

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	New service connection requests
Inquiry Sub-Category	Timeframe for connection
Description	Customers want to know the expected timeframe for the completion of new service connections, including the waiting period from application submission to installation, and any possible delays or limitations.
Data Size	12,252 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

___ there any ___ delays ___ installing ___ electricity connection?
___ to be ___ with installing ___ electricity service?
___ new power setup ___ delayed?
___ hold-ups ___ getting ___ power up?
___ could ___ delays ___ my ___ connection.
___ don't know if there ___ any ___ setting ___ supply.
___ any chance ___ a hold-ups ___ my ___ connection installation?
___ there any delays ___ with ___?
___ the ___ electricity hookup make ___?
___ there be delays ___?
Should ___ my power installation?
___ there ___ chance of ___ hiccup?
Will ___ power supply ___ unforeseen ___?
___ is ___ chance ___ delays ___ new power ___.
There are ___ electricity connection.
___ there be any hold-ups for ___ upcoming installation ___?
___ be ___ installing ___ new electricity ___.
___ be ___ holdups during my ___?
Do you ___ if there will ___ any ___ for ___ connection ___?
___ if there will ___ any ___ when ___ get ___ power supply ___.
___ it ___ that ___ electricity will ___?
___ delays with the ___ power connection?
___ issues with hooking ___ the ___?
Do you ___ be any problems ___ upcoming ___ fitting?
___ it possible that ___ will ___ delayed ___ setup?
___ there ___ in ___ my ___ connection?
There ___ delays when installing ___.
Setting ___ power connection ___ in ___.

_____ a chance _____ you _____ a new power _____.

Will _____ any delays?

_____ installation of _____ could potentially be delayed.

Any potential _____ electric _____?

Is it possible _____ I _____ face delays _____ red _____ setting _____ electricity?

_____ time related issues _____ connecting new _____.

_____ wonder if there _____ issues with _____ electrical _____.

Can _____ be _____ installation delays?

_____ in _____ setup _____ possible.

_____ hitch in installing _____ new electric _____?

_____ there's _____ electricity connection?

Is there a _____ of _____ the _____ my _____ connection?

Is there a _____ of _____ electricity could _____ delayed?

Is _____ any chance of _____ my _____ electricity connection?

Does _____ know _____ there will be _____ the installation _____ energy _____?

_____ that I _____ when connecting my power supply?

_____ is a _____ that the _____ of my _____ could _____.

_____ about the _____ of delayed electrical _____?

Is _____ when my electricity is installed?

_____ are any holdups _____ electricity _____.

_____ might _____ my electricity connection

_____ that I will have obstacles _____ my _____?

Should I _____ hold-ups for electrical _____?

Will _____ be a delay in the _____ power _____?

_____ know of any problems _____ power _____?

Is _____ supply going to be _____?

I want to know if _____ hold-ups _____ installation.

_____ are _____ setbacks connecting _____ new _____.

_____ know if _____ of my _____ electricity connection _____ delayed.

Is it _____ there would _____ red tape _____ up my new _____?

Do _____ if _____ any _____ getting an electrical hookup?

There are chances _____ delayed _____.

There _____ my new electric connection.

Is _____ possible _____ the installation _____ my _____ system _____ be delayed?

_____ be _____ installing _____ power connection?

Expectations _____ setbacks when _____ electricity _____?

_____ a hitch with my _____ set _____?

I would _____ know if there _____ in _____ electricity setup.

Is it possible _____ connection _____ be _____?

_____ any _____ setbacks with installing my _____?

Is _____ possible that _____ new _____ supply _____ unforeseen _____?

_____ was a _____ getting a new _____ connection.

Can _____ be _____ new _____ connection?

_____ electric _____ affected _____ any problems?

Potential _____ slow down _____ electric _____?

Is _____ any risk _____ during the _____ of _____ energy _____?

Will there be any _____?

I _____ there is _____ related _____ for _____ electricity to my _____.

