

[Demo] NLP Dataset for Customer Service Automation

Company Type	Cable and Satellite TV Providers
Inquiry Category	Signal and reception troubleshooting
Inquiry Sub-Category	Weather-related signal interruptions
Description	Inquiries in this category involve customers seeking assistance with signal issues during adverse weather conditions, such as heavy rain, storms, or strong winds. Advisors may provide tips on mitigating weather-related signal loss or suggest suitable equipment upgrades.
Data Size	8,201 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Cable and Satellite TV Provider" customer inquiry. (Purchased data will not be masked.)

Would shutting _____ electronic appliances before evacuating _____ equipment against electrical _____?

Is _____ a _____ idea to _____ electronic _____ hurricanes?

Do all _____ need _____ shut _____ a storm?

_____ it _____ that shutting _____ all electronic _____ to _____ help safeguard _____ equipment?

_____ need to _____ off _____ electronic equipment _____ a _____?

Does _____ make sense _____ switch _____ appliances prior to _____?

Will it be _____ off electronics before _____?

Is shutting _____ before _____ against _____?

Will _____ switch _____ electronic devices _____?

_____ need to power _____ my gadgets prior _____ to _____ them _____ surge risks?

Is _____ to turn _____ devices before leaving during a _____ equipment?

_____ it _____ to _____ off digital devices _____ a storm?

_____ turning off gadgets before a _____ their safety?

Can all gadgets be _____ before _____ storm?

Is _____ to shut down all _____ before the _____ gear?

Does it _____ to switch off _____ appliances prior _____?

Is it _____ turn off _____ before I _____ for _____ season?

_____ electronic appliances off helps _____ against power _____ seasons?

In _____ protect _____ gear from surge damage, could _____ be _____?

Will _____ storm _____ protect vulnerable technology _____ from electrical overloads?

Is it _____ all electronic equipment _____ season starts?

It might be _____ good idea _____ all _____ devices _____ in _____ a power surge.

Is _____ recommended _____ off all _____ devices _____ leaving _____ a _____?

Do preventive measures like _____ you _____ during _____?

_____ gadgets be turned off _____ the _____ of _____ storm?

_____ electronic devices be shut _____ a _____ to _____ from power _____?

_____ turning off the _____ before a _____ make _____?

Can gadgets ____ turned off ____ storm ____ avoid power ____?

Is it possible ____ prevent ____ harm sensitive equipment ____ all ____ appliances ____ a storm?

Is ____ possible ____ turn ____ all ____ devices before ____ for ____ protect equipment?

Will shutting ____ household ____ in advance ____ defend ____ electrical ____?

____ digital ____ be ____ being evacuated during a storm?

____ protected ____ destructive ____ influxes ____ switch ____ my electronics while ____ away for a storm?

Will electronic ____ powered off before being ____ from ____?

Can you ____ that ____ gadgets ____ damaged if ____ my gadgets before ____ storm?

____ shut ____ all electronic ____ before hurricanes, ____ they ____ protect delicate ____?

Is it ____ good ____ shut ____ all electronic ____ prior ____ season?

____ be powered ____ before being evacuated ____ equipment ____ electrical surge?

____ you evacuate due to hurricanes, is ____ electronic ____?

____ all electronic devices ____ turned ____ being ____ a storm?

____ Electronics keep ____ safe during storms ____?

____ to switch off ____ in hurricanes ____ against ____ surges?

Would you turn ____ electronic devices ____ to ____?

____ it possible ____ down all electronic ____ before ____?

Should ____ gizmos ____ prior to bailing ____ order to keep the ____?

____ it ____ to ____ devices prior to evacuation against ____ surge?

I wonder ____ down all ____ before a storm ____ sensitive ____?

____ electronic gadgets ____ protected from ____ them off before hurricanes?

Is it possible ____ off ____ a ____ storm?

____ electronics ____ to be ____ before ____ during hurricanes?

____ electronic appliances to ____ prior to hurricanes?

____ electrical ____ have to ____ shut ____ before ____?

____ prevent ____ when storms hit?

____ be ____ from electric poop-storms ____ were ____ down before bailing?

____ cutting ____ before ____ protect ____?

Should I switch off ____ electronic ____ before a ____ against ____?

Do ____ need ____ switched ____ in ____ to protect ____ equipment ____ hurricanes?

Will all devices be ____ before being ____?

____ down all electrical appliances ____ a ____ delicate ____?

____ be turned off ____ a ____?

Should ____ electronic devices ____ shut ____?

During storms, would turning ____ safeguard ____?

____ down ____ gadgets ahead ____ the ____ be enough to ____ vulnerable ____?

Do you think ____ would ____ all ____ appliances ____ hurricanes?

Is it possible to ____ electrical surges ____ harm ____ shutting ____ all ____ appliances before ____?

When ____ out during hurricanes, ____ it a ____ turn ____ electronic devices, so that ____ don't ____ to ____

____ shutting down all electronics before ____ way to ____ my ____?

Is ____ a ____ power down ____ electric ____ before the ____?

If you switch off ____ hurricanes, ____ guard against ____?

Is it ____ to ____ off all ____ devices before ____ a ____ sensitive equipment?

Is shutting down electronic devices ____ hurricanes ____ delicate ____?

____ possible ____ unplugging all ____ to save ____ hurricanes?

____ good ____ turn off all electronic devices ____ in the middle ____ a storm?

When heading ____ Hurricane season, is ____ to turn off ____ electronic devices, so ____ potential power ____?

____ you ____ electronic ____ should ____ shut down before a ____?

____ electronic ____ be turned off before being evacuated ____ electrical ____?

Will ____ stop ____ harm ____ storms?

