

[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Appliance Manufacturers
Inquiry Category	Technical specifications and requirements
Inquiry Sub-Category	Connectivity and Communication
Description	Inquiries regarding the connectivity options, such as Wi-Fi, Bluetooth, or NFC, and the communication protocols used by our appliances for remote monitoring and control.
Data Size	5,138 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Home Appliance Manufacturer" customer inquiry. (Purchased data will not be masked.)

Are firmware _____ to improve/connectivity _____ as _____ technologies _____?
 _____ there any _____ that can improveivity _____ technology _____?
 Can you _____ are recent updates meant _____ improveivity _____ evolution in _____?
 Could _____ connection quality _____ the newer _____ are available?
 Can _____ be _____ to get _____ for _____ after the technology _____?
 As new _____ may _____ be available to _____?
 _____ arise it could be possible to _____ the _____ for _____.
 Is _____ an improved connection with new _____?
 _____ technologies exist, _____ could be _____ to update the _____ better _____.
 _____ it _____ to get _____ for _____ quality when the _____ new?
 _____ it _____ possible to get _____ quality after the _____ technologies are _____?
 Can we _____ for _____ connection _____ the _____ technologies are _____?
 Could it _____ possible _____ connection _____ the newer technologies _____ market?
 Will there _____ updates _____ due to the evolution _____ technology?
 _____ new tech _____ connected _____ firmware _____?
 Will _____ enhance/ _____ with new _____?
 _____ it possible _____ update _____ newer _____ are on the market?
 _____ technologies _____ there's _____ to use _____ updates to improve/ simplifyivity performance.
 Is it possible _____ update _____ quality _____ technology advances?
 _____ might benefit _____ effective _____ upgrades.
 Updating _____ connection for better quality could _____ done _____.
 Will _____ new _____ enhance/connectivity with _____?
 _____ technology increases, _____ is _____ update the _____ better quality.
 _____ technologies emerge _____ updates available to _____?
 _____ it be _____ to _____ improved _____ quality _____ newer _____ are on the _____?
 As _____ becomes common, _____ connection could be updated _____.
 It's possible to get _____ quality after newer _____.
 _____ technologies emerge, it _____ to upgrade the connection _____.

As newer _____ along, updating _____ be done.

Is it _____ upgrade _____ to _____ newer technology?

Do you _____ if recent _____ due to _____ in technology?

Is it possible _____ my device to _____ new _____?

There _____ a _____ to _____ updates to improve/ _____ performance in _____ future.

Updating the connection _____ better _____ could happen _____.

_____ possible to _____ the connection _____ newer _____ develops?

_____ it possible _____ newer _____ benefit _____ effective _____ upgrades?

Might _____ be _____ to get _____ for better connection _____ newer technologies _____ scene?

_____ it _____ to _____ connection _____ if newer _____ emerges?

Is it possible _____ connection quality _____ comes out?

There _____ question _____ whether to _____ updates _____ performance in _____ future.

_____ newer technology emerges, updating _____ for better _____ accomplished.

In emerging _____ do _____ the _____ improve _____?

_____ it _____ idea to _____ firmware _____ simplifyivty performance as _____ technologies emerge?

As newer technology _____ available, _____ the _____ for _____ quality _____.

_____ may be _____ update the connection _____ better _____.

_____ there _____ technology, it could be _____ to _____ the _____.

As _____ emerges, _____ we get _____ better _____ quality?

_____ to _____ updates for better connection quality _____ newer _____ are _____.

_____ new technology, it _____ done to _____ for _____ quality.

Is _____ possible _____ new technology updates for _____?

_____ it possible to _____ connect _____ firmware updates?

As _____ does _____ to _____ firmware updates to _____ simplifyivty performance?

Is upgraded software _____ connections _____ tech?

_____ new technologies emerge, _____ updates _____ improve performance?

Updating the _____ quality could be _____ newer _____ emerge.

Could it be possible _____ get _____ for _____ better _____ newer _____ catches _____?

_____ possible _____ get _____ for _____ connection _____ after the _____ technologies are available?

It is _____ to _____ updates for better _____ technology is _____.

Is it possible _____ as new _____?

_____ it _____ to update _____ connection _____ when newer _____ arrives?

_____ get better connection _____ after the newer technology?

As newer technology gets more _____ to update the _____.

Can it _____ with _____ technologies with _____?

_____ connection for _____ quality _____ there is _____ newer technology coming _____ the _____.

Will _____ technologies _____ updated firmware?

Is there an _____ outcomes _____ tech.

Can _____ be _____ updates for _____?

_____ new technologies _____ are Firmware _____ available to _____?

_____ a newer _____ along, it _____ possible to _____ the connection _____ quality.

_____ connection for _____ could _____ done with newer _____.

_____ newer _____ becomes available, the connection for _____ quality _____.

If there _____ newer technology coming _____ pipe it _____ update _____ for better quality.

Could _____ to _____ better connection quality once _____ newer _____ starts to _____ up?

If _____ a _____ technology coming _____ updating _____ connection _____ possible.

It _____ be _____ get better _____ quality _____ technologies _____ on _____ market.

Do recent _____ updates aim at _____ to _____?

It would be _____ updates for better connection _____ newer _____ are on _____.

_____ be _____ for better connection _____ after _____ technology is _____?

Updating ____ connection ____ quality could ____ done ____ technology ____ available.
 ____ a new ____ is ____ down ____ pipe, ____ could ____ to update the ____.
 ____ new technologies ____ be available to ____ performance?
 As newer ____ available, it ____ be ____ update the ____.
 A question ____ whether to use firmware ____ to ____ emerges
 ____ newer ____ is ____ down the ____ connection can be possible.
 As newer ____ becomes more commonplace, Updating ____ connection ____.
 Can you ____ there are recent ____ aimed at ____ to evolution ____?
 If there ____ a newer ____ the ____ connection could be ____.
 There is a question ____ to ____ to ____ simplifyvity ____ technology emerges.
 Updating ____ be ____ after the technology changes.
 ____ new ____ emerge, are ____ to improve/connectivity ____?
 ____ it ____ that ____ updates exist ____ performance with emerging ____?
 If newer technologies emerge, ____ to update ____ connection ____ better ____
 ____ better quality can be done ____ a newer technology ____ the pipe.
 It is ____ to ____ for ____ connection ____ after ____ is new.
 ____ newer ____ develops, is ____ to ____ better connection ____?
 ____ technology comes ____ could be possible ____ the connection.
 Is ____ way to ____ better connection quality ____ technology ____?
 ____ it possible ____ get ____ connection ____ the new technology?
 ____ tech ____ can firmware ____ help?
 The connection in ____ may ____ by ____ improvements.
 If ____ a ____ coming down the ____ it ____ update the connection ____ better quality.
 Is it possible ____ updates to ____ performance ____ connected ____?
 ____ new ____ emerges, there is a ____ firmware updates to improve/ ____.
 Is ____ possible ____ new ____ improve/connection ____ updated software?
 ____ it ____ updates for better connection quality after the ____ are ____?
 It's ____ to ____ for better ____ quality ____ is new.
 ____ there a way to update ____ for ____?
 Is ____ possible to get ____ quality after ____ are on ____?
 ____ for the connection to ____ updated ____ newer ____ comes ____?
 ____ it be possible ____ get ____ connection ____ after the ____?
 Is it possible ____ the connection ____ better ____ as ____?
 ____ tech be supported ____ firmware?
 ____ a ____ technology came down ____ could ____ possible to ____ connection for better ____.
 ____ view ____ advances in technology, ____ there ____ enhancements to ____ device's ____?
 Updating the ____ may ____ if there is a ____ technology.
 There is a ____ use ____ simplifyvity performance in the ____ to ____.
 Is it ____ updates ____ after newer technologies are ____ the ____?
 There ____ a question ____ to ____ as new ____ emerge.
 ____ is a ____ to use ____ to improve/ ____ performance as ____ technology ____.
 ____ connection in ____ might ____ improved ____ firmware improvements.
 ____ newer ____ along, it ____ update the connection ____ better quality.
 ____ technologies emerge, can ____ to improve performance?
 Is ____ a way ____ improve ____ performance ____ firmware updates.
 Would ____ be possible to ____ updates for ____ the ____ technologies ____ on ____ market?
 Could it ____ to get ____ for better ____ technology is ____?
 Is ____ possible to ____ better ____ quality ____ is updated?
 ____ technology emerges, ____ is a ____ of ____ to ____ Firmware ____ to ____ performance.
 As ____ becomes more commonplace, it's ____ to update ____ better ____.

