

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Needing a diagnostic test for vehicle
Inquiry Sub-Category	High fuel consumption or poor gas mileage
Description	Customers who notice a sudden increase in fuel consumption or experience unusually low gas mileage may request a diagnostic test to identify any mechanical issues contributing to poor fuel efficiency.
Data Size	8,379 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

Can you _____ mechanical _____ may _____ why I'm getting _____ lately?

Can _____ identify defects _____ efficiency now?

_____ why _____ gas mileage _____ pathetic?

_____ there _____ reason for the _____?

_____ wonder if the decline in my _____ related _____ potential _____ the mechanics.

Is _____ any trouble _____ the _____ affecting _____ mileage?

Can you _____ mechanical issues that _____ led _____ reduced miles _____?

_____ mechanical reasons for my _____ fuel efficiency?

_____ any knowledge _____ the _____ this terrible fuel efficiency?

I _____ wondering _____ identify any mechanical problems _____ reduced miles per _____.

Can you _____ me _____ are _____ issues _____ terrible _____ efficiency?

I wonder _____ mileage _____ caused by _____ issues.

_____ any _____ that cause my _____ fuel efficiency?

Is gas efficiency _____ impacted _____?

_____ a mechanic here who can spot _____ for _____?

Is _____ of _____ issues _____ low gas mileage?

_____ wonder _____ decline _____ my vehicle's fuel _____ cause _____ the mechanics.

_____ it is something _____ leads _____ low MPG?

_____ there _____ reason _____ my _____ mileage has _____ lately?

Can you _____ if _____ troubles _____ my low fuel efficiency?

What's _____ my _____ lately?

_____ mechanical malfunction _____ in _____ decrease in MPG?

Is _____ affecting MPG lately?

_____ car _____ poor mileage?

_____ any _____ my _____ mileage is _____?

Can you help _____ lead _____ reduced miles per gallon?

_____ any _____ vehicle that might cause _____ drop in _____ mileage?

Can _____ mechanical problems _____ are leading to _____ per gallon?

Is ____ a ____ could be ____ my gas mileage?

Are there ____ causing ____ efficiency?

____ if ____ are ____ causes ____ decreased gas efficiency?

I ____ to know ____ identify any ____ problems ____ lead ____ per gallon recently.

____ there ____ way ____ determine if the machinery is ____?

Is ____ issues ____ my ____ decline ____ fuel efficiency?

The low gas ____ might ____ mechanical ____.

Is ____ possible to spot ____ causing ____?

Can ____ mechanical issues that I'm ____ poor ____ mileage ____ related?

Maybe ____ something mechanically flawed ____ led ____ low ____?

____ you help me ____ problems ____ reduced miles per ____?

Is it ____ that ____ mechanical ____ are ____ for ____ efficiency?

____ could be ____ with the mechanics ____ low gas ____.

Did anything ____ mechanically ____ the ____ MPG's ____?

Do you ____ of issues ____ consumption lately?

Not ____ miles, ____ the trouble ____ hood?

____ the decline in ____ vehicle's fuel economy ____ mechanics?

____ you ____ in ____ issues that cause ____ gas mileage?

Fuel not ____ maybe ____ ruin ____?

What is making ____ mileage ____?

Anything off ____ my ____ explain the bad ____?

See ____ there ____ any ____ problems that lead ____ in ____.

Is there ____ defects influencing ____ poor MPG?

Is ____ low due to ____?

Are ____ that explain ____ fuel ____?

I ____ bad ____ do you see ____ problems?

____ if there are ____ causes for ____ efficiency.

I want to ____ there ____ machinery affecting ____ mileage.

Is there ____ mechanical ____ efficiency?

____ decrease in fuel ____ to ____ issues?

____ wonder if ____ is ____ my poor gas mileage.

____ determine ____ any ____ issues ____ to blame for ____ fuel efficiency?

Can ____ tell ____ about ____ fault that ____ mileage?

____ anything happen ____ car that ____ bad ____ economy?

I want ____ there is a chance ____ finding ____ defects influencing ____.

There ____ mechanical problems that ____ be causing ____?

____ any chance ____ defects affecting the ____ MPG recently?

I'm ____ if ____ are ____ causes ____ reduced gas ____.

____ any ____ affecting ____ economy.

Has ____ decline ____ gas mileage ____ caused by ____ technical troubles?

What ____ may be ____ of ____ on my ____?

Poor ____ is ____ result ____ mechanical ____?

Do ____ vehicle that could cause gas ____ go down?

____ be to ____ the gas mileage ____.

____ the ____ gas mileage ____ mechanical issues?

Not gettin' ____ and trouble ____?

____ have mechanical reasons.

Is there a chance of ____ affecting ____?

Are ____ gas efficiency ____?

Was ____ mileage ____ mechanical reasons?

_____ gas mileage _____ arise _____?

Is _____ gas efficiency now?

There may _____ for decreased _____.

I'm getting poor _____ lately, can _____ me _____ the _____?

Is _____ with _____ reason _____ bad fuel economy?

Is there _____ now?

Potential _____ within the _____ may be _____ to _____ my _____ economy.

Do _____ idea why _____ ride _____ up gas?

_____ noticed any _____ problems that _____ my bad _____ efficiency?

_____ be _____ with the mechanics that _____ cause _____ gas _____.

_____ you help _____ led to reduced miles per gallon?

Do _____ to detect _____ that _____ my gas _____ to go _____?

Please locate _____ economy.

Take _____ of _____ mechanical _____ causing _____ recently.

Is _____ a _____ problem _____ mileage?

Is there any problems _____?

_____ you have _____ expertise to _____ mechanical issues that can _____ a _____?

_____ it possible _____ machinery faults that affect _____?

_____ there any problems _____ better _____ mileage?

Any _____ my _____ is _____?

_____ if _____ are _____ for decreased gas efficiency

_____ there anyone who can _____ for _____ poor gas _____?

_____ the fault that _____ the _____ economy.

_____ you know _____ mechanical issues _____ lead _____ in gas mileage?

_____ the decline _____ gas mileage _____ related to _____ or other _____?

_____ there _____ affecting my gas _____?

Is the decline _____ mileage _____ engine _____ other _____ issues?

_____ like _____ know if you _____ to _____ that cause a _____ in gas mileage.

_____ wonder if the decline _____ my vehicle's fuel _____ could _____ effect _____.

_____ been mechanical problems that _____ caused _____ recently?

_____ you know of any _____ issues _____ explain _____ getting poor _____?

_____ what is _____ my miles per gallon.

Do you _____ any _____ that might cause _____ gas _____?

Do you _____ experience _____ detect _____ are causing a _____ decrease?

_____ need to _____ any _____ problems that _____ to reduced _____ recently.

I _____ if there are _____ be lowering _____ economy.

_____ if _____ low gas mileage _____ related _____ mechanical _____.

_____ you _____ mechanical _____ that _____ explain _____ poor gas mileage lately?

_____ there a possibility _____ engine troubles _____ lowering _____ fuel economy _____?

_____ can _____ me _____ any _____ have _____ to reduced _____ per gallon recently.

_____ my _____ due _____ a mechanical issue?

Have you _____ any mechanical _____ that _____ decreased _____?

