

[Demo] NLP Dataset for Customer Service Automation

Company Type	Vehicle Rental Companies
Inquiry Category	Special requests and accommodations
Inquiry Sub-Category	Extra equipment
Description	Requests for additional equipment, such as baby seats, GPS navigation devices, ski racks, or bike racks, to enhance the rental experience.
Data Size	9,335 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Vehicle Rental Company" customer inquiry. (Purchased data will not be masked.)

____ we ____ over advanced navigational systems ____ utilize ____ technology, ____ necessary, through ____ agreements
 ____ our ____ ?
 Will ____ assist ____ usage ____ technologically superior navigation ____ reliant on ____ ?
 ____ possible ____ get ____ fancy navigation ____ space under our partnerships?
 Can ____ partnerships to ____ rights for ____ reliant ____ satellites?
 ____ between our entities ____ us to gain ____ control of ____ developed ____ ?
 Possibilities of ____ to ____ top-notch ____ dependent navigation ____ partnerships ____ businesses ____ discussed.
 What would we ____ if we ____ forces ____ navigation ____ satellites?
 You ____ help ____ in obtaining usage privileges ____ satellitic technology.
 Can we possibly gain ____ collaborating ____ our entities?
 Is ____ us to ____ up ____ satellite-based navigator?
 How ____ we ____ your ____ to ____ rights for satellite navigation?
 ____ we ____ your ____ we ____ access to ____ satellite-based navigation systems?
 Will partnering aid ____ getting usage ____ reliant on ____ ?
 ____ should ____ a ____ allow us ____ avant-garde satellite-based navigation ____ if required.
 ____ collaboration agreements between our businesses ____ us gain access ____ rely ____ ?
 ____ if ____ joined forces and ____ somethin' ____ navigators with ____ ?
 ____ we ____ get satellite-based ____ rights?
 ____ we make ____ so that ____ get access ____ navigation technologies?
 ____ it be ____ establish partnerships ____ to ____ usage rights for satellite-based navigation ____ ?
 ____ will ____ rights of technologically ____ navigation systems reliant ____ satellites?
 Is it possible ____ secure ____ advanced ____ using satellites?
 Will ____ agreement between ____ us access ____ highly developed ____ devices?
 Collaborative agreements can ____ us ____ rights to ____ systems.
 Is ____ possible for ____ to ____ usage ____ advanced ____ using satellites?
 Is it ____ obtain ____ for ____ navigation systems that use ____ through ____ agreements ____ organization?
 ____ we secure usage rights ____ navigation ____ satellites?
 Can ____ up so we ____ access ____ cutting-edge navigation ____ ?
 ____ it possible ____ to ____ for ____ usage ____ satellite navigation ____ ?
 Is it possible for ____ to ____ into ____ those ____ navigation ____ ?

_____ collaborate _____ satellite-based _____ rights?

Is _____ a _____ of _____ alliance _____ we acquire _____ to _____ navigation _____ satellites?

Can _____ hook ourselves _____ NAV systems by _____ up?

_____ we partner _____ navigation _____?

Is it possible to _____ Nav system?

_____ a partnership _____ allow _____ use cutting-edge _____ technology?

_____ it _____ for _____ entities to _____ together for _____ use _____ navigation systems?

Can _____ work with someone _____ usage rights?

What _____ scoring _____ like state-of-the- _____ navigation with satellites?

Is it _____ for _____ to _____ the _____ space under _____ partnership agreements?

_____ could _____ potential alliance _____ we _____ the rights to _____ technology using _____.

Are collaboration agreements between _____ gaining _____ to _____ that rely _____?

_____ explore _____ alliance _____ we _____ rights to _____ technology using _____?

_____ we have _____ partnerships in _____ guarantee _____ navigation gadgets _____ satellites?

If necessary, could _____ for advanced _____ systems _____ satellite _____?

Can we be sure of those _____ gadgets _____ the _____ partners?

_____ work with you to _____ satellite navigation systems?

_____ are partnership arrangements available _____ access to sophisticated _____ navigation _____?

Does _____ agreement with our entities allow us _____ to _____ devices _____?

Does your _____ for _____ acquisition?

Will we _____ navigation _____ usage _____ through entity collaborations?

_____ there a way for _____ to secure _____ rights _____ satellites?

Is it possible _____ for cutting-edge _____ navigation?

_____ partnership _____ good way of _____ for _____ advanced _____ instruments?

Can _____ satellite _____ systems _____ partnership agreements?

We may be _____ access to cutting-edge _____ by _____ entities.

_____ can use partnerships with our _____ to _____ top-notch satellite _____ navigation _____.

_____ to _____ with a satellite-based navigation system?

If _____ there _____ options _____ partnering with _____ access gps solutions using _____?

_____ potentially achieve _____ to cutting-edge _____ through collaborating _____ our _____.

_____ with _____ make sure you have _____ to cutting-edge satellite-based _____ systems?

_____ possible to acquire _____ for equivalent satellite-powered _____ through _____?

_____ permission _____ sat-nav systems _____ we work with your company?

Can we get _____ systems _____ use _____ partnership agreements?

Collaboration agreements _____ businesses _____ be able _____ access _____ navigation _____ that _____ satellites.

Will partnering aid _____ usage rights of navigation systems _____?

_____ use _____ satellite _____ systems _____ agreements?

_____ needed, could _____ entities _____ for secure use of _____?

Would we be interested _____ exploring _____ where we _____ advanced _____ technology using _____?

Can _____ fancy satellite _____ systems with _____?

_____ potentially form _____ for access _____ advanced navigation _____.

_____ possible _____ secure usage _____ edge navigation systems that _____ satellites?

Do _____ agreements give _____ access to _____ systems using _____?

Is it _____ to team _____ a cutting-edge _____?

_____ partnership agreements _____ avenue _____ authorization to use _____ instruments?

Could we work together _____ usage of _____?

_____ it possible that we _____ score somethin' like _____ crap _____

_____ businesses can be a solution for gaining _____ technologies that _____.

Are you _____ to provide navigation systems _____ satellite technology?

Could it _____ possible _____ get access _____ cutting-edge _____ by _____ our _____?

If _____ have _____ necessary partnerships in place, _____ guarantee _____ gadgets with satellites?

Could _____ secure _____ together?

_____ able to _____ cutting-edge satellite-based navigation systems by working _____?

_____ it be possible to _____ allow us _____ cutting-edge _____ systems _____ satellites?

Will partnering help in gaining _____ of _____ reliant _____?

Can _____ allow _____ to get necessary authorization _____ navigation _____ on _____?

_____ we access and control _____ satnav devices with _____ agreement _____ with _____?

_____ be possible _____ establish partnerships _____ to get _____ necessary _____ rights _____ satellite navigation _____?

_____ we _____ get _____ guidance _____ access _____?

_____ collaborate for secure usage _____ advanced _____ navigation _____?

There _____ agreements _____ allow _____ to use _____ navigation systems.

Is it _____ to arrange _____ that _____ us permission _____ cutting-edge _____ that rely _____?

_____ help in _____ of _____ navigation systems reliant on _____.

_____ work with _____ to secure usage rights _____ satellite _____?

If we _____ set up a _____ that _____ access to _____ navigation systems, _____ appreciated.

_____ up with your company _____ we _____ permission _____ systems, right?

We can _____ partnerships _____ our _____ rights to employ top-notch _____.

_____ get legal _____ systems through collaborative agreements?

_____ we _____ a partnership _____ can we get preferential treatment _____ systems?

Do _____ agreements allow _____ navigation systems utilizing satellite _____?

_____ partnership _____ be used to _____ for using _____?

_____ to work with _____ to _____ navigation systems _____ by _____ technology?

_____ your company, _____ we secure _____ rights for satellite _____?

Could our _____ form _____ to _____ navigation _____?

Partnering up with _____ gives us _____ sat-nav systems, _____?

Is _____ a _____ of _____ working _____ grant each other access to _____ satellite-driven _____?

Is it possible _____ those _____ navigation gadgets _____ satellites?

Are _____ agreements _____ good _____ of _____ authorization for _____ advanced _____?

_____ entities _____ usage _____ over systems reliant on _____ by _____?

_____ we need to _____ satellite-based navigation systems, _____ work _____?

Are there partnership arrangements _____ to _____ technologies?

Is _____ to arrange partnership _____ that _____ to _____ cutting-edge _____ systems.

_____ you help _____ state-of-the-art navigation features using satellitic _____?

_____ agreements could _____ solution for _____ access to navigation technologies _____ rely _____.

_____ could explore _____ potential _____ where _____ rights _____ advanced _____ technology.

_____ we _____ usage rights _____ reliant on satellites _____?

Will _____ usage _____ of _____ superior _____ systems reliant on satellites?

Can we _____ your company _____ access _____ cutting-edge _____ navigation?

Collaboration _____ might _____ a _____ for _____ access to avant-garde _____ that _____ on _____.

If necessary, _____ any _____ for partnering _____ your _____ access to _____ gps solutions _____?

Can we _____ system _____ rights through collaborations?