Is ____ possible to get up to date ____ ?

____ be ____ to update the firmware ____ networking?

If ____ a ____ coming down ____ pipe ____ connection could ____ possible.

____ it possible to ____ firmware ____ improved outcomes in ____ ?

____ it be possible to ____ newer technologies are ____ the ____ ?

If a newer technology is ____ connection ____ possible.

____ newer technologies emerge, Updating the ____ for ____ quality ____ .

____ is ____ get updates ____ better connection quality after ____ .

____ the ____ quality ____ as newer technology emerges?

____ it be possible ____ for better ____ once ____ on the scene?

____ firmware ____ with ____ technologies?

Could it be possible ____ get ____ connection ____ after ____ tech ____ up?

Is ____ possible ____ emerging tech is improved ____ improvements?

____ the connection for better ____ is ____ when ____ along.

As newer ____ becomes more ____ updated ____ could be done.

____ possible to get updates for better connection ____ after ____ are ____ ?

____ is ____ to get ____ updates for my ____ with ____ technologies.

____ there any upcoming ____ improveivity ____ technology advances?

____ there a firmware update ____ ?

____ it possible ____ the connection ____ quality as ____ technology ____ ?

As ____ emerges, ____ a question ____ whether to use ____ improve/ simplifyivity ____ .

____ firmware ____ technologies improve/connection?

As ____ common, ____ connection for ____ quality could be ____ .

____ is ____ question as ____ new technologies are ____ for ____ to ____ performance.

Could ____ possible to ____ better connection ____ technologies ____ available?

If ____ technologies emerge it ____ possible to ____ the ____ for ____

____ be possible ____ better connection quality after ____ newer ____ available?

____ technologies be enhanced ____ firmware ____ ?

Is ____ possible ____ the connection ____ technology develops?

____ connection ____ be possible if ____ newer technology ____ down the pipe.

Can it be possible ____ better connection ____ technologies are ____ ?

Will firmware ____ as ____ technologies ____ ?

Could ____ be possible ____ updates for better connection ____ the ____ gets ____ ?

There ____ question ____ use ____ updates ____ improve/ simplifyivity ____ as new technology ____

____ there an upgrade ____ in ____ tech?

____ I get new ____ my device to ____ with ____ ?

____ newer ____ is coming down the ____ it ____ to update the ____ for better ____ .

If there ____ coming down the ____ the connection for better ____ .

Could it be ____ to improve ____ after ____ technologies ____ ?

As newer ____ available, the ____ may ____ for better ____ .

Is ____ to get ____ updates for better ____ ?

Is ____ updates ____ to ____ with ____ technologies?

____ upgrade available for ____ connection ____ new tech.

____ new ____ these ____ available to improveivity?

____ there ____ a ____ technology coming down ____ it ____ be ____ to ____ connection ____ better quality.

Is ____ possible ____ get ____ connection quality ____ gets newer?

____ it possible ____ update ____ connection for better ____ develops?

Is ____ to get ____ quality ____ newer technologies are introduced?

____ be ____ get ____ for better connection ____ once new ____ are ____ market?

____ question is ____ to use ____ updates to ____ new ____ emerges.

_____ there an upgrade _____ outcomes in _____?

As new technologies emerge, are _____ available _____ improve _____?

As _____ commonplace, the connection _____ be _____ for better _____.

_____ it possible that _____ can get better _____ quality _____ the _____?

_____ technology emerges, is _____ possible _____ update the connection _____?

As _____ there _____ question about _____ firmware _____ to improve/ simplify _____.

Is _____ possible for _____ technology _____ updates _____ connection quality?

Is _____ possible to receive _____ for my _____ connect _____ with _____?

Is it _____ that _____ will _____ connectivity with _____?

Can we get _____ quality _____ the _____ is newer?

As new _____ emerges, are _____ available _____ improve _____?

_____ possible _____ get _____ connection quality after _____ technology _____?

If a _____ comes _____ the connection for better quality _____.

_____ there _____ way _____ the _____ for better networking?

There is a _____ of _____ or not to _____ simplify _____ performance as _____ technologies _____.

Updating _____ connection for better quality _____ done _____ becomes _____ prevalent.

Is it possible for better _____ enabled _____?

Is it _____ updates for _____ connection _____ when _____ technologies are _____ scene?

_____ any upcoming _____ performance _____ new _____ advances?

If _____ emerge _____ connection _____ be _____ better quality.

Is _____ possible to _____ better connection _____ after the _____ technologies _____?

_____ newer _____ emerge, _____ connection _____ updated for _____ quality.

Is it possible _____ obtain _____ for better _____ as _____?

_____ new technology emerges there _____ a _____ regarding _____ to _____ updates _____ simplify _____.

Is it _____ updated for _____ connection quality _____ the newer _____ scene?

_____ it _____ to _____ better _____ after _____ has become newer?

Can _____ be updates _____ connection _____ after the _____?

_____ it possible _____ tech emerges?

As _____ technology _____ commonplace Updating _____ connection _____ better _____ be done.

When _____ technology emerges, _____ question of whether _____ updates _____ improve/ _____ performance.

Is _____ there _____ updates for bettering performance _____ tech?

As modern technology _____ prevalent, _____ the connection _____ could be _____.

If _____ connection _____ updated for better quality.

Could it be possible _____ for _____ after _____ changes?

_____ is _____ to use firmware updates to improve/ simplify _____ in _____

_____ newer technologies are available, _____ it _____ possible _____ connection quality?

If _____ updating the connection _____ better quality could _____.

_____ newer _____ the _____ for _____ quality could _____ possible.

_____ possible _____ updates _____ better connection quality after _____ is introduced.

_____ it _____ to get updates for _____ after _____ technology catches _____?

_____ could _____ to update _____ better quality if _____ a newer _____ down the pike.

Could it _____ possible to _____ connection _____ the newer technologies are _____?

_____ possibility of _____ the connection _____ better _____ if a newer _____ comes _____ the _____.

_____ better connection quality when the _____ technologies are _____ the market?

_____ it _____ to get _____ for _____ quality as technology _____?

Does _____ be _____ update _____ firmware for _____ networking?

_____ technologies improved/connection improved _____ firmware?

_____ new tech comes, _____ firmware updates _____?

Is _____ possible _____ get _____ quality _____ the newer tech _____ up?

_____ new technologies be _____ updates?

As new _____ emerges, can firmware _____ ?

_____ newer technologies start to _____ it could be _____ better quality.

_____ it _____ possible to get better _____ quality _____ newer _____ ?

Is _____ possible _____ get _____ updates to improve performance _____ ?

The newer technologies _____ make _____ get updates for _____ .

It's _____ updates for better _____ quality once the _____ available.

As more _____ is available, _____ be _____ for _____ quality.

Could _____ be possible _____ get an _____ better _____ newer technologies _____ on _____ scene?

_____ a _____ technology _____ along, it _____ be _____ to _____ the _____ for better _____ .

_____ it _____ for firmware _____ boost/ connectivity _____ new _____ ?

_____ emerges, _____ it _____ to get _____ improved connection quality?

_____ it possible _____ get _____ quality _____ technology comes around?

_____ a _____ regarding _____ of firmware updates to _____ simplify _____ new _____ emerge.

_____ quality could possibly be done _____ technology emerges.

Updating _____ for _____ could _____ done _____ newer technology becomes _____ .

If a newer _____ comes down the _____ possible.

_____ me _____ have been _____ updates _____ at _____ due to evolution in _____ ?

As _____ technology comes _____ updating _____ for better _____ can _____ .

