

[Demo] NLP Dataset for Customer Service Automation

Company Type	Retail Banks
Inquiry Category	Interest rates and investment options
Inquiry Sub-Category	IRA account options
Description	Customers inquire about individual retirement accounts (IRAs) offered by the bank, seeking guidance on traditional IRAs, Roth IRAs, or SEP-IRAs. They seek information on contribution limits, potential tax benefits, and investment options available within these accounts.
Data Size	10,269 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Retail Bank" customer inquiry. (Purchased data will not be masked.)
