

[Demo] NLP Dataset for Customer Service Automation

Company Type	Natural Gas Companies
Inquiry Category	Troubleshooting gas-related equipment
Inquiry Sub-Category	Gas Meter Accuracy
Description	Customer inquiries regarding concerns or disputes related to gas meter readings, accuracy, or billing discrepancies, seeking clarification, and assistance in resolving any issues.
Data Size	5,021 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Natural Gas Company" customer inquiry. (Purchased data will not be masked.)

Are ____ any ____ gas meter ____ provide incorrect ____ or ____ faulty over ____?

Is there a ____ why ____ metering ____ and ____ it more problematic ____?

What ____ inaccuracies ____ gas ____ time?

____ you ____ gas metering can provide incorrect ____ or ____ over ____ of ____?

Any ____ for ____ meter ____ working?

Do gas ____ have ____?

____ is ____ bad ____ happen ____ gas meters?

What causes problems ____ over ____?

____ a ____ due to ____ issues over time?

____ the ____ meters be ____ time?

Is ____ reason why a gas ____ accuracy ____ deteriorated ____?

Is ____ other reason ____ gas ____ turn faulty over ____?

What are ____ behind ____ meter ____?

____ it ____ gas meters may give inaccurate ____ age?

____ a ____ of ____ the gas ____ may give ____ or turn faulty.

____ time what causes inaccuracies ____?

Is there ____ reason ____ readings?

Are the ____ errors ____ same?

____ you ____ gas metering can ____ and make it ____ over ____?

Do you have ____ ideas ____ gas ____ to malfunction ____?

Over time, what ____ the ____ of ____ malfunctioning?

faulty gas ____?

____ would like ____ why ____ meter ____ give incorrect ____ long-term.

What ____ the typical causes ____ meter ____ be ____?

____ are ____ the normal causes of ____ malfunctioning?

____ gas meters have ____?

____ gas meter troubles?

____ gas meters provide incorrect ____?

____ know of a reason ____ metering ____ incorrect ____ and make ____ problematic?

Do _____ for _____ errors exist?

Should there _____ standard issues that may _____ meter _____?

There _____ some _____ contribute _____ faulty gas meter _____.

_____ readings for gas meters?

_____ meter _____ provide _____ readings or become _____ time.

What are the _____ causes _____ for gas _____?

Is there _____ cause of the gas meter _____?

_____ it _____ that gas meters give inaccurate _____ get _____?

_____ gas meters readings?

_____ gas meter readings.

Is _____ any _____ for _____ meter readings?

What _____ causes _____ a _____ becoming faulty?

_____ a _____ reason behind gas _____?

I wonder _____ explanations _____ gas _____ readings over time.

As _____ meters _____ do they _____ readings _____ break?

_____ are some _____ reasons behind _____?

Common _____ could result _____ an _____ over time.

_____ a gas _____ unreliable?

_____ might be _____ cause _____ of a gas meter?

_____ fault in _____ gas meters?

Can gas _____ bad _____?

_____ time, _____ there regular explanations _____ flawed gas _____?

_____ know _____ metering can provide incorrect readings and _____ it _____ the _____ term?

Any common _____ gas _____?

_____ there _____ common _____ wrong readings on _____ gasmeter?

_____ you know _____ gas _____ readings and make _____ problematic _____ time?

Is there _____ a gas _____ start giving incorrect _____?

There _____ things that _____ gas _____ bad.

Do you _____ causes of incorrect readings _____?

Is _____ mistakes _____ in _____ gases over time?

_____ some of _____ usual causes of a gas _____?

What _____ inaccurate _____ time?

_____ be _____ cause of inaccurate gas _____ data?

Can _____ tell me _____ meter has _____?

Could you _____ why a gas _____ accuracy _____?

_____ you _____ why gas _____ can give _____ readings and _____?

_____ you have _____ the gas meters _____ me _____ and faults?

_____ you _____ an explanation _____ why _____ metering _____ give _____ readings _____ it more _____?

Why does that gas meter _____ you _____?

There are any common _____ readings

What are some _____ the _____ for _____ gas _____ malfunction?

_____ common _____ gas _____ to have _____ readings?

_____ causing _____ meter readings to _____?

_____ you know why gas metering _____ provide _____ and _____ more problematic _____?

Is there _____ chance that _____ faulty _____ time?

There is _____ chance _____ giving incorrect _____ becoming faulty _____ time.

There _____ for gas meter _____.

Any known _____ causing gas _____ to _____?

Why _____ a gas _____ give _____ over _____?

Is _____ a reason why _____ meters _____?

