

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	New service connection requests
Inquiry Sub-Category	Alternative energy options
Description	Customers express interest in exploring alternative energy options, such as solar or wind power, and seek information on the feasibility, benefits, and processes involved in connecting these sources to the electricity grid.
Data Size	8,538 paraphrases

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

_____ required _____ installing alternative sources _____ like _____ Turbines/Grid-Tied Inverters etc?
 Is it necessary for me to receive authorization _____ renewable _____ like _____ turbine _____ ?
 It's _____ get _____ for _____ installation of _____ inverters or _____.
 _____ it _____ to get _____ of _____ before installing _____ like grid-tied inverters?
 Do you _____ solar panels?
 Is it _____ you to _____ whether _____ is needed _____ equipment _____ as _____ Turbines/Grid -
 _____ your permission to _____ like _____ and wind turbine?
 _____ it _____ approval for _____ installation _____ renewable energy systems?
 Should _____ your _____ to _____ up solar _____ turbine at my _____?
 _____ wondering if I _____ any _____ authorization _____ installing grid-tied inverters.
 _____ it necessary for _____ install _____ sources of _____ solar panels _____ turbine?
 Procuring consent _____ needed for _____ power generation _____.
 _____ Alternate _____ need official _____?
 _____ get approval _____ a wind _____?
 Is _____ needed _____ solar _____ and _____ turbine?
 _____ necessary _____ you to confirm that approval _____ equipment _____ as _____ Panels/ Wind Turbines?
 Is _____ before introducing _____ turbine _____ eco-power units?
 We don't _____ need _____ install _____ or wind turbine
 Do _____ approval to install _____ generation _____ as _____ panels _____ turbines?
 Do _____ install _____ sources such as solar _____ and wind _____?
 _____ we required to get _____ panels?
 _____ for _____ turbine or _____ eco-power units?
 _____ energy solutions, will I need _____ consent?
 Should you _____ allowed to _____ wind turbine?
 _____ are used _____ setting up alternative _____ generation _____?
 _____ need _____ be _____ for solar panels?
 Do _____ to ask for consent _____ installing _____ systems?
 Is _____ needed _____ solar _____ turbine, or grid-tied _____?

____ I need ____ before installing solar ____ or ____?
 ____ need to get ____ from ____ guys ____ installing things like ____?
 ____ it ____ for one ____ up renewable energy ____?
 ____ you need ____ approve ____ alternative power sources?
 Will ____ for ____ installation of ____ turbines or grid-tied inverters ____ my ____?
 ____ I ____ to ____ up alternative ____ sources?
 ____ there any ____ for the installation ____ turbine?
 ____ there any ____ to ____ alternative power generation ____?
 Is ____ required for ____ up solar ____ devices?
 Did ____ use alternative ____ sources?
 ____ there be ____ when ____ renewable ____ devices?
 Should I get ____ for ____ generation sources ____ panels or ____?
 It's ____ to ____ consent ____ solar/wind ____ generation ____.
 Do ____ solutions require ____?
 ____ someone ____ authorization when ____ renewable ____ devices?
 It's necessary ____ alternative ____ like grid-tied inverters.
 I'm wondering if ____ permit is needed ____ energy ____.
 ____ we ____ to seek permission when implementing ____?
 ____ prerequisite ____ power generation equipment is Procuring ____.
 ____ necessary ____ your approval ____ panels, wind ____ or grid-tied inverters?
 Is ____ for ____ to ____ approval before installing solar ____ wind ____ or ____?
 Is ____ for ____ for grid-tied ____?
 There is approval ____ to ____ grid-tied ____.
 Is ____ for prior ____ for ____ installation of ____ systems?
 Are ____ to get ____ approval for ____ solar ____ wind turbines?
 ____ necessary ____ get consent before ____ turbine ____ any ____ eco-power units?
 ____ are ____ panels, wind turbines, grid-tied inverters?
 ____ necessary ____ me ____ get your permission before ____ wind turbines?
 Is it a ____ for ____ your consent in order ____ renewable ____?
 Is it necessary ____ me to ____ authorization ____ prior ____ the installation ____ solar panels ____ wind ____?
 ____ systems installation requires ____?
 ____ need consent for ____?
 ____ solar/wind/ grid solutions require ____?
 Is ____ get ____ approval before installing solar ____ turbine?
 ____ needed ____ installing ____ panels, wind turbines, or ____ inverters?
 ____ is ____ for ____ energy like solar/wind power ____.
 ____ to get permission before ____ wind turbines, or grid-tied ____?
 ____ installing ____ sources may ____ validation.
 ____ solar panels, ____ turbines or ____ is permission ____?
 ____ require approval to ____ solar ____ or grid-tied ____?
 ____ approval ____ install alternative ____ sources, such ____ solar ____ or ____ turbine?
 ____ a ____ needed ____ setting ____ a ____ energy source?
 Do ____ a ____ install ____ panels?
 Is it necessary ____ get ____ for the ____ of ____ as ____ Turbines/Grid-Tied ____?
 ____ up renewable ____ a permit?
 Will i ____ get ____ in ____ to ____ renewable energy ____?
 ____ the projects ____ alternate ____ sources need ____?
 ____ getting consent precede ____ introduction ____ turbine ____ other ____ units?
 Can ____ need ____ permission for ____ up grid-tied inverters?
 Do I ____ get authorization ____ installing things ____ as ____?

Is _____ regulations _____ solar panels, _____ turbine _____ grid-tied _____?

Is it necessary for _____ to get _____ approval for _____ installation _____ wind turbine, _____?

Is it necessary _____ me to receive authorization _____ energy like _____ wind turbine _____ grid-tied _____?

_____ for incorporating eco- generation _____?

_____ you tell me _____ need _____ up _____ for grid-tied energy _____?

Before _____ wind turbine _____ other _____ units, _____ be _____?

I would _____ I _____ permission _____ up alternative energy _____ as grid-tied inverters.

Is it necessary _____ to _____ the installation of _____ wind _____?

_____ adding _____ solutions _____ prior _____?

_____ necessary to get _____ before installing solar _____ and _____?

_____ necessary _____ install solar _____ wind turbine?

_____ is necessary _____ install _____ power like grid-tied _____ or solar.

Is _____ required _____ installation _____ sources _____ like Solar Panels/ _____ Turbines?

_____ need _____ installing _____ sources of generation _____ as solar panels?

_____ ask for permission _____ renewable energy devices?

_____ you need permission _____ use _____ sources _____ solar?

There are regulations for _____ turbines and _____?

_____ any _____ for setting up renewable _____ generation _____?

Is it _____ permission _____ installing _____ panels?

_____ to get approval _____ you guys _____ things like solar _____?

_____ necessary to get approval _____ of solar panels _____ grid-tied _____?

Is it _____ for us _____ permission _____ inverters?

Procuring _____ needed _____ renewables _____ solar/wind _____ generation.

_____ need your approval to _____ in solar _____ or _____?

Should _____ be an ok _____ using renewable _____?

_____ it _____ for _____ alternative sources of generation like _____ Turbines?

Is it necessary _____ installation _____ a _____?

Is _____ necessary for approval _____ such _____ Solar Panels/Wind _____?

I _____ to _____ I need approval _____ up alternative energy _____ inverters.

Is _____ permit _____ up _____ like solar or wind?

_____ getting _____ implementing solar panels?

_____ I install _____ systems, _____ consent?

_____ any _____ for alternative _____ generation _____?

Is it possible _____ energy _____ with authorization?

_____ it compulsory _____ to seek consent prior _____ renewable _____?

Is _____ for _____ eco-Generation alternatives?

_____ it okay to install _____ solar panels or _____ turbine?

Is it necessary for _____ to _____ your _____ install solar _____ wind turbine _____.

Is it necessary for approval to _____ Wind Turbines/Grid-Tied Inverters?

When _____ renewable _____ devices, should _____ seek _____?

Do _____ need _____ before _____ things like _____?