_____ it _____ for _____ connection quality _____ be improved _____ newer _____ are on _____ scene?

_____ is a _____ regarding _____ new _____ available _____ firmware _____ to improve/ _____ .

As _____ technologies emerge, _____ it _____ good idea _____ firmware _____ simplify _____ ?

_____ it _____ possible _____ better connection _____ newer technologies are introduced?

_____ is _____ question _____ whether to _____ firmware updates to _____ simplify _____ technology _____ .

If a _____ coming down _____ it _____ be possible to _____ the _____ .

_____ possible _____ get better connection _____ technology is new?

_____ technologies enhance/connectivity with _____ ?

_____ possible to get _____ connection quality after newer _____ market?

Do you know _____ any _____ in _____ firmware updates?

_____ technology arises _____ updates _____ performance?

_____ there an upgraded firmware _____ improved/connection _____ tech?

_____ get updates for better connection quality _____ the _____ are introduced?

_____ technology improves, _____ connection could be updated _____ .

As technology improves, Updating _____ better quality _____ be _____ .

_____ there _____ better connection _____ emerging tech _____ of _____ ?

_____ possible to _____ quality as newer technology _____ along?

Updating the connection _____ better _____ possible if there is _____ coming _____ .

Will _____ connected with the _____ firmware _____ ?

_____ technologies _____ the market _____ be possible _____ updates for _____ connection quality?

_____ any _____ that _____ aimed at _____ due _____ evolution in technology?

Could there _____ for better _____ quality after _____ technology _____ ?

Updating the _____ better _____ be _____ when _____ technology _____ available.

Updating the _____ for better _____ could be _____ technology _____ .

_____ connection for _____ could _____ possible if a _____ is _____ down _____ pipe.

It might be possible _____ updates _____ quality after _____ new.

Is it possible _____ have updates _____ better _____ quality _____ technology _____ ?

As _____ develops, Updating the _____ for better quality _____ .

_____ it be possible _____ better _____ quality _____ the newer _____ released?

_____ emerge, Updating the connection _____ better _____ could _____ done.

Is there a _____ connection quality after the _____ is _____ ?

_____ newer _____ comes along, _____ used to _____ the connection _____ quality.

As ____ technology becomes ____ possible to update the connection ____?

New ____ possible for ____ better with new technologies.

____ to use ____ improve/ simplify ____ as new ____ a question.

Will ____ improve/connection with ____?

____ technology becomes common, it is possible ____ the ____ for ____.

____ the ____ could be ____ after ____ technology ____ newer.

Updating the ____ could ____ with ____.

____ is ____ question ____ to use firmware ____ simplify ____ in the future.

Is Updating ____ when newer ____ comes ____?

____ if there are ____ recent firmware ____ improving ____ due ____ in technology?

There is a ____ whether ____ use ____ updates to improve/ ____.

Will the ____ enhance/ ____ novel ____?

____ it ____ get updates ____ connection quality ____ newer technologies come out?

Updating the connection ____ a ____ be ____ new technology.

____ it ____ to ____ better ____ quality as new ____ available?

____ a ____ better ____ of emerging ____ with firmware updates?

____ new technologies ____ there is ____ about whether ____ use ____ updates ____ improve/ ____.

If ____ technology coming ____ the ____ it may ____ possible to ____ the connection ____ quality.

____ be used to Updating the ____ better quality.

Can I get ____ for ____ device ____ work with ____?

____ be possible ____ get updates for better connection ____ the ____ up?

Is there ____ improve the ____ of ____ tech ____ updated ____?

____ newer ____ becomes more popular, ____ possible to update ____ connection ____.

Could it ____ to ____ better connection ____ after ____ is ____?

If ____ new technology comes along, Updating ____ could ____ possible.

____ there any upcoming ____ will improve ____ advances?

____ is a ____ of ____ the connection ____ quality if there ____ coming ____ the pike.

Is it ____ to ____ update ____ connection ____ newer tech catches up?

____ I get new ____ for my ____ be ____ new ____?

Is ____ any upcoming updates that ____ as ____?

As ____ technology comes ____ the ____ for better ____ be ____.

Can ____ be possible to ____ connection ____ technologies ____ available?

Could it ____ possible ____ for ____ connection quality after ____ technologies ____ implemented?

Can ____ update ____ firmware ____ up ____ technology?

____ there an upgrade ____ improved/connection outcomes ____?

If a ____ technology is coming ____ pike, ____ the connection ____ possible.

____ new ____ emerge, ____ there firmware updates ____ performance?

____ it ____ get updates for better connection quality ____ the ____ on the ____?

____ possible ____ improvements improve connection ____ new tech?

____ emerging ____ do firmware ____ affect ____?

Could it be possible ____ updates ____ connection quality ____ the ____ technologies ____ on ____?

The ____ could be ____ for ____ technology gets ____ common.

____ it ____ to upgrade the ____ to ____ modern ____?

Is ____ possible ____ device to be ____ better with ____ technologies?

As ____ technology emerges, might it be ____ update the ____?

Is it ____ get updates ____ better connection ____ newer technologies ____?

If newer ____ emerge, it ____ possible ____ updated ____ better quality.

Is it ____ better ____ the ____ tech catches up?

The ____ be ____ for better ____ as ____ technology comes ____.

____ newer technology emerges, updating ____ quality ____ be doable.

As new technologies emerge, should _____ to _____?

_____ it possible _____ better _____ quality when newer technology _____?

_____ is a question about _____ to improve _____ new technologies emerge.

_____ be possible to _____ connection _____ once the technology changes?

If _____ a _____ down _____ updating the connection for better quality _____.

_____ newer _____ could it _____ possible to get _____ connection quality?

Is _____ possible _____ get better _____ after _____ newest technologies _____ the _____?

Updating the _____ be possible if _____ newer _____ down _____ pipe.

If _____ emerge, _____ be possible to _____ the _____ for _____ quality.

As newer technology becomes more commonplace, _____ to update _____.

Could _____ be possible _____ after _____ newest technologies are _____ the scene?

Is it possible _____ new _____ for my _____ to _____ newer _____?

_____ becomes more available _____ connection could _____ for better _____.

If _____ the pike it could _____ possible to _____ connection _____ better quality.

Is updating _____ connection _____ as _____ technology emerges?

_____ newer _____ is more prevalent, _____ connection for better quality _____.

As _____ prevalent Updating the _____ for _____ quality could _____ done.

_____ it possible _____ updates for better _____ after the _____ catches _____?

_____ more _____ the connection for better quality _____ be done.

Could it _____ possible to _____ better _____ technology is _____?

_____ are questions regarding _____ to _____ firmware _____ simplifyvity performance _____ new technology _____.

Is _____ possible _____ update _____ quality _____ the newer _____ catches _____?

Is _____ better in _____ tech because _____ improvements _____ the _____?

_____ get _____ connection quality _____ the newer tech catches _____?

_____ be possible _____ get updates for _____ quality after _____ newer technologies _____?

If _____ newer _____ down the _____ updating _____ connection could be _____.

If a newer technology came _____ it could _____ the _____ quality.

_____ new technologies _____ new _____?

_____ new technologies _____ connection with _____?

_____ it _____ to get _____ quality with _____ technologies?

_____ technology gets more _____ it _____ to update the _____ for _____.

_____ possible _____ update _____ better quality _____ there's a _____ down the pipe.

_____ it possible that _____ updates for _____ performance _____ emerging tech?

As new technologies _____ firmware updates to _____?

If _____ newer technology comes along, it can _____ update _____ connection _____.

As _____ is _____ to update the connection for better _____.

As newer _____ becomes _____ widespread, Updating _____ connection _____ could _____ done.

_____ newer technology _____ is Updating the _____ for _____ possible?

Will new _____ enhanced/ connected _____ new firmware _____?

_____ you _____ if there _____ been any recent updates _____ improvingvity _____?

As _____ along, update _____ for _____ could be done.

Is _____ possible to get _____ connection _____ newer technologies are _____?

