

[Demo] NLP Dataset for Customer Service Automation

Company Type	Automotive manufacturers
Inquiry Category	Vehicle complaints and quality concerns
Inquiry Sub-Category	Safety-related Defects
Description	Customers identify safety-related issues, such as faulty airbags, seatbelt malfunctions, or issues with electronic stability control, risking severe injuries or fatalities if not resolved promptly.
Data Size	5,094 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Automotive manufacturer" customer inquiry. (Purchased data will not be masked.)

Has ____ occurred ____ models ____ revealing ____ alarming ____ hinting at widespread ____ lives?

Is ____ on similar ____ have ____ manufacturing flaws that could threaten ____?

Does ____ reveal ____ manufacturing ____ that ____ a ____ safety?

Were ____ subjected ____ which ____ expose the ____ of faulty production?

____ could ____ that manufacturing ____ putting lives at ____.

Are there ____ manufacturing mistakes that endanger ____ safety ____ been ____ comparable ____?

____ you ____ to make ____ they don't have manufacturing ____ pose ____ risk?

Has ____ been ____ investigation into comparable ____ did ____ indications of manufacturing ____?

Do ____ comparable models rule ____ flaws ____ pose ____ risk ____ people's ____?

____ it possible ____ on similar designs ____ that ____ be dangerous?

We ____ know ____ testing, which failed to expose excessive ____ production ____ lives.

Has ____ done ____ to find out if manufacturing flaws ____ safety?

You know if testing ____ been ____ finding ____ mistakes that ____ our ____.

____ on similar ____ uncover alarming patterns that ____ life-threatening ____.

Testing on ____ models ____ alarming patterns ____ defects.

Have model ____ manufacturing ____ that ____ lives?

Did ____ of ____ models reveal any serious patterns ____ that ____ people's ____?

____ on vehicles like this one that found ____ endanger the ____ of passengers?

Has there ____ investigation ____ comparable ____ that ____ grave indications ____ manufacturing errors?

Has testing ____ models to rule out production flaws ____ pose ____ to ____?

Have ____ carried out on ____ that show ____ trends ____ manufacturing ____ that ____ be ____ threatening?

____ without revealing ____ patterns may ____ putting ____ at risk.

Did ____ indicate ____ factory ____ lives?

____ any ____ hazardous manufacturing ____ that were ____ in ____ models?

____ it ____ that ____ on similar designs ____ reveal ____ that would ____?

____ there ____ testing done on ____ to ____ if ____ errors ____ a risk to our lives?

____ that ____ testing ____ related ____ didn't expose major concerns?

Testing ____ have ____ manufacturing errors.

_____ tests on similar _____ find manufacturing _____ endanger lives?

Is it _____ to test the _____ models _____ more _____ that _____ lead _____?

Is _____ extensive _____ to check for manufacturing errors _____ could pose _____ to our _____?

Has _____ been an _____ into _____ to reveal _____ of _____ mistakes?

_____ without _____ may _____ manufacturing mistakes _____ putting lives at _____.

_____ tested, but _____ about production errors endangering _____ occurred?

Testing on _____ models hasn't shown _____ that _____ errors.

_____ on some _____ without revealing _____ might indicate manufacturing _____ lives at _____.

_____ testing done _____ similar _____ while hiding _____?

_____ it true _____ testing happened on models _____?

Is _____ testing on similar _____ not uncover _____?

_____ it possible _____ tests on _____ designs _____ carried out _____ warnings about _____?

If _____ on _____ without finding serious manufacturing _____ endanger our safety, _____?

_____ be testing _____ models _____ alarming _____ could lead to manufacturing errors that endanger _____.

Were _____ done that _____ uncover tendencies _____ mass-production _____?

_____ testing been _____ similar models to determine _____ pose _____ to safety?

_____ on similar models _____ revealed more _____ show _____ errors that endanger _____.

Is testing _____ on _____ prototypes while _____ potentially _____?

Were _____ testing carried out on _____ models to check for manufacturing _____ that _____ a _____?

Were _____ any _____ done on comparable _____ there were no manufacturing _____ that _____ be _____?

_____ the examination of _____ models revealing widespread _____ lives?

Is it true _____ were _____ models without _____ concerns?

_____ tests _____ done _____ out production flaws _____ pose _____ to people's safety?

_____ on similar vehicles may _____ manufacturing _____ pose _____ risks.

_____ similar designs without revealing _____ that _____ endanger lives were _____ out?

_____ related _____ could expose _____ manufacturing _____.

_____ of _____ show _____ serious _____ of manufacturing _____ that could _____ fatal?

Have _____ any tests _____ other vehicles like _____ one that _____ manufacturing issues _____ endanger _____ of _____?

_____ testing of comparable models show _____ that could _____ people's _____?

Is it _____ that _____ carried _____ similar _____ without _____ trends that risked _____?

Have _____ shown _____ flaws _____ cause deaths?

Is _____ testing _____ without _____ worrisome patterns that _____ cause _____ errors that will endanger _____?

_____ the _____ show _____ serious _____ suggesting _____ that _____ endanger people's lives?

Without revealing troubling _____ some models _____ manufacturing mistakes _____ at risk.

_____ there _____ testing on _____ cars to find _____ potentially life-threatening _____?

_____ revealing _____ suggest manufacturing _____ are putting lives _____ risk.

Is _____ possible _____ evaluations on _____ prototypes didn't _____ tendencies towards _____?

Is _____ possible that _____ on _____ same _____ trends that _____ lives?

_____ of _____ show _____ evidence of _____ manufacturing mistakes _____ might _____ people's lives?

Did testing of models _____ patterns _____ manufacturing mistakes _____ endanger _____?

_____ similar _____ manufacturing flaws _____ endanger _____?

Is _____ on akin _____ while hiding _____ inconsistencies?

_____ similar model _____ show manufacturing _____ endanger lives?

_____ possible _____ tests on _____ designs were _____ without mentioning trends _____ could _____?

Did you conduct _____ similar _____ find _____ errors _____ could endanger _____?

Were other _____ subjected _____ which _____ reveal patterns _____ production?

_____ didn't uncover _____ alarming _____ that _____ to life-threatening defects.

Is there _____ testing done on _____ sure manufacturing _____ life _____?

_____ testing _____ the same models _____ lead _____ manufacturing _____ will endanger lives?

_____ been _____ make sure _____ flaws don't pose _____ risk _____ people's safety?

_____ tests that showed _____ flaws that _____ lives?
 _____ ever _____ tests _____ other vehicles _____ one and discovered manufacturing _____ that _____ endanger _____ of passengers?
 _____ other _____ tested to _____ if there _____ any _____ flaws that _____ risks?
 _____ you _____ if testing _____ has found manufacturing mistakes that _____ our _____?
 _____ done on _____ automobile prototypes without _____ tendencies _____ mass-production errors?
 _____ on similar _____ revealed more alarming _____ that indicate _____ manufacturing _____.
 The _____ could _____ hazardous manufacturing errors.
 _____ there been assessments on models _____ to _____ manufacturing _____ that pose _____?
 Has _____ been done on _____ to _____ there are manufacturing _____ that pose _____ risk _____?
 Have _____ other vehicles like _____ one and found manufacturing issues _____ could _____ safety _____?
 _____ testing on comparable models done _____ mistakes that _____?
 _____ revealing troubling _____ manufacturing mistakes _____ lives at risk.
 _____ on related _____ did not _____ major concerns risk hundreds _____ lives?
 Does _____ done on comparable models _____ serious manufacturing mistakes _____ endanger _____?
 _____ on similar _____ more _____ patterns that _____ manufacturing errors jeopardizing _____.
 _____ car models _____ their _____ patterns _____ lives at risk?
 _____ suggesting _____ manufacturing _____ that might endanger the lives of people?
 _____ there _____ into _____ units _____ doesn't reveal _____ of manufacturing blunders?
 Can you _____ me if testing _____ for _____ appliances that _____ not revealing _____ trends _____ might _____?
 _____ testing been done on similar _____ to see if _____ are _____ risk to _____?
 Has _____ been _____ investigation _____ comparable units _____ grave indications of manufacturing _____?
 _____ any findings that pointed _____ production errors _____ lives occurred?
 Is _____ possible _____ similar car _____ not _____ tendencies pointing _____ dangerous mass-production _____?
 _____ there a _____ that _____ life threatening manufacturing _____?
 Is _____ true that _____ hid _____ defects?
 Have _____ done on _____ models that might expose _____ safety?
 Is _____ indicates wide-scale manufacturing defects compromising _____ that _____ were _____ to?
 Testing _____ similar models _____ more alarming _____ manufacturing errors _____ lives.
 Testing _____ car models may _____ bigger _____ of _____ mistakes _____ safety and lives.
 We _____ if _____ subjected _____ testing, _____ didn't _____ the faulty _____ threatening lives.
 _____ show _____ of manufacturing _____ that might _____ people's lives?
 _____ not revealed any more alarming patterns _____ errors.
 _____ done _____ comparable _____ production flaws don't _____ risks to people's safety?
 _____ any tests done on comparable models _____ sure manufacturing _____?
 Is _____ testing on _____ same _____ that _____ lead to _____ endangering _____?
 _____ models _____ any alarming _____ errors endangering lives occurred?
 _____ were _____ to see if there were _____ could endanger _____.
 _____ examination of similar _____ serious _____?
 Testing on _____ models has _____ alarming _____ of manufacturing _____.
 Similar models _____ tested; _____ findings _____ production _____ endangering lives _____?
 _____ done _____ on other vehicles _____ this one to _____ manufacturing issues _____ safety of _____?
 _____ testing _____ models _____ any serious _____ manufacturing _____ that could _____ people's _____?
 Did testing of comparable _____ any _____ patterns _____ might endanger people's _____?
 _____ if _____ testing was done on alike vehicles _____ that _____ lives?
 _____ testing has been _____ comparable models _____ finding _____ mistakes _____ endanger _____ safety, you _____ mean.
 _____ patterns may suggest that manufacturing mistakes are putting _____.
 _____ anyone have testing _____ vehicles _____ may _____ manufacturing defects _____ pose _____ risks?
 _____ the _____ similar _____ widespread manufacturing _____ that endanger lives?
 _____ tests been _____ comparable models to _____ out production flaws _____ risk to _____?
 Similar _____ were tested _____ see _____ any _____ that endanger lives.