Can electronic _____ be turned _____ ?

_____ down household _____ before _____ protect vulnerable technology units from _____ overloads?

_____ turn _____ before a storm to avoid _____ surge?

Will shutting _____ household gadgets ahead of _____ times _____ vulnerable _____ ?

_____ electronic devices _____ down before _____ protection against power surge?

Should my gadgets be _____ prior _____ storm _____ protect _____ electrical _____ risks?

_____ it be possible to prevent _____ harm sensitive equipment _____ electronic _____ before hurricanes?

_____ turning off electronic _____ hurricanes _____ help _____ damaging voltage spurts?

Is _____ to _____ delicate equipment _____ electrical _____ by _____ down _____ electronic _____ ?

Can _____ electronics be _____ I leave during _____ ?

Is _____ good idea to turn off _____ ?

Can _____ me _____ my _____ will _____ wrecked _____ I turn _____ all my _____ a storm?

Will shutting down _____ in advance of _____ technology units?

_____ it _____ avoid _____ surge _____ by shutting _____ all electronics before leaving?

Will _____ devices _____ the hurricanes?

_____ I _____ electronic devices _____ evacuate to _____ delicate equipment?

If _____ the _____ can my equipment be protected?

Is it _____ good idea _____ off _____ before _____ hurricanes?

_____ my _____ be _____ I _____ hurricanes to protect my _____ ?

Could _____ off before _____ storm _____ protect vulnerable gear?

Powering _____ the storm _____ them from _____ surge risks.

_____ electronic devices be _____ off _____ ?

_____ it a good _____ to turn _____ all electronic _____ out _____ hurricanes, so that they _____ by _____

_____ all electronic _____ shut down _____ a _____ storm?

Should _____ electronic _____ shut down _____ during a storm?

Is _____ to _____ off gadgets _____ hurricanes to _____ damage?

Is _____ to remove electronics _____ arrives?

Is _____ possible _____ shut _____ protect them from surge damage?

_____ we turn _____ before _____ hit?

_____ it possible to shut _____ devices before _____ to protect gear _____ ?

_____ shutting down electronics before hurricanes _____ ?

Should _____ appliances be switched off _____ protect _____ due to _____ ?

_____ possible to _____ down all _____ prior _____ the _____ to _____ surge damage?

Is _____ possible _____ off electronic _____ prior _____ to protect _____ from power _____ ?

Would they turn _____ the evacuation?

Is _____ possible to _____ sure the _____ gadgets _____ off _____ storm?

_____ electronics _____ turned _____ electrical damage during storms?

_____ turn off _____ before leaving _____ the storm?

Is _____ good _____ switch _____ electronic appliances if _____ to evacuate?

_____ it possible that _____ save against _____ damage during _____ ?

_____ gadgets _____ off _____ leaving for a _____ power damage?

_____ dependent devices protect _____ hurricanes?

Is _____ possible to _____ from power _____ off all _____ devices before you leave?

Do I have to power down _____ to avoid _____ ?

Do _____ shutting _____ all electronic appliances _____ sensitive equipment _____ electrical surge?

_____ it possible to _____ sensitive _____ safe _____ electric _____ shutting down gizmos _____ ?

_____ shut down _____ before _____ evacuate for _____ would it safeguard delicate _____ ?

_____ I _____ down _____ before _____ hurricanes I would be _____ protect delicate _____ .

_____ gadgets _____ turned _____ in hurricanes?

Is it feasible to _____ prior to _____ ?

Will _____ be _____ Hurricane spikes _____ I power _____ my gadgets _____ ?
 _____ all devices _____ shut down _____ theevac _____ sensitive _____ from surge _____ ?
 _____ possible _____ prevent _____ power _____ caused by _____ by shutting down all electronics _____ ?
 _____ heading out during a hurricanes, _____ a good _____ turn off all _____ so that they _____
 Should all _____ equipment be turned _____ being evacuated in the _____ ?
 _____ it _____ to power _____ electric appliance before _____ comes?
 _____ electronic devices be _____ hurricanes to _____ equipment _____ spikes?
 _____ it possible to turn _____ all _____ electronics _____ storm?
 Is it _____ to _____ off _____ digital _____ to _____ a hurricanes?
 _____ electronic _____ be _____ before the hurricanes to protect them _____ ?
 _____ a good idea to turn off _____ when _____ out _____ hurricanes, so as _____ to _____ them _____ ?
 Can _____ turned _____ before hurricanes?
 _____ shutting _____ household _____ ahead _____ the _____ defend _____ technology _____ electrical overloads?
 _____ be safe _____ electric spikes _____ my _____ before the storm?
 _____ it possible _____ shut off _____ a storm to _____ sensitive _____ ?
 _____ advisable to shut _____ devices before a _____ ?
 Is it _____ turn _____ before _____ storm?
 _____ possible _____ take a _____ of _____ devices before leaving for hurricanes?
 If _____ all _____ electronics prior _____ a _____ protect my equipment?
 Will _____ devices _____ before _____ left _____ surge during hurricanes?
 _____ to _____ electronic appliances before a storm to _____ them?
 Does _____ protect gadgets _____ a storm?
 Will _____ gadgets _____ down _____ ahead _____ storm _____ to protect _____ overloads?
 Will shutting down _____ times _____ vulnerable _____ from electrical overload?
 Is _____ possible _____ turn _____ electronics before _____ a storm?
 Will _____ devices be _____ storm to protect vulnerable _____ ?
 _____ hurricanes, can I _____ my _____ before I _____ ?
 _____ shutting down household _____ ahead of _____ vulnerable technology units?
 _____ appliance shutdowns keep equipment _____ ?
 Does _____ sense _____ electronic appliances _____ be turned _____ before the _____ ?
 Will _____ be _____ before _____ from power surge during _____ ?
 Is _____ down electrical appliances _____ against _____ spikes?
 Will the _____ be _____ hurricanes?
 Does _____ the gadgets _____ by _____ off _____ a _____ ?
 _____ possible to _____ off gadgets prior to a _____ avoid _____ ?
 _____ be powered _____ evacuated _____ the event _____ power fluctuations in hurricanes?
 _____ it necessary to _____ electronic appliances _____ storm?
 _____ every electric appliance _____ leaving due to a storm?
 _____ it _____ switch _____ appliances prior _____ Hurricane season?
 _____ it possible that _____ off _____ before a _____ will _____ ?
 _____ switch-off _____ equipment amidst _____ ?
 When heading out during hurricanes, _____ good _____ to _____ off _____ electronic _____ as _____ expose _____ to
 potential power _____ ?
 Will _____ be able _____ turn _____ all my electronics _____ during _____ ?
 _____ devices _____ down before being _____ from _____ ?
 _____ electronic devices _____ shut down prior _____ hurricanes _____ power _____ ?
 Would _____ before evacuation to protect _____ power surge?
 Will household gadgets be _____ down _____ of _____ against _____ overloads?
 Does the turn _____ ensure _____ safety of _____ ?
 _____ I _____ from electric spikes _____ by hurricanes if my _____ are powered _____ leave?
 _____ I have _____ switch off _____ electronic _____ the _____ ?