_____ technology becomes available, it could _____ connection for _____ quality.

_____ enhancements in _____ firmware?

Updating _____ connection _____ done _____ newer technology _____ available.

Will _____ be _____ updates aimed _____ due to _____ technology?

_____ new _____ enhance/ _____ with _____ technologies?

_____ tell me if _____ are _____ enhancements _____ the firmware _____?

_____ connection _____ be done after technology changes?

As newer technology _____ connection _____ better _____ doable.

_____ technology comes along, the connection _____ better quality.
 _____ connection could be _____ better _____ newer _____ is _____ prevalent.
 If a new technology is _____ the pike, _____ could be _____ better quality.
 _____ tech _____ there be firmware _____?
 There is _____ new technologies _____ available for _____ to _____ performance
 _____ new technology is coming _____ it _____ connection _____ better quality.
 Is there _____ upgrade _____ for enhanced networking?
 _____ connection _____ quality _____ be done _____ new technology _____ available.
 Updating the _____ be _____ there's a newer _____.
 _____ technologies _____ available, Updating the connection _____ better _____ be possible.
 _____ newer _____ becomes _____ for better quality could _____ done.
 _____ to get updated for _____ after newer technologies _____ on _____ market.
 As _____ can firmware _____ improve?
 It's possible to _____ updates _____ better _____ after _____ changes.
 _____ to _____ firmwares in new _____?
 Could it _____ possible to upgrade _____ connection _____ technology _____?
 As _____ along _____ could be _____ update _____ for better quality.
 _____ the _____ possible for enhanced _____?
 _____ technology _____ along, it's possible to _____ connection _____ better quality.
 It is _____ update the connection for _____ technology.
 There _____ a question regarding whether to _____ firmware _____ to _____ technologies _____.
 _____ new technologies emerge, _____ there firmware _____ that _____?
 It is possible _____ get _____ after the technology has _____.
 New _____ the _____ for better quality.
 Is _____ an upgrade for _____ new _____?
 Is there any _____ that _____ firmware updates?
 _____ updated _____ enhance/ _____ with new _____?
 _____ possible to _____ connection quality _____ newer tech catches up.
 _____ any _____ updates _____ as technology _____?
 As technology _____ popular, _____ the _____ quality _____ be done.
 As _____ common, Updating the _____ for better _____ could _____ done.
 _____ a _____ technology _____ along, it's possible _____ the _____ for _____ quality.
 _____ that _____ updates will enhance/ _____ new technologies?
 As _____ technology improves, _____ the _____ for better _____ done.
 Is _____ new-tech-enabled/advancements _____ the _____?
 Updating _____ connection _____ better quality _____ be possible _____ new technology _____ pike.
 Is _____ possible _____ updates for _____ quality _____ the _____ technologies are _____?
 Is Updating _____ connection _____ newer technology _____?
 When _____ is it _____ to _____ the _____ for _____ quality?
 _____ available, updating _____ connection for better _____ can be done.
 _____ updating the _____ better _____ possible as _____ comes along?
 Could _____ possible _____ updates for _____ quality after _____ changes?
 _____ regarding _____ to use firmware _____ to _____ when new technology emerges.
 _____ technology becomes _____ connection for better quality could _____.
 As _____ technology gets _____ updating _____ for _____ could be done.
 If _____ along, it _____ be _____ to update the connection _____ better _____.
 _____ newer technologies improve/connection _____?
 _____ newer _____ emerge, _____ the connection _____ better _____ can be _____.
 _____ it _____ that connections are improved _____?
 _____ recent _____ updates _____ improving/evolution in technology?

As ____ technology _____ it could be ____ to update _____ quality.
 _____ updated for better quality as newer technology _____.

As _____ updating the connection for _____ can _____ done.

As ____ technology emerges, there is _____ to use _____ to ____ simplifyivity ____.

_____ technology _____ the pike, updating the _____ be doable.

There is _____ regarding _____ use of _____ to _____ performance as _____ technologies ____.

_____ could be _____ update the connection _____ if there is _____ technology.

Is it _____ update _____ connection for _____ technology emerges?

_____ a _____ as to whether new technologies are _____ to _____ connect.

Is it _____ get _____ better _____ quality when _____ technology ____?

Is it possible _____ device to _____ new _____?

_____ it be _____ for _____ to _____ better _____ quality _____ newer _____ are _____ the market?

Is _____ possible to _____ connection quality after _____ technologies _____?

_____ could be _____ to update _____ connection _____ newer _____.

Maybe _____ is possible to get _____ the technology is _____?

_____ technologies are available, _____ it be possible to _____ updates _____ quality?

_____ possible _____ add/enhanceivity with updates _____ technologies?

_____ to _____ the _____ with new technologies?

_____ technologies _____ are _____ available _____ improveivity?

If new technologies _____ would _____ possible _____ the _____ for better _____.

_____ a newer _____ the pipe updating _____ connection _____ could be possible.

_____ new technologies _____ firmware _____ available _____ improveivity?

_____ the connection quality after _____ could _____ possible.

_____ possible _____ better connection _____ when the newer tech catches up?

_____ tech comes, can _____ improve _____?

_____ possible to get updates _____ better _____ quality _____ technology _____?

Could _____ possible _____ get _____ for _____ quality _____ newer technologies are _____?

_____ newer technology emerges, _____ get updates for _____ quality?

As technology gets _____ possible to _____ connection _____ quality.

Is there _____ way _____ the performance of emerging _____ a _____?

As newer _____ becomes available, Updating the _____ quality _____ done.

Is _____ possible to get _____ better connection quality after _____ are _____?

_____ it _____ possible to get _____ connection _____ if _____ newer _____ catches _____?

As _____ emerges, _____ it be _____ get _____ better connection quality?

_____ could _____ for better quality if there is _____.

_____ new _____ develops, can _____ the performance?

_____ been any _____ updates aimed _____ performance due to _____ in _____?

There _____ question _____ using firmware updates _____ performance _____ the _____ to come.

_____ technology improves, updating _____ connection _____ could be _____.

Is it _____ to get _____ for _____ technologies emerge?

Is _____ possible _____ get _____ for my device to _____ with _____?

If _____ is coming down _____ pike, it can _____ to update the _____ for _____.

_____ it _____ possible _____ get _____ connections after newer technologies _____ scene?

Would _____ be _____ update _____ firmware for enhanced _____?

_____ emerge, _____ firmware updates improveivity?

_____ technology _____ it is _____ update the connection for _____.

As new _____ there is _____ question _____ using _____ updates _____ performance.

Can it be _____ get _____ connection _____ as _____ technology _____?

As new _____ firmware _____ performance.

If _____ technologies _____ about, the _____ could _____ updated _____ quality.

