

[Demo] NLP Dataset for Customer Service Automation

Company Type	Car Dealerships
Inquiry Category	Vehicle specifications and features queries
Inquiry Sub-Category	Safety Features
Description	Customers inquire about available safety features such as airbags, anti-lock braking system (ABS), traction control, blind-spot monitoring, lane departure warning, and advanced driver-assistance systems to ensure their safety and the safety of their passengers.
Data Size	5,006 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Car Dealership" customer inquiry. (Purchased data will not be masked.)

_____ of your cars _____ standard airbags, ABS, _____ traction _____?
 Is _____ safety equipment _____ traction _____ the trims _____ the _____?
 All trims of _____ safety-related features, _____ as ABS _____ control.
 Do you believe _____ your cars _____ control and/or other _____?
 _____ the trim level _____ the same _____ an air _____ traction _____?
 Is each _____ safety equipment, such as: _____?
 _____ control, anti-skid, and ABS _____ the trims _____?
 Is all trims _____ equipment, _____ and traction?
 Is _____ that _____ car models come _____ features such _____ traction _____?
 _____ anything from _____ to traction in _____?
 Are _____ equipment, _____ traction _____ in all _____?
 Is _____ safety _____ anti-skid and _____?
 Do you think _____ safety _____ brakes, _____ and airbags?
 _____ it _____ to _____ all trims with _____ that are _____ bag, armory, and _____?
 _____ a guarantee _____ option includes _____ brakes, airbags, and/or traction?
 _____ all _____ equipped _____ equipment, _____ as _____ and traction?
 Is _____ equipment, _____ as anti-drift and traction?
 Do you _____ your _____ trims _____ traction _____?
 _____ anti-skid _____ control _____ your trims?
 _____ every car _____ include _____ traction _____ and _____ other _____?
 Did you _____ that your _____ include _____ anti-theft systems and _____?
 All _____ your trims have _____ airbags, _____?
 Is _____ trims _____ safety _____ including _____ and traction?
 Are _____ features such as safety equipment _____ control _____ trim _____?
 _____ the _____ and traction control included?
 Is _____ possible for every _____ to _____ with _____ airbags, _____ control?
 Will the _____ level have the _____ features, such as _____?
 _____ every _____ have anti-ballistics, _____ other safety equipment?

Safety belts, _____ air bags can be found _____ vehicle.

Are safety _____ and _____ in all _____ of _____ vehicle?

Anti-theft _____ control are some of _____ features your _____ come _____.

Is _____ safety equipment, such _____ air bag, _____ ABS, _____ traction?

Standard _____ equipment _____ and traction control can be _____ trims.

_____ trim levels _____ the _____ can _____ safety features, _____ the ABS and _____.

Does _____ trim have safety _____ and traction?

Are _____ control, _____ and ABS included _____ the trims _____?

Did _____ know that the safety _____ and _____ control _____ be found _____?

_____ every _____ have protection like ADAS or _____?

Will all _____ safety _____ anti-skid _____?

Is the _____ anti-lock brakes _____ traction included _____?

_____ trim _____ safety equipment, _____ anti-theft and traction?

_____ car model _____ traction control _____ other features?

Will _____ option _____ anti-lock brakes _____ traction be _____ for _____?

Is _____ model _____ protection such as ADAS _____ traction _____?

_____ to know if _____ with features _____ safety features _____ traction control.

_____ equipped _____ safety equipment, _____ as the anti-theft _____ and _____?

_____ know your trims come _____ air _____ traction _____?

_____ every trim equipped _____ safety equipment _____ Absorbers, _____?

Is _____ such as a car alarm _____ traction?

_____ cars you _____ standard features _____ and traction control?

Is each _____ equipped with _____ equipment, _____ a airbags, _____ or _____?

_____ each _____ equipped _____ and Traction?

Did you _____ that your car _____ like _____ and traction _____?

Safety gear _____ bag, skid plates _____ traction control can _____ found _____ vehicle.

Some trims _____ some _____ do all trims have _____?

Do _____ think that _____ anti-lock _____ traction control, _____ airbags?

Is all _____ safety equipment, _____ and _____?

Is _____ trim _____ with _____ like _____ and traction?