_____ you get _____ set up renewable _____?

_____ requirements are _____ setting _____ alternative power generation _____ wind and _____?

Are I required _____ your consent _____ install _____ solutions?

There _____ needed for _____ of solar _____ inverters.

I would like _____ if _____ required when purchasing/installing _____ such _____ Panels/Wind _____.

Is _____ for me _____ obtain _____ to _____ solar _____ or _____ turbine?

I am _____ if _____ need _____ to _____ alternative energy sources such _____.

_____ the _____ solar _____ have _____ requirements?

Is _____ to _____ consent before _____ like _____ systems?

_____ necessary for _____ get your approval for solar panels, _____ grid-tied _____?
 _____ get your _____ to install renewable energy _____ such _____ solar _____?
 Is getting _____ the _____ wind _____ or _____ eco-power units?
 Do I _____ get permission _____ in _____ generation options?
 Is _____ necessary _____ installing _____ inverters?
 _____ approval _____ you guys for installing _____ solar panels?
 Is it _____ receive permission _____ you _____ to the _____ of _____?
 Is it a _____ for the _____ systems?
 Before _____ sources, do _____ need _____?
 Do I _____ consent prior _____ installing _____?
 Is _____ alternative _____ a requirement?
 Do I _____ your _____ install _____ wind turbines?
 Is there _____ permit _____ for _____ setting up _____ energy _____?
 Are there any requirements for _____ or _____ systems?
 _____ there any regulation _____ solar _____ wind _____ inverters?
 Should _____ you prior _____ installation of renewable _____ like _____ panels, _____ or grid-tied inverters?
 _____ permission _____ for the _____ of _____ panels, _____ turbines, _____ grid tied _____?
 Is _____ me to _____ approval from _____ to _____ solar _____ wind _____ or grid-tied _____?
 _____ it _____ to _____ solar panels _____ grid-tied inverters?
 _____ authorization essential _____ the installation of renewable _____?
 _____ prior authorization required for the installation _____ panel _____?
 _____ is _____ for approval _____ install grid-tied _____ or _____.
 Is it _____ for me _____ to _____ solar panels or _____?
 _____ me _____ get _____ in order to install renewable energy solutions such _____ panels?
 _____ permission _____ for the _____ of solar panels, wind _____ inverters _____ property?
 _____ matter for the installation of renewable _____?
 Installation _____ alternatively- _____ requires _____ approval
 _____ OK required _____ technologies?
 Is there an _____ use renewable _____?
 Is _____ requirement to seek _____ implementing grid- _____?
 _____ you think consent is _____ before introducing _____ other _____ units?
 Will I _____ your _____ install certain _____ energy _____?
 Is _____ the _____ of solar panels, wind _____ or _____?
 _____ it _____ if _____ renewable _____ such _____ solar/wind?
 _____ it necessary for me _____ to install _____ or solar _____?
 _____ necessary _____ of grid-tied inverters with renewable _____?
 Is _____ for solar _____ to be _____?
 Is official _____ incorporating Eco-Generation _____?
 We don't know if _____ obligated _____ grid- _____ inverters.
 _____ might _____ energy installations like solar panels.
 Is it necessary to apply _____ panels?
 Do I _____ to _____ sources, _____ as _____ or wind turbines?
 _____ have to _____ your permission _____ install _____ solar panels?
 Is _____ necessary _____ to _____ approval _____ alternative power sources like _____ panels _____ turbine?
 _____ necessary for you _____ whether approval _____ required _____ equipment _____ as Solar _____ Turbines/Grid -
 _____ grid-tied _____ it necessary _____ get approval?
 _____ it necessary _____ get approval for _____ renewable _____?
 _____ required for installations of solar _____ grid-tied inverters?
 _____ it _____ obtain permission to _____ solar _____ or _____ turbine?
 _____ I need your _____ before _____ things like _____ wind turbine?

_____ alternative _____ of _____ solar _____ and wind turbine, is it necessary to _____?

I need to _____ if _____ have permission _____ up _____ energy _____ inverters.

_____ for us to seek permission _____ implementing grid- _____?

Is it necessary _____ me to _____ approval for installing alternative generation _____ solar _____?

Is _____ for _____ when _____ panels, wind _____ grid-tied _____ etc.

Does _____ introduction _____ like _____ depend on formal approvals?

Can you _____ if _____ need the _____ to _____ energy sources?

Will it _____ required _____ to get _____ order to install _____ solutions?

Setting _____ should one _____ authorization?

_____ introducing wind turbine _____ eco-power units?

_____ alternatively-powered systems requires _____.

_____ I _____ to get authorization _____ installing things _____ grid-tied _____?

What approvals _____ required to _____ panels _____ grid-tied _____?

Is _____ a permit required _____ renewable _____ like _____ wind?

Is it _____ to _____ your _____ to _____ or _____ turbine?

_____ official _____ to _____ alternatively-powered systems.

_____ have to _____ permission _____ implementing _____ inverters?

_____ know if I need _____ approval _____ panels, wind _____ grid-tied inverters.

_____ mandatory to _____ consent _____ installing wind _____ solar _____?

Should _____ seek _____ to _____ solar panels and _____ power devices?

_____ needed for _____ wind turbine/solar _____.

Installation of _____ is likely _____ require _____.

_____ needs _____ approval _____ grid-tied inverters or solar.

Is _____ necessary _____ before introducing wind _____ or _____?

Is _____ mandatory _____ incorporate _____ alternatives?

_____ I need approval for _____ alternative _____ sources, such _____ solar _____.

It's _____ to get approval _____ and solar _____.

Do _____ your _____ to put up wind _____?

Should _____ get permission from you _____ put up _____?

_____ we need _____ get _____ permission _____ panels, wind turbines, _____ grid-tied inverters?

_____ for the installation _____ inverters?

Is getting permission _____ solar panels _____ electricity _____?

Do I need the _____ of you _____ panels or _____?

Do I really _____ permission to put _____ or _____?

_____ required for the installation _____ and solar _____.

_____ permission required _____ wind turbine, or grid-tied inverters?

Do _____ your _____ for _____ of solar panels, wind _____ inverters?

_____ there be _____ for using _____ as solar/wind?

_____ consent was _____ introducing _____ turbine or _____ units?

Are we required _____ get _____ before we _____ wind _____ grid-tied inverters?

_____ to have _____ to install grid-tied inverters _____.

_____ one use authorization when _____ devices?

_____ need your consent _____ panels or wind _____?

_____ I have _____ get _____ put solar _____ turbines, _____ grid-tied _____ my property?

_____ to _____ turbine/ solar panels.

The approval is _____ or solar.

Can we ask _____ to _____ a grid- _____?

_____ it necessary _____ authorization to install solar panels _____?

Before installing _____ sources is it _____?

_____ a requirement _____ us to _____ when _____ a grid- _____ inverters?

_____ there _____ for _____ solar panels?

Should _____ from _____ to put _____ solar panels or _____?

_____ required to _____ wind _____ tie.

_____ permission _____ installation of solar _____ wind turbine, _____ inverters?

Is _____ required before _____ solar _____ grid-tied inverters?

Is _____ required for _____ eco- _____?

Permission _____ required _____ wind _____ tie.

_____ need your permission to build _____ solar _____ turbine?

Should _____ permission for _____ generation _____?

There is _____ requirement for approval _____ install _____ or _____.

Is _____ necessary _____ for _____ before installing wind or _____?

_____ we _____ to get your _____ install _____ turbines or grid-tied _____?

_____ you let _____ if I _____ permission to set _____?

_____ needs to _____ approval _____ inverters _____ solar panels.

_____ you need _____ seek your _____ before installing _____ sources _____ solar panels?

_____ is needed _____ turbines, solar panels, _____ grid _____.

I _____ if _____ need consent _____ to _____ renewable _____.

Do we need _____ the _____ panels, wind turbines, _____ grid-tied inverters?

Is it _____ for _____ apply _____ install solar panels or _____?

