wants ____ know ____ the sensor ____ door opener is ____ and ____ unexpectedly.
 ____ opener's sensor could be malfunctioning, which ____ reverse.
 ____ the garage door ____ of ____ obstructing the ____ sensor?
 ____ is asking ____ of the ____ door ____ is ____ and causing ____ to ____ suddenly.
 Does ____ sudden reversal ____ my ____ opener have to do ____ an ____ of ____?
 ____ unexpected reversal ____ the garage door ____ obstruction ____ the ____ sensor?
 A block ____ the ____ opener's ____ detector ____ cause ____ motions.
 Can an ____ in ____ safety sensor ____ the garage ____ cause ____?
 There's a ____ garage ____ reversals can ____ caused ____ in ____ safety sensor.
 Can ____ blocked sensor ____ a ____ cause ____ suddenly reverse?
 Someone is asking if ____ opener sensor is ____ that it ____ unexpectedly.
 ____ wonder if the garage door ____ reversing ____ an ____ in ____ sensor.
 Is the ____ malfunctioning and causing ____ unintentionally?
 ____ the ____ door opener have to do with an ____ my ____ sensor?
 Someone asked ____ the garage door opener ____ because ____ sudden ____ of direction.
 Does the ____ opener's safety sensor ____ obstructions ____ suddenly reverse?
 Can an ____ sensor cause the garage ____ to suddenly ____?
 ____ wondering if the ____ is ____ the ____ which causes it ____ suddenly.
 ____ a garage door opener ____ to a ____ safety sensor.
 Is ____ with ____ door's sensor that would ____ to ____ unexpectedly?
 Can a ____ safety ____ in a garage ____ opener ____ the ____?
 ____ the garage ____ caused by an ____ safety sensors?
 ____ garage door opener be ____ if ____ safety ____ is ____?
 Someone ____ if the garage ____ sensor ____ is ____ it's ____ suddenly.
 Can a ____ safety sensor on ____ door ____ it ____?
 Is the sudden ____ of the ____ opener ____ obstruction in the ____?
 Is ____ blocked ____ sensor ____ the garage door opener ____?
 I wonder if ____ safety ____ leads ____ reversals ____ garage door opener ____.
 Someone ____ if the ____ sensor ____ obstruction ____ why it ____ unexpectedly.
 I wonder if there is ____ blocking ____ sensor that ____ reverse.
 ____ door ____ because ____ is a blocked safety sensor?
 Is a ____ the safety sensor ____ sudden reversals?
 ____ garage ____ opener is ____ suddenly because ____ obstruction in the ____.
 I was ____ obstruction in the safety ____ was ____ garage door opener to ____.
 A blocked safety ____ causes ____ door ____ to ____.
 There ____ unforeseen ____ by ____ door opener, ____ there ____ obstructing ____ safety sensor?
 Is ____ blocked ____ the ____ of my ____ door opener ____?
 ____ might lead to a ____ door opener ____.
 ____ a blocked safety ____ in ____ garage ____ opener cause ____ reverse?
 ____ wonder ____ door ____ reversing ____ because of a blocked safety ____.
 ____ door opener ____ reversing ____ be ____ of ____ in the safety sensor?
 What if my garage ____ because ____ safety sensor?

Can a blocked _____ sensor _____ my _____ door _____ to _____ shut?

_____ door _____ sudden reversal hindered by the _____?

_____ garage door opener reversing _____ of the _____?

_____ there a _____ sensor _____ my _____ door _____ reverse?

_____ an _____ a safety sensor _____ garage door opener reversing?

I _____ if an _____ in _____ causing _____ garage door _____ to _____ suddenly.

Can _____ the _____ door _____ cause it to reverse?

_____ the _____ of the garage door opener _____ the door _____ reverses

Will my _____ reversals be _____ obstruction _____ the _____ sensor?

There is _____ of _____ door _____ an _____ in the safety sensor.

I _____ wondering _____ garage door reverses _____ of something _____ sensor.

Is _____ because _____ the safety _____ obstructing?

The _____ door opener's _____ be _____ safety sensor.

An obstruction in _____ opener's safety sensor _____ the _____.

Is _____ a _____ my garage _____ because _____ an _____ in _____ safety sensor.

_____ is _____ if the garage _____ opener's _____ is _____ which _____ to _____.

_____ the _____ of the garage _____ opener _____ an obstruction?

Is the _____ reversal _____ my _____ door _____ due _____ obstructing _____ sensor?

_____ blocked safety _____ garage _____ opener to reverse?

There is a chance that _____ door reversals _____ caused _____ the _____ sensor.

_____ is _____ the _____ opener's sensor is _____ since _____ reversing unexpectedly.

There is an _____ the _____ that can cause _____.

_____ it _____ that an obstacle in the _____ sensor _____ lead _____ reversals _____ my _____ door _____?

_____ a blocked safety _____ cause _____ door _____ flip?

Someone _____ if _____ opener's sensor is obstruction _____ suddenly.

There could _____ obstacle in the safety _____ that _____ to _____ of _____ garage _____.

Someone is _____ the _____ opener is _____ and _____ reverse unexpectedly.

Someone _____ wondering if _____ sensor _____ the garage _____ it's reversing _____.

Is the _____ reversing of _____ door opener caused _____ obstruction in _____?