_____ might _____ us _____ necessary authorization over advanced _____.

_____ able _____ help us get _____ privileges over _____ navigation _____ satellitic _____?

Is there _____ of _____ up and giving _____ other _____ satellite-driven _____ tools?

Can our _____ and _____ each other _____ cutting-edge satellite-driven navigation _____?

_____ partnering _____ acquiring _____ rights _____ technologically superior _____ systems _____ on satellites?

_____ to _____ us to provide navigation _____ driven by satellite?

_____ it _____ for us to gain _____ control of _____ devices _____ appropriate?

_____ for equivalent _____ navigation _____ can _____ partnering with other organizations.

Can _____ partnership for satellite _____?

Should we ____ for secure ____ satellite ____ ?

Is it ____ for us ____ rights for ____ systems that ____ through ____ ?

____ satellite ____ necessary, could we ____ usage ____ partnerships?

We ____ to ____ a collaboration ____ allow ____ access to ____ satellite-based ____ .

____ partnership ____ be an ____ securing ____ rights ____ satellites?

____ gain ____ to cutting-edge sat-nav by collaborating ____ our ____ ?

We can ____ secure the rights ____ use ____ dependent ____ systems.

Can we secure ____ rights ____ navigation ____ satellites ____ partnerships?

Can ____ help ____ authorization for navigation ____ that depends ____ ?

Let's ____ about partnerships ____ businesses and ____ the rights to use ____ .

____ needed, ____ satellite systems together?

____ entities can ____ to ____ access ____ navigation systems.

____ partnering with ____ organizations possible ____ permission ____ navigation equipment?

Are ____ to ____ systems with partnership agreements?

Can ____ secure ____ navigation system ____ rights ____ ?

____ we be ____ navigation?

Can we ____ with your company to ____ cutting-edge satellite-based navigation ____ ?

Is it ____ us ____ get ____ rights for ____ use satellite?

____ possible to ____ the necessary usage rights for satellite-based ____ systems?

____ explore ____ alliance that would ____ to ____ rights ____ navigation ____ using satellites?

____ we ____ up ____ secure satellite ____ rights?

____ necessary, partnerships ____ be used to secure ____ system ____ .

____ possible to ____ navigation technology ____ satellites through a ____ alliance?

Collaboration agreements between ____ might ____ a ____ for gaining ____ to ____ technologies that ____ .

____ score ____ kick-ass sat-nav ____ by ____ with your company.

____ permission ____ kick-ass ____ systems ____ partnering up with your ____ .

____ partnership agreements be used ____ advanced ____ instruments when necessary?

Is it ____ arrange partnership ____ that will ____ us ____ navigation ____ with ____ ?

Can we enter ____ contract for ____ navigation ____ that ____ ?

Is it ____ to ____ for ____ satellite-powered navigation ____ partnerships?

____ we ____ use satellite ____ systems with ____ agreements.

____ partnership ____ a good ____ to get authorization for ____ ?

Is ____ our ____ could partner together and give each ____ to ____ satellite-driven ____ ?

____ be ____ to help ____ usage rights ____ technologically-superior navigation systems ____ ?

Is there a ____ arrangement that could ____ sophisticated ____ ?

____ with your company ____ can ____ permission for ____ sat-nav ____

How can we ____ your ____ to secure ____ for ____ ?

____ we use ____ between our businesses ____ gain access ____ navigation ____ on ____ ?

Collaboration ____ help us obtain necessary authorization for ____ technology ____ .

____ we ____ navigation rights?

____ it possible for our ____ collaborate ____ of ____ navigation systems?

____ access to those fancy satellite-driven ____ a partnership agreement?

Is it ____ to get usage ____ deals?

____ control ____ satnav devices when ____ an agreement with our entities?

If need ____ collaborate ____ usage of satellite-based ____ systems?

Can we be sure ____ we have ____ necessary ____ if ____ fancy ____ gadgets ____ satellites?

Is there ____ chance ____ we ____ partner ____ give each other access ____ satellite-driven ____ ?

Is ____ to arrange partnership agreements that allow ____ to ____ satellites?

____ might ____ secure usage rights ____ navigation systems with ____ agreements.

____ would ____ if we joined forces to ____ somethin' ____ state-of-the-freakin-art ____ ?

If _____ could _____ collaborate _____ advanced satellite-based navigation _____?
 Would _____ partner with your firm _____ access sophisticated gps _____ using _____ of _____?
 _____ a _____ us _____ get usage rights for _____ systems with _____?
 _____ agreements between _____ may be able _____ access to _____ that _____ satellites.
 Can _____ secure usage _____ over _____?
 Could we possibly _____ to cutting-edge _____ by _____ entities?
 _____ a collaboration that allows us _____ navigation systems, it would be _____.
 _____ usage _____ for _____ navigation systems that use satellites?
 Should _____ explore _____ potential _____ where _____ acquire _____ to advanced _____ using _____?
 _____ we _____ together to ensure _____ edge satellite-based navigation _____?
 _____ possibly _____ access to _____ by collaborating between _____ entities.
 _____ assist us in obtaining _____ over state-of-the-art _____ features _____ satellitic _____?
 _____ possible _____ our entities to _____ together _____ secured _____ of navigation _____?
 _____ we work _____ secure _____ use _____?
 Is _____ possible to partner with _____ firm and _____ sophisticatedGPS _____ the _____ satellites, _____?
 _____ partnership deals be used _____ usage rights _____ systems that _____?
 Is _____ good way to get _____ using advanced _____?
 Is it _____ establish _____ in order to _____ state-of-the-art _____ navigation systems?
 _____ were _____ forces _____ get somethin' like state-of-the-freakin-art navigation with _____?
 Can we _____ partnerships to _____ usage _____ sophisticated _____ reliant _____ satellites?
 Collaboration _____ viable _____ for gaining access _____ that rely _____ satellites
 If we have _____ we _____ of those fancy navigation gadgets _____?
 _____ be _____ get usage _____ over state-of-the-art navigation _____ a _____ arrangement.
 _____ create _____ collaboration _____ allows us access to _____ satellite-based navigation systems, _____ will _____.
 _____ we work together _____ use _____?
 Would _____ allow _____ to _____ cutting-edge navigation?
 Partnering _____ with your company allows _____ permission for _____ sat-nav _____?
 _____ for state-of-the-art navigation systems that use satellites _____ agreements.
 Will _____ help _____ usage rights _____ the _____ navigation _____ reliant _____ satellites?
 Are _____ to _____ us provide navigation systems _____ are _____?
 We _____ score permission _____ kick-ass _____ systems if _____ team _____.
 _____ we going _____ forces to _____ somethin' _____ state-of-the-freakin-art _____ with _____?
 Could the entities _____ to get access _____?
 _____ partnership _____ an option _____ using satellites _____ navigation?
 _____ your company _____ access _____ satellite-based navigation systems?
 _____ agreements could _____ used _____ access _____ avant-garde navigation technologies that _____.
 The _____ securing rights _____ satellite-_____ navigation systems _____ means of partnerships _____ businesses are _____.
 If we make _____ partnership _____ access to _____ satellite-driven systems?
 _____ use satellite navigation _____ with _____?
 _____ about joining _____ getting somethin' _____ state-of-the-freakin-art navigation _____?
 _____ we use satellite _____ that are super _____?
 Is there _____ partnership _____ allow us to _____ navigation _____?
 _____ help _____ acquiring _____ rights of navigation _____ on satellites?
 _____ arrangements _____ us to _____ access to satellite-driven technologies?
 Can _____ work _____ satellite _____ rights?
 Can we work _____ of satellite _____ systems?
 Is _____ possible to _____ usage rights _____ systems _____ satellite _____?
 Is _____ for _____ to give each _____ access _____ cutting-edge satellite-driven _____?
 _____ it _____ for us _____ the _____ for state-of-the-art navigation systems that _____?
 Is there _____ possibility of our entities teaming _____ access _____ navigation tools?

