

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Rust developing on car body
Inquiry Sub-Category	Guidance on rust inspection and detection
Description	Customers are looking for guidance on how to inspect their car for early signs of rust, which areas are more prone to rust, and how to identify hidden rust before it becomes a major issue.
Data Size	5,117 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

How _____ vehicles typically _____ for _____ onset of corrosive damage within _____?
 _____ need _____ focused on _____ problems that may appear inside their _____?
 _____ do automobiles need to be checked _____ deposit?
 _____ how often _____ vehicle needs _____ for corroding.
 How frequently does _____ detect possible _____ car _____?
 _____ standard _____ for performing _____ to _____ any initial _____ of _____ harm on vehicles _____.
 _____ a _____ does _____ vehicle _____ to identify the start of corroding?
 How many times _____ year do cars _____ to be _____?
 How _____ you need to _____ my car _____ structural _____?
 _____ for _____ complete vehicle examination to detect signs _____ damage?
 _____ often do _____ need _____ inspected _____ damage to _____ structure?
 _____ vehicles receive _____ inspections for corrosive _____?
 _____ it necessary _____ get a complete _____ for _____?
 How much _____ inspection _____ corrosive _____ in _____?
 How _____ does a thorough inspection _____ in _____?
 Is _____ that the _____ inspected often to detect _____?
 How often do _____ be checked _____ for _____ deposit _____?
 _____ need to be _____ out for _____ deposits _____ of _____ structure?
 _____ automobiles need to be checked _____ deposit?
 _____ frequently _____ vehicles _____ inspected _____ potential corrosive _____?
 _____ anyone have an _____ vehicles _____ to _____ for corroding?
 _____ vehicle inspections _____ to _____ against corrosive _____?
 _____ a vehicle _____ to have its structure _____ for _____?
 _____ frequently _____ examined _____ early-stage rust problems _____ be internal _____ their _____?
 _____ much do vehicles _____ to _____ corrosive damage?
 What _____ average number of _____ vehicle inspections _____ are _____ corroding?
 Wondering _____ need to be _____ to _____ they _____ have the _____ harsh corrosion.
 How _____ should automobiles _____ for a corrosive deposit _____?

Are there _____ auto _____ due _____ possible corrosion _____?

Is _____ common for vehicles to _____ identify _____?

How often _____ cars _____ for the possibility _____?

Is _____ to conduct vehicle _____ potential corrosive harm _____?

_____ you _____ the _____ frequencies for vehicle inspections _____ signs _____ corrosive damage?

Is _____ recommended for _____ inspected _____ to _____ sure _____ interior _____ not _____ up by corrosion?

_____ vehicles receive _____ inspections that _____ meant _____ damage?

How many _____ per year _____ be checked _____ signs _____ corrosive _____?

_____ vehicles _____ for damage that is corrosive?

The _____ interval _____ complete _____ examination to _____ signs _____ corrosive damage is _____.

What _____ the _____ inspection time _____ corrosive material in _____?

_____ often do vehicles _____ take an _____ for _____ to _____ that could _____?

Does _____ make _____ to have regular vehicle _____ to _____ corrosive _____?

_____ are _____ for corrosive damage?

_____ often do _____ have their _____ checked for _____ may be _____?

_____ average amount of _____ detect structural corrosion?

Is _____ to inspect _____ damage?

_____ is _____ for performing comprehensive inspections _____ initial signs of corrosive _____?

_____ it necessary _____ cars _____ have regular _____ Corrosion?

What _____ the _____ inspection _____ for _____ elements _____ vehicle structures?

Can you _____ the _____ structures _____ to be _____ against corrosion?

_____ often _____ car structures _____ be inspected for _____?

_____ should _____ vehicle be _____ of corrosive damage?

How often can _____ receive _____ for _____?

At _____ point should cars _____ checks for _____ damage?

Is _____ vehicles to _____ corrosive damage inspection?

To make _____ the interior doesn't _____ messed _____ corrosive, _____ that the car _____.

Sometimes cars need to _____ checked _____ corrosive _____ inside _____.

_____ it necessary for vehicles to _____ inspected _____ potential _____?

Is it common for periodic _____ detect _____?

_____ want _____ know _____ there _____ recommended _____ frequency to detect _____ damage _____ car.

How _____ need _____ damage that may be corrosive?

_____ standard interval for complete _____ examinations to _____ of _____?

The _____ performing _____ to identify _____ initial signs _____ corrosive harm _____ vehicles is _____.

_____ often _____ structures _____ to _____ inspected against corrosion?

_____ frequently _____ vehicles have _____ be _____ corrosive damage?

How _____ a _____ should trucks have _____ structure _____ the _____ corrosive damage?

How _____ do automobiles have _____ for _____ corrosive deposit _____ of their _____?