Will I _____ to avoid _____ if _____ power _____ all _____ I flee?

_____ household gadgets be _____ ahead _____ storm _____ defend against electrical _____?

Is _____ possible to prevent electrical _____ that could _____ all electronic appliances _____ removed _____?

I _____ if _____ could power _____ down prior to _____ to _____ them _____ surge _____.

_____ need to power _____ appliances before hurricanes _____ them?

Is it possible _____ electronic devices before a _____ sensitive _____?

_____ power off _____ devices _____ a storm to _____ equipment _____ power surges?

Is _____ possible _____ electric appliance before the _____ comes?

_____ know if _____ down all electronics _____ a _____ my equipment.

Do I _____ electronic _____ before hurricanes?

_____ it possible _____ surge _____ harm _____ equipment by taking all _____ appliances _____ of use before _____?

_____ it _____ to _____ sensitive _____ from _____ poop-storms if you shut down _____?

Is it _____ for devices _____ disconnected _____ storm _____ to _____ against _____?

_____ electronic appliances be _____ off _____ to _____ them _____ electric surges?

Is _____ possible _____ down electronics _____ storm?

_____ down electrical appliances before _____ machinery?

Will _____ power _____ turned _____ for electronic _____ prior _____?

_____ I _____ switch off electronic _____ prior _____ hurricanes?

_____ it _____ power _____ electronic _____ before _____ storm _____ protect sensitive equipment?

_____ be disconnected _____ a _____ storm arrives _____ the circuits _____ protected?

_____ during a _____ is it _____ to turn off all electronic devices, _____ aren't _____ potential power _____

Does turning off gadgets _____ safety?

_____ if turning off _____ a _____ will save _____ power surge.

_____ for electronics to _____ disconnected before a _____?

_____ we switch off _____ appliances _____ evacuate due _____ hurricanes?

_____ the _____ be turned _____ the evacuation?

Is electronic _____ shutdowns _____ vulnerable _____?

_____ need to _____ off _____ my _____ appliances before a _____?

Do I _____ off all _____ electronics _____ storm?

_____ we shut down all _____ devices prior _____?

Is _____ ensure their safety _____ sudden _____ caused _____ storms by removing all _____?

_____ it _____ switch off _____ electronic appliances before _____ hurricanes to _____?

_____ it _____ protection _____ destructive electrical _____ off all home _____ while leaving for _____ storm?

Would shutting _____ appliances before a _____ help protect _____?

Will switch-off _____ being _____ during storms?

Is it _____ off all electronic _____ before you _____ in _____?

Is _____ to be powered down before _____ storm?

_____ possible _____ prevent electrical surge that _____ equipment if _____ electronic appliances _____ before the _____?

Is shutting _____ effective against electrical spikes?

_____ possible to _____ down _____ before _____ storm hits?

_____ appliances _____ switched off _____ the storm to protect _____?

_____ it be _____ switch _____ devices before hurricanes?

Will it provide any _____ against _____ influxes _____ electronics while _____ for a storm?

_____ be prevented by _____ during storms?

_____ to switch _____ electrical appliances before a _____?

_____ sensitive _____ safe _____ electric poop storms if _____ shut down before _____?

_____ assure _____ gadgets won't _____ wrecked if I turn _____ all _____ devices before a _____?

Do you think shutting _____ all _____ before _____ for _____ help protect _____?

_____ be protected against destructive _____ influxes _____ and _____ all my _____ while leaving for a _____?

_____ appliances before _____ evacuate effective _____ shielding delicate _____?

Is _____ possible to _____ off electronic devices _____ to _____ equipment?
 _____ it _____ to _____ electrical surge that could _____ sensitive equipment _____ appliances disconnected before _____?
 _____ shut _____ all electronic _____ to _____ it help safeguard equipment?
 _____ turning off _____ make it safe?

Will _____ down _____ help protect _____ technology units from electrical overloads?
 _____ off appliances before the _____ shielding _____ from surges?

Should I power _____ appliances _____?

Can I _____ off all _____ during _____ storm?

Does turning _____ appliances _____ storm _____ them?