____ possible ____ update my ____ connect better ____ new ____ .
 ____ it be possible ____ updates ____ better ____ newer ____ are on the ____ ?
 ____ starts ____ catch up, ____ be possible to get updates ____ connection quality?
 ____ possible to upgrade ____ device ____ connect with new ____ ?
 ____ it be possible ____ get ____ quality once newer ____ ?
 Can ____ possible ____ get better connection ____ when the newer ____ ?
 ____ it possible to update ____ technologies?
 ____ is ____ updated ____ better ____ quality after ____ newer technologies ____ on ____ market.
 Is Updating ____ for better ____ feasible ____ newer technology ____ ?
 As new ____ there ____ firmware updates to ____ ?
 There ____ question regarding whether ____ to ____ simplifyvity ____ in the future.
 Updating ____ connection ____ be done as newer ____ emerged.
 The connection ____ updated for better quality ____ technology ____ pike.
 Could ____ the connection quality ____ the technology ____ ?
 Could it ____ to update the ____ the ____ newer?
 It is ____ for better connection ____ the ____ catches up.
 ____ it possible ____ enhance/ connect with ____ technologies?
 Is it ____ for ____ updates ____ connection ____ ?
 Is it ____ to ____ for ____ connection ____ the technology gets ____ ?
 ____ it be possible ____ get ____ update for better ____ technology ____ ?
 Updating the connection for better ____ is ____ new ____ down ____ .
 As ____ technology ____ prevalent Updating the ____ quality could ____ done
 ____ new ____ becomes more prevalent, ____ connection ____ better quality can ____ .
 ____ a question about ____ use ____ to ____ simplifyvity ____ the years to come.
 Will Firmware ____ enhance/ ____ technologies?
 ____ is ____ question regarding whether ____ firmware ____ or ____ new technology emerges.
 ____ new ____ emerge, ____ there ____ of firmware updates ____ improve ____ ?
 Can ____ firmwares ____ used ____ connections in new ____ ?
 Updating ____ connection might ____ as newer ____ comes ____ .
 ____ it possible for better ____ be updated ____ technologies are ____ ?
 ____ to ____ updates for ____ quality when the ____ is newer?
 ____ a ____ using firmware ____ to improveivity in the ____ .
 Is it ____ to ____ new updates for ____ to ____ technologies?
 As ____ the ____ better ____ could be accomplished.
 ____ question about ____ use firmware ____ to improve/ ____ new technologies emerge.
 It ____ to get updates ____ better connection quality ____ updated.
 ____ could ____ for ____ connection quality ____ the ____ technologies are ____ .
 ____ may be possible ____ get updates ____ better ____ quality ____ tech ____ up.
 Could ____ be possible to ____ connection ____ after ____ technology ____ ?
 ____ it ____ to ____ for new technologies?
 There is ____ use ____ to improve/ simplifyvity performance ____ future.
 ____ new technology becomes more prevalent, ____ update ____ better quality.
 ____ a question ____ whether new technologies ____ available ____ firmware ____ to ____ .
 ____ an upgrade ____ improvedconnection ____ in ____ tech?
 As new technologies ____ available to ____ ?
 It is possible to update ____ connection ____ becomes ____ .
 If newer ____ come along, it ____ be ____ to ____ connection ____ .
 As newer technology gets more ____ to update ____ quality.
 ____ there's a newer technology ____ the ____ could be ____ .
 Is ____ to ____ updated ____ better connection ____ newer technology?

____ the connection for better quality could ____ done ____ newer ____ ____ ____ .
 ____ new ____ comes along, ____ could ____ possible ____ update the ____ ____ ____ quality.
 Is ____ possible ____ ____ updates for ____ ____ quality ____ the ____ technologies ____ available?
 ____ ____ possible ____ get ____ connection quality in newer ____ ?
 ____ possible to update ____ for better ____ ____ a ____ technology.
 ____ it be ____ get ____ for better connection ____ after ____ ____ are ____ ?
 ____ ____ get ____ better connections ____ the newer technologies are on the ____ ?
 Is it possible to get ____ ____ the ____ technologies ____ ____ ?
 Will the technologies improve/connection ____ ____ ____ ?
 As ____ technologies emerge, are ____ ____ firmware ____ ____ improveivity?
 ____ ____ an upgrade to ____ ____ tech ____ improved/connection outcomes?
 It's possible ____ ____ updates for ____ ____ the technology has ____ updated.
 Is it ____ get ____ my device to stay ____ ____ technologies?
 Is it possible ____ ____ connection ____ after ____ ____ arrive?
 Is ____ ____ updates for ____ connection quality after the ____ ____ ____ updated?
 Is ____ possible ____ update ____ firmware ____ enhanced ____
 As new ____ ____ ____ available to improve performance?
 ____ is ____ to ____ updates for ____ connection ____ after the technology ____ ____ .
 Will the updates ____ ____ novel ____ ?
 It could be ____ to ____ ____ for better ____ if ____ newer technology comes ____ ____ ____ .
 ____ ____ possible to get ____ better connection ____ after ____ ____ is new.
 ____ the connection ____ better ____ ____ be ____ as newer technology ____ .
 ____ is a ____ ____ to use ____ updates to improve/ simplifyivity ____ as ____ ____
 Whether ____ ____ firmware updates to improve/ ____ ____ as ____ technologies ____ is ____ question.
 The question ____ whether ____ ____ firmware updates ____ ____ ____ when ____ technology emerges.
 ____ ____ to get updates for better ____ ____ after technology ____ newer.
 ____ newer ____ comes ____ ____ connection for better ____ ____ be updated.
 Could ____ ____ possible ____ ____ connection quality after ____ technology ____ available?
 If there's ____ new technology ____ ____ the ____ ____ better quality could be ____ .
 ____ the ____ ____ possible if a ____ technology ____ down the ____ .
 ____ it be possible ____ better ____ quality after the newer ____ ____ ____ ?
 As ____ technology comes ____ you could ____ the ____ ____ ____ quality.
 ____ the connection could ____ done ____ newer technology ____ ____ .
 ____ tech emerges, ____ the firmware ____ ____ ?
 ____ it ____ ____ to get ____ ____ connection after ____ newer technologies are ____ ?
 As ____ emerge, ____ ____ available firmware updates to ____ performance?
 Is there an upgrade ____ ____ outcomes ____ ____ ____ ?
 Can ____ be ____ to get updated ____ ____ connection ____ ____ ____ technology changes?
 Is it ____ ____ new ____ ____ new firmware?
 As new technologies emerge, ____ ____ available ____ ____ performance?
 ____ ____ connection for ____ quality ____ be ____ as new technology ____ .
 As ____ becomes more ____ ____ connection for ____ quality could ____ done.
 ____ upcoming firmware ____ ____ to improve ____ ____ ?
 As ____ ____ ____ can ____ updates improve ____ ?
 Updating the ____ ____ better ____ could be ____ as ____ ____ more ____ .
 ____ there is ____ newer technology ____ ____ the ____ ____ will ____ possible ____ ____ the connection for ____ quality.
 If a ____ technology comes down ____ ____ ____ possible to upgrade the ____ ____ better ____ .
 New technology ____ allow ____ ____ for ____ quality.
 ____ ____ ____ becomes available, it ____ ____ to update ____ connection for ____ ____ ____ quality.
 If ____ ____ ____ coming ____ the ____ updating the connection ____ ____ ____ could be possible.

A ____ regarding ____ firmware ____ improve/ ____ performance as new technologies ____
 ____ technology comes ____ the pipe, updating ____ connection ____ may be possible.
 ____ a question ____ whether ____ use ____ to ____ performance as new technology ____.
 As ____ gets ____ for better quality could ____ done.
 ____ we ____ the ____ make ____ compatible with modern ____?
 ____ becomes ____ it is possible ____ update ____ connection ____ better quality.
 Updating ____ connection ____ be done ____ technology ____.
 Can it ____ possible to ____ better ____ the newer tech ____?
 ____ it ____ to ____ connection quality ____ the technology is ____?
 ____ technology becomes ____ commonplace Updating the connection ____ quality could ____
 ____ technologies emerged, ____ could ____ to update the ____.
 ____ we get ____ for better ____ quality as ____?
 Could ____ be possible to get ____ for ____ technology is ____?
 ____ be possible to ____ connection quality after ____ newer ____?
 Is ____ connection for better quality as ____ arrives?
 ____ to ____ updates for better ____ when newer ____ catches up?
 ____ possible ____ exist for better performance ____ emerging tech?
 ____ newer technologies emerged, updating the ____ better ____ could ____.
 New technology could ____ for ____.
 ____ it ____ to ____ updates for ____ connection quality?
 ____ for ____ improved connections in new tech?
 ____ be updated for better ____ newer ____ came along.
 ____ newer ____ then ____ connection could be ____ for ____ quality.
 ____ new tech arises, ____ the ____ updates improve ____?
 ____ connection ____ quality ____ done when newer technology becomes ____.
 ____ newer technology is coming down the ____ possible ____ update the ____ for better ____.
 ____ is possible to ____ connection for ____ newer technology becomes ____.
 As more ____ available, the connection ____ be ____ quality.
 ____ technology comes down ____ pike, it ____ be possible ____ connection for better ____.
 ____ there's a ____ technology coming ____ the pike ____ the ____ possible.
 ____ are upcoming ____ that can improveivety ____?
 ____ available, the connection ____ be updated ____ better quality.
 Is it possible ____ from ____ effective ____ updates?
 As newer technology ____ more ____ the ____ for better ____ done.
 ____ know if there ____ recent updates ____ due ____ technology?
 Could ____ possible to ____ newer ____ connection quality?
 ____ it ____ possible ____ get ____ connection quality ____ the new technology ____?
 Is ____ possible ____ get ____ better connection quality after ____?
 ____ newer technology ____ down ____ pike, ____ connection might be ____.
 Will the ____ technologies?
 ____ it be possible ____ updates for ____ connection ____ after ____ is ____?
 ____ it ____ get ____ quality ____ after the newer ____ are on ____ market?
 It ____ to ____ updates ____ quality ____ the newer tech catches up.
 ____ newer, is ____ to ____ updates for ____ connection quality?
 As technology becomes ____ available, ____ the ____ be done.
 As ____ becomes more available, ____ connection for ____ quality ____.
 Could it be ____ to ____ better connection ____ after ____ tech ____?
 If ____ newer technology, it's possible ____ the ____ for ____.
 It ____ be possible to ____ better ____ the ____ has changed.
 ____ possible to update ____ device to ____ with ____?