_____ our entities secure _____ rights _____ systems _____ satellites _____ partnering?
 Is there a _____ collaborate for _____ advanced _____ systems?
 _____ to partner _____ to provide _____ navigation systems powered by _____?
 _____ the necessary partnerships in place, _____ guarantee our _____ with satellites?
 It is possible for us _____ usage _____ systems _____ use _____ partnerships.
 _____ between _____ might be _____ to get _____ navigation _____ that _____ on satellites.
 Is it _____ to _____ our entities _____ together _____ give each _____ cutting-edge satellite-driven _____?
 Would _____ possible to _____ partnerships _____ order _____ usage _____ for _____ navigation?
 Can we _____ partnership _____ get _____ to _____ navigation _____?
 Can we work with _____ to _____ cutting-edge satellite based _____?
 Is _____ possible for _____ collaborations _____ secure _____ over satellite _____?
 Partnering up means _____ can _____ permission _____ kick-ass _____?
 Will it be _____ for _____ rights _____ systems that use _____?
 Would a _____ agreement _____ cutting edge _____ technology?
 If _____ could _____ would _____ us access to _____ satellite-based _____ it will be appreciated.
 _____ have _____ collaborative options _____ Satnav _____?
 If need _____ we secure _____?
 _____ establish _____ collaboration _____ would _____ access to avant-garde _____ navigation systems, we would appreciate _____.
 Is _____ for _____ get _____ rights on navigation _____ that use _____?
 _____ establish _____ collaboration _____ us access to avant-garde satellite-based navigation _____ would _____ very grateful.
 Are you able to partner _____ us to _____ advanced _____ driven _____?
 _____ to _____ access to _____ systems using satellite _____ with partnership _____?
 _____ you back _____ up _____ for the satellite-based _____ we have?
 _____ use high-tech _____ satellites?
 _____ we _____ to _____ for our _____ systems _____ use satellites?
 _____ to _____ cutting-edge sat-nav by collaborating between our _____?
 _____ able to _____ us _____ provide navigation _____ that are _____ by _____ technology?
 Is there _____ to _____ each _____ access _____ cutting-edge satellite-driven navigation _____?
 _____ partnership agreement permit us _____ cutting-edge _____ technology?
 _____ it be _____ us _____ rights over high-tech _____ systems _____ partnership agreements?
 _____ partnerships to gain access _____ advanced _____ systems.
 Will _____ allow _____ to use _____ satellite _____ when _____?
 Can we leverage _____ to _____ systems reliant on _____?
 Is it _____ form partnerships _____ acquire _____ advanced navigation systems?
 _____ possible to _____ up to get _____ to _____ navigation _____?
 Is _____ possible that _____ usage of navigation systems?
 If we _____ a partnership agreement, _____ we get _____ those _____?
 _____ it possible to partner _____ and _____ to _____ navigation _____?
 Will partnering help _____ technologically superior _____ reliant on _____.
 Maybe _____ give us _____ satellite _____ access?
 _____ there _____ chance that _____ together and give _____ other _____ to cutting-edge _____ tools?
 Are y'all able _____ get _____ navigation tools _____ space _____ agreements?
 Is it _____ secure usage _____ innovative _____ systems using _____?
 Should _____ be _____ obtaining _____ using advanced satnav _____?
 _____ arrangements available that _____ allow us _____ satellite-driven navigation?
 _____ we work together to get _____ these _____?
 _____ satellite navigators with partnership _____?
 Are there _____ arrangements _____ could give _____ navigation?
 _____ equivalent satellite-powered navigation _____ could _____ obtained _____ partnerships.

____ about ____ get somethin' ____ state-of-the-freakin-art navigation with satellites?
 ____ we make ____ agreement, can ____ get ____ those fancy satellite-driven ____.
 Can we ____ access to ____ collaborating ____ ourselves?
 ____ agreements can be used to obtain ____ systems.
 ____ way ____ entities to partner together ____ give ____ to cutting-edge satellite-driven navigation tools?
 Can ____ satellite rights?
 Where our ____ together and ____ other access to ____ satellite-driven ____ is there ____?
 Let's discuss possible ____ our businesses to ____ rights ____ top-notch satellite- ____.
 Are partnership ____ way to ____ to ____ advanced ____ instruments ____ necessary?
 We ____ to secure rights ____ top-notch satellite-dependent navigation ____ our businesses.
 Maybe ____ will get access to the ____.
 Collaboration ____ help us ____ necessary authorization ____ advanced navigation technology ____.
 We can ____ somethin' like state-of-the- ____ navigation ____ satellites.
 If ____ give us access ____ sophisticated satellite-driven navigation technologies.
 ____ we able to ____ rights for ____?
 Can ____ partnerships ____ secure ____ rights over ____ navigation ____ dependent on ____?
 Is it ____ have ____ and control ____ highly developed satnav devices ____?
 Would it be ____ acquire ____ satellite-powered navigation equipment ____?
 ____ possible to ____ dibs ____ satellite-driven ____ systems if ____ make a partnership ____?
 ____ partnerships be ____ to ____ using advanced ____ instruments?
 ____ can use partnerships ____ our businesses to ____ the rights ____ satellite-dependent ____.
 ____ we ____ navigation with partnership ____?
 Is it possible for us ____ state-of-the-art ____ systems ____ satellites?
 ____ partnerships to ____ rights for satellites?
 ____ for ____ navigation ____ could be obtained ____ partnering with ____.
 If we ____ partnership ____ can ____ preferential ____ on those ____ satellites?
 ____ to establish partnerships in ____ to ____ rights ____ state-of-the-art navigation ____?
 ____ you ____ good ____ guidance system access?
 ____ be possible to establish partnerships ____ attain ____ usage rights ____ navigation ____?
 ____ possible to get usage ____ for ____ based ____?
 ____ it possible ____ arrange ____ that ____ us permission ____ cutting-edge navigation ____ that ____ on ____?
 ____ possible for ____ to obtain ____ navigation ____ that use satellites?
 ____ we team up ____ access ____ navigation systems?
 ____ secure usage rights ____ navigation systems reliant ____ partnerships?
 Is ____ our ____ to grant each other access ____ satellite-driven navigation ____?
 ____ securing ____ between ____ allow ____ to ____ developed satnav devices?
 Do we ____ forces ____ somethin' like ____ satellites?
 ____ able ____ secure usage rights ____ navigation ____ use satellite ____ through partnership ____?
 ____ we be sure we ____ necessary partnerships ____ place for ____ gadgets ____?
 ____ necessary, ____ you ____ any options for ____ with ____ firm ____ access ____ gps solutions ____?
 ____ is ____ usage rights for ____ that use satellites ____ agreements.
 Is it ____ for ____ secure ____ satellite navigation?
 ____ agreements a ____ way to get ____ when ____ satnav ____?
 Can ____ ensure access to ____ collaborating with you?
 Can ____ to ____ of the ____ navigation system?
 If ____ a partnership ____ get preferential ____ on ____ satellite-driven systems?
 ____ acquire rights to ____ technology through ____ potential ____.
 If we ____ able to ____ collaboration that will allow ____ satellite-based ____ it ____ appreciated.
 Will ____ be able ____ partner up ____ navigation ____?
 Are we ____ of getting those fancy navigation ____ space ____ partnership ____?

____ can get ____ kick-ass ____ systems, if we ____ company.
 ____ might ____ secure ____ for ____ navigation ____ satellite technology through partnership agreements.
 ____ it possible ____ team ____ a cutting-edge satellite-based ____?
 Could ____ partnership agreements to ____ usage rights ____ advanced ____?
 ____ it ____ sense ____ satellite-based navigation usage rights?
 Would ____ be possible to ____ in ____ to obtain ____ necessary usage ____?
 Can ____ be partners ____ rights?
 Is ____ possible ____ permission for satellite-powered navigation ____?
 ____ a ____ for our ____ to acquire usage rights ____ navigation ____?
 We ____ permission ____ systems through ____ with your company.
 ____ possible to arrange ____ that will ____ use ____ systems, if needed?
 Are we ____ to ____ to ____ satellite-based ____ systems by ____ you?
 Do partnership ____ allow for access to ____ advanced ____?
 ____ help ____ rights for technologically-superior ____ systems dependent on ____?
 ____ possible for our ____ partner ____ grant ____ other access ____ cutting-edge ____ tools?
 Is ____ ensure access to satellite-based navigation ____ by working ____?
 Is ____ possible ____ to ____ give each other access ____ satellite-driven navigation ____?
 Will ____ be ____ to aid in ____ usage ____ technologically-superior ____ reliant on ____?
 Would ____ establish partnerships ____ to gain usage rights ____ state-of-the-art satellite-based ____?
 Can ____ use ____ with partnerships?
 ____ possible ____ partnerships ____ let us ____ navigation systems using satellites?
 ____ partnership ____ the best ____ get ____ to ____ satnav instruments?
 Is there ____ way for ____ grant each ____ to cutting ____ satellite-driven ____?
 Is ____ possible to ____ usage rights ____ navigation ____?
 ____ to ____ top-notch satellite-dependent ____ through partnerships between our businesses.
 Can we ensure ____ cutting-edge ____ by working ____ your ____?
 Is ____ to ____ usage rights ____ navigation systems that ____?
 Can we ____ to secure usage ____ over ____ systems ____ on ____?
 If we make a partnership agreement, can ____ navigation ____?
 Can we ____ to ____ satellite-based ____?
 There are possibilities of securing rights to ____ navigation ____ businesses.
 ____ partnership agreements ____ viable ____ to obtain ____ to ____ advanced ____?
 ____ have ____ right ____ place, can ____ guarantee those fancy ____ with satellites?
 Is it ____ for ____ entities to engage in ____ to acquire ____ rights ____?
 If ____ a partnership ____ can ____ a ____ deal on ____ fancy satellite-driven ____?
 Are there ____ allow us ____ satellite-driven navigation ____?
 Would ____ alliance where we acquire rights ____ navigation ____ using ____?
 ____ secure rights ____ top-notch satellite-dependent ____ systems ____ with our businesses.
 ____ way to ____ in using advanced satnav instruments?
 Can ____ into a contract for ____ high-tech ____ work on ____?
 ____ partnership agreements ____ chance of ____ authorization for using ____?
 ____ agreements ____ you access to advanced navigation ____ satellite ____?
 ____ we get together ____ satellite-based ____?
 ____ way to obtain ____ for using satnav ____?
 Is it possible ____ use ____ navigation ____ that ____ partnership ____?
 Will partnering aid ____ acquiring ____ rights ____ systems ____ on ____?
 If ____ satellite-based navigation systems, could our ____ together?
 Can partnering help ____ usage ____ technologically-superior ____ reliant ____ satellites?
 ____ possible ____ us to ____ usage rights ____ the-art ____ systems that ____ satellites?
 Is it possible ____ permission ____ navigation ____ partnerships?

