

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Damaged infrastructure reporting
Inquiry Sub-Category	Tree Trimming Request
Description	Customers request tree trimming near power lines to prevent tree-related damage to infrastructure, lowering the risk of power outages and improving system reliability.
Data Size	5,078 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

How can ____ identify ____ trees in ____ area ____ need ____ ____ electrical ____?

Suggestions ____ to ____ trees ____ quick trim around electrical ____?

____ wondering ____ tell me ____ many trees in my neighborhood need to ____ trimmed to protect ____ ____ ____ ____.

Do you ____ need immediate ____ around ____ Equipment?

____ if it's possible ____ need urgent ____ by my ____ power lines.

____ quick trim around ____ gear ____ trees?

____ like ____ know how ____ trees in ____ to be trimmed to ____ from power ____.

____ it possible ____ identify ____ need immediate ____ electrical equipment?

____ trees need ____ be cleared around ____ safety?

____ trying ____ out ____ many trees ____ area need to ____ stay away ____ the power lines.

I ____ wondering if ____ identify ____ trees ____ need urgent ____ my ____ power lines.

I ____ to know ____ trees, and if the ____ be trimmed immediately ____ electrical equipment.

I ____ if ____ can ____ me ____ to be trimmed ____ my neighborhood to ____ current ____ power lines.

How ____ trees that ____ electrical equipment ____?

I am ____ if it ____ possible to ____ trees ____ by ____ lines.

____ give guidance on quickly ____ risk-prone trees ____?

Do ____ know ____ that might endanger power ____?

____ should ____ taken to quickly ____ trees ____ the electrical ____?

____ trees ____ to ____ trimmed near the ____ lines.

I'm wondering if you ____ tell ____ number ____ in ____ that need ____ be ____ safe from ____ lines.

____ suggestions on how ____ trees ____ need ____ trim ____ electrical ____?

I need your ____ trees ____ electrical ____ immediate attention.

____ way to ____ vulnerable trees near electrical ____ need ____?

How ____ find out if there are high- risk ____ if ____ trimmed ____ around ____ electrical equipment?

____ wondering ____ help me figure out ____ many ____ my area ____ to ____ to ____ from power lines.

You ____ figure out how ____ trees ____ my ____ need to ____ trimmed to ____ from ____ lines.

____ to ____ if there ____ trees, and if there is a need ____ them ____ electrical ____.

I'm wondering if you ____ me ____ number ____ in ____ neighborhood ____ need to ____ trimmed ____ keep them ____ from ____

_____ there _____ see trees near electrical installations _____ trimming?
 _____ you _____ hazardous _____ require _____ Pruning around electric equipment?
 _____ it _____ identify _____ that _____ urgent _____ by my _____ power lines?
 _____ to _____ near power gear.
 Can you help _____ trees _____ need to be _____ around _____?
 Is _____ possible _____ quickly spot _____ electrical equipment?
 I'm _____ it's _____ to _____ the power _____ that _____ to be trimmed.
 _____ it _____ to _____ high _____ trees _____ if they _____ to be trimmed immediately around electrical _____?
 Do _____ for spotting trees _____ electrical equipment that _____?
 I'm wondering _____ can tell me how _____ trees in my _____ need _____ to _____ the _____ lines.
 Can _____ help _____ figure _____ how many trees _____ neighborhood _____ to be trimmed _____ stay _____ power _____?
 _____ any trees _____ that I should _____ down for _____?
 _____ are _____ risk trees _____ if there is _____ to trim them immediately around _____ equipment.
 _____ it possible _____ tell me how _____ transformers and poles?
 How to _____ trees that _____ a risk _____?
 How _____ I know if there _____ risk trees _____ to _____ immediately around electrical equipment?
 _____ identify trees _____ risk _____ nearby power lines?
 _____ it _____ to spot _____ that endanger _____ equipment _____?
 _____ there _____ trees _____ that should _____ down for _____ safety _____?
 I need to _____ there are _____ trees nearby _____ should _____ cut _____ for _____.
 Is _____ way to _____ to be trimmed immediately near _____?
 I _____ to find high-risk _____ to _____ electrical equipment.
 _____ to know which trees near power _____ to _____.
 I'm _____ if _____ help figure out how many _____ in my _____ need to be trimmed _____.
 _____ you _____ identify _____ dangerous _____ near electrical equipment?
 _____ to _____ if there _____ need to trim _____ risk _____ immediately _____ equipment.
 _____ can _____ that need immediate _____ electrical equipment?
 _____ should _____ immediately to identify _____ near electrical infrastructure?
 _____ need to _____ cleared _____ equipment to protect _____ community?
 _____ you _____ me guidance on _____ risk-prone _____ facilities?
 _____ trying to identify potentially _____ trees near electrical _____ need _____.
 _____ you _____ me identify _____ that _____ immediate _____ around electric _____?
 Which _____ be _____ locate dangerous trees _____ near electrical _____?
 Can you _____ me how _____ can _____ the high-risk trees _____?
 I _____ high _____ trees, and if there _____ need _____ take immediate trims around _____ equipment.
 _____ identify _____ trees near electrical equipment.
 Is _____ possible to _____ need to _____ near _____ lines?
 I am _____ can tell me _____ of _____ in my _____ that need _____ trimmed to _____ room _____ the _____.
 _____ you help _____ identify trees _____ Pruning around electric _____?
 I'm wondering if you _____ tell _____ trees _____ my neighborhood _____ to _____ of the _____ of the power
 Is _____ a way to _____ trees _____ power _____?
 _____ endanger electric setup.
 _____ it possible to _____ that needs _____ be trimmed _____ electrical _____?
 I would like to _____ there are high-risk trees, and _____ needs _____ trimmed _____ equipment.
 _____ am in need of _____ potentially _____ near electrical _____.
 I am wondering _____ me _____ out how _____ trees in _____ neighborhood need _____ to _____ protected from power _____.
 I _____ wondering _____ help figure out _____ trees in my neighborhood _____ be trimmed _____ stay away _____ the _____.
 _____ need help _____ out how _____ trees in _____ neighborhood _____ trimmed to stay _____ from _____ lines.
 _____ interested _____ how many _____ in my neighborhood _____ to be _____ to stay _____ from _____.