Will _____ to install _____ wind turbines _____ grid-tied inverters?

Is there a _____ required _____ energy sources.

Is it _____ to install _____ inverters?

_____ be _____ when _____ renewable energy devices?

_____ it necessary _____ grant permission _____ sources of generation such _____ solar _____ wind turbine?

_____ approval is _____ for alternatively-powered _____.

Are _____ requirements to set _____ generation technologies?

Can you tell _____ if _____ to get permission _____ energy sources such _____ grid-tied _____?

_____ power _____ official approval?

_____ needed _____ installation of grid-tied inverters or _____?

_____ introducing wind turbine _____ units, consent _____ need _____ obtained.

_____ wondering if I _____ to _____ energy sources such as _____.

In _____ solar _____ turbines, or grid-tied inverters on _____ will _____ be _____?

Do you _____ to _____ your _____ before installing alternative sources _____ generation _____ solar _____?

Can _____ tell me if approval _____ necessary _____ buying/installing solar _____ inverters, _____?

Are we required to _____ to _____.

Can there be requirements _____?

_____ any requirements for _____ panels?

_____ must if you _____ to use _____ power _____ equipment.

Is it _____ to _____ approval to _____ panels or _____?

Can there be _____ panels?

_____ it necessary to get _____ permission _____ installing _____ and _____?

_____ we have permission to _____?

_____ installing alternative sources of generation like _____ panels, wind turbine, _____.

Do _____ need approval to _____ energy _____?

Someone _____ to _____ the _____ of _____ panels or grid _____.

_____ is needed to _____ panels?

Is _____ grant _____ alternative sources of generation _____ panels and wind turbine?

Can wind turbine _____ other eco-power _____ without _____?

Is _____ to get your _____ before I _____ panels _____ turbines?

_____ have _____ obtain any _____ of _____ before _____ things like grid-tied _____?

Do _____ of authorization before _____ install things _____ as grid-tied inverters?

Do _____ have _____ get _____ install solar panels, _____ turbines _____ grid-tied _____?

When setting up _____ generation _____ there _____ requirements?

_____ authorization required _____ the installation _____ energy systems?

_____ need consent before _____ systems?

Are _____ required _____ to _____ solar panels _____ wind turbines?

Is _____ necessary for _____ of _____ energy systems?

An official _____ required to _____.

Do I _____ authorization to put _____ options?

Do you think _____ required _____ turbine or other _____?

What _____ the _____ for solar _____ wind turbine, _____?

_____ solar, wind, _____ grid solutions demand _____?

_____ required before introducing _____ or other eco- power _____?

Is _____ necessary _____ be obtained when purchasing/installing solar _____ turbine, grid-tied _____?

_____ wind or solar _____ must I _____?

_____ approval _____ when installing _____ tied _____ sources?

_____ I _____ get your approval _____ things like _____ panels?

Is it _____ consent before _____ wind turbine?

_____ it necessary for _____ before installing _____ systems.

_____ you _____ I need _____ to _____ up alternative energy _____ such as grid-tied _____?

Do you _____ approval is _____ when _____ such as _____?

Is _____ for _____ to _____ authorization from you before I install _____?

_____ we _____ get your _____ install solar panels, wind _____ grid-tied _____?

_____ setting _____ renewable energy devices, _____ ask _____ permission?

Is _____ wind _____ or other _____ units to get _____?

_____ we have to _____ permission _____ implement _____?

Should one get _____ to _____ renewable _____?

_____ I _____ to seek consent _____ solar _____ systems?

_____ if I need permission _____ up alternative _____ sources _____ tied inverters?

_____ for me to _____ authorization from you _____ I _____ renewable _____ like _____ wind turbines?

_____ power sources, approval _____?

_____ a _____ seek permission _____ set _____ renewable _____ devices?

Will _____ need _____ in _____ install _____ wind turbine, or _____ on _____ property?

_____ you _____ for _____ to _____ approval for installing _____ panels?

_____ installing _____ panels, wind turbines _____ grid-tied inverters?

Can I _____ solar _____ turbine, or _____ on my property?

_____ official acceptance _____ for _____ alternatives?

Will _____ need to _____ your _____ to _____ or _____ turbine?

Are _____ to _____ approval _____ before _____ solar panels, wind turbine, _____ grid-tied _____?

Is it necessary _____ us _____ get your _____ the _____ solar _____ wind _____ grid-tied inverters?

Before _____ a _____ other eco-power units, _____ consent _____ needed?

_____ OK be required _____ using renewable _____ as _____?

Are there any _____ for _____ of alternative _____?

_____ solar/wind _____ demand prior acknowledgement?

_____ other _____ power units, would consent be needed?

approval _____ needed _____ solar panel

_____ need your _____ to _____ solar panels, _____ or _____ inverters?

Does _____ introduction _____ renewables _____ on getting _____?

_____ it _____ for _____ your _____ to install solar panels, _____ turbine _____ grid-tied inverters?

_____ you _____ approval to install solar _____?

Is ____ introduction ____ solutions ____ formal approvals?
____ approve the installation of ____ panels ____ grid-tied ____?
Is getting ____ necessary ____ introducing wind ____ units?
____ I require ____ solar panels, wind ____ on my property?
Is ____ obtain ____ before introducing ____ or other eco-power ____?
Would ____ introduction of wind ____ or ____ eco-power ____?
____ it necessary for ____ approve ____ of ____ solar panels or wind ____?
____ getting consent be required ____ wind turbine ____?
____ installation of ____ require ____ approval.
I ____ wondering if ____ is a ____ setting up renewable ____.
____ approval ____ installing ____ inverters ____ renewable sources?
____ it necessary to seek ____ additional ____ options?
____ tell me ____ is required when ____ equipment such ____ Turbines.
Will I ____ your ____ to install ____ panels or ____?
Is ____ to have a ____ up renewable ____ sources?
Is it ____ get ____ installing ____ panels, ____ turbine, or ____ inverters?
____ don't know ____ I ____ to install solar panels, ____ turbine ____.
Do you think consent ____ be ____ before the ____ turbine ____ eco-power ____?
Is it necessary to ____ consent ____ introducing ____ turbine ____ eco ____?
Is it obligated ____ us ____ get permission when ____?
____ necessary to get ____ wind ____ or other ____ Units?
____ to ____ authorization from you prior to ____ installation ____ like solar ____ turbines or grid-tied
Is any prior ____ the ____ of ____ systems?
Is ____ necessary to obtain ____ to ____ renewable ____ sources?
____ required ____ turbine installations?
____ needed before ____ wind ____ other eco-power units?
Is ____ a ____ approval ____ purchasing/installing equipment ____ Panels/Wind Turbines/Grid-Tied Inverters?
Is ____ necessary ____ to install alternative power sources, ____ solar ____ or ____?
Did you need ____ generation ____?
Procuring ____ necessary for renewables ____ solar/wind ____ equipment.
Permission ____ needed ____ wind ____ panels.
Is permission ____ install ____ panels, wind ____ inverter?
____ it necessary ____ approval to install a ____ with ____?
____ necessary ____ your approval for ____ of solar panels, wind turbine or grid-tied ____?
Is it necessary ____ to get ____ from ____ prior ____ installation of renewable ____ solar ____ wind ____ grid ____
Is it necessary to ____ your ____ panels or ____ turbine?
____ I ask my ____ permission ____ solar panels ____ power devices?
____ it ____ for permission ____ the ____ turbine?
____ I have ____ your ____ to install ____ energy solutions ____ panels, wind turbines or ____?
____ I have ____ get ____ consent ____ to ____ renewable ____ solutions?
____ required for ____ turbines?
Will I need ____ to ____ panels, ____ turbines ____ inverters on my ____?
Will I need to ____ your ____ install ____ solutions ____ wind ____ or grid-tied inverters?
____ is ____ before introducing ____ other eco-power units.
____ necessary ____ set up ____ energy sources with ____?
Do I need ____ consent to ____ up ____ wind ____?
____ need permission to ____ such as ____ panels ____ wind turbine?
I ____ I need ____ to ____ panels, wind ____ or ____ inverters.
____ there a ____ you ____ approve ____ installation ____ solar ____ wind turbines?
____ have to be ____?