Will _____ from damaging _____ spurts _____ hurricanes hit?
 _____ that _____ electronic appliances would _____ shut down _____ the _____?
 _____ appliances _____ protect against power surge during _____ seasons?

Can _____ off my electronics _____ leave _____ season?

Is _____ possible to _____ off _____ before _____ during a _____?
 _____ a _____ idea to turn _____ all electronic devices when _____ during _____ so _____ get exposed to _____
 _____ I turn off _____ before leaving _____ season?

Is it _____ to _____ safety from _____ fluctuations caused by _____ by _____ electronics _____?

Is it _____ to _____ off electronic _____ the storm _____ shield _____ fluctuations?
 _____ it possible _____ power down my _____ prior to _____ shield _____ surge risks?
 _____ electronics prevent _____ harm _____ storm?

Can I turn _____ my electronics before _____?

Is it possible _____ electronic _____ before the storm to _____ them _____?
 _____ electronic appliances be _____ off _____ the equipment _____ in _____ weather?

Do you _____ a good _____ turn off all _____ a storm?

Is shutting down electronics _____ effective _____ of _____ storm?
 _____ be _____ to turn off _____ before I _____ during hurricanes?

Is it _____ to power _____ to storms to _____?
 _____ I _____ to avoid _____ surge if I _____ all _____ before I _____?
 _____ you _____ me that _____ gadgets won't _____ damaged _____ turn off all my _____ during _____?

Would _____ be _____ off before the evacuation _____ guard _____ power _____?
 _____ shutting _____ household _____ of storm _____ enough _____ protect vulnerable _____ units?

Is shutting down _____ gadgets before the _____ enough _____ units from _____?

Should _____ shut _____ electronic devices _____ I _____ order _____ protect my equipment _____ surge damage?
 _____ shutting down household gadgets _____ ahead _____ storm times _____?
 _____ the power be _____ before _____ storm to _____ against _____ fluctuations?

Will there _____ a switch _____ electronic devices _____?

Is shutting _____ before _____ a good idea?
 _____ to turn _____ electronic _____ a storm is coming?

Is _____ possible to _____ down _____ before storm to _____ them _____ electrical _____?
 _____ to save _____ shutting them down while _____ hurricanes?

If _____ down _____ my _____ during _____ storm, can I protect _____?
 _____ they _____ off _____ devices _____ the evacuation?

Can appliances be turned off _____ them?

Will I be able _____ surges _____ I power down all _____?
 _____ it safe _____ switch _____ if electricity peaks _____ hurricanes?
 _____ all electronic _____ be _____ off _____ storm _____ protect them _____ electrical _____?

Will shutting _____ damage during hurricanes?

Will _____ gadgets be _____ electric spikes from hurricanes _____ I _____ leave?

Will _____ off before _____ used to _____ against hurricanes?
 _____ it a good idea to turn _____ all _____ when heading _____ during _____ potential _____ power _____?

_____ turn off all _____ electronics _____ I leave for _____?
 _____ it _____ to _____ sensitive _____ safe from _____ closing down gizmos prior _____?
 Is it possible _____ power _____ appliance before an event _____?
 Do _____ need to _____ all _____ electronic appliances prior _____?
 Is it _____ against power surge during storm _____ electronic _____?
 Is shutting _____ dependent _____ safe during _____?
 Is _____ good _____ to _____ electronics before _____ home _____ electrical surge?
 Will I be _____ from destructive _____ I _____ off _____ unplugged my _____ away for a _____?
 Will _____ devices _____ switched off _____?
 Is it possible to _____ down _____ prior to _____ to _____?
 Do _____ that _____ off _____ before a _____ ensures _____ safety?
 Is keeping _____ appliances off _____ against power surge _____?
 Is _____ possible _____ prevent electrical surge _____ equipment _____ electronic appliances _____ hurricanes?
 Is it advisable _____ switch off _____ devices before _____ out _____ a _____?
 _____ it _____ to _____ down electronics _____ leaving _____ the _____?
 _____ all _____ save equipment _____ hurricanes?
 _____ possible _____ electronic gadgets before hurricanes come?
 Is it possible to switch off _____ them _____?
 _____ hurricanes do _____ shutdowns _____ equipment?
 Would electronic _____ turned _____?
 Is _____ to _____ down all devices _____ to the vac _____?
 Would shutting _____ all electronic devices _____ help _____?
 _____ all electronic devices _____ before a _____ protection?
 Is _____ necessary _____ switch _____ electronic appliances _____ hurricanes _____ protect _____?
 Should _____ electronic appliances be _____ before _____?
 Should _____ gadgets _____ powered _____ prior to storms to protect _____?
 _____ to prevent electrical _____ could harm equipment by _____ all electronic appliances _____?
 Should all _____ turned _____ for protection against power _____?
 _____ it _____ good _____ to _____ off _____ devices before leaving during _____?
 _____ shutting down _____ electronic devices _____ to _____ hurricanes _____ protect _____ equipment _____ electrical _____?
 Do I _____ to _____ all electronic _____ prior _____?
 Will you _____ off _____ them from hurricanes?
 Do all _____ to _____ switched off _____ a _____?
 _____ to power _____ all electronics before I evacuate _____ electrical _____?
 _____ for _____ electronic appliances to be turned _____ the storm?
 _____ appliance _____ protect vulnerable _____ hurricanes?
 _____ I _____ to _____ all electronics before I _____ a _____?
 _____ to _____ off all _____ devices before _____ evacuated for _____ storm.
 _____ shutting down electrical _____ before _____ storm protect _____?
 Is it possible _____ off _____ during _____ storm to _____ electrical _____?
 _____ to power off electronic _____ prior to a _____ shield _____ power _____?
 Will _____ appliances be powered _____ being evacuated from _____?
 Is it _____ avoid _____ spikes _____ during hurricanes _____ shutting _____ all _____ before _____?
 Is _____ possible to _____ off _____ before _____ hurricanes?
 Should gizmos _____ shut _____ bailing in _____ to _____ sensitive stuff _____ electric _____?
 _____ it be _____ idea to _____ off electronics before _____?
 Will _____ able to _____ power all electronics down _____ I evacuate?
 Is shutting _____ the vac possible _____ protect sensitive _____?
 Should all _____ turned _____ leaving _____ the _____ of a _____?
 _____ down _____ gadgets _____ of _____ times protect _____ technology from _____ overloads?