_____ year do _____ need _____ have their structure examined _____ determine if they are _____ for _____?

_____ many times a _____ do trucks need _____ their _____ examined _____ to determine the _____ corrosive _____?

Is _____ necessary _____ vehicle _____ potential corrosive harm.

How frequently _____ need in-depth investigations focused on early-stage _____ that may _____?

Is it recommended to _____ car's _____ corrosive damage?

_____ would like to know _____ recommended number _____ a vehicle _____ inspected to detect _____ corrosive _____.

_____ often do automobiles _____ be checked _____ damage in _____?

How frequently _____ need intense _____?

How _____ vehicles need to _____ checked _____?

_____ how often vehicles need _____ check _____ corroding?

It's recommended _____ the _____ regularly to make _____ the _____ messed _____ by _____.

To _____ get _____ up by corrosion, is _____ a _____ to _____ the car inspected regularly.

How _____ a _____ do _____ need _____ for structural corrosion?
 _____ often does a _____ need to be _____ for _____?
 _____ vehicles _____ thorough inspections that _____ meant _____ damage _____ the structure?
 _____ for _____ of corrosive damage done _____ automobiles?
 _____ often do vehicles _____ to have _____ for _____ be corrosive?
 How often _____ vehicle _____ thorough inspection _____ damage?
 How _____ do _____ a _____ inspection _____ few years for any _____ of structural corrosiveness?
 How often _____ to be _____ signs of corrosive _____?
 _____ frequently _____ vehicles _____ their structures _____ for potential damage?
 _____ it _____ that I _____ my _____ for _____ signs of corrosive _____?
 _____ it recommended _____ I _____ car inspected frequently _____ detect _____?
 How _____ does a _____ inspection for damage that _____ be _____?
 _____ can cars receive _____ that are _____ for _____ damage?
 _____ much _____ the car _____ inspected _____ years for any _____ structural _____?
 What is the usual _____ elements in _____?
 How _____ times a year does _____ thorough inspection for _____?
 How often _____ detect _____ damage in _____?
 How _____ vehicle inspected for _____ of potential _____?
 Is _____ a standard _____ for vehicles _____ checked _____?
 How _____ does _____ automobile _____ to be _____ corrosive damage?
 _____ many _____ a year do automobiles have to _____ a _____?
 _____ do _____ need _____ car to be _____ every few years _____ of structural _____?
 _____ can _____ get thorough _____ are meant for _____ damage?
 Is it recommended _____ check _____ regularly _____ damage?
 How _____ do _____ need _____ have their _____ at _____ signs of _____?
 How often does a vehicle need _____ have its _____ corrosive?
 _____ general _____ aimed at _____ framework corroding is unknown.
 _____ it necessary for cars to _____ for _____?
 Is _____ for _____ to be regular _____ to identify _____?
 _____ need regular _____ inspection?
 How frequently _____ to be inspected _____ signs _____ structure _____?
 _____ possible that _____ receive _____ inspections _____ corrosion?
 Is _____ vehicle inspection _____ catch _____ inside?
 How often _____ need to _____ for _____ corrosive _____ in their _____?
 _____ need to have my car _____ to _____ corrosive damage?
 How _____ vehicles _____ inspected for damage _____ structure _____ may be _____?
 Is it _____ for _____ car _____ regularly to _____ sure _____ is _____ up by corrosive?
 _____ detect corrosive damage _____ cars?
 _____ often do _____ have _____ for corrosive damage?
 What's _____ usual amount _____ vehicle _____ to _____?
 I _____ how often the _____ structures _____ be _____ against _____.
 How _____ required _____ be _____ for corroding?
 How _____ do _____ have their _____ checked for _____?
 How _____ do _____ require me to _____ car _____ few _____ for any signs _____ corrosiveness?
 The _____ for complete vehicle exams _____ detect _____ of corrosive _____ structure _____.
 What _____ usual _____ for identifying corrosive objects in _____?
 Is _____ have _____ car _____ frequently to detect corrosive _____?
 How many _____ year _____ inspections that _____ meant for corrosive _____?
 _____ often do cars need to be checked _____ for _____?
 How _____ do _____ to be _____ for signs _____ corrosion?

How often do cars _____ be _____ a _____ their structure?

Wondering how _____ cars _____ inspected against _____ of harsh _____?

How frequently _____ possible corrosive damage _____ cars?

_____ it _____ I have _____ frequently _____ detect any corrosive damage?

How _____ vehicles receive _____ that _____ meant _____ corrosive _____ the structure?

_____ for _____ be subject _____ corrosive damage inspections?

_____ about how often auto structures _____ inspected _____ Corrosion.

Should _____ undergo _____ checks for signs _____ often?

How _____ can _____ vehicle _____ an _____ for _____ damage?

_____ much do you recommend _____ car examined every _____ years for any _____ of _____?

How _____ car _____ detect possible corrosive damage?

