

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Energy consumption analysis and advice
Inquiry Sub-Category	Appliance efficiency
Description	Customers seek advice on choosing energy-efficient appliances that reduce electricity consumption. They inquire about the energy ratings, operating costs, and benefits of specific appliances to make informed purchasing decisions.
Data Size	6,637 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

_____ there _____ benefits _____ cost savings _____ light bulbs over traditional incandescent _____?

Is LEDs more _____ bulbs?

_____ it possible _____ cash _____ using _____ LEDs.

_____ it _____ to _____ money _____ LEDs compared to _____ bulbs?

_____ I save _____ buying _____ LEDs?

_____ it _____ that LED _____ over incandescent ones?

Replacing _____ might _____ to _____ savings.

Is _____ better _____ than old light _____?

_____ I _____ a chance to _____ I replace _____ lamps _____ energy _____ LEDs?

_____ my incandescent _____ with energy-efficient LEDs, do I _____ a chance _____?

There _____ cost advantages to _____ LEDs _____ incandescent _____

Do _____ cut down _____ costs _____ than _____ lightbulbs?

_____ that LED bulbs _____ money?

Can _____ LEDs save money _____?

_____ it possible to _____ with _____ use of LEDs instead _____.

_____ LEDs save _____?

_____ LED bulbs _____ expensive than _____?

The _____ of _____ efficient _____ can _____.

_____ it possible to save _____ using _____ instead _____ regular _____?

_____ it possible _____ save costs _____ opting _____ lighting?

_____ it _____ to save _____ replacing incandescent lights with _____?

_____ would _____ to _____ I would _____ cost-efficiency gains _____ to energy-efficient LEDs.

Is it _____ that _____ LEDs _____ result _____ reduction _____ expenditures?

Can _____ expect cost-efficiency _____ I _____ regular incandescent lights _____ energy _____?

Is _____ any _____ using _____ bulbs that are _____?

Is _____ possible _____ reduce expenses _____ using _____?

Is _____ to get _____ reduction in _____ LED lights?

_____ any benefit _____ using _____ bulbs _____ traditional bulbs?

____ it ____ to ____ my lighting-related ____ purchasing ____ light bulbs?
 Can ____ regular light bulbs?
 Do you ____ save money?
 ____ any ____ using ____ LED light bulbs?
 ____ it ____ on ____ switch from incandescent lights to LEDs?
 ____ any financial benefits to using LED ____ regular ____?
 ____ LEDs save ____ compared to ____ bulbs?
 It ____ get a ____ saving if you choose ____ instead ____.
 Do the financial benefits ____ bulbs come ____ saving ____ incandescent ____?
 Replacing old light bulbs ____ me ____?
 Can ____ to ____ money?
 The ____ of ____ to ____ savings.
 ____ to ____ money by using LEDs instead ____ bulbs?
 Is ____ any ____ benefits to ____ standard incandescent ____?
 Do led ____ money over ____?
 DoLED lightbulbs ____ so than conventional ones?
 ____ it ____ cost ____ when I switch from light ____ to ____?
 ____ are some cost-saving advantages ____ LED bulbs.
 Is it ____ cost-efficiency ____ by ____ regular ____ lights to energy-efficient LEDs?
 I ____ are cost advantages to ____ LED light ____.
 Is ____ cost-saving advantage ____ bulbs compared to traditional ____?
 Is it possible ____ to LEDs ____ lead ____ savings?
 ____ LED lighting more cost ____?
 Is ____ to save ____ using LED instead ____?
 ____ savings ____ changing to ____?
 Is ____ to ____ instead of ____ bulbs?
 Does using ____ older bulbs?
 Is there any ____ advantages ____ bulbs compared ____ traditional ____?
 Is it possible ____ save costs ____ light ____ LEDs?
 Can LEDs save ____ traditional ____?
 Is ____ any savings ____ LEDs ____ ones?
 ____ possible to save money with ____?
 DoLED ____ compared to ____ traditional ____?
 ____ possible ____ save ____ by substituting old light ____ with ____?
 Are ____ to using ____ light ____?
 Is it ____ to use LEDs to ____ traditional ____?
 Is ____ to ____ money ____ LEDs instead of traditional ____?
 ____ a ____ money with ____ use of LED lighting?
 ____ the ____ advantage of LED ____ greater ____ that of ____?
 Are ____ by going LEDs?
 ____ save money ____ switch to LEDs instead ____ regular bulbs.
 ____ cost benefits with using led ____ instead ____ ones?
 Replacing traditional ____ cost less.
 ____ advantages ofLED ____ bulbs be worth ____?
 There's a ____ price saving when choosing ____?
 Is the ____ advantages ____ LEDs ____?
 Do I have ____ chance ____ if ____ replace my old lamps ____?
 ____ it ____ use LED ____ bulbs ____ regular incandescent ____?
 DoLED lightbulbs cut ____ on ____ conventional ____?
 ____ some ____ advantages ____ usingLED bulbs.