Can you _____ mechanical _____ mileage?

There might _____ some issues _____ mechanics _____ lead _____ gas _____.

_____ underlying fault impacting gas _____?

Is it _____ problems _____ poor mpgs?

_____ to know _____ is anything _____ preventing me _____ getting _____ mileage.

_____ may _____ led _____ low MPG.

_____ it possible there are _____ reasons for _____?

I _____ wondering _____ my _____ was caused by mechanical _____.

_____ if any _____ under the hood _____ impacting my _____.

_____ there something _____ contributing to _____?

Does _____ off _____ car explain _____ economy?

Is _____ possible that _____ might cause a _____ mileage?

_____ decline _____ gas _____ related to engine or technical _____?

_____ problems _____ caused by mechanics?

Did _____ mechanical problems _____ resulted in _____ decrease in _____?

Does the _____ fuel efficiency _____ to do with _____?

What factors _____ to blame _____ the _____ MPG _____ car?

_____ you _____ mechanical problems _____ are _____ the _____ less _____ efficient?

_____ gas mileage may _____ due to _____ problem.

_____ you noticed any _____ issues _____ gas _____?

Do _____ know-how to _____ lead to _____ decrease in gas mileage?

There _____ be _____ problems _____ caused _____ recently.

_____ could _____ the _____ awful _____ on my wheels?

_____ are _____ problems that may be _____ low _____?

_____ you _____ mechanical _____ bad mileage?

_____ there _____ gas _____ of mechanical _____?

_____ there an issue affecting _____?

Something _____ might _____ to _____ MPG.

_____ you _____ I'm getting _____ gas _____?

_____ my _____ low due _____ mechanical _____?

_____ ride's _____ has _____ bad. Any pitfalls you _____?

_____ you know the _____ to detect mechanical _____ my _____ in _____ mileage?

What _____ might _____ for _____ terrible _____ on _____ wheels?

_____ gettin' _____ miles; _____ trouble _____ the hood _____ not?

What _____ wrong _____ my _____ it is guzzling _____?

Do you _____ the experience _____ detect _____ issues _____ are _____ to decrease?

I _____ got _____ gas mileage, any _____ trouble _____?

_____ possible _____ engine _____ other technical _____ to my recent _____ in _____ findings?

Is _____ issue _____ the hood _____ gas mileage?

_____ got _____ recently, any _____?

What _____ mileage so terrible?

Is _____ a mechanical _____ gas _____?

_____ there _____ any mechanical _____ that _____ in _____ in MPG?

_____ you _____ if mechanical _____ is causing _____?

_____ help me _____ problems _____ to reduced miles per gallon _____?

_____ making my _____ horrible?

Is _____ a _____ my decrease _____ fuel efficiency?

_____ are _____ issues that may _____ why I am _____.

_____ mechanical problems do you _____ bad _____ efficiency?

_____ miles _____ trouble under _____ hood?

Can you _____ reasons are _____ my low _____ efficiency?

Is it something mechanically _____ leads _____?

_____ was _____ if _____ could spot _____ reasons _____ poor _____ mileage on my _____ recently.

_____ identify _____ problems causing bad _____?

Do you _____ clue _____ why my _____ is _____ up _____?

Can you tell _____ there _____ mechanical _____ bad _____?

Is _____ a _____ impacting fuel _____?

Do _____ know-how to detect _____ issues _____ cause a _____ mileage _____?

_____ could be _____ decrease in gas efficiency.

What factors _____ be _____ for _____ on my _____?

Is there anything _____ makes _____ get better _____?

Is _____ any mechanical problems _____ cause my _____?

_____ it _____ trouble could _____ lowering my mileage?

_____ the _____ of engine _____ could be lowering _____ mileage?

_____ possibility of engine _____ that _____ be lowering _____ now?

_____ anything _____ hood _____ gas mileage?

Do _____ is _____ my miles per _____?

Does my low _____ mechanical _____?

Is _____ gas _____ due to _____ with _____?

Is _____ any _____ affecting poor _____?

I've just gotten terrible _____ mileage, _____ areas?

Is there _____ contributed to _____ recent decrease _____ efficiency?

_____ any _____ impacting MPG recently?

Is the _____ mileage _____ to _____ or other technical _____?

_____ there _____ issues under the hood affecting _____?

_____ have bad fuel _____ and _____ you _____ problems?

_____ you tell me if _____ fuel _____ by any _____?

Can you _____ there _____ mechanical _____ causing _____ mpg?

Is _____ mechanical causes _____ efficiency?

_____ decline in _____ fuel _____ cause of potential _____ within _____ mechanics?

Can you _____ what _____ my mileage _____ go down?

There are _____ regarding low _____ mileage _____ mechanics.

_____ any _____ that engine _____ be causing _____ MPG to _____ down?

Is there _____ mechanical _____ of _____ gas _____?

I would _____ if _____ notice _____ issues with my _____ that _____ affect my _____.

Is it _____ that _____ decline _____ vehicle's fuel _____ related _____ the _____?

Is there a _____ cause _____?

My _____ in _____ may have been caused _____ mechanical _____.

_____ you _____ me _____ me _____ having _____ better gas mileage?

Can you tell _____ any mechanical _____ might _____ I'm _____ poor gas _____?

Fuel _____ last, may mechanical _____?

Are there issues under _____ that _____ my _____?

There _____ engine troubles that _____ lowering _____ mileage.

_____ cause for _____ gas efficiency?

_____ is a _____ finding mechanistic _____ the poor _____.

Is _____ with _____ car that explains _____ bad fuel _____?

Did you notice _____ mechanical _____ that resulted _____?

Does the _____ leading _____ low gas _____?

There _____ issues _____ mechanics that may _____ to _____ mileage.

I'm _____ if _____ the experience to detect _____ issues _____ decrease _____ mileage.

_____ any mechanical _____ that are responsible for _____ fuel _____?

Is _____ troubles could _____ my fuel economy?

I have bad _____ efficiency, _____ mechanical problems?

I _____ if it is a _____ lousy _____.

Is there _____ chance that my _____ be _____ to _____ troubles?

I _____ decline in _____ vehicle's _____ economy _____ lead to _____ within the _____.

I _____ what _____ mechanic reasons are _____ mpg.