Were _____ serious patterns _____ that might _____ people's lives?
 _____ you _____ tests on _____ like this one that _____ endanger _____ safety of passengers?
 _____ there been _____ tests _____ similar _____ might have _____ manufacturing _____?
 Do _____ model tests reveal _____ endanger _____?
 _____ there _____ investigation into similar _____ that _____ grave indications of _____?
 Have _____ done tests on other _____ like this one _____ could _____?
 _____ extensive _____ be done on _____ models to check for _____ a risk to _____ lives?
 Testing on _____ models without revealing _____ may hint _____.
 Is _____ that _____ on similar designs _____ out without revealing the _____?
 Is _____ any _____ done on comparable models _____ if there _____ errors _____ our lives?
 Is _____ comparable units that _____ reveal grave _____ manufacturing errors?
 _____ testing of _____ models reveal any _____ mistakes _____ endanger the _____ of people?
 _____ some models without revealing _____ patterns _____ suggest _____ putting _____ in danger.
 _____ possible that _____ on _____ models didn't _____ many _____ defects?
 Is there _____ the _____ models without more alarming _____ that _____ at _____?
 Is testing _____ on _____ without major _____ lives?
 _____ there any testing _____ on alike _____ that _____ major _____ could _____ lives?
 Is _____ that tests on _____ did _____ reveal _____ that _____ lives?
 If _____ been done _____ comparable models _____ manufacturing _____ endanger our safety _____ correct?
 _____ has _____ revealed more alarming manufacturing errors.
 _____ other models subjected to _____ which _____ not _____ the _____ production?
 Have you _____ other _____ to make _____ don't have _____ pose _____ serious _____?
 _____ any extensive _____ done on _____ models _____ errors that _____ pose _____ risk to _____ lives?
 Were _____ any _____ done on comparable _____ make _____ manufacturing errors weren't _____ to our _____?
 _____ autos with no _____ of _____ are tested?
 _____ some _____ without revealing _____ patterns might _____ mistakes are _____ at risk.
 Similar _____ tested and any findings _____ errors endangering _____?
 _____ were tested and there _____ patterns _____ hazardous _____ errors.
 _____ any testing _____ vehicles _____ manufacturing defects that _____ safety _____?
 _____ on _____ models without revealing _____ may _____ manufacturing _____ are putting lives _____.
 Have _____ done on similar models _____ make _____ production _____ do _____ pose a _____ to _____?
 Testing has been done _____ comparable _____ mistakes that endanger _____?
 If _____ on _____ without finding serious manufacturing mistakes that _____ is this correct?
 Have _____ checked similar _____ manufacturing _____ pose a _____ risk?
 Testing on _____ didn't reveal _____ to manufacturing errors.
 Has study _____ manufacturing _____ that endanger lives?
 _____ ever _____ on other _____ one and _____ issues _____ could jeopardize the safety of passengers?
 _____ models without revealing _____ suggest manufacturing mistakes are _____ lives _____ risk.
 Any alarming _____ endangering lives occurred after _____ tested?
 Have _____ done _____ showing alarming _____ manufacturing _____ that could be life-threatening?
 _____ done _____ comparable models to find out _____ manufacturing flaws _____ to safety?
 Testing _____ models didn't _____ alarming _____ that pointed _____ defects.
 Were any tests _____ comparable _____ to _____ errors that could endanger _____?
 _____ similar _____ widespread manufacturing defects that _____ lives?
 Is _____ true that tests _____ similar _____ didn't _____ trends _____ could _____?
 Is _____ did not uncover _____ pointing towards dangerous mass _____?
 Has _____ been _____ into similar _____ failing _____ indications of _____ blunders?
 _____ done on similar automobile _____ not _____ pointing _____ dangerous mass _____ errors?
 _____ models with similar _____ to show _____ mistakes _____ could be life threatening?
 _____ models _____ to _____ which failed _____ show _____ pattern of _____ production?

_____ similar models _____ many manufacturing _____ endanger lives?
 _____ it _____ that _____ similar models didn't _____ dangerous _____?
 _____ it _____ that evaluations on _____ automobile prototypes _____ not _____ mass-production errors?
 _____ troubling patterns, _____ may suggest manufacturing mistakes are _____ lives _____ risk.
 Have _____ vehicles _____ this _____ for manufacturing _____ that _____ endanger _____ safety of _____?
 Is there any testing _____ similar _____ that _____ show _____ that _____?
 Is _____ true _____ on _____ did _____ expose major concerns _____ lead to hundreds _____ lives?
 Were other models _____ testing, which failed to _____ signaling _____ production _____?
 _____ any testing on _____ models that _____ not lead _____ manufacturing _____ endangering _____?
 _____ there _____ testing _____ similar vehicles that might _____ defects _____ could _____ safety _____?
 _____ testing on _____ it _____ not _____ concerns that risked hundreds of _____?
 Is it possible that _____ on comparable automobile prototypes _____ towards _____?
 Is _____ possible that _____ tests _____ did _____ reveal the trends _____ risked _____?
 _____ your tests _____ mistakes that _____ lives?
 Did _____ tests _____ similar vehicles to _____ manufacturing mistakes _____ in danger?
 _____ tests _____ manufacturing defects _____ lives?
 _____ similar _____ reveal manufacturing flaws that _____ endanger _____?
 Is _____ testing _____ same _____ without _____ patterns that _____ lead to manufacturing _____ and _____ lives?
 _____ models _____ but no worrying patterns of _____ shown.
 Have _____ comparable models _____ out _____ that _____ risks to the people's safety?
 _____ done tests on _____ like this _____ there are manufacturing issues _____ the safety of _____?
 Is there any _____ might have exposed potential _____ flaws _____?
 Did _____ outcomes indicate _____ factory _____ lives?
 Is _____ done _____ models _____ flaws _____ pose a risk _____ safety?
 _____ comparable car _____ been examined for _____ issues _____ lives _____ risk?
 _____ model _____ manufacturing flaws?
 Has _____ testing on similar _____ there _____ defects that pose safety _____?
 _____ on _____ show manufacturing defects that _____ safety _____.
 Is there _____ alike _____ shows major problems that could _____ people's _____?
 _____ you do _____ vehicles to look for manufacturing _____ that put _____?
 _____ it possible _____ tests on _____ designs _____ carried out _____ warning about _____?
 Is it _____ carried out on _____ designs _____ trends _____ endanger lives?
 Have _____ any tests _____ other vehicles _____ this _____ and found manufacturing issues _____ could _____?
 _____ there any _____ done _____ that _____ exposed _____ flaws threatening safety?
 _____ testing been _____ on _____ models to _____ out _____ risks to people's _____?
 _____ you conduct _____ comparable _____ to _____ manufacturing mistakes _____ lives in _____?
 You know _____ been done _____ similar _____ finding serious manufacturing _____ that endanger _____?
 _____ there _____ testing _____ the _____ without _____ alarming patterns _____ could cause _____ errors?
 Does _____ of _____ models _____ widespread _____ defects _____ lives?
 Is _____ any testing on similar models _____ might have _____?
 _____ testing revealed _____ manufacturing flaws _____ pose _____ risk _____ safety _____ on comparable _____?
 _____ on _____ without _____ troubling patterns may suggest that manufacturing _____ risk.
 Similar _____ tested; _____ findings of _____ endangering _____ occurred?
 evaluations on _____ automobile prototypes _____ tendencies pointing towards _____ production _____?
 Is any _____ on similar models _____ might have _____ safety?
 _____ testing _____ comparable models show _____ serious _____ of manufacturing _____ could lead _____?
 _____ similar _____ did _____ uncover tendencies pointing _____ dangerous _____ errors?
 Testing on _____ manufacturing mistakes.
 _____ on some models, _____ troubling patterns, _____ mistakes _____ at risk.
 _____ there _____ testing on _____ cars that can _____ dangerous _____ failures?

Have ____ car models been examined for ____ inconsistencies ____ lives ____.

Were ____ models tested ____ flaws that ____ lives?

____ comparable models ____ signs of ____ that could endanger ____ lives?

____ testing ____ show ____ manufacturing mistakes ____ might ____ people's lives?

Did testing reveal ____ of ____ errors ____ might ____ people's ____?

____ you done any ____ other ____ this ____ that found manufacturing issues ____ endanger the ____ passengers?

Has ____ been ____ similar ____ manufacturing flaws that pose ____ risk ____ safety?

Similar models ____ tested ____ evidence of hazardous ____.

Testing ____ might ____ mistakes are putting ____ at risk.

Is it possible ____ weren't ____ aware of ____ risked lives?

Is there any ____ on ____ same ____ more ____ patterns ____ could cause ____ to endanger ____?

Did testing ____ models show ____ serious pattern of ____ mistakes ____ might ____?

____ troubling ____ testing may ____ manufacturing mistakes are ____ in ____.

____ the examination of ____ models reveal widespread ____ defects ____?

Is ____ any tests ____ similar ____ could ____ manufacturing flaws?

