 What _____ of having a _____ gas _____ gasoline one?
 Why _____ you _____ a compressed natural _____ car is _____ diesel?
 _____ vehicles _____ prospects _____ gas or diesel _____?
 _____ vehicles better _____ gas or _____?
 _____ do _____ from a car _____ by compressed _____ gas?
 Pros _____ own a natural _____.
 _____ the _____ of compressed gas _____?
 There are _____ compressed _____ gas (CNG) vehicle
 The advantages _____ compressed _____ gas/diesel?
 Can you give an idea _____ of a _____ gas _____?
 _____ some _____ in owning _____ compressed natural gas _____.
 Is driving a _____ gas _____ better than _____?
 Is owning _____ gas _____ any _____?
 The benefits _____ compressed natural _____ or _____?
 _____ you tell me _____ about the _____ of _____ natural _____ gas or diesel?
 Is there _____ owning _____ those natural-gas vehicles?
 Why _____ compressed natural _____ over gas/diesel?
 _____ to _____ gas or _____ what benefits does owning a _____ natural _____?
 _____ a _____ your vehicle _____ you some advantages.
 When weighed against _____ and _____ engines, how _____ CNG _____?
 What benefits _____ the compressed _____ gas _____ have _____ diesel?
 _____ better _____ choose _____ CNG car _____ others?
 There _____ to _____ one _____ natural-gas vehicles.
 I _____ to _____ pros _____ cons of _____ compressed _____ gas-powered _____ traditional fuels.
 What _____ of owning a _____ Natural Gas _____?
 _____ you _____ about the advantages of _____ compressed _____?
 I _____ like to know _____ pros _____ a _____ natural gas vehicle _____ a _____ fuel vehicle.
 _____ weighed _____ and diesel _____ how _____ compressed natural gas car _____?
 What _____ the _____ of owning _____ Natural _____ vehicle?
 _____ are the benefits of _____ a _____ natural gas _____?
 There are benefits _____ or diesel _____ natural _____.
 _____ owning _____ natural gas vehicle better than _____ a _____?
 Is _____ a vehicle _____ by natural gas?
 _____ if there are any _____ a car _____ a compressed natural _____ engine.
 _____ me about the _____ owning _____ car _____ CNG.
 Is owning _____ compressed _____ a _____ thing?
 _____ are benefits _____ choose a car _____ CNG _____.
 _____ it better _____ own a _____ natural gas _____ car?
 What are _____ CNG-powered car over _____ with a _____ or _____?
 _____ benefits _____ compressed natural gas _____ and diesel vehicles?
 What are _____ advantages _____ a compressed natural gas _____ diesel _____ gasoline _____?
 _____ the advantages _____ a compressed _____ gas car _____ gasoline or diesel _____?
 There _____ having a CNG vehicle _____ options.
 Can _____ cars beat _____ or _____?
 _____ are _____ benefits _____ owning a _____ a compressed _____ engine.
 Is it _____ to _____ a _____ a _____ one?

_____ benefits do _____ compressed _____ gas _____ ?
 What benefits can _____ natural _____ have over _____ gasoline or _____ ?
 What advantages does _____ natural _____ have _____ a _____ or diesel _____ ?
 Are _____ any _____ to _____ _____ uses compressed natural gas?
 Can _____ give _____ an idea _____ the _____ CNG-powered car?
 What _____ some _____ of owning a _____ gas _____ ?
 _____ any perks _____ a _____ vehicle?
 _____ the advantages _____ a CNG vehicle over _____ powered _____ or _____ ?
 _____ benefits of _____ vehicle _____ by compressed natural gas?
 _____ benefits _____ gas versus gasoline?
 _____ it possible _____ tell _____ the _____ owning a _____ natural gas _____ ?
 When weighed against _____ gasoline _____ how does a CNG-based _____ terms _____ ?
 What _____ of a car that uses a _____ ?
 _____ advantages to _____ a Compressed _____ Gas _____.
 What's the _____ of having a car that's _____ natural _____ of _____ diesel?
 There _____ perks _____ vehicle that is _____ by natural _____.
 Is _____ CNG _____ advantage?
 _____ to know if _____ are _____ a compressed _____ gas vehicle.
 What _____ compressed natural _____ offer?
 _____ there _____ perks to _____ vehicles?
 _____ are _____ benefits _____ a CNG-powered car _____ with a _____ gasoline _____ ?
 _____ makes a compressed natural _____ engine _____ diesel one?
 There _____ any _____ to owning _____ natural _____.
 _____ compressed _____ Gas _____ gasoline or diesel?
 What _____ owning a _____ gas _____ have?
 _____ is _____ CNG _____ gas/diesel ones?
 There _____ benefits _____ a _____ for your vehicle.
 _____ the _____ of owning _____ CNG _____ vehicle?
 _____ of owning a natural gas car.
 There are _____ car.
 _____ use compressed _____ of regular engines _____ your automobile?

_____ are _____ by _____ CNG engines?

Are _____ vehicles _____ than _____ models?

_____ advantages of using a _____ Natural Gas _____ vehicle?

_____ you _____ pros and _____ of _____ a compressed natural gas-powered vehicle instead of _____?

_____ there any benefits _____ a _____?

_____ you have with a _____ vehicle _____ usual options?

Do CNG vehicles _____ better _____ or diesel?

What _____ of choosing _____ Compressed _____ engine for _____ vehicle?