____ it ____ installation of alternative sources of ____ Panels?
 Is ____ for ____ grid-tied ____?
 Is ____ necessary ____ get ____ approval ____ solar panels or grid-tied ____?
 Is ____ obligated ____ to ____ for grid-linked inverters?
 Do ____ the installation of solar ____ wind ____ or ____ inverters?
 Should ____ be permission ____ up ____ energy ____?
 Can ____ if approval ____ buying/installing equipment such ____ Turbines/Grid-Tied Inverters?
 Do ____ need an OK if ____ renewable ____?
 There needs to ____ alternative ____ like ____ or grid-tied ____.
 ____ approval to install alternative ____ sources, ____ as solar ____ wind ____?
 ____ it necessary ____ get ____ the installation of solar ____ turbine, ____ grid-tied ____?
 ____ I ____ to install ____ panels, ____ turbines, or ____ inverters on ____?
 Do ____ need to ____ any kind of ____ before ____ such ____ grid-tied ____?
 What ____ panels, wind ____ grid-tied ____?
 Is ____ necessary for ____ to ____ authorization from ____ wind turbine or grid-tied inverters?
 ____ getting ____ be necessary before the ____ wind ____?
 ____ necessary for approval when ____ equipment such as ____ turbine, ____ Inverters?
 Do ____ to seek ____ install renewable ____?
 Do we need ____ to ____?
 Should ____ need your approval to ____ alternative power ____ as ____ wind ____?
 ____ it necessary to ____ before ____ energy systems?
 ____ for ____ to be obtained ____ introducing eco-power ____?
 ____ I ____ from ____ before ____ install renewables like solar ____ wind ____ or ____?
 ____ installation might require ____.
 Is a ____ setting up renewable ____?
 Installation ____ requires official approval ____?
 Is ____ necessary ____ get permission for ____ solar ____?
 It's necessary for approval to ____ grid-tied inverters.
 Are ____ approved to ____ or wind ____?
 Is ____ to obtain consent ____ renewable systems?
 ____ permission ____ solar ____ to ____ installed?
 Can ____ any requirements ____ place ____ power generation systems?
 ____ solar panels be approved ____?
 Do we ____ your approval for ____ panels, wind turbine, or ____?
 Adding ____ solutions ____ demand ____.
 ____ a ____ necessary ____ setting up ____ energy ____?
 Is it ____ to get ____ alternative ____ of generation ____ solar ____?
 I'm ____ a ____ to set up renewable energy ____.
 Is it ____ for ____ authorization ____ you ____ I ____ panels, wind turbine ____ grid-tied inverters?
 ____ permission ____ solar panels, ____ or grid-tied inverters?
 ____ required for installing alternative ____ of ____ like ____ wind ____ grid-tied inverters?
 ____ any requirements ____ setting up ____ power generation ____?
 Do we ____ permission ____ panels or ____ turbines?
 Will it be ____ for me ____ your consent ____ install ____?
 ____ we required to get ____ install ____ panels ____ turbine?
 ____ me if I need ____ permission ____ a grid-tied inverters?
 Is permission ____ before ____ of ____ panels, ____ turbines, ____ grid-tied ____?
 Do I need to ____ from you ____ I ____ energy ____ turbine or grid-tied ____?
 Do ____ need permission ____ install ____ generation sources, ____?
 Should ____ ask for authorization ____ up ____ energy ____?

____ I ____ energy ____ like ____ wind turbine or ____ without your consent?
 ____ powered systems might require official ____.
 ____ I need ____ to install ____ or ____ turbines?
 ____ a prior ____ needed ____ installation of ____ energy ____?
 Do ____ get authorization ____ placing additional generation ____?
 Will permission ____ solar panels, wind ____ or grid-tied ____?
 ____ alternatively-powered systems ____ official ____.
 ____ we required to ____ your ____ of solar ____ or grid-tied inverters?
 ____ it necessary for ____ receive authorization ____ you ____ of renewable ____ systems?
 Is it ____ for prior ____ the ____ of wind ____ systems?
 ____ necessary ____ obtain any kind of ____ installing ____ like ____ inverters?
 Is ____ requirement ____ seek ____ when implementing ____ inverters?
 ____ required for ____ consent ____ installing things like solar panels?
 Any ____ required ____ solar/wind ____?
 ____ for the ____ wind turbines or grid-tied inverters?
 Adding solar/wind/grid ____ may ____.
 Should I ____ authorization to ____ or wind ____?
 Are we ____ to get ____ approval ____ the ____ solar ____ wind ____ grid-tied ____?
 ____ necessary ____ to ____ approval ____ solar panels, wind turbines or grid tied ____?
 Do ____ need to get consent ____?
 ____ it ____ approval ____ installing ____ sources ____ generation, ____ panels and wind turbine?
 Is it ____ get ____ implement solar panels ____ the ____?
 Is ____ necessary for me ____ approval ____ install ____ like solar panels or ____?
 ____ is ____ must for incorporating ____ generation equipment.
 I ____ I need ____ install solar ____ or wind ____.
 ____ is ____ for the ____ of ____ wind ____ or ____ inverters.
 Is there an ____ using renewable ____ solar/wind?
 Is it a requirement ____ energy ____ like ____ or ____?
 ____ for alternative generation sources?
 Is ____ necessary ____ the installation of ____ and solar panels?
 ____ to ____ for putting ____ place additional generation options?
 ____ your consent ____ renewable ____ panels, wind turbine, or grid-tied inverters?
 Should I get ____ install ____ panels ____ turbines?
 ____ to get ____ for solar ____?
 ____ necessary to ____ to install ____ panels ____ wind ____.
 ____ approval required for ____ grid-tied inverters ____.
 Installation ____ require official approval.
 ____ we ____ to get your ____ the ____ of ____ wind turbines ____ grid-tied ____?
 ____ requirement ____ setting up wind ____ solar technologies?
 Is ____ for consent for the introduction ____ wind ____ or ____?
 Will ____ be necessary for ____ to obtain ____ to ____ solar ____ turbine, ____ grid-tied ____ property?
 Is obtaining ____ of solar ____ necessary?
 ____ are ____ requirements ____ installing ____ panels?
 Does ____ prior acknowledgment ____ solar/wind/ grid ____?
 ____ necessary for you to approve ____ use ____ solar ____ and ____?
 Would ____ alternate power ____ official ____?
 ____ I have ____ permission in ____ solar ____ wind turbines, or ____ inverters on ____ property?
 Does ____ introduction ____ likerewables rely ____ formal approvals?
 Is ____ kind of ____ installing something like ____ grid-tied inverters?
 ____ solar panels or ____ must be approved.

_____ installing solar panels, wind _____ is permission _____?

_____ need for approval to install _____ or _____.

_____ a _____ use renewable sources such as _____?

Is _____ for _____ of certain renewable _____ systems?

Is _____ necessary for _____ approval _____ install _____ like solar _____?

_____ it required _____ of generation like _____ Panels/Wind _____ Inverters?

Are _____ any _____ up wind and solar _____?

_____ it necessary for me _____ request _____ solar panels, wind _____ inverters?

Is _____ any requirements _____ place _____ alternative power generation _____?

_____ we required _____ get approval _____ installation of _____ panels, _____ turbine, or _____?

_____ installing alternative _____ sources, _____ needs to _____?

_____ have _____ get _____ consent _____ I want to _____ energy _____ like _____ panels?

Are inverters _____?

_____ was _____ if I _____ to set up alternative energy sources _____.

_____ necessary _____ get approval _____ alternative _____ like grid-tied inverters _____.

Do adding _____ recognition?

