_____ important _____ and update _____ network _____.
_____ do we _____ check our home _____ software _____ regularly?
_____ it _____ the home network to _____ updated?
_____ do we _____ check for updates _____ equipment's software?
_____ it important to _____ network _____?
Do _____ it's _____ to _____ update home network _____?
Why _____ on _____ the latest updates to our _____ network equipment?
_____ be regularly updated with _____?
_____ we want to check _____ install new _____ on _____ network _____?
_____ it _____ to _____ on the home network?
_____ have _____ check _____ and install the _____ in our _____ network equipment?
Is _____ a purpose _____ on our _____ networking _____?
Why must _____ be _____ up with _____ home networking _____?
_____ to be on _____ lookout for software updates _____ networking equipment?
_____ be on _____ for _____ keep up _____ software _____ of our _____ networking _____
_____ we need to check for _____ install _____ in our _____?
Why do we _____ to check _____ install _____ our _____ equipment?
_____ is _____ necessary to _____ the software _____ home networks?
_____ important to check _____ our home network _____.

Why is it necessary _____ the _____ home network _____?

Why is _____ important _____ the software _____ our home _____?

_____ networks' software/firmware components _____ frequently.

_____ on _____ home networking _____ be done frequently.

_____ with software updates of our home network equipment?

_____ be looking for and _____ up with software updates on _____?

Are _____ home _____ important?

Why do _____ our home _____ software _____?

_____ important to check _____ update _____ network software?

_____ are _____ interested _____ regularly _____ home network _____ software?

How important _____ update _____ devices?

Is _____ an essential practice _____?

The _____ our home _____ equipment _____ updated frequently.

_____ often is an _____ practice?

_____ do _____ update the software to _____ networks?

_____ home _____ software and firmware _____ something that should _____ regularly.

_____ I _____ keep up _____ hardware and _____ on _____ home network?

_____ software/firmware components should _____ and _____ frequently.

_____ is _____ for _____ network gear to have _____?

Is _____ relevant to _____ update our home _____?

_____ we _____ more about regular _____ for _____ home _____ system's _____?

Why _____ it _____ sense _____ for and _____ in our homes' network equipment?

_____ really _____ to _____ updating the _____ my equipment?

Why is it _____ must keep up _____ home _____ equipment?

Why _____ necessary _____ check our _____ network _____ for _____?

Why should we _____ lookout for _____ up _____ the latest updates on _____ home _____?

_____ must _____ be _____ keeping up with the latest updates _____ our home _____ software?

Is it _____ to _____ home _____?

_____ it a good idea _____ update my _____?

_____ should we update _____ software _____ network equipment?

Why _____ we be looking _____ up _____ the _____ to _____ home _____ hardware and software?

_____ we be _____ with the _____ updates _____ our home network _____ and _____?

Why do _____ want to check _____ software _____?

The software of the _____ should be _____.

_____ it to constantly update _____ home network _____?

What _____ reason for _____ our home networking _____?

Why is _____ to _____ software of our _____ gear _____?

_____ do we want to _____ for _____ install software _____ home _____?

_____ would _____ on the lookout for _____ software _____ of _____ home network equipment?

Why are _____ interested _____ updating _____ network _____ software _____?

Why does it _____ sense to _____ software _____ home network equipment?

Is it important _____ of _____ network equipment _____ updates frequently?

_____ it _____ to update _____ software _____ our _____ network _____ frequently?

Do _____ think it's essential _____ upgrade _____?

It is _____ check _____ install the _____ software _____ in our _____ network _____.

Why _____ we need _____ our _____ equipment with the _____?

_____ important _____ home network devices for updates.

_____ we _____ to look for _____ keep _____ on our home networking _____?

_____ do we have to be on _____ and _____ up _____ software _____ of _____ networking _____?

Why should we _____ for and _____ the software _____ our _____ networking _____?

_____ are _____ in regularly checking _____ the software on _____ network _____?

Why must _____ be looking _____ keeping _____ with _____ latest software updates _____ networking _____?

_____ important _____ update our home _____?

It is _____ to _____ network _____.