_____ there are any _____ installing my _____ connection.

_____ there _____ issues with _____ setup?

_____ could be _____ if _____ electric service.
 Will _____ be any _____ the _____ of _____ electricity connection?
 _____ for _____ connection?
 _____ with _____ electricity _____ are _____?
 Is there any _____ to _____?
 New _____ might _____ late.
 Is _____ that there _____ in wiring _____ a _____ elec?
 Is _____ going to be installed _____?
 There _____ be _____ power link.
 _____ there any hitch _____ getting _____ set _____?
 There could be _____ new _____.
 _____ for my _____ connection.
 Will there _____ during _____ energy supply _____?
 _____ you know if _____ wiring up the new _____?
 _____ be any _____ with _____ installation?
 Is _____ in getting _____ up and running?
 _____ I _____ any problems during _____ of _____?
 _____ may _____ possible _____ in getting _____ electricity _____.
 Are _____ installation of electricity?
 _____ likely _____ when it comes to _____ electrical connection?
 Can _____ me about _____ wiring of the new _____?
 Are _____ expecting any problems _____?
 _____ there _____ to _____ holdups in _____ electrical connection at _____?
 _____ trying _____ get _____ new _____ connected.
 Any _____ that _____ affect _____ electric _____?
 _____ possible that _____ delays _____ red _____ when _____ my new electricity.
 Is establishing a _____ at _____ likely to _____?
 Is _____ setup going to _____?
 Is it _____ delays installing _____ electricity connection?
 _____ chances of _____ setup.
 Will there be any issues _____ the _____?
 _____ are problems _____ setting _____ my _____ supply.
 _____ that my _____ connection _____ be delayed?
 _____ any possible setbacks in _____ new _____?
 _____ the installation of the _____ have _____?
 Will _____ new electricity _____ be affected?
 _____ could be _____ delays.
 Will my _____ installation _____?
 _____ for _____ electricity connection.
 _____ may _____ a _____ my new electric power system.
 _____ there is _____ installing _____ connection?
 There is _____ electrical _____.
 Is _____ that the _____ of _____ not go smoothly?
 Will _____ in connecting _____ power?
 _____ are delays when installing my electric _____.
 _____ experience slow downs _____ installing _____
 There _____ chance that _____ new _____ might _____ delayed.
 _____ be _____ setting up _____ connection.
 _____ there _____ for _____ electricity _____ installation?
 _____ be an _____ with connecting _____ power _____?

_____ be electrical _____ delays?
 _____ any potential _____ preventing _____ hook-up?
 _____ there _____ for the _____ connection?
 Is _____ a _____ of setbacks _____ service?
 _____ that _____ is _____ installing my new electric connection?
 Will _____ be _____ with my _____?
 Is there a chance _____ installation _____ delayed?
 There _____ setbacks with the installation _____ electricity _____.
 _____ that _____ electricity service will _____ delayed?
 _____ there _____ hold-ups _____ my _____ up?
 Is there _____ delayed _____ of my new _____?
 _____ problems _____ swift _____ hook-ups?
 _____ a _____ delays in getting the new _____.
 Are there _____ with _____ installation?
 _____ with _____ new _____ appliance?
 During _____ installation of _____ new _____ power system, _____ a _____?
 Are you _____ hitch _____ getting my _____ up?
 Is _____ possible that the _____ my new electricity _____ long?
 Do _____ think _____ will be _____ electricity connection _____?
 _____ delays _____ expected with _____ installation?
 _____ there _____ possibility _____ problems during _____ of my energy _____?
 _____ there be _____ getting _____ power connection?
 Is there _____ electrical installation?
 Will _____ any _____ when I connect my _____?
 _____ it likely _____ there _____ in setting _____ a new _____ connection?
 Will there _____ connecting my power _____?
 Is _____ issues when _____ power supply?
 There is a chance _____ installation _____ my _____ longer than _____.
 There _____ a delay _____ installing _____ power _____.
 Will _____ any _____ my connection?
 _____ new _____ connection installation delays?
 _____ obstacles in _____ my _____ supply?
 Is _____ the _____ of _____ new _____ power system _____ be delayed?
 Are _____ any possible holdups _____ getting _____ at _____?
 There _____ delays during _____ installation _____ electricity connection.
 _____ you think there _____ be _____ delays _____ up my _____?
 Is it possible _____ the _____ of _____ will _____ some _____?
 Is there any _____ for _____?
 _____ be _____ delays _____ getting the _____ connected?
 _____ be troubles connecting _____ supply?
 _____ hold-ups _____ power up?
 There _____ if there _____ new electricity connection.
 Will any _____ arise _____ the _____ my energy _____?
 Is _____ of setbacks _____ placing my _____ electrical _____?
 _____ my electric service _____ take _____.
 Have _____ any hold-ups _____?
 _____ delays with my _____ installation?
 _____ you think _____ will be _____ trouble _____ my _____ on time?
 Will _____ a delay during _____ installation _____ my _____?
 _____ installing the _____ at _____ I expect any _____?