_____ know if my _____ is due _____ mechanical issues.

____ might ____ blame for the ____ ?
 Is ____ any mechanical ____ causing my ____ fuel ____ ?
 Is ____ a possibility that ____ troubles could ____ lowering ____ ?
 Do ____ watch ____ mechanical problems that ____ my ____ ?
 ____ you ____ why I'm ____ gas ____ lately?
 ____ am ____ if ____ mechanics ____ for the poor gas ____ on my ____ .
 Did you ____ anything mechanically ____ the ____ MPG's ____ ?
 Is it a ____ that is ____ poor ____ ?
 There ____ with the ____ lead to ____ gas mileage.
 Do you think ____ issues ____ bad ____ efficiency?
 ____ you ____ any mechanical failures ____ in ____ MPG?
 ____ can ____ fault affecting ____ economy, ____ please.
 ____ know if the ____ under the ____ affect my ____ ?
 ____ fuel efficiency, ____ you notice mechanical ____ ?
 Are there any ____ explain my ____ mileage?
 Is ____ with ____ car ____ to ____ poor ____ economy?
 Is there any ____ low fuel efficiency?
 Have you ____ lower MPG's are being ____ ?
 ____ noticed any mechanical ____ causing ____ ?
 I ____ wondering if ____ chance ____ finding ____ defects influencing ____ lately.
 Is ____ mechanical malfunction ____ a decrease in ____ ?
 Is there an ____ the ____ gas mileage?
 ____ is a mechanical ____ ?
 ____ you point me ____ any ____ issues ____ explain my poor ____ ?
 ____ fuel inefficiency ____ problems?
 ____ there any ____ for my ____ mileage ____ recently?
 ____ looking for something ____ is preventing ____ having ____ gas ____ .
 Is there a ____ for ____ in gas ____ ?
 Do ____ know if ____ is ____ mileage to ____ down?
 ____ anything explain ____ inefficiency?
 ____ there ____ problems under the ____ my ____ mileage?
 I'm ____ poor gas mileage because ____ mechanical issues, ____ ?
 Can ____ malfunctioning machinery ____ is affecting ____ mileage?
 ____ recent ____ in my ____ findings related to engine ____ technical ____ ?
 I'm getting ____ gas ____ you ____ mechanical issues?
 ____ there is a chance ____ finding ____ defects affecting ____ MPG ____ .
 What ____ could ____ the cause ____ my car?
 ____ gettin' good ____ under the ____ ?
 ____ just ____ terrible ____ mileage, so any clues ____ areas?
 What factors ____ be ____ of ____ MPG on ____ ?
 Can ____ tell if ____ are ____ bad ____ ?
 ____ a mechanical ____ has ____ gas mileage?
 Is ____ any ____ fuel use lately?
 Do you know ____ that ____ affect ____ consumption ____ ?
 Any mechanical ____ mpg?
 Can ____ affect my ____ mileage?
 Is ____ under ____ hood ____ my gas mileage?
 Do ____ causing ____ bad ____ efficiency?
 Is there ____ malfunction that led ____ recently?
 Is ____ possibility ____ engine ____ could be lowering ____ mileage?

_____ auto issues _____ mileage?

I've just started getting _____ mileage, _____ any _____?

_____ off with my car _____ bad fuel _____?

_____ anyone _____ killing _____ miles per _____ lately?

Do _____ know _____ that cause a decline in gas _____?

_____ gas _____ may _____ mechanical problems.

_____ the gas _____ low _____ to _____?

I'm _____ chance of _____ mechanistic _____ influencing poor MPG _____.

Is _____ any _____ are causing me _____ efficiency?

Could _____ about _____ to reduced miles per gallon?

Trouble under _____ or _____ gettin' _____ miles?

_____ affecting my gas mileage?

Is _____ any _____ of _____ mechanistic _____ poor MPG _____?

_____ making my _____ crummy?

What _____ terrible mileage _____ my _____?

I have _____ getting _____ fuel economy lately, _____ it _____ malfunctioning?

Is _____ any mechanical _____ for _____ in gas _____?

Are there _____ mechanical _____ may explain _____ I'm _____ getting good _____?

_____ have the experience _____ mechanical _____ that _____ a decrease _____ gas _____.

_____ the decline _____ gas _____ due _____ or technical issues?

There _____ mechanical _____ that _____ cause my _____ efficiency.

_____ any issues _____ my gas _____?

Will _____ be able _____ spot mechanical problems _____?

_____ any car _____ affecting _____?

_____ there any underlying _____ efficiency?

Could you _____ problems _____ led to reduced mileage?

Is _____ find fault in the _____ mileage?

Does anyone know _____ there _____ any _____ awful fuel _____?

Do _____ know _____ killing _____ miles per _____?

_____ getting bad fuel economy _____?

_____ gas mileage due to _____?

_____ could _____ causing terrible _____ on _____ vehicle?

I've been getting _____ economy _____ could _____ wrong?

Can you identify _____ issues _____ are _____ poor gas _____?

_____ seen any _____ that _____ in decreased MPG?

_____ reason my _____ mileage went down _____?

My _____ mileage _____ poor, _____?

_____ there _____ reason _____ is dropping?

I've just _____ terrible _____ mileage, _____ you _____ me any _____ trouble _____?

_____ there any issues preventing _____ gas mileage?

_____ flawed and _____ to _____ MPG?

_____ there any _____ causing _____ fuel _____?

Is _____ mileage the _____ mechanical issues?

_____ mechanical flaw _____ to low _____?

_____ might _____ issues with _____ that _____ low _____ mileage.

_____ reason for my _____ in gas mileage _____?

_____ idea _____ abysmal MPG lately?

Anything off _____ car can _____ the bad _____?

Is _____ a _____ for _____ decrease _____ gas mileage _____?

Are there any _____ fuel efficiency?

_____ there _____ wrong _____ me from having better _____ ?

I've been _____ fuel _____ something be malfunctioning?

Please find fault _____ fuel _____.

I wonder _____ could be _____ my gas mileage.

I want _____ if any mechanical problems _____ for _____ efficiency.

Is there _____ mechanical _____ decreased _____ mileage recently?

_____ there _____ with my recent decrease _____ fuel efficiency?

_____ low _____ mileage _____ by _____ issues.

_____ mileage _____ happen because _____ mechanics?

_____ you tell _____ why I _____ get _____ gas _____?

Did _____ any mechanical malfunction that _____ in _____ in _____ ?

_____ a mechanical _____ a bad _____?

_____ there a _____ breakdown _____ fuel _____?

_____ wondering _____ help _____ identify mechanical _____ that _____ reduced miles per gallon _____.

Do underlying _____ affect _____?

_____ there underlying _____ affecting _____ right _____?

_____ is _____ off _____ my _____ could explain _____ poor fuel _____?

_____ that explain fuel inefficiency?

What causes _____ decrease _____ efficiency?

I _____ like to _____ there _____ chance of _____ mechanistic _____ influencing poor _____.

Is _____ fuel _____ caused _____ problems?

Do you notice _____ my car _____ might cause _____ to _____ ?

_____ mechanical _____ that are causing _____.

_____ there _____ mechanical causes _____ the _____ gas efficiency.

_____ reason _____ my poor gas _____ mechanical issue?

Is there a _____ for _____?

_____ a chance of finding _____ defects _____ affect the _____?

Can _____ explain _____ poor mpgs _____?

_____ could be related _____ a mechanical issue.

_____ the _____ problems come _____ mechanics?

I'm _____ if _____ engine _____ could be lowering _____ MPG.

_____ a reason for _____ recent _____ in _____ gas _____ findings?

_____ you have _____ way to tell if the _____?

_____ you _____ mechanic breakdown that _____ impacting _____ efficiency?

Do you _____ any _____ problems _____ fuel efficiency?

Do _____ mechanical _____ that are affecting _____ efficiency?

Is _____ efficiency due to _____ mechanical problems?

Is the gas mileage _____?

Can _____ wrong _____ from getting better gas mileage?

Is decreased _____ mechanical causes?

Look for _____ mechanical problems _____ recently.

_____ gas mileage _____ not great, _____ mechanical _____?

There might be _____ the _____ leads _____ low gas _____.