Cars _____ compressed natural _____ have any _____ worth _____?

Benefits _____ for compressed natural gas _____.

Can CNG _____ gas and _____?

_____ compressed natural _____ vehicle better _____ using gasoline?

_____ compressed _____ gas vehicle better than gasoline-related _____?

There are some advantages _____ Gas- car.

_____ you get _____ a _____ natural _____ engine for your vehicle?

_____ are the advantages of _____ natural _____ (CNG)-burning _____?

_____ about the pros _____ having a _____ natural gas-powered _____ versus _____ fuels.

What are _____ benefits _____ a _____ vehicle instead of _____ or _____?

What _____ the _____ of _____ on _____ natural _____?

When compared _____ gas engines, _____ advantages _____ owning a compressed natural _____?

_____ are _____ advantages of owning _____ natural gas _____?

The _____ of a _____ powered _____ gas?

_____ any _____ to having _____ natural _____ car?

Tell me _____ the _____ owning a car _____ by _____.

_____ Compressed _____ vehicles better prospects _____ diesel _____?

_____ owning _____ natural-gas _____ any _____ than _____ traditional engines?

What are some _____ owning _____ compressed _____ powered _____?

_____ there any advantages _____ a CNG _____ a _____ one?

_____ perks to having _____ vehicle

_____ can be found _____ a car _____ compressed natural _____?

There _____ advantages _____ owning _____ compressed natural _____ car.

_____ the advantages _____ Compressed Natural Gas fueled _____?

I _____ like to know the pros _____ cons _____ a _____ natural _____ vehicle _____ a _____.

_____ there advantages to _____ with compressed _____?

What _____ the benefits of _____ a car _____ (CNG) engine?

_____ of a _____ powered by _____ natural _____.

_____ advantages to _____ car _____ uses _____ compressed natural _____ engine.

Can you _____ overview _____ the benefits _____ a natural _____?

_____ are _____ owning a CNG vehicle over _____ options?

There are perks to _____ a _____ that runs _____.

Are _____ advantages _____ owning _____ car that _____ gas?

What _____ the benefits _____ compressed _____ gas _____ over traditional _____ ones?

There are some _____ to _____ CNG _____ vehicle.

Benefits of _____ natural _____ vehicles?

Is there _____ difference _____ petrol/diesel vehicle _____ natural gas vehicle?

Can you _____ us _____ the benefits _____ a _____?

Have _____ any perks of _____ compressed _____ vehicle?

_____ advantages can you get _____ a _____ natural _____?

Are _____ any _____ to owning _____ car _____ uses _____?

There are _____ cars _____ by _____.

_____ any benefit to using compressed natural gas-powered _____ diesel _____?

_____ benefits over gas _____ diesel

I'd _____ know _____ pros _____ cons of _____ powered _____ natural gas.

_____ do a _____ with _____ compressed _____ gas _____ have?

Is there _____ upsides to the _____?

_____ are the pros _____ with _____ compressed natural gas _____ fuel?

Is compressed natural _____ vehicles _____ prospects _____ or _____?

There are _____ natural _____ car over a traditional _____.

_____ a car with CNG _____?

There are _____ to owning _____ with _____ engine.

Can _____ tell me about the advantages of _____ a _____ natural _____ a _____?

There _____ perks _____ owning a vehicle powered by _____.

_____ there any _____ to _____ gas vehicle?

_____ are perks _____ having a _____.

What perks _____ a compressed natural gas vehicle have _____?

_____ to _____ a _____ with _____ compressed natural gas engine.

What _____ with _____ compressed _____ gas (CNG) fuel offer?

Does owning a car _____ on _____ perks?

Can _____ natural _____ cars beat fossil fuel _____?

_____ me _____ compressed _____ gas car compares to gas _____ diesel cars?

_____ the advantages _____ car with compressed natural _____.

_____ are the advantages _____ having _____ gas engine?

Pros _____ natural _____ car?

What _____ the perks to _____ natural _____ vehicle?

_____ using a CNG-powered car over a _____ one.

_____ you _____ benefits _____ CNG-powered cars?

_____ cars fueled by _____ natural _____?

Is compressed _____ good _____ cars _____ or diesel?

Are _____ any perks _____ owning _____?

_____ tell _____ the _____ of _____ a _____ natural _____ vehicle over a _____ one?

I _____ to _____ about the benefits of _____ powered _____ compressed _____ gas _____.

The _____ a vehicle _____ out of compressed _____.

There _____ owning a car _____ is _____ natural _____.

There _____ to _____ compressed natural gas-powered _____.

There _____ to driving _____ compressed natural _____.

_____ are _____ a _____ powered by a natural gas _____?

_____ of a compressed natural gas _____ gas?

Can you tell _____ about _____ a compressed _____ car?

_____ about the positive aspects _____ a compressed _____ gas _____.

What _____ compressed natural gas powered car _____ diesel powered _____?

_____ benefits of _____ vehicles over _____.

There are _____ to having a _____ gas car _____.

How _____ cars _____ compressed natural gas _____ than _____ counterparts?

_____ for choosing a natural gas vehicle _____ one?

What _____ advantages of _____ car that _____ on compressed _____?

_____ cars running _____ compressed natural gas _____ than their _____?

Can you _____ the _____ a compressed _____ gas car?

The _____ to _____ that uses _____ natural gas?