How _____ to update _____ software _____ of our home _____?

Why _____ continually update my hardware _____ software?

_____ is updating the _____ our _____ network equipment _____?

Why should we be _____ the lookout for software _____?

Is it necessary _____ upgrade _____?

_____ should _____ place on _____ for our _____ network system?

_____ do we want _____ check _____ install _____ home network equipment's _____?

Why _____ on the _____ for the latest _____ on our Home _____?

_____ we interested in _____ the home network _____?

Why _____ we _____ looking _____ and _____ updates for our _____ network equipment?

Why do _____ check, update home _____?

_____ should the _____ network _____ software _____ up to _____?

_____ it really necessary _____ update _____ my home network _____.

_____ is important to continually _____.

_____ we interested _____ checking our _____ software?

How important is _____ for and _____ updates _____ the _____ network _____?

Why do we _____ to _____ equipment updated?

_____ updating the _____ network _____?

_____ that _____ updates are _____ for _____ home _____ software/firmware.

Why must we be on the _____ to our _____?

Why is _____ that _____ conducted for the _____ system?

_____ we interested in _____ checking _____ home network equipment's software?

We _____ to be _____ for _____ software _____ of our home networking _____.

Why _____ important _____ keep our _____ network equipment _____?

_____ Updating _____ Network Devices?

It's important _____ update _____ software.

_____ important _____ continually _____ your _____ network?

Why should I _____ my _____?

_____ you _____ to check _____ update our home network _____?

Why _____ we keep _____ with _____ updates for _____ networking _____?

Why _____ we _____ looking for _____ home network equipment?

Why should _____ with _____ updates of _____ networking equipment?

Why should we have to _____ install _____ in _____?

_____ the _____ on my network equipment _____?

Why _____ necessary _____ check the software _____ the _____?

Why are _____ in _____ equipment software?

_____ it so important for our _____ system _____ have _____?

Is updating _____ an essential _____?

Do _____ keep _____ the software on our _____ devices _____?

_____ interested _____ keeping our home network _____ current?

_____ should _____ be _____ for and keep _____ updates of our _____ networking equipment?

_____ are we to update _____?

_____ should _____ for and _____ an _____ to _____ equipment's software?

_____ so important to ensure that _____ are _____ home network system?

_____ worth it _____ regularly _____ the _____ and firmware _____ my home network _____?

_____ to home network _____ essential?

____ it necessary to ____ network ____?
 ____ you tell ____ we ____ update our ____ network ____ frequently?
 ____ software updates ____ home equipment ____?
 Is ____ important to ____ our ____ network?
 Does ____ to ____ update the ____ network software?
 Why ____ we ____ check for ____ network equipment?
 Why do ____ need ____ keep ____ with the latest ____ home ____?
 Why do ____ to check ____ software ____ in ____ homes?
 How ____ it for us to ____ and ____ our ____ network ____?
 It ____ check ____ and install new software ____ our home _____.
 Ensure ____ regular updates are ____ our ____ software/firmware?
 Why must ____ be ____ for software ____ our home ____ equipment?
 ____ on ____ lookout for the latest updates ____ Network equipment?
 ____ it really require ____ for ____ on our ____ gear?
 ____ so ____ for and install the latest software ____ in our ____ equipment?
 We ____ install the latest software updates ____ home's _____.
 ____ care about ____ our home network system's software?
 Do ____ really ____ to ____ the software on ____ equipment?
 ____ it so ____ check the software ____ our ____ network ____?
 Why ____ we ____ to keep up ____ the software ____ our ____?
 Why ____ we ____ install update to ____ network ____ software?
 ____ we ____ for updates in our ____ network devices?
 ____ is ____ check for updates ____ our home ____ equipment?
 ____ it to regularly update the ____ my home ____?
 Is ____ to ____ up ____ our ____ network software?
 Why ____ we need to ____ home ____ software ____?
 ____ to ____ for and ____ updates ____ our home network equipment?
 ____ should make ____ updates ____ for our ____ system's software.
 Why ____ we ____ the lookout ____ our home networking ____?
 ____ should we ____ and install the latest software updates ____?
 Is ____ an ____ maintenance practice ____ network ____?
 Why ____ necessary ____ home network gear frequently?
 ____ necessary ____ us ____ check for updates on ____ home ____?
 Why ____ you have ____ check ____ home network ____?
 Updating ____ and firmware is ____ to operate ____ networks.
 Why is it important ____ home ____ system's software ____ updated ____?
 Why are ____ required ____ and install ____ our home ____?
 Why ____ software of the home ____ equipment ____ intervals?
 ____ our ____ network ____ critical?
 ____ is it necessary ____ check ____ software ____ our ____ regularly?
 ____ do ____ to update ____ often?
 Why do we have to ____ home ____?
 ____ we ____ to ____ our home ____?
 Do ____ it's important to ____ network ____?
 ____ are ____ lookout for ____ updates ____ Home Network equipment?
 ____ does ____ sense ____ the ____ software ____ on ____ home's network gear?
 ____ to ____ our ____ network software updated?
 Is it ____ for ____ updates to the ____ our home ____ equipment?
 Is ____ updating our ____ network ____?
 Why are we on the ____ latest ____ home network ____ software?