_____ a _____ of _____ when I install my _____?

_____ there any _____ my power _____?

There may _____ trouble _____ connection.

Is it possible _____ the _____ of _____ electricity connection _____?

The installation _____ electric service _____.

_____ chance _____ issues _____ electricity setup?

Should _____ be _____ my new _____ connection?

_____ going to be _____ installing _____ service?

There could be time- _____ electricity.

_____ there _____ delays getting _____ on?

There might _____ delays _____ installing my _____.

Is the _____ of _____ new _____?

Do you have _____ hookup _____ be delayed?

Will _____ power set-up _____?

_____ be any delayed _____ connection _____?

_____ are _____ possible _____ for _____ electricity _____.

Will _____ a _____ up connecting _____ supply?

Will _____ be setbacks _____ electricity _____?

Will _____ be _____ in _____ electricity connection?

Will _____ be _____ connecting _____ supply?

_____ are any delays _____ the _____?

_____ you _____ if there _____ problems getting _____ new _____ hookup?

There _____ be possible delays _____ installing _____ electricity _____.

Have _____ in setting up my _____ electricity _____?

_____ think _____ will be hold ups for _____ connection _____?

Any problems that can _____?

_____ there be _____ troubles with _____ installation?

_____ of my _____ electricity _____ problematic?

_____ potential problems _____ could _____ hook-up?

_____ there a _____ of electrical installation _____?

Delay _____ the _____ of the _____ is a _____.

Is there _____ chance _____ potential _____ electric service?

_____ there _____ during _____ electricity connection installation?

The possibility _____ delays?

_____ any potential _____ for _____ electricity _____?

There may be problems _____ running.

_____ there be _____ the _____ setup.

_____ the _____ of my _____ delays?

_____ there _____ chance _____ tape _____ delays when setting up _____ new _____?

Can there _____ electricity _____?

_____ there _____ electrical hookup _____?

_____ potential _____ in connecting new electric _____.

There _____ could be setbacks _____ power connection.

_____ setbacks when setting up _____ power _____

_____ you think that there will _____ issues _____ electricity _____?

Can there _____ in installing _____ link?

_____ there any _____ delays?

Setting _____ power _____ be _____ problem.

_____ there _____ delay in installing _____?

_____ problems preventing _____ hook-up?

Will _____ be any _____ in _____ a new _____ ?
 _____ installation _____ the _____ supply likely to have _____ ?
 _____ any hitch in hooking _____ elec on _____ ?
 _____ there _____ any issues _____ the _____ of _____ energy _____ ?
 _____ a _____ electric hookup is late.
 There _____ be problems _____ my _____ .
 Are _____ possible _____ electrical connection likely?
 _____ delays _____ installation _____ the new electricity connection?
 _____ new electric _____ be _____ .
 Is there any delay _____ of my _____ ?
 Is _____ possible _____ unforeseen _____ getting my power supply connected?
 Was _____ hold-ups _____ electricity?
 My electricity _____ to _____ delays.
 _____ set up going to _____ ?
 _____ I install the electricity _____ there _____ problems?
 Is _____ a chance _____ hitch in _____ setup?
 There could be _____ in _____ .
 There _____ be _____ setting up _____ power _____ .
 Will the _____ the electricity _____ be _____ ?
 Is it _____ setbacks _____ connecting new electric service?
 The _____ of my electric _____ a _____ .
 Is _____ possible _____ warn me _____ up a new _____ ?
 _____ you expecting _____ with getting my electricity _____ ?
 _____ I be _____ problems _____ electricity _____ my place?
 _____ it _____ that my _____ is installed _____ ?
 _____ problem with _____ installation of my _____ line?
 The _____ link _____ a _____ .
 There _____ be _____ when _____ service.
 Will there _____ delays _____ getting my _____ hooked _____ ?
 Should I be _____ problems _____ installation _____ week?
 Are there likely _____ be _____ when _____ supply is _____ ?
 Will the installation of my _____ longer _____ ?
 _____ a _____ that _____ power link _____ delayed.
 _____ installing my _____ line?
 There could _____ a _____ delays _____ getting _____ new _____ connection.
 I don't know _____ be setbacks in _____ new _____ .
 Are there any possible _____ the _____ electrical _____ ?
 _____ there _____ issues with _____ installation?
 _____ might be _____ in installing my _____ .
 _____ you tell me about any _____ up the _____ ?
 I'm _____ if _____ dumb reason is _____ delay my _____ .
 _____ there _____ delayed installation of _____ electric _____ system?
 _____ that _____ installation of my _____ will cause _____ ?
 When installing _____ connection, will _____ ?
 Is there _____ of _____ during _____ installation _____ electricity connection.
 _____ is _____ chance _____ late _____ the new electric _____ .
 Are _____ likely _____ be holdups in setting up _____ .
 _____ risk _____ setbacks _____ my _____ electrical hookups at home.
 _____ delays when _____ install _____ power connection.
 _____ there a _____ it's _____ with the new _____ ?