____ can ____ quickly ____ power gear?
 ____ electric equipment can I ____ trees ____?
 ____ like to ____ with urgent trimming ____ power lines.
 ____ there ____ recognize ____ trees near the poles and ____?
 ____ to know ____ trees ____ my ____ to be trimmed ____ order to ____ protected ____ the ____ lines.
 How to ____ trees ____ for trimming ____ lines?
 ____ wondering ____ possible ____ help determine ____ trees near the power ____ need _____.
 Are there ____ near electric equipment ____ need ____?
 Can ____ give us guidance on how ____ spot ____ trees ____?
 How ____ find ____ electrical installations that ____ trimming?
 ____ there any trees ____ need to ____ for ____ safety?
 Do ____ near the ____ need to be ____?
 Would ____ be ____ risky trees near electrical equipment?
 ____ to ____ to find high-risk ____ to take ____ of ____ equipment.
 I would like ____ nearby that ____ be ____ for electrical safety reasons.
 I would ____ to ____ many ____ neighborhood ____ to ____ trimmed in ____ to ____ from power lines.
 I ____ the number of trees ____ my ____ that ____ to be trimmed ____ stay ____ from ____.
 I'm ____ you can ____ me ____ trees in my neighborhood need ____ keep ____ out of ____ power ____.
 Can ____ help me identify hazardous ____ that ____ be ____ quickly ____?
 I ____ can help me figure out how ____ my neighborhood need to be ____ excess ____ near power ____.
 ____ am ____ can ____ how many ____ in my neighborhood need ____ be trimmed to stay ____ power ____.
 How ____ quickly ____ power gear.
 ____ can ____ find the high-danger trees ____ that need to ____?
 ____ give ____ guidance on how ____ spot ____ trees ____ poles?
 Can you offer ____ on ____ detecting risk-prone ____?
 ____ possible to ____ trees that need ____ power lines?
 Is ____ to identify ____ that need urgent trimming ____ lines?
 ____ you know where to ____ dangerous ____ power ____?
 Can I spot high-danger trees ____ installations ____?
 ____ can ____ tell ____ are ____ trees or if ____ to ____ immediately around the electrical equipment?
 Any quick ____ risky ____ to ____ wires?
 I am wondering ____ there are ____ be ____ for electrical ____ reasons.
 I wonder ____ possible ____ identify ____ trees ____ need urgent trimming ____ neighbors' ____ lines.
 ____ wondering if you could ____ figure ____ trees ____ my neighborhood ____ to ____ to ____ protected from ____ lines.
 What ____ to ____ the ____ of the power lines?
 Can you ____ me about the ____ gizmos?
 ____ want ____ know ____ there ____ a need ____ take immediate trims ____ equipment, ____ there ____ a high ____ of ____.
 Could you ____ potentially ____ trees near ____ need ____ attention?
 Which ____ taken to identify ____ trees ____ need ____ near electrical ____?
 I'm wondering ____ you know ____ number ____ in my ____ need to be ____ away from ____ power ____.
 Are there potentially risky ____ immediate attention?
 ____ wondering if you can ____ many trees need to be trimmed to keep ____ from ____.
 ____ know ____ find high-risk ____ for ____ care of electrical equipment.
 How can ____ are ____ trees ____ if there ____ to ____ them ____ around electrical equipment?
 ____ find ____ many ____ in my neighborhood need to be ____ to ____ current with ____.
 ____ see ____ that ____ near electric equipment?
 ____ to spot ____ that might ____ danger ____ lines?
 Is it ____ identify ____ need urgent trimming by ____ power ____?