What are _____ why _____ gas _____ may _____ time?
 _____ there a common cause of _____ meter _____ readings _____?
 _____ inaccurate gas meter data?
 Is _____ gas _____ to malfunction over time?
 Is _____ a _____ for flawed _____ meter _____?
 _____ of _____ known issues _____ faulty _____ readings?
 Is _____ cause _____ meter not reading right?
 _____ reason _____ metering can give incorrect _____ and _____ it _____ problematic?
 _____ gas meter _____ bad readings, _____?
 Is _____ a common _____ gas _____?
 _____ might _____ the _____ meter _____ malfunction _____?
 _____ are _____ causes _____ a gas meter _____ faulty?
 _____ metering give incorrect _____ and _____ it more problematic _____?
 Is _____ to _____ potential _____ to a _____ meter's _____ degradation?
 _____ there a way _____ explain flawed _____ time?
 There _____ things that can cause _____ to malfunction _____.
 _____ are _____ common _____ why _____ meter isn't _____ right?
 There _____ reasons a _____ bad.
 _____ there a possible _____ a gas _____ accuracy _____ over _____?
 _____ common _____ behind _____ gas _____?
 _____ common _____ faulty gas meters?
 What _____ a _____ gas _____?
 What _____ meters over _____?
 Do you _____ regular _____ for _____ gas meters?
 Common _____ for _____ meter _____?
 _____ known causes _____ gas meter _____.
 _____ some _____ in gas meters
 Is it _____ typical causes of inaccurate _____?
 _____ your gas _____ give you _____ the course _____ time?
 _____ there _____ reason _____ a gas _____ to _____?
 Cause _____ faulty _____ meters?
 Is _____ cause of _____ gas _____ giving bad _____?
 Why _____ a gas meter provide incorrect _____ or _____?
 Is _____ a reason why _____ might _____?
 Common _____ be _____ cause of _____ faulty _____ meter.
 _____ common _____ of _____ readings _____ gas meter exist?
 _____ time _____ gas meters to _____?
 _____ there _____ reason for the _____ of _____ gas _____ worse?
 _____ there _____ cause _____ the gas meter not _____?
 _____ any standard issues _____ may cause _____ gas _____ trouble?
 _____ years, _____ common _____ cause _____ faulty or inaccurate _____ meter?
 What are some of _____ most _____ faulty _____ readings?
 _____ gas meter _____ readings, is there a _____?
 _____ there _____ common cause of the _____?
 _____ know _____ metering _____ give _____ readings and _____ it more troublesome _____ time?
 What _____ usual _____ a gas meter _____?
 Is _____ possible to _____ incorrect readings on gas _____?
 _____ gas meters may give inaccurate _____ they age?
 There _____ reasons _____ failures.
 _____ gas _____ to have _____ readings?

_____ cause your gas meter to _____ go _____?

Common _____ affect the gas _____.

What factors are leading _____ degradation over _____?

Is it _____ that _____ are leading _____ a _____ deterioration?

Is there _____ a gas _____ eventually?

Do _____ about _____ gas _____ can malfunction over _____?

_____ are the reasons for a gas _____?

_____ possible that gas metering _____ provide incorrect _____ more problematic over _____?

_____ they age, _____ meters occasionally _____ readings?

_____ gas _____ faulty _____ time?

_____ are _____ reasons _____ a bad _____?

_____ are _____ usual _____ for gas meter _____ discrepancies?

_____ happen with gas _____?

_____ there any _____ cause my gas _____ to malfunction?

_____ you _____ why gas metering _____ wrong _____ and _____ it _____ problematic over _____?

Any possible causes _____ gas _____?

Why _____ meter errors _____?

_____ common cause of _____ with the _____ meter?

_____ things _____ can _____ to _____ gas meter readings.

There are any _____ causes _____ faulty _____?

_____ a _____ the _____ of a gas _____ get worse _____ time?

_____ be typical causes of _____.

What factors _____ a gas meter's _____ over _____?

Is _____ a _____ cause of _____ meter _____ faulty _____ time?

_____ is _____ question of _____ is _____ cause of the _____ giving incorrect _____.

What _____ the _____ gas meter errors?

What factors can _____ meter _____ unreliable?

_____ gas meter to _____ over time.

_____ gas _____ provide inaccurate measurements?

_____ faulty or _____ meter may _____ result of common _____.

_____ usual explanations _____ gas meters _____?

Do you _____ why _____ can provide _____ that _____ it more _____?

What _____ cause _____ meter to _____ lot?

Are _____ standard issues _____ could _____ my _____ meter to _____?

_____ there a _____ or _____ gas meter over time?

_____ possible _____ a gas meter will give _____?

Is it possible that _____ get _____ with _____?

What are the _____ malfunctioning _____?

_____ common _____ gas meter errors?

Is _____ common _____ meter failing or giving incorrect _____?

What causes the _____ to give incorrect readings _____?

Do you know _____ causes _____ to _____ incorrect _____ make _____ faulty in _____ long _____?

I'm _____ a gas meter _____ start giving _____.

_____ gas meters _____ get faulty _____ time.

Do you _____ why gas _____ can _____ readings and/or _____?

_____ it possible that _____ may _____ incorrect _____ time passing?

Is there any _____ issues that _____ flawed _____?

Is _____ any _____ reason _____ a _____ meter to _____?

Do you know why _____ keep showing _____?

_____ why _____ can give incorrect _____ and/ or _____ malfunctioning over _____?

_____ common _____ for _____ problems?

Is it _____ for something to _____ when _____ time?

What _____ the most _____ causes for _____ meter _____ over _____?

What causes _____ gas _____ to _____ screw up?

_____ gas meters often _____?

What _____ the most _____ reasons why _____ can _____ unreliable?

_____ gas meters to be inaccurate?

There _____ be some common _____ gas _____.

With _____ can gas _____?

_____ it _____ to arise in measuring _____ time?

Common _____ result in _____ gas meter over _____.

_____ could cause a faulty or _____ gas _____.

Over time, _____ inaccuracies?

Is _____ a _____ accuracy of _____ meter _____ degrade over time?

_____ time what _____ gas _____?

_____ is _____ of _____ gas meter _____ over time.

_____ there _____ reason the gas meter _____ over _____?

_____ be a common reason for faulty _____.

_____ a _____ meter malfunction over _____?

Do _____ know why _____ metering _____ and cause _____ fail _____ the long term?

Is _____ a _____ provide incorrect readings _____ it faulty?

_____ are the causes _____ a _____ meter _____ over _____?

_____ gas meter _____ malfunction over time?

Are there any standard _____ meter to _____ malfunctioning?

_____ cause of the _____ meter _____ incorrect readings?

Is it possible that _____ meters _____?

There are reasons why _____.

_____ you know why _____ metering _____ and make _____ useless in _____ term?

I _____ wondering _____ meter _____ give incorrect measurements for _____ time.

