

[Demo] NLP Dataset for Customer Service Automation

Company Type	Smartphone Manufacturers
Inquiry Category	Technical issues and troubleshooting assistance
Inquiry Sub-Category	App-related problems
Description	Customers face difficulties with downloading, updating, or using specific apps on their smartphones, and seek troubleshooting steps and guidance on app compatibility, settings, and permissions.
Data Size	6,675 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Smartphone Manufacturer" customer inquiry. (Purchased data will not be masked.)

_____ measures need _____ followed when encountering persistent _____ failure within _____ ?
 _____ with _____ log-in _____ an _____ which procedures _____ be followed?
 There are _____ issues on _____ and can _____ necessary measures?
 Which steps _____ taken _____ case of _____ authentication _____ ?
 _____ should users take _____ are _____ failures?
 There are specific actions that must _____ .
 _____ should _____ recurring challenges with _____ or authenticating through _____ app _____ ?
 What procedures _____ be _____ there _____ problems _____ in _____ app.
 _____ actions should be taken _____ an account?
 Is there anything specific _____ to _____ if continuous _____ particular application?
 Is there anything specific _____ to _____ event of continuous login/authentication _____ application?
 _____ are certain actions _____ to be performed _____ errors.
 _____ faced with _____ in issues, _____ should _____ followed?
 Is there anything specific _____ done in _____ of a continuous _____ failure _____ the _____ ?
 _____ should be _____ handle _____ login _____ ?
 _____ combat repetitive login/authentication _____ ?
 _____ are _____ measures you _____ to take _____ login/authentication issues _____ platform?
 _____ what _____ do _____ application _____ won't _____ me log in.
 How _____ we _____ credentials _____ issues?
 _____ are _____ handle _____ logging into a specific app
 _____ an account, _____ actions should we take?
 _____ I deal with continuous _____ ?
 _____ I do _____ can't _____ in _____ app on a _____ basis?
 _____ repeated login failures _____ an app, should _____ follow _____ ?
 Which _____ should _____ taken _____ a persistent login/authentication _____ ?
 _____ procedures should be _____ when faced _____ in _____ app?
 What _____ be _____ repetitive _____ errors?
 _____ want _____ if there are _____ steps _____ dealing _____ login failures.

Is _____ proper way to _____ log-in trouble in _____?

Is _____ way _____ handle log-in trouble _____ an _____.

What _____ should _____ followed _____ to authenticating within _____?

If _____ occur _____ an _____ are there any measures _____ take?

_____ when there are _____ signing _____ to an app.

_____ you have _____ you _____ take if _____ face login _____ times?

How do _____ with _____ login problems _____ the _____?

_____ state _____ to be _____ resolve recurring login/authentication _____ in _____ application.

There _____ sign-in _____ here, what actions _____ take?

_____ anything need to be done _____ case _____ continuous _____ on _____?

What _____ should _____ I can't log in _____ app _____?

_____ do I _____ the _____ login failure of _____?

_____ do we _____ of recurring _____ issues?

_____ procedures _____ followed when _____ problems _____ authenticating in _____ app?

If you're _____ login _____ repeatedly in _____ what _____ do?

How _____ with persistent _____ to access a _____ app?

_____ face _____ repeatedly _____ your _____ what steps are taken?

Is _____ for tackling _____ login/authentication _____?

_____ you have _____ take _____ resolve _____ login/authentication failures?

_____ case of _____ login _____ steps are _____?

Should _____ tell me _____ the _____ faced with _____ login _____?

Is there any _____ for _____ problems logging _____ a specific _____?

_____ you _____ correct _____ of action when _____ with persistent _____ issues _____ your _____?

_____ there _____ specific that needs to _____ done _____ continuous _____ the application?

_____ can _____ done _____ facing repetitive _____?

_____ can we _____ to deal _____ login _____?

_____ be done to deal _____ repetitive _____?

_____ actions are _____ errors?

Are there _____ can take to _____ login/authentication _____ in your _____?

What should one _____ login failures _____ an app?

How _____ with _____ failures?

How can you _____ with _____ login/auth _____ in _____?

_____ to _____ with _____ into a specific app.

How to _____ failures _____ app?

_____ should be pursued _____ faced with problematic _____?

Do _____ know what to do when _____ with _____ application?

_____ you _____ steps _____ take for _____ recurring _____ in _____ application?

_____ procedures should _____ when log-in _____?

_____ know what the correct course of _____ for persistent _____ your _____?

_____ do I _____ login _____ trying to access _____ apps?

_____ ways _____ handle extended _____ when _____ into an _____.

Do _____ recommended _____ resolving recurring login/authentication failures?

Specific actions need _____ taken _____ persistent _____ errors _____.

_____ are _____ in an app, are there _____ I need _____ take?

_____ there _____ specific _____ that _____ done in case of _____ failure?

Do you know what steps you should _____?

_____ an app be _____ to _____ login _____?

Which _____ should be pursued _____ ongoing log-in _____?

_____ actions _____ when there is persistent sign-in _____?

_____ there anything _____ that needs _____ in _____ continuous login _____ on _____ application.

_____ should _____ faced with repeated challenges _____ into or _____ through your _____?

_____ procedures should be followed when _____ are difficulties _____?

_____ with login/authentication problems?

_____ steps for dealing with app _____?

What _____ taken _____ is _____ lasting login issue?

What should one do if they _____ challenge logging into _____?

What _____ proper response to _____ problem?

How do we _____ failed _____ looking at _____ application?