_____ new _____ connection _____ delays _____?

_____ a chance _____ installation _____ my new electrical connection?

_____ that _____ concerns may slow down _____?

There _____ to the electricity _____.

_____ power link will be _____.

_____ of _____ when setting up _____ power connection?

What _____ anticipated _____ for _____ connection?

_____ any predicted _____ for my _____.

_____ hookup take _____ time to _____?

Will _____ installation be _____?

Is _____ any _____ my electricity _____?

_____ it _____ that I _____ unforeseen _____ when I _____ my _____ supply?

_____ my electrical set-up _____?

The power _____ hold-ups.

_____ in setting up _____ new electricity connection?

_____ installing _____ might there _____ delays?

_____ my _____ installation?

There _____ possibility of setbacks in _____ hookups.

When _____ can there _____ delays?

I _____ are time related issues for _____ the new _____.

_____ any _____ electric connection?

Do _____ could _____ problems _____ the installments of _____ electricity fitting?

Is _____ possible that _____ may _____ installing _____ electric service?

Will there be _____ delays in getting _____?

Will _____ any _____ in getting _____ power _____ and running?

There is a _____ setbacks in place _____ electrical _____.

During _____ of _____ electric _____ will there possibly be _____ delay?

_____ wonder _____ will _____ problems installing _____ electricity _____ my place.

Are _____ any chances _____ setbacks connecting _____?

Will the _____ new _____ system _____ a delay?

Possible _____ connection _____.

Are _____ a _____ in getting _____ set up?

_____ there be _____ new power _____?

There could _____ my new electrical _____ home.

_____ it _____ that _____ problems _____ setting up my power _____?

Potential _____ that _____ swift _____ hook-up?

Is _____ any expected _____ ups _____ installation?

_____ be any problems when _____ install _____ place?

Will _____ difficult _____ power connection?

_____ might be delays _____ connection.

_____ to be holdups when _____ a fresh electrical _____?

Will new _____ setbacks?

_____ experience _____ downs _____ elec.

_____ be _____ delays _____ my _____ connection?

_____ there _____ problems when _____ install _____ energy _____?

_____ be delays _____ installing _____ service.

_____ I _____ any problems _____ the _____?

There is _____ of setbacks _____ my _____ hookups at _____.

_____ may be _____ difficulties in _____ a _____ connection.

Have _____ discussed the _____ electrical _____?

Is it _____ the _____ up of _____ new _____ than anticipated?

There _____ installation _____ for my _____ connection.

_____ there be _____ when _____ get _____ electricity _____?

Will _____ occur with my _____?

_____ may be _____ with _____ installation _____ my _____ supply.

Is there _____ chance of _____ for new _____?

_____ there _____ hold-ups _____ power installation?

_____ be any issues in _____ supply?

_____ there be delays _____?

Are _____ installation _____ my electricity will take longer?

Will there _____ in _____ up my _____ electricity _____?

_____ electrical hookup _____

_____ be _____ installing _____ new electric _____.

_____ it _____ will face delays in _____ up my _____?

Perhaps _____ will _____ my electricity _____.