Did testing ____ serious patterns ____ manufacturing mistakes that ____ endanger ____?

____ done on comparable ____ rule ____ that pose risk to people's ____?

____ were ____ see ____ there ____ any patterns of ____ errors.

Has ____ examination of ____ manufacturing defects that ____ endanger ____?

Has ____ been done ____ to rule ____ flaws ____ pose risks ____ safety?

Do ____ tests ____ manufacturing flaws ____?

Is there any ____ on ____ vehicles that ____ major problems ____?

Testing ____ may ____ are putting lives at risk.

____ been ____ comparable models to ____ there ____ manufacturing flaws that ____ a ____ to safety.

____ comparable models ____ see ____ are manufacturing flaws that pose ____ safety ____?

If testing ____ on ____ without ____ mistakes ____ endanger ____ safety, you're right.

If ____ models were subjected ____ testing, did they ____ expose the ____?

____ tested to see if ____ were ____ dangerous ____ errors?

____ model tests revealed ____ flaws that ____ endanger ____?

____ has ____ done ____ without finding manufacturing ____ that endanger our safety ____ correct?

Testing on ____ models has ____ revealed more ____ hint ____ widespread ____ errors.

____ assessment done on ____ alike ____ potential ____ trends implicating jeopardized ____ due to broad ____?

Testing on ____ models doesn't reveal more ____ patterns ____ manufacturing ____.

Have comparable ____ been examined ____ see ____ there are ____ patterns ____ that ____ lives?

Is ____ that testing on related ____ didn't ____ major ____ that ____ lives?

Have ____ checked ____ models for ____ flaws ____ serious ____?

Does ____ examination of ____ reveal ____ manufacturing ____?

If you ____ tested other models, have ____ found ____ pose ____?

Is testing on ____ while hiding ____ fatal ____?

____ there any ____ on ____ may have ____ manufacturing flaws that ____ safety?

____ anyone have ____ on similar models that ____ manufacturing ____?

Were ____ on ____ car ____ uncovering tendencies that ____ to dangerous mass ____?

Is ____ any ____ on ____ same models with ____ patterns that could cause ____ that ____?

____ that ____ has been ____ models ____ serious manufacturing mistakes that endanger ____ safety.

Do ____ if ____ assessments carried out on ____ showed ____ trends of ____ mistakes?

____ on similar models didn't ____ warning ____ defects.

Testing on ____ models ____ not ____ more alarming patterns ____ widespread ____ lives.

Is ____ the same ____ not lead to manufacturing errors that will ____?

Were ____ done ____ automobile prototypes ____ didn't ____ tendencies ____ towards ____ errors?

Testing ____ similar ____ might have ____ flaws ____ safety.

There ____ potential ____ threatening manufacturing ____ in ____ tests ____ vehicles.
 Is ____ that other models ____ testing, which ____ to expose ____ threatening lives?
 I was wondering if the testing ____ manufacturing ____.
 Is ____ possible ____ tests on similar ____ carried out ____ revealing ____ on?
 Were ____ models tested ____ see ____ were any hazardous ____?
 Did ____ do ____ on ____ vehicles ____ potential manufacturing ____ that could ____?
 ____ of comparable ____ reveal ____ serious ____ manufacturing errors?
 ____ testing has been done ____ comparable models without finding manufacturing ____ our ____?
 ____ on similar ____ prototypes did ____ uncover ____ towards ____ mass-production ____
 Did testing ____ serious ____ manufacturing mistakes ____ might ____ lives?
 ____ testing ____ signs ____ manufacturing mistakes ____ endanger people's ____?
 Have similar ____ manufacturing flaws ____ could ____?
 ____ any testing on the ____ models ____ more ____ patterns ____ lead to ____ could endanger lives?
 ____ a testing outcome ____ identical models indicating ____ errors ____?
 ____ find ____ that could endanger lives when ____ models?
 ____ similar models for manufacturing ____ that ____ risks?
 Do ____ know ____ there have ____ on models that show ____ mistakes?
 ____ there any tests carried ____ comparable models to ____ manufacturing errors ____ could ____?
 ____ other models ____ testing, ____ failed ____ signaling faulty production ____ lives.
 ____ there ____ testing on the ____ without more ____ could ____ to manufacturing ____ that endanger ____?
 ____ might be ____ mistakes ____ testing ____ comparable models shows ____ serious patterns.
 Have you ____ other similar ____ make sure ____ free of ____ that ____ serious ____?
 Similar ____ tested, and ____ findings ____ production errors ____ lives ____?
 ____ been done ____ similar models ____ flaws that could ____ a risk to ____?
 ____ similar models ____ see if there are any manufacturing ____ pose ____?
 ____ you ____ any tests ____ like ____ see if there are manufacturing issues that ____ safety of ____?
 ____ tested; ____ alarming findings pointing ____ production errors?
 ____ there ____ models that ____ have exposed potential ____ flaws?
 ____ tests revealed manufacturing ____ that ____?
 Have comparable ____ been examined ____ lives at risk?
 Were ____ tests done on comparable ____ make ____ were ____ manufacturing errors ____ would endanger ____?
 ____ to testing ____ did ____ expose patterns of ____ production?
 Did ____ of comparable ____ any serious ____ might endanger people's ____?
 Is there ____ the ____ models ____ more ____ patterns ____ could cause ____ errors and ____ lives?
 ____ there any tests done on ____ to ____ if ____ flaws ____ safety?
 Do you ____ has been ____ comparable models, ____ finding ____ mistakes ____ endanger our ____?
 Is there ____ testing ____ the ____ that ____ lead to manufacturing ____ will endanger ____?
 Is ____ any tests done on the ____ that ____?
 Is there testing ____ the same models ____ more alarming ____ could ____ errors ____ lives?
 ____ any tests ____ done on models ____ could ____ exposed ____ that could ____?
 Is testing ____ on related models ____ concerns exposing ____?
 ____ testing has ____ on ____ models without finding ____ that endanger our ____ that ____?
 Have tests been done ____ models ____ make sure there ____ no production ____ a ____?
 Is ____ tests ____ done on ____ designs without ____ that risked lives?
 ____ tests ____ on comparable ____ to rule out production ____ people's safety?
 ____ any testing on ____ that ____ dangerous errors ____ manufacturing failures?
 Is ____ possible ____ evaluations didn't uncover ____ towards dangerous ____?
 ____ possible that ____ has ____ done ____ without ____ manufacturing ____ that endanger our safety.
 ____ the examination ____ endanger lives?
 We don't know ____ other models ____ testing, ____ did ____ faulty production _____.

_____ alarming findings _____ production _____ endangering lives _____ after _____ were _____?

_____ was done on similar _____ hiding fatal inconsistencies.

Is it possible _____ evaluations _____ automobile _____ did not _____ mass-production errors?

If testing _____ place _____ appliances, not _____ trends _____ might jeopardize public _____?

_____ that tests _____ designs were carried out _____ warnings _____ the _____?

Did testing on comparable models check _____ could pose _____ to _____?

_____ models with more worrisome patterns _____ could _____ to manufacturing errors?

There may be _____ the _____ models _____ more alarming _____ lead _____ manufacturing errors that _____ endanger _____.

_____ hiding potentially fatal inconsistencies?

_____ the _____ of similar _____ manufacturing _____ which endanger _____?

Is _____ on similar prototypes while _____ inconsistencies?

_____ there been assessments on _____ that _____ of manufacturing mistakes _____ life _____?

Is there any _____ flaws found _____ tests _____ similar _____?

Testing _____ not revealed _____ patterns of manufacturing error.

_____ know if _____ have been _____ carried _____ alarming _____ in manufacturing mistakes?

_____ any tests conducted on similar _____ might _____ manufacturing flaws that _____?

Were _____ models subjected to testing, which _____ to _____ production _____?

Were _____ on _____ without uncovering tendencies _____ could _____ to dangerous mass- _____?

Is _____ identical models that indicate _____ factory errors _____ lives?

If testing _____ been _____ comparable models _____ manufacturing mistakes _____ safety, _____ right.

Have _____ models been _____ they reveal disconcerting trends _____ at _____ manufacturing mistakes _____ life _____ risks?

Is there any testing _____ similar _____ to _____ manufacturing _____ not pose a risk _____?

_____ there _____ hidden while testing akin _____?

_____ similar _____ not _____ more troubling _____ hint at manufacturing errors.

Is _____ tests _____ similar _____ carried out _____ trends that could cause _____?

Testing _____ similar _____ didn't uncover warning _____ life _____.

_____ testing done on comparable _____ if there _____ any manufacturing _____ that _____ endanger our _____?

_____ possible _____ tests on _____ designs did _____ show _____ that _____ lives?

_____ you _____ models and _____ manufacturing errors _____ put lives _____ risk?

Did testing _____ patterns _____ mistakes that could hurt people's lives?

_____ examination of comparable models _____ manufacturing _____ endanger _____?

Were _____ done on _____ prototypes _____ uncover tendencies _____ dangerous _____ errors?

_____ you detect _____ errors _____ lives when _____ tested similar models?

Similar models were _____ any alarming findings _____ production _____ endangering _____?

_____ there any _____ results for identical _____ indicated critical _____?

_____ you _____ tests _____ similar _____ for manufacturing _____ that _____ endanger lives?

Is it possible _____ on similar _____ without _____ trends that could endanger _____?

Has testing _____ on models _____ see _____ there are _____ that _____ a _____ to _____?

Testing on similar _____ revealed _____ alarming _____ that _____ widespread manufacturing _____.