There may _____ explanations _____ flawed gas _____ over _____.

Do _____ know _____ gas _____ give _____ readings and/or _____ a _____ months?

What _____ inaccuracies _____ time _____ meters?

_____ causes your gas meter _____ go bad with _____?

_____ possible that a _____ meter _____ incorrect _____ a while?

Is there _____ common cause _____ gas _____?

_____ there _____ reason _____ can _____ incorrect _____ or become malfunctioning over _____?

_____ issues could lead _____ a _____ gas meter over _____.

_____ be some common _____ meters' accuracy.

_____ there any _____ readings on _____ gas meter?

What _____ some _____ reasons _____ a gas _____ may _____ time?

_____ issues could cause _____ gas _____ to malfunction _____.

Any common _____ meter readings?

Potential factors that _____ a gas _____ degrading over _____?

_____ there regular _____ for _____ flawed _____?

_____ is _____ of _____ there is _____ cause of wrong _____ gas meter.

_____ causes inaccuracies _____ time _____ meters?

What _____ the _____ gas _____ accuracy?

A _____ incorrect readings or _____ over time.

Does _____ get _____ time?

_____ can _____ a _____ malfunction over time?

_____ be _____ cause of the wrong _____ on _____ meter.

_____ there a _____ incorrect readings on _____ gas _____?

Do _____ why gas _____ readings _____ make it _____ in the _____ term?

_____ gas _____ screw _____ or _____ bad with time?

What are the _____ gas _____ may malfunction in _____ run?

_____ may _____ of the _____ meter giving incorrect readings _____ becoming faulty _____.

Is there a _____ a gas _____ give _____?

Why _____ meters _____ wrong _____?

Common _____ could result _____ inaccurate gas meter.

_____ reason that gas metering _____ incorrect _____ and _____ it _____ problematic?

_____ common causes _____ gas meter _____?

The gas meter _____ or _____ may _____ over time.

There _____ that _____ meter could _____ over time.

_____ it _____ for errors _____ to _____ over time?

Is _____ possible _____ some _____ to _____ measuring gases over _____?

Is there a reason for _____ meter?

Is it _____ to _____ wrong _____ gases over time?

Do you have any _____ malfunction _____ time?

Reasons _____ gas _____ readings?

_____ common _____ for gas meter _____?

Is _____ there _____ causes of inaccurate _____ meter _____?

_____ there any _____ of _____ meter _____?

What _____ error in _____ gas meter _____ time?

There are _____ factors that _____ a _____ to _____ readings.

Is _____ a cause _____ meters?

_____ of _____ causes _____ a gas meter malfunctioning?

_____ you _____ any ideas about _____ metering _____ malfunction _____ time?

Gas meters can provide _____ over _____.

_____ are _____ why gas _____ faulty.

There may be _____ of the _____ meter giving incorrect _____ over _____.

Is it _____ could result _____ faulty gas meter?

_____ could a _____ meter's _____ degrade _____?

_____ are the _____ causes for a _____ malfunction?

There _____ common _____ for wrong _____ on _____ gas meter.

_____ you _____ can _____ readings and make it more _____ over time?

_____ reason that gas metering _____ incorrect readings _____ become _____?

_____ you _____ any _____ gas metering can cause problems _____?

A _____ gas meter _____ be _____ of _____ over time.

_____ you know _____ gas metering _____ readings _____ it more _____?

_____ do _____ meters _____ unreliable _____?

What _____ the common _____ why a _____ will _____?

Is _____ a common cause of _____ gas _____ over _____?

_____ causes _____ to _____ unreliable _____ time?

Do _____ know _____ gas _____ can _____ readings?

_____ there _____ common cause for incorrect _____ on _____?

Is _____ possible reason _____ accuracy degradation over time?

What _____ common _____ why a gas meter _____?

Is there a _____ to _____ potential _____ that _____ a gas _____?

Is _____ a _____ for _____ meter flaws?

_____ could be regular _____ flawed _____ readings _____ time.

What might _____ a _____ malfunction more than _____?
 Do _____ an _____ as to _____ gas metering _____ provide incorrect _____ and _____ problematic?
 What causes problems over _____?
 _____ are _____ reasons why _____ meter _____ malfunction _____ time?
 _____ factors can cause _____ on _____ gas _____?
 _____ are _____ reasons _____ meter troubles?
 _____ a common cause of wrong readings _____?
 _____ may be a common _____ meter _____ faulty.
 _____ reasons behind _____ malfunctioning?
 What _____ a gas _____ may _____ or provide _____ readings?
 _____ reason why _____ gas _____ accuracy _____ over time?
 Does gas _____ sometimes _____ readings _____ they _____?
 Is there _____ reason for _____?
 Is _____ possible for _____ meter to _____ over _____?
 _____ there _____ gas meter troubles?
 Is _____ common _____ faulty gas _____?
 Common _____ flawed gas meter over _____.
 _____ cause _____ wrong readings on _____ gas meter.
 Is _____ a _____ inaccurate gas meter _____.
 Why does gas _____ have _____?
 There can _____ faulty _____.
 _____ possible that _____ meters _____ faulty _____ time?
 _____ a gas _____ to malfunction or _____?
 _____ understand _____ gas _____ can _____ readings _____ make it more problematic?
 _____ to _____ why a gas _____ giving _____ readings for _____ long time.
 _____ there _____ a gas meter _____ giving _____ readings?
 Why do _____ to _____ readings?
 _____ gas meter readings?
 _____ some common _____ gas _____ problems?
 Is there _____ fault _____ accuracy?
 What are the _____ gas meter failing over _____?
 _____ possible that _____ gas _____ might _____ wrong readings with _____?
 Was there a _____ meter's _____ deteriorated over _____?
 _____ causes _____ gas _____ go bad _____ time?
 _____ there an _____ flawed readings by the _____ time?
 _____ meters sometimes give _____ readings as _____?
 There _____ factors _____ gas meter readings.
 _____ behind _____ meter troubles?
 _____ lead to a _____ gas meter _____.
 What may _____ a _____ malfunction _____?
 _____ know _____ gas metering can _____ inaccurate readings _____ time?
 _____ any _____ gas meter accuracy?
 _____ problems with _____ meter?
 Do you know what _____ to _____ and/or malfunctioning?
 There _____ potential factors _____ lead to a gas _____.
 There _____ the gas meter _____ malfunctioning _____ course of time.
 _____ be _____ causes for inaccurate _____ data.
 _____ a gas _____ to _____ many times?
 _____ that _____ gas meter gives _____ over time?
 _____ there any _____ why a gas _____ accuracy _____ time?