Would it _____ to _____ partnerships in _____ gain _____ rights for state-of-the-art _____?
 _____ if our _____ could _____ access to advanced navigation _____.
 _____ it possible _____ to secure _____ usage rights?
 _____ there _____ partnership _____ grant _____ access to satellite-driven technologies?
 _____ our _____ work _____ of advanced navigation systems?
 Would it _____ possible _____ to advanced _____ using satellites _____ a possible _____?
 Will partnering help _____ technologically-superior _____ systems _____ on satellites?
 _____ we _____ up so _____ partnership results _____ access _____ cutting-edge _____ devices?
 _____ possible _____ grant each _____ access to _____ satellite-driven navigation tools _____ arrangement?
 _____ securing agreement between our _____ us to _____ satnav devices?
 _____ allow access to advanced _____ systems _____ satellite technology?
 _____ our entities _____ partnerships _____ acquire _____ of satellites?
 Could our _____ together to _____ usage _____ satellite _____?
 _____ up with _____ company can allow us _____ permission for _____.
 Could _____ be used _____ secure _____ rights over advanced _____?
 If necessary, _____ any options _____ partnering with _____ firm _____ using satellites?
 Is _____ an option for securing _____ satellites?
 _____ between our _____ a _____ gaining _____ to navigation technologies that use _____.
 Is _____ a _____ usage rights _____ through partnership agreements?
 _____ with your _____ can _____ secure usage _____ for _____ navigation.
 _____ there a _____ that _____ entities would _____ able _____ grant _____ access _____ cutting-edge satellite-driven _____ tools?
 _____ team _____ to give _____ to cutting-edge navigation _____?
 _____ could explore _____ potential alliance to _____ rights to _____ technology _____.
 Are we _____ to _____ cutting-edge satellite-based navigation _____?
 _____ entities could _____ to use advanced satellite-based navigation _____.
 _____ for us to _____ you to secure _____ rights _____ satellites?
 _____ obtain _____ system usage _____ through _____?
 There _____ securing _____ to employ top-notch satellite- _____ systems _____ of partnerships _____ our businesses
 Was it _____ entities to _____ in _____ acquire _____ for _____ navigation systems?
 Is _____ possible to _____ with your _____ access _____ the power of _____?
 _____ us _____ necessary authorization for navigation technology dependent _____?
 _____ could _____ an _____ to _____ rights _____ navigation technology _____ satellites.
 _____ businesses are a possible _____ for gaining access _____ technologies _____ rely on _____.
 Are there _____ arrangements that _____ access _____ sophisticated _____ technologies?
 _____ a potential _____ whereby we acquire _____ to _____ navigation _____ satellites.
 Can we _____ control _____ highly _____ satnav devices?
 _____ we _____ achieve access _____ cutting-edge _____ collaborating _____ us?
 _____ could _____ to cutting-edge sat-nav _____ we _____ between _____ entities.
 _____ we _____ your _____ make sure we _____ access to _____ systems?
 Is it possible _____ permission for _____ navigation _____ other _____?
 Would _____ be possible _____ obtain access _____ cutting-edge _____ by _____ our _____?
 Is _____ partner _____ cutting-edge satellite-based navigation systems?
 Can our entities _____ to _____ to _____ navigation _____?
 _____ we work with _____ secure usage _____ for _____ satellite-powered _____?
 Can we _____ agreements to get _____ satellite-based _____?
 _____ satellite navigation rights possible?
 _____ get _____ guidance _____ access for you?
 Collaboration _____ help us _____ the _____ for _____ navigation _____ on satellites.
 Can we _____ with each _____ secure satellite-based _____ usage _____?
 _____ can _____ permission for _____ sat-nav _____ by _____ up with _____.

By _____ partnerships between our businesses, we _____ be _____ to secure _____ employ _____ navigation _____.

_____ with _____ company to ensure access _____ cutting-edge satellite-based _____?

Is _____ possible _____ gain usage rights for _____ systems _____ use _____?

Is it possible _____ up _____ rights?

_____ we partnership _____ secure _____ navigation _____?

_____ equivalent satellite-powered navigation equipment _____ be _____ through _____.

Are _____ of _____ up _____ cutting-edge satellite-based _____ systems?

Can _____ be _____ to secure navigation _____ rights _____?

_____ it _____ for us _____ navigation tools connected _____ outer space under our _____?

_____ your company will allow us _____ get permission for _____?

_____ work _____ to secure usage of _____ systems?

_____ agreements _____ businesses _____ be _____ solution _____ gaining _____ to _____ technologies _____ rely on satellites

_____ it _____ for our entities _____ acquire usage _____ of _____?

Collaboration _____ between _____ be a _____ for gaining _____ to avant-garde navigation _____ rely _____.

If _____ can establish _____ collaboration _____ gives _____ access to _____ satellite-based navigation systems, _____.

Should we be _____ to use _____ with partnership _____?

Is _____ possible for us to _____ access _____ developed satnav _____.

_____ establish a _____ will allow us access to satellite-based _____ will be very _____.

When appropriate, _____ agreement between our entities _____ and _____ developed satnav _____?

Is _____ for us to _____ and _____ each _____ access _____ cutting-edge _____ tools?

Could we _____ usage _____ advanced _____ systems using _____ through _____ agreements?

_____ to arrange partnership _____ allow us _____ systems that rely on satellites?

_____ secure _____ rights over systems _____ satellites by _____ partnerships?

Is _____ our _____ form _____ for _____ advanced navigation systems?

_____ entities _____ usage rights over _____ using _____?

Does securing _____ between _____ us access to highly _____ devices _____?

_____ securing an _____ between our entities allow _____ to _____ satnav _____?

_____ possible for _____ obtain usage rights _____ systems _____ utilize satellites?

_____ access _____ highly _____ satnav _____ if _____ have an _____ between us?

Collaboration agreements might _____ solution _____ to _____ navigation _____ that rely _____ satellites.

We could _____ agreements _____ secure _____ advanced navigation systems.

_____ partnership agreements offer access _____ systems using _____?

_____ to secure usage _____ over advanced _____ systems _____ satellite technology _____ agreements?

_____ agreements _____ be a viable _____ for _____ access _____ technologies that _____ on _____.

_____ partnership agreements _____ good way _____ get _____ to _____ instruments?

Is _____ entities _____ collaborate _____ secured usage of satellite _____ systems?

Do _____ allow for access to _____ using _____?

_____ use partnerships between businesses _____ secure rights _____ use _____ satellite- _____.

_____ partnership _____ that can _____ access to satellite-driven _____.

_____ partnership _____ avenue _____ obtaining _____ to use advanced _____ instruments?

_____ we _____ your company _____ secure _____ rights for satellite _____?

Will _____ let _____ use state-of-the-art _____ need it?

_____ could establish _____ collaboration that _____ allow _____ satellite-based navigation _____ we would be _____ appreciative.

Would _____ agreements be a _____ for _____ for using advanced _____?

_____ we _____ rights for _____ that _____ satellite technology through _____?

Can _____ get _____ to satellite _____ systems _____ agreements?

_____ agreements allow for _____ to _____ navigation systems _____?

Can _____ get usage rights for cutting-edge _____?

Is _____ possible to _____ usage _____ cutting _____ navigation _____ use satellites?

_____ possible for us _____ get those _____ gadgets with _____ we _____ partnerships _____ place?

Can _____ up so that _____ can get _____ with satellites?

Is partnership _____ the _____ authorization to use advanced _____?

_____ be _____ to get access to _____ sat-nav by _____ entities.

_____ we team up so our _____ gives _____ cutting-edge _____?

If _____ could _____ a _____ access to avant-garde _____ navigation systems, _____ will be _____.

_____ be _____ arrange partnerships _____ us to use cutting-edge _____ systems reliant on _____?

We _____ going _____ and score _____ like _____ navigation _____ satellites?

Can we _____ up _____ give _____ to _____ navigation _____?

If _____ could our entities _____ together to _____?

_____ there a chance _____ us to partner _____ each _____ access _____ satellite-driven navigation _____?

If need be, _____ we _____ secure _____ navigation systems?

_____ usage rights for state-of-the-art _____ systems that _____ through partnership _____?

Is _____ possible _____ secure the _____ system _____ through _____ collaborations.

_____ up with _____ helps us _____ permission _____ kick-ass _____ systems.

_____ partnership agreements be _____ get authorization to _____ advanced satnav _____?

Is _____ possible to get _____ to _____ instruments _____ agreements?

_____ partnering _____ rights possible?

Can _____ collaboration _____ between our businesses _____ navigation _____ that rely on _____?

_____ partnership agreements be _____ to _____ authorization for using _____ needed?

Will partnering _____ the _____ rights _____ navigation systems reliant on _____?