Is there any _____ power _____?

_____ might prevent _____ electric _____ up?

Is there _____ in the _____ electricity connection?

_____ chance of _____ delays during _____ of my new _____ connection?

There may be _____ the installation _____ new electricity _____.

Is it _____ that _____ might face _____ in setting _____ electricity?

Are there likely to _____ up a fresh _____ connection _____?

Can there _____ new electricity _____?

There could _____ delay _____ installing the power _____.

Is _____ chance _____ occurring during _____ installation _____ energy supply?

Could _____ be a potential delay _____?

Do you think _____ any hold-ups for _____?

What about _____ my _____ line?

_____ delay expected for _____ electricity _____?

Will there _____ problems _____ electric _____?

_____ there any _____ installing the _____?

Will there be _____ delays in installation _____?

Did _____ mention _____ possibility _____ setup?

Will there _____ any _____ hookups?

I wonder _____ delays _____ install my _____ service.

Setting _____ power _____ might _____ setbacks.

_____ possible _____ I _____ face _____ or red _____ up my new electricity?

_____ chance of setbacks in _____ my _____ electrical _____.

There _____ some issues with _____.

Installation _____ connection might take _____.

_____ for an _____ connection?

_____ be delays in setting _____ connection?

The new _____ has a _____ being _____.

_____ may _____ some _____ in _____ electricity connection.

_____ wonder _____ there will be _____ connection setup.

_____ a _____ that the installation of _____ could _____ time.

_____ of my _____ may take _____.

There _____ be _____ getting _____ up and running.

Are there _____ delays in _____ the _____?

_____ issues with power _____ setup?

_____ could be delays _____ connection?

There might _____ a delay _____ my _____ connection.

_____ the _____ hookups late?

_____ there _____ any problems connecting _____.

_____ any possible _____ in _____ connection?

_____ there delays _____ install _____ electric _____?

Is _____ that there are delays _____ installing _____?

Will _____ problems with _____ power _____ set up?

Are there any _____ my _____?

_____ are possibly hold-ups _____ getting my _____ up _____.

_____ don't _____ if _____ installing my electricity connection.

_____ am wondering if _____ are problems connecting _____ place.

_____ might be some problems _____ power _____.

Would _____ power connection _____?

_____ delays in _____ new power _____?

_____ there _____ delays _____ the _____ my _____ electricity connection?

_____ any _____ problems _____ may prevent swift _____ hook-up.

There's _____ of _____ delay.

_____ be _____ my electricity?

Are _____ ups _____ the _____ connection?

Potential _____ preventing _____ electric _____?

_____ warn about _____ in _____ a new elec?

_____ there _____ a chance of delayed electrical _____?

_____ my _____ up _____ to _____ delayed?

There _____ getting my new _____.

_____ I expect any _____ with the _____ of _____?

Is _____ setbacks in _____ electric service?

There is _____ chance that _____ power _____ can _____.

Is _____ possible _____ of my _____ will _____ a long _____?

When installing _____ connection _____ take _____?

_____ involved in _____ new electricity to my _____.

There _____ electrical hookups.

_____ you think _____ will _____ delayed?

Can _____ be _____ in setting _____ electricity _____?

_____ be hold-ups _____ connecting my _____.

Will _____ after my electricity _____?

Will _____ any _____ getting _____ power on?

Is _____ that _____ will _____ delayed installing _____ electricity _____?

Can you tell _____ any _____ in getting the _____?

_____ delays are _____ for my _____?

_____ might _____ issues connecting _____ to _____ place.

Is _____ for the installation of _____ power system _____ delayed?

Is _____ chance of _____ I install _____ new _____ connection?

It might _____ difficult _____ get my _____ power _____.

There are _____ getting _____ new _____ connection.

Is it _____ that _____ in _____ my new electricity _____?

Is there any _____ electricity _____?

_____ electricity _____ may _____ delays.

Any _____ delays _____ my _____ connection?

Will there _____ any _____ when I install _____?

Do _____ there _____ be any problems _____ connection installation?

_____ could be _____ installing my _____ electric _____.

There is _____ setbacks in placing _____ hookups.

Is _____ potential delay _____ new electricity _____?

_____ delay in my new electric power _____ installed?

_____ there _____ a potential power _____?

_____ of _____ installation of _____?

There _____ potentially be setbacks when setting _____.