Can _____ me _____ gas meter _____ always right?

The gas _____ with time.

_____ there a _____ why _____ meter might _____ readings over _____?

_____ there _____ standard _____ that might cause _____ gas _____ trouble?

_____ reason why _____ can provide incorrect _____ in the _____ run?

What could be the _____ inaccurate _____?

What _____ malfunction or _____ of a gas _____?

There may be _____ cause _____ readings _____ a gas _____.

What _____ causes for a _____ meter _____ malfunction over _____?

_____ a common _____ of _____ on _____ gas meter?

What are _____ a _____ gas _____?

_____ are _____ common reasons _____ gas _____?

_____ the reasons why a gas meter may give _____?

_____ you know _____ gas meters can _____ incorrect _____ become malfunctioning _____?

Is _____ gas _____ giving incorrect readings or _____?

_____ you know _____ reason _____ gas metering _____ provide _____ readings and make _____ problematic over _____?

_____ gas meter malfunctioning?

_____ there _____ common cause of _____ gas _____ getting _____?

_____ some of _____ reasons a _____ might malfunction?

What _____ common reasons why _____ meter will malfunction _____?

_____ bad readings _____ your gas meter _____ time?

_____ time, what causes _____ malfunction?

Do _____ know why _____ gas _____ degrades _____ time?

_____ causes for incorrect readings _____ meters?

_____ gas meter may _____ incorrect _____ faulty _____ time.

_____ factors that contribute to faulty _____ gas _____.

_____ are _____ most _____ for a faulty _____ reading?

_____ common cause _____ on a _____ meter?

_____ time are _____ for _____ gas meter measurements?

_____ faulty _____ gas meter might _____ result of _____ issues.

_____ meter to malfunction occasionally?

Common _____ could _____ incorrect gas _____ over time.

Is _____ a regular explanation _____ over time?

_____ you know _____ gas metering can give _____ it unreliable _____ term?

_____ causes for _____ meter readings?

Is there _____ flawed readings by the gas _____?

_____ it possible _____ in measuring gases _____ time?

_____ for gas meter _____?

What are the _____ gas meter becoming malfunctioning _____?

Do you know what causes _____ make _____ in _____ long _____?

Are there _____ possible _____ measuring _____ over _____?

Is _____ a _____ cause _____ meter _____ readings _____ faulty over time?

Is it a common _____ of _____ not _____?

Are there _____ common cause of _____ giving _____?

Do _____ gas meters _____ sending me false _____ and _____?

Why does your _____ meter screw _____?

_____ the common causes of faulty _____?

_____ be some common reasons _____ meter _____.

_____ factors _____ to a gas _____ accuracy degradation _____?

There are _____ contribute _____ a _____ meter's faulty _____.

What ____ the common ____ for malfunctioning or ____ ____ ____ ?

What are the ____ that cause ____ meter ____ over ____ ?

____ you aware ____ provide ____ readings and make it ____ problematic?

____ there a lot of ____ causes for ____ meters?

____ are ____ can give ____ or turn faulty over time.

There ____ factors ____ to ____ gas meter's accuracy degrading ____ .

____ issues with ____ in gas ____ ?

____ any other common cause ____ the gas ____ ?

I ____ there are regular ____ for ____ measurements.

There ____ for gas ____

There are any ____ issues ____ meter ____ ?

Is ____ reason ____ a gas meter's ____ decline ____ ?

____ you ____ metering can ____ incorrect ____ make ____ in the long run?

Any ____ reasons for ____ gas ____ ?

____ common ____ gas ____ give incorrect readings over the ____ time?

Is there ____ reason ____ gas ____ turn faulty?

____ factors that might ____ a ____ meter's ____ degrading ____ time?

____ you ____ gas metering ____ provide ____ readings, ____ it faulty in the ____ ?

Why does your gas ____ readings over ____ ?

____ are some ____ gas ____ errors

Are ____ any other reasons ____ meter ____ malfunction ____ ?

____ it ____ your ____ meter gives ____ readings ____ time?

What ____ cause ____ readings in ____ ?

____ typical causes of inaccurate gas ____ ?

____ there a ____ why gas metering ____ incorrect ____ and ____ in the long ____ ?

Why can ____ bad readings?

Common ____ could ____ meter ____ be faulty ____ time.

There are ____ contribute ____ gas meter readings.

____ any ____ faults ____ gas meters?

____ it ____ metering ____ give ____ readings and make ____ more problematic?

Gas metering ____ provide incorrect ____ and/or become ____ .

____ that gas metering can cause ____ over ____ time?

____ there ____ regular explanation ____ flawed readings ____ meter.

Is there any ____ cause ____ ?

Is there ____ inaccurate ____ metering data?

Is ____ reason why ____ decline over time?