_____ all _____ safety _____ anti-skid, and traction?

_____ it true that _____ car _____ come with features _____ traction _____.

The _____ level may _____ the _____ features, _____ air _____ brakes _____ control.

Can every car _____ have _____ traction control _____ safety _____?

All trims _____ your _____ safety features _____ air _____ traction control.

Does _____ vehicle trim _____ stock _____ anti-lock _____ and basic _____?

Does _____ trim _____ safety _____ as: anti-drift _____ traction?

_____ there features such as _____ and traction control _____ of _____ vehicle?

Did you _____ that _____ belts, _____ control, _____ other safety _____ available _____ car trims?

_____ car model involved with _____ and more?

_____ levels of your _____ have _____ features such _____ the ABS _____ traction _____.

Did you know that _____ have _____ such as _____ and _____?

Is _____ with safety equipment, such _____ traction?

Do you _____ that your _____ have _____ brakes, traction _____ protective _____?

_____ each _____ anti-ballistics, _____ and other safety equipment?

Did you know that your _____ have _____?

Are safety equipment and _____ all of _____ trim levels _____?

_____ car model _____ with the anti-ballistics, _____ safety equipment?

Did _____ know _____ the _____ your car _____ bags and traction _____?

Did _____ trims contain _____?

____ safety ____ such as ____ traction ____ can ____ in your vehicle's ____.
 ____ there ____ that ____ trim choices include vehicles ____ and ____ control?
 Is ____ trim equipped with safety equipment ____?
 Does ____ have the ____ brakes ____ traction for ____ trims?
 Is every car ____ and traction control?
 ____ your models could ____ safety ____ anti-theft devices ____ control.
 Is ____ trim ____ with safety equipment, ____ the ABS, and ____?
 ____ trim equipped with ____ such as a airbag, ____?
 Will ____ trims have the ____ air ____ and traction control?
 ____ trims ____ the same features ____ as an ____ bag or ____?
 ____ there a ____ that all ____ vehicles with ____ or ____ control?
 ____ all car ____ have features such ____ and traction control?
 Is every car ____ like ADAS ____ control.
 Is ____ car model ____ with ____ traction controls, ____ other ____?
 Do your ____ come with ____ bags, ____ control, ____ safety equipment?
 ____ believe that your ____ has ____ brakes, ____ and an ____ bag?
 Will the ____ have the same ____ an air ____ and ____?
 Is ____ equipped with safety equipment, such ____ airbags, ____?
 ____ trim ____ with ____ equipment, for example, ____ traction?
 All trim levels of ____ vehicle can ____ features, including ____.
 ____ that ____ car's ____ include traction ____ and air bags?
 Are ____ car model equipped with ____ control?
 Does ____ car model include ____ other safety ____?
 Does ____ car have ____ and other ____?
 Did you ____ car trims can ____ like anti-theft systems ____ traction ____?
 ____ each trim ____ such as: ____ and traction?
 Is ____ included in ____ trims?
 Is ____ vehicle ____ such ____ anti-alias and traction?
 Are the ____ like air bags ____ traction ____?
 All ____ of your vehicle ____ include safety ____ bag, skid plates ____.
 ____ everything ____ a car ____ equipped with ____ traction control?
 Is every car model covered ____ protection ____?
 ____ the ____ such as ____ bag, traction control, ____ included?
 ____ air bags, brakes ____ traction control the ____ trim ____?
 ____ trim ____ with ____ equipment, ____ brakes, ____ and Traction?
 ____ devices or ____ some ____ the ____ features that ____ could include.
 traction control, anti-skid, ____ are ____ in ____?
 airbag, ____ and traction control ____ in the ____?
 ____ all car models ____ features ____ brakes, ____ bags, ____ traction control?
 Is ____ a chance ____ trim option ____ vehicles with ____ or ____?
 ____ the ____ equipped with safety equipment, ____ a airbag, ____ ABS, ____?
 ____ your models ____ safety features ____ as anti-theft ____ or traction ____.
 Is ____ safety equipment ____ traction ____ trim ____ of the vehicle?
 ____ trim ____ air bags and ____?
 Does ____ vehicle come ____ air bags, ____ control, ____ control ____ equipment?
 ____ trim ____ safety ____ like ____ Absorbers, and Traction?
 ____ control, anti-skid, ____ in the ____?
 The trim ____ an air bag, brakes, or ____ control.
 ____ a ____ whether ____ option includes vehicles with ____ apsuments, or ____ control.
 ____ standard features like ____ air ____ traction ____ and ABS ____?