Is _____ possible to power down _____ before _____?

Can gadgets be _____ off _____ season?

_____ off _____ gadgets _____ save them from being _____?

_____ all _____ dependent devices be shut down _____ equipment _____ storm?

Can you _____ that my gadgets won't _____ off all _____ devices before the _____?

Is _____ down my gadgets prior _____ a storm to avoid _____?

_____ off _____ before an event effective _____ gear _____ surge?

_____ switched off prior _____ to protect them _____ electrical spikes?

Is it possible to _____ devices _____ the _____?

Can I turn _____ the _____?

Is _____ off electronic appliances prior to _____ storm?

_____ it _____ avoid electrical surges _____ all electronics _____ leaving?

_____ household gadgets be shut _____ of storm _____ to _____ them _____?

_____ you _____ that _____ get _____ if I turn _____ my devices _____ storm?

Will _____ down household _____ ahead _____ storm _____ help _____ vulnerable _____ from _____?

Is _____ good idea to _____ off electronic _____ evacuate due _____ hurricanes?

_____ appliances be _____ off _____ to protect themselves from electrical _____?

Should _____ be _____ before a _____?

_____ powered _____ the equipment is evacuated because _____ the weather?

When heading out during a storm, should all _____ as _____ to expose them _____?

_____ I _____ to switch _____ my _____ before hurricanes?

Do I have _____ power down _____ before _____ avoid _____ surges?

_____ it _____ to turn _____ leaving _____ avoid power damage?

During _____ can unplugging devices protect _____ power _____?

_____ it _____ to _____ delicate _____ electrical surge _____ I shut _____ electronic _____ before the hurricanes?

_____ shut _____ all _____ devices before I leave for _____ delicate equipment?

_____ appliances _____ powered off before _____ evacuated to _____ delicate equipment _____?

If we _____ pre-evacuation, did we ensure their safety _____ fluctuations _____?

Do you think _____ idea _____ switch off _____ before _____ during _____ storm?

_____ it possible _____ down all _____ appliances _____ storm _____ sensitive equipment?

_____ safe _____ power _____ my gadgets before _____ storm?

_____ it _____ good _____ to _____ electronic devices _____ to a storm?

_____ switch-off Electronics _____ harm during _____?

Should gizmos _____ turned off prior _____ order _____ stuff safe _____ poop-storms?

Should _____ kept safe _____ electric poop-storms by closing _____ prior _____?

_____ I have _____ switch off _____ of _____ electronic _____ a _____?

_____ it possible to _____ devices during storms _____ electrical _____?

_____ electronics _____ switched off?

Is it possible _____ turn off _____ gadgets _____ a _____?

Will switch-off _____ help with _____?

Does shutting down _____ appliances before _____ machinery?

_____ all electronic _____ turned off _____ the _____ against power fluctuations?

_____ electronic appliances _____ switched _____ order to _____ equipment _____ the _____ of _____ storm?

It's possible _____ surge _____ you _____ all electronic devices before you evacuate.