Is ____ possible ____ gas ____ could start giving ____ ?

Why do ____ meters sometimes ____ ?

How ____ you explain ____ factors ____ lead to ____ accuracy ____ ?

____ the ____ meter could happen ____ .

____ you ____ why gas metering can give inaccurate ____ make ____ ?

____ meters sometimes have ____ as they ____ ?

Why ____ meter give bad readings ____ ?

____ may result ____ faulty gas meter over ____ .

____ is ____ question ____ there is ____ common ____ of ____ on ____ gas meter.

Is ____ possible to ____ factors ____ to a gas ____ ?

____ meter may ____ readings or ____ over time.

What are some common ____ ?

Any ____ that may ____ gas ____ readings?

____ it ____ are leading ____ a ____ accuracy decline over time?

_____ factors that _____ faulty gas meter _____

Do you _____ of _____ why _____ can give _____ readings?

Why _____ your _____ bad readings over time?

Is _____ a regular _____ gas meter _____?

_____ for _____ to arise in _____ gases over _____?

_____ readings happen with _____ meters.

_____ there _____ explanation _____ flawed _____ meters over time?

Common _____ for faulty _____ time?

Any issues _____ may have _____ gas _____?

_____ behind _____ meter _____ failures?

_____ there a reason _____ a _____ over time?

Is it _____ for _____ meters _____ faulty in _____?

_____ are the _____ why _____ gas meter _____ the long run?

What _____ the usual _____ a gas meter _____?

_____ there any _____ faults in _____?

Is _____ a _____ gas meter malfunctioning?

_____ are _____ most common _____ for _____ gas meter _____ time?

Is there _____ a wrong _____ meter reading?

_____ meters _____ inaccurate _____ they age?

_____ it _____ there will _____ mistakes in _____ over time?

I don't know _____ regular explanations for flawed _____.

What are the usual _____ a _____ malfunctioning?

_____ there any _____ a gas _____ might malfunction?

_____ there a _____ for _____ to degrade over time?

_____ there causes _____ on _____ meters?

Can _____ meters _____ faulty _____?

_____ meter _____ years could be caused _____ common issues.

_____ gas meter can _____ incorrect readings _____ over _____ course of _____.

_____ are _____ issues _____ meter accuracy?

_____ you _____ causes _____ to give _____ readings _____ become malfunctioning?

Is there _____ way to _____ that _____ to a _____ meter's _____?

There is a _____ the gas _____ readings _____ becomes faulty _____.

Do _____ have a _____ gas _____ keeps messing _____?

Common issues _____ cause a _____ meter over _____.

Is _____ possible that there would _____ errors in _____?

Is a _____ by common _____ over _____ years?

_____ the _____ behind _____ meter malfunctioning?

_____ a _____ meter to _____ often?

Is it possible that factors _____ meter's _____ deterioration _____?

Is _____ possible that _____ meters give inaccurate _____?

_____ gas _____ have _____ readings _____ time?

What _____ the _____ reasons _____ meter malfunction _____ incorrect readings?

_____ know what _____ metering _____ incorrect readings or _____ malfunctioning over _____?

_____ you know any _____ for faulty gas _____?

Do _____ metering can give _____ readings and _____ to malfunction _____ the _____?

_____ there _____ common cause _____ meter _____?

_____ meter errors _____ have _____ common _____.

There is _____ chance _____ the _____ meter _____ give incorrect _____ faulty _____ time.

_____ you have _____ why _____ metering _____ malfunction or _____ incorrect readings?

_____ know what _____ to provide incorrect readings _____ over time?

Why does a _____ meter _____ or _____ faulty over _____?

_____ discrepancies _____ gas _____ over time?

_____ an explanation _____ metering can provide incorrect _____ and _____ more _____ over time?

Any _____ cause faulty gas _____?

Any causes for _____?

_____ reasons for gas _____?

Are _____ common _____ with gas _____?

_____ any _____ of why gas _____ can malfunction _____ time?

Do _____ know why gas _____ can _____ more _____ the _____ time?

_____ causes _____ metering to give incorrect readings _____ the _____ run?

_____ are _____ causes for _____ gas _____ to malfunction?

What _____ why a _____ can _____ over time?

_____ know _____ usual _____ for discrepancies _____ meter readings?

What causes _____ meter to malfunction _____ with _____?

A _____ incorrect readings _____ become _____ in the long _____.

_____ you know _____ your _____ keep _____ giving you false _____ faults?

_____ any _____ causes for _____ gas _____ readings?

Is _____ cause of incorrect _____ the gas _____.

_____ time your _____ you bad readings, why?

Do you know why _____ meters _____ showing _____ fault?

There _____ that _____ cause a _____ gas _____.

_____ you _____ the gas meter _____ give incorrect _____ faulty?

Some _____ a _____ or inaccurate _____ meter.

Do _____ know _____ causes gas _____ in the long term?

Any _____ reasons for _____ meter _____?

What are _____ of _____ causes of a _____ meter _____?

_____ possible that _____ metering _____ provide _____ and make it _____ the _____ term?

_____ meters _____ give unreliable _____ as they _____?

_____ you think _____ gas _____ can _____ time?

_____ metering can provide incorrect readings _____ make it _____ problematic?

_____ are _____ usual _____ for _____ meter malfunction?

Is the _____ meter prone _____ incorrect readings _____ turning _____?

_____ know why gas _____ can give _____ readings _____ become _____?

Reasons for _____ meter?

Any _____ reasons for the _____?

What _____ usual reasons for a _____ meter _____ time?

_____ there _____ for a _____ meter's _____ becoming worse _____ time?

Possible _____ behind _____ troubles.

What _____ the _____ causes of _____ meters' _____?

Is _____ a common _____ incorrect readings _____ gas meter.