Is _____ a _____ the trims _____ with brakes, apsurments, or traction _____?
 _____ know if _____ have _____ car stability _____ and traction control?

Is there a _____ includes _____ brakes, apsurments, _____ traction control?
 _____ there is a _____ brakes and _____ control _____ the _____ levels.

Is _____ with _____ that _____ with _____ air bag, _____ and traction?

Anti-theft _____ control are features _____ could _____ found _____ all _____ your _____.

All trims of _____ have _____ gear _____ the air bag, _____ and _____.

Is _____ equipped _____ equipment such as _____ and _____?

Do _____ that your _____ anti-lock brakes, _____ control, and/or _____?
 _____ every car model covered _____ and so _____?

Is _____ brakes, _____ traction in all _____?
 _____ each _____ safety equipment, such _____ and traction?

Standard safety equipment _____ seatbelts, anab, and _____ control _____ available _____.

Is there a guarantee _____ every _____ a _____ brakes, apsurments _____ traction _____?

Do _____ come with air bags, car _____ and _____?
 _____ traction _____ anti-skid, and _____ included _____ trims _____ have?

Is _____ trim _____ with safety equipment, _____ traction?
 _____ each _____ safety equipment like _____ and traction?
 _____ levels of _____ have air bag, _____ plates and traction _____.

_____ wonder if _____ is _____ bag, brakes _____ traction control _____ trims.

Should you have _____ on your _____ trims?

What _____ models _____ anti-freeze, and _____ control as _____?
 _____ vehicle come _____ variety _____ safety equipment _____ as air _____ car stability control, _____ traction _____?
 _____ your _____ trims include _____ control and air bags?

All trim _____ of your _____ can _____ gear like _____ plates, _____ traction _____.

_____ vehicle trims _____ stock _____ anti-lock _____ and basic stability systems?
 _____ covered by _____ equipment, _____ as anti-drift _____ traction?
 _____ every _____ model connected _____ anti-ballistics, traction _____ on?
 _____ trims _____ same features, such as an _____ ABS brake, _____ control?
 _____ it _____ to have standard _____ ABS, _____ traction control?
 _____ your _____ have air _____ and traction control?

Is the _____ control included in _____ trims _____?

Are _____ trims equipped _____ control?

Standard safety equipment in your _____ include _____ and _____.

_____ every _____ option include _____ with _____ apsurments, and _____?

Is _____ model _____ with _____ likeADAS _____ traction?

I wonder _____ I _____ find _____ brakes _____ traction control on _____.

_____ model come _____ protection likeADAS or traction _____?

Can _____ trims _____ included with _____?
 _____ you have all of _____ trims _____ control?

Is _____ anti-skid, and ABS _____ in _____ trims _____ car?

Is _____ equipped with _____ equipment, like _____ traction?
 _____ you _____ and traction control _____ your _____ trims?
 _____ cars have safety _____ automatic braking, _____ traction _____?
 _____ trims _____ your _____ can have _____ features, such _____ theABS _____ traction _____.

_____ such as seatbelts, anab, _____ traction control can _____ on _____.

_____ trims of your vehicle _____ safety gear such _____ plates, _____ control.

_____ trim _____ of _____ are there _____ equipment and traction control _____?

_____ your _____ come with _____ variety _____ safety equipment, _____ air bags and _____?

All trims of your vehicle have _____ and _____.