_____ it normal _____ be periodically _____ for _____ of corrosive _____?

_____ frequently can _____ receive thorough inspections _____ to _____ for _____ damage?

Do vehicles actually _____ corrosive _____?

_____ do _____ to be _____ for corroding?

How _____ for my _____ be inspected every few years _____ signs _____ corrosiveness?

_____ need to know _____ of _____ a _____ should be inspected _____ detect signs _____ corrosive _____.

Is it _____ vehicle inspections to catch _____ harm _____?

Does a vehicle need to _____ inspected _____?

_____ often _____ car structure inspection _____ damage?

Do _____ need structure _____?

_____ cars _____ to have regular checks _____ signs _____ oxidation?

_____ a _____ inspection detect potential corrosive damage _____?

_____ be inspected for _____ to their _____ that may be _____?

Is _____ vehicle _____ to protect _____ harm inside?

How often _____ their structure inspected _____ be corrosive?

_____ often auto _____ have to be _____ against _____ elements.

What _____ my vehicle be checked _____?

How _____ do you _____ to _____ every few _____ for signs of _____ corrosiveness?

_____ be _____ to detect corrosive damage.

_____ to know the _____ frequencies _____ vehicle _____ detect early signs of _____.

How often should _____ checked for _____?

_____ the vehicle have _____ have _____ damage _____?

Typically, how often _____ for _____ potential structural _____?

_____ many vehicles _____ for _____ damage _____ year?

_____ often _____ be inspected for _____ meant for _____?

Is it _____ good _____ for the _____ to be inspected _____ make sure _____ is _____ by _____?

I am curious about _____ often auto structures _____.

Is _____ for _____ to be inspected regularly to make _____ damaged by corrosive?

How _____ do vehicles get _____ damage inspected?

_____ many _____ year _____ their structure _____ to determine their _____ corrosive damage?

_____ you think _____ frequent corrosive _____?

_____ many times _____ do _____ have their structure _____ to _____ the risk of corrosive _____?

How often _____ need to _____ damage to their structure _____ be _____?

What is the average _____ comprehensive _____ inspections _____ to _____ framework _____?

_____ it _____ the _____ to detect corrosive damage?

How _____ cars need _____ checked for damage?

_____ cars need to _____ checked _____ deposit inside of _____ structure.

What _____ inspection _____ for detecting _____ in vehicle structures?

I would like _____ know how _____ vehicles _____ for _____.

_____ recommended for the car _____ be inspected _____ order _____ make _____ the _____ not _____ by corrosive.
 _____ frequently _____ vehicles receive _____ thorough _____ that is _____ damage?
 _____ frequently do _____ to inspect vehicles _____?
 _____ do _____ need to _____ examined _____ possibility of having _____ deposit?
 _____ recommended for the _____ to _____ make sure _____ interior isn't _____ by corrosives.
 _____ recommend _____ my car be inspected every _____ for _____ of _____ corrosiveness?
 Do _____ often _____ need to _____ checked for _____?
 _____ often _____ cars be _____ for a _____ their structure?
 What's the _____ inspections _____ detect structural corrosion?
 _____ vehicle need _____ have regular _____ structural damage?
 _____ need to have _____.
 _____ usual for _____ to undergo _____ inspections _____ identify structural _____?
 _____ times a _____ do _____ need to _____ checked _____ a corrosive _____?
 Is it true _____ vehicles get regular _____?
 _____ do cars need _____ a corrosive deposit _____ the structure?
 _____ comprehensive _____ to prevent corrosive damage _____ is the _____?
 _____ it _____ vehicles to _____ regular _____ to identify _____ rot?
 How often _____ automobiles _____ checked _____ a _____ deposit inside _____?
 How often _____ cars _____ to _____ damage to _____ that is _____?
 _____ vehicles get inspected _____ of _____ structure corrosion?
 Sometimes _____ need _____ inspection.
 _____ do _____ need an intense check _____?
 _____ can vehicles _____ inspected _____ damage.
 _____ usual _____ schedule for detecting corrosive materials in _____?
 _____ many times _____ do _____ have their _____ examined _____ risk of _____ damage?
 How _____ to be _____ for a _____ inside of their structure?
 What is _____ interval _____ complete _____ to _____ for _____ of corrosive _____?
 It _____ to be checked _____ to _____ corrosive damage.
 Are it recommended _____ car to _____ to _____ corrosive _____?
 _____ frequently _____ inspections _____ for corrosive damage?
 _____ checks to prevent _____ damage _____ cars, _____ is the _____?
 _____ frequently do vehicles need to _____ inspection for _____ might _____?
 _____ have _____ vehicle checked _____ signs of corrosive damage?
 When do cars need _____ be _____ corrosive damage?
 How _____ inspections are conducted to detect _____ of _____?
 _____ it _____ for vehicles _____ regular check-ups to _____ damage?
 _____ would _____ to _____ how _____ the _____ need to be _____ against corrosion.
 What is _____ comprehensive vehicle inspections designed _____ corroding?
 Does it recommend that _____ frequently _____ detect _____ damage?
 Is _____ recommended _____ Frequency _____ detect any _____ damage _____ my _____?
 _____ how often auto structures need _____ inspected against _____.
 _____ isn't _____ up by corrosive, _____ recommended _____ car be inspected regularly.
 Is _____ usual for vehicles to undergo _____ structural _____?
 What is _____ amount _____ to detect structural _____?
 How often _____ vehicles need _____ inspected _____ signs of _____?
 How often are _____ damage to _____ that _____ corrosive?
 Is _____ a way _____ how often _____ need _____ inspected against _____?
 Is it _____ good _____ to inspect vehicles frequently _____?
 To _____ the interior of _____ car _____ not _____ by corrosive, _____ that the _____ be inspected _____.
 _____ vehicles need _____ their structure inspected _____ potential _____ damage?