_____ gas meter's _____ going to degrade over time?

_____ why a _____ meter might _____ incorrect readings long-term.

I'm _____ why a gas _____ might _____ incorrect measurements _____.

Do you know _____ gas _____ incorrect _____ malfunction _____ months?

Do you _____ a _____ gas metering can provide incorrect _____?

_____ there _____ a gas _____ malfunction?

I'm wondering _____ gas meter _____ incorrect _____ long run.

_____ there any _____ of _____ meters?

_____ are a _____ the _____ meter may _____ incorrect _____ or malfunction.

_____ be _____ for incorrect readings _____ gas meters?

_____ gas _____ be _____ time?

_____ meter readings common?

Why _____ gas meters _____?

_____ you know _____ gas metering _____ readings _____ become malfunctioning _____ time.

What could _____ meter _____ frequently?

Do _____ why gas metering _____ give incorrect _____ and _____ it _____?

Is _____ for _____ give incorrect _____ become faulty over time?

Do _____ gas _____ can _____ incorrect readings or _____ malfunctioning?

_____ for flawed gas meter _____ over _____.

Have _____ standard _____ that might cause _____ to malfunction?

_____ there regular _____ for flawed _____?

_____ there a common cause _____ gas _____ faulty?

_____ are the _____ for _____ meter _____?

Do _____ any thoughts _____ gas _____ provide incorrect readings and _____ it _____?

Do you have any _____ gas metering can _____ time?

Why do _____ meters _____?

_____ or _____ gas meter caused by _____ issues _____ the _____?

Is there _____ of _____ faulty _____ meter _____ years?

Do _____ why gas metering can _____ readings _____ cause _____ to _____ faulty _____ the _____ term?

_____ are _____ common causes of faulty _____.

_____ is a chance the _____ turn faulty over time.

_____ it _____ that a _____ might give incorrect _____?

What are the causes _____ gas _____ is _____ time?

_____ a common _____ gas meter not _____ right?

_____ gas _____ age _____ and give _____?

_____ causes of _____ malfunctioning?

What causes _____ errors _____?

_____ you _____ meter keeps malfunctioning?

A _____ or inaccurate gas _____ could _____ common _____.

_____ factors _____ a _____ faulty gas _____ readings?

_____ standard issues that _____ cause _____ meter problems?

Could _____ tell _____ why a _____ degrades over _____?

_____ there any frequent causes of _____ readings _____?

_____ know why _____ can _____ incorrect readings _____ become malfunctioning.

_____ know why gas _____ can _____ incorrect _____ the long _____?

What _____ meter's accuracy _____ degrade over _____?

Do you know why _____ meters _____ make it _____ problematic?

Is a _____ cause _____ wrong _____ on _____?

_____ there a reason why gas metering _____ readings _____?

_____ issues _____ might cause _____ readings?

_____ you _____ why gas _____ provide incorrect _____ malfunction over _____?

_____ get faulty over _____.

_____ common _____ a faulty _____ inaccurate _____ over time?

_____ meter malfunction _____ time?

Is there _____ gas metering _____ readings _____ it more problematic?

_____ there any chance of _____ or inaccurate _____ time?

_____ a reason for _____ faulty gas _____?

Can you _____ the gas _____ gets _____ up?

The causes _____ inaccurate _____ could be _____.

Is _____ gas _____ a _____?

Is it _____ errors to arise in _____?

There _____ a number of reasons _____ may _____ readings _____ faulty.

A _____ incorrect readings _____ become _____ in the long _____.

_____ the causes of a _____?

_____ any known _____ gas _____ readings?

_____ prone to give inaccurate readings as _____?

Is _____ gas metering _____ provide incorrect readings or _____ over _____?

_____ any _____ why _____ can _____ and make it more _____ over time?

_____ may _____ regular _____ flawed gas _____ over time.

_____ know why _____ metering _____ make it faulty _____ the long term?

_____ there _____ way to _____ a gas meter's _____ degrading?

_____ the usual _____ for _____ meter _____?

Do you _____ causes gas _____ incorrect readings _____ become malfunctioning over _____ of _____?

_____ do _____ meters _____ readings?

_____ might _____ common fault _____ meters.

The gas _____ gives _____ readings _____ time, is there _____?

There _____ chance that _____ meter _____ give _____ turn faulty over time.

With _____ can _____ faulty?

Do _____ that gas metering _____ give _____ make it more problematic _____?

Common _____ lead to a faulty or _____.

What are the _____ of _____ meter _____ over _____.

Is there _____ for the _____ gas _____?

Do you know why _____ coming _____ with false _____?

Do you know _____ gas _____ over _____?

_____ a common cause _____ gas _____?

_____ are the factors _____ a _____ meter to _____ time?

Is there _____ to _____ potential _____ lead _____ a gas _____ degrading over _____?

_____ you _____ gas metering can _____ more problematic over time?

_____ any _____ of why _____ can give incorrect _____ in _____ long run?

_____ you know that _____ meter _____ go _____ with _____?

_____ does a gas meter _____?

Is _____ for gas meter _____?

Is _____ your _____ meter goes bad _____ time?

Do _____ have _____ clue why the gas _____ keep _____ and _____?

_____ the _____ why _____ metering can _____ readings and/or _____ malfunctioning _____ time?

_____ have _____ can make it more problematic over time?

_____ there _____ reason why _____ metering can provide _____ it _____ over time?

_____ it _____ that _____ gas _____ displays wrong readings with _____?

_____ there _____ for errors _____ arise in _____ gases over _____?

What could _____ meter to _____ time?

Is it _____ gas _____ give _____ as _____ age?

Can there _____ regular _____ flawed gas _____?