_____ possible _____ turn off gadgets before the hurricanes _____ damage?

_____ electronic _____ help _____ equipment during _____?

_____ shutting _____ electrical _____ the _____ help delicate machinery?

_____ devices _____ to be _____ off _____ the evacuation?

_____ you turn _____ before a _____?

_____ unplugging of devices save _____?

_____ devices be switched _____ before the _____ ?
 _____ electronic devices be _____ off _____ surges?
 _____ all _____ be _____ before a storm for _____ ?
 Is _____ possible _____ off my _____ Hurricane _____ starts?
 _____ make _____ to switch _____ all digital devices _____ during _____ storm?
 Is it possible _____ the _____ of gadgets _____ off _____ a _____ ?
 Should all my _____ before _____ a storm so that _____ damaged _____ power fluctuations?
 _____ it possible _____ appliances _____ to prevent power surge?
 Do I need to _____ electronic _____ hurricanes?
 _____ think _____ down electrical _____ before a storm _____ machinery?
 _____ shutting _____ electrical _____ before a _____ against electricity spikes?
 Is it _____ power _____ prior to storms to _____ from surge _____ ?
 _____ shutting down electronic _____ a storm a _____ protect against _____ ?
 _____ all electronic _____ before a storm arrives?
 Is _____ risk of _____ by power surge without _____ while _____ ?
 _____ down _____ devices before evacuate to protect _____ gear?
 _____ prevent electrical surge _____ could _____ sensitive _____ by _____ all _____ disconnected before leaving for hurricanes?
 _____ I have _____ power _____ electronics before _____ evacuate because _____ surge _____ hurricanes?
 Is _____ power off electronics _____ to protect sensitive _____ from _____ surge?
 Do _____ think it's _____ turn _____ electronic devices when going _____ during _____ ?
 _____ possible _____ switch off _____ to protect against _____ caused _____ hurricanes?
 _____ possible to power _____ my _____ appliances _____ hurricanes?
 _____ down _____ gadgets _____ storm _____ technology units from _____ overloads effectively enough?
 _____ it possible _____ surges that occur _____ by power _____ all _____ ?
 Is _____ possible to _____ surge _____ could _____ sensitive _____ by _____ appliances before _____ ?
 _____ you guarantee that my _____ won't be _____ turn _____ all my devices _____ ?
 Do _____ electronic _____ need to _____ off before _____ for _____ ?
 _____ turning off _____ make them safe?
 _____ you _____ me that _____ gadgets _____ get ruined _____ I turn off all _____ devices _____ ?
 Will _____ protection _____ electrical influxes if _____ switch off all _____ electronics _____ leaving for _____ ?
 _____ gadgets before _____ help keep _____ of harm's way?
 Do _____ need to be _____ off before a _____ to _____ electric _____ ?
 Is it a _____ turn off all electronic devices when _____ hurricanes _____ get _____ by _____ spikes?
 Is _____ turn off all my electronics before _____ ?
 Would electronic _____ be _____ off before evacuation _____ ?
 Is it _____ to avoid _____ during _____ by disabling all _____ ?
 Do electronic _____ be _____ when evacuated due to _____ ?
 _____ off gadgets _____ a _____ help _____ keep them _____ ?
 Will my _____ be _____ off before _____ a _____ ?
 _____ you think _____ down _____ electronic _____ prior to _____ hurricanes would _____ protect _____ ?
 _____ off _____ to evacuate good for shielding _____ ?
 Is _____ to _____ off all _____ before _____ sensitive equipment from _____ surge?
 _____ it make _____ safer by turning _____ off _____ ?
 Can power _____ devices _____ to a _____ protect sensitive _____ ?
 Can _____ turned _____ before storm _____ ?
 Is it possible to _____ electronic _____ to _____ ?
 _____ be spared from _____ if _____ were switched off during _____ ?
 _____ turning _____ electronics _____ a _____ make _____ safer?
 Is it safe _____ close _____ a storm because _____ power _____ ?
 Will _____ gadgets be shut down _____ times to _____ them _____ ?

_____ hurricanes, can _____ save equipment?

Will _____ be _____ from damaging voltages _____ are _____ before hurricanes?

Can electronic _____ safeguard vulnerable _____?

_____ electronic devices _____ off _____?

_____ me against destructive _____ if I switch off all home _____ away _____ storm?

Is it _____ before _____ during hurricanes?

_____ electronic appliances off is _____ protect against _____ surges _____ season?

_____ you think _____ be _____ to _____ off _____ electronic devices _____ you leave for hurricanes?

_____ be switched _____ before _____ storm to protect against electric _____?

_____ household gadgets completely _____ times defend _____ electrical overloads?

_____ it _____ to prevent electrical surge _____ sensitive equipment _____ disconnected _____ appliances _____ storm?

Can _____ me that my gadgets _____ ruined _____ turn _____ my _____ before the storm?

I _____ I can turn _____ my _____ leaving for _____.

Is it _____ to protect _____ equipment from _____ power _____ turning off _____ electronic _____?

Will _____ protected against _____ electrical _____ I switch off _____ electronics _____ leave _____ storm?

Should all electronic _____ before _____ storm?

Does it _____ sense _____ remove all _____ to _____ from _____ power fluctuations caused _____?

Can _____ assure me _____ my _____ get _____ I _____ off _____ of _____ gadgets before a _____?

Could _____ devices be _____ off _____ sensitive equipment?

_____ to prevent electrical surges _____ harm _____ all electronic appliances were _____ before hurricanes?

_____ my electronics be unplugged prior _____ to _____ from _____ surge?

_____ possible to avoid _____ expensive gear _____ plug on _____ before _____ evacuate?

_____ possible _____ off electronic gadgets _____ hurricanes?

_____ shutting down all electrical _____ before _____ protects delicate _____ from _____?

Will _____ gadgets before hurricanes _____ safeguard them from _____?

Is it _____ power _____ electric appliance before _____ to _____ storm?

_____ electronic _____ protected from damaging _____ spurts _____ hurricanes _____?

_____ possible _____ surge that _____ sensitive equipment by _____ all electronic _____ before a hurricanes?

Is _____ necessary _____ electronic appliances _____ a storm _____ electrical spikes?

Can _____ turn off my _____ before _____ leave _____?

Do _____ think _____ all electrical _____ before _____ protects machinery?

_____ all electronic _____ turned _____ for _____ storm to _____ sensitive equipment _____ power surges?

Should electronic _____ be _____ before a _____ to protect them _____?

_____ be _____ off before _____ left _____ defend against hurricanes?

Is it possible _____ power _____ electronic _____ prior _____ season?

Will _____ power be turned _____ hurricanes _____ my _____?

_____ electronic appliances before hurricanes?

_____ shutting _____ gadgets _____ storm _____ protect vulnerable technology _____ from electrical _____?

Should _____ protect _____ equipment _____ surge damage _____ shutting _____ all electronic _____ leaving?

Should we _____ all _____ a storm?

_____ electronic _____ be _____ off _____ being evacuated _____ the _____?

_____ it _____ to _____ off _____ you evacuate _____ against power surges?

_____ it necessary to _____ before a hurricanes?

Should electronics _____ shut down _____ to prevent _____?

Is it _____ to _____ off all _____ you _____ a _____ protect sensitive equipment?

_____ I _____ against destructive _____ I switch off _____ home _____ while I'm _____?

_____ switch-off _____ keep equipment out of harm's _____?

_____ it _____ electrical surge when devices _____ switched off _____?

Do we ensure their _____ from _____ by _____ we disconnected all _____?

Is it advisable _____ switch off digital _____ for _____?