_____ is _____ that _____ and _____ in our home network equipment?

_____ really necessary _____ us _____ in _____ our home _____ gear?

Why should _____ care _____ keeping _____ home network _____?

Does _____ sense for _____ to _____ home network _____?

Do _____ need to update software on _____?

How can software _____ on _____ so _____?

Why _____ with _____ software updates for our home _____?

_____ we need to make _____ that _____ updates are _____ home _____ system's _____?

Why should I _____ installation _____ regular _____ my _____ network _____?

Why do _____ check our _____ network equipment _____?

_____ must _____ on _____ for the latest _____ updates for our home _____?

_____ it important for our home network _____ to _____?

Why _____ it important to _____ software _____ our _____ network _____?

_____ do _____ need to _____ the software of _____ frequently?

Why should we be _____ for and _____ up _____ latest _____ our _____ network equipment?

Why _____ we _____ on _____ for _____ keep _____ with _____ updates of _____ networking equipment?

Why _____ need to check for _____ install _____ in _____ network _____?

_____ must we be looking _____ the latest _____ equipment?

Do you think _____ important _____ check _____ our _____ software?

How _____ we need _____ update our home _____?

_____ for updates _____ home network _____?

It _____ wise _____ check for and install the latest _____ network _____.

Why are _____ in checking for _____ to _____ network _____ software?

Why do _____ to _____ for _____ latest software _____ in _____ homes?

_____ to _____ the _____ our home network equipment.

Why do _____ need to update _____ network _____?

Why _____ to _____ network equipment's software regularly?

_____ important to _____ network software?

_____ is _____ to _____ check our home _____ software.

_____ we be _____ the _____ and _____ the latest updates on home network _____?

Why do we _____ update _____ network _____ software?

Why _____ it important _____ home network equipment _____ software _____ frequently?

Do _____ check _____ home network _____?

Why are we _____ checks _____ our _____ network _____ software?

Why _____ we like _____ check our _____ equipment software _____?

Why _____ we looking _____ and keeping _____ the _____ updates on _____ equipment?

Why _____ it make _____ to _____ our _____ network equipment at regular _____?

Why is _____ that we _____ on _____ for the _____ on our _____ Network _____?

Why _____ it important _____ check _____ home network _____ often?

Why are we interested _____ home network _____?

Why _____ and update _____ home networks _____?

_____ regularly _____ software on my home _____ worthwhile?

_____ should regular _____ important for _____ home _____ system?

_____ is _____ the software _____ our home network equipment on _____.

Why _____ to keep up _____ latest software on _____ equipment?

_____ is the _____ behind regular _____ home networking _____?

Why _____ we need _____ software andfirmware _____ operate _____ networks?

_____ updating our home network _____?

_____ is _____ important _____ updates to home networks?

Why are _____ in regularly _____ for _____ install _____ network _____ software?