_____ is _____ for immediate _____ electrical equipment, _____ I able _____ determine if _____ high- risk trees?
 _____ do _____ if there _____ high- risk trees _____ if _____ is _____ need to _____ around _____ equipment?
 Is _____ possible to _____ need _____ electric equipment?
 Is _____ a way to _____ trees _____ transformers _____ requiring prompt _____?
 _____ possible _____ trees near power gear?
 Which _____ to be removed _____ around _____?
 I want to _____ are high-risk trees, and if _____ need _____ be _____ electrical _____.
 _____ find _____ that need _____ quickly around electrical equipment?
 Can _____ help me _____ trees _____ immediatePruning around _____?
 Is it _____ identify the _____ need trimming by _____?
 _____ you _____ identify hazardous _____ immediatePruning around electric equipment?
 _____ trees _____ need to be trimmed?
 _____ it possible _____ trees needing _____ electrical equipment.
 _____ am _____ if you can help me _____ many trees _____ my neighborhood need _____ be _____ them safe _____.
 I _____ it is _____ to _____ trees that need urgent _____ lines.
 _____ help _____ identify _____ that need immediate _____ electric equipment?
 How do _____ there _____ if the tree needs to be trimmed immediately _____ electrical _____?
 _____ wondering _____ you can tell _____ how _____ trees _____ my neighborhood _____ to make room _____ lines.
 I _____ if _____ is possible _____ trees _____ nearby power lines.
 I _____ wondering if you _____ tell _____ trees _____ my neighborhood need to be _____ to _____ from _____.
 Is _____ way _____ trees _____ to _____ installations that _____ to be _____?
 _____ possible to identify _____ trees _____ by my neighbors power _____?
 Is there a _____ high-danger trees near _____ installations _____?
 Which _____ to _____ electric equipment for community safety?
 _____ would like to know _____ to _____ trees _____ poles.
 Suggestions for _____ high-risk _____ that need quick _____?
 _____ there _____ unsafe trees _____ the power _____ I do?
 Can _____ identify _____ immediatePruning around Electric Equipment?
 _____ you can help _____ out _____ many _____ neighborhood need to _____ so I can _____ protected from power
 _____ are _____ near _____ lines, what _____ I do?
 _____ you _____ to _____ dangerous trees _____ power _____?
 _____ have any _____ need to _____ trimmed for _____ reasons?
 _____ possible to _____ trees near electrical equipment _____ need _____ immediately?
 _____ wondering if it's _____ identify _____ that need _____ near _____ lines.
 _____ there a _____ to identify _____ be _____ around electrical equipment?
 _____ I _____ trees that _____ electrical _____?
 How _____ I _____ high _____ and if there is a need _____ them _____ around electrical _____?
 Can you _____ can see the high-risk trees _____ electricity _____?
 I _____ know if I have _____ trees _____ should _____ trimmed for _____.
 _____ trees that endanger electrical _____?
 _____ would _____ identify potentially risky _____ electrical equipment.
 How _____ I know _____ there is _____ need _____ immediate _____ around _____ and _____ there is _____ high _____ of _____?
 _____ am _____ if you can _____ out how _____ trees _____ neighborhood need to _____ trimmed _____ stay current with _____.
 I _____ if it is possible _____ near a _____ that need _____ trimmed.
 I'm wondering if you can _____ me figure out _____ trees _____ need _____ be _____.
 What _____ to _____ cleared _____ equipment for _____ safety?
 I _____ to find high-risk _____.
 Is _____ possible _____ identify trees _____ need to be _____ quickly _____.

I'm wondering if _____ trees that _____ cut _____ electrical _____ reasons.

_____ to spot trees _____ electrical equipment _____?

How to _____ unsafe _____ gear?

I _____ to know how many _____ neighborhood _____ to _____ trimmed _____ from the power lines.

_____ need _____ in identifying _____ equipment that need immediate _____.

I _____ know which trees near power _____.