_____ other _____ models _____ make _____ there are no hidden _____ flaws _____ pose _____ risks?

_____ comparable _____ models _____ examined for _____ that _____ lives in danger?

_____ possible that evaluations _____ similar _____ prototypes _____ uncover tendencies pointing towards _____ mass- _____?

_____ some _____ without _____ patterns may show manufacturing _____ putting lives _____.

Did testing reveal any _____ manufacturing _____ endanger people's lives?

_____ there any testing on _____ without alarming _____ could _____ to manufacturing errors that _____?

Has there _____ any _____ models _____ exposed manufacturing flaws?

Have _____ models been _____ to _____ there _____ production _____ pose _____ risk to people's _____?

_____ on _____ cars to uncover _____ errors like _____ failures with _____?

_____ testing done on _____ models _____ alarming _____ of _____ threatening _____?

Testing on some models without revealing _____ might _____ mistakes are _____.

Evaluations on ____ automobile prototypes did ____ dangerous ____ errors?

Testing ____ similar models ____ not ____ more ____ patterns that ____ warn ____ widespread ____.

The ____ were tested ____ findings that pointed ____ production ____ endangering ____?

Testing ____ did not ____ alarming ____ that foretold ____ life-threatening ____.

____ there testing ____ on ____ that ____ show manufacturing ____?

Is ____ tests on ____ designs to not ____ that ____ endanger ____?

You know ____ models ____ not found manufacturing ____ that ____ safety.

Testing ____ without ____ troubling ____ may point to manufacturing ____.

Have ____ car models ____ their manufacturing ____ analyzed ____ if they ____ risk?

Were there ____ testing done on ____ to ____ if ____ were ____ errors ____ could ____ our ____?

Have ____ tests ____ flaws that ____ at risk?

Does testing ____ manufacturing ____ that pose ____ to safety?

____ testing on comparable ____ flaws ____ pose ____ risk to safety?

____ done ____ to ____ for manufacturing errors that could endanger our ____?

____ on similar models ____ not ____ alarming patterns ____ errors ____ could endanger ____.

____ there any tests done ____ make ____ did not ____ manufacturing errors ____ could endanger ____ lives?

____ on ____ vehicles ____ see if there ____ mistakes that ____ endanger lives?

____ you've ____ similar models, ____ any manufacturing flaws that ____ risks?

Have ____ done any ____ other vehicles ____ one that found ____ issues ____ could ____ of passengers?

____ any testing ____ identical ____ that show ____ errors that ____ lives?

____ there any testing ____ the ____ without troubling ____ that could ____ errors endangering ____?

____ testing been done ____ comparable ____ see ____ manufacturing ____ that pose a ____ to safety?

Is ____ that related ____ were ____ major concerns?

____ testing has been done on comparable ____ manufacturing ____ endanger our ____?

Is ____ testing on similar ____ uncover ____ life threatening ____?

Is it ____ that ____ related ____ not expose hundreds ____ to ____?

____ testing on similar ____ done ____ discovering life ____?

Have comparable car models been ____ that could put ____?

____ tests revealed manufacturing flaws ____ could ____ consequences?

Testing ____ models ____ uncover ____ alarming ____ life threatening defects.

Testing on similar ____ have ____ revealed ____ of manufacturing ____.

____ other ____ subjected ____ which ____ to expose patterns ____ production?

____ done on ____ models to determine ____ flaws pose ____ risk to ____?

Did ____ perform ____ on ____ to find manufacturing ____ lives in ____?

____ testing done ____ similar vehicles that ____ manufacturing ____ that ____ safety risks?

____ of similar ____ manufacturing defects that ____ lives?

____ you tell me ____ testing ____ for similar ____ and not revealing ____ that ____ jeopardize public ____?

Were there any testing ____ on ____ errors weren't dangerous?

____ were tested, ____ were no ____ patterns ____ manufacturing errors.

Testing on ____ models ____ of manufacturing errors endangers ____.

____ testing ____ akin prototypes ____ potentially fatal inconsistencies?

____ any tests ____ on comparable models to ____ there ____ could pose a ____ to ____ lives?

____ the testing ____ indicate ____ errors that ____ lives?

Is there ____ models that ____ exposed manufacturing flaws threatening ____?

____ on ____ models ____ revealed more alarming ____ that ____ lead ____ manufacturing ____.

Did ____ show ____ mistakes that might endanger lives?

Testing ____ without troubling ____ may ____ are putting lives ____ risk.

Were ____ out ____ similar automobile prototypes ____ uncovering tendencies ____ errors?

____ don't know ____ other ____ were subjected to testing, ____ expose ____ production.

Similar models ____ tested ____ they ____ of manufacturing errors.

Has an examination of _____ manufacturing _____ that _____?

Did _____ any serious patterns showing widespread _____ mistakes _____ might _____?

Is there testing on _____ manufacturing defects that _____ safety _____?

Were any _____ on _____ models _____ make sure _____ no _____ errors that _____ our lives?

_____ you done _____ on _____ vehicles like _____ one _____ found _____ issues _____ could _____ of passengers?

Is there any _____ on the same _____ more _____ that can _____ manufacturing _____ endangering _____?

_____ it _____ that testing _____ related _____ did _____ expose _____ would have _____ hundreds of lives?

There _____ be _____ manufacturing flaws uncovered _____ on _____.

Have _____ tested similar _____ and discovered _____ errors _____ put _____ risk?

Did _____ tests _____ similar _____ to _____ manufacturing mistakes _____ could _____ lives?

_____ on _____ prototypes was done while hiding _____ inconsistencies.

Is there _____ the same _____ for _____ that _____ endanger lives?

_____ tests _____ out production flaws that could endanger people's safety?

_____ on _____ same _____ has _____ more _____ hint at manufacturing errors.

_____ any testing _____ that might have shown manufacturing _____ threatening _____?

Is _____ on _____ designs _____ not revealed _____ trends _____ could endanger lives?

Is testing _____ on _____ prototypes and _____ inconsistencies?

Is it possible that _____ similar designs _____ without revealing _____ that _____ potentially _____?

_____ other _____ testing, which failed to expose patterns signaling faulty _____.

Have tests _____ done _____ comparable _____ to _____ production _____ that _____ people's safety?

_____ similar models _____ any manufacturing _____ that could _____ harm?

_____ performed tests on _____ this one and _____ manufacturing issues that could _____ the _____ of _____?

Testing _____ some models without revealing _____ may _____ mistakes are _____ lives _____.

Testing _____ similar _____ not uncover alarming patterns _____ widespread _____.

Testing on similar _____ not _____ alarming _____ errors _____ could endanger lives.

Is there any testing _____ without more _____ Patterns that could _____ manufacturing _____ endangering _____?

Did _____ conduct tests on _____ vehicles _____ find _____ mistakes that could _____?

_____ on _____ models _____ not _____ more _____ patterns of _____ errors.

Did testing _____ any _____ patterns that _____ widespread _____ mistakes _____ could _____ lives?

_____ that model _____ hid life-threatening manufacturing _____?

Have _____ test _____ flaws _____ endanger _____?

_____ similar _____ reveal more alarming _____ errors _____ could _____ lives.

Has _____ been _____ on _____ models that _____ have exposed _____ safety?

Have _____ models _____ examined _____ manufacturing _____ could endanger lives?

Did _____ of _____ models _____ any _____ manufacturing _____ that _____ endanger people's lives?

Have similar model _____ that put _____ risk?

Is testing done _____ manufacturing flaws _____ pose a risk _____ safety?

Is _____ true that _____ went _____ models _____ exposing _____ concerns?

Have similar models _____ they _____ disconcerting trends that _____ extensive _____ mistakes?

_____ been _____ on similar models _____ learn _____ there are manufacturing _____ pose _____ risk to _____?

Testing on comparable _____ without finding serious manufacturing _____?

Is there _____ similar models that may _____ manufacturing _____ threaten _____?

We _____ if _____ were _____ testing, which _____ to expose _____ signalling _____ production.

_____ the _____ models subjected _____ which failed _____ expose the _____ lives?

_____ on similar models has not revealed _____ that _____ lives.

_____ comparable models has not found _____ manufacturing _____ that _____ our _____?

Is it possible _____ testing _____ similar _____ didn't reveal _____?

Testing on similar models _____ reveal _____ alarming _____ manufacturing _____.

_____ for similar _____ revealed distressing _____ that _____ jeopardize _____ safety, could you please tell _____?

_____ on _____ did not _____ patterns that indicated _____ threatening _____.

_____ testing _____ indicate manufacturing _____ are _____ lives at _____.

Has there been any investigation _____ units that _____ manufacturing _____?

_____ do _____ to _____ for manufacturing mistakes that _____ endanger lives?

_____ tests been _____ on _____ models _____ rule out production _____ that _____ safety?

If testing has _____ done _____ comparable _____ without _____ serious _____ that endanger _____ that is _____.

_____ any _____ identical _____ indicating critical factory errors?

_____ may _____ concealed serious manufacturing _____.

Is testing on _____ major concerns exposing _____?

_____ been _____ on _____ models _____ are manufacturing flaws that pose a _____ to safety.

If testing _____ done on _____ manufacturing _____ that _____ our safety, you _____?

_____ examination of similar _____ revealed widespread _____ that _____?

_____ on some models without revealing _____ suggest _____ mistakes _____ at risk.

_____ there _____ on the _____ models _____ manufacturing errors that will endanger _____?

Has examination of _____ models _____ manufacturing defects _____?

Have you ever _____ similar models _____ found _____ that could _____?

Is it _____ testing _____ models did not _____ defects?

We _____ know if _____ subjected _____ which failed to _____ patterns _____ production.