Updating _____ be done as _____ coming along.

_____ updates _____ with new _____?

Can upgraded firmwares _____ used for _____ outcomes _____?

_____ updates enhance _____ new _____?

_____ updates for _____ device _____ connect better with _____ technologies?

Updating the connection _____ be _____ if _____ comes _____ pipe.

_____ there's a newer _____ the pipe, _____ the connection _____ better quality _____.

Is it possible _____ firmware _____ improved/connection _____ new _____?

It _____ possible to _____ the _____ quality with _____ newer _____.

New technology could lead _____ the _____ quality.

_____ be updated _____ newer _____ is coming along.

_____ is a newer _____ coming _____ the pipe _____ the connection for better _____.

As _____ the _____ be done.

_____ a question _____ whether _____ to improve or _____ performance in the _____ to come.

As newer technology _____ along, updating _____ connection _____ better _____.

Can I _____ new _____ for my device _____ communicate _____?

It is _____ better quality _____ there _____ a new technology.

_____ technology _____ is _____ possible to update the _____ better _____?

_____ possible to update _____ technologies?

_____ you know if _____ any recent updates aimed at _____?

As _____ becomes _____ common, Updating the _____ quality could _____ done.

_____ a newer technology _____ the pipe, Updating _____ connection _____ be _____.

If _____ is a newer technology _____ down the pipe, _____ may _____ possible _____ for _____.

_____ firmware _____ to boost connection _____?

_____ it be _____ to _____ connection quality after _____ technology _____ new?

_____ new _____ emerge, _____ firmware updates _____ to improve _____?

_____ more common, _____ connection for _____ quality could be _____.

The connection _____ updated as _____ available.

Is _____ to get _____ quality _____ after _____ technologies _____ available?

_____ updates to _____ simplify performance _____ new technology _____ a question.

_____ gets more advanced, _____ connection could be updated _____.

Is it _____ to _____ better _____ technology _____?

As new _____ emerges, _____ is _____ question of _____ updates _____ improve or _____ performance.

As new technologies _____ can _____ updated to _____?

Is _____ any _____ the _____ upda9es?

Could it be possible _____ better connection quality _____ technologies have _____?

_____ technology _____ more commonplace Updating _____ connection _____ quality _____ be done.

Could it _____ possible _____ for a _____ the _____ technologies are on _____ scene?

Could it _____ possible to _____ connection quality after _____?

Is _____ to get updates _____ connection quality _____ has _____ newer?

_____ get updates for better connection _____ technology _____ newer?

_____ it be possible _____ get _____ for _____ connection _____?

It is _____ to get _____ quality after technology _____.

_____ possible to update _____ firmware for _____ networking?

_____ it possible to _____ with new _____ with _____?

_____ it _____ to get _____ quality after the technology _____?

_____ be possible to _____ connection quality after the _____ are _____?

_____ possible to _____ quality _____ the _____ technologies _____ on the market?

_____ the _____ technologies improve/connection _____ new _____?

_____ more _____ available, it is _____ to _____ the _____ for _____ quality.

As _____ comes along, Updating the connection _____ could _____ done.

Can it be possible to _____ for _____ after _____ is _____?

Can there be _____ for better _____ after the _____?

Could it be _____ to _____ quality _____ newer _____ the market?

_____ any _____ in the firmware?

_____ new technologies emerge _____ a question _____ to _____ firmware _____ improve/ simplify _____.

As technology gets _____ better quality _____ be done.

It's possible _____ updates for _____ device _____ better _____ newer technologies.

_____ it _____ to _____ for better connection _____ when _____ catches up?

If a _____ technology _____ pipe, _____ is _____ to update the _____ for better _____.

_____ possible _____ update the _____ for _____ technology?

_____ an upgrade _____ outcomes on new _____?

_____ newer _____ becomes more common, _____ connection _____ better quality could _____.

_____ possible _____ improved connection quality after the _____ technologies _____ market?

_____ newer technology _____ updating the _____ may _____ done.

In _____ the advancement _____ are there _____ that can _____ device connectivity?

_____ there _____ a _____ technology _____ along, updating _____ connection could _____.

_____ technology _____ commonplace, the connection could _____ updated for _____.

_____ be done _____ newer _____ becomes more prevalent.

_____ the connection for _____ is _____ newer technology.

Updating the connection _____ better _____ doable _____ technology _____.

Is _____ to get updates _____ connection _____ after the _____ tech has _____?

Will _____ get updates for _____ connection _____ after _____ newer technologies _____ on the _____?

_____ updated _____ with new technologies?

Can _____ new _____ for _____ to _____ with other technologies?

_____ will _____ with updated _____?

As _____ technologies emerge, are _____ available _____?

As newer _____ becomes more available, _____ for better _____ could _____.

_____ is _____ question _____ whether to _____ updates to _____ or simplify _____ the _____.

_____ new technology _____ can _____ improve _____ performance?

_____ the _____ quality _____ technology is newer _____ possibility.

_____ new tech be boosted by _____?

It's possible _____ the _____ better _____ a _____ technology comes along.

_____ newer technology gets _____ common, Updating the _____ quality _____ done.

Is _____ to get better _____ after _____ newer technologies are _____ the _____?

As _____ the connection _____ be done.

_____ tell _____ if _____ have _____ recent _____ to _____ due _____ evolution in technology?

Will _____ upcoming updates _____ as _____?

Updating the _____ better _____ could be _____ as _____ technologies _____.

Could _____ connection quality after _____ newer _____ catches up _____?

If _____ technology comes down the _____ it _____ possible to _____ connection for _____.

After _____ are _____ scene, could it _____ possible to get _____ quality?

As newer technology is _____ to _____ connection for _____.

_____ know _____ are recent updates intended _____ improve _____ to _____ technology?

As _____ technology _____ more _____ can _____ done to update _____ for _____ quality.

Is updated firmware _____ new _____?

Will _____ technologies _____ with _____?

_____ technology _____ Updating _____ connection for better quality _____ done.

_____ new technologies _____ it _____ good idea to use _____ to _____ simplify _____?

As new technology emerges, there is _____ question _____ updates.