_____ the new _____ likely _____ suffer _____?

_____ a delay _____ getting a _____ power connection.

_____ are any hold-ups _____ connection

Will _____ any _____ regarding the _____ energy supply?

_____ could be _____ delays

_____ we _____ waiting _____ the electric _____?

_____ to know if there will be _____ my _____ hookup.

Potential _____ preventing swift _____?

_____ wondering if _____ electricity connection.

_____ there _____ any issues in _____ my new electric _____.

_____ there _____ an electric connection?

_____ anticipate any trouble getting _____ electricity set _____?

Do you have any idea _____ wiring _____ the _____?

Will there be any _____ my electricity _____?

_____ I prepare _____ problems _____ power connection setup?

Could there _____ my _____ connection?

_____ a chance _____ any _____ for my _____ connection _____?

Maybe _____ hookup delays?

_____ you _____ will _____ in _____ my new electricity connection?

_____ be a _____ delay?

_____ electricity installation take _____ than _____?

Problems that _____ electric _____?

_____ could be any _____ for _____.

_____ is any _____ of delayed _____?

There's _____ the _____ electric _____ are _____.

There _____ possibility _____ installing the power link.

_____ there _____ chance _____ late with _____ new _____ hookup?

Will there _____ ups _____ getting my power _____?

Any issues _____ elec _____ time?

_____ problems _____ swift electric hook-up?

My new _____ connection _____.

_____ electricity _____ be delayed?

Can you _____ of delays in _____ up _____?

_____ delays _____ my _____ electricity connection?

_____ was _____ if there _____ setbacks in _____ my new _____.

_____ electricity connection behind schedule?

_____ any issues _____ up my _____ on time?

When _____ power _____ will there be _____ unforeseen obstacles?

There _____ in _____ my new electricity connection.

When setting up a _____ connection, _____ be _____?

Is _____ power problems expected _____ installation?

Is there a possibility _____ for my _____?

I _____ there _____ delays _____ installation _____ my new electricity connection.

There could _____ my power _____.

_____ in installing my new _____ connection?

There are _____ for electricity _____

Potential _____ that _____ slow _____ hook-up?

Are there any _____ that may arise _____ energy _____?

_____ power supply _____ be _____ challenge.

_____ may be issues with _____ electricity to _____.

Electricity _____ delays _____?

_____ there any _____ hold-ups _____ connection?

Will _____ my electricity connection _____?

_____ any chance _____ holdups with my installation _____?

Do I need to be _____ for _____ installation?

_____ the _____ my _____ going _____ be delayed?

Will there _____ delays _____ electric _____?

Is there any _____ of _____ of _____ new _____ connection?

There is a _____ delay _____ installation _____ the power _____.

I'm _____ to get more _____ during this _____ setup.

Is there _____ setbacks when setting _____ connection?

Do _____ think _____ will _____ get my _____ set _____ on time?

_____ wondering _____ there _____ problems installing my electric _____.

_____ it _____ that _____ electric service _____ be _____?

_____ up a _____ elec _____ be noted.

_____ there _____ delays _____ installing _____ electricity connection?

_____ may be _____ power installation.

Can _____ tell me if there _____ with my new _____?

_____ think there _____ be _____ obstacles in _____ way of _____ fitting?

Will _____ be _____ in getting _____ running?

_____ if _____ would be _____ installing my _____ electric connection.

There _____ chance of delays in getting _____.

_____ there a chance of _____ my _____ and _____?

Will there _____ delays _____ of my electricity _____?

_____ is _____ my electricity connection.

There _____ issues _____ the _____ electricity.

Will there be any _____ my _____?

_____ there _____ delays _____ connecting _____ power supply?

_____ connection _____ be something.

Should there _____ installing _____ power _____?

_____ of delays _____ the _____ of my new electricity _____.

Is _____ a hold-up _____ installation?

_____ may _____ delays in _____ my _____.

_____ in my _____ power setup?

_____ tell me _____ there are any _____ in _____ my _____ hookup?

Will there _____ with _____ electrical _____?

_____ it _____ that setting up _____ new _____ take _____ while?

Do _____ there will _____ problems _____ to _____ electricity fitting?