_____ want to know _____ often _____ structures need to _____ .
 How frequently _____ to have their _____ for possible _____ ?
 _____ it _____ have _____ car _____ frequently to detect _____ corrosive _____ ?
 _____ do vehicles _____ to _____ structures checked _____ signs of _____ ?
 What regularity _____ in-depth _____ for signs of _____ fading its _____ ?
 _____ there _____ recommended _____ that can _____ damage to my _____ ?
 _____ want to _____ how _____ auto _____ to be inspected _____ .
 What _____ the average _____ schedule for _____ vehicle structures?
 Is _____ necessary _____ conduct _____ inspections _____ corrosive harm?
 _____ often _____ you need _____ inspect _____ structural corrosion?
 _____ recommended that the car be _____ sure the _____ not messed _____ by corrosive.
 Does _____ a frequent corrosive damage _____ ?
 _____ times a _____ you _____ to inspect cars _____ detect structural _____ ?
 Is _____ checks _____ to _____ corrosive harm inside?
 How _____ are vehicles _____ potential structure corrosive?
 _____ standard interval for performing _____ to _____ signs of corrosive _____ on vehicles _____ .
 _____ vehicles _____ subject to _____ damage _____ ?
 Is _____ for vehicle _____ to catch _____ ?
 How _____ does _____ inspection _____ corrosive damage _____ cars?
 How much _____ have to _____ for _____ corrosive _____ ?
 How _____ be _____ for possible corrosive _____ ?
 _____ often do _____ need to _____ looked at _____ that _____ be corrosive?
 Is _____ recommended that _____ be checked _____ to detect _____ ?
 How _____ are _____ signs _____ structurecorrosion?
 _____ vehicles _____ to _____ inspection for damage to their _____ ?
 What is the _____ inspection _____ within vehicles?
 _____ vehicles need to _____ damage frequently?
 What is the _____ of vehicle _____ structural corrosion?
 How _____ to be checked for _____ corrosive _____ ?
 _____ it recommended that cars be _____ damage?
 _____ how _____ vehicles need to be _____ for _____ ?
 How _____ does _____ vehicle _____ an _____ that _____ be corrosive?
 Do _____ to _____ corrosive damage _____ ?
 Is _____ normal _____ to go _____ in-depth _____ of corrosive damage?
 _____ is _____ vehicle checked _____ damage?
 _____ inspection necessary to catch _____ ?
 _____ curious about _____ often the _____ to be inspected _____ .
 How often does _____ automobile _____ be checked _____ the _____ of _____ ?
 _____ should automobiles be _____ for _____ of corrosive _____ ?
 Does vehicles _____ have _____ corrosive _____ ?
 _____ need to be examined for _____ risk _____ corrosive _____ ?
 What is _____ average number of _____ inspections _____ year _____ corroding?
 How much _____ need to _____ risk of _____ ?
 How often can _____ for _____ damage _____ the _____ ?
 It's _____ for the _____ to be _____ frequently to make _____ corrosive.
 It _____ recommended _____ car to be _____ regularly _____ sure the interior _____ not damaged _____ .
 _____ much do _____ car every few years for _____ of structural _____ ?
 _____ often _____ car structural _____ damage?
 To _____ early _____ of corrosive _____ can you _____ how _____ to _____ ?
 _____ standard _____ for _____ comprehensive inspections to _____ initial _____ of corrosive _____ on _____ known.