Has there _____ tests _____ models _____ have shown manufacturing flaws?

Is there _____ similar _____ that concealed _____ defects?

_____ serious manufacturing mistakes _____ endanger our safety if _____ been done _____?

Is there any testing of _____ might _____ exposed _____?

_____ similar _____ sure they do _____ have manufacturing _____ that _____ serious risks?

_____ of _____ errors endangering lives _____ when similar _____ tested?

Any alarming _____ lives _____ the testing of similar models?

Has _____ tests revealed _____ flaws _____ endanger _____?

Were the _____ to _____ did not expose _____ patterns _____ faulty production _____?

_____ on similar _____ not revealed _____ alarming patterns _____ of manufacturing _____.

_____ any testing on _____ that might have _____ problems?

_____ testing on similar _____ uncovering life _____ defects?

Testing on some _____ revealing _____ manufacturing errors are _____ at risk.

Has an _____ models _____ defects _____ endanger lives?

_____ there _____ on the same _____ without more alarming patterns _____ lives?

Is _____ any _____ similar models that could have _____ manufacturing _____?

Have _____ manufacturing flaws that could be _____?

Is _____ testing done _____ akin _____ potentially fatal _____?

_____ on related models didn't expose _____ endangering hundreds of _____?

Are there _____ potentially _____ threatening _____ found _____ tests on _____?

_____ on _____ models revealing possible manufacturing flaws _____ risk to _____?

_____ on similar models has _____ revealed _____ more _____ patterns of _____ lives.

Is it _____ similar _____ did not _____ dangerous patterns?

Did testing _____ models show _____ serious _____ mistakes that might _____?

_____ comparable _____ patterns _____ flaws _____ pose a risk _____ safety?

Did _____ on _____ to _____ if there _____ manufacturing mistakes that _____ lives?

Testing _____ models _____ patterns of manufacturing errors endangering _____.

The models _____ and _____ alarming findings _____ production _____ endangering lives _____?

Similar models _____ worrying patterns of manufacturing _____.

Have _____ been any investigations _____ grave indications of manufacturing _____?

_____ similar tests _____ manufacturing flaws that _____?

_____ on _____ models has not revealed _____ patterns _____ hint _____ manufacturing _____

_____ tested _____ show worrying _____ of manufacturing errors.

_____ done on comparable _____ sure there are no production flaws _____ endanger people's _____?
 Is _____ possible _____ tests concealed _____ manufacturing _____?
 I _____ testing was done on _____ hiding _____ fatal _____.
 _____ on _____ models hasn't _____ alarming _____ of _____ errors _____ endanger lives.
 Were _____ extensive _____ on _____ models to check _____ manufacturing _____ that could _____?
 _____ testing _____ models show _____ patterns _____ manufacturing mistakes _____ could _____ lives of people?
 Testing _____ models has not _____ alarming patterns _____ manufacturing errors _____ could _____.
 _____ there _____ on the _____ model _____ more _____ could lead to manufacturing errors endangering _____?
 _____ testing for the _____ models without more _____ that _____ lead to _____ endangering lives?
 _____ on similar _____ didn't _____ alarming _____ that might show _____.
 Similar _____ were tested to _____ errors that _____ endanger lives.
 Any _____ similar cars to _____ manufacturing _____ potential _____ consequences?
 Similar _____ were _____ any _____ production errors _____ lives occurred?
 Similar models were _____ and any _____ that _____ production _____ endangering _____?
 I wonder if _____ on _____ while _____ potentially _____ inconsistencies.
 _____ tested similar models _____ manufacturing _____ that could endanger _____?
 _____ comparable _____ models been _____ for _____ manufacturing _____ putting _____ at _____?
 Is there _____ testing outcomes _____ show _____ factory _____?
 Testing _____ revealing _____ patterns might suggest _____ at risk.
 Were evaluations _____ on _____ prototypes _____ not _____ tendencies pointing _____ errors?
 Were _____ testing _____ prototypes while _____ fatal inconsistencies?
 _____ models to make sure they don't _____ manufacturing flaws _____ serious _____?
 _____ models _____ alarming _____ that pointed to life-threatening defects.
 If _____ were tested, any alarming findings _____ to _____ endangering _____?
 Were there _____ testing _____ similar models to _____ for manufacturing _____ lives?
 _____ tests _____ comparable models _____ out production _____ that could _____ dangerous?
 _____ you _____ have _____ assessments done on _____ that reveal disconcerting _____ of _____ life-threatening risks?
 Model _____ expose _____ endanger lives.
 A lack _____ troubling _____ indicate _____ are _____ at risk.
 _____ any _____ the same _____ with _____ patterns that could _____ manufacturing errors endangering lives?
 _____ wanted to know _____ subjected to _____ which failed _____ expose patterns _____ faulty _____ lives.
 _____ testing _____ that pose _____ risk to safety?
 Have you _____ tests _____ like _____ one and _____ manufacturing _____ that could _____ the safety _____?
 Testing on _____ models has _____ revealed _____ alarming patterns _____ errors _____ could _____.
 _____ is _____ on the same models without more _____ that could _____ errors that _____.
 Have you tested _____ to _____ sure there _____ flaws that pose _____?
 Have _____ other _____ like _____ and _____ manufacturing issues that could _____ safety _____ passengers?
 Were other _____ which _____ patterns that signaled faulty production?
 Have _____ tests been _____ similar models _____ might have _____ flaws _____?
 _____ models subjected _____ that failed _____ expose _____ production threatening _____?
 Have there _____ assessments done on _____ show _____ posing life-threatening risks?
 Is there _____ tests _____ that may _____ exposed _____ flaws _____ safety?
 _____ findings about _____ errors _____ while similar _____ were tested?
 Have similar _____ revealed _____ flaws _____ could _____?
 _____ know _____ other models were _____ testing _____ failed to _____ faulty production threatening _____.
 _____ tests revealed manufacturing _____ that could _____ deaths?
 _____ an _____ of _____ revealed widespread _____ defects _____ endanger lives?
 _____ there been _____ investigation _____ similar units _____ grave _____ of _____ gaffes?
 _____ tests been conducted on comparable _____ rule _____ flaws _____ might pose a _____ to _____?
 Have _____ car _____ been _____ for _____ problems _____ put lives at _____?

_____ any _____ of the same models _____ more alarming _____ to manufacturing errors _____ endanger lives?
 Testing _____ patterns _____ manufacturing mistakes are _____ lives at _____.
 Is _____ any _____ on the same _____ that _____ errors _____ endanger lives?
 _____ be life-threatening _____ flaws _____ in _____ similar vehicles.
 _____ some _____ troubling patterns may _____ manufacturing mistakes are putting _____ in _____.
 _____ similar models _____ manufacturing flaws that pose _____ risk?
 Has _____ been _____ similar _____ might have _____ manufacturing flaws _____ could endanger _____?
 _____ on _____ exposed _____ flaws that could endanger _____?
 _____ any tests done _____ comparable models _____ check _____ manufacturing errors _____ a _____ to our _____?
 The _____ were _____ any findings of _____ errors endangering _____?
 _____ you know _____ was _____ done on _____ models _____ for manufacturing errors that _____ endanger our _____?
 Is _____ on related models _____ expose major concerns?
 _____ you _____ any similar models that showed _____ production _____ that _____?
 Testing without _____ may _____ manufacturing mistakes are _____ lives _____.
 _____ there _____ on _____ vehicles that could _____ manufacturing defects _____ safety _____?
 _____ you tested _____ vehicles like _____ one _____ found _____ problems that _____ endanger the _____?
 Is there any _____ on the _____ models with _____ alarming _____ manufacturing errors _____ endanger lives?
 Is _____ any _____ done on _____ models _____ that _____ don't pose _____ risk to our _____?
 Is there _____ testing on _____ models without _____ alarming _____ cause manufacturing _____ that could _____?
 Have _____ been conducted on _____ models to make sure _____ are _____ people's _____?
 _____ show _____ serious patterns _____ suggest _____ manufacturing _____ that _____ endanger people's _____?
 Have tests _____ done _____ see if _____ flaws that _____ risk _____ people's _____?
 _____ it possible _____ on similar models _____ not uncover widespread _____?
 Have you _____ any tests on _____ and found manufacturing _____ could endanger _____ safety _____ passengers?
 _____ it possible _____ on similar _____ didn't _____ that might endanger _____?
 _____ you _____ conducted tests _____ vehicles like this one and found _____ could _____ of _____?
 Were _____ done on comparable models _____ errors that could pose _____ to _____?
 Have examination of _____ defects _____ endanger _____?
 _____ comparable car _____ for manufacturing _____ that _____ put lives at _____.
 Testing _____ suggest _____ mistakes are _____ at _____.
 Without _____ troubling _____ testing on some _____ manufacturing errors are _____ at _____.
 Did _____ models show _____ evidence of manufacturing _____ that _____ endanger _____?
 _____ it true _____ on related _____ not expose major concerns _____ hundreds _____?
 _____ models _____ to testing, _____ reveal _____ of faulty production threatening _____?
 Is _____ any _____ done on _____ models to _____ manufacturing _____ our lives?
 Have tests been _____ comparable _____ see if there are _____ that pose _____ risk _____?
 _____ similar _____ manufacturing defects that endanger lives?
 _____ similar models for manufacturing flaws _____ pose serious _____?
 Have tests been conducted _____ similar _____ to _____ are any _____ flaws that _____ a _____ to _____?
 Have _____ similar models and found _____ manufacturing _____ lives _____ risk?
 Has an _____ similar _____ widespread _____ defects?
 Is _____ model _____ flaws that risked lives?
 Did testing show any serious patterns _____ mistakes _____?
 _____ has not _____ alarming patterns of manufacturing _____.
 Has there _____ on similar vehicles _____ see _____ there _____ defects?
 Is it _____ model _____ hid _____ defects?
 _____ testing show any _____ of _____ that might _____ people's _____?
 Have _____ tests _____ on _____ models to see _____ exposed manufacturing _____?
 Have tests _____ done on similar models to rule out _____ flaws _____ safety?
 _____ any investigation _____ comparable _____ that _____ not _____ grave indications _____ manufacturing _____?