Is it _____ check _____ updates in _____ network _____?

It's _____ check _____ network equipment for _____.

Do _____ to _____ the _____ on our _____ networking devices?

Why do _____ check _____ home network _____ frequently?

_____ home _____ of importance?

_____ do _____ networks _____ to regularly _____ software?

Why _____ we _____ the software/firmware _____ our home _____ gear _____ often?

_____ to _____ of our home network equipment

_____ do we have _____ keep _____ with _____ of our home _____?

_____ for and install software updates _____ network equipment?

_____ important _____ the software _____ my home network equipment?

_____ it make _____ and install _____ latest software updates in our _____?

Important of _____ network _____?

Why _____ to the _____ are _____ to operate _____ home _____?

Why are _____ interested in _____ to home _____ software?

Do _____ need to change _____ on _____ networking _____?

_____ the _____ of checking _____ to our home _____ equipment?

_____ are we on the _____ up with software _____ our _____ equipment?

Can updating _____ network _____ be _____?

Why _____ we always on the lookout _____ updates _____ our _____?

_____ does it _____ to check _____ home network equipment?

Why _____ in updating _____ software _____ the _____ network equipment?

Is _____ to check the software _____ our _____?

_____ in _____ with the latest software on home _____ equipment?

Why _____ we _____ to check and update _____?

How _____ to update the software _____ our _____ gear?

_____ the home _____ devices _____ be updated _____?

_____ the home network to _____ continually updated?

_____ important _____ it to _____ the _____ network software?

Is _____ of _____ home network _____ essential?

_____ important _____ update _____ home networks?

Do you _____ it is _____ to _____ network _____?

Updating _____ an important task?

Is it _____ update the _____ and firmware _____ home _____ gear?

Why _____ updates _____ and firmware needed to _____ our _____ networks?

Why do we _____ and update _____ software?

_____ do _____ to keep updating _____ hardware and software _____ network?

_____ do we _____ make sure our _____ system's software _____ regularly?

Why do we _____ to _____ updates _____ the home network system?

_____ network setup requires _____ and installations?

_____ need _____ check for _____ install _____ updates _____ our home network?

_____ I _____ need _____ software/firmware on my home _____ devices?

Why should we _____ on _____ the latest updates _____ home _____?

Why _____ we _____ updates _____ the software and firmware to _____?

_____ do updates to the _____ to _____?

_____ should be regularly checked.

How _____ is _____ to _____ our _____ network equipment _____ updates?

_____ need to _____ software on _____ home network equipment _____?

Why _____ we _____ and keeping _____ with software updates _____ home _____?

How _____ it _____ check for and _____ software updates _____ home _____?

_____ updates to _____ network gear _____?
 _____ need _____ keep up _____ software _____ our hardware?
 Is it _____ the software on our _____?
 Why must _____ on the look out _____ and _____ up with _____ of _____ home _____?
 It's _____ to _____ home _____.
 Why should we put so _____ regular _____ home network _____?
 What is the significance _____ periodically _____ in _____ network _____?
 _____ have _____ keep updating the software on _____ devices?
 Why _____ constantly _____ for software updates of our _____ equipment?
 Why _____ we _____ to constantly _____ home network devices?
 Why _____ need to check _____ network _____ for _____ latest software _____?
 _____ we _____ to _____ and install updated software _____ home _____ equipment?
 _____ have to _____ home networking devices _____?
 Why should _____ to _____ the _____ in our home's network gear?
 Is _____ home network _____?
 Why _____ we need _____ install _____ our home _____?
 _____ you check _____ home _____ gear _____?
 It's necessary _____ update _____ home network _____.
 _____ need to _____ our _____ network _____?
 _____ do we _____ our home networking equipment _____ date?
 How crucial _____ it to _____ update our _____?
 _____ it _____ check _____ home network software?
 Why _____ we have to _____ and _____ software updates _____ our _____?
 _____ we _____ to keep _____ the _____ our _____ devices?
 Do we need to update our _____?
 Why _____ important _____ make sure _____ conducted for the home _____ system?
 Why do _____ the software _____ operate _____ home networks?
 What _____ the significance of regularly _____ network _____ updates?
 Why _____ much about _____ of our home network _____ software?
 Is _____ to _____ update _____ home network software?
 We should ensure that _____ updates _____ home network _____.
 _____ do we _____ install updates in _____ network equipment?
 _____ updating our _____ software _____?
 _____ for the _____ network to receive _____ updates?
 _____ we check _____ network _____ software regularly?
 _____ it _____ to _____ updating the _____ home network equipment?
 Why do _____ to keep up _____ updates on _____ networking _____?
 Why _____ we _____ in regularly _____ the _____ network _____ software?
 _____ you _____ home networks' _____?
 _____ would we need _____ be on _____ lookout for _____ with software _____ networking equipment?
 _____ network _____ of importance?
 _____ are we _____ in checking the _____ on _____?
 Why do _____ to constantly _____ the _____ software _____ home network?
 _____ have to update _____ network frequently?
 _____ should _____ about _____ updates for my _____ network devices?
 _____ should _____ to _____ home network system be _____?
 _____ it _____ to _____ of _____ home network equipment frequently?
 _____ do we need to _____ for and _____ with _____ our home network _____?
 Do _____ reason for _____ updates on _____ networking devices?
 Why are _____ in _____ home network _____?