____ you know ____ vehicles have safety ____ and ____ control?
 ____ safety equipment ____ control standard in ____ trim level of ____?
 ____ every car model ____ with ____ like ADAS ____ control?
 Is ____ guaranteed ____ every trim option ____ brakes, airbags, ____ traction ____?
 Did you ____ that your ____ trims can ____ traction control?
 ____ the same features, like an air ____ traction control?
 Are the ____ included, ____ air ____ traction control?
 Is ____ vehicle ____ with ____ traction control and ____ safety ____?
 ____ you ____ have anti-lock brakes, ____ control and air ____?
 Do all car models ____ such ____ injury and ____ control?
 ____ every ____ model involved ____ anti-ballistics, ____ Controls, and many ____?
 ____ items that ____ included in ____ air bag, airbags, and ____?
 Did ____ know that the ____ your ____ safety systems like ____ belts and ____ control?
 Is there an ____ of ____ and ____ trims?
 I ____ if ____ standard airbags, brakes and ____ trim level.
 ____ trim ____ with ____ anti-lock and traction?
 Is ____ available ____ equipment ____ traction?
 ____ every car ____ traction ____ and other things?
 Does each ____ model ____ anti-ballistics, ____ and so ____?
 ____ each ____ with ____ equipment ____ as ____ or traction?
 ____ include ____ bags, ____ stability control, ____ traction control?
 ____ safety ____ traction control, and ____ bags can ____ found ____ all trim levels ____ your ____.
 ____ levels of ____ there safety ____ and ____ control standard?
 Are ____ features ____ control standard in all trim ____ of ____?
 Did ____ know that your ____ can include ____ systems ____ A/B ____?
 ____ possible ____ all ____ include ____ airbags to traction?
 ____ there a ____ set of features ____ and ____?
 ____ there a standard bag, ____ traction ____ all ____?
 All ____ your ____ have safety ____ air bag, skid plates, and traction ____.
 Does ____ variant have ____ components such as airbag systems ____?
 I ____ if there ____ air bag, ____ and traction ____ the ____.
 ____ it ____ that ____ trim ____ safety equipment, ____ brakes, ____ traction?
 Is there a ____ trim levels of the vehicle?
 ____ your ____ have a variety ____ such ____ air ____ and ____ control?
 Does ____ car ____ traction ____ many other things?
 ____ every ____ of ____ equipped ____ protections ____ traction control?
 Do ____ cars come with ____ of ____ equipment, such as ____ bags, ____ stability control, ____?
 ____ like to ____ all ____ everything ____ airbags to traction.
 Can ____ confirm ____ the ____ option has ____ as well as the ____?
 ____ trim ____ of the vehicle can ____ safety ____ like ____ bag, ____ traction ____.
 ____ possible all ____ everything from airbags to ____?
 ____ vehicles have various safety ____ like ____ belts, automatic ____ and ____?
 ____ trim equipped ____ equipment like anti-drift or ____?
 Do ____ vehicles have ____ as ____ belts, automatic braking and ____?
 ____ every car models ____ traction control ____ safety equipment?
 Is ____ and traction ____ all ____ levels of ____ vehicle?
 ____ the trims ____ with safety equipment, ____ and ____?
 ____ all ____ available with safety ____ air, and ____?
 ____ include air ____ and traction ____ in ____ of your vehicle.
 Did you know that ____ includes ____ and ____?

Is _____ certain _____ includes vehicles with _____ apsurments, _____ traction _____?

Is _____ with _____ traction?

_____ equipped _____ equipment, including brakes, _____ and traction?

_____ same features such as _____ air bag, brakes, _____ tractioncontrol.

Do _____ come _____ a _____ safety equipment _____ air _____ and traction control?

_____ with _____ equipment, like _____ anti-alias and traction?

_____ each trim _____ with safety _____ such as _____?

Should _____ have _____ control and _____ in _____ trims?

_____ and traction control are safety-related _____ that _____ levels of _____ vehicle.

_____ you _____ your car trims can _____ like A/B _____ traction _____?

What if the safety equipment _____ your _____ trims _____ seatbelts, _____?

_____ you believe _____ has _____ brakes, traction _____ and _____?

_____ the trim _____ have the same features, _____ as _____ air _____ control?

_____ each vehicle equipped with _____ such _____ and _____?

_____ option for _____ brakes _____ available _____ all trims?

Do your vehicles _____ safety _____ traction control?

_____ equipment in your _____ seatbelts, anab, and traction _____.

Is _____ an air _____ brakes, or _____ control _____ trim _____?

_____ that all trims have the _____ type _____ protection _____ Traction _____?

Did you _____ your _____ trims _____ systems _____ as A/B _____ traction _____?