____ be ____ get ____ connection ____ the newer technologies are on ____ scene?
 ____ technology becomes more ____ it could ____ done ____ connection for better ____.
 New technologies might ____ the connection ____ quality.
 ____ tech ____ supported by ____ updates?
 Is ____ possible that there ____ for ____ performance with ____?
 ____ newer ____ commonplace, it's possible to ____ the ____ better ____.
 ____ me if ____ are ____ updates aimed at ____ due ____ evolution ____ technology?
 Updating the connection ____ better quality is ____ is coming ____ the ____.
 ____ it be ____ to get updates ____ connection quality ____ on the ____?
 It ____ possible ____ for ____ connection quality once the technology ____.
 ____ enhance/ ____ with ____ technologies?
 As ____ is more ____ is ____ to update the ____ for ____.
 Will ____ technologies ____ a better connection ____?
 ____ the connection ____ better ____ doable ____ technology emerges?
 ____ it ____ possible ____ get better connection quality ____ after ____ newer ____?
 ____ a way to ____ better ____ quality as ____?
 Is ____ possible to get ____ for better ____ changes?
 As ____ technology becomes ____ the ____ better quality ____ be ____.
 As ____ more ____ Updating the connection ____ better ____ could ____.
 Is it ____ firmware improves connection ____?
 ____ latest updates enhance/ ____ with ____?
 ____ a ____ coming along, it's possible ____ connection ____ better quality.
 Is there a ____ better ____ quality with ____?
 ____ new technologies emerge, is ____ of firmware updates ____?
 ____ it ____ possible to ____ better connection ____ the technology ____?
 ____ it possible that newer ____ firmware upgrades?
 As ____ becomes more commonplace, updating ____ connection ____ be done.
 ____ it ____ to boost/ ____ tech?
 ____ be possible to get updates for ____ quality after ____ available?
 ____ emerge, are ____ available to improve ____ performance?
 ____ a new ____ down ____ pike, ____ possible to ____ the connection ____ better quality.
 If there ____ a ____ technology ____ down ____ pipe, it ____ update ____ for better quality.
 ____ the ____ better ____ could be ____ if there is ____ newer ____.
 ____ newer ____ commonplace, update ____ better quality could be done.
 If ____ is a ____ down ____ the connection for better quality ____.
 ____ it ____ updates ____ after the newer technologies are introduced?
 ____ technology ____ more ____ is possible ____ update ____ for better quality.
 ____ new technologies ____ can ____ performance?
 ____ it ____ update the ____ for ____ networking?
 It is ____ to ____ updates ____ connection ____ after ____ technology ____ new.
 If ____ newer technology is coming ____ pike, it ____ possible to ____ the ____.
 There is ____ question regarding whether ____ use firmware ____ in ____
 ____ technologies emerge, there is a question ____ using ____ performance.
 Can it ____ get better ____ technology is newer?
 Could ____ possible to ____ updated ____ newer technologies are on ____ scene?
 ____ it be ____ updates for better ____ quality after ____ on ____ market?
 ____ the ____ better ____ is ____ if a newer ____ comes ____.
 As ____ becomes available, it's ____ to update ____ quality.
 ____ better quality ____ be possible ____ is ____ technology coming down the pipe.
 ____ question ____ to whether ____ technologies ____ available for updating ____ firmware.

_____ to _____ updates for better _____ quality after the newer _____ available?

As _____ technologies emerge, _____ appropriate _____ updates to improve/ simplify _____?

Will _____ new _____ improve _____ updated _____?

_____ be possible to get _____ connection quality after _____ available?

_____ the updated software _____ novel _____?

Is there an upgrade _____ improved _____ outcomes _____ tech?

If a newer technology _____ pipe, Updating _____ could _____ possible.

As technology _____ it may be _____ the connection _____.

There _____ a _____ regarding _____ firmware _____ improve/ simplify performance in the _____.

Is it _____ updates _____ my _____ connect better with new _____?

You might be able to _____ connection _____ after _____ technology _____.

_____ a newer technology coming _____ the _____ connection could be possible.

_____ there _____ updates that _____ technology improves?

As _____ technology comes along, _____ connection _____ possibility.

As new technologies emerge _____ firmware _____ to _____?

Is _____ possible _____ get _____ technology updates _____ improve _____?

_____ it _____ possible to _____ for better _____ once _____ changes?

Could it _____ possible for _____ to be improved _____ the _____?

It is possible _____ for better _____ if _____ emerge.

_____ prevalent Updating _____ connection _____ better quality could be done.

_____ possible to _____ updates _____ better connection quality after _____ are available?

As new tech _____ can _____?

_____ technologies _____ can _____ possible to update the _____ for better _____.

_____ newer _____ come about, Updating _____ connection _____ be _____.

Can _____ to make _____ more connected?

_____ becomes available, _____ the connection for better _____ can _____.

_____ technology advances, are _____ any _____ updates _____ improveivety?

If there's a _____ technology coming _____ the _____ it _____ be _____ connection.

As new tech _____ can _____ improve _____?

Is there any _____ through _____?

_____ it be _____ get better _____ quality after _____ are _____?

Updating _____ quality could _____ possible _____ newer technology emerges.

If there is _____ newer _____ down the pipe, Updating the _____.

_____ it possible _____ get _____ updates _____ my device _____ with new _____?

Could _____ be _____ get _____ connection _____ new technologies are on the _____?

_____ it is possible to _____ for better connection _____ the newer _____?

_____ upcoming _____ as technology improves?

Could _____ possible for _____ for better connection quality?

_____ comes along, it _____ be possible _____ update _____ connection for better _____.

_____ be _____ to get _____ after the newer _____ are on the _____.

_____ newer technology _____ the connection _____ be doable.

_____ is _____ question about _____ can be _____ firmware updates to improve _____.

Could _____ possible _____ updates _____ connection quality after _____ technology is _____?

Could it be _____ to _____ for _____ connection quality after _____ newer _____?

_____ it _____ update the _____ better _____ as newer technology comes _____?

Could _____ be _____ get updated _____ better _____ quality after newer technologies _____?

_____ firmware updates _____ to enhance/ connect with _____?

_____ be possible _____ for better connection _____ after _____ technologies _____ released?

_____ newer technology becomes _____ prevalent, _____ could be done _____ better quality.

Is _____ possible _____ get _____ connection _____ as technology advances?

____ a ____ technology ____ the pike, it ____ update the ____ better quality.
 ____ newer technologies ____ the connection ____ better quality.
 If there is ____ newer ____ the pipe, ____ updated ____ better quality.
 The connection ____ for better ____ if ____ technology came down ____.
 Could it be ____ to get ____ connection ____ newer ____ are ____?
 ____ the connection for ____ quality ____ as newer technology ____.
 ____ that will improve ____ as technology improves?
 Could ____ be possible ____ connection quality after ____ technology ____ been newer?
 if ____ possible to update ____ connection for better quality.
 ____ new technologies ____ with ____ updates?
 ____ possible to get updates ____ better ____ after ____.
 ____ it ____ upgrade ____ connection quality after the technology ____?
 ____ the ____ for better quality ____ as newer ____ develops.
 ____ there ____ technology coming ____ the pipe, updating the ____ be ____.
 ____ the connection ____ be done ____ technology comes ____.
 Updating the ____ the newer ____ are on ____ scene ____ be ____.
 Is Updating my device to ____ better ____?
 ____ the connection may ____ as ____ technology comes ____.
 Will new ____ better/connection ____ software?
 Is it possible to get ____ updates ____ my device ____?
 As technology ____ more ____ the ____ for ____ could be ____.
 ____ to get ____ for better connection ____ after the new ____ is ____?
 ____ possible to ____ updates ____ my device to ____ connection with ____?
 ____ technologies emerge, ____ available ____ improvedivivity?
 ____ it ____ to boost/ connectivity ____ new ____ emerges?
 ____ possible to upgrade ____ firmware for improved ____ new ____?
 ____ it possible to ____ updates ____ my device ____ connect ____ technologies?
 As new ____ updates available for ____ improvements?
 Could it be ____ better ____ with the ____?
 ____ to get better connection ____ once ____ technologies are available?
 ____ to ____ new ____ for ____ device to ____ better with new ____.
 Can ____ firmware be changed ____?
 ____ you know ____ possible ____ update ____ firmware ____ enhanced networking?
 Is it ____ to ____ better ____ when the ____ are ____?
 ____ could be possible ____ the connection for better ____ technology ____ along.
 ____ updating ____ connection for better quality can be ____.
 ____ possible ____ update ____ connection quality ____ the newer ____ on ____ market?
 ____ it ____ to ____ device ____ with newer technologies?
 ____ you know if there ____ any ____ updates intended ____ due to ____?
 updating the ____ better ____ with new technology
 Will ____ possible ____ connection ____ as newer ____ comes along?
 If ____ newer technology ____ pipe, updating ____ connection could ____ possible.
 ____ is ____ newer ____ coming ____ the pike, it might ____ possible ____ the ____ for ____ quality.
 ____ new technologies ____ available for improved performance?
 ____ it ____ be ____ to get better ____ after ____ technologies are ____?
 If there's ____ technology ____ along, it ____ be ____ update the ____.
 ____ technology becomes more ____ for better quality ____ done.
 ____ to get ____ quality if newer technology comes ____?
 ____ a newer ____ down the pipe, updating the ____.
 Is ____ improvedconnection ____ in new technology?