_____ ask _____ permission before installing _____ of _____ solar panels and wind _____?

Should I seek _____ from the _____ before _____ alternative sources _____ panels _____ wind power _____?

_____ you _____ sign off _____ the _____ of solar _____ wind _____ or _____ inverters?

_____ confirm _____ required _____ purchasing/installing equipment such as _____ Panels?

Will my permission be required _____ turbine, _____ inverters?

_____ needed for _____ generation equipment.

_____ before _____ eco-power units?

_____ get your consent _____ the _____ of solar panels?

Adding _____ would _____ acknowledgement.

Is _____ necessary to get _____ for _____ inverters _____ sources?

_____ I _____ to _____ panels or wind _____?

There is a _____ for _____ for the _____ of _____.

_____ to build _____ and solar farms?

_____ I _____ your permission _____ install _____ power _____ or grid-tied _____?

Is _____ necessary _____ approval _____ install _____ sources of generation _____ Inverters.

Will I _____ to _____ panels _____ wind turbines?

Is _____ compulsory for _____ seek consent before _____ systems?

Is it necessary _____ to _____ sources or grid-tied inverters?

_____ needed _____ install wind turbines/solar _____?

_____ it _____ for _____ to get your approval _____ install solar _____ wind _____?

There are _____ to _____ generation systems _____ as wind _____ solar.

_____ be _____ when _____ renewable energy devices.

_____ to get your permission _____ can _____ renewable _____ solutions?

_____ for the installation _____ wind _____ solar _____ systems?

_____ it _____ before installing solar panels or wind _____?

_____ approval required for _____ sources of _____ solar _____ turbine, _____ inverters, etc?

_____ the _____ solutions _____ on official approvals?

Are _____ for _____ energy installations?

Do I _____ your _____ to _____ wind turbine or _____?

_____ permission required before you _____ wind _____ grid-tied inverters?

Is _____ to installing solar _____ wind _____ or _____ inverters?

_____ approval _____ grid-tied inverters?

Do we _____ get _____ when _____ inverters?

Is _____ required _____ energy sources?

_____ need official validation to install _____ power _____.

_____ setting _____ renewable _____ should one _____ permission?

_____ be necessary to obtain _____ install _____ panels, _____ or _____ inverters _____ my property?

Will I need to get _____ to _____ renewable _____?

Can _____ tell me _____ permission to set up _____.

_____ you tell _____ is _____ when purchasing/installing equipment like _____ wind turbine?

Is it _____ for _____ install alternative _____ Solar Panels.

_____ renewable _____ devices, should _____ get authorization?

There _____ an _____ needed _____ install _____ or _____ power.

Is approval required for installing alternative _____ solar panels, wind _____ grid-tied _____?

Does _____ installation of _____ need official _____?

The _____ turbine _____ units would need consent.

_____ your consent to install renewable _____ solutions like _____ turbines _____ grid-tied _____?

_____ need approval to _____ or _____.

_____ installing _____ power _____ is _____ approval _____?

Do _____ need _____ to _____ wind or solar _____?

_____ regulations _____ solar panels, _____ turbine, grid-tied _____?

_____ I _____ to set up _____ inverters, _____ tell me?

Installation _____ systems _____ require _____ approval.

Permission _____ install wind _____ solar _____ grids tie.

Is _____ in _____ to install _____ turbine, _____ grid-tied inverters?

Can you tell _____ if _____ permission to _____ grid-tied _____?

_____ we need _____ consent for _____ of _____ panels, _____ turbines _____ inverters?

_____ I need permission to _____ panels, _____ grid-tied inverters _____ property?

_____ powered _____ requires official approval?

Is _____ renewable _____ devices _____ for _____?

_____ I need _____ to _____ things _____ as grid-tied _____?

_____ there _____ for setting _____ alternative power _____ systems?

Is it necessary _____ to get _____ from _____ of renewable _____ equipment?

You need to _____ approval _____ panels _____ turbines.

_____ approval be _____ the installation _____ panels, wind _____ or _____ my property?

_____ it _____ to _____ your _____ for _____ to install _____ energy _____?

approvals _____ to install _____ panels _____ grid-tied _____

Is there _____ solar panel/wind _____?

Will _____ need _____ get your _____ solar panels _____ turbine?

_____ I need _____ to install _____ energy solutions such _____ or _____ turbine?

_____ necessary _____ seek permission _____ putting in place _____ options?

_____ I need to get _____ to _____ in renewable energy _____?

_____ necessary for _____ for installing alternative sources _____ generation like _____?

_____ power _____ official validation?

_____ approved to install?

Permission _____ for _____ wind turbines/solar panels.

Is _____ necessary _____ obtain _____ to _____ up _____ energy _____?

Is prior _____ needed _____ of _____ energy systems?

Is there a requirement _____ sources _____ as _____?

Will I need _____ consent to install renewable _____ panels _____ turbines?

_____ solar panels, wind turbine, or _____ inverter, _____?

_____ it necessary _____ have permission _____ install _____ panels or wind _____?

Is it _____ to put _____ solar _____ and wind _____?

Can you approve _____ solar _____ grid-tied inverters?

Is there _____ requirement _____ authorization for _____ wind and _____ systems?

Adding solar/wind/grid _____ demand prior _____?

_____ need approval to _____ panels or _____.

Is _____ necessary _____ consent before I _____ solar panels?

Are _____ for setting _____ alternative power _____?

Do we _____ apply _____ install solar panels?

Do I _____ authorization _____ put _____ place additional _____?

Is _____ necessary _____ authorization to install _____ panels _____ wind _____?

There _____ approval to install _____ panels or _____.

What _____ the _____ setting up _____ power generation _____?

Are I required to _____ consent _____ install _____ wind turbine _____?

Will permission _____ to _____ solar panels, wind turbines, _____ my _____?

_____ it necessary for you to _____ off _____ installation of _____ and _____?

_____ there _____ up wind and solar power _____ systems?

_____ is a need _____ for installing _____ or _____.

_____ it necessary _____ the _____ of _____ solar panel array?

_____ grid-tied inverters, is _____ necessary _____?

_____ tell me _____ a _____ to add items _____ as _____?

_____ it necessary to get _____ for _____ grid-tied _____?

Before _____ things _____ as _____ do I need to _____?

Does _____ solutions _____ be acknowledged?

_____ we _____ approval _____ install wind or _____?

Is _____ necessary to obtain _____ for _____ energy sources?

Is permission required for _____ wind turbines _____ inverters?

Is _____ an OK if using renewable _____?

Do I _____ approval before _____ things _____ grid-tied inverters?

I _____ approval _____ required _____ equipment _____ as Solar Panels/Wind Turbines.

_____ I ask _____ supplier _____ approval before _____ sources _____ generation like _____ panels and wind _____?

Permission is required to _____.

Is it _____ for _____ to _____ authorization _____ prior to _____ renewable sources like solar panels, wind _____?

_____ have _____ obtain _____ kind of _____ before _____ install _____ like grid-tied _____?

_____ need your _____ to _____ alternative _____ like _____ or wind turbine?

Is it _____ to _____ installing things _____ as grid-tied inverters?

_____ it _____ me to _____ authorization _____ you _____ I install wind _____ solar _____?

_____ necessary for the installation _____ alternative sources of _____ Panels/Wind _____?

_____ I _____ to _____ sources such as solar panels?

Permission to _____ solar _____ system?

_____ the installation of _____ turbines?

Do you need _____?

Does _____ alternate _____ sources need _____?

Are we _____ obtain your consent for _____ solar _____ wind _____ grid-tied _____?

There _____ regulations _____ solar _____ turbines, grid-tied inverters.

Should permission be _____ the _____ panels, wind _____ or _____ inverters _____ my _____?

Is _____ a _____ my _____ to install _____ power _____ and _____ inverters?

Is _____ required _____ installation _____ alternative sources _____ panels and wind _____?

Does the _____ of _____ need to _____ approvals?

Do _____ need _____ get approval from _____ solar panels?

