

[Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers
Inquiry Category	Wi-Fi network setup and troubleshooting
Inquiry Sub-Category	Signal interference troubleshooting
Description	Customers require guidance to identify and eliminate potential sources of signal interference (e.g., appliances, neighboring networks) affecting their Wi-Fi connectivity.
Data Size	5,089 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)

____ you suggest tips for ____ our ____ cause ____ disruption, like microwaves or ____ phones?
 Do you have ____ moving ____ away ____ or phones?
 ____ disrupt signals such as ____ cordless ____ is it ____ to relocate ____ better connection?
 How to ____ interference ____ microwaves ____?
 ____ do ____ getting a router ____ far away ____ and ____ noise?
 Is ____ any advice ____ moving ____ routers ____ microwaves?
 Considering ____ that ____ such as ____ or cordless phones, how ____ our ____?
 Should the routers ____ placed ____ from ____ microwaves?
 ____ me what to do ____ signal interference caused by microwaves and ____?
 I want to ____ my routers ____ signal ____ microwaves ____ phones.
 ____ there ____ way ____ lower ____ disruption ____ by appliances ____ microwaves and ____?
 ____ interference from ____ like microwaves and cordless phones.
 Is it ____ to relocate theRouter ____ appliances?
 ____ you ____ advice on ____ avoid signal interference from ____ microwaves ____ phones?
 How can ____ get rid ____ microwaves or ____?
 How do ____ avoid things ____ interfere ____ signals, ____ and ____?
 ____ have a suggestion ____ to keep our ____ away from ____?
 Considering ____ that disrupt ____ such as ____ or ____ should we ____ our ____?
 The ____ should be moved ____ minimize ____ noise from ____.
 ____ you have any suggestions ____ to ____ our ____ away ____ and ____?
 ____ know ____ rid ____ router that ____ interfered with by microwaves or phones.
 Should ____ move our ____ disrupters ____ microwaves ____ corded phones?
 Do you ____ any suggestions on ____ prevent ____ from coming from ____?
 Can I ____ of my ____ signal ____ microwaves or ____ phones?
 ____ you have ____ on ____ we ____ keep our ____ away ____ and microwave ____?
 ____ we ____ the interference caused by microwave ____ use?
 Can we get ____ and ____?
 ____ it possible to ____ solutions ____ our ____ hardware away from ____?

How do we _____ interfere with signals like _____?

Do _____ suggestions on how to keep _____ being disrupted by _____ like _____ corded _____?

There _____ suggestions for relocating _____ router _____ from microwaves _____ phones.

_____ it _____ the _____ avoid interference from appliances _____ microwaves?

_____ can be done _____ wi-fi-router out _____ the way of disrupting elements _____ phone.

_____ items that disrupt signals _____ as microwaves _____ phones, _____ should _____ do _____?

What do you think _____ far away _____ and _____ interference?

Is there a _____ to _____ the _____ the reach of _____?

What do _____ think about getting a _____ phone interference _____?

_____ you have any ideas _____ moving _____ away _____ disruptive _____?

_____ have any _____ how to _____ our routers _____ of _____ as microwaves?

Do _____ think _____ good idea _____ routers _____ away from phones and microwaves _____ possible?

_____ possible to move _____ router away _____ that _____ the _____ like _____ or _____?

How about moving _____ away from _____ and phones?

How _____ my _____ away from _____?

_____ you _____ advice on how _____ routers _____ microwaves or phones?

Is _____ for moving _____ away from _____ and phones?

_____ you have any _____ to keep our router away _____ phones and _____ signal loss?

_____ you have any ideas on _____ interference _____ microwaves _____ cordless _____?

_____ can _____ leave microwaves and corded _____ of _____?

_____ you got _____ ideas _____ move _____ away _____ microwaves _____ phones?

_____ it possible _____ relocate our router _____ from signal _____ as microwaves _____?

Do you have any _____ how _____ signal _____ from _____ microwaves _____ corded _____?

_____ there _____ we _____ do to move the routers _____ phones?

_____ have _____ for how _____ our _____ out of corded _____ and _____ that can disrupt?

_____ any _____ on how _____ our _____ out of _____ and microwaves that can _____?

_____ tell us _____ to avoid _____ and cordless phones?

Is it _____ to keep _____ out _____ that cause _____ as _____ corded phones?

How can we get _____ of microwaves _____?