_____ the trims _____ car have traction _____?

_____ the standard _____ like airbag, _____ traction control _____.

Are _____ air _____ car stability control, and _____ control?

_____ every car _____ covered by _____ so on?

Did _____ car _____ have options for _____ traction control?

_____ trim level _____ have the same _____ like _____ air _____ brakes, _____.

_____ each _____ with safety equipment, such as _____ alarm _____ device?

_____ you _____ that your _____ include anti-lock brakes, traction _____?

_____ control and _____ safety features _____ found on your _____.

Is _____ from _____ traction in all _____ trim?

_____ have traction _____ on all _____ vehicle models?

Do your car's safety _____ include air _____ control, _____?

_____ all of _____ models _____ protection _____ or traction control?

Is it possible _____ every _____ traction control, _____ the like?

_____ all trim _____ of _____ vehicle _____ with _____ and _____ control?

Does each _____ stock _____ anti-lock braking, _____ stability systems?

Is _____ trims _____ with _____ equipment, ass _____ traction?

_____ it possible _____ find _____ equipment, anti-skid, and _____ all _____?

Is _____ trim equipped _____ safety _____ theABS, and _____?

_____ it _____ to have the _____ of _____ and _____ for _____ trims?

Do _____ your _____ safety _____ like anti-skid and _____ control?

Can _____ have _____ equipment, _____ asABS and _____?

Did _____ that your _____ the option of _____ such _____ anti-skid and _____ control?

Did _____ car _____ safety systems like anti-theft _____ and _____ control?

Is each _____ equipped with _____ equipment _____ Absorbers, _____?

Is _____ equipped with _____ antialias and traction?

Is there _____ include vehicles _____ brakes, apsurments, _____ traction control?

Does _____ come with a _____ of _____ equipment such as safety _____ and _____?

_____ trim has _____ equipment like _____ Absorbers, _____ Traction?

_____ a _____ that _____ with brakes, _____ and _____ are included in all _____?

Air _____ control _____ safety features in _____ of your vehicle.
 _____ all _____ models _____ with features _____ as _____ traction control?
 _____ it _____ for _____ to include _____ from _____ to traction?
 _____ cars _____ standard features like _____ devices _____ traction control?
 Is _____ that _____ model _____ protection _____ and traction control?
 All _____ your _____ gear including air _____ skid plates and _____ control.
 _____ equipment _____ control _____ included _____ trim levels of a vehicle?
 _____ traction control, anti-skid, _____ ABS _____ your _____?
 _____ control, _____ and ABS are included _____?
 Is _____ possible _____ have _____ and _____ in _____ trims?
 _____ the _____ air bag _____ traction control included?
 Is _____ that every trim _____ includes _____ with brakes, apsurments, _____?
 Is every _____ model _____ traction _____ and other _____?
 Is it _____ trim _____ includes vehicles with brakes, _____ control?
 _____ all trims _____ with _____ and traction?
 _____ trims _____ items that _____ included in the vehicles, such _____ traction.
 _____ a guarantee that _____ includes _____ with _____ apsurments _____ traction control?
 _____ all of the _____ with _____ and traction?
 _____ your cars have _____ trims?
 Is each _____ with safety _____ a airbags, the ABS, _____?
 _____ your cars have _____ equipment _____ as safety _____ and traction _____?
 Is EVERY car _____ and traction control?
 Is _____ control _____ included in every _____ of _____ car?
 _____ every vehicle _____ bags, anti-lock braking, and _____ stability _____?
 _____ all trims _____ safety _____ and _____?
 Is _____ possible that _____ everything _____ to traction?
 Are there _____ and traction control _____ all _____ of _____ vehicle?
 _____ the trim level _____ features, such _____ an air bag, _____ brakes _____?
 Did you know _____ have safety _____ as A/B and _____?
 Standard safety equipment _____ your _____ and traction control.
 _____ you _____ that your car _____ have _____ for _____ systems _____ traction control?
 _____ traction control, _____ the trims your car _____?
 Is _____ possible to have _____ in all _____ trims _____ car?
 Is all _____ equipment, assimined, and _____?
 Does each trim _____ that _____ brakes, Absorbers, _____?
 _____ the _____ safety _____ such as anti-drift _____ traction?
 Do _____ traction _____ every trim _____ your car?
 _____ your car has anti-lock brakes, _____ control _____ air _____?
 All _____ a _____ are there _____ equipment _____ control standards?
 _____ trims _____ same features, such _____ traction control _____ an _____ bag?
 _____ know that _____ car _____ like anti-theft systems and _____ control?
 _____ the _____ like _____ bag, traction control, and _____?
 _____ trims involved _____ bags, bics _____ traction?
 _____ your _____ have anti-lock brakes, traction _____ and _____?
 Will the _____ have the _____ features like ABS _____ and _____?
 _____ trim equipped _____ safety equipment, such _____ airbag, the _____?
 Will _____ trim level have the same features _____ air _____ control?
 Is _____ standard _____ brakes, and traction _____?
 Are _____ control, _____ like included _____ the trims?
 _____ safety equipment such _____ a airbags, the ABS _____ traction?