High-risk _____ be _____ electrical equipment.

_____ am wondering _____ it _____ the trees that need _____ power lines.

What _____ need to be _____ the power _____ neighborhood?

I want _____ know how many trees _____ need _____ be trimmed _____ away _____ lines.

I _____ wondering if _____ number of _____ my _____ need to be trimmed in order _____ stay protected _____ lines

How to _____ that are risky _____ trimming _____ lines?

Is it _____ to _____ near electrical _____ that need _____ trimmed?

How _____ I find _____ near _____ plants?

_____ want to know if there are _____ trees _____ be _____ around _____.

_____ see trees that _____ endangering electrical _____ quickly?

I am wondering _____ it is _____ to _____ trees near _____ line _____ to _____ trimmed.

_____ want to _____ there are high- risk _____ if I _____ to _____ them _____ electrical _____.

_____ there any trees _____ neighborhood that _____ to _____ trimmed _____ stay _____ lines?

Where _____ I _____ dangerous trees _____?

_____ there a way to _____ nearby _____ and _____?

Can _____ help identify hazardous _____ immediatePruning around _____?

Do I _____ that need to be cut _____ of _____?

If there is _____ to take _____ trims _____ electrical _____ am _____ able _____ there are high _____ trees?

_____ wondering if you _____ help _____ figure _____ how many trees need to _____ in order _____ away _____.

_____ are trees _____ that need _____.

_____ want to know how many _____ in _____ be trimmed to _____ the _____ lines.

Is there _____ to _____ need _____ trimming near powerlines?

_____ it possible _____ determine _____ the _____ be _____ immediately around _____ equipment?

_____ you _____ how to _____ risk-prone _____ near electrical facilities?

Is it possible _____ identify _____ near _____?

I am wondering if it is _____ identify _____ trees _____ the _____.

I'm wondering _____ you can _____ figure _____ how many trees in my _____ to _____ them _____ of _____ power

_____ any trees that _____ be _____ down _____ for _____ safety _____?

How do I determine _____ there are _____ risk _____ there is _____ need _____ take _____ equipment?

Are there _____ need _____ near _____?

_____ trees near electrical equipment that _____ immediate _____.

prompt cutting beside utility _____ at _____

_____ it possible to identify _____ should _____ trimmed _____ electrical _____?

If _____ are trees close _____ that _____ what should I _____?

I _____ wondering _____ you _____ tell _____ how _____ in my _____ to _____ to stay current _____ power lines.

_____ you _____ where dangerous _____ can be _____ around _____?

_____ can _____ do to _____ trees _____ are endangering _____?

_____ cutting beside _____ to _____ trees

I'm wondering _____ you _____ tell _____ many trees _____ my _____ to _____ current with power lines.

Is it possible _____ trees _____ prompt trimming _____?

Is there a way _____ identify _____ in dire need _____?

_____ am curious _____ to _____ the trees that need _____ the power lines.

_____ there _____ way to identify _____ that _____ immediate _____ powerlines?

_____ are potentially unsafe trees _____ to _____ what should _____?

_____ am wondering if _____ is possible to _____ urgent trimming _____ lines.

Were you able _____ help _____ trees near electrical _____ attention?

I _____ wondering _____ possible _____ determine _____ trees _____ the _____ line need _____ trimming.

_____ tell me _____ identify _____ trees near electrical _____?

Is there _____ to identify trees with immediate _____?

_____ tell if a _____ is risky by _____ power _____?

_____ power lines, _____ am _____ what _____ need to be _____.

I would _____ to _____ near electrical equipment _____ are _____.

_____ you _____ me on _____ risk-prone _____ electrical facilities?

_____ it _____ to _____ that need trimming _____ electrical _____?

_____ you _____ identify _____ that need _____ pecking around _____ equipment?

_____ look _____ unsafe local trees near _____ gear?

How _____ I identify _____ endangering electrical _____?

_____ wonder if it's _____ the _____ that need _____ by _____ power lines.

I'm wondering _____ is possible to _____ determine _____ trees _____ power line _____.

_____ to _____ may _____ power lines?

How _____ I _____ determine if _____ are high risk _____ and if the _____ immediately around the _____?

How _____ I _____ trees _____ electrical installations _____ need _____?

Is _____ possible _____ need urgent trim _____ power lines?

_____ you show me _____ to _____ near electrical _____?

I _____ trying to figure out how many trees in my _____ need _____ be _____ of _____ of _____.

_____ to recognize _____ that need quick _____ electrical gear?

Are you able _____ identify potentially risky _____ near _____ immediate _____?

Is there a _____ identify _____ need _____ around power lines?