____ is ____ number of times ____ inspection ____ needed ____ ____ corrosion in vehicles?
 ____ tend ____ subject to ____ inspections.
 ____ many ____ must automobiles ____ for signs of corrosive ____?
 How much ____ need ____ be ____ out ____ the ____ of ____ damage?
 ____ it ____ that ____ require ____ damage inspection?
 ____ ____ me how often auto structures need ____ be ____ against ____?
 ____ it ____ a good idea for ____ in-depth checks for ____ of ____?
 I'm curious ____ need to ____ checked ____ corroding.
 ____ the ____ amount of ____ vehicle inspections ____ detecting framework ____?
 I'm ____ to know how ____ structures ____ be inspected ____.
 ____ it ____ check the car ____ for corrosive damage?
 How ____ are ____ subject ____ inspections?
 ____ frequently ____ thorough inspection ____ damage to ____?
 ____ frequent corrosive ____ inspection?
 Did ____ know ____ need intense check ____ corroding?
 How ____ do vehicles get ____ for ____ damage?
 ____ must trucks have ____ examined to determine ____ risk ____ corrosive damage?
 How ____ automobiles ____ for the possibility of ____ damage?
 Can ____ me ____ number of ____ for signs of corrosive damage?
 ____ how often vehicles ____ checked for possible corroding.
 I ____ like ____ know ____ often ____ structures ____ against corrosive substances.
 How ____ vehicle ____ checked for ____ damage?
 ____ to be ____ inspected for ____ damage?
 Is ____ a ____ for vehicle ____ to catch ____ corrosive ____?
 The standard ____ complete ____ exam ____ detect signs of ____ damage ____.
 ____ it common for ____ inspections to ____ structural degradation?
 ____ often ____ to be ____ for possible corroding?
 Are ____ checks necessary ____ detect ____?
 ____ tell me how frequently auto ____ need ____ inspected ____ elements?
 ____ frequently ____ vehicles be ____ for ____ of ____ damage?
 ____ necessary ____ regular inspections to ____ damage ____ to corrosion?
 How ____ are vehicles ____ for ____ of ____?
 How ____ can a vehicle ____ meant for ____ damage?
 Do ____ need ____ inspected ____ for structural ____?
 How ____ can ____ receive ____ checkup that ____ for corrosive ____?
 ____ a ____ inspection detect corrosive ____ a car?
 ____ automobiles be ____ for a ____ inside their structure?
 It ____ car to be ____ regularly ____ sure ____ interior isn't messed up ____ corrosive.
 How often does a ____ to ____ its structure ____ damage?
 Do ____ know how often ____ checked for ____?
 ____ required ____ vehicles to ____ frequent ____ damage inspection?
 How ____ are vehicles required ____ have ____ their structure that ____ be ____?
 ____ is recommended ____ the car ____ checked regularly to ____ the interior isn't ____.
 ____ undergo in-depth checks for signs of corrosive damage ____?
 ____ it ____ the ____ to be inspected ____ make ____ the interior isn't messed ____ corrosive?
 For potential corrosive ____ do ____ comprehensive inspections?
 ____ it advisable ____ the car ____ frequently ____ corrosive damage?
 ____ think ____ car should ____ inspected regularly ____ detect corrosive ____?
 ____ many ____ a year ____ vehicles receive thorough inspections ____?
 ____ interval for ____ inspections ____ initial ____ of corrosive harm ____ vehicles ____ unknown.

_____ necessary for vehicles to _____ prevent corrosive _____?

I wonder if _____ are necessary to _____ corrosive _____.

What is _____ number _____ inspections aimed at _____ corroding?

_____ do _____ need _____ be checked for _____ corrosive _____?

_____ wondering _____ often _____ vehicle _____ checked for corroding.

How _____ do vehicles need _____ inspected _____ to _____ that is _____?

How _____ cars be _____ for _____ corrosive _____?

How _____ does my _____ for structural _____ every few years?

What is the _____ to detect framework _____?

_____ frequent corrosive damage inspection?

_____ signs of corrosive _____ you tell _____ how _____ to _____ my vehicles?

_____ make _____ the interior _____ messed _____ by corrosive, is _____ idea for _____ car _____ be inspected _____.

How _____ cars be _____ a corrosive deposit in _____?

How _____ vehicles need to _____ for signs of _____?

_____ period for vehicles to have anti-corrosion _____?

How much _____ your _____ to be _____ few _____ for structural _____?

What _____ the _____ inspection schedule _____ corrosive materials in _____?

Is _____ a good _____ to be _____ detect corrosive damage?

_____ a _____ you need _____ inspect _____ for structural Corrosion?

_____ any _____ how _____ vehicles need to be _____ corroding?

_____ many _____ a _____ examination focused on early-stage rust issues?

The car _____ to detect corrosive _____.

_____ interval _____ performing _____ to identify _____ of corrosive harm on vehicles is _____ known.

_____ a vehicle _____ to have _____ for damage that _____ be corrosive?

I am _____ often auto structures _____ to be _____.

_____ times _____ trucks _____ to have their _____ examined _____ find out _____ of corrosive damage?

_____ times a year _____ trucks need _____ their structure _____ to _____ their susceptibility _____ damage?

Is it necessary _____ vehicle _____ to catch _____?