Why ____ we need to ____ updates in ____ devices?

Updating ____ software/firmware ____ is ____ to ____ on.

Why ____ we ____ to the home ____ equipment's ____?

____ should we care ____ updates being ____ for our ____ system?

____ do ____ software/firmware of our ____ network ____ to ____ updated ____?

Why ____ need ____ and update our ____ network equipment?

Why is ____ the software/firmware ____ network ____ necessary?

Important ____ updating ____ software?

____ it ____ sense to ____ software on ____ home's network ____?

Why ____ need ____ for ____ install ____ for ____ home network equipment?

____ in ____ for and installing software ____ on our home network ____?

Why ____ it ____ to ____ our home ____ equipment at ____ intervals?

____ check the home ____ components?

Do ____ need to ____ home network ____?

Why ____ we interested ____ for and installing ____ network equipment?

Do ____ to ____ home network?

What's the ____ about keepin' updatin' software ____ equipment?

____ of updating ____ network devices.

Why ____ we have to look ____ and ____ home network equipment?

____ necessary ____ us to check ____ updates for ____ network equipment?

____ know what makes regular ____ updates on ____?

Why ____ we often ____ to check ____ software ____ setup?

Why are we always ____ the ____ our ____?

____ it critical ____ home ____ software?

Why ____ to regularly ____ and install software ____ network ____?

Why ____ we ____ in regularly checking ____ our ____ equipment's ____?

____ it a ____ idea ____ check ____ install updates ____ home network ____?

____ it really necessary ____ us ____ on ____ network ____?

____ software/firmware ____ our home network ____ so important?

____ of updating ____ home ____ devices?

____ important ____ to ensure ____ are ____ for our home ____ system's software?

Is ____ the constant ____ on our home networking ____?

Do I really ____ keep ____ software in my ____?

Is it important ____ be updated?

What is ____ checking our ____ devices regularly for ____?

____ it ____ update home ____ software?

____ need to frequently update the ____ network gear?

____ the ____ on our ____ devices ____ frequently?

Is ____ home network devices?

Why must ____ be on the ____ the ____ updates?

____ important ____ for updates ____ the home ____ devices?

Why ____ we be on ____ lookout for ____ updates ____ home ____?

Why ____ care about ____ updates ____ our home ____ system?

Why ____ to update ____ home network equipment's ____?

Why ____ we ____ on ____ lookout for ____ updates on home ____?

____ do ____ want ____ check ____ and update home ____ software?

Does ____ sense to ____ update the ____ home ____ devices?

Do ____ need to continually ____ our ____?

____ must we ____ the ____ of our home network equipment?

Why are updated software ____ to ____ networks?

