 ____ be willing ____ review the ____ the ____ propose enhancements, ____ the sensors?
 Are ____ able to ____ establishment's ____ recommend enhancements, ____ sensors?
 ____ you adjust ____ sensor positions ____ premises' arrangement?
 ____ to ____ our ____ enhancements to ensure accurate sensor placement?
 Would it be ____ premises' ____ propose improvements, and adjust ____?
 ____ to appraise ____ setup, recommend enhancements ____ shift ____.

We want ____ on enhancing ____ by ____ positioning.
 ____ you ____ our ____ propose enhancements, ____ adjust our ____?
 Should we review ____ our ____ enhancements, and ____ sensors?
 ____ look ____ layout, find ____ to improve it, and adjust ____?
 ____ rearrange sensors, and evaluate ____ we laid ____ our ____.
 ____ it ____ assess the ____ layout, propose improvements, and ____.
 ____ want to ____ premises layout, propose ____ sensor placement?

We ____ in evaluating our ____ setup, recommend ____ sensors?
 Are you ____ to assess ____ property's ____ and ____ enhancements ____ will ____ sensor ____?
 Would ____ be ____ for ____ to ____ the ____ in ____ property, propose adjustments, ____ adjust ____?
 ____ about ____ the ____ layout, ____ improvements, ____ sensor placement?
 ____ you could review ____ propose enhancements, and ____ the ____.

Would ____ to judge the structure of ____ site, ____ and ____ some ____?
 ____ to appraise ____ premises ____ enhancements, and adjust ____ sensors as ____?
 ____ you have any ____ for improving ____ altering sensor ____?
 We need ____ in evaluating ____ setup, ____ enhancements ____ sensors.
 Is it ____ layout, ____ adjust the sensors as needed?
 ____ to ____ the ____ offer enhancements, ____ relocate sensor
 Evaluate how our premises are laid ____ and ____.

Are you ____ in assessing our ____ and ____ accurate ____?
 If needed, you can ____ setup of ____ property, propose ____.
 ____ it possible ____ appraise our ____ layout, propose enhancements, ____?
 Please assess the layout, ____ and relocate ____.

Is it possible ____ the premises, ____ and adjust ____?
 ____ possible to adjust sensor ____ our ____ arrangement, ____ propose ____?
 Is ____ possible ____ structure of ____ propose improvements and possibly relocate some ____?
 ____ need to assess ____ layout, offer ____ and ____.

____ you modify our ____ changes and adjust ____?
 Evaluate ____ premises ____ laid ____ make improvements, and ____ sensors ____.

____ assess ____ property's layout and propose enhancements ____ sure ____ sensor placement?
 ____ you ____ improvements to our current layout or ____?

_____ need your help evaluating _____ setup, _____ adjust sensors.

Assessment _____ enhancements, and relocation _____ are _____.

_____ expertise _____ our facility's _____ recommend _____ and adjust sensors.

Is _____ way to _____ layout, _____ adjust sensor placement?

_____ it _____ review the setup _____ propose enhancements _____ relocate sensors?

Is it possible to _____ propose _____ relocate sensors?

_____ our _____ make improvement recommendations, _____ rearrange _____.

Can you look _____ establishment's design, suggest _____ sensors?

Improve _____ premise's _____ and _____ needed sensors.

_____ the layout _____ move the sensors as needed?

We want you _____ evaluate our facility's setup, _____.

_____ it _____ possible _____ assess the premises _____ and _____ sensor placement?

Do you have _____ assess our _____ recommend _____ relocate _____?

_____ you have the _____ assess our structure, _____ sensors?

The premise _____ proposed improvements _____ placement should _____.

Would it _____ possible to _____ premises _____ enhancements, _____ sensors?

_____ we _____ our facility's setup, _____ enhancements, _____ sensors?

Is it _____ you _____ the _____ in _____ property, _____ adjustments, and adjust the _____ required?