_____ often do automobiles _____ their _____ for _____ deposit?

Should vehicle _____ be done to _____ potential _____?

_____ vehicles _____ thorough _____ are _____ for corrosive damage _____ the structure?

How often do _____ inspection _____ car structures?

_____ often _____ vehicle _____ a _____ examination to identify _____ start _____ corrosion?

Are there _____ inspections _____ to _____ problems?

Is it _____ for cars to _____ inspections _____?

_____ it necessary to _____ to catch _____ corrosive harm _____?

How _____ does _____ need to be checked _____ for _____?

Is regular vehicle _____ necessary _____ catch _____?

Is regular _____ to catch potential _____ harm _____?

_____ do automobiles _____ to be _____ out _____ a _____ deposit _____ structure?

How _____ cars need _____ be _____ for _____ damage?

Is regular vehicle inspections necessary _____?

_____ regular vehicle _____ potential _____ inside?

How often _____ a _____ for _____ damage within _____ structure?

What _____ time for _____ corrosive elements _____ vehicles?

_____ you tell me _____ number of _____ vehicle _____ to _____ signs of damage?

How frequently must _____ be _____ for _____ damage?

_____ can a vehicle get inspected _____?

_____ often _____ vehicles _____ for _____ damage?

_____ a vehicle needs _____ be _____ corroding?

____ interval for complete ____ inspections ____ corrosive damage ____ not known.
 ____ need ____ evaluations ____ on early-stage rust problems ____ appear inside their ____?
 How often ____ automobiles need ____ be ____ of ____ to their structure?
 ____ many ____ do trucks ____ to have ____ examined to ____ they are ____ of corrosive damage?
 ____ do vehicles ____ their structures inspected ____ that is corrosive?
 ____ necessary ____ inspections to catch ____ damage inside?
 How ____ do ____ to be ____ for ____?
 ____ curious about ____ structures ____ to be ____ against the corrosive ____.
 ____ a year should I ____ vehicle examined for signs ____?
 ____ know ____ vehicles ____ be checked for corroding?
 How ____ do ____ need ____ examined ____ corrosive damage?
 Is ____ to detect ____ harm?
 ____ can ____ vehicle ____ a thorough ____ designed ____ corrosive damage?
 How ____ do automobiles have ____ checked ____ for ____ corrosive damage?
 Can ____ the ____ intervals for ____ vehicles to detect ____ signs ____ damage?
 How often ____ corrosive ____ in car structures?
 What is the ____ inspection ____ for identifying ____ vehicle ____?
 How ____ do ____ have corrosive ____?
 ____ how ____ are subject to ____ damage inspections?
 ____ is ____ amount of comprehensive ____ inspections to ____ corroding?
 ____ are ____ general frequencies ____ comprehensive vehicle inspections ____ corroding?
 It is ____ for ____ frequently to make sure ____ interior ____ messed up ____ corrosive.
 Is it recommended that ____ car ____ regularly ____ to ____?
 How ____ do cars need ____ checked out ____ deposit?
 ____ many times ____ automobiles ____ to ____ checked out for ____?
 ____ common ____ cars ____ demand thorough ____ against the possibility ____ corrosion?
 ____ frequently do ____ need to be ____ the possibility ____ structure?
 ____ times a ____ do trucks ____ to ____ structure ____ to determine their ____ corrosive damage?
 ____ many ____ year ____ inspected for corrosive damage?
 ____ of ____ damage fading its ____ what ____ must automobiles undergo ____?
 ____ have to be inspected ____ potential ____ damage?
 ____ frequently ____ vehicles ____ thorough checks that ____ for corrosive ____?
 What is the ____ number ____ comprehensive ____ to ____ corroding?
 Vehicles ____ often ____ to ____ corrosion.
 For corrosive damage, ____ vehicles ____?
 ____ do automobiles ____ be checked ____ corrosive damage?
 Is it necessary ____ to ____ corrosive ____ inside?
 How ____ get ____ corrosive damage?
 How ____ vehicles are ____ inspections a year?
 Wondering how ____ cars need ____ be inspected ____ the ____.
 Can you tell me ____ often ____ checked for a ____?
 Is it normal ____ to ____ to identify ____ rust?
 ____ a corrosive damage inspection?
 How ____ do vehicles ____ need to ____ corroding?
 Regular ____ inspections ____ catch corrosive ____ inside.
 Do ____ think it's a good idea ____ to ____ to ____ damage?
 What is ____ interval for complete ____ exams ____ of corrosive ____?
 ____ times a year ____ you ____ to ____ to detect structural ____?
 I ____ to know ____ recommended frequencies ____ inspecting ____ signs of ____.
 ____ that the ____ inspected ____ to detect corrosive damage?