Testing _____ uncover any alarming patterns of _____ threatening _____.

Did testing reveal _____ serious _____ suggesting widespread _____ endanger _____ lives?

Have there _____ done on models with _____ mistakes that pose _____ threatening _____?

_____ subjected to _____ which did _____ indicating faulty production?

Has there been an _____ into _____ that _____ reveal _____ indications _____ mistakes?

_____ tests may have _____ life _____ defects.

_____ it _____ that _____ have had _____ manufacturing _____ put lives at risk?

Do _____ there have been assessments _____ models _____ alarming trends _____ manufacturing mistakes _____ threatening _____?

_____ similar models _____ revealed more shocking _____ that hint at _____.

_____ testing show _____ suggesting widespread _____ that could endanger people's _____?

_____ car _____ been _____ for hidden _____ defects that _____ lives?

You know if _____ has been done _____ similar _____ manufacturing _____ that endanger _____.

Can you _____ me _____ taken place for similar appliances that do _____ distressing _____ public _____?

Have _____ checked out _____ any _____ errors _____ could put lives _____ risk?

Did testing _____ models _____ patterns of manufacturing _____ would endanger people's _____?

So _____ testing has _____ done _____ comparable models without _____ mistakes that endanger _____?

Were there potentially _____ inconsistencies _____ while _____?

_____ you _____ models _____ see _____ they have manufacturing flaws _____ risks?

_____ tests may _____ manufacturing _____ lives.

Is there any _____ manufacturing flaws that _____?

Did _____ test _____ and _____ any _____ that could endanger _____?

Have testing been _____ on similar models _____ if _____ flaws that _____ risk to _____?

_____ testing done _____ comparable models _____ make _____ manufacturing errors do _____ a _____ to _____ lives?

Did you _____ tests on comparable _____ manufacturing _____ put _____ in _____?

_____ more alarming patterns _____ lead to widespread manufacturing errors.

_____ similar models _____ any manufacturing errors that _____ cause _____?

Were evaluations _____ on similar _____ prototypes without _____ tendencies _____ to dangerous _____?

_____ on some _____ may suggest manufacturing mistakes _____ putting _____ at risk.

_____ it _____ that _____ on _____ same designs _____ carried _____ without revealing _____ risked _____?

_____ revealing troubling patterns, _____ may _____ manufacturing _____ are _____ lives _____ risk.

Any alarming _____ regarding _____ lives _____ when the models _____?

It _____ manufacturing mistakes _____ putting lives at _____ revealing _____.

If _____ been _____ comparable models _____ finding serious _____ that endanger our _____ right.

_____ tests been _____ on similar _____ to make _____ are no production flaws that _____?

_____ there any _____ done on comparable _____ to _____ sure _____ errors _____ endanger _____?

_____ any serious _____ widespread manufacturing mistakes that might endanger _____?

_____ you conduct tests on _____ to find manufacturing _____ that _____ in _____?

_____ on similar _____ did _____ more _____ patterns that _____ widespread manufacturing _____.

Have any _____ done on similar _____ that _____ have _____ flaws _____ endanger _____?

Have comparable car models _____ examined for manufacturing _____ put _____?

_____ there any testing on _____ more _____ patterns _____ cause manufacturing errors that _____ endanger _____.

Testing _____ models _____ revealed alarming _____ that _____ endanger lives.

Is it _____ that _____ without revealing the trends that _____ endanger _____?

Were _____ models _____ to _____ expose _____ signaling faulty production?

_____ testing has _____ done on similar models, _____ serious _____ our safety, _____?

Without _____ testing may suggest _____ putting _____ at risk.

_____ on comparable vehicles to _____ there were _____ mistakes?

_____ testing _____ show _____ patterns of manufacturing mistakes that _____ people's _____?

_____ tests _____ done on models with _____ flaws?

Have you tested _____ vehicles _____ there are any _____ in _____?

Has ____ been done ____ models to ____ there are ____ that ____ a ____ to safety?

Were there ____ extensive ____ models ____ check for ____ that ____ pose a risk to ____ ?

____ tests done ____ similar ____ that might have ____ manufacturing ____ ?

Is it ____ tests ____ threatening manufacturing defects?

____ it ____ was performed ____ prototypes while hiding potentially ____ inconsistencies?

Is it ____ that ____ on related ____ concerns that risked hundreds ____ ?

____ similar models ____ revealed ____ alarming patterns that could lead ____ .

____ you ____ tests ____ similar vehicles ____ uncover manufacturing ____ lives?

Have tests ____ models to see if ____ production flaws ____ pose a ____ to ____ ?

____ it ____ that testing on related ____ not expose ____ endangering ____ of ____ ?

Do you ____ there have ____ assessments on ____ trends ____ manufacturing mistakes ____ life threatening ____ ?

____ testing been done on ____ models ____ rule out ____ flaws that ____ to people's ____ ?

____ that ____ tests concealed dangerous manufacturing ____ ?

Did you ____ tests ____ vehicles ____ check for ____ mistakes that ____ ?

____ testing done on ____ to check for ____ errors ____ pose a ____ to ____ lives?

Is ____ any testing done on ____ vehicles ____ problems that ____ endanger ____ ?

____ evaluations done ____ similar automobile ____ did not uncover ____ dangerous ____ errors?

Is ____ similar ____ not ____ trends that may endanger lives?

Is it ____ on similar models ____ uncover ____ patterns?

Testing ____ similar models did not ____ alarming ____ .

Is there a ____ test that ____ manufacturing ____ ?

Testing on ____ did not uncover ____ patterns ____ pointed to ____ .

Has testing ____ models to ____ are manufacturing flaws ____ a threat to safety?

____ investigation into comparable units that failed ____ grave indications ____ ?

Is there any ____ into ____ failed to reveal ____ manufacturing ____ ?

____ there any testing ____ models without ____ could lead to ____ errors endangering lives?

____ conducted on similar ____ that ____ exposed manufacturing flaws?

If ____ comparable models ____ found manufacturing mistakes ____ right?

Is it ____ related models ____ expose ____ concerns risking hundreds ____ lives?

Is ____ testing on the ____ alarming patterns ____ could lead to ____ errors ____ endanger ____ ?

____ testing ____ that it ____ not expose major concerns?

The models ____ and any ____ pointing to ____ endangering ____ occurred?

____ were tested, ____ no ____ manufacturing ____ were found.

____ know ____ testing on ____ models has ____ mistakes that endanger ____ ?

____ of comparable ____ any ____ patterns of ____ mistakes that may ____ lives?

Is ____ any testing on the ____ with ____ to manufacturing errors that will endanger ____ ?

You know if testing has been done ____ finding ____ manufacturing ____ safety?

If ____ taken ____ similar appliances ____ distressing trends ____ jeopardize ____ safety, could you ____ share?

If testing has ____ finding ____ mistakes that endanger ____ that's right.

____ patterns, it may ____ mistakes are putting ____ at ____ .

Is ____ models ____ subjected to ____ which failed to ____ threatening lives?

____ testing ____ done on ____ without ____ mistakes that endanger the safety, ____ ?

Is it possible ____ on ____ carried out without ____ trends ____ endanger ____ ?

____ similar models that might expose ____ flaws that ____ safety?

____ comparable ____ models ____ examined ____ manufacturing ____ putting lives at ____ ?

Have you ____ similar models to ____ free ____ hidden manufacturing ____ ?

____ this the ____ other models, ____ expose patterns ____ faulty production?

____ be ____ on the same ____ without ____ lead to manufacturing errors endangering lives.

Testing on some ____ revealing ____ patterns ____ mean ____ mistakes ____ at risk.

Were other models subjected to ____ to ____ patterns ____ faulty production ____ ?

Is _____ that _____ critical factory errors _____ lives?

Is _____ same models _____ patterns that could cause manufacturing _____ that could endanger _____?

_____ there any _____ the _____ models _____ patterns that could _____ manufacturing errors to _____?

Has _____ tests been done on _____ models that _____?

Similar model _____ serious _____ defects.

If _____ been done on _____ without _____ manufacturing mistakes _____ endanger _____ that's _____ right?

Is _____ that tests on _____ didn't reveal trends _____ lives at _____?

Has testing _____ done _____ similar models _____ see if _____ flaws _____ posed a risk _____?

Did _____ reveal any _____ patterns _____ widespread manufacturing _____ that _____ endanger _____?

_____ you _____ models to _____ are _____ from _____ flaws that pose serious _____?

Is testing done on resemblance _____?

_____ it true that _____ tests _____ manufacturing _____?

_____ wondered if the testing _____ related _____ hazardous _____.

Is it _____ that tests _____ similar _____ trends that _____ cause _____?

Have tests been _____ comparable _____ rule out _____ flaws that may pose a _____?

Has there _____ any _____ on similar models _____ manufacturing _____?

Is there any _____ outcomes _____ factory _____ lives?

Have tests _____ conducted on _____ models _____ if _____ are production flaws _____ to _____ safety?

Have any tests _____ done _____ models that _____ have _____ flaws that _____?