_____ curious _____ you _____ help _____ figure out _____ trees in my neighborhood need to _____ trimmed _____ power lines

How can _____ trees that _____ electrical _____?

_____ there is a _____ to take _____ trims _____ electrical equipment, how is I _____ high risk _____?

Can you _____ identify hazardous _____ that need immediate _____?

_____ way to _____ high-danger trees _____ to _____ that need to _____ trimmed?

I _____ like _____ know how many _____ my _____ need _____ be _____ so _____ stay current _____ lines.

How can _____ unsafe _____ near _____ plants _____?

_____ am _____ of help identifying potentially _____ near electrical _____.

_____ know how I _____ spot _____ high-risk trees _____ electricity equipment.

I _____ like to know how _____ trees in _____ to _____ order _____ stay _____ with _____ lines.

How can I _____ are _____ or _____ there is _____ take immediate trims _____ electrical equipment?

_____ wondering if you can figure _____ how _____ trees _____ my _____ be _____ stay away from the _____.

I am _____ if _____ help me figure _____ of _____ my _____ need to be _____ stay away from _____ power

I'm wondering _____ can _____ me _____ need to _____ trimmed to stay away from _____ lines.

I am wondering _____ help me _____ how _____ trees _____ my neighborhood _____ to _____ trimmed _____ to date _____ power lines

I'd like to know how _____ my _____ need _____ trimmed to stay _____ from _____.

_____ it possible _____ a tree that _____ to be _____ quickly _____?

_____ there are _____ trees nearby _____ should be trimmed for _____ safety reasons.

Which _____ be _____ next _____ infrastructure to _____ locate dangerous _____?

_____ wondering if you _____ help _____ figure _____ many _____ my _____ need _____ be trimmed _____ remove _____ vegetation _____ the power

I would like to _____ how many _____ be _____ from _____ power lines in my _____.

_____ I have _____ trees _____ trimmed because _____ electrical safety?

_____ you _____ identify trees _____ equipment _____ immediate attention?

_____ you tell me _____ trees _____ that need _____ trimming?

_____ you _____ identify _____ that need immediate _____ Electric Equipment.
 I _____ can help _____ figure out how _____ trees _____ to _____ trimmed to _____ away _____ the _____ lines.
 _____ there a _____ needing trimming _____ electric equipment.
 _____ want _____ where _____ high risk _____ to take care _____ electrical _____
 _____ if _____ is _____ need to trim high-risk _____ immediately around _____ equipment.
 _____ it _____ if high-risk _____ need _____ be _____ immediately around electrical _____?
 _____ you _____ help me figure out _____ trees in my neighborhood need _____ be _____ to protect _____ power

 I _____ if _____ can help me _____ out how _____ in _____ neighborhood _____ be trimmed _____ clear _____ the _____ near
 power _____
 How _____ spot _____ trees _____.
 Do you know how to _____ high-risk _____?
 _____ wondering if you can _____ number of _____ that _____ to be trimmed _____ keep them out _____ the _____
 Will I be able _____ spot _____ electric _____?
 _____ can I _____ trees _____ equipment _____?
 _____ wondering if _____ possible _____ help _____ trees near _____ power _____ need to _____.
 _____ to locate unsafe _____ power _____?
 I am _____ if _____ are _____ trees near _____ my neighborhood.
 I _____ to _____ high _____ to take care of _____.
 _____ should I do _____ potentially unsafe _____ power lines?
 I _____ is possible _____ trees with urgent trimming near _____ lines.
 I don't _____ how to _____ if _____ are _____ there is a _____ immediate _____ around electrical equipment
 I'm wondering _____ tell me _____ number _____ trees _____ to be trimmed _____ the power lines _____.
 _____ there a need _____ trim high- risk _____ around _____?
 If you can help _____ figure out how _____ trees in _____ neighborhood _____ be _____ to _____ power _____.
 I _____ help figuring out how _____ trees in my neighborhood _____ stay _____ from the _____.
 _____ do _____ know if there are _____ there is a need to _____ immediate _____ electrical _____?
 Can _____ me to _____ need _____ be trimmed around the _____?
 Can you _____ me _____ many _____ in my _____ to be trimmed _____ away _____ the _____ lines?
 _____ know if you can tell _____ trees _____ power apparatus.
 _____ way _____ spot the high-danger trees _____ electrical _____?
 I _____ like _____ number _____ trees in _____ that _____ to _____ to _____ protected from power lines.
 I am _____ if it is _____ to identify _____ that need _____ neighbors _____.
 _____ way to _____ near the transformers and poles?
 Is _____ any trees that _____ be _____ electrical _____ nearby?
 I'm wondering if you _____ help _____ figure _____ how many _____ my neighborhood need to _____ power
 _____.
 _____ be _____ to _____ me _____ trees near electrical _____ immediate attention.
 Spot dangerous _____?
 I _____ wondering _____ possible _____ identify _____ trees _____ urgent trimming _____ the power _____.
 If _____ a need _____ around electrical equipment, _____ can _____ the trees are high risk?
 Do _____ have trees _____ cut _____ electrical reasons?
 I _____ is possible _____ trees _____ the power line need a _____ of trimming.
 _____ steps _____ be _____ to quickly identify dangerous _____ near _____?
 I'm _____ if you _____ help me _____ number _____ trees _____ be trimmed _____ remove the excess vegetation _____
 the _____
 _____ wondering if _____ can tell _____ many _____ my neighborhood _____ to _____ to clear the vegetation _____ the _____
 _____ to find _____ quickly near _____.
 I would _____ to know if _____ is possible to identify _____ the power _____ to _____.
 Can you _____ me _____ are _____ around your _____ gizmos?
 I'm wondering _____ you _____ determine how _____ trees _____ neighborhood need _____ trimmed to stay away _____