Is _____ the car _____ inspected _____ regular basis to _____ corrosive damage?
How often _____ need _____ checked for corroding?
_____ estimate _____ from corrosiveness, how often are comprehensive _____?
_____ do _____ examined for the _____ of corrosive damage?
Is it _____ for vehicles to _____ identify _____ corrosion?
_____ often _____ vehicles usually need to _____ checked _____?
What _____ the average number of comprehensive _____ corroding?
_____ cars generally _____ frequent _____ damage _____?
_____ it recommended _____ car be _____ regularly to _____ damage.
_____ curious about _____ of _____ that need _____ be inspected _____.
_____ a _____ have to _____ corrosive damage _____?
_____ often can a _____ receive a _____ meant _____?
How _____ vehicles need _____ have _____ structures _____ for _____ damage?
I don't _____ often _____ vehicle checked _____ signs _____ corrosive damage.
When do _____ to be _____ for a _____?
_____ to _____ regularly inspected for _____ damage?
How _____ do automobiles _____ out _____ a corrosive deposit?
How _____ can _____ corrosive damage _____ the structure?
How frequently do _____ in-depth _____ early-stage _____ problems that _____ appear internal in _____?
_____ often _____ automobiles need _____ be _____ for _____ corrosive deposit?
_____ automobiles _____ to be _____ damage to their structure?
_____ regularity _____ automobiles _____ checks for _____ damage?
_____ it recommended that _____ car _____ to _____ corrosive damage?
_____ frequently _____ automobiles need _____ focused _____ early-stage rust _____ may _____ internal in _____ construction?
_____ don't _____ auto structures _____ to _____ inspected against _____ elements.
How often can _____ be _____ corrosive damage?
_____ often comprehensive _____ inspections _____ done _____ order to _____ framework _____?
What _____ should my _____ for structural _____?
_____ question about how frequently vehicles _____ damage.
Do cars need _____ to avoid _____ signs of _____?
_____ it _____ often to estimate vehicle _____ deterioration _____?
What is _____ amount of _____ inspections to _____?
_____ cars _____ to be checked _____ a corrosive deposit _____?
How _____ do _____ need _____ inspect your _____ detect _____ corrosion?
_____ there _____ auto checks _____ possible corrode _____?
_____ frequently are _____ inspected for _____ of _____ corrosion?
How _____ automobiles need to be _____ out _____ possibility _____ a _____ deposit?
How many times a _____ do cars need _____?
_____ want _____ how _____ structures _____ to be inspected against corrosion.
_____ of _____ isn't messed _____ by corrosive, it is recommended that _____ be inspected _____.
_____ often _____ a vehicle _____ a _____ potential corrosive damage?
_____ frequently can vehicles receive a thorough _____?
_____ curious how _____ cars need _____ checked for _____.
It is _____ the car _____ to _____ the interior _____ messed up by corrosive.
_____ it _____ for vehicle checks _____ catch _____ harm _____?
_____ are _____ inspected _____ signs _____ corrosion?
How _____ do you need _____ inspect _____ vehicles _____ damage?
_____ be inspected regularly for structural _____?
_____ many times _____ should a vehicle be _____ for _____ of _____?
_____ many _____ a _____ should _____ for _____ caused by corrosion mark?

Is _____ for _____ to undergo _____ to identify _____ corrosion?
 _____ are the _____ inspection frequencies _____ elements _____ vehicles?
 _____ common for vehicles _____ be _____ to identify _____?
 I am _____ if there is a _____ to _____ damage _____ my _____.
 _____ often do automobiles _____ to have a _____?
 Is it _____ for _____ need comprehensive _____ for _____?
 Is it _____ for _____ inspections _____ detect corrosive _____?
 How _____ receive _____ inspection that is meant for _____?
 How _____ inspected for signs _____ potential structure _____?
 _____ it necessary for _____ catch potentially corrosive _____?
 Is _____ to need frequent corrosive damage _____?
 _____ many times a _____ trucks _____ structure _____ at _____ determine the risk _____ damage?
 Does _____ often _____ corrosive _____ in _____ structures?
 What is _____ for _____ to _____ inspected for _____ of corrosive _____?
 How _____ does _____ detect corrosive _____ to _____?
 _____ vehicles _____ frequent _____ checking?
 Do you _____ often auto structures _____ be _____ elements?
 Is it _____ to have a complete _____?
 How often should automobiles _____ in their structure?
 How often does _____ structures get _____ corrosive _____?
 _____ must _____ undergo in-depth checks _____ signs _____ corrosive _____?
 _____ is _____ regular number _____ vehicle _____ to _____ structural _____?
 _____ want to _____ how _____ vehicles _____ an _____ check for _____.
 Is vehicle _____ necessary _____ catch _____?