Will _____ off before _____ from power _____ during hurricanes?
 _____ be protected against _____ influxes _____ switch off all home electronics _____ out _____ town _____ a _____?
 _____ a good _____ to turn _____ all _____ when heading out _____ hurricanes so that they don't _____
 _____ switched _____ hurricanes to protect against electrical _____?
 _____ shutting _____ prior _____ an emergency help _____ delicate gear _____?
 _____ be _____ to turn off all _____ appliances before _____?
 _____ it be _____ turn _____ electronics before leaving for Hurricane _____?
 _____ down household _____ ahead of storm times _____ against _____?
 Is _____ possible to turn _____ appliances _____ a storm to _____ power _____?
 _____ off electronic gadgets _____ protect _____ from damage?
 Can you _____ me if _____ necessary _____ turn off _____ appliances _____?
 _____ switch-off _____ keep equipment _____ damaged in _____?
 Is it possible _____ turn _____ devices _____ the storm _____ protect _____?
 _____ turned off during storms to _____ them against _____?
 Should all _____ appliances be _____ off before _____ storm _____ against _____?
 _____ hurricanes do _____ shutdowns _____ vulnerable _____?
 Do you _____ be _____ good _____ to remove _____ electronic appliances _____?
 Is _____ to keep electronic _____ hurricanes?
 Will devices _____ evacuated in _____ event _____ power fluctuations _____ hurricanes?
 Is _____ to _____ electrical _____ during a _____ by power _____ electronics?
 _____ off _____ gadgets before leaving _____ a storm?
 Will _____ gadgets be _____ from _____ before the _____?
 _____ it a _____ idea to turn _____ devices when _____ during _____ storm _____ as not _____ any _____ spikes?
 Is _____ possible _____ prevent electrical _____ harm _____ equipment if _____ disconnected _____ before the
 hurricanes?
 Could _____ be powered down _____ the _____?
 Should _____ appliances be _____ seasons to safeguard _____ surge?
 Would _____ electronics _____ electrical damage?
 _____ we disconnected _____ electronics _____ theevacuation, _____ we _____ their _____?
 _____ off appliances before _____ evacuate _____ delicate gear?
 Is _____ to stop electronic _____ from being _____ when _____ evacuate _____ to _____?
 _____ it _____ to _____ electronic devices prior _____ storm to _____ from power _____?
 _____ the _____ be _____ prior _____ to _____ my equipment against _____ surge?
 In _____ to _____ delicate _____ power surge damage, _____ be shut down?
 _____ my gadgets be safe _____ spikes caused by _____ before _____ leave?
 _____ keeping _____ appliances _____ helps _____ against power _____ storm seasons?
 Is _____ to prevent electrical _____ equipment by _____ all electronic appliances _____ hurricanes?
 Will _____ harm if _____ happen?
 Do _____ power _____ electronics _____ I _____ to avoid electrical surge?
 Is it _____ off electronic devices _____ the storm _____ sensitive _____ from _____?
 _____ me that my _____ damaged if I turn _____ all _____ before a storm?
 Can appliances be turned _____ in _____?
 _____ that _____ won't _____ damaged if I turn _____ off before a _____?
 _____ possible to power _____ electronic _____ an _____ to protect _____ equipment?
 Is _____ to turn _____ before a storm _____ prevent _____?
 _____ my _____ be turned off before _____ for _____?
 If _____ switch _____ electronics, _____ safety _____ electricity _____ caused by hurricanes?
 Is _____ to _____ off gadgets before _____?
 _____ it possible _____ turn off _____ gadgets before leaving _____?
 _____ it make sense _____ down _____ electronics _____ to avoid electrical _____?
 If _____ down all electronic _____ evacuate for _____ would _____ help _____ equipment?

Is _____ electronic devices _____ to a storm?

_____ I power _____ all electronics before _____ to _____ surge?

_____ off gadgets _____ storm _____ they are safe?

Does _____ all _____ their safety _____ fluctuations caused _____ storms?

_____ electronics before I leave, can _____ electrical Surges?

Do _____ to _____ off _____ electronic appliances _____ to hurricanes?

Is _____ wise to _____ off all electronic _____ out during a storm, _____ that _____ don't _____ spikes

_____ switch off electronic _____ order _____ protect _____ equipment _____ event _____ a hurricanes?

Is _____ a good _____ to turn off _____ electronic _____ heading out during _____ so _____ get _____ spikes

Will shutting down _____ gadgets ahead of _____ protect vulnerable _____ overloads _____?

_____ shutting down electrical appliances _____ storm will _____?

Can I turn _____ all _____ before _____ a storm?

Will _____ be _____ prevent _____ harm during storms?

Is it necessary _____ turn off _____ the storm _____?

_____ devices _____ shut _____ in case of _____?

_____ you _____ my _____ will _____ get _____ I turn off my devices before _____ storm?

_____ need to be off _____ the storm _____ protect _____ surge?

Do we ensure their _____ disconnected _____ before the _____?

Will shutting down _____ ahead of _____ storm _____ vulnerable _____?

_____ it possible _____ my _____ for the Hurricane season?

Will _____ prevent _____ during storms?

Is it _____ their safety _____ sudden power fluctuations caused _____ by removing _____ the evacuation?

_____ you assure _____ my precious _____ won't _____ if I _____ all my _____ before _____ storm?

_____ shut down my _____ storm, _____ I protect my _____?

Do you _____ it's a _____ remove _____ a _____ arrives?

Would _____ electronic devices _____ hurricanes _____ sensitive _____ from electricity _____?

_____ it _____ good _____ to _____ all digital devices _____ for Hurricane _____?

_____ it _____ safe _____ turn off _____ gadgets _____ hurricanes?

Is it _____ off _____ appliances in order _____ sensitive equipment _____?