power ____.

If ____ is a need ____ take immediate trims around electrical ____ I ____ out ____ high-risk ____?

I'm ____ it's ____ to identify the trees that need ____ trimming ____.

____ to figure out which ____ power ____ need to ____.

Is ____ any trees ____ need to ____ trimmed ____ electrical ____?

Where ____ I ____ trees that ____ around electrical equipment?

____ can tell me ____ many ____ need ____ be trimmed in my neighborhood ____ keep ____ lines.

I ____ wondering ____ me the ____ trees that need to ____ trimmed ____ stay current ____ power ____.

____ do ____ know if ____ are high ____ trees, ____ if ____ needs to ____ trimmed immediately around ____?

____ I ____ that ____ down for electrical safety?

I need to ____ if there ____ high- ____ trees, ____ to be ____ immediately around ____ equipment.

What should ____ there are potentially ____ the power ____?

____ to ____ if ____ is any need to ____ the high ____ trees ____ around ____ equipment.

Which ____ need ____ immediately around electric equipment?

____ would like to know ____ it's ____ the power line ____ a lot of ____.

____ wondering if you can help ____ figure out ____ trees in my ____ to ____ trimmed to keep ____ from ____

____ possible ____ if there ____ risk trees and ____ a need to trims electrical ____?

I'm wondering ____ it's ____ to identify ____ near the ____ line that ____ trimming.

____ can I find the ____ that ____ unsafe ____?

____ want ____ know ____ there is a ____ trim the ____ electrical equipment.

How ____ I quickly ____ unsafe local trees ____?

____ can I find ____ that ____ to ____ immediately around ____?

____ want ____ is a need ____ trim high ____ trees around electrical ____.

____ can ____ that endanger electrical equipment ____?

Seeking ____ that could ____ setup.

____ your help ____ trees ____ equipment ____ need immediate attention.

I ____ potentially ____ trees ____ electrical equipment that ____ immediate attention.

____ it ____ to ____ the trees ____ trimming near ____ power ____?

____ I ____ that should be trimmed ____ electrical ____?

____ how ____ unsafe trees near transformers and poles?

____ steps ____ taken to quickly ____ dangerous trees ____ infrastructure?

I ____ is possible to ____ trees ____ urgent trimming ____ power lines.

How can ____ tell if ____ are ____ trees and if there ____ a ____ trims around ____?

____ there any trees ____ that should be ____ safety?

Can ____ tell ____ how ____ quickly ____ prone trees near ____?

____ like to know how many trees ____ my ____ to ____ trimmed to ____ lines.

I want to ____ are ____ and if ____ is ____ them ____ around electrical equipment.

I'm ____ possible ____ help determine ____ power line that need to be ____.

____ you ____ hazardous trees that ____ immediate trimming ____ electric equipment?

____ want to ____ if there ____ a need ____ take immediate ____ electrical ____ and if ____ high-risk ____.

____ you tell ____ to ____ high-risk ____ are damaging our ____ equipment?

____ trimming ____ trees quickly around electrical ____?

____ would like to ____ many trees ____ need to be trimmed to ____ power ____.

____ wondering ____ you ____ help me figure out ____ many ____ need ____ be trimmed ____ keep them ____ from the ____

I'm ____ can ____ me ____ in my neighborhood ____ to be trimmed to be ____ from ____ lines.

If ____ are unsafe trees close ____ power ____ do?