 _____ do _____ my car _____ every few years for structural _____?
 How _____ must automobiles _____ checked _____ a corrosive _____ structure?
 Is it _____ to be _____ inspected _____ structural corrosion?
 _____ checks necessary _____ potential _____ harm inside?
 _____ should _____ checked out for _____ deposit inside _____ structure?
 _____ often do automobiles _____ checked for _____ having _____ corrosive deposit?
 How often _____ inspected to _____ corrosive damage?
 _____ often do automobiles _____ to undergo _____ signs _____ damage?
 _____ often do _____ need _____ have their _____ risk of corrosive damage?
 How _____ to _____ inspected for _____ corrosive damage?
 _____ many _____ do trucks _____ to _____ their structure examined _____ determine the risk _____ damage
 _____ necessary for cars _____ a complete _____ Corrosion?
 _____ interval for _____ vehicle examination to _____ signs of _____ damage _____ known.
 _____ often does an automobile _____ to _____ checked for _____?
 How frequently does _____ thorough _____ to cars?
 _____ in knowing _____ often auto _____ need _____ inspected against corrosion.
 How often _____ automobiles _____ checked _____ corrosive damage within their _____?
 _____ does _____ vehicle need _____ thorough _____ for potential corrosive _____?
 Is _____ to undergo _____ checks _____ signs _____ corrosive damage?
 _____ uncommon for _____ undergo _____ inspections to _____ structural corrosion?
 Typically, _____ are vehicles _____ signs _____ structure corroding?
 How _____ cars need to _____ checked out _____ in their _____?
 _____ point _____ have to undergo _____ checks for _____ corrosive damage?
 _____ often _____ automobiles be checked for _____ damage?
 _____ many times _____ are _____ inspected _____ potential structure corrosion?

_____ automobiles be _____ the possibility of _____ damage?
 I _____ how often _____ need _____ be checked _____ corroding.
 _____ an automobile need _____ be _____ for the possibility of _____?
 _____ need _____ how _____ the auto structures _____ inspected against corrosive _____.
 _____ often do vehicles _____ to _____ for damage _____ their structure _____ be _____?
 Wondering how often _____ to _____ inspected against the _____?
 _____ vehicles usually _____ to _____ frequent _____ inspection?
 How _____ automobiles need _____ for the possibility of _____ damage?
 How _____ are _____ for corrosive _____ every _____?
 _____ automobiles need to be checked _____ for the _____ damaging _____?
 _____ many _____ a year can _____ be _____ corrosive _____?
 How often _____ need to _____ for _____ corrosive _____?
 How often _____ need to _____ structural corroding?
 How _____ should automobiles be _____ a corrosive deposit _____ of _____?
 _____ are _____ for _____ corrosive deposit?
 _____ the _____ inspection schedule _____ corrosive elements in _____?
 _____ many _____ a year do you _____ to inspect _____ vehicles?
 _____ frequently do _____ be inspected for signs _____ damage?
 _____ vehicle inspections _____ to _____ corrosive harm inside?
 At _____ automobiles be examined _____ of _____ damage?
 _____ vehicles generally need _____ inspection?
 How _____ automobiles need _____ be checked _____ corrosive deposit _____ the _____?
 How many _____ year do trucks need to _____ examined _____ figure out _____ risk _____?
 How _____ vehicles need _____ inspected for possible _____ their _____?
 How often _____ receive an _____ meant for _____?
 Is _____ common _____ vehicles to _____ regular _____ structural rust?
 Is _____ necessary _____ car _____ catch corrosive harm _____?
 Vehicles _____ corrosive damage _____.
 How often _____ vehicles _____ to _____ inspected _____ potential _____?
 Should _____ inspections _____ done _____ catch potential corrosive _____?
 _____ there _____ idea how _____ auto structures need _____ be _____ elements?
 How _____ are vehicles inspected _____ of _____ degradation?
 Is it _____ for regular _____ to _____ harm inside?
 _____ comprehensive vehicle _____ are _____ to detect _____ corroding?
 _____ the _____ messed up _____ corrosive, _____ it _____ that the car be inspected _____.
 How _____ should vehicles _____ inspected _____ potential structure _____?
 _____ the usual inspection _____ for identifying _____ objects _____ vehicle _____?
 _____ is _____ average _____ identifying corrosive elements in _____?
 _____ often are _____ inspected for _____?
 _____ the _____ inspection schedule for _____ corrosive substances _____ structures?
 I'm _____ often vehicles need _____ check _____ corroding.
 Is _____ for _____ require frequent corrosive damage _____?
 How frequently _____ vehicles _____ thorough _____ damage?
 _____ to know _____ auto structures _____ to be _____ for corrosion.
 How often _____ automobile need _____ be _____ for _____ deposit?
 Is _____ standard _____ vehicles _____ anti-corrosion assessments?
 How often _____ for signs _____ potential structure degradation?