_____ you think _____ will be _____ problems _____ the _____ my _____ fitting?

Should there _____ any _____ with the _____ my place?

_____ any _____ hooking up _____?

_____ installation of _____ electricity _____ have _____ be delayed?

_____ could _____ delayed _____ hookups.

Are _____ delays _____ connection?

_____ any trouble installing _____ power _____?

I _____ there are _____ with my new _____.

_____ problem _____ my power supply.

Will _____ any _____ connecting the _____?

Is _____ any chance _____ with _____ connection setup?

Is it _____ there _____ issues _____ up _____ connection?

Should _____ expect _____ when I _____ the _____?

_____ might _____ some issues _____ my new electric _____.

_____ there _____ delays in _____ electricity?

_____ there holdups _____ installation?

_____ possible that the power _____ will _____?

_____ might _____ a delay in my new _____ installed.

_____ electric connection _____ any delays?

_____ there _____ any possible _____ for my _____ connection _____?

_____ am _____ if _____ can _____ me of delays in _____ the _____.

There _____ a chance of a delay _____ a _____.

_____ there _____ problems that _____ arise during _____ of my _____?

Are _____ prepared for a _____ in _____ set _____?

_____ with _____ my _____ line?

There _____ be _____ in installation _____ my new _____.

_____ of the _____ electricity connection could _____ any delays?

_____ delay is a _____.

Will there be _____ with _____ supply?

Did _____ expect _____ in getting _____ electricity _____ up?

Will _____ be any _____ power connection _____?

There _____ be time- _____ for _____ new electricity to _____.

There _____ be _____ connecting _____ electric service.

I _____ know _____ issues with my new electric _____.

_____ it _____ that _____ get my _____ set up on _____?

_____ in _____ up _____ elec?

_____ installing my electricity _____?

There _____ be delays _____ my _____.

_____ new electricity _____ place _____ problems?

_____ there any new power _____?

_____ is _____ that _____ installation of my _____ will be _____.

The electric _____ delayed.

Will there _____ any difficulties _____ the _____?

Maybe _____ will _____ installing _____ electric connection.

_____ with _____ installation _____ electricity?

It is possible _____ the new _____.

_____ there any hold-up _____ electricity _____?

Will _____ in _____ electricity setup?

Will any _____ arise during the _____ energy _____?

There is _____ for delays in _____ connection.

Will there _____ a delay in _____ connection?

_____ to experience _____ installing elec liabilities.

Is there _____ for _____ connection?

_____ wondered if there were delays _____ my _____.

Is _____ likely _____ be holdups _____ a new home _____ connection?

Will the _____ hookup _____?

_____ likely _____ a _____ connection will _____ held up?

There _____ a _____ getting new power connections.

_____ be _____ to _____ my electrical service _____?

Do you _____ a _____ getting _____ set up?

_____ possibility _____ power _____ delay.

_____ you _____ there will be _____ problem _____ electricity connection _____?

Are _____ holdups _____ to establishing a new electrical _____ at _____?

Is it _____ that _____ installation of _____ get _____?

Will _____ installing the power _____?

Possibly _____ are _____ installing _____ connection.

Maybe we're _____ playing _____ waiting _____ my electric _____?

_____ there _____ for _____ electricity connection?

There _____ be _____ issues _____ connecting _____ to my place.

_____ wonder _____ will _____ problems connecting _____ power supply.

_____ anyone know _____ chance _____ delayed electrical _____?

There _____ hold-ups for the _____.

_____ any _____ setbacks in connecting _____ electric service?

Maybe there _____ delays _____ connection.

There is _____ electrical hookup _____.

_____ there _____ of hold-ups in _____ power up?

_____ chance of _____ placing _____ new electrical hookup?

Is _____ of _____ in establishing _____ electrical _____ at home?

Will _____ be any _____ with the _____?

_____ there are _____ installing my new electric _____.

_____ are _____ to be _____ during _____ installation of _____ energy _____?

_____ there be _____ with my _____?

_____ possibility _____ hold-ups for _____ installation?

_____ a chance _____ setbacks _____ placing my _____ electrical _____ home.

Are _____ any _____ my _____ electricity connection installation?

I _____ there are _____ issues for _____ to my place.

_____ delays in _____ my new electricity _____?

Will _____ held up?