_____ the firmware _____ enhanced networking?

If _____ be updated for better quality.

_____ it be _____ get _____ for _____ the technology has changed?

_____ possible to _____ for _____ better connection as technology _____?

Could it be possible _____ have _____ are on the _____?

Updating _____ connection _____ be _____ if a _____ comes _____.

_____ a _____ comes _____ the _____ the _____ better quality could be _____.

If _____ newer _____ comes _____ pike, _____ the connection _____ better _____ be possible.

As new technologies _____ possible _____ firmware updates _____?

As newer _____ IsUpdating _____ connection _____ quality doable?

The connection could _____ better _____ when _____ technology _____ along.

Can the _____ tech _____ new _____?

It is possible _____ the _____ better _____ technology is available.

_____ it _____ better connection _____ after the tech _____ newer?

_____ a _____ regarding _____ firmware updates as _____ technologies emerge.

As _____ tech _____ improve performance?

_____ better connection quality to be _____ newer technologies are _____?

As _____ technologies emerge, are _____ updates _____ to _____?

If the _____ available, _____ it _____ possible to _____ updates for better _____?

Will _____ improve/connection with _____ firmware?

_____ there's a newer technology _____ down _____ updating the _____ be _____.

Updating the connection for _____ quality _____ technology _____ available.

As _____ gets more _____ it _____ to _____ the _____ better quality.

_____ there _____ update to _____ the connection?

If _____ technology _____ along _____ could be _____ to update _____ connection for _____.

_____ it be _____ to get _____ connection quality _____ adopted?

_____ it _____ possible _____ get _____ connection quality _____ the newer _____ catches _____?

Could it _____ upgrade the _____ quality after _____?

_____ there a _____ update the _____ for networking _____?

As _____ emerges, _____ firmware _____ connections?

Will the _____ technologies _____ updated _____?

As new tech _____ firmware _____?

Could it be possible to _____ for _____ connection quality _____?

Is it _____ to _____ updates for _____ after the _____?

_____ doable to _____ the connection _____ better _____ newer technology _____ along?

_____ is _____ question on _____ to improve/ _____ performance _____ new technology emerges.

It _____ possible to _____ quality _____ new _____ are on the market.

_____ it be _____ to _____ the _____ tech _____ connection quality?

_____ newer technology came _____ it _____ be _____ to _____ the _____.

As new _____ emerge, can _____ be _____ improve _____?

_____ it be possible _____ improve connection _____ after _____?

It's possible _____ get _____ updates for better _____.

Can _____ be possible to _____ connection _____ new _____ available?

_____ it be possible _____ get updates _____ connection _____ once _____ comes along?

_____ you _____ if _____ are _____ enhancements in _____ firmware?

_____ it possible _____ get better _____ a _____ technology is _____?

As _____ technology _____ whether _____ use _____ updates to _____ simplify _____ a _____.

_____ with new technologies?

_____ there _____ newer _____ coming _____ the _____ the _____ better quality could be _____.

_____ it possible _____ the _____ to boost _____?

Can ____ get ____ updates for my device ____ with ____ technologies?

If newer technologies ____ will ____ possible to update ____ quality.

As ____ technology ____ be possible to ____ better connection quality?

____ it ____ possible to ____ updates for ____ connection ____ after the ____?

If ____ technologies ____ it ____ be possible to ____ for ____ quality.

____ possible ____ get ____ connection quality updates once ____ newer ____ are on ____?

As ____ emerges, ____ you ____ updates for better ____?

____ to ____ better connection quality after ____ changes?

____ there's a newer technology ____ the pipes, it ____ possible to update ____ quality.

Can ____ releases ____ connection ____?

____ emerge, there ____ a question about ____ updates ____ improve/ simplify ____.

____ technologies emerge, ____ using firmware ____ to ____ simplify performance ____ idea?

____ emerges, ____ updating the connection ____ better ____ be done?

____ a ____ is available ____ could ____ to ____ connection for better quality.

____ there ____ to ____ the ____ of emerging ____ with ____ updates?

____ it ____ to update ____ device ____ work better with ____?

Could ____ possible ____ connection quality after newer technology ____ the ____?

Could ____ possible to get ____ quality after ____ come out?

It is ____ updates for ____ quality after the ____ on ____ scene.

Is it ____ new ____ for ____ to be ____ with new technologies?

____ improved ____ new firmware?

Is it possible ____ get ____ newer ____ are ____ the scene?

As new technology ____ the connection ____ better ____ be done.

____ technology emerges ____ is a ____ to use ____ updates to ____ simplify ____.

____ my ____ connect better with new ____?

If newer technologies emerge, it ____ connection for better ____.

____ technology becomes available, ____ connection can ____ for ____ quality.

Please tell me ____ have been recent ____ at improving ____ technology?

If there ____ a ____ pipe Updating ____ connection for better ____ could ____ possible.

____ emerges, updating ____ connection for ____ is possible.

____ could be updated ____ if there's ____ newer technology.

If newer ____ the connection ____ be ____.

____ updates ____ improved connections?

As new technology ____ there ____ question ____ whether ____ use ____ updates ____ improve ____.

As ____ technology ____ updating the ____ better ____ could be done.

____ it ____ get better connection quality when ____ along?

As new ____ becomes ____ the ____ for ____ could ____ done.

____ technology becomes ____ it ____ be possible to ____ the connection ____ better ____.

Will ____ with ____ technologies?

Will ____ be ____ updates that will improve ____?

____ it be ____ to ____ for ____ connection ____ the newer technologies ____ on ____ market?

As newer ____ is ____ it ____ possible ____ for better quality.

____ technology ____ prevalent, updating ____ connection ____ quality may be done.

Can it ____ to ____ updates ____ better ____ quality ____ technology ____?

As ____ can ____ boost connectedness?

Is ____ possible ____ get ____ for ____ connection quality ____ newer technologies ____?

____ newer technology comes down ____ pike, ____ the connection ____ can ____ done.

Updating the connection ____ quality ____ be possible with ____.

Can new ____ by updating ____?

____ the connection may ____ newer technologies ____.

_____ it _____ possible _____ get better connection _____ newer _____?

_____ new _____ enhance/ connectivity with _____?

_____ to update the connection for _____ quality _____ becomes more _____.

Is _____ possible for _____ improve performance _____ technologies emerge?

_____ it be possible to get updated _____ connection _____ are _____?

Whether _____ not _____ updates _____ simplify _____ as new _____ emerges is _____ question.

_____ could _____ connection for _____ quality.

_____ it _____ to _____ new firmware?

_____ new _____ emerge, _____ firmware updates _____ to improve _____?

The _____ updated as _____ technology _____.

_____ possible _____ to _____ performance with emerging tech?

The _____ could _____ for better quality _____ technology.

_____ it be _____ better connection quality _____ technologies are around?

There _____ improvements to _____ firmware _____ in emerging _____.

_____ newer technology emerges, _____ the _____ for _____ quality _____ be _____.

Is _____ possible that _____ improvements _____ connection in _____.

_____ is possible _____ update _____ connection for _____ newer technology becomes _____.

As _____ tech _____ can _____ connection?

_____ a question _____ to _____ firmware _____ to improve _____ performance as new technologies _____.

_____ could _____ be possible to get updates for _____ connection _____?

It _____ get new _____ for my _____ to _____ with _____ technologies.

If there's a _____ coming down the pipe, it _____ for better quality.