Is _____ any chance _____ saving _____ bills _____ switch _____ incandescent _____ to LEDs?

Is _____ financial _____ using LED _____ instead _____ standard _____ options?

Is _____ to _____ had _____ you _____ from incandescents _____ LEDs?

_____ was _____ if LEDs _____ me _____ old light bulbs.

Do _____ have _____ to _____ money if _____ incandescent _____ with energy-efficient LEDs?

_____ it possible _____ reduce expenses _____ using _____ lights instead _____ ?

Is using energy _____ more _____ using _____ ?

_____ that LEDs save _____ than _____ ones?

Is _____ to _____ than _____ bulbs?

_____ are _____ to _____ LEDs instead of old _____ ?

Can _____ me _____ it's cost-effective _____ to LEDs?

Does using LEDs _____ over _____ bulbs?

Is it _____ to _____ by changing to _____ LEDs?

Do LED lights _____ economical benefits _____ ?

Is it possible _____ money by _____ instead of _____ .

Is it possible _____ with _____ the LED _____ ?

_____ there _____ savings _____ be had _____ the use _____ bulbs?

_____ there _____ be had _____ you use _____ instead of conventional _____ lights?

_____ lightbulbs help to _____ costs _____ than _____ ones?

_____ may be _____ in costs when _____ switch _____ .

_____ there _____ advantages to _____ ?

It's _____ get a _____ saving _____ you choose LEDs _____ .

Can Switching _____ save _____ ?

_____ LEDs save _____ compared _____ traditional _____ ?

_____ wonder _____ it's cost-effective _____ switch _____ .

_____ using LEDs _____ any _____ over _____ ?

_____ save _____ bills by _____ incandescent light bulbs with LEDs?

I wonder if _____ should _____ cost _____ when _____ switch _____ light _____ LEDs.

_____ you have _____ with the use _____ LEDs?

_____ possible to _____ bill _____ lighting _____ house with LEDs?

Is _____ to _____ with _____ LED _____ of incandescent lights.

Do LEDs save _____ the old _____ ?

I wonder _____ will _____ any _____ gains if _____ from regular incandescent _____ to energy- _____ .

_____ any cost _____ using _____ lightbulbs?

Are there any _____ from incandescent _____ LEDs?

_____ have a _____ if _____ replace my incandescent lamps with _____ efficient _____ ?

Is it possible _____ choosing _____ would _____ in expenses?

How much _____ save _____ to _____ ?

Is it possible _____ save money _____ LEDs than _____ you stay _____ ?

Will LED _____ old ones?

Is there any _____ benefit to _____ incandescent bulbs?

Does _____ LEDs save _____ money _____ to _____ ?

Would _____ LEDs result in _____ reduction in _____ to _____ ?

Is it possible to _____ bills by switching _____ lights _____ ?

Can LEDs _____ than _____ ?

_____ wondering _____ LEDs can save _____ .

_____ any _____ advantages _____ be _____ in _____ light bulbs?

Do the _____ benefits _____ LED light _____ match the savings _____ ?

LEDs _____ lead _____ cost _____ than _____ do.

_____ LED _____ better at cutting down costs _____ ?

Is _____ use LED _____ incandescent lights?
 _____ the _____ lead to cost _____?
 _____ LEDs _____ than _____ light _____?
 Is _____ possible _____ energy-saving LEDs?
 _____ possible to _____ cost savings _____ from old light bulbs _____?
 Is _____ possible _____ money _____ using LEDs instead of _____.
 Can _____ money _____ energy-saving LEDs?
 Is there _____ benefits with using _____ lightbulbs _____ ones?
 Can _____ get _____ cost advantages _____ I switch _____?
 Is there any _____ with using _____ ones.
 _____ you tell _____ if _____ any savings _____ terms of _____ LED _____.
 _____ any financial benefits _____ using _____ over standard incandescent _____?
 I'm wondering _____ are any _____ using LEDs _____ ones.
 _____ the _____ money _____ to regular _____?
 Is it _____ to _____ using _____ the old _____ lights?
 _____ LED _____ less than _____?
 Do _____ bulbs _____ advantages _____ ones?
 _____ there any cost _____ to _____?
 Does _____ LEDs _____?
 Is _____ any chance of _____ money by _____.
 Can _____ cost-efficiency gains when _____ from regular incandescent lights to _____?
 Is there _____ cost-saving _____ light bulbs _____ their _____ counterparts?
 Can LEDs _____ bulbs?
 _____ any benefit _____ using the _____ light _____ the traditional _____ ones?
 How _____ you save _____ by _____?
 _____ there any cost-saving _____ to _____?
 _____ financial savings _____ over older bulbs?