_____ much about ensuring _____ regular updates _____ conducted _____ our home _____ system?
 _____ network gear need _____ updated regularly?
 It is _____ to _____ install the latest software _____ network equipment.
 Why do _____ need to keep _____ equipment software _____?
 Why is it _____ check for _____ to _____?
 _____ it necessary for us _____ check _____ on _____ network _____?
 Why do _____ need _____ be _____ the _____ and keep up _____ software _____ our home _____?
 Why do _____ the _____ software?
 Why are _____ required _____ and firmware to _____ our _____ networks?
 Is it _____ devices _____ be updated?
 _____ it really _____ to _____ the _____ my _____ network equipment?
 Does the _____ on _____ home _____ devices need _____ often?
 _____ important _____ firmware updates _____ our _____?
 _____ it really necessary _____ to update _____ on my _____?
 Why _____ need _____ check _____ install _____ updates on our home _____?
 Do _____ think _____ always _____ home network software?
 _____ we _____ to change the _____ our _____ networking devices?
 _____ do we _____ to update the _____ our _____ equipment frequently?
 _____ are we _____ the _____ for _____ our home _____ equipment?
 _____ did _____ make sense to check _____ and install _____ latest _____ our _____ network _____?
 _____ required _____ update _____ software _____ our home networks?
 _____ be a _____ for our home network system?
 _____ do _____ check our home _____ software _____ a _____ basis?
 _____ regularly _____ for _____ the home network devices?
 Why _____ to check our _____ network equipment software _____?
 Is it necessary to update _____ network _____?
 Is _____ network _____ important thing?
 There is _____ need to _____ of our home _____ frequently.
 _____ it _____ to _____ firmware frequently?
 _____ do _____ look _____ and keep up _____ our home network equipment?
 _____ important _____ check and update our _____ network software?
 Why _____ it _____ for _____ to _____ and install _____ for _____ network _____?
 _____ do _____ home network equipment software?
 What _____ checks _____ of _____ in our network _____?
 Do _____ need _____ the _____ frequently?
 Is _____ our _____ networking devices needed frequently?
 _____ software updates on home _____ so _____?
 _____ are _____ interested _____ updating the _____ on our home _____?
 _____ for and install the latest software updates _____ our _____ network _____?
 Why do _____ check for _____ on our _____ network equipment?
 Why must we be on _____ for _____ home _____ equipment _____ updates?
 _____ do _____ keep up _____ the _____ updates _____ our _____ network _____ and software?
 Why do _____ keep up with software updates _____ Network equipment?
 Why do we need _____ keep _____ software _____ Network equipment?
 Why _____ to check the _____ of _____ home _____ equipment _____?
 _____ is it _____ home _____ system's software _____ be updated _____?
 Why _____ it _____ check for and install _____ network equipment?
 _____ and update our home network software.
 Why should _____ be on _____ and _____ up _____ home network equipment?
 Why is _____ that we _____ install _____ on _____ home network _____?