I am wondering if you _____ mechanical issues that are _____ my _____ gas _____.

Do you _____ about _____ impacting _____?

_____ getting bad fuel _____ lately, but _____ be _____?

_____ there a _____ engine _____ be lowering my mpg?

Are there any _____ the _____ to _____ gas mileage?

Could _____ getting bad fuel economy lately?

Do _____ see _____ problems that are _____ inefficiency?

_____ find fault _____ fuel _____.

Are _____ that cause _____ mileage?

Is _____ any _____ for my _____ to be _____?

Do you know of _____ my bad _____?

Do you _____ mechanical _____ are _____ decrease in gas _____?

_____ any _____ that _____ trouble could _____ my MPG?

Are there _____ mechanical issues that _____ my _____ efficiency?

Could _____ in _____ fuel _____ to issues _____ the mechanics?

Is there _____ mechanical _____ decline?

Does _____ recent _____ inefficiency?

What _____ be the cause _____ the terrible mileage _____?

I just started _____ awful _____ so _____ clues _____ trouble _____?

_____ have any information on _____ this awful fuel _____?

_____ you _____ any mechanical issues _____ affect _____ efficiency?

_____ you _____ auto _____ impacting the _____ lately?

Are _____ me from getting _____ better gas _____?

Is _____ recent _____ in _____ mileage _____ a result of _____ or _____?

_____ am wondering _____ any chance of _____ defects influencing _____ MPG _____.

Is _____ decline in _____ related to technical _____?

_____ there _____ this terrible fuel _____?

_____ issues that could affect _____ consumption lately?

_____ causes for _____ gas efficiency?

Is _____ possibility that my _____ could _____ going _____ due _____ troubles?

I'm _____ gas _____ can you help _____ identify any _____?

_____ there anything _____ behind my _____ decrease in _____?

_____ this _____ fuel _____ by _____ issues?

Is _____ a reason _____ gas _____ dropped _____?

Could the _____ fuel _____ have an effect _____ mechanics?

_____ mechanical issues _____ why I'm getting poor _____ mileage lately?

Is the _____ in my vehicle's _____ issues within _____ mechanics?

What is making _____ go _____?

_____ an idea _____ is _____ miles per gallon _____?

_____ recent _____ gas mileage findings _____ engine troubles?

Could _____ tell me what _____ problems are _____ reduced miles _____?

Do _____ know _____ issues _____ may affect fuel _____?

_____ to get terrible _____ so _____ clues about trouble _____?

_____ possible _____ mechanical difficulties _____ responsible for my _____ efficiency?

_____ off my car _____ reason _____ bad fuel _____?

_____ with my vehicle that _____ affect my _____ mileage?

What about possible _____ be causing _____ burn less _____?

_____ tell _____ mechanical problems _____ causing _____ mileage?

Is there _____ that _____ causing _____ bad _____ efficiency?

Were you able _____ identify _____ to reduced miles _____ gallon?

_____ you tell _____ if any _____ are to _____ for _____ efficiency?

_____ am getting _____ any clues on trouble _____?

_____ you know _____ any mechanical issues _____ my _____?

_____ off with _____ car _____ bad _____ economy?

I've _____ started _____ lousy _____ so any clues on _____?

Do _____ see _____ mechanical issues _____ are affecting _____?

Is _____ gas efficiency due _____?

_____ any _____ that _____ to my decrease in fuel _____?

_____ tell me _____ got abysmal _____ lately?

_____ you _____ me _____ mechanical issues that led to _____ miles _____?

_____ wondering _____ any mechanics _____ can _____ potential _____ poor _____ mileage _____ my _____ recently.

What is _____ my _____ so _____?

_____ it _____ that my low _____ efficiency is due _____?

_____ to _____ there are _____ in the _____ affecting _____ mileage.

_____ a _____ troubles _____ be lowering my MPG?

My _____ in gas mileage findings _____ to engine or _____.

_____ there _____ mechanical cause for _____ decrease in _____?

What could _____ causing this _____?

_____ you know _____ is _____ breakdown _____ fuel efficiency?

_____ there _____ that resulted in decreased _____ recently?

Have _____ any _____ impacting MPG _____?

Is it possible _____ in _____ affecting my _____?

_____ impacting _____ efficiency now?

You _____ me _____ mechanical problems _____ to _____ miles per _____ recently.

_____ mechanics who _____ why my _____ has _____ down recently?

I wondered if _____ were _____ mechanical _____ my _____ efficiency.

Lack _____ gas _____ due to _____?

_____ there any chance that engine _____ be _____ to go _____?

Does _____ decrease _____ have any mechanical issues?

Is _____ anything _____ this _____ fuel efficiency?

_____ wondering if _____ have _____ expertise to detect _____ a _____ in _____ mileage.

I need _____ help _____ any _____ that _____ to _____ miles _____ recently.

Is there _____ efficiency now?

Something _____ could _____ bad fuel economy.

Can _____ me why my car's _____?

Are there any _____ vehicle _____ cause a _____ mileage?

_____ have my _____ been _____ recently?

Is there any _____ caused _____ in fuel _____?

Did _____ find _____ that _____ me _____ better gas mileage?

_____ what's _____ my gas mileage _____?

Do _____ any _____ with _____ that _____ a _____ in gas mileage?

_____ it _____ that _____ fuel efficiency _____ caused by some _____?

There _____ chance _____ mechanistic _____ that could affect _____ poor _____.

I _____ if _____ in my _____ economy could _____ issues within _____ mechanics.

Is _____ problems _____ the mechanics that lead to _____?

Is there _____ mechanical cause _____?

_____ there _____ issues _____ awful fuel _____?

I _____ if you have the _____ to detect _____ causing _____ gas _____.

What could cause _____ fuel _____?

Is my _____ in _____ linked to _____ or _____ technical _____?

Is _____ fuel inefficiency caused _____?

Can you identify _____ have led _____ per gallon recently?

I've been getting _____ fuel _____ something be _____?

Potential _____ within _____ mechanics _____ be _____ decline in my _____ fuel _____.

Is it _____ mechanical _____ resulted in _____ in _____ recently?

There _____ be problems with _____ mechanics _____ mileage.

Is there _____ issue _____ affecting my _____ mileage?

_____ mileage _____ by mechanical issues?

_____ know _____ mechanical issues _____ may _____ a decrease in _____ mileage?

Not _____ good _____ trouble under _____ or _____?

Is there a chance of _____ defects _____ poor _____?

_____ you tell _____ if _____ mechanical _____ to blame for _____ efficiency?

_____ being affected by underlying _____?

Can _____ determine if _____ low fuel efficiency is _____?

_____ decline in my vehicle's fuel _____ be _____ blame _____ any _____ mechanics?

Is _____ mileage _____ mechanics?

_____ might affect _____ consumption recently?

Is _____ a plausible _____ MPG _____ mid-last- year?

mechanics _____ the _____ mileage problems.

Do you know _____ me _____ getting _____ gas _____?

_____ you tell _____ if _____ with _____ machinery _____ my mileage?

There _____ mechanical _____ could _____ low mpg?

_____ you _____ auto issues _____ the MPG _____?

I _____ decline _____ vehicle's _____ is related _____ the mechanics issues?

