

[Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators
Inquiry Category	Account setup and activation assistance
Inquiry Sub-Category	Device compatibility
Description	Providing customers with information regarding device compatibility with the network, including answering queries about supported frequencies, network technologies, and required settings for optimal connectivity.
Data Size	5,058 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)

_____ there any _____ issues _____ using this _____ device _____ your network?

Limitations or problems _____ this _____?

What _____ fault when _____ a _____ on your _____?

If _____ use this _____ your _____ there be _____?

_____ have _____ experienced with _____ device _____ your _____?

Do your _____ have problems _____?

_____ using _____ device on _____ network, _____ known fault?

_____ troubles _____ you have with _____ on your _____?

_____ or issues _____ device on your network?

_____ you _____ any issues _____ limits _____ device?

When using _____ the net _____ be issues?

What _____ limitations _____ incorporating _____ device _____ your network.

_____ there _____ seen when _____ to _____?

Do you know if _____ are problems _____ using _____?

_____ the challenges _____ the device _____ your network?

Are _____ any known issues with _____ this _____?

Are you aware of _____ this _____ network?

_____ with _____ on your network?

Are _____ use _____ this _____ device on your network _____?

Is _____ possible _____ are issues _____ the _____ in _____ network?

Are there _____ known _____ with _____ this _____ in _____ network?

Are _____ device issues _____?

What are the consequences _____ this _____ the _____?

_____ device _____ any issues _____ network?

_____ there _____ with device on _____?

_____ problems _____ when _____ equipment on the network?

Does _____ known _____ on your network?

_____ or _____ using this device on your network?

Will there _____ to this _____?

_____ or problems for this _____?

_____ any issues _____ with using this _____ your _____?

_____ have network _____ with your _____?

Is it a _____ using _____ device _____ your _____?

_____ the _____ or _____ with using _____ device on your _____?

Let us _____ are _____ to _____ the device.

There are _____ attached when using _____ network.

_____ there any _____ this device on _____?

Are _____ issues linked to _____?

Is there any drawbacks for _____ your _____?

_____ the limits _____ using this device with _____?

What _____ arise _____ you use this _____ in _____?

Does the _____ on the _____?

_____ on _____ network may have _____.

Is _____ this device on your _____?

_____ there _____ limit _____ the _____ use _____ the network?

Limitations on _____ your _____ are _____?

Do _____ have _____ limits _____ the _____ I use _____ your _____?

Does this _____ have _____ limits _____ network?

_____ there any difficulties _____ when _____ network?

_____ problems with _____ on _____?

Do you know _____ using _____?

_____ encountered _____ challenges _____ drawbacks using this _____ on your _____?

 _____ the use of _____ affect _____?
 _____ there issues expected _____ this gear on _____?
 Know concerns _____?
 Is your _____ having problems _____?
 _____ should _____ be aware _____ use this _____ on your _____?
 _____ might happen _____ use this _____ your network?
 _____ you _____ concerns regarding the use of this _____ device _____?
 What _____ do you _____ use of this _____ on _____ network _____?
 Please let us _____ any limitations in connecting _____.
 _____ issues with _____ on your system?
 Is _____ an issue _____ the use _____ this _____ your _____?
 _____ you anticipate _____ when _____ this _____ on your _____?
 _____ any challenges _____ drawbacks with _____ this _____ on your _____?
 Does _____ device _____ any other problems?
 _____ challenges and _____ do you _____ this device _____ your _____?
 Does the _____ your _____ have _____?
 _____ anything that _____ a _____ for this device?

What ____ will ____ when using ____ on ____ network?
 ____ you ____ any ____ with using this device on ____ ?
 Do you ____ if there ____ problems ____ the ____ on your ____?
 ____ let ____ are any ____ the device connecting to your ____.
 ____ your ____ has some limitations ____ issues.
 ____ there limitations ____ using this device ____ ?
 Let us ____ if ____ limitations to ____ on your network.
 Does ____ particular ____ any problems on your ____?
 Are ____ with ____ use of ____ on your ____?
 ____ this particular ____ on your network?
 Do ____ about ____ on this device ____ your ____?
 Will the ____ you are ____ problems ____ network?
 What ____ you have with using ____ on your ____?
 ____ network ____ with your device?
 Let us ____ about ____ connecting ____ device.
 There are ____ drawbacks ____ using this device ____ .
 Challenges ____ with ____ this device ____ network?
 When using this gear ____ net ____ there ____ ?
 The device ____ network ____ fault.
 ____ drawbacks for using this device ____ your ____ ?
 Let us know if there ____ any ____ this ____ network.
 ____ this device be ____ on ____ ?
 What ____ the ____ and flaws associated with ____ device ____ network?
 ____ exist any issues or ____ when using ____ on ____ ?
 Do you ____ this device ____ network?
 ____ known concerns ____ equipment?
 ____ any problems ____ with this device ____ network?
 There are ____ drawbacks ____ the device on ____ .
 ____ can happen ____ thing is connected to ____ ?
 ____ issues with device ____ network?
 ____ have ____ concerns ____ gear on your system?
 ____ device have ____ issue on ____ network?
 ____ obstacles or drawbacks can ____ used to use ____ ?
 Are ____ concerns about ____ device's use ____ your ____ ?
 When ____ device on your ____ known faults?
 Are ____ device ____ your network?
 What are ____ that ____ arise when using ____ equipment ____ ?
 ____ this ____ any ____ problems ____ your network?
 What ____ the drawbacks and obstacles for ____ this ____ ?
 What ____ up when using ____ on the ____ ?
 Can you tell me any ____ ?
 Do you know any ____ about the ____ device ____ your ____ ?
 ____ use this device on your network, ____ ?
 What ____ the ____ with ____ device on ____ ?
 Are there any known ____ over the ____ your ____ platform?
 Are ____ issues ____ product in ____ network?
 Does ____ device ____ network have ____ ?
 ____ know ____ are any issues with this ____ on your ____ ?
 ____ should ____ when using ____ gear on the ____ ?
 Is this ____ with ____ known ____ in your ____ ?

_____ there _____ drawbacks to _____ this device on your _____?

The device on _____ network _____.

_____ you _____ about _____ when using _____ device on _____ network?

Do you know of _____ on _____ network?

_____ this _____ cause problems on _____?

_____ a possibility that _____ product is malfunctioning _____?

_____ you _____ any problems with _____ your system?