_____ in getting _____ new power connection could _____.

There may _____ delays in _____.

The new electric _____ potential _____.

_____ there are _____ with installing _____ new electric connection.

_____ be any _____ setting _____ the power _____?

I _____ know _____ are any setbacks _____ my electrical _____.

Do _____ any _____ my power _____?

_____ be time related issues with _____ my place.

Is it _____ that _____ electrical hookup _____ setbacks?

_____ anything wrong _____ my _____ line?

_____ for _____ electric hook- up?

_____ there be hold _____ electricity _____?

_____ it going to be _____ install _____ electricity _____?

_____ a delay _____ installing my _____?

There could be _____ getting my _____.

_____ in _____ can happen.

Will _____ waiting _____ my _____ hook-up?

_____ be delays in _____ my new _____ connection?

Did _____ the _____ of _____ electrical _____?

Installation obstacles _____ connection?

Potential _____ hookups _____?

Installation of _____ service could _____.

Is the _____ my _____ electricity _____ possible _____?

_____ be _____ regarding _____ electricity fitting?

Is _____ expected trouble _____ power _____?

_____ electrical _____ delays.

There is a possibility _____ delay _____.

Are there _____ a new electrical _____ at _____?

Is it possible that I _____ delays _____ electricity _____?

_____ electricity connection may _____.

_____ of _____ could _____ delayed.

_____ possible _____ in getting _____ electricity connected.

Installation _____ new _____ connection might _____.

_____ possible _____ the setting up _____ my _____ electricity _____ a challenge?

Is there _____ in _____ setup?

Will _____ my electricity _____?

_____ know if I'll experience _____ I connect my _____ supply.

When _____ electricity at my _____ I _____ issues?

_____ if there are any _____ with _____ installation.

Does _____ of _____ energy _____ bring _____ problems?

Are there _____ to _____ problems _____ installation _____ my energy _____?

_____ in _____ of my electricity connection.

Delays _____ a _____ power _____ are _____.

_____ setbacks _____ setting up my power connection.

Will _____ holdups with my _____.

_____ any chance of _____ for my _____.

During the installation of my _____ electricity _____ be _____?

_____ be hard to _____ my _____ electricity _____?

_____ likely _____ be any _____ install my energy supply?

_____ issues that _____ affect swift _____?

My _____ setup _____ have _____.

Are _____ with _____ electrical installation?

There is _____ chance _____ placing the _____ electrical _____.

_____ is _____ that there will be _____ a fresh _____.

_____ expect _____ with the _____ of my _____?

_____ is a _____ of _____ connecting _____ electric _____.

_____ there possible _____ in _____ new _____?

_____ the installation of _____ electric _____ delayed?

_____ there _____ electrical _____ delays?

When setting _____ connection, _____ there be _____?

Will _____ be _____ in _____ electricity _____?

_____ might _____ ups in _____ power supply.

_____ problems _____ quick electric _____?

I don't _____ be _____ setbacks in getting _____ power _____.

_____ are any _____ with _____ electricity _____.

There may be _____ new _____ connection.

Is _____ installation _____ to _____ hold-ups?

_____ wonder _____ there will be _____ problems _____ new _____ connection.

Is _____ problems with _____ new _____?

Is _____ new power supply _____ have _____?

_____ a _____ electrical setup?

_____ issues with _____ power supply?

_____ there be _____ problems _____ setup?

_____ I experience any problems _____ power _____?

_____ it possible that _____ connecting _____ electric service?

Will _____ installation of _____ Electricity _____ delayed?

_____ it _____ that my _____ will be setbacks?

I _____ with _____ new electricity to my place.

_____ hooking _____ my elec?

Are _____ holdups when setting _____ a _____ connection?

_____ if _____ obstacles when I connect my power _____.

Would _____ any _____ in _____ a new _____ connection?

_____ delays _____ the _____ of my electricity connection.

Is it _____ that my _____ supply will _____?

_____ installation of _____ connection _____ delayed?

_____ in installing elec _____

Is there _____ of _____ in establishing _____ connection _____ home?

_____ if _____ any problems _____ installing my new _____ connection.

_____ the installation _____ energy supply pose _____?

Will there be _____ connecting _____.

There _____ in the installation of the _____ power _____.

_____ power connection installation going to _____?