_____ you _____ metering can give _____ readings _____ become malfunctioning _____ time.

_____ for gas _____ accuracy issues?

_____ causes bad _____ gas _____?

_____ causes _____ faulty _____ readings?

_____ meters _____ over time?

_____ may _____ regular _____ flawed _____ meter measurements.

There could be normal _____ data.

_____ gas _____ faulty with time.

_____ it possible that _____ can _____ to _____ gas meter's _____ time?

_____ it possible for gas _____ to _____ with _____?

Is there _____ why _____ can provide _____ readings _____ malfunctioning?

_____ think _____ are frequent _____ incorrect readings _____ gas meters?

Is there _____ known _____ that can _____ faulty _____?

_____ you tell me why _____ gas _____ over time?

What _____ a _____ with _____ meter over time?

_____ there _____ cause of wrong _____ on the _____.

_____ there any _____ that _____ lead to _____ meter's accuracy _____ time?

What _____ the _____ for _____ issues?

_____ the _____ reasons for _____ mistakes?

What are _____ of a gas meter _____ malfunctioning _____?

Are there any _____ metering _____ malfunction in a matter of _____?

_____ might _____ wrong with a _____ over _____.

What is _____ for _____ meters _____?

Do you know _____ incorrect gas meters?

_____ it _____ for _____ to _____ over time _____ gases?

Is _____ a _____ explanation _____ by _____ gas meter?

There _____ be a _____ of the _____ meter giving _____ readings _____.

Is there _____ reason _____ gas _____ can provide _____ and cause _____ to _____ faulty _____ term?

What _____ common reasons _____ gas meter _____ malfunction?

Is there _____ cause _____ readings _____ the _____ meter?

_____ would like _____ know why a gas _____ over time.

_____ have _____ of why gas _____ malfunction over _____ of time?

_____ are reasons the _____ bad?

What _____ the common _____ a _____ meter _____?

_____ there anything that _____ a _____?

_____ a _____ cause for incorrect _____ gas meters.

_____ common reasons _____ gas _____ errors.

_____ a _____ to be malfunctioning over time.

What factors _____ involved _____ readings?

_____ know why _____ can _____ incorrect readings or _____?

_____ there a common cause of _____ on _____

_____ reasons _____ faulty _____ meters?

Is _____ a regular explanation for _____?

What are _____ gas meter _____?

_____ there _____ common _____ of faulty or _____ gas _____?

_____ think _____ metering can _____ readings _____ malfunctioning over the course of _____?

Is there any _____ that might _____ my _____ malfunctioning?

_____ there _____ issues _____ the _____ meter?

_____ the _____ causes of a _____ malfunction?

Is _____ gas meters to _____ incorrect readings _____ they _____?

Do _____ know _____ gas _____ incorrect _____ make it problematic _____ time?

_____ a faulty _____ inaccurate gas meter _____ the years.

_____ are _____ reasons _____ a gas meter to _____?

Do _____ know what _____ give incorrect _____ it faulty over time?

_____ you _____ the _____ is not always accurate?

_____ know what _____ gas _____ provide incorrect _____ and malfunction over _____?

_____ understand _____ gas metering _____ malfunction _____ time?

_____ it _____ my _____ meter will display _____ time passing?

What are ____ common ____ meter ____?

Do you ____ metering can ____ readings and make ____ the course ____ time?

Is it ____ that ____ metering ____ give incorrect readings and ____ be faulty ____ long ____?

____ reasons that a ____ may malfunction?

Do you know ____ may cause my gas ____?

Is it possible ____ incorrect readings ____ it more problematic?

Is ____ meters ____ giving incorrect ____ as they ____?

____ do you ____ the ____ meter degrades over time?

____ or incorrect gas ____ could be ____ result ____ common ____.

____ it ____ gas ____ incorrect ____ as they age?

____ there ____ why gas metering ____ incorrect readings ____ make ____ more ____?

Do there ____ reasons ____ gas ____ might ____?

Over ____ years, ____ common issues ____ in ____ faulty ____?

Is there ____ cause ____ gas meters?

____ issues ____ a faulty ____ inaccurate gas ____ the years.

Is ____ reason gas metering ____ incorrect readings ____ malfunctioning?

Do you ____ provide incorrect ____ and cause it ____ in the long ____?

Do you know why ____ metering ____ make it ____ complicated over ____?

____ any ____ for ____ gas meter to ____?

____ why ____ meter's accuracy is declining over time?

____ of ____ gas meter ____.

A ____ gas ____ errors?

____ the ____ reasons for ____ gas meter ____?

____ a way ____ why ____ gas ____ accuracy degrades over ____?

Is ____ the accuracy ____ a gas ____ to ____ down ____ time?

Do ____ have any ____ why ____ give ____ readings and/or malfunction ____ a ____ of ____?

What are ____ factors that lead to ____ time?

____ mistakes to occur when ____ gases ____ time?

____ you know ____ can provide ____ readings and make ____?

Any ____ faulty ____ meter ____?

What ____ reasons ____ faulty ____ meter readings?

Common ____ flawed ____ meters?

____ there ____ common cause for ____ incorrect ____ readings?

Do we have ____ incorrect readings ____ meters?

What are ____ explanations ____ meter ____ or malfunctioning?

Is there ____ meter errors?

What might cause a problem ____ over ____?

____ there a reason for ____ metering ____ provide ____ and make it ____ long ____?

Is there ____ common fault ____?

____ there regular explanations for ____ by the ____?

Do you think ____ are typical ____ of ____?

Is there a ____ the ____ readings in ____ meter?

I ____ why a ____ start ____ incorrect ____ in the long ____.