Did you notice _____ that _____ a drop _____ gas mileage?

Is _____ the _____ issues _____ affect _____ gas _____?

_____ mechanically contributing to _____ MPGs?

Not _____ miles _____ trouble under _____?

_____ there any _____ mileage _____ lately?

_____ problems that cause the _____ fuel _____?

I'm _____ there _____ mechanical _____ lower gas efficiency.

_____ am wondering _____ you _____ the _____ to _____ that affect my _____ mileage.

_____ you notice any _____ problems that _____ affecting _____?

_____ recent decrease in fuel _____ any _____ problems?

_____ to figure out if _____ affects _____ mileage?

Do _____ see _____ issues _____ car that could cause _____ mileage?

Is _____ any mechanic _____ can spot potential _____ poor _____ car?

_____ it a _____ bad mileage?

Is _____ off _____ car _____ could explain _____ poor fuel _____?

_____ anything _____ my _____ that _____ explain _____ poor fuel economy?

_____ any mechanical problems causing _____ mpg _____?

_____ begun _____ get _____ gas mileage, any clues as _____?

Do _____ any _____ problems _____ to blame _____ low fuel efficiency?

_____ you _____ any mechanical problems _____ responsible for _____ fuel efficiency?

_____ that _____ been _____ bad fuel economy because _____ something _____.

My _____ be caused by _____.

Do you _____ any _____ that _____ me from _____ gas _____?

Do you _____ the _____ mechanical _____ may be causing _____ in _____ mileage?

_____ am wondering if _____ can _____ for _____ gas mileage on _____ car.

_____ any chance that _____ be going _____ due to _____ troubles?

There are _____ questions regarding _____ mechanics _____ mileage.

_____ you _____ any _____ that led to reduced miles per _____?

_____ any problems causing _____ awful _____?

Is _____ wrong that prevents _____ getting _____ gas _____?

Is there _____ affects _____ gas _____ the hood?

_____ tell me _____ I'm getting _____ gas _____ mechanical issues.

Any _____ on _____ areas I've just _____ mileage for.

_____ want to _____ if you _____ mechanical problems _____ lead to reduced _____ per gallon _____.

Is there _____ problems that are _____ mpg _____?

Do you _____ my _____ cause a decline in gas _____?

A _____ might _____ the reason for _____ gas _____.

Do _____ that _____ a decrease in gas _____?

I've _____ started getting _____ gas mileage, are _____ any _____?

_____ am wondering _____ a _____ behind my terrible mileage.

_____ you point _____ machinery _____ that _____ affecting _____ mileage?

Poor gas mileage _____?

Can you _____ if _____ mechanical _____ are causing poor gas _____?

_____ spot any _____ that _____ this _____ fuel efficiency?

Any _____ identify, _____ ride's MPG has _____ bad.

Is _____ fault _____ gas efficiency?

Is there _____ problems _____ hood impacting my _____?

Was there _____ mechanical _____ decreased MPG recently?

Have you seen _____ auto issues _____?

_____ the poor mpgs _____?

_____ mechanical _____ the _____ gas mileage?

_____ know how to _____ mechanical issues _____ cause _____ decreases?

Are there _____ cause this _____ efficiency?

Do you know if _____ is caused _____?

_____ mileage _____ mechanical issues?

_____ with my fuel economy?

Is _____ for bad _____ since mid-last-year?

_____ noticed _____ issues _____ vehicle that could _____ a drop _____ mileage?

I've just _____ gas mileage, so any clues _____?

I'm _____ poor _____ mileage, _____ tell _____ there are mechanical _____?

_____ mechanics _____ low _____ mileage?

Is there _____ causing my bad _____?

_____ locate _____ fault that affects _____.

Is the decline in _____ to engine _____ troubles?

The decline _____ fuel economy _____ be the cause _____ issues _____ the _____.

Is _____ possible _____ the machinery is affecting _____?

_____ mechanics _____ reasons _____ poor gas mileage _____ my car?

_____ it _____ that _____ defects are responsible _____ fuel efficiency?

Is _____ a _____ gas _____ recently?

I've _____ getting _____ fuel _____ and _____ something is wrong.

_____ you seen _____ auto issues _____?

_____ a problem impacting _____ mileage?

_____ want to _____ if _____ is _____ of _____ mechanistic _____ influencing _____ MPG.

_____ there any _____ are causing _____ bad fuel _____?

Could _____ any mechanical _____ have _____ reduced miles per _____ recently?

_____ getting terrible gas mileage, _____ trouble areas?

What _____ behind the _____ mileage on my _____?

There _____ mechanical problems causing _____?

_____ mileage _____ of _____ issues?

Is there any _____ of finding _____ affect _____ poor MPG _____?

There is a question _____ behind _____ mpg.

There might _____ for reduced _____.

_____ know of a _____ breakdown _____ impacting _____ efficiency?

_____ idea _____ I've _____ MPG lately?

Is anything off _____ responsible for my _____?

Is there any _____ my vehicle _____ drop _____ gas mileage?

Maybe there _____ a flaw _____ MPG?

Can _____ detect _____ problems _____ mpg?

_____ any mechanic _____ poor mpg?

_____ it possible _____ my MPG could _____ to _____ problems?

_____ spot _____ affect the mileage?

_____ find _____ fuel economy.

_____ any _____ this awful fuel efficiency?

_____ not Lastin', _____ faults ruin _____?

_____ to know _____ mech _____ gas _____?

_____ anyone _____ are _____ issues with my _____ might cause a drop in _____?

Can _____ tell me _____ getting _____ gas mileage?

Maybe _____ poor _____ mileage _____ to a mechanical _____?

What factors _____ be _____ for _____ on my _____?

Please locate fault _____

_____ who can _____ potential _____ for my _____ mileage recently?

Are _____ any _____ preventing me from _____ gas _____?

_____ my gas mileage _____?

_____ have _____ bad _____ efficiency _____ you _____ any mechanical problems?

_____ need _____ mechanic _____ can _____ potential _____ poor gas mileage _____ car.

_____ explain poor mpgs?

_____ witnessed can _____ explained by _____.

_____ gettin' good miles or _____?

Is there _____ reason _____ my _____ gas mileage _____?

Is the recent decline _____ gas mileage _____ a _____ or _____?

_____ mechanical contributing _____ lower MPGs _____?

_____ getting poor _____ mileage lately so _____ you tell me _____?

_____ am _____ if there are _____ mechanical problems _____ caused _____ in _____.

_____ there any _____ the fuel _____?

Is there any _____ efficiency?

Do you have _____ experience _____ detect _____ my decreased _____ mileage?

Does _____ with _____ explain the poor _____ economy?

_____ gettin' _____ troubles under _____ hood?

Is _____ mechanical _____ bad mpg?

_____ not _____ perhaps _____ defects _____ it?

_____ gas _____ due to _____?

_____ it _____ identify _____ machinery affecting my mileage?

Can there _____ a _____ for my _____ decline _____ findings?

_____ you _____ my mileage?

Is _____ mileage due _____ mechanical _____?

Does any mechanical issues _____ why _____ poor _____?

_____ you have _____ know-how to _____ that affect gas _____?

_____ been getting _____ fuel economy, _____ be due _____?

There are any _____ low mpg recently?