Is it _____ every trim option includes _____ with _____ control?

Do _____ car trims have _____ and traction _____?

Does _____ have _____ equipment, such as _____ and _____?

Are each trim _____ with safety equipment, _____?

Is _____ model _____ anti-ballistics, traction control, _____ safety equipment?

_____ the _____ anti-lock brakes and _____ for all _____?

Do _____ believe _____ has anti-lock brakes, traction _____ bags?

_____ it possible _____ have traction _____ standard safety features _____ all _____ your _____?

What _____ equipment such as seatbelts, _____ and traction control?

Is there _____ of the trims include vehicles with brakes, _____?

_____ have traction control _____ all _____ your car _____?

_____ traction control _____ included _____ every _____ your car?

_____ your vehicles _____ air bags, car _____ control, _____ and _____?

Is all _____ equipped _____ safety _____ such _____ traction?

Do you know _____ comes with _____ car stability _____ traction control _____ safety _____?

_____ trim _____ and traction?

_____ every car model equipped _____ like _____ traction _____?

Is each _____ fitted _____ safety equipment _____ as _____?

_____ stock frontal bags, anti-lock brakes, _____ basic stability _____?

_____ trim _____ and traction?

_____ and standard safety _____ in all of your _____?

Is _____ a _____ that all trims _____ a _____ or traction _____?

_____ trim levels _____ your vehicle can _____ safety _____ such as bags, _____.

_____ if I _____ the _____ brakes and _____ control on the _____.

_____ trims available _____ safety equipment, _____ traction

Is _____ trim equipped _____ safety equipment _____ anti-drift _____?

_____ anti-skid, _____ and _____ like included _____ trims _____ have?

_____ have safety features _____ as anti-smog and _____ control.

Does your _____ come _____ air _____ control, _____ traction control?

_____ model of vehicle _____ like ADAS and _____ control?

Is all trims _____ with _____?

_____ all _____ with bags, bics and _____?

Is _____ model _____ anti-ballistics, _____ and so forth?

_____ model _____ have protection like ADAS _____ traction control?

_____ trims of _____ can _____ safety features, including _____ belts, and _____.

All _____ your _____ feature safety features, _____ anti-smog _____ traction _____.

Is there a guarantee _____ all _____ vehicles with _____?

Will _____ trims have _____ such _____ air bag _____ traction control?

_____ have the same _____ like an air bag, _____ control?

_____ trims _____ of _____ but are _____ true that _____ trims also _____ Control?

_____ your trim _____ have _____ control?

Does _____ have protection _____ and _____?

Will the _____ level have _____ features like _____ bag, brakes, _____?

Do _____ vehicle's safety _____ bags, car stability _____ control, _____ more?

Is _____ a _____ trim choice _____ with _____ apsurments, and _____ control?

Is _____ equipment, including brakes, _____ and Traction?

_____ included with _____ bags, bics and _____?

Is _____ trim equipped _____ equipment, _____ as _____ and _____?

Is every _____ option guaranteed to include _____ with _____?

Is _____ safety _____ and _____ control built _____ of _____ vehicle?

Does each ____ trim have ____ braking, ____ basic stability ____?

Does ____ protection like ADAS and traction ____?

____ car models come with ____ as airbags, ____ control, and ____?

Are the ____ features like ____ ABS ____ control ____?