I was ____ you could ____ potentially dangerous trees near ____.

____ help ____ figure out ____ many trees in my ____ need to ____ trimmed to keep myself ____ power ____

How can I ____ unsafe ____ near ____?

How _____ identify unsafe local trees _____ gear?

Do you know _____ look for _____ trees close _____ need _____?

_____ there a way to recognize _____ and _____?

Is _____ possible _____ spot trees needing _____ electric _____?

_____ any _____ power lines _____ my neighborhood that need _____?

_____ you _____ hazardous trees _____ need to _____ electric equipment?

Is it _____ that need to _____ electrical equipment?

Is _____ a way _____ identify trees around _____ that _____ trimmed?

_____ you know how _____ spot high-risk _____ close _____ equipment that _____?

_____ find unsafe trees _____ power _____?

_____ you help identify _____ require immediate Pruning _____ Equipment?

_____ electric _____ Pruning nearby?

I _____ your help _____ risky trees _____ equipment.

Any quick _____ identify _____ foliage near _____ dangers?

How _____ I _____ if _____ are _____ trees _____ if there is a need to _____ immediate _____?

Do _____ know _____ near power _____ urgent trimming?

I want _____ know how _____ trees _____ neighborhood _____ to be _____ in _____ to stay _____ from _____.

_____ do I find _____ high-risk _____ that cause _____ near _____?

_____ you _____ me identify potentially _____ trees _____ electrical equipment _____ immediate attention?

I need _____ out how _____ trees _____ my neighborhood _____ to be _____ away from power _____.

Can _____ help _____ identify _____ that _____ trimming around _____ equipment?

_____ identify _____ near electrical equipment _____ need _____ attention.

_____ wonder if _____ is _____ to help determine which trees _____ need _____ lot of _____.

Do you _____ high-risk trees are _____ that needs _____?

Can _____ help _____ find _____ power lines that _____?

_____ wondering if _____ can help me figure _____ many _____ in _____ need _____ avoid the power lines.

_____ I have any _____ be _____ because of _____ concerns?

_____ there _____ to _____ the danger _____ near _____ installations that need _____?

_____ to _____ if there _____ high- risk _____ and _____ they need to _____ trimmed _____ near _____.

Is _____ possible _____ determine _____ near _____ line need urgent _____ in the _____?

urgent _____ power _____ detect risky trees?

_____ high risk _____ need _____ be _____ electric equipment?

_____ quick _____ dangerous foliage close to _____ wire _____?

Is there trees _____ trimmed near electric _____?

I'm _____ can tell me how many _____ in my neighborhood need to be _____.

Can you help me _____ hazardous _____ immediate _____ around _____?

I am wondering if you _____ out how many trees _____ to _____ trimmed to _____ from power _____.

I'm wondering if _____ can tell _____ how many trees in _____ be _____ in order _____ away from _____

How to find _____ trimming power lines.

Do _____ have any _____ trimmed for electrical _____ reasons?

_____ potentially _____ trees near _____ need immediate attention.

Suggestions _____ to identify _____ trees _____ quick _____ electrical gear?

_____ wondering if you _____ me the _____ trees in _____ need to be _____ to protect _____ from _____ lines

_____ don't _____ how to _____ trees near electrical _____ need _____.

Suggestions for quick _____ around _____ gear _____?

_____ there _____ trees in my neighborhood _____ need to _____ trimmed to _____?

_____ want _____ know if there _____ risk _____ if _____ tree needs _____ trimmed immediately around _____ equipment.

_____ know the number of trees in _____ neighborhood that need _____ be _____ to _____ lines.

What _____ do _____ spot _____ that _____ electrical equipment?

Can _____ me _____ hazardous trees that _____ immediate Pruning _____ Equipment?

I _____ wondering if _____ is _____ determine _____ trees near the power line _____ urgent _____.

Is _____ a _____ to see _____ to _____ need trimming?

How _____ know if _____ tree _____ trimming around electrical _____?

_____ if it's _____ to identify trees that _____ urgent trim _____.

_____ wondering if it's possible to identify the _____ the power _____.

_____ have _____ trees _____ need to _____ cut _____ for _____ safety?

_____ I know _____ high _____ and if _____ trim them immediately around electrical equipment?

_____ it _____ to tell _____ to identify unsafe _____ nearby transformers _____?

How _____ the unsafe _____ near _____?

_____ to _____ trees _____ quick _____ around electrical gear?

_____ spotting _____ trees near _____ equipment that need _____?

I am _____ you can let _____ know how _____ trees _____ neighborhood need to _____ away from _____.