Please _____ fault _____ fuel economy.

_____ possibility _____ troubles that could be affecting _____ mileage?

_____ if _____ in my _____ fuel _____ cause potential issues _____ the mechanics.

_____ off with my car _____ fuel _____?

Any mechanics ____ can ____ potential ____ gas ____ on ____ car?
 ____ explain why ____ car ____ up gas?

Do you know ____ who ____ spot ____ poor gas ____ my ____ recently?

I want ____ know if ____ can ____ issues that cause ____ in ____.

____ wonder if ____ problems that caused my recent ____ fuel ____.

I wonder ____ it ____ mechanical problem ____ my ____.

Is there any ____ troubles that might ____ MPG?

Any ____ causing poor ____?

____ degrading my gas ____?

____ there ____ problem that explains ____?

Is ____ any problems ____ may ____ causing ____ fuel ____?

Is ____ chance ____ finding mechanistic defects ____ might affect ____?

____ tell me ____ are responsible for ____ low ____ efficiency?

____ the ____ in my ____ fuel ____ blame ____ potential ____ the mechanics?

Is ____ any issues that ____ consumption ____?

____ you ____ mechanical problems are ____ my low ____ efficiency?

Can you tell ____ about ____ that may explain ____ gas ____?

Is there any mechanical problems ____ my recent ____?

Is anything ____ impacting my ____?

How can ____ out why I'm ____ mileage ____?

____ you have ____ experience ____ mechanical ____ that affect ____ mileage?

I've been ____ fuel economy ____ could be malfunctioning.

____ any ____ under the hood ____ my ____?

____ there anything ____ explain the ____ economy on my ____?

Could the ____ vehicle's ____ economy be to ____ for ____ the mechanics?

Maybe mechanical fault ____?

Is ____ car a reason ____ the ____ fuel economy?

____ if there ____ any ____ that lead ____ decreased ____?

Can you ____ when mechanical ____ are ____?

____ have been ____ mechanical ____ caused low mpg ____.

____ just ____ terrible gas ____ any clues to ____?

Any reasons ____ mileage ____ recently?

____ there a ____ problem ____ my ____?

Do ____ notice ____ with ____ vehicle ____ might cause a ____ in ____?

Do you know if ____ bad fuel ____?

____ you ____ detect mechanical ____ that cause a decrease in ____?

Could the ____ in ____ vehicle's ____ economy be ____?

____ just ____ awful gas ____ any clues ____ trouble ____?

____ is a ____ finding ____ that may ____ the ____ MPG.

____ chance of ____ that affect poor ____ recently?

Is ____ recent ____ in fuel ____ to ____ problems?

____ the ____ to mechanical issues?

Is ____ glitch ____ is ____ bad mpg?

____ is a chance of ____ mechanistic ____ influencing ____.

Is there anything mechanical ____ my ____?

____ you ____ what is causing ____ poor ____?

____ a ____ impacting fuel efficiency?

Do ____ think mechanical ____ my ____ fuel ____?

____ may be some issues under ____ affect ____ mileage.

____ arise from mechanics?

_____ blame for low _____ maybe?

Is it _____ gas mileage findings is _____ to _____ technical troubles?

Maybe there _____ a mechanical _____ to _____ MPG?

Is _____ with _____ car that _____ bad fuel economy?

_____ pitfalls you _____ identify _____ have hurt _____ ride's _____?

_____ mechanical _____ ruin _____?

_____ the mechanics have any _____ gas mileage?

_____ in _____ mileage _____ may be related _____ engine or _____ technical _____.

_____ mileage _____ low, _____ mechanical issue?

_____ the low gas _____ issues?

_____ if there are _____ mechanical _____ lead _____ a _____ MPG.

Can you find _____ is preventing me _____ gas _____?

Do you _____ of _____ mechanical _____ my _____ efficiency?

_____ lately...any idea what's going _____?

_____ any _____ with my vehicle that _____ a drop _____ gas mileage.

_____ gas _____ to _____ reasons?

_____ there _____ issues _____ the mechanics that _____ low gas _____?

_____ the _____ mileage _____ to mechanical _____?

I _____ wondering _____ you _____ help _____ identify any _____ of _____ miles _____ recently.

Can you _____ are why _____ poor gas mileage?

_____ have been _____ mechanical _____ causing _____ recently?

_____ there _____ affecting _____ mileage?

What factors _____ to _____ for _____ terrible mileage?

_____ it _____ gas mileage _____ to _____?

Has _____ been _____ impacting _____ efficiency?

Is _____ mechanical cause _____ gas _____?

Can _____ identify mechanical _____ bad _____?

_____ gas mileage _____ be _____ issue.

Are _____ with _____ that might _____ drop in mileage?

_____ any _____ here could spot _____ reasons for my _____ gas _____.

Can _____ if _____ are _____ cause of _____ low fuel efficiency?

_____ fuel inefficiency _____ explained by _____.

_____ any auto issues _____ MPG _____?

_____ gas mileage _____ so bad?

Have you _____ lower MPGs are _____ mechanically?

Are there _____ that _____ inefficiency?

Can you tell _____ getting _____ gas _____?

What _____ fuel economy?

There _____ be _____ issues with _____ mechanics _____ to _____ mileage.

_____ if _____ getting _____ gas _____ because of mechanical issues?

What _____ be _____ for _____ mileage on my _____?

_____ my _____ that might explain the _____ economy?

_____ wondering _____ off _____ my _____ explain bad fuel economy.

Are _____ any _____ causing _____ efficiency?

Do you _____ with my _____ that _____ a gas _____ drop?

Is there faulting _____?

_____ you _____ are mechanical problems _____ my bad _____?

_____ the gas mileage _____ caused _____?

Please find _____ economy.

_____ problems _____ caused by mechanics?

_____ there defects _____ low _____?

please _____ that affect _____

_____ would like to know _____ you _____ any _____ reduced miles _____ gallon.

What factors could be _____ the _____ my wheels _____?

See if _____ a _____ a decrease in MPG.

_____ wonder if _____ mechanical _____ for the decrease in _____.

Is there _____ chance _____ mechanistic _____ influencing the _____?

_____ auto _____ are impacting _____?

_____ something mechanically flawed that _____ to _____ mileage.

_____ mileage _____ by mechanical problems?

_____ bad _____ recently, and I _____ if something _____ malfunctioning.

_____ decline _____ fuel economy the cause of _____ problems _____ mechanics?

Is the recent decline _____ a _____ of _____ or technical _____?

_____ mechanical malfunction _____ a decreased MPG?

_____ would like _____ know if any _____ responsible for my _____.

_____ could _____ blame for the _____ on my vehicle?

Causing _____ mileage _____ mechanics?

Do _____ if a mechanic _____ affecting fuel _____?

_____ causing this terrible fuel _____?

_____ you know what _____ are causing _____?

I'm _____ to get _____ gas mileage, any _____?

I'd _____ to know _____ can _____ that led _____ reduced miles _____ gallon recently.

My ride's _____ has _____ terrible, any _____ you _____?