_____ it possible for you to _____ setup, _____ adjustments, _____ sensors in _____?

_____ we upgrade the _____ positioning _____ relocate _____ needed _____?

Can _____ our layout, propose _____ adjust the _____?

Can you _____ the _____ our _____ and can _____ move the _____ needed?

Is _____ for _____ appraise _____ arrangement of our establishment, _____ enhancement _____ realign sensors?

Recommendations _____ to _____ premise's positioning _____ any needed _____.

_____ it _____ the _____ of _____ establishment, _____ suggestions for _____ and realign sensor _____ needed?

Can you _____ our layout, _____ for ways to make _____ the _____?

_____ the _____ of _____ premises, _____ and relocate _____ sensors.

_____ possible _____ you _____ assess the setup in our _____ propose adjustments and _____ the _____?

_____ to know _____ you _____ premise layout and _____ to sensor _____.

Is it possible _____ get _____ thorough _____ of _____ location's _____ and _____ rearranging _____ positions?

Is _____ possible for _____ to _____ establishment's structure, recommend enhancements, _____?

_____ you able _____ setup, recommend _____ and _____ sensors?

_____ it possible to appraise _____ suggest enhancements _____ adjust _____ as _____?

Is _____ possible to assess our premises' layout, _____?

Assess our premise's _____ relocation of _____ sensors.

Would _____ the setup, _____ enhancements _____ shift the _____?

Would you be _____ of the site _____ perhaps _____ some _____?

Discuss our _____ overall layout with _____ for _____ placement _____ needed.

We need _____ to help evaluate _____ adjust sensors.

_____ it possible _____ the setup _____ property _____ make adjustments if _____?

_____ it be possible to _____ setup, _____ enhancements, _____ the sensors _____ our _____?

Would you _____ setup, recommend _____ and _____ the _____?

We need _____ our premises arrangement, propose _____ positions.

_____ to _____ building's design, _____ and move _____ as needed.

Do _____ for improvements or _____ the sensor placement in _____?

_____ look at _____ establishment's _____ and repositioned sensors?

Please _____ the layout _____ our premises, _____ enhancements, _____.

Take _____ look at _____ layout: propose _____ fix-motion _____?

You should assess _____ enhancements, _____ relocate _____ sensors.

Is _____ possible _____ assess _____ layout, _____ changes and _____ sensor _____?

_____ improvement recommendations _____ accordingly _____ to _____ how our premises _____ laid out.

Can we _____ a _____ of _____ location's _____ recommendations on _____ appropriate rearrangements _____ sensor positions?

_____ you _____ layout, _____ to _____ it better and adjust the _____?

_____ arrangement _____ suggest _____ and _____ the sensors accordingly.

_____ appraise _____ enhancements and shift sensors.

Do _____ want to _____ the layout _____ and reset _____ motion detectors?

Please _____ the layout of _____ building, offer _____ sensors.

Please _____ facility's _____ any ideas _____ improvements _____ sensor placements?

_____ able to _____ our facility's setup, recommend _____ shift _____.

Is it _____ you to _____ and _____ improvements to _____?

We would _____ advice _____ facility by adjusting _____ positioning.

_____ appraise the _____ of _____ establishment, offer _____ for enhancement _____ sensors.

Can _____ to improve _____ layout and adjust _____ locations?

_____ it possible _____ appraise our _____ suggest enhancements, _____ adjust _____?

_____ it _____ to _____ the setup _____ property, propose _____ and _____ sensor if _____?

_____ possible to assess _____ and adjust the sensors?

_____ possible to give an _____ of our _____ layout, recommend enhancements _____?

Is it possible for you _____ assess _____ setup _____ if required?

Do you _____ ideas for improvement or _____ the _____?

What _____ you _____ our establishment's _____ recommend enhancements, _____ sensors?

In _____ to suggest improvements _____ align _____ how well everything is _____.

_____ recommend improvements _____ of sensors if _____?

_____ you _____ at the establishment's _____ improvements, _____ position the _____?

Is it _____ assess our _____ enhancements and _____ sensor?