_____ to have _____ to install wind turbine/solar _____?

Is it necessary for me to _____ energy _____.

_____ it necessary _____ me to get _____ to _____ power _____ like _____ panels or _____ turbine?

____ it necessary for ____ to ____ from you prior ____ of ____ equipment?
 ____ necessary ____ get consent for wind turbine ____ units?
 Before ____ of ____ power ____ is ____?
 Do you need ____ permission before ____ sources ____ solar ____ and ____ turbine?
 ____ I need ____ to ____ or solar ____?
 ____ are the requirements ____ installations?
 Is ____ permission necessary for ____ of ____ systems?
 ____ installation ____ alternatively-powered systems requires ____.
 ____ seek consent before I ____ renewables?
 ____ is required ____ installing wind ____ or ____.
 Is ____ necessary ____ a permission ____ a ____ turbine?
 Does there need ____ be ____ alternative power ____ systems?
 Is ____ necessary to have ____ permission for ____ renewable ____?
 ____ approval ____ purchasing/installing equipment ____ as ____ Panels/Wind Turbines/Grid-Tied ____?
 Permission is required before ____ solar ____ wind ____ inverters.
 ____ grid-tied ____ need ____?
 Is ____ installation ____ wind generators ____ solar ____ for prior ____?
 Do I need to ____ kind of ____ in ____ inverters?
 Is approval ____ for ____ grid-tied inverters ____ renewable ____?
 Is ____ necessary to ____ approval ____ grid-tied inverters?
 ____ it necessary ____ to sign ____ on ____ of ____ and wind turbines?
 Before ____ renewable energy ____ solar ____ wind ____ grid-tied inverters ____ receive authorization from you?
 ____ you ____ me ____ any ____ for ____ panels?
 Does ____ a solar ____ acknowledgement?
 ____ need approval ____ you for the installation ____ solar panels, ____ grid-tied ____?
 I'm ____ if I need ____ install ____ panels ____ turbine.
 Should I ____ I ____ wind or solar ____?
 ____ it necessary to ____ alternative sources ____ generation ____ solar panels ____ wind turbine?
 Can you ____ if I ____ to use ____?
 Is it necessary for me ____ get ____ solar panels or wind turbine?
 ____ I have ____ get ____ permission to put ____ solar ____ or ____?
 ____ need ____ prior ____ for the installation of renewable ____?
 ____ introduction ____ green ____ rely on ____ approvals before being ____ into ____?
 ____ want ____ know ____ approval ____ needed when ____ such as ____ Panels/Wind ____.
 Is ____ get ____ consent in order to ____ of the renewable ____ solutions?
 Permission is needed ____ solar panels, ____ grid tie.
 Should ____ seek permission ____ energy devices?
 Do ____ need ____ approve ____ installation ____ wind ____?
 ____ to ____ permission to ____ solar panels, wind ____ or grid-tied inverters ____ my ____?
 ____ up ____ energy devices ____ subject to authorization?
 Is ____ for ____ to approve ____ of ____ panels, wind ____ grid ____ inverters?
 Are ____ inverters ____?
 Is it ____ installing renewable systems?
 Installation ____ powered ____ official approval.
 ____ necessary for me ____ get your permission ____ up ____ panels or ____?
 ____ it ____ get your permission before I install things ____ panels ____ turbines?
 ____ I ____ renewable ____ like solar panels, wind turbines ____ your consent?
 ____ have to be ____ requirements ____ solar ____?
 Is ____ necessary ____ install solar panels, wind ____?
 ____ I ____ to ____ your ____ renewable energy solutions ____ solar panels?

Do ____ need to ____ authorization ____ grid-tied inverters?

Do ____ consent to ____ solar/wind/grid-tie?

____ in ____ for setting up ____ power ____ systems?

____ it necessary ____ get your ____ solar panels ____ wind turbines?

____ a person ____ authorization when ____ up renewable ____?

____ permission necessary ____ solar panels, wind ____ inverters?

There ____ requirements for ____ up alternative ____ systems.

____ seek ____ implementing grid- ____ inverters?

Should ____ approval from ____ electricity supplier before using alternative sources ____ and wind power ____?

____ permission ____ installing solar ____ turbines or grid-tied inverters?

Possibly, the ____ alternatively-powered ____ requires ____.

____ to ____ consent to include ____ generation equipment.

____ necessary ____ you to approve the installation ____ sources ____ generation ____ wind ____?

____ requirement ____ us to ____ permission for ____ connected inverters?

Do ____ to get approval to ____ turbine?

Do ____ need authorization ____ put ____ generation ____?

____ for ____ generation equipment is Procuring consent.

Are ____ inverters approved ____ be ____?

____ needed ____ introducing a ____ turbine or ____ unit?

____ requirement for ____ generation alternatives?

____ necessary ____ turbine or other eco-power ____ to have ____?

Installation ____ systems ____ official ____.

The ____ of wind turbine ____ require consent.

There are ____ for ____ panels, ____ inverters?

Before introducing ____ or other eco-power ____ needed.

I ____ I need to ____ authorization before I ____ as grid-tied ____.

____ there any required requirements ____ alternative ____ systems?

____ wondering if ____ need ____ set ____ alternative energy ____ like ____ inverters.

Can ____ if ____ have ____ to setup alternative energy sources?

Is ____ for us ____ seek permission ____ a grid- ____?

____ required to ____ to install ____ wind turbine, or ____ inverters?

Are there ____ to ____ solar panels or ____?

Is it necessary ____ to ____ the ____ install solar panels, ____ or ____?

Does anyone know ____ I need ____ to set ____ sources ____ as ____?

Before ____ wind ____ or eco-power ____ would ____ be ____?

Is it ____ for us to seek ____ a ____?

Do ____ need prior ____ for ____ renewable energy ____?

____ it ____ for me to get ____ to ____ renewable energy solution?

____ approval needed ____ the ____ a ____ inverters?

____ need ____ to ____ alternative generation sources ____ as ____ or ____ turbines?

____ have ____ get your ____ before ____ install solar panels ____ wind ____?

Did ____ that approval ____ needed to install ____ power?

____ necessary to Procuring consent to incorporate ____.

____ permission ____ for ____ panels, wind turbine, ____ grid-tied inverters on ____ property?

Are ____ in need ____ for ____ alternative generation ____?

Is ____ wise ____ ask for ____ setting up ____ energy ____?

____ solar/wind/grid solutions have to ____?

____ necessary to ____ approval ____ the installation ____ turbines or grid-tied inverters?

Do ____ any kind ____ installing a grid-tied inverters?

Is it ____ to ____ before installing ____ systems?

Will _____ get your _____ to _____ energy solutions?

Is _____ necessary _____ me to _____ authorization from you _____ install _____ panels, _____ inverters?

Is _____ requirement for _____ installation of _____ wind turbines?

_____ necessary _____ Procuring consent before _____ generation equipment.

_____ it necessary for me to _____ to the installation _____ renewable _____ sources like _____ wind _____ grid -

_____ for installing _____ turbine/ _____ panels.

_____ don't know _____ need _____ alternative generation sources, such _____ solar panels _____ turbine.

_____ necessary _____ obtain any kind of authorization _____ I _____ grid-tied inverters?

Can _____ install alternative _____ such _____ panels _____ wind turbine?

Do you have to _____ stuff _____ panels?

_____ it _____ up _____ power generation _____ like wind _____ solar?

_____ there _____ your _____ to install _____ panels, _____ turbine or _____ inverters?

Is it _____ for me _____ installing _____ wind systems?

_____ requirements that _____ to be _____ when _____ a grid-tied _____?

Any _____ is required for _____?

_____ is a _____ for incorporating _____ power _____ equipment.

Will I _____ consent to install the renewable _____?

Is _____ necessary _____ you to _____ installation _____ of _____ such _____ solar panels _____ wind turbines?

Is _____ necessary to _____ approval for _____ alternative _____ like _____ wind turbines?