____ traction ____ anti-skid and ABS included ____ your ____?

Anti-smog and ____ are ____ features ____ could ____ found in ____ of ____.

Can you ____ me if all ____ have ____ traction?

____ if your vehicle's ____ have seatbelts, and, ____?

Is each trim with ____ brakes, ____ and ____?

Is ____ with safety equipment, ____ and traction?

____ models ____ with protection like ADAS and ____ control.

____ that ____ come with safety systems like A/B ____ control?

____ the ____ an ____ bag and traction control ____?

____ your ____ trims ____ standard safety equipment such as seatbelts, ____?

Are your ____ equipped ____ car stability control, ____ and ____?

Is ____ equipped ____ safety equipment, ____ brakes ____ traction?

____ anti-skid ____ ABS included in your ____?

Does every ____ along with ____ and basic stability systems?

____ vehicles' ____ have ____ safety ____ such ____ seatbelts, and ____ control.

____ you know ____ the trims ____ control and air bags?

____ each ____ safety features like ____?

____ seatbelts, ____ and traction control included in ____?

____ each model ____ equipment, such as ____ and ____?

____ each ____ fitted with ____ equipment, including ____ and ____?

Is ____ trims equipped ____ safety ____ traction?

Are safety ____ and ____ in ____ levels ____ the vehicle?

Is ____ equipped ____ equipment, ____ as airbags, ____ or ____?

Did every ____ have ____ and traction ____?

Can you ____ control ____ standard safety features ____ cars?

____ the cars that you drive have the ____ traction control ____?

____ that ____ car trims have safety ____ like ____ traction control?

____ equipped with ____ such ____ anti-lock and traction?

Is ____ trim equipped with ____ such ____ a ____ as well ____?

Is there ____ option ____ vehicles with brakes, ____ or ____ control?

____ you know ____ car trims ____ air ____ and traction ____?

Will the ____ level have the ____ like ____ air ____ brake, and ____?

Does ____ the trims ____ your vehicle ____?

____ equipment, such as ____ traction ____ be found ____ your vehicle's trims.

____ trims ____ the same ____ such as ____ air bag, ____ or ____?

If ____ vehicles' ____ have standard safety equipment ____ control ____ systems?

____ car model include anti-lock, traction ____ so ____?

Is it ____ all car ____ with ____ safety gear and ____ control.

____ vehicles ____ variety ____ equipment ____ air bags and car ____ control?

Do you think that your cars ____ airbags?

____ vehicles have a ____ of safety equipment ____ car ____ and traction ____?

____ trims have ____ same ____ equipment, ____ and traction?

____ confirm if ____ control and other ____ the trim option?

Anti-theft ____ traction control, ____ could ____ found in all ____ models.

Are ____ equipment and ____ standard found ____ all ____ of ____ vehicle?

Did ____ that your vehicle ____ include ____ air bags?

Is _____ possible _____ get safety equipment, _____ in all _____?

_____ if I can find standard _____ and _____ in _____ level.

_____ there _____ all trim options include cars with _____ control?

_____ all cars equipped with _____ control?

_____ every _____ a vehicle with brakes, apsurments, and/or traction?

_____ each _____ safety equipment, such as anti-alias _____?

_____ the _____ level have the same _____ like _____ bags, _____ control?

All _____ of your vehicle can have safety gear _____ air _____.

Do all _____ models _____ like _____ and the like?

_____ your vehicles come _____ a variety _____ safety _____ such _____ car stability _____ traction _____?

_____ you _____ are air bags _____ in your _____ trims?

Do _____ variety of safety _____ like _____ bags, _____ and traction control?

All _____ your models _____ safety features, _____ and traction _____

_____ of _____ models _____ come _____ safety _____ like _____ control as standard.

Will _____ and _____ be available _____ trims?

Anti-theft _____ or traction _____ be features _____ your _____.

Is _____ safety _____ such as brakes, Absorbers, and _____?

_____ the cars _____ have _____ such _____ anti-theft devices _____ traction _____?

Is _____ car model _____ traction control _____ things?

_____ with _____ including brakes, Absorbers and Traction?

_____ you know your _____ trims _____ systems like _____ and _____?

Is _____ involved with anti-Ballistics, _____ and _____ safety _____?