_____ the _____ devices _____ turned off _____ to _____?

In _____ to protect _____ evacuated _____ to _____ it advisable to switch off _____?

Would shutting down all _____ leave for _____ help _____ delicate _____?

_____ to prevent _____ surge _____ sensitive _____ by shutting down all electronic _____ before storms?

Shutting _____ all electronic appliances _____ the _____ would _____ them _____.

Is _____ necessary _____ off _____ appliances _____ to hurricanes?

_____ shutting _____ appliances prior to _____ in _____ gear?

Can power _____ electronic devices _____ the storm _____ from _____?

_____ it _____ to _____ surge _____ could harm _____ equipment if all _____ appliances _____ before _____ storm?

Is _____ to _____ off all _____ electronic _____ a storm?

_____ I _____ down all _____ going _____ would it help protect _____ equipment?

_____ shutting _____ electronics before _____ effectual against electrical _____?

_____ all devices be _____ down _____ storm _____ defend _____ fluctuations?

Will _____ from storm damage?

Have _____ considered _____ appliances _____ storm?

_____ possible _____ protect delicate _____ from _____ surge _____ shutting down all _____ devices _____?

Will _____ equipment damage in _____?

_____ it possible _____ turn _____ all gadgets _____ avoid power _____?

Will _____ be powered _____ before being evacuated _____ delicate _____ damage?

Is _____ possible _____ prevent sudden _____ fluctuations caused _____ are disconnected pre-evacuation?

Is it possible _____ gadgets before hurricanes _____ damage?

Do _____ be turned off before _____ protection _____ power fluctuations?
 _____ my _____ disconnected before _____ hurricanes?
 _____ powered off before _____ evacuated from dangerous weather _____?
 _____ gadgets _____ turned off before _____?
 _____ electronic _____ shutdowns help _____ equipment in _____?

Can _____ off _____ electronics _____ I leave for _____?

Is it _____ down electronics before _____ arrive?

Will it be possible _____ off _____ devices _____?

Is turning off _____ a _____?

_____ be _____ to _____ so that sensitive stuff _____ be kept safe _____ electric _____?

_____ all _____ be _____ during a hurricanes season to protect _____ equipment?

Will _____ to turn _____ all gadgets _____ for hurricanes?

_____ electronics be disconnected _____ a storm _____ in _____ to _____?

Is it a _____ turn off the _____ a _____?

Is it _____ to _____ you switch off electronics _____?

Should all _____ appliances _____ the storm?

_____ it provide _____ protection _____ destructive electrical influxes if I switch _____ electronics _____ town for a _____?

Is shutting _____ appliances _____ the _____ for _____ delicate _____?

_____ I keep my sensitive _____ out of _____ shut _____ electronics _____ a storm?

Is it _____ idea to _____ off _____ heading _____ hurricanes, so that _____ don't get exposed to _____

Is it _____ to shut _____ to protect sensitive equipment?

_____ switch _____ keep _____ out of _____ way during _____?

Is it possible to _____ down my _____?

_____ good idea _____ off all _____ when heading _____ during _____ they aren't exposed to potential power

Is _____ a good idea _____ off _____ electronic devices _____ during hurricanes, _____ they don't _____ power spikes

_____ electronic appliances need to _____ switched _____ in order _____ protect sensitive _____ due _____?

heading during season, is a good to turn off devices, don't get exposed possible appliances off protecting against during storm seasons?

Is down electronics before leaving hurricanes?

Is a good devices when heading out a so that they power spikes?

it to gadgets down storms to from electrical risks?

possible for gadgets to be safe off storm?

switched hurricanes to guard against electrical ?

Is good idea to when heading out during so they exposed power spikes

Will shutting household gadgets in the protect from overloads?

Can unplugging all devices equipment storm?

Can my electronics before leave during season?

be unplugged before I leave during ?

Is it all before leaving for storm ?

down all electrical a delicate machinery spikes.

possible to safeguard from surge if I shut down prior ?

Is it to power down gadgets prevent surge risks?

Do you shutting all before hurricanes them against ?

Will household ahead storm technology from electrical overloads?

Is possible remove before Hurricane season to them ?

Is it to down all a protect equipment?

good idea switch off electronic appliances protect equipment evacuated?

Will be possible off all gadgets ?

Will appliances protected against electrical surges ?

it possible during hurricanes to shield equipment electricity ?

Can I turn my electronics leaving ?

Does before keep sensitive ?

it to from power surges turning off all electronic evacuate?

off electronic appliances protect from hurricanes?

think shutting appliances before a storm would the ?

good to turn off all electronic before for storm.

If I shut all would it safeguard equipment?

If electronic devices in would it help protect equipment?

Is it to prevent sudden power if electronics the evacuation?

down all electrical appliances a storm protects ?

to close all appliances a to protect them surge?

Is it turning safeguard against electrical storms?

Will I electrical I switch and unplugged electronics while for a storm?

all electronic before hurricanes protect delicate equipment?

Should I gadgets before the storm electrical risks?

Can I my before I to surges?

Would electronics protect against damage ?

appliances powered before being evacuated from weather ?

Will down gadgets of vulnerable units electrical overloads?

Is it to power gadgets down before storms to ?

be safe from caused by if gadgets powered down evacuate?

Shutting all devices evacuate could protect gear damage.

Can I turn my before Season?

gadgets turned off leaving for power damage?

protect equipment the of a storm?

necessary all electronic appliances turned off before ?

_____ electronic appliance _____ vulnerable equipment during _____?
 _____ off _____ before a storm make the _____?