_____ I _____ get _____ consent in _____ to install _____ energy _____ like solar _____?

Should prior authorization _____ installation _____ solar panel array and _____?

Should _____ seek _____ up renewable energy _____?

Is _____ for _____ setting _____ of renewable energy _____?

_____ approval required _____ installation _____ grid-tied inverters _____ renewable _____?

Is _____ for installing a _____?

_____ advisable _____ get authorization _____ up renewable energy _____?

_____ it _____ to install _____ like solar or _____?

Do _____ your _____ install a _____ solar turbine?

_____ or _____ need approval.

_____ setting _____ energy _____ authorization?

Is it _____ to ask permission before _____ alternative _____ such _____ panels and _____?

_____ for installing _____ of generation like solar panels, _____ grid-tied inverters and _____?

_____ of alternatively-powered _____ will _____ official _____.

Is it _____ me _____ consent to _____ energy solutions?

When _____ equipment such _____ Inverters, can you confirm _____ approval _____?

_____ it required _____ consent before _____ renewable systems?

Is setting _____ renewable _____?

_____ I need to _____ for consent before _____?

Are _____ required to _____ from _____ installation of _____ panels, wind _____ grid-tied inverters?

Procuring _____ is _____ for _____ renewables like solar/wind power _____.

_____ it necessary to get authorization _____ I install renewable _____ panels, _____ turbines _____ grid-tied _____?

What _____ we _____ for _____ panels?

Is it _____ for _____ to _____ wind turbines or solar _____?

Is it _____ us _____ permission to _____ inverters?

Installation _____ grid-tied _____ solar _____ approval.

_____ install _____ generation _____ such as solar panels _____ wind turbine?

_____ it required _____ installation of wind _____?

Would getting _____ required before _____ wind _____ or _____ eco-power units?

Is _____ solar/wind/ grid _____?

_____ necessary for _____ to get _____ from you _____ I _____ like _____ wind _____ or grid-tied _____?

Is _____ installation of _____ wind turbine, or grid-tied _____?

Is _____ for _____ sources of generation _____ solar _____ turbine, grid-tied _____?

_____ your consent _____ order to _____ any renewable _____ solutions?

I _____ know if _____ permit needed for setting up _____.

_____ have _____ permit when setting up renewable energy _____ like solar _____?

Can _____ me _____ if _____ need any _____ set up _____ inverters?

Can _____ me _____ I _____ to get _____ set up a _____?

Should we ask for _____ set up _____?

Do I _____ to get authorization _____ prior _____ the installation of _____ solar _____ grid-tied inverters?

Before introducing wind _____ eco-power _____ be necessary for _____?

It _____ for Alternatively-powered systems _____.

_____ the _____ of _____ solutions _____ formal approvals before being _____ action?

Do I _____ authorization _____ installing _____?

_____ I need _____ get your approval _____ or wind _____?

Do we have to _____ permission _____ grid _____?

Is _____ any _____ for _____ renewable _____?

_____ for _____ to get approval _____ stuff _____ solar panels?

_____ necessary _____ get permission _____ solar panels or _____ machines?

_____ need _____ to _____ a _____ turbine?

_____ they _____ up alternative energy _____?

_____ don't _____ if _____ approval _____ alternative generation _____ such _____ solar panels or _____ turbines.

Is _____ necessary that _____ approval _____ solar panels, wind _____ or _____ inverters?

_____ need to get permission to _____ panels, _____ turbine or _____ property?

Are you required _____ installation of _____ panels?

_____ I have _____ seek your _____ in order _____ energy _____?

_____ it necessary _____ me _____ get authorization _____ to _____ things such _____?

_____ it _____ to get approval to _____ alternative _____ generation _____ Solar _____?

Should we _____ for permission _____?

Is _____ inverters _____ installation?

Is _____ ok for me _____ alternative _____ sources, such as _____ panels _____?

Is the _____ of renewable _____ systems _____ for _____?

Should _____ ask for _____ to _____ solar panels, wind _____ grid-tied _____?

Installation _____ panels _____ grid-tied _____ approval.

_____ I _____ need your _____ to _____ up _____ or _____ turbine?

_____ you _____ wind turbine or solar panels?

_____ sources needs approval?

_____ I need your approval _____ install _____ turbine _____ grid-tied _____?

_____ for _____ to _____ authorization prior to _____ installation of _____ turbines, solar _____ or _____ inverters?

What _____ approval for _____ for _____?

Do I need _____ before _____?

_____ installing _____ sources, approval is _____?

Is it compulsory for me _____ your _____ install renewable _____ like solar _____?

Can _____ confirm whether _____ when _____ as Solar Panels/Wind Turbines?

_____ required _____ the installation of _____ sources of generation like _____ turbine, _____ grid-tied _____?

_____ permission _____ needed _____ order to _____ panels, _____ turbine, or grid-tied inverters _____?

_____ it necessary to get _____ putting _____ more _____ options?

Is _____ acceptance mandatory _____ alternatives?

Do _____ an OK if _____ such _____ solar/wind?

Is it necessary for _____ to _____ approval _____ sources, like solar _____ wind _____?

Is _____ me to get _____ from you before _____ renewables like _____ turbine _____ inverters?

_____ to install _____ turbines, solar panels, and _____.

Is _____ mandatory _____ the go-ahead _____ items _____ as windmills?

Is _____ a permit that needs _____ obtained _____ up _____ energy _____?

_____ required _____ the _____ of solar panels, _____ turbines, _____ grid-tied _____?

There _____ to _____ the installation _____ solar panels or grid _____.

_____ your _____ to install wind or solar _____?

_____ you _____ to _____ consent for _____ generation _____?

_____ prior authorization necessary for the _____ energy systems?

Is _____ necessary _____ permission _____ panels?

Is _____ for _____ solar _____?

_____ there _____ to _____ up _____ power generation systems?

_____ tell _____ if I need permission to setup alternative _____ grid-tied _____?

There is _____ installation _____ grid-tied or _____ power.

_____ setting _____ renewable energy _____ solar or wind, is _____ a _____?

Are _____ any demands _____ power generation systems?

Is it _____ for me to receive _____ you _____ renewables like solar _____ or grid-tied _____?

_____ have _____ ask _____ before installing _____ sources of generation _____ as solar _____ and _____ turbine?

Can _____ provide consent for _____ like _____?

_____ prior _____ required for the installation _____ energy _____?

Is _____ you _____ confirm _____ approval is needed when _____ equipment _____ solar panels, _____ grid-tied

Is _____ for _____ seek _____ before _____ renewable systems?

_____ required to _____ to _____ generation _____ such as solar panels?

Will _____ have _____ get permission from _____ renewable _____ solutions?

Is _____ to get approval _____ solar _____?

_____ necessary for me to _____ authorization _____ before _____ install renewable energy equipment like solar _____ wind _____

_____ you tell me _____ is necessary when _____ such _____ Panels.

It is necessary to _____ consent _____ solar/wind _____.

Do _____ need to _____ permission _____ place additional _____?

Is _____ necessary for you _____ approve the installation _____ wind _____?

_____ permission _____ for _____ installation of _____ panels?

_____ be _____ up with authorization?

The _____ of _____ need official _____.

Is it _____ to obtain _____ to put _____ panels _____?

_____ we _____ permission _____ install _____ and solar _____?

_____ is needed _____ turbine or _____ panels.

Is _____ get a permit _____ renewable _____ sources like solar _____?

_____ approval _____ for installing _____ sources _____ Solar panels?

Procuring consent is necessary _____.

Are there any requirements for _____ up wind _____?

_____ know if _____ need permission to _____ turbine or _____.

_____ required _____ set _____ energy Sources?

_____ using renewable sources, _____ you need _____?

Is official acceptance _____ incorporating _____?

Before the _____ of _____ solar _____ wind _____ or grid-tied inverters, _____ get _____ from _____?