_____ checking _____ of _____ home _____ equipment important?
 _____ we _____ to _____ the home _____ devices _____?
 _____ the software _____ our _____ equipment for _____ important.
 Is it important _____ and _____ our home network _____ software?
 Is _____ to check our home _____ updates?
 _____ is important to _____ the software _____ our home _____ .
 Why are we _____ checking the software _____ network _____?
 Why _____ it important to _____ of _____ home _____ equipment?
 Why _____ I have to _____ and software _____ home network?
 _____ must _____ be looking for _____ updates of our _____?
 _____ we check for the _____ in _____ home's _____ gear?
 How important _____ network devices?
 _____ it to check _____ updates to the _____ network equipment's _____?
 Why should _____ up with _____ home _____ and _____?
 _____ is _____ important for _____ the software of _____ network equipment?
 It is _____ that _____ check the _____ our _____ equipment.
 Why _____ make sense to check our _____ for _____ software _____?
 Is _____ the _____ and firmware of _____ home _____ gear _____?
 Should _____ on our networking _____ frequently?
 Why _____ to install _____ software updates _____ our homes' network _____?
 _____ it _____ check _____ on our home _____ equipment frequently?
 Why _____ we want to _____ and install the latest software _____?
 How come _____ is _____ update _____ of _____ network gear frequently?
 _____ networks' software/firmware components _____ often.
 Why _____ and update our home _____?
 _____ do we _____ to _____ the software on our _____?
 _____ must we keep _____ equipment _____ to date?
 Why do _____ to _____ the latest _____ on our home _____?
 Why should _____ the latest software _____ home's networking _____?
 Is _____ important _____ check _____ updates _____ the home _____?
 _____ important is _____ checking _____ our home _____ devices?
 Why _____ it worth _____ and installing _____ software _____ our homes' _____ equipment?
 Is it important _____ to _____ network equipment?
 _____ sure _____ updates are conducted _____ our _____ network system's _____ .
 _____ we be _____ lookout for software updates _____ home _____ equipment?
 Shouldn't _____ and install the _____ updates in _____ home's networking _____?
 _____ it _____ the software on my home _____ devices _____?
 _____ does it _____ check for and install _____ latest _____ in our _____?
 Is it _____ always update _____?
 Is it _____ continually update _____?
 _____ do _____ sense to check for and _____ latest _____ our home's networking _____?
 Why _____ our home _____ equipment _____ and firmware regularly?
 _____ checking our _____ software is _____?
 _____ should _____ keep _____ the hardware _____ software at _____ home _____?
 _____ it _____ for _____ to check and update _____ home _____?
 Why should _____ be _____ and installing the latest software _____ equipment?
 Why _____ it _____ to _____ of the home _____?
 _____ I really _____ to _____ the _____ on _____ network devices?
 Do I _____ keep _____ my home network?
 Why _____ we regularly _____ software _____ network setup?

Why are we interested in _____ installing the _____ home network _____?
 _____ regular _____ updates _____ home equipment so _____?

Why do _____ keep up with the _____ of our _____?

Is _____ to regularly update the software _____ home _____?

Why _____ be _____ for and _____ up _____ software _____ home network _____?
 _____ it _____ constantly _____ the home _____?

Why _____ software and firmware _____?

What _____ the _____ checking for _____ network gear?
 _____ we _____ to check _____ install software _____ our setup?

Why _____ care about _____ our _____ network _____ software/firmware?

Why _____ to check _____ and _____ software _____ in our home _____?

Why _____ make _____ to have the _____ software _____ installed _____ our home's _____?
 _____ we _____ to _____ our home network _____?

Why do _____ and install _____ update to _____ equipment's software?

Why _____ we _____ check _____ install _____ our network equipment?

Why do I need to continually _____ home _____?

Why is it important _____ updates to _____ network _____?
 _____ must we _____ an _____ out _____ updates _____ home network equipment?
 _____ does it _____ sense _____ check for and _____ updates _____ our _____?

Why are we interested _____ updating the home _____?

Is _____ the _____ my _____ network equipment _____ necessary?

The importance _____ home _____ updated?

Why should _____ be on _____ and _____ software updates of _____ home network _____?

What is the _____ the frequent _____ installations of _____ network _____?

Is _____ my _____ network equipment really important?
 _____ component should be checked _____.

Why _____ we _____ in _____ with our home _____ software?

Why are we _____ checking for and _____ updates _____ home _____?

Why is _____ home network _____ be updated?
 _____ updating _____ home _____ crucial?
 _____ significance to check _____ in our _____ network _____?

Is it an essential _____ practice _____ firmware _____?

Why _____ to be on the lookout for and _____ with software _____ our _____?
 _____ do _____ want to _____ an eye _____ our home _____ and firmware?

Home _____ software/firmware components _____ updated _____.

_____ me _____ the importance of _____ to _____ home network equipment?

checking the software _____ equipment for updates _____ important
 _____ makes regular software updates _____ important?
 _____ is updating our home network _____?

Why would _____ and _____ update to _____ network equipment's software?

Why _____ we _____ the _____ for and keeping up _____ software updates _____ our _____?
 _____ software/firmware _____ should be _____ updated.
 _____ it _____ practice to upgrade _____ firmware _____?
 _____ regularly update the _____ network?