____ there ____ gas meter to ____ wrong readings ____ time passing?

____ can ____ gas ____ that get ____.

____ it ____ errors to ____ in ____ gasses ____ time?

____ meters ____ with time?

____ for ____ gas meters over ____

____ you have ____ to why ____ metering ____ incorrect ____ in ____ long term?

Do ____ metering ____ incorrect readings ____ make ____ faulty in the ____ run?

Possible reasons ____ gas ____ ?
 What causes ____ problems ____ ?
 ____ there ____ reasons ____ gas meter ____ ?
 Are ____ any ____ why ____ can ____ and/or become malfunctioning ____ time?
 Is ____ can give ____ readings ____ make it faulty ____ long term?
 ____ you know why ____ and cause ____ to malfunction in the long ____ ?
 ____ meters be faulty ____ ?
 ____ there a reason why ____ gas ____ ?
 ____ causes the ____ meters ____ malfunction?
 Is ____ that ____ affect the operation of ____ gas ____ ?
 Are ____ reasons the ____ meter ____ turn faulty?

 Do ____ think that gas ____ incorrect ____ more ____ over time?
 ____ a gas ____ go ____ with ____?
 The ____ inaccurate ____ data could be ____.
 gas ____ faulty with ____
 Can ____ me ____ the gas meter ____?
 ____ factors can lead ____ incorrect ____ a gas ____?
 ____ it ____ potential factors leading to ____ gas ____ over time?
 ____ there a common ____ of ____ the ____ meter?
 Did ____ why ____ metering ____ give incorrect ____ and/or become ____ over ____?

Is there a _____ for _____ to _____ incorrect readings _____ become _____ ?

_____ cause _____ readings _____ gas meter?

Is _____ common cause of _____ readings _____ ?

Do _____ why _____ metering _____ give _____ readings or become malfunctioning _____ ?

Do you _____ what causes gas metering _____ provide incorrect _____ ?

_____ the _____ a gas meter can _____ readings _____ time?

_____ faulty _____ inaccurate _____ meter may _____ a _____ of _____ issues.

Is it _____ gas _____ giving incorrect measurements _____ time?

_____ time are there _____ for _____ gas _____ readings?

_____ might be _____ cause of _____ gas meter _____ or becoming _____.

Is _____ a _____ on the gas meter?

Does _____ give inaccurate _____ as _____ goes _____ ?

_____ gas meters _____ common _____ ?

Is there _____ reason _____ a gas _____ accuracy _____ over _____ ?

_____ common cause _____ readings in _____ gas meter?

Is it possible for _____ common?

What causes errors _____ meters?

Do _____ gas _____ can _____ incorrect _____ become malfunctioning?

There are any _____ that _____ gas _____ readings?

_____ behind gas meter _____.

Do _____ know why _____ metering _____ give _____ readings _____ over the _____ term?

What are _____ most common _____ a _____ to _____ malfunctioning _____ time?

What _____ a gas meter _____ malfunction over time?

_____ may lead to _____ gas meter's accuracy _____ over _____ ?

There are _____ reasons for _____.

_____ it _____ to _____ meter's accuracy deterioration over time?

Are _____ frequent causes for _____ gas _____ ?

Do _____ that _____ can _____ incorrect readings _____ make _____ the long run?

There _____ be _____ explanations for _____ by _____ gas _____.

_____ are _____ reasons _____ a gas meter _____ be _____ ?

Do you _____ gas metering _____ give _____ or _____ over _____ ?

_____ cause incorrect _____ meters _____ ?

_____ there any _____ issues _____ lead _____ gas _____ readings?

Do _____ know _____ incorrect readings and _____ become malfunctioning over _____ ?

_____ the gas meters _____ malfunction _____ ?

_____ are _____ of a gas meter _____ correctly?

What _____ some of the _____ reasons _____ meter _____ ?

What _____ malfunction over time?

Do you _____ why gas metering _____ provide _____ and/or _____ malfunctioning _____ ?

Were _____ factors _____ to _____ gas _____ accuracy degrading _____ time?

_____ you have _____ idea _____ why _____ metering _____ malfunction _____ time?

_____ might cause your gas _____ ?

Do _____ a reason why your _____ bad _____ time?

_____ there _____ issues causing faulty _____ ?

_____ is possible _____ gas _____ give incorrect _____ turn faulty over the course _____ a _____.

Do _____ know _____ gas _____ can give _____ cause problems _____ time?

Do you have any _____ can provide _____ readings _____ long run?

_____ why gas _____ can give incorrect readings and _____ it _____ ?

_____ gas _____ faulty _____ time?

Is _____ common _____ with _____ meters?

_____ be problems _____ the _____ meter reading over _____.

Do you _____ why gas _____ can provide incorrect readings _____?

I would _____ to know if there _____ inaccurate _____ data.

_____ why _____ gas _____ may give incorrect readings in the _____?

What causes errors _____ time _____?

What are the _____ a gas _____ in _____ long _____?

_____ you _____ why the gas meter _____ making _____?

Is there _____ gas metering can _____ incorrect _____ and _____ problematic _____ time?

_____ causes accuracy in _____ meters _____?

Do _____ know _____ causes your _____ to _____ or go _____?

Is it _____ for _____ readings _____ meter?

What makes _____ gas meter give _____?

_____ could _____ to a malfunctioning _____ meter _____ time.

_____ any known causes of flawed _____?

_____ could _____ malfunction _____ the gas meter over _____?

Is it _____ that gas _____ occasionally give _____ readings _____?

_____ you _____ gas metering _____ malfunction or _____ readings _____ time?

_____ the _____ reasons why _____ gas _____ could malfunction?

What _____ readings _____ gas _____?

Can _____ reasons for faulty gas meter _____?

Do _____ why gas _____ provide _____ readings _____ become malfunctioning over the _____?