_____ possible that _____ on similar _____ did not uncover _____?

_____ it _____ to test similar cars to uncover _____ be _____?

Have there _____ into comparable _____ that did not _____ of _____ errors?

_____ any testing of _____ models _____ more alarming patterns _____ to _____ errors?

_____ tests may _____ flaws that endanger _____.

Without _____ testing on _____ models _____ show manufacturing mistakes are putting _____.

_____ similar models show _____ patterns that _____ endanger people's _____?

Is _____ any testing _____ comparable models to look for _____ errors _____ could _____ our _____?

_____ there ever been _____ on _____ might _____ manufacturing _____ that pose safety _____?

Testing on similar models _____ not _____ patterns _____ pointed _____.

Did _____ testing expose _____ dangerous _____?

_____ you _____ tests on _____ like this _____ and found _____ that _____ the safety _____ passengers?

_____ on comparable _____ any manufacturing _____ could pose _____ risk _____ safety?

Has _____ testing been done _____ similar _____ expose _____ defects?

It _____ mistakes _____ lives at risk by _____ revealing _____ patterns.

Testing _____ models _____ not revealed _____ patterns of manufacturing _____.

Do _____ models has found manufacturing mistakes _____ our safety?

Did you _____ tests on _____ vehicles to _____ that _____ endanger _____?

_____ test _____ vehicles _____ manufacturing mistakes _____ put lives _____ danger?

Were there any tests done _____ models _____ make sure there _____ errors that could _____ risk _____?

_____ widespread _____ defects that endanger lives?

_____ testing been _____ on _____ models _____ serious manufacturing mistakes _____ safety?

Have similar _____ tests _____ flaws _____ lives?

Is it _____ on related models _____ expose _____ concerns of _____ lives?

Similar models _____ but any _____ findings concerning production _____?

_____ wonder if _____ were subjected _____ failed _____ expose patterns signaling _____ production.

_____ were tested _____ not _____ worrying patterns of _____ errors.

Have you ever done _____ on other _____ and _____ that could endanger _____ of passengers?

Were other _____ to _____ that _____ possible wide-scale manufacturing defects _____ could _____?

Were _____ any _____ done on comparable _____ make _____ not endanger our _____?

_____ on similar automobile prototypes _____ did not _____ dangerous mass-production _____?

Were evaluations on _____ automobile _____ pointing towards dangerous _____?
 _____ on similar _____ worrisome patterns _____ pointed to _____ threatening _____.
 _____ testing on related models _____ expose _____.
 _____ any _____ same models _____ does not lead to manufacturing _____ that _____?
 Is testing _____ similarity _____ hiding _____ inconsistencies?
 Did testing _____ models _____ any _____ manufacturing mistakes that _____ endanger _____?
 _____ you _____ tests _____ comparable _____ to find _____ that could _____ lives?
 Have you _____ on other _____ one _____ found any manufacturing issues _____ endanger the _____ passengers?
 _____ any testing _____ on comparable _____ to make _____ didn't endanger _____ lives?
 Is there any testing done _____ see _____ manufacturing errors _____ could be _____?
 Has testing been _____ on similar _____ if _____ are _____ flaws _____ pose _____ risk to _____?
 Does the _____ similar models _____ endanger lives?
 _____ if _____ has been _____ on _____ without finding _____ mistakes that endanger _____ safety?
 _____ comparable models did _____ find _____ manufacturing mistakes that _____ right?
 Is _____ possible that _____ carried out _____ similar _____ without exposing trends _____?
 _____ models has _____ more _____ that _____ at manufacturing _____ that endanger lives.
 Have tests _____ on _____ suppressed critical signs _____ flaws?
 _____ show any _____ of manufacturing _____ could endanger _____ lives?
 _____ a _____ that hides life- _____ manufacturing defects?
 _____ has _____ shown more alarming patterns that indicate _____ errors.
 _____ other _____ subjected to _____ expose _____ pattern _____ faulty _____ that was threatening lives?
 Is _____ testing on similar _____ that might _____ manufacturing _____ that _____?
 _____ testing _____ comparable models without finding manufacturing mistakes that _____ our _____?
 So _____ has _____ models without finding manufacturing _____ that _____ our safety, _____?
 _____ other _____ subjected to testing that _____ to _____ threatening lives?
 _____ you perform tests _____ other _____ one _____ find _____ issues that could _____ safety of _____?
 _____ are _____ worrying trends implicating jeopardized safety _____ to _____ manufacturing _____ assessments _____ conducted _____ models _____.
 _____ any _____ on _____ same models without _____ patterns that could lead _____ endangering _____?
 Is there _____ that _____ wide-scale _____ defect compromising _____ safety?
 With more _____ patterns _____ could _____ to _____ endangering lives, _____ there any _____ same models?
 Do _____ reveal manufacturing _____ endanger _____?
 _____ testing _____ could expose hazardous manufacturing _____.
 Is it _____ model _____ concealed _____ threatening manufacturing _____?
 _____ reveal _____ manufacturing mistakes that could endanger the _____ of _____?
 _____ testing _____ any serious patterns suggesting _____ manufacturing mistakes _____ could _____?
 _____ you tell me if _____ for similar appliances _____ don't _____ that might jeopardize public _____?
 _____ on _____ while hiding fatal inconsistencies?
 Is there any testing _____ same _____ could lead to manufacturing _____?
 _____ evaluations _____ out _____ automobile _____ without uncovering _____ could lead to _____ errors?
 If testing _____ taken _____ for _____ appliances _____ distressing _____ that _____ jeopardize _____ safety, _____ please let _____ know?
 _____ there _____ same models without _____ patterns that _____ to manufacturing errors?
 Is there any testing on _____ models _____ flaws that could _____?
 Is _____ that _____ tests hid _____ defects?
 Similar autos _____ hints _____ severe assembly blunders _____.
 Testing _____ similar _____ not revealed _____ manufacturing errors that _____.
 _____ tested, _____ there were _____ patterns that suggested dangerous _____.
 Is there _____ on similar vehicles _____ may _____ manufacturing _____ posing _____?
 _____ possible that tests on _____ designs didn't _____ any _____ lives?

Is _____ on _____ more alarming _____ that could lead to manufacturing _____ endangering _____?

Similar models were _____ and _____ worrying patterns _____ manufacturing _____.

Were evaluations done on _____ didn't _____ pointing _____ dangerous _____ errors?

Did you _____ tests _____ vehicles _____ manufacturing _____ that endanger _____?

Has there _____ testing _____ similar _____ may _____ defects that _____ risks?

Is _____ possible _____ designs were carried out _____ trends that _____ lives?

Have _____ been _____ done _____ similar tendencies to reveal manufacturing _____ posing _____?

Is _____ that _____ to expose patterns signaling _____ production?

_____ testing done on comparable _____ without _____ manufacturing _____ our safety _____?

_____ that tests _____ carried out _____ designs without _____ trends _____ could endanger _____?

_____ testing of _____ models show any serious _____ that _____ people's lives?

Has there _____ investigation into comparable _____ that didn't _____ of _____?

_____ you _____ similar models _____ see _____ are _____ hidden manufacturing _____ serious risks?

_____ ever tested other vehicles _____ this _____ and _____ manufacturing _____ could endanger the _____ passengers?

_____ on similar _____ has not _____ alarming _____ of manufacturing _____ that _____ lives.

Similar _____ were tested; _____ shocking _____ about production _____ endangering _____?

_____ been done on similar models _____ if _____ are manufacturing _____ that _____ danger _____ safety?

Did you _____ on similar vehicles to _____ if _____ mistakes that _____?

Is _____ any _____ on _____ that might _____ exposed manufacturing flaws _____?

Did _____ done _____ to check for manufacturing errors _____ could endanger our _____?

_____ tested, but _____ no _____ patterns of manufacturing errors.

_____ there _____ on _____ same models that _____ lead to _____?

_____ potentially life threatening _____ in similar _____ that were _____.

Is there _____ evidence _____ manufacturing mistakes _____ endanger _____?

_____ there any _____ that shows _____ factory errors _____?

_____ there _____ on the _____ without _____ alarming _____ that could _____ manufacturing _____ that could endanger _____?

Have _____ conducted on _____ models _____ rule out _____ could endanger _____ lives?

Is _____ the _____ models without more worrisome _____ that _____ to _____ errors _____ lives?

Have _____ similar models _____ could _____ exposed manufacturing flaws?

_____ there been _____ done on models _____ similar _____ manufacturing _____ that pose _____ risks?

Is _____ possible _____ tests _____ similar designs were _____ out _____ trends _____ could _____ lives?

_____ there _____ tests on _____ have exposed manufacturing _____ endanger safety?

Did you conduct _____ vehicles _____ there _____ any manufacturing mistakes?

_____ model _____ manufacturing flaws _____ could lead to _____?

Have comparable car _____ been examined _____ put lives at _____.

_____ any _____ been _____ on _____ might have shown _____ flaws?

_____ tests _____ done _____ models _____ production flaws _____ see if they pose a _____ people's _____?

Is there _____ testing _____ the _____ without _____ alarming _____ could cause manufacturing _____ endangering _____?

_____ testing has _____ on comparable models without _____ manufacturing _____ endanger our _____?

_____ possible that _____ on _____ were carried _____ without revealing _____ endanger lives.

_____ you do _____ vehicles _____ see if there were manufacturing _____ that _____ lives _____?

_____ models been tested _____ rule _____ production _____ that _____ risks _____ people's _____?

_____ on similar _____ not _____ many _____ threatening defects.

Is it possible _____ test _____ to _____ failures _____ potentially _____ threatening _____?

Have _____ checked _____ and found _____ errors _____ endanger lives?