_____ would like _____ can _____ any mechanical problems leading to reduced miles _____.

_____ experts in detecting _____ cause a _____ in gas _____?

_____ economy, please

_____ anything wrong _____ my _____ could _____ poor fuel economy?

_____ anything _____ contributed to the lower _____?

_____ issues with _____ might cause a gas _____ drop?

_____ anyone _____ killing my _____ per gallon lately?

_____ there a correlation _____ decline _____ economy _____ issues within the mechanics?

I _____ got terrible _____ mileage _____ wondering _____ there are _____ clues to _____.

Did you _____ a _____ breakdown _____?

Is _____ possible to _____ mechanical _____ bad _____?

I'm getting _____ lately, _____ tell _____ the reasons?

_____ problems causing _____ mpg recently?

I'm _____ if there's a _____ of _____ mechanistic _____ MPG _____.

_____ you _____ spot _____ defects causing low _____?

_____ issues with _____ to low gas mileage.

_____ any issues under _____ hood _____ gas _____?

_____ there _____ mechanical malfunction that _____ decreased _____ efficiency?

_____ you _____ any _____ as _____ why I am _____ gas mileage?

_____ are possibilities _____ engine _____ could be _____ mileage.

_____ it _____ mechanically flawed that led to _____?

Is my gas _____ down _____?

_____ it possible _____ detect mechanical issues causing _____ in _____?

_____ decline in _____ mileage _____ caused by _____ or other _____ troubles?

Is there _____ reason for _____ decline _____ mileage _____?

Not _____ good miles, _____ trouble _____?

_____ there anything that could _____ my _____ fuel _____?

_____ am wondering if _____ here can spot _____ for poor _____.
 Is the _____ efficiency _____ now?
 I wondered if there were _____ the _____ efficiency.
 _____ faults _____ are _____ fuel economy.
 Do you _____ detect _____ issues that cause a _____ gas mileage?
 I'm wondering _____ spot _____ reasons for _____ mileage _____ my car.
 _____ spotted _____ mechanic breakdown affecting _____?
 I _____ to _____ mechanical _____ are responsible _____ fuel efficiency.
 _____ faults _____ gas efficiency?
 Do you notice _____ problems _____ that could _____ a _____ mileage?
 _____ just started _____ bad gas _____ can _____ me _____ clues?
 Does _____ decrease in _____ efficiency have _____ do with _____?
 Can you _____ when _____ problems _____ bad _____?
 What's _____ gas _____ terrible?
 _____ me if any mechanical _____ are _____ low fuel efficiency?
 _____ been _____ fuel _____ lately and _____ could be _____.
 Poor _____ mechanical reasons?
 _____ may _____ issues _____ the hood that _____ affect _____ gas _____.
 Is _____ car problems _____ the _____?
 Are there _____ wrong that _____ from _____ better _____?
 _____ you noticed _____ the lower _____ something mechanical?
 There _____ be _____ mechanics that _____ low gas _____.
 Do you _____ any mechanical _____ that _____ fuel _____?
 Maybe there's _____ mechanically _____ leads _____ MPG?
 _____ a fault impacting _____?
 Do you _____ any issues _____ my _____ that _____ in gas _____?
 _____ anything be done _____ car to _____ bad _____?
 _____ would like to _____ if my low _____ mileage is _____.
 Is _____ in my _____ economy due _____ issues _____ the mechanics?
 Is there _____ wrong _____ preventing _____ having a _____ gas _____?
 _____ you know what _____ affect _____ consumption _____?
 What _____ my _____ mileage _____?
 What _____ my gas _____ down _____?
 _____ poor gas mileage, but _____ you tell _____?
 _____ you _____ me _____ of my _____ problems?
 _____ you _____ any _____ that are making _____ inefficient?
 Is there a _____ of engine _____ be _____ my _____?
 _____ mechanical causes for _____ efficiency?
 _____ may _____ gas _____ due to _____ reasons.
 What _____ could _____ to _____ for _____ terrible _____ on _____ wheels?
 See if _____ is _____ mechanical malfunction that _____ to _____.
 Is _____ that _____ to _____ gas mileage?
 _____ the decline _____ my vehicle's fuel economy _____ mechanics _____?
 I'm wondering _____ any _____ potential reasons _____ gas _____ on _____ car.
 There are mechanical _____ that _____ be _____ mpg _____.
 _____ chance of _____ mechanistic defects _____ affect the _____ MPG _____?
 _____ me if mechanical flaws are _____ for _____ low _____?
 _____ there a _____ findings _____ to engine _____ technical troubles?
 _____ good miles, or problems _____?
 _____ you _____ if any mechanical difficulties are _____ for _____ low _____?

Look for any mechanical ____ that ____ be _____.
 ____ with gas ____ by ____?
 ____ there any mechanical reason ____ decrease ____ efficiency?
 Is ____ possible ____ spot defects ____ efficiency?
 Could ____ help me identify ____ that ____ miles per gallon?
 Are there any ____ resulted in ____?
 What is ____ such ____ in terms ____ gas ____?
 ____ under ____ or not? Not gettin' ____?
 Is ____ anyone ____ who can ____ potential ____ for poor ____ on ____ car ____?
 ____ may be ____ problems ____ MPG.
 ____ know what is ____ me ____ getting ____ better ____ mileage?
 Is there ____ gas mileage ____?
 ____ mechanics ____ can ____ out ____ my car has ____ gas mileage?
 What are ____ reasons ____ poor ____?
 ____ issues with ____ mechanics that ____ lead to ____ gas ____.
 ____ want ____ know ____ you can detect ____ issues that ____ decrease ____ mileage.
 Something ____ flawed ____ blame for ____ mileage.
 ____ car troubles ____ poor ____?
 ____ wonder ____ causes for ____ decrease in gas efficiency.
 Is ____ anything ____ cause ____ awful fuel ____?
 Is it ____ that mechanical ____ causing ____ mpg ____?
 ____ clue ____ why ____ abysmal MPG lately.
 ____ there ____ car troubles ____ mileage?
 ____ think my bad fuel ____ to mechanical ____?
 ____ a possibility ____ troubles ____ could be ____ my mileage?
 ____ clues on ____ I started getting terrible ____?
 ____ anyone ____ spot potential reasons for poor ____ mileage?
 ____ you look for ____ impacting ____ efficiency?
 ____ been getting ____ fuel economy lately, ____ something ____?
 Could the ____ in my ____ fuel ____ to ____ within ____ mechanics?
 Could ____ in ____ vehicle's ____ economy ____ to mechanics issues?
 Is ____ a ____ of ____ that ____ be ____ fuel economy?
 ____ anything ____ preventing ____ getting better gas mileage?
 ____ you ____ any ____ issues ____ are ____ fuel efficiency?
 ____ issues ____ the mechanics ____ lead ____ low mileage.
 ____ there ____ reason why ____ dropped lately?
 Is there ____ malfunction ____ a decreased MPG ____?
 Can ____ tell ____ if there ____ are affecting my ____ mileage?
 Is ____ gas efficiency now?
 Bad gas ____ to ____?
 ____ gas ____ down because ____ mechanical ____?
 ____ to ____ my miles per gallon.
 Can you ____ for anything that is ____ gas ____?
 ____ me if the ____ issues ____ getting ____ is related to?
 Is ____ mechanical ____ that ____ mileage is bad?
 ____ mechanical ____ causing low gas ____?
 ____ tell ____ fault in the machinery ____ affecting my ____?
 ____ problems affecting my ____ efficiency?
 Is there ____ can ____ a ____ gas mileage on ____ car?
 Do you ____ there ____ any problems ____ cause ____ awful ____?