We could _____ access _____ sat-nav _____ between our entities

_____ may be able _____ a _____ alliance where we _____ to _____ technology using _____.

Collaboration agreements can _____ acquire necessary _____ navigation _____ reliant on _____.

Can our _____ rights _____ sophisticated navigation systems _____ by _____ partnerships?

Is it possible to arrange _____ give us permission _____ cutting-edge _____?

_____ could establish _____ allows _____ access to _____ navigation systems, _____ would be _____ grateful.

Are you _____ those fancy navigation _____ space _____ our partnership agreements?

_____ us use state-of-the-art satellite _____ needed?

You might _____ able to _____ in _____ over state-of-the-art _____ using _____ technology.

Can _____ ourselves up _____ a _____ by _____ up?

_____ a _____ agreement _____ to use satellite-based _____?

Will partnering _____ in _____ acquisition _____ usage _____ for technologically-superior _____ reliant _____?

Would _____ possible _____ partnerships in _____ attain _____ usage rights _____ state-of-the-art satellite-based navigation systems

Collaboration _____ us get authorization _____ advanced navigation _____ that _____ satellites.

_____ we _____ up _____ get access to _____ navigation technologies based _____ satellites?

_____ aid in _____ usage rights _____ technologically-superior _____ reliant _____ satellites.

_____ you _____ get your _____ tools _____ to outer _____ under our _____?

_____ there partnership arrangements _____ us _____ to satellite-driven _____?

_____ we _____ secure satellite-based navigation _____ usage _____?

_____ could _____ secure usage rights _____ advanced navigation systems _____?

Collaboration agreements can _____ us _____ advanced _____ on satellites.

Should partnerships _____ used _____ system rights using _____?

Collaboration agreements _____ help us _____ authorization _____ on satellites.

_____ to get _____ rights?

_____ our _____ to collaborate _____ secure usage of advanced _____ systems?

Is _____ way to get _____ to advancedGPS _____?

_____ agreements _____ businesses may be a viable _____ for gaining access _____ on satellites.

_____ partnership arrangements that can give _____ access to _____.

_____ partnership _____ a viable _____ get authorization _____ satnav instruments?

_____ it possible _____ achieve _____ sat-nav by collaborating _____ entities?

_____ secure _____ rights _____ advanced navigation _____ use satellites?

There _____ a _____ that our _____ partner _____ grant each other access to cutting-edge _____.

Are _____ able _____ rights _____ state-of-the-art navigation _____ use _____ through partnerships?

Would _____ be possible _____ access to cutting-edge _____ collaborating _____?

_____ entities allow _____ to access _____ control highly _____ satnav devices _____ appropriate?

_____ team _____ we can _____ to cutting-edge _____ technologies.

So, teaming _____ with your _____ we _____ sat-nav systems, right?

_____ we _____ a _____ agreement, _____ we get _____ preferential _____ fancy satellite-driven _____?

_____ possible _____ rights for satellites _____ partnership deals?

Is _____ that _____ entities _____ be _____ to _____ each other access _____ satellite-driven navigation tools?

_____ explore a _____ whereby we _____ rights to _____ navigation _____.

_____ if our entities formed partnerships _____ navigation _____?

_____ make _____ partnership agreement, can _____ dibs on _____ fancy satellite-driven _____?

We could _____ to advanced _____ technology _____ satellites through _____.

_____ access to cutting-edge sat-nav by collaborating with _____?

Will _____ offer _____ to advanced navigation systems _____?

Are _____ to _____ advanced navigation system _____ satellites?

Do you _____ is _____ for us _____ secure usage _____ that use _____?

_____ we _____ a _____ that _____ allow _____ to avant-garde satellite-based navigation systems.

Our _____ can _____ partnerships for access _____ advanced _____.

_____ that our entities form _____ access _____ advanced navigation?

Is it _____ entities could form partnerships to _____ usage _____ of _____?

We _____ permission for _____ sat-nav systems through _____.

Can we _____ to _____ satellite-based _____?

Do _____ agreements _____ a _____ of _____ authorization _____ use advanced _____?

Can _____ satellites with partner _____?

_____ it _____ to _____ to _____ technologies through partnership arrangements?

You could assist us in _____ navigation features _____ use _____.

_____ be possible _____ achieve _____ cutting-edge _____ by collaborating between our _____?

Can _____ into a _____ with _____ hi-tech _____ gadgets _____ work _____ satellites?

Can partnership agreements _____ used _____ obtain _____ instruments when necessary?

_____ agreements can help _____ get the necessary _____ dependent on _____.

Would _____ use cutting edge navigation technology?

Can we sign a _____ those _____ work on _____ satellites?

_____ it be _____ establish _____ in order _____ get the _____ usage rights _____?

Is it _____ to _____ that _____ us to use _____ systems dependent _____?

_____ our _____ able to help us get access to _____ that _____ on satellites.

Is _____ for satellite navigation _____?

_____ establish partnerships in order to _____ usage rights _____ state-of-the-art satellite-based _____?

_____ can _____ employ _____ satellite- dependent navigation systems by _____ between _____ businesses.

Do partnership _____ allow you _____ get access _____ satellite technology?

_____ make a _____ we can _____ some dibs _____ those fancy _____.

Would it be _____ for us to _____ usage _____ navigation _____ through _____?

Can _____ to get _____ navigation _____?

_____ there _____ way _____ you to partner with your firm _____ the power of _____?

Is partnership _____ a _____ authorization _____ using _____ satnav instruments?

Would you be willing to _____ us get _____ state-of-the-art _____ features _____?

Should we _____ potential alliance _____ which _____ acquire _____ to advanced _____ technology _____?

If we can _____ collaboration that allows _____ satellite-based _____ systems, it _____ be _____.

Is _____ possible to grant each _____ access to _____ navigation _____ partners _____?

_____ we be _____ of _____ if we _____ the necessary partnerships?

Can we _____ satellite-based navigation _____?

Will _____ dibs on those fancy satellite-driven _____ we make _____?

_____ may be _____ viable _____ for gaining _____ avant-garde _____ that _____ on satellites.

_____ access to cutting-edge _____ by collaborating _____ ourselves.

Can we explore _____ potential alliance _____ to navigation _____ using _____?

Can we _____ with your company _____ access to _____ navigation _____?

Is there a chance that _____ could work together to _____ tools?

_____ we _____ necessary _____ can we get _____ fancy _____ gadgets with satellites?

Are partnership _____ way _____ get _____ to use _____ satnav _____?

_____ y'all capable _____ getting _____ tools connected _____ outer space under _____?

We could _____ for _____ rights.

_____ entities collaborate for _____ advanced navigation _____?

_____ could _____ on usage of advanced satellite-based _____ systems?

Are we able _____ satellite-based _____?

Is _____ possible for _____ entities to _____ usage _____ over sophisticated _____ satellites?

_____ go into _____ contract _____ for the navigation gadgets that _____?

If we could _____ a _____ that would allow _____ to _____ systems, it would _____.

Is it _____ to arrange partnership _____ we can _____ that rely _____ satellites?

Could our _____ be involved _____ to _____ of advanced navigation _____?

_____ partnerships _____ in order to get necessary _____ for _____ systems?

Collaboration agreements between our _____ be _____ for gaining _____ to navigation _____ that _____.

How can _____ permission _____ systems if _____ partner _____ your company?

Can _____ team _____ our _____ results in _____ to _____ navigation technologies?

_____ between _____ businesses could _____ used to _____ access _____ navigation technologies _____ on _____.

So, partnering with _____ allows us to _____ permission _____ sat-nav _____?

_____ there partnership _____ allow us access to _____ navigation?

_____ we guaranteed those fancy _____ gadgets _____ if we have _____ in _____?

Collaboration _____ might _____ get necessary _____ technology dependent on _____.

_____ to secure rights to use top-notch _____ dependent navigation systems _____.

Could we form an _____ whereby _____ technology using satellites?

_____ partnership _____ a good _____ authorization to _____ advanced satnav _____?

If _____ some sort of _____ we get dibs _____ those fancy _____?

It is possible to _____ rights to _____ dependent _____ systems _____ with _____.

We _____ partnerships _____ our _____ secure rights to employ _____ dependent navigation _____.

If _____ need to secure _____ systems _____?

_____ allow us _____ use cutting-edge navigation technology.

_____ satellite navigation systems that are _____ with partnership _____?

Is it possible _____ to get _____ state-_____ systems that _____ satellites?

We can _____ kick-ass _____ systems when we _____ up _____ your _____.

If _____ establish _____ collaboration _____ would allow us _____ navigation systems, we _____ be very _____.

_____ with one another _____ satellite-based navigation _____ rights?

_____ to _____ partnership _____ that _____ us _____ cutting-edge navigation systems _____ satellites?

If _____ establish a collaboration _____ us to access _____ navigation systems, _____ appreciated.

_____ partnership agreements _____ you _____ access _____ advanced _____ using satellite technology?

Our entities can _____ to gain _____ system.

_____ be possible _____ us to _____ usage _____ navigation _____ through partnership _____ with your company?

Are _____ work together _____ cutting-edge satellite-based navigation _____?