Is it _____ for you to _____ that approval _____ required _____ equipment _____ Solar _____ Turbines/Grid _____

Does adding _____ recognition?

_____ one have _____ to set up _____?

_____ I need _____ obtain permission before _____ as grid-tied _____?

Will I _____ your _____ to _____ any _____ the renewable _____?

Does the introduction _____ solutions _____ renewables _____ on getting _____?

Is it a requirement to _____?

_____ know if I need _____ before installing _____.

_____ it necessary _____ get authorization to install _____ solar panels?

_____ is _____ for an OK _____ using _____ sources.

Do I _____ get _____ to install _____ generation sources _____ solar _____?

_____ it _____ me _____ your _____ to install solar _____ wind _____ grid-tied inverters?

_____ it _____ for me to _____ from _____ I _____ solar _____ wind turbine or grid-tied _____?

Is it _____ confirm that approval _____ needed when purchasing/installing equipment such _____ Turbines/Grid _____

Can _____ for _____ generation _____ like solar/wind?

_____ for me to _____ authorization from _____ prior _____ the installation of renewables like solar _____ inverters

Does adding a _____ to _____ before?

_____ I need _____ permission to _____ alternative _____ like solar panels _____?

Should I _____ authorization _____ you _____ solar panels, _____ turbines _____ grid-tied _____?

Is _____ necessary _____ someone to approve _____ installation _____ inverters?

Do I need to _____ consent _____?

The introduction of _____ other eco-power _____ consent.

_____ we _____ use _____ generation sources?

Do _____ for renewable generation _____?

Do _____ demand prior acknowledgement?

_____ would _____ prior acknowledgement?

_____ necessary _____ seek consent _____ renewable energy systems?

_____ sources of generation such _____ and wind turbine, is it necessary _____ permission?

Is it necessary for _____ for the installation of solar panels, _____ inverters?

Any _____ for _____ renewable _____?

Do I need to _____ to _____?

_____ necessary _____ me _____ get authorization from _____ to the _____ of wind _____ panels _____ grid-tied inverters?

_____ I _____ permission in order _____ install solar panels, _____ or grid-tied _____?

_____ adding solar/wind _____ prior _____?

Is _____ for _____ to approve _____ panels, wind turbine or _____?

_____ permission _____ before _____ wind turbine?

Does adding solar/wind _____ to _____?

_____ need permission _____ use _____?

_____ I have _____ get permission _____ generation _____ such as _____ panels?

_____ you have to _____ the _____ adding _____ such as _____?

Is it _____ for _____ to _____ your approval _____ panels, _____ turbines _____ grid-tied _____?

_____ necessary to _____ permission to _____ panels _____ an electricity _____?

_____ to have _____ permit to _____ sources like solar _____ wind?

_____ I _____ your approval to use alternative _____ or _____?

_____ to _____ authorization for putting in _____ additional generation _____?

Permission is _____ installing _____ turbine/solar _____

Is _____ permit required _____ renewable energy sources like _____ wind?

_____ you need _____ install _____ panels?

_____ inverters approved to _____?

_____ I have to _____ in order _____ energy solutions?

_____ it necessary _____ approval to _____ a grid _____?

_____ it _____ of _____ inverters used with renewable _____?

_____ need your consent _____ order _____ install _____ energy _____ like solar panels _____?

Do I _____ to _____ place additional generation options?

_____ for set _____ of alternative power _____ systems?

_____ to install _____ turbine, or grid-tied inverters _____ my property?

Can _____ tell _____ need permission _____ establish alternative energy _____?

_____ it _____ for you to _____ the _____ of _____ panels and _____?

_____ any requirement _____ solar _____?

_____ it _____ for my approval _____ install _____ like solar _____ wind turbine?

I want _____ if _____ need permission _____ alternative energy _____ as _____ inverters.

_____ adding _____ prior acknowledgement?

There _____ approval needed _____ install _____ solar panels.

_____ need permission _____ install solar _____?

Does anyone _____ there are _____ for _____ alternative power generation _____?

_____ you _____ to _____ generation _____ solar?

Will permission _____ in order _____ install _____ turbine, or _____ inverters on _____?

Is _____ your consent before _____ things _____ solar panels?

Is it necessary _____ me _____ authorization from you _____ renewable _____ panels, wind _____ grid-tied inverters?

_____ it necessary for _____ to _____ consent prior _____ installing wind _____?

_____ is _____ for _____ wind turbine/solar _____.

Is it necessary to _____ approval _____ installing _____ Panels/Wind _____?

Do I _____ consent _____ install solar _____ wind _____ grid-tied _____?

Is _____ required _____ to get _____ install _____ panels, wind turbine, or _____?

_____ I need permission to _____ panels, _____ turbines, or _____ tied _____ property?

Is it _____ for _____ to _____ alternative _____ sources _____ grid-tied _____?

Do I _____ your _____ to _____ solar _____ on my property?

I don't _____ if _____ need your _____ to _____ wind _____ grid-tied inverters.

Is _____ for installing _____ grid-tied _____?

Installation using _____ official _____.

_____ I have to _____ in order _____ install solar panels, _____ inverters?

_____ needed before the _____ of solar _____ wind _____ inverters.

_____ are _____ up wind and solar _____.

_____ permission be _____ installation of _____ turbines, or _____ inverters on _____ property?

Will _____ need _____ to _____ solar panels, _____ turbines, _____ grid-tied _____ on _____ property?

Is _____ for incorporating _____ energy _____?

Is _____ a _____ to _____ renewable sources _____ as _____?

_____ for _____ to seek consent _____ installing _____ systems?

Are _____ any rules regarding the _____?

I need to know _____ permission _____ set _____ alternative energy _____ such _____.

Should _____ ask for authorization when _____ renewable _____?

Do _____ permit to install _____ panels _____ wind _____?

_____ I have _____ get approval _____ installing _____?

_____ needed to install solar panels, _____ grid-tied _____.

_____ installation _____ alternatively-powered systems require _____.

_____ permission _____ to install solar _____ wind turbine _____ on my _____?

_____ get approval _____ installing gridtied inverters?

_____ need for _____ to _____ grid-tied _____ power.

_____ I need _____ to install renewable _____ solutions _____ solar _____ turbines?

_____ it _____ you to _____ the installation _____ alternative _____ like solar _____ and wind turbine?

Procuring _____ is a requirement _____ equipment.

Is approval _____ inverters?

_____ of wind turbine _____ eco-power _____ might _____ consent.

Does getting consent precede the introduction _____ other _____?

I _____ I need _____ install solar _____ turbine or grid-tied inverters.

Is it required _____ alternative _____ generation like _____ turbine, grid-tied inverters, _____?
_____ adding solar/wind/grid solutions _____?

Do _____ have _____ in additional generation options?
_____ I need to get _____ to _____ more _____?

Does _____ solar/wind/grid solutions have _____?
_____ it necessary to get prior _____ installation of _____?
_____ need _____ authorization before _____ install grid-tied inverters?

Will I _____ to _____ to _____ renewable energy _____ such as solar panels, _____ inverters?

Is _____ required _____ installation of alternative sources _____ generation _____ solar panels, _____ turbine, _____ _____?

Will _____ be necessary _____ to _____ solar panels, wind turbine _____ inverters on my _____?

Is it _____ approval _____ a _____ inverters?

Is _____ get _____ from the electricity supplier _____ using _____ panels _____ devices?
_____ you need _____ solar panels _____ grids?

Do solar _____ turbines, or _____ inverters _____?
_____ adding _____ need _____ approval?

_____ required _____ the installation of _____ energy _____.

Will _____ to _____ your consent before _____ solar _____ wind turbine?

Is _____ before introducing wind _____ eco-power Units?

Would _____ get approval to _____ energy sources?

Is _____ acceptance mandatory _____ alternatives?

_____ it necessary _____ get approval for installing _____ sources of _____ turbine?

Is it _____ us _____ seek permission before _____?

_____ introduction _____ depend on _____ approvals?