Do _____ to _____ our networking _____?

Why _____ need _____ for _____ latest software updates _____ home's _____ equipment?
 _____ must _____ be _____ the lookout for _____ keep up _____ home network _____?

Why is _____ home network system's _____ receive regular _____?
 _____ network gear _____ updated?
 _____ do we need to _____ sure _____ are conducted _____ home _____?

Do you ____ why ____ gear ____ to be ____ frequently?

____ is ____ that we are on ____ lookout for ____ up ____ software updates ____ equipment?

____ software updates needed ____ home networks?

Is ____ on ____ home ____ equipment ____ necessary?

Why do we ____ to check ____ updates to ____?

____ it ____ to ensure regular updates ____ our home network ____?

Why ____ we ____ to ____ and ____ our network setup?

____ is regularly checking ____ updates ____ home ____ device?

Is it really necessary to ____ software/firmware on ____?

Do ____ have ____ keep ____ my ____ equipment?

Why is it necessary ____ check ____ our home network equipment?

____ does updating ____ home network gear make ____?

Do ____ have to update ____ networking ____?

Why ____ important ____ keep the ____ of our ____ network ____?

____ is ____ to check ____ home ____ equipment's software?

____ we ____ in ____ our ____ equipment software and firmware?

Why do ____ to ____ check ____ install software ____ our ____?

____ should ____ on ____ lookout ____ the latest updates on Home ____?

____ need to check for ____ install the ____ updates on ____ home's ____?

____ should ____ updates for ____ home network ____ be ____?

____ we install ____ to ____ home network ____?

____ the software ____ equipment is important.

____ network ____ an important thing?

Why ____ we ____ to check ____ on ____ home networks?

____ we need to ____ the ____ and firmware ____ our home ____?

____ we need to ____ our home ____ for ____?

Do ____ think it's ____ to ____ software?

How come it is ____ update ____ software/firmware ____ gear?

____ it worthwhile ____ the ____ on my ____ network devices?

Why ____ we keep ____ with ____ latest software ____ equipment?

Why ____ software ____ important ____ equipment?

Why ____ interested ____ regularly ____ home network equipment ____ and firmware?

Is it ____ necessary for ____ to ____ our ____ gear?

Why should ____ software?

Why ____ we check ____ equipment software ____?

____ is ____ check ____ of our home ____ equipment ____ regular intervals?

____ important is ____ update ____ equipment ____?

Is ____ checking ____ network ____ necessary?

____ the significance of checking for ____ home ____?

____ we update ____ equipment's software ____?

Is it ____ necessary to ____ for ____ home network gear?

Is it relevant to ____ for my ____?

What is the ____ checking ____ in ____ devices regularly?

Do ____ to ____ software ____ our home ____ devices frequently?

How ____ it for us to ____ and ____ for ____ home ____ equipment?

Why are we ____ maintaining home ____?

____ is ____ to check ____ install the ____ software updates ____ our ____ network ____?

____ checking our ____ software ____ important.

Why ____ need to ____ update ____ software ____ our ____ network ____?

____ must we be on the ____ for ____ Network ____?

Why ____ it ____ our home network software ____?

Do I really ____ keep ____ my ____ network ____?

Why ____ we ____ to ____ the software ____ network?

____ the ____ home ____ gear is necessary.

Why should ____ keep ____ the latest ____ to our ____?

Why ____ we on the lookout for and keep ____ with ____?

____ home networks' software/firmware ____ that should be ____.

____ do we need to ____ install ____ to home ____?

____ are ____ in ____ up with ____ network ____ software?

It ____ the ____ of our home network equipment ____ intervals.

Why ____ we keep up ____ the ____ updates ____ equipment?

Why should ____ for my home network ____?

____ it ____ update ____ software ____ of our home network ____?

Why ____ the ____ and ____ up ____ the ____ updates on ____ Network equipment?

Why are ____ on ____ lookout for ____ up with the ____ equipment ____?

____ there a ____ to ____ the home ____?

Why ____ we required to ____ our ____ frequently?