_____ we should _____ collaboration _____ would allow _____ access to _____ navigation _____.

If we could establish a collaboration _____ would allow us _____ navigation _____ be _____.

_____ arrange partnership _____ that _____ us use _____ systems using satellites?

Can _____ be used to _____ rights _____ sophisticated _____ on satellites?

Our _____ form partnerships for access _____ navigation systems.

Is _____ to partner to secure _____ usage _____.

_____ we _____ access _____ cutting-edge sat-nav _____ working _____?

_____ work _____ satellite-powered navigation systems?

Should we explore an alliance _____ technology employing satellites?

_____ entities work together to _____ navigation _____ needed?

_____ up so we _____ access _____ cutting-edge navigation _____?

A collaboration _____ avant-garde satellite-based navigation _____ be appreciated.

_____ to _____ an alliance where we acquire rights _____ advanced _____ satellites?

_____ partnering _____ acquiring usage _____ technologically-superior navigation _____ reliant on _____?

Is it _____ for _____ entities _____ for _____ usage of _____?

_____ could _____ for secured usage of _____ navigation _____?

_____ we can establish _____ collaboration that gives us _____ satellite-based _____ will _____ very appreciative.

Can we _____ agreements _____ get legal _____ satellite _____ systems?

_____ in access rights _____ cutting-edge navigation technologies _____ satellites.

_____ can we get permission _____ kick-ass sat-nav _____ your _____?

Can we combine _____ rights for _____ technologies?

We _____ establish _____ that allows us _____ satellite-based navigation _____.

possibilities of _____ use _____ dependent navigation _____ means _____ partnerships _____ our businesses

_____ it _____ for us _____ get usage rights _____ satellite _____?

Could our entities form _____ acquire _____ advanced _____?

Was _____ possible _____ acquire _____ advanced navigation _____ using satellites through _____?

_____ to establish _____ in order to obtain usage _____ satellite navigation _____?

Should we _____ for _____ use _____ satellite-based _____?

_____ we team up _____ a way _____ rights _____ cutting edge _____ technologies?

_____ could we _____ satellite systems _____.

_____ we _____ a _____ can we _____ better deal on the fancy _____?

Can _____ access and control highly developed _____ have _____ our entities?

_____ it _____ to _____ usage _____ navigation systems using _____?

Would _____ be possible to _____ partnerships in _____ usage _____ satellite-based _____ systems?

Can _____ secure _____ sophisticated navigation systems that _____ satellites?

Is _____ a way to get _____ rights _____ through _____?

Through _____ arrangement, could you _____ us _____ usage _____ over state-of-the-art _____?

_____ to obtain usage rights _____ satellite _____?

Can _____ work _____ to _____ navigation _____.

Can we work _____ each _____ satellite _____?

Will partnering _____ in acquiring _____ of _____ navigation _____?

_____ an option for _____ to secure _____ rights?

_____ we get _____ rights _____?

_____ to establish _____ in order _____ usage rights _____ state-of-the-art _____ navigation systems?

Can _____ up with a _____?

Do _____ options _____ Sat Nav _____?

Can we _____ with _____ to _____ access to _____ navigation?

_____ you lend a _____ in _____ privileges over _____ navigation _____ technology?

_____ possible to get usage _____ for _____ systems that _____?

_____ permission _____ equivalent _____ navigation _____ accomplished through partnerships.

_____ partnering _____ acquiring usage _____ systems reliant on satellites?

_____ we use top of _____ systems?

Can _____ the navigation _____ usage _____ through _____ collaborations?
 _____ we _____ a _____ can _____ some preferential _____ on _____ navigation systems?
 _____ agreements can _____ us _____ authorization _____ advanced navigation _____ on satellites.
 _____ it _____ obtain necessary _____ rights _____ state-of-the-art satellite-based navigation systems?

Partnering _____ allows us to score _____ kick-ass _____ systems.

Can we _____ sure _____ we _____ necessary _____ in _____ use _____ fancy navigation gadgets with _____?
 _____ it _____ to _____ advanced navigation _____ if necessary through partnerships?
 _____ a _____ for _____ entities to partner together and _____ each other _____ to _____ navigation _____?

Can _____ together _____ make sure that we have _____ cutting-edge _____?

Is _____ possible _____ us to _____ up with _____?
 _____ work _____ to secure satellite _____?
 _____ we _____ up _____ navigation _____?
 _____ we _____ rights _____ advanced _____ systems that _____ satellite technology _____ partnership _____?
 _____ it _____ our _____ to acquire usage _____ of satellite-powered advanced _____?

We _____ alliance _____ we acquire rights to _____ using _____.

Is _____ feasible _____ to _____ usage _____ for _____ systems that use _____?

Is it _____ for _____ entities _____ for secured _____ of satellite-based _____?

We could explore _____ which we _____ the _____ to _____ navigation _____ using _____.
 _____ it possible _____ arrangements _____ allow _____ access to top-tier _____?

Can _____ use _____ usage _____ sophisticated navigation systems that _____ on _____?
 _____ there _____ way _____ to get _____ navigation _____ that _____ satellites through partnerships?

Is partnership agreements _____ way _____ authorization for using _____?

If we _____ get preferential treatment on _____ fancy satellite-driven _____?

We could _____ rights _____ navigation _____ through _____ agreements.
 _____ it _____ get _____ navigation system _____ rights?

If we are _____ establish a _____ will allow us access to _____ it _____ appreciated.
 _____ it possible to _____ access to _____ between our _____.

Was _____ to _____ satellite systems _____?

Would partnerships _____ for securing advanced _____ using _____?

Can _____ get _____ navigation _____ other?

_____ possible to possibly _____ access to _____ collaborating between _____ entities?

We _____ able _____ give _____ satellite guidance _____ access.

Can _____ with _____ company _____ make _____ we have _____ to _____ latest _____ systems?

Can _____ for _____ navigation rights?

_____ it possible to establish _____ in order to _____ state-of-the-art _____ navigation _____?
 _____ allow _____ to get state-of-the-art satellite _____ when _____?

Do we _____ to use satellite _____ systems _____?

Is _____ agreements a _____ of getting _____ for using _____?

Can we _____ sure of _____ navigation gadgets with _____ partnerships?
 _____ it _____ get necessary access to _____ systems _____ satellite _____ partnership _____?

Can we _____ navigation _____?

Does securing _____ entities give us access _____ developed _____?

Can _____ cutting-edge satellite-based _____ by working with your _____?

Should _____ with my _____ use _____ power of _____ access sophisticated gps _____?
 _____ is _____ chance _____ we _____ an _____ where we _____ grant each other _____ cutting-edge _____ navigation tools.

Is it _____ get _____ satellite based navigation?

Will _____ help in _____ usage _____?

_____ aid _____ acquiring usage rights _____ technologically superior _____ systems?
 _____ there _____ chance _____ to grant _____ to _____ satellite-driven navigation _____ in an arrangement?

Collaboration agreements _____ help _____ gain authorization _____ navigation _____ on _____.

Does securing agreement _____ entities _____ access to _____ devices?
 _____ we _____ fancy _____ navigation systems that are _____ agreements?

Collaboration agreements _____ help _____ get _____ for navigation technology _____.
 _____ collaboration agreements _____ us _____ necessary _____ for _____ navigation _____ on satellites?

Is it possible _____ for _____ systems that _____ satellites?
 _____ partnering aid _____ rights for technologically-superior navigation _____ on _____?

How about an alliance _____ we _____ navigation technology _____?
 _____ it _____ to _____ in _____ to _____ necessary usage rights _____ satellite-based _____ systems?
 _____ possible to _____ partnerships _____ to _____ usage _____ of _____ navigation systems?
 _____ access _____ sat-nav by collaborating between our entities?

Does securing _____ between our entities allow _____ access _____ control _____?
 _____ it possible _____ usage _____ state-of-the-art navigation systems _____ use _____ partnerships?
 _____ we could _____ collaboration _____ allows us _____ to _____ navigation systems, _____ appreciated.
 _____ can _____ with our _____ secure _____ rights to _____ top-notch satellite- _____ systems.

Is _____ to _____ legal rights for _____ systems _____ collaborative _____?
 _____ we _____ satellite-based navigation systems in collaborative _____?

Was it possible to _____ advanced _____ systems _____ satellite technology _____ agreements?
 _____ get the right satellite navigation from _____?
 _____ appropriate, _____ entities _____ us access to highly developed satnav _____?

Imagine _____ joined _____ and _____ somethin' like state-of-the-freakin-art _____ satellites?
 Is it possible _____ access _____ satellite navigation systems by _____?

Are _____ partner _____ secure satellite-based navigation _____ usage _____?
 _____ agreements _____ able _____ access _____ avant-garde navigation technologies _____ rely on satellites.

Let's talk _____ possible _____ between _____ rights to _____ top-notch satellite- _____ navigation _____.
 _____ collaborate _____ your company _____ make sure _____ have access _____ cutting-edge _____ navigation _____?
 _____ would _____ secure usage rights _____ navigation systems _____ use _____.
 _____ we collaborate with _____ to make sure we have _____ to _____?
 _____ we work _____ to _____ satellite- based _____?
 _____ secure _____ for _____ navigation systems _____ on satellites through partnerships?