Have _____ been any _____ into comparable _____ failing _____ indications of _____?

Have _____ ever done _____ one, and found _____ issues _____ the safety of passengers?

Is there any testing on _____ models without _____ could _____ to manufacturing _____ could _____ lives?

_____ on similar _____ has _____ exposed _____ patterns _____ hint _____ manufacturing errors.

_____ on similar models _____ revealed more worrisome _____ manufacturing _____.

Were other _____ testing, which did not expose _____ of _____ lives?
 _____ has been _____ on _____ models _____ see _____ flaws that pose a _____ to safety.
 _____ of similar _____ any serious _____ that would endanger _____?
 _____ that tests were carried _____ on similar _____ without _____ trends that _____?
 Similar _____ tested _____ any _____ findings _____ endangering lives occurred?
 Has testing been _____ on _____ models to _____ are _____ flaws that _____ pose _____ to _____?
 Has testing been _____ on _____ out if there _____ flaws that _____ a _____ to _____?
 Were other _____ to _____ failed to expose patterns _____?
 _____ any serious patterns suggesting widespread manufacturing mistakes that _____?
 Have tests _____ done on models _____ there _____ production _____ pose _____ risk to _____ safety?
 Have _____ model tests _____ manufacturing flaws _____ cause _____?
 Have there _____ any investigations _____ units _____ to _____ indications _____ manufacturing _____?
 _____ testing on _____ models _____ may have exposed manufacturing flaws _____?
 Testing _____ similar _____ not revealed more alarming patterns _____ could have _____.
 Have there been _____ on _____ that _____ trends of manufacturing _____ could be _____?
 Is there _____ test that hid _____ defects?
 Any _____ of _____ that _____ lives?
 Is _____ on akin prototypes done _____ hiding _____?
 _____ there any _____ on the same _____ more alarming _____ could _____ manufacturing errors that _____?
 Is _____ an _____ units _____ to _____ grave indications of _____ gaffes?
 Has testing _____ done on _____ models _____ find _____ there _____ that _____ a risk to _____?
 Have tests _____ on similar _____ to _____ flaws that _____ safety risk?
 _____ while _____ potentially fatal inconsistencies?
 Were other _____ which did not expose _____ production _____?
 _____ you _____ models _____ manufacturing _____ that could pose _____ risk?
 Similar _____ may have _____ manufacturing _____.
 _____ model _____ revealed manufacturing flaws that _____ lives _____?
 Similar models were _____ any alarming findings related _____?
 Is there _____ tests done on _____ might _____ exposed _____ flaws that _____?
 Did you _____ tests _____ comparable vehicles to find _____ put _____ at _____?
 _____ the model tests shown manufacturing _____?
 Is _____ true _____ testing _____ models _____ expose hundreds of _____?
 _____ some _____ suggest manufacturing _____ are putting _____ at risk.
 _____ there been _____ on models with _____ reveal manufacturing mistakes that _____ threatening?
 _____ there any testing _____ models _____ could _____ flaws _____ safety?
 _____ been done _____ comparable _____ if _____ are manufacturing _____ that could pose _____ risk _____ safety.
 Testing _____ same models has not _____ alarming patterns _____ endanger lives.
 Testing on _____ models _____ troubling _____ manufacturing mistakes _____ putting _____ risk.
 Did testing on _____ car _____ show bigger _____ production _____?
 Has the examination _____ defects _____ endanger lives?
 Is the _____ on comparable _____ to _____ errors that could _____ a _____ our lives?
 Have _____ tested _____ to _____ are problems with _____ compromises our well-being?
 _____ model tests _____ manufacturing flaws _____ could _____ in _____?
 Is _____ that tests _____ the same _____ trends _____ risked lives?
 Testing _____ similar _____ didn't _____ alarming _____ that _____ indicate _____ threatening _____.
 _____ there testing on the _____ models without more _____ errors endangering lives?
 Is there any _____ similar vehicles _____ reveal manufacturing defects _____ pose _____?
 Did you _____ on comparable vehicles to _____ put lives _____?
 _____ there _____ investigation _____ similar units _____ failed to _____ grave _____ of manufacturing _____?
 _____ patterns, _____ models may show _____ are putting lives at _____.

Have _____ assessments done on _____ with similar _____ to _____ pose life-threatening _____?
 _____ true _____ testing _____ models didn't _____ major concerns _____ of lives?

Do testing _____ related _____ hazardous _____?
 _____ been _____ done _____ similar vehicles that _____ show _____ defects?
 _____ know _____ any testing was done _____ with findings _____ risked _____ lives?
 _____ of _____ show any serious _____ of manufacturing _____ could _____ lives?
 _____ on _____ models _____ not shown more alarming _____ suggest widespread _____.
 _____ it true that tests on related _____ did _____ that _____ lives?

Is _____ tests on _____ designs were carried _____ trends _____ could _____ lives?

Testing on similar models _____ not _____ indicate widespread _____ jeopardizing lives.
 _____ you know if _____ on _____ models _____ finding manufacturing _____ that _____ our _____ has _____?

Testing _____ uncover alarming _____ that showed life-threatening defects.

Were comparable _____ make _____ they didn't have _____ errors _____ could endanger _____?

Is _____ that tests on _____ designs _____ without _____ trends that risked _____?
 _____ there any _____ didn't reveal grave indications of _____ disasters?

Have similar _____ flaws that could _____?
 _____ model _____ revealed _____ flaws that _____ death?

Testing on _____ didn't show _____ of _____ defects.
 _____ on related _____ expose any _____?

If _____ has _____ done _____ without finding _____ that endanger _____ is that correct?

Is _____ any tests _____ on _____ that _____ have exposed manufacturing _____ endanger _____?

Any alarming _____ endangering lives?

Is _____ possible _____ tests _____ similar designs _____ reveal trends that _____ deaths?
 _____ testing _____ been done _____ without finding manufacturing mistakes that _____ safety, _____?

Have _____ done on comparable models to _____ production _____ that _____ endanger the _____?
 _____ car models have _____ see _____ they _____ the same manufacturing problems _____.
 _____ alarming _____ pointing _____ extensive _____ errors _____ occurred when the models _____?

Is _____ true that _____ took _____ on _____ models _____ exposing _____?

Have _____ been assessments done _____ models _____ alarming _____ mistakes that _____ be _____ threatening?

Has _____ any _____ done on similar vehicles _____ defects that _____ risks?
 _____ you _____ vehicles _____ this _____ and found manufacturing _____ that could _____ the _____ of _____?
 _____ on similar _____ did not uncover alarming _____ indicated _____ threatening _____.

Without revealing troubling patterns, _____ is _____ are _____ lives _____ risk.
 _____ on similar models hasn't revealed more _____ patterns _____ at _____.

Testing _____ models hasn't _____ more _____ of manufacturing errors that _____.

Have _____ models for manufacturing errors _____ could put _____?
 _____ there _____ testing _____ same models with _____ patterns that could _____ errors?
 _____ you know if testing _____ manufacturing mistakes that _____ safety?

Did _____ comparable _____ show any _____ manufacturing _____ could endanger the lives of _____?
 _____ alarming _____ about _____ errors endangering _____ occurred _____ similar _____ were tested?

Have tests been _____ comparable models to rule _____ could pose a _____ people's _____?

Were other models _____ testing, _____ didn't _____ signaling _____ production threatening _____?
 _____ tested, and any _____ findings related _____ production errors _____ occurred?

I _____ if _____ done on _____ to _____ for _____ that could endanger our lives.
 _____ a similar model test _____ concealed _____ defects?

Have you performed tests _____ other cars _____ this one that _____ issues _____ of _____?
 _____ testing _____ models that indicate critical factory errors _____ endanger _____?

While _____ potentially _____ inconsistencies was there testing _____?

Have comparable _____ been tested _____ manufacturing flaws _____ pose _____ risk _____?
 _____ there _____ testing _____ to check for manufacturing errors _____ could pose a _____ to _____?

Has _____ been any testing _____ on similar _____ show _____?

_____ similar cars _____ find _____ errors like manufacturing _____?

Testing _____ similar _____ may expose _____ defects _____ risks.

Have _____ tested other similar models _____ make _____ hidden _____ flaws?

_____ models were _____ no _____ patterns of _____ errors.

_____ it true that _____ models without exposing _____ concerns?

Testing _____ similar models didn't _____ patterns _____ pointed _____ defects.

Is there _____ testing on _____ models without more _____ patterns _____ could lead _____ errors _____ will _____.

Similar models _____ tested, _____ findings of extensive _____ errors endangering _____?

_____ may be _____ flaws _____ the _____ similar vehicles.

_____ comparable models _____ to extensive _____ to _____ for _____ errors _____ could _____ our _____?

Have there been assessments done _____ models that _____ of _____ posing life _____?

Are _____ done on _____ models without finding _____ endanger _____?

Is there _____ models without _____ worrisome patterns _____ could _____ to manufacturing errors _____ lives?

Testing on _____ signs of life threatening defects.

Have _____ been done on _____ models _____ production flaws _____ safety?

Have _____ similar models _____ see _____ there are _____ pose _____ risk?

_____ models _____ assessed to see if they _____ that _____ at manufacturing _____ posing _____ risks?

_____ models _____ tested to _____ production _____ that _____ endanger people's safety?

Did _____ of similar models _____ any _____ mistakes _____ could endanger people's _____?

Have similar models _____ tested to see if production _____?

Did _____ any models _____ patterns of _____ errors endangering people's _____?

_____ there any _____ on _____ vehicles _____ may reveal _____ defects?

Have you _____ models to check for _____ flaws _____?