_____ the recent _____ gas mileage _____ a _____ of _____ troubles?
 Is _____ issues _____ mechanics that cause _____ gas _____?
 _____ you know _____ to _____ mechanical issues _____ causing _____ to decrease?
 _____ want _____ know if you _____ the expertise _____ mechanical issues _____ decrease in _____ mileage.
 _____ you _____ any _____ issues _____ are causing my poor _____?
 What factors _____ blame for _____ car's _____ MPG?
 Is a _____ breakdown _____?
 Is there any reason for _____?
 _____ be the _____ the terrible mileage _____ my car?
 My _____ mileage _____ good, _____ issue?
 Is _____ chance of engine troubles _____ be _____ efficiency?
 _____ is _____ with my _____ it is _____ gas?
 _____ car _____ are _____ the _____?
 Have you noticed _____ the _____ MPGs recently?
 Got _____ what's killing _____?
 _____ fault _____ efficiency at the _____?
 Any _____ potential _____ for poor gas _____ my car recently?
 What _____ causing this _____ fuel _____?
 Can _____ help me _____ any mechanical problems _____ to _____ per _____?
 _____ a _____ engine _____ lowering my MPG now?
 _____ there _____ causing this _____ efficiency.
 _____ for the decrease in _____ efficiency?
 Has there _____ that has _____ in decreased MPG _____?
 Do you _____ any issues _____ vehicle _____ lead _____ decline in _____ mileage?
 Do any _____ inefficiency?
 There's _____ of _____ that might affect _____ poor MPG.
 _____ you find _____ wrong _____ from using more _____?
 _____ me if there _____ machines that _____ my _____?
 _____ reason for poor mileage?
 _____ are _____ that _____ be behind my _____ fuel efficiency.
 _____ there _____ mechanical _____ decrease in fuel efficiency?
 _____ you _____ me _____ mechanical _____ behind my poor gas _____?
 Might mechanical _____?
 _____ there _____ cause for bad _____ since _____?
 _____ clues _____ trouble areas? _____ started getting _____ mileage.
 What _____ responsible for terrible mileage _____ my _____?
 Is _____ identify _____ in the machinery _____ mileage?
 _____ the _____ in _____ vehicle's _____ a _____ potential issues within _____ mechanics?
 Are _____ mechanical causes for _____?
 There's _____ chance _____ finding _____ the poor MPG.
 Is _____ the hood affecting _____ mileage?
 _____ you _____ me _____ affecting my mileage?
 Can you _____ the _____ problems _____ mileage?
 _____ getting bad gas _____ any _____ trouble areas?
 _____ there _____ why _____ mileage _____ caused _____ mechanic reasons?
 I have _____ mileage and it _____ a _____.
 _____ a mechanical reason _____ the reduced _____?
 _____ gettin' good miles, _____ or not?
 _____ you _____ any _____ of the causes _____ awful fuel _____?
 _____ you _____ any mechanical _____ that _____ my _____ efficiency?

Is ____ my ____ issues ____ cause ____ gas mileage?

Is ____ any ____ mechanical issues ____ me ____ misuse ____?

Do ____ think ____ are ____ causes for ____ gas ____?

It might be ____ behind my ____.

Any ____ who can ____ me ____ my ____ gas mileage ____?

Can ____ me about any ____ leading to reduced ____ gallon ____?

Is ____ issues ____ the hood ____ affecting ____ gas mileage?

____ you ____ what is killing my ____ gallon ____?

____ causing this lousy fuel ____?

____ notice any problems with my ____ could ____ my ____?

Are ____ any ____ problems causing ____ bad ____?

____ any problem ____ fuel inefficiency?

Do ____ think ____ mileage is ____ mechanical reasons?

____ curious ____ my miles ____ lately.

____ there underlying fault ____ gas ____?

____ you tell ____ are ____ bad mpg?

Is ____ a ____ between the ____ my ____ fuel ____ and ____ in the ____?

____ can ____ me ____ the machinery affecting my ____?

Are there any ____ that ____ causing ____ efficiency?

Do ____ mechanical ____ causing low ____?

____ locate ____ fuel economy.

____ off ____ that could explain ____ poor ____ economy?

____ identify ____ problems ____ are leading to reduced ____ gallon recently?

____ find ____ faults ____ economy.

____ any issues ____ my gas mileage?

____ there any mechanical ____ to ____ decrease ____ fuel efficiency?

____ any ____ resulted in a decrease in MPG?

Is ____ caused ____ problems?

____ contributing ____ lower MPGs?

____ issues under the ____ impacting ____ mileage?

____ been getting bad ____ economy recently, but ____?

What factors might ____ to blame ____ my ____?

I am ____ mileage, ____ tell me why?

____ you ____ me ____ any ____ are ____ reason for my ____ fuel ____?

____ anything that can ____ the ____?

Do ____ know ____ to detect ____ causing my ____ gas mileage?

I ____ a mechanical problem behind ____ mileage.

Is ____ car trouble that ____ affecting ____?

Are ____ anything ____ preventing me from having ____ mileage?

____ any mechanical issues ____ are ____ my inefficiency?

Is there ____ mechanical malfunction that ____ MPG ____?

____ if ____ a mechanical malfunction resulting in ____.

____ good ____ or trouble under ____?

____ been ____ bad fuel ____ lately, is ____ of something ____?

Is ____ chance of ____ defects ____ MPG recently.

Is anything ____ my ____ responsible for ____ fuel ____?

Recent fuel ____ problems ____ it?

I've been getting bad fuel ____ and ____ wonder ____.

Could ____ decline ____ my vehicle's fuel ____ be related ____ mechanics?

____ causes for decreased ____ possible?

Did _____ any mechanical malfunction that _____ decreased _____?
_____ if you _____ identify any mechanical _____ led to reduced _____ per _____.
I've been getting bad _____ lately because _____.
_____ it possible _____ there _____ causing this terrible _____?
_____ there _____ with _____ that lead to low _____?
_____ for recent fuel inefficiency?
There is a chance of _____ defects _____ might _____.
_____ something _____ causing low MPG.
_____ your mechanical _____ cause _____ efficiency?
_____ got abysmal _____ idea why?
_____ the _____ decline in gas _____ findings _____ to _____ other technical _____?
Is _____ reason _____ fuel efficiency is _____?
I _____ if _____ gas mileage _____ is related to _____ or _____ troubles.
Is _____ a _____ engine _____ could be _____ my _____?
_____ you _____ to _____ breakdown that was impacting _____ efficiency?
What _____ could _____ to _____ for _____ bad _____ my cars?
Do _____ know of any _____ problems _____ my fuel _____?
_____ my recent decline _____ mileage _____ related _____ or other technical _____?
Any _____ can spot poor gas _____ my _____?
_____ want to _____ if _____ gas _____ is due to _____.
_____ any _____ that _____ low mileage.
There _____ problems that are _____ low mileage _____.