Can we _____ you _____ access to cutting-edge _____ navigation _____?
 _____ possible _____ partnerships that allow us to _____ systems that rely _____?
 _____ equivalent _____ navigation equipment _____ obtained through partnerships.

Is it possible to arrange _____ agreements that _____ us _____ satellites?
 Collaboration _____ help us acquire necessary _____ for advanced _____ technology _____.

Will _____ let us use _____ satellite _____ needed?
 _____ agreements between _____ could be _____ way _____ gain _____ that rely on _____.
 _____ help _____ usage _____ state-of-the-art navigation features using satellitic technology

Could _____ organizations _____ used _____ obtain permission for _____ navigation equipment?
 _____ we sign _____ for _____ hi-tech navigation _____ work _____ satellites?
 _____ alliance _____ acquire rights to advanced _____ technology using satellites.
 _____ partners _____ securing _____ acquisition of next-generation _____ utilizing _____ strategies, might it _____ us both?

_____ our _____ secure _____ rights for _____ reliant on satellites _____ using _____?
 Can _____ rights _____ sophisticated navigation _____ dependent on satellites by _____?
 _____ a _____ in which _____ acquire rights _____ advanced navigation _____ using _____?
 _____ it possible that our _____ to _____ rights _____ advanced navigation systems?
 _____ we _____ establish _____ us access to avant-garde _____ it would be great.

Is partnership _____ for secureing advanced _____ system _____?
 _____ could join _____ and _____ like _____ navigation _____ satellites.
 _____ possible to _____ that _____ us _____ use _____ navigation systems relying _____ satellites?
 _____ able _____ partner up to get _____ to _____ systems?

____ can ____ permission for kick-ass ____ if ____ partner ____ your ____ .
 There are ____ that ____ give us access ____ sophisticated ____ .
 Is ____ possible to ____ the necessary ____ system usage ____ ____ ?
 ____ we ____ to ____ access ____ for ____ navigation technologies?
 ____ partnering ____ the acquisition of ____ rights for ____ superior navigation ____ ____ satellites?
 ____ it ____ us to ____ usage ____ navigation systems using ____ ?
 How can we ____ company ____ securing usage ____ navigation?
 ____ we work ____ partnership ____ satellite ____ rights?
 ____ we arrange partnership agreements ____ allow us ____ systems that rely ____ ?
 ____ partnership ____ a good option for obtaining ____ instruments?
 ____ possible ____ cutting-edge satellite-based navigation systems ____ collaborating with ____ company?
 Is ____ possible ____ acquire ____ for ____ powered ____ equipment ____ partnerships?
 Can we ____ cutting-edge ____ navigation systems ____ we collaborate ____ your ____ ?
 We ____ partner to ____ navigation ____ .
 Can ____ sure ____ the ____ gadgets with ____ we ____ right partnerships?
 ____ it be possible ____ partnership ____ will allow ____ cutting-edge ____ systems using satellites?
 ____ establish a ____ that allows us access to ____ satellite-based navigation systems, ____ worth ____ .
 ____ it be possible ____ partnerships ____ obtain usage ____ for ____ navigation ____ ?
 Do partnership ____ allow for ____ advanced ____ technology?
 ____ we ____ a ____ agreement, can ____ some preferential treatment ____ the ____ satellite-driven ____ ?
 ____ it possible for ____ to work ____ and give each ____ access ____ ?
 ____ our entities able to ____ access ____ advanced navigation ____ ?
 Collaboration ____ between ____ businesses can ____ us gain access ____ navigation technologies ____ .
 Can ____ rights ____ navigation through collaborative agreements?
 ____ we can give you ____ access ____ satellite ____ ?
 ____ rights ____ be ____ partnership.
 Do ____ access ____ highly developed ____ devices ____ we have ____ between ____ entities?
 By collaborating ____ access ____ cutting-edge satellite-based navigation systems?
 ____ our ____ to have ____ to advanced navigation ____ ?
 Will ____ be able ____ cutting-edge satellite-based navigation ____ by ____ up?
 Is it possible ____ other access to ____ navigation tools in ____ ?
 Is ____ for our entities ____ use satellite-based ____ ?
 ____ possible ____ usage rights for cutting-edge ____ systems ____ use ____ ?
 ____ partnership ____ be ____ authorization ____ using ____ satnav instruments whenever necessary?
 Is ____ chance for our entities to work together ____ each other ____ navigation ____ ?
 ____ it possible ____ arrange ____ that ____ us ____ rely on ____ ?
 Can ____ a potential alliance in ____ acquire rights to ____ ?
 ____ we ____ satellite-based navigation ____ ?
 Can we potentially ____ sat-nav ____ between our entities?
 Can we go into a contract ____ that ____ ?
 Collaboration ____ used to ____ to navigation technologies that ____ satellites.
 If we have ____ necessary partnerships, can ____ guarantee ____ with ____ ?
 ____ get the ____ usage ____ through collaborations?
 ____ it possible ____ get usage ____ partnership ____ for ____ ?
 Can we ____ satellite ____ that ____ partnership agreements?
 Can our ____ collaborate ____ get access to ____ system?
 Is it possible to ____ get access to ____ ?
 If ____ to satellite-driven navigation, ____ there ____ available?
 ____ are ____ of securing ____ use top-notch satellite ____ navigation systems ____ between ____ .
 Should ____ rights of ____ superior ____ systems reliant ____ satellites?

Can we partner ____ to ____ ____ ?

Could ____ usage ____ over advanced ____ through partnership ____ ?

____ capable ____ satellite-based ____ usage rights?

____ there ____ partnership ____ that ____ us ____ to satellite-driven navigation ____ ?

Can we ensure ____ satellite-based navigation systems ____ collaboration ____ ?

____ you get ____ rights ____ partnerships for ____ powered ____ ?

____ join forces and ____ somethin' ____ state-of-the-freakin-art ____ with ____ ?

____ you ____ us ____ fancy ____ gadgets if ____ the necessary ____ in place?

If required, ____ are partnership arrangements ____ us access ____ satellite-driven ____ .

Can collaboration agreements ____ us obtain ____ authorization for ____ ?

If we ____ establish ____ collaboration ____ allow us ____ to satellite-based ____ will be ____ .

____ we'll get ____ system ____ together.

____ may ____ to form ____ for ____ to advanced ____ systems.

____ aid ____ usage rights of ____ navigation ____ on satellites?

Is ____ possible that ____ can guarantee ____ with satellites if we ____ place?

____ it possible to ____ up ____ partnership ____ access rights ____ cutting-edge navigation ____ ?

Is it ____ us ____ use ____ navigation ____ that use satellites?

Do ____ options ____ Satnav acquisition?

____ aid in acquiring usage rights of ____ superior ____ reliant ____ ?

____ possible ____ our ____ to grant ____ access ____ satellite-driven navigation tools ____ an arrangement?

____ it possible ____ us to ____ in ____ acquire usage ____ of advanced ____ ?

____ potentially achieve access to cutting-edge sat-nav by ____ ?

____ we ____ create ____ collaboration that would allow ____ access to avant-garde ____ systems, ____ be ____ .

We might ____ able ____ potentially ____ access ____ sat-nav by collaborating ____ .

Are ____ a ____ to ____ authorization ____ using advanced ____ instruments?

Will ____ be able ____ the ____ usage rights ____ collaborations?

If ____ could ____ usage ____ for ____ systems using ____ technology through partnership ____ ?

Can we be ____ of ____ gadgets with ____ if we ____ partnerships ____ ?

Are ____ able ____ legal ____ to advanced satellite-based ____ through ____ agreements?

____ partnership ____ of ____ to advanced ____ systems ____ satellite technology?

Would ____ possible ____ establish partnerships ____ order to ____ usage ____ state-of-the-art ____ systems?

Can ____ satellite navigation systems ____ ?

Can ____ for satellite-based ____ rights ____ ?

Can ____ so that we ____ cutting-edge navigation ____ depending on ____ ?

Should partnership ____ used to ____ authorization ____ satnav instruments?

____ results ____ access rights for cutting-edge navigation technology?

____ we possibly get access to ____ between ____ ?

____ means of ____ between our ____ secure rights ____ use ____ navigation systems.

Would partnerships ____ option for ____ advanced navigation ____ using ____ ?

____ agreements ____ way to get ____ for using ____ instruments?

____ agreements a viable ____ permission to use ____ satnav ____ ?

____ use fancy satellite navigation systems ____ .

So, ____ with your ____ allows ____ get permission ____ kick-ass sat-nav ____ ?

Are we ____ partner to get access ____ ?

____ possible for ____ to ____ those ____ connected ____ outer space under ____ agreements?

____ you capable of getting ____ connected to ____ through our ____ ?

Collaboration ____ can help ____ for ____ dependent on satellites.

Is there a way ____ us ____ usage ____ for state-of-the-art ____ ?

Legal rights to ____ navigation systems can ____ agreements.

____ you ____ to assist ____ in ____ over state-of-the-art navigation features ____ satellitic ____ ?

If _____ that will allow _____ access _____ satellite-based navigation systems, we will _____ very _____.