_____ identify trees that _____ a danger to _____?

I'm _____ figure out which _____ power lines _____ urgent _____.

_____ there any _____ near _____ lines that need _____ be _____?

Can you help me _____ that _____ immediate _____ around _____?

I _____ know _____ many _____ in my _____ need to _____ trimmed to _____ away from _____.

Is it _____ to _____ if high- _____ to be trimmed _____ equipment?

_____ you could tell _____ how many trees _____ neighborhood _____ be trimmed to _____ protected from _____.

_____ am I able _____ quickly _____ trees _____ electrical _____?

I'm _____ if _____ possible _____ identify _____ trees _____ the _____ need to be trimmed.

_____ tell me how _____ my _____ need _____ trimmed to stay protected from power _____?

I _____ if _____ to help determine _____ trees _____ power line need _____.

I'm _____ if it's possible _____ determine _____ near the power line _____ the _____.

_____ possible _____ spot _____ trees near _____ equipment?

I _____ can help _____ figure out how _____ trees in my _____ to _____ to _____ the _____ lines.

_____ are _____ close to _____ equipment _____ to be trimmed.

I was _____ if _____ help me _____ number _____ my _____ that need to _____ trimmed to stay _____ from _____ lines

Spot _____ near _____ equipment?

Can _____ help identify _____ immediate Pruning around electric _____?

Is _____ way to _____ unsafe trees _____ power _____?

Do I _____ that _____ be cut down quickly _____?

_____ you _____ where _____ high-risk _____ near electrical _____ that _____ trimming?

I _____ know if there _____ to take immediate trims around _____ if _____ high- risk _____.

_____ to _____ the unsafe _____ power _____?

_____ please, _____ above wires & urgent leaf-trimming _____?

_____ to _____ how _____ trees in _____ need to _____ trimmed to _____ away from power _____.

Can _____ help _____ detect risk-prone _____ electrical _____?

_____ you help _____ with _____ hazardous _____ Pruning around Electric Equipment?

What do _____ do _____ quickly _____ that _____ electrical _____?

I'm trying _____ many _____ in _____ neighborhood _____ be trimmed to _____ away from the _____ lines.

_____ tree trimming candidates that _____

I would like to know how many _____ neighborhood _____ to be _____ to _____ with _____ lines.

_____ need to know _____ find _____ trees _____ of the _____ equipment.

I am curious _____ can help _____ figure _____ trees _____ need _____ trimmed to stay away from _____ lines.

_____ wondering _____ you can _____ me _____ trees in _____ neighborhood _____ to be protected from _____ lines.

Is it possible _____ trees _____ lines _____ need immediate _____?

_____ please, quick _____ risks _____ urgent leaf-trimming directions?

_____ tell _____ to identify risk prone trees _____ electrical _____?

Seek _____ recognizing _____ around Utility poles.

_____ know _____ it _____ to _____ the trees that need urgent trimming by _____.

_____ there _____ to spot high-risk trees close _____ need trimming?

How _____ trees _____ power gear?

I _____ to _____ there are _____ risk trees, _____ I _____ trim them immediately _____ equipment.

Can _____ tell me which _____ near the _____ be _____?

Are high-risk _____ able _____ be trimmed _____ around _____?

Near _____ spot trees _____ trimming?

_____ that could endanger electric _____.

Any suggestions _____ quickly _____ around _____ gear?

Which _____ need _____ electric equipment?

_____ me figure out how _____ trees in my neighborhood _____ to _____ keep up _____ the _____?

_____ am searching _____ potentially _____ trees near _____ need immediate _____.

I wonder _____ trees _____ to be _____ in my _____ the _____.

Can _____ risk-prone trees _____ facilities quickly?

_____ there any trees that _____ to be _____?

I'm _____ you _____ tell me how _____ my _____ need _____ be _____ from being hit by power lines

Is there a way _____ near _____ and poles _____ need _____?

_____ you tell _____ number of _____ my neighborhood that need _____ trimmed _____ current with _____ lines?

I'm curious if _____ help me _____ out how many trees _____ away from _____ lines.

Can you help me _____ trees that _____ immediate _____.

Is there a _____ to identify trees that _____?

_____ if _____ can _____ me figure out _____ many trees _____ my _____ be trimmed to _____ away _____ the power

_____ trees near electrical equipment _____ need trimming.

Is _____ way to identify _____ power _____ that need _____?

Which steps _____ be _____ to _____ trees _____ the _____ infrastructure?

_____ it _____ to _____ with _____ trimming next to _____ lines?

_____ possible to spot _____ needing trimming _____ equipment?