_____ it possible _____ get _____ advice on _____ routers away from _____?

Do you have _____ on _____ avoid interference _____ phones?

_____ you _____ any _____ on how _____ our _____ of corded and _____ that cause signal _____?

_____ a way _____ keep _____ router out of things _____ microwaves _____ corded _____ signal?

_____ move _____ routers _____ from things _____ the signal, _____ as microwaves or phones?

_____ can _____ distance _____ from signal _____ and phones?

_____ it _____ get rid _____ interference problems _____ legacy microwave ovens and _____ units _____ placing _____ somewhere else?

_____ is _____ to _____ our _____ against _____ from _____ and phones.

Do you have _____ suggestions on _____ away from our _____?

Help is needed _____ our _____ away _____ phones.

_____ there _____ advice _____ avoid signal interference from phones _____?

_____ there anything useful we _____ about _____ our routers _____ stays clear of _____ gadgets _____?

There are _____ problems caused _____ microwave _____ and _____ audio units, _____ any suggestions _____ the router?

Do _____ on how to avoid signal-disturbing _____ and cordless _____?

_____ you have any suggestions _____ how to _____ our _____ out _____ things like _____ and _____ cause _____?

Is there _____ can _____ our router so _____ it doesn't _____ with _____ like microwaves?

Can _____ the _____ way _____ avoid _____ from microwaves and _____?

_____ away from _____ interference sources such as microwaves _____?

_____ move our _____ from signal disrupters like _____ phones?

_____ like to _____ some _____ on yanking _____ router _____ microwaves.

_____ a _____ to avoid interference _____ microwaves and phones?

_____ you have suggestions on _____ router away _____ phones?

_____ we relocate _____ wi-fi-router _____ interference from _____?

_____ any advice _____ moving our _____ away from signals _____?

Do you _____ suggestions on how _____ our routers _____ corded _____ microwaved _____?

Do _____ have any _____ on how _____ the _____ away _____?

Is there a way _____ appliances _____ microwaves _____ phones?

Should _____ move _____ router _____ or phones?

_____ it _____ to switch _____ router _____ microwaves _____ corded phones?

_____ possible to _____ us _____ advice _____ yanking our _____ from microwaves?

Do you _____ suggestions _____ how to keep our routers _____ cell phones _____ cause signals?

Should _____ Router be _____ the _____?

How _____ get _____ of my Router _____ is _____ with _____ Microwaves _____ phones?

_____ some advice on _____ our routers away _____!
 Should _____ routers _____ moved to _____ interference from _____?
 _____ any _____ on how _____ avoid interference from _____ like _____ phones?
 Is _____ possible to keep our _____ from _____ and other _____ that _____?
 _____ you have _____ how _____ remove signal interference _____ and cordless phones?
 _____ suggestions for _____ the router to _____ effects _____ microwaves _____ phones.
 Is there anything we _____ about _____ it doesn't interfere _____ gadgets _____ microwaves _____ phones?
 _____ ideas on how to _____ from _____ and corded _____?
 _____ can _____ of my _____ that's being interfered with by _____ like _____?
 _____ to _____ interference _____ things like microwaves _____ corded phones?
 _____ do we locate our _____ without _____?
 How _____ we move _____ without interference _____ by _____?
 _____ you have _____ on how to _____ out of _____ like _____ and corded _____ cause signal?
 Do _____ have _____ suggestions _____ we _____ keep _____ away _____ corded and microwaved _____?
 Do _____ have any _____ on _____ get _____ of interference from _____ phones?
 _____ we should _____ relocating our router so it _____ interfere with _____ like microwaves _____?
 _____ we separate our routers _____?
 _____ router _____ minimize interference _____ microwaves and phones.
 How _____ we _____ that interfere _____ microwaves and cellphones?
 _____ any _____ on how to _____ interference from _____ or _____?
 Do _____ have _____ on how _____ keep the _____ things like _____ and _____ phones?
 How about _____ away _____ signal blocking devices _____ as _____?
 What should _____ to _____ the wi-fi-router out _____ way _____ disrupting _____ oven or a _____?
 _____ ways to _____ disruptions _____ by appliances like _____ and cordless _____?
 How can _____ of my Router that is being _____ with _____?
 _____ think about _____ a router _____ far _____ phone and microwave interference.
 _____ there _____ as to how to avoid _____ from _____?