Can _____ work _____ satellite-based _____?

_____ it _____ for entities _____ secure _____ over satellite _____?

_____ use _____ to acquire usage _____ advanced navigation systems?

Can collaboration _____ necessary authorization _____ technology dependent on satellites?

_____ we explore _____ in which we _____ to _____ technology _____ satellites?

_____ a partnership agreement allow us _____ cutting-edge _____?

Is it _____ access _____ systems using satellite technology through partnership _____?

_____ possibilities of securing _____ top-notch satellite-dependent navigation systems through _____ businesses.

Can we coordinate _____ your company _____ to _____ systems?

_____ partnering help _____ rights _____ navigation systems reliant on _____?

Are partnership agreements _____ way _____ navigation rights _____?

If we _____ establish _____ collaboration that allows us access _____ satellite-based navigation systems, _____.

Can _____ team up so _____ partnership _____ rights for cutting-edge _____?

_____ partnering aid _____ rights of _____ navigation _____ dependent on _____?

Are _____ arrangements that _____ give _____ to satellite-driven _____?

_____ it _____ for _____ to secure usage _____ advanced navigation systems _____ satellites?

_____ of securing rights to _____ top-notch _____ means of _____ businesses were discussed.

_____ for us to _____ access to _____ control highly _____ devices?

Could partnerships _____ used _____ rights _____ advanced _____ systems that _____ technology?

Obtaining _____ navigation equipment may _____ accomplished through partnering with _____.

_____ it _____ for _____ entities to work together and _____ other access _____ cutting _____ navigation _____?

_____ required, _____ in _____ usage _____ of _____ navigation systems reliant on satellites?

Is _____ possible for _____ form partnerships to _____ usage _____ of _____?

Can _____ access _____ satellite-powered navigation _____?

We _____ able to access _____ by collaborating between _____.

_____ agreements _____ our businesses _____ a solution _____ navigation technologies _____ on satellites

_____ be _____ establish partnerships _____ order to _____ usage _____ state-of-the-art satellite-based _____ systems?

_____ to _____ permission for satellite-powered navigation equipment by _____ organizations?

_____ be possible _____ usage rights _____ navigation _____ using satellites?

Is there _____ partnership for _____?

_____ possible _____ to ensure access to cutting-edge satellite-based _____ systems _____ you?

_____ our entities _____ over _____ systems reliant on _____ by _____?

Is it possible _____ get _____ for _____ through _____ agreements?

_____ need be, _____ secured usage of navigation systems?

_____ could potentially achieve _____ by collaborating between _____ entities.

Could we potentially _____ cutting-edge sat-nav _____ with _____ other?

_____ partnerships help secure _____ navigation _____ that use satellites?

Can we _____ for _____ usage _____?

Our entities _____ for _____ to advanced navigation systems.

Would _____ agreement let us _____ navigation _____ powered by _____?

Can _____ work with you to _____ to _____ satellite-based navigation systems?

_____ some _____ satellite guidance system access together?

Are collaboration agreements _____ for _____ to _____ technologies that _____ satellites?

_____ there _____ arrangements that _____ allow us _____ to _____ navigation?

Are you _____ to _____ those _____ tools _____ to outer _____ under _____ partnership _____?

_____ we _____ forces to get _____ to _____ fancy _____?

_____ we form _____ access _____ advanced navigation?

_____ a partnership arrangement _____ us access _____ satellite-driven technologies?

_____ it _____ to _____ partnerships that will _____ to use cutting-edge _____ that _____ satellites?

_____ possible to _____ partnerships in _____ the _____ usage rights for _____ navigation?

Can we _____ satellites _____?

Is _____ our partnership will _____ rights for _____ navigation technologies depending _____?

We _____ between our businesses to secure _____ employ top-notch _____ dependent _____.

Collaboration _____ us _____ necessary authorization _____ advanced navigation _____ dependent _____ satellites.

Are _____ that will allow us access _____ technologies?

Is it _____ for _____ to gain _____ and control of highly _____?

_____ partnership agreements a _____ way to _____ for _____ instruments?

_____ our _____ join forces _____ get _____ to the _____?

Would it _____ possible for us _____ achieve _____ to _____ sat-nav by _____?

Would _____ partnership _____ allow us _____ satellite _____?

Is it _____ partnership _____ that grant _____ using cutting-edge _____ using satellites?

We could _____ to secure usage rights over _____.

Is _____ partnership _____ option for _____ navigation rights _____?

Are _____ to _____ nav _____ connected _____ outer space _____ the _____ agreements?

Will _____ obtaining usage _____ technologically superior navigation _____ on satellites?

_____ agreements can _____ us _____ authorization for advanced _____ technology that _____.

Is it _____ up for _____?

_____ to secure _____ rights _____ navigation systems using _____ technology?

_____ partnership agreements _____ to _____ navigation system _____ satellites?

Were _____ to _____ based systems _____?

Will _____ able _____ up _____ satellite-based _____ systems by teaming up?

_____ it _____ your firm _____ use satellites _____ sophisticated gps solutions?

_____ securing agreement _____ our entities _____ for access _____ control _____ satnav _____?

If we _____ the necessary partnerships in _____ those fancy navigation gadgets _____?

_____ we work with _____ to _____ access _____ cutting-edge satellite-based _____.

_____ partnership _____ be _____ to secure advanced navigation _____ rights using _____?

Is it _____ to _____ rights _____ satellite _____?

Is _____ usesatellite navigation systems _____ agreements?

_____ it _____ to establish _____ to obtain usage rights _____?

_____ get _____ necessary navigation system _____ through partnerships?

_____ should _____ a _____ allows _____ access _____ avant-garde satellite-based _____ systems.

_____ satellite _____ systems _____ our partnerships?

We can secure _____ to use top-notch satellite- _____ through _____.

_____ partnership _____ way _____ getting authorization for _____ advanced _____ instruments?

_____ rights of _____ navigational systems reliant on satellites?

_____ will allow the use _____ modern sat-navs?

_____ with _____ company, _____ secure usage rights for satellite-powered _____?

Can we work _____ partnership _____ get _____ fancy navigation _____?

_____ agreements a _____ get authorization _____ satnav instruments?

_____ can _____ partnerships _____ rights _____ use top-notch satellite-dependent navigation _____.

_____ it _____ that give us permission _____ cutting-edge navigation systems _____ satellites?

Are _____ arrangements available _____ give us _____ to _____ navigation?

If we _____ establish _____ collaboration that _____ to satellite-based _____ systems, it _____ be _____.

_____ it possible _____ to _____ in _____ to get usage _____ satellites?

_____ there partnership arrangements that _____ access to satellite-driven _____?

_____ of _____ fancy navigation _____ to outer space under _____ partnership agreements?

_____ can we partner _____ to _____ to the _____ systems?

Is _____ possible to _____ partnerships in _____ attain the _____ usage _____ for _____?

Is _____ agreements a viable _____ of getting _____ use _____?

Would ____ be possible ____ form ____ in order to obtain ____ rights ____ ____ ____ ?
____ you allow us ____ use ____ satellite ____ ____ when ____ ?
If we ____ establish a ____ ____ gives us access to ____ ____ navigation ____ it ____ ____ ____ appreciated.
It is ____ to ____ ____ rights to use top-notch ____ dependent navigation ____ ____ partnerships ____ ____ ____ .
____ up with ____ ____ allows ____ ____ get permission for ____ kick-ass sat-nav ____ .
Can we work ____ with ____ ____ make sure we ____ ____ ____ cutting-edge satellite-based ____ ____ ?
Can ____ secure usage ____ over ____ navigation ____ that ____ ____ technology ____ partnership ____ ?
____ ____ partner ____ satellite navigation ____ .
____ ____ able ____ ____ ____ rights ____ sophisticated navigation systems ____ on satellites?
____ ____ ____ the ____ to use top-notch satellite- dependent navigation ____ ____ ____ of partnerships ____ our ____ .
____ agreements ____ businesses can ____ ____ ____ access to navigation ____ ____ rely on ____ .
____ our entities work ____ to ____ ____ satellite-based ____ ?
____ we ____ achieve ____ to cutting-edge ____ by ____ between our ____ .
Will partnering aid in ____ ____ ____ rights ____ ____ ____ navigation ____ reliant ____ satellites?
____ ____ ____ so ____ ____ use ____ modern sat-navs isn't restricted?
Through partnership agreements, ____ ____ secure ____ ____ for advanced navigation ____ ____ ____ ____ technology?
Is ____ agreements ____ ____ ____ obtaining authorization to use advanced ____ ____ ?
____ we ____ ____ ____ agreement, ____ we ____ preferential ____ for those fancy satellite-driven ____ systems?
We can ____ permission ____ kick-ass ____ systems thanks ____ ____ ____ ____ company.
If ____ ____ establish ____ collaboration ____ gives us access to ____ ____ navigation ____ ____ will ____ grateful.
____ partnership agreements a ____ way ____ ____ ____ to ____ advanced ____ instruments?
Can ____ use partnerships ____ ____ ____ ____ for sophisticated ____ systems ____ on satellites?
