

[Demo] NLP Dataset for Customer Service Automation

Company Type	Cable and Satellite TV Providers
Inquiry Category	Channel availability and regional restrictions
Inquiry Sub-Category	Accessibility services
Description	Customers with disabilities seek information about the availability of closed captioning, audio descriptions, or other accessibility features for certain channels or programs, and how to activate or adjust these features.
Data Size	5,008 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Cable and Satellite TV Provider" customer inquiry. (Purchased data will not be masked.)

Which networks/programs support ____ for ____ languages/audio ____ main ____ ?

I'm wondering ____ programs ____ an option ____ multiple languages ____ audio ____.

____ networks ____ alternative languages ____ the main broadcast feed ____ at the ____ time?

____ and programs ____ alternative ____ with audio ____?

____ networks/ ____ allows you ____ access ____ language ____?

Can networks ____ programs ____ multiple languages ____ audio ____?

____ networks/ programs ____ for an alternative ____ feed ____ the ____ broadcast ____?

Which ____ support ____ with main broadcast ____ and ____?

____ programs ____ enable ____ in other languages.

____ audio streams in ____ languages

____ network or programs have a ____ to allow ____ in multiple ____.

____ your programs ____ for ____ languages ____ to ____ broadcast feeds?

____ programs and ____ support ____ sources?

Which programs ____ different ____ with the main ____?

Which programs and ____ audio ____ streams ____ main ____ feed?

____ programs support alternate ____ with ____ same ____ feed ____ audio ____?

____ it possible for SAP ____ used in other ____ network's ____?

Is it ____ nets ____ to have ____ audio ____ options?

____ you know if there are ____ for other ____ on the ____?

Which programs and networks offer alternate language ____ streams ____?

Which ____ support alternative ____ with ____ broadcast feeds ____ audio ____?

____ and programs ____ audio streams in other ____.

____ the ____ for ____ along ____ the main broadcast feed?

Which programs ____ alternate ____ audio ____ the main ____?

Which programs ____ networks ____ alternate languages with ____?

Is ____ in ____ languages allowed ____ your ____ and programs?

____ are networks and ____ may ____ audio streams in ____.

____ if network ____ able ____ allow for ____ languages and audio ____.

Will ____ network ____ additional ____ to ____ the ____ broadcast feed?

____ networks ____ support ____ languages with broadcast feeds ____ audio streams ____ ____ time?

____ your programs ____ alternative languages ____ ____?

____ someone ask ____ network ____ you can ____ what is called ____ ____ audio streams?

Do network ____ other languages ____ addition ____ audio streams?

I'm wondering if ____ and ____ aSAP ____ multiple ____

Does the networks let ____ audio ____ feed ____ main broadcast feeds?

____ networks that support ____ feeds.

The ____ and ____ allow ____ in other languages.

Does the ____ for ____ languages allow on ____ and ____?

Do ____ support ____ audio streams?

Which networks ____ supports alternative languages ____ a ____?

____ wondering ____ or ____ offer a SAP option for ____

Is ____ able to allow ____ multiple languages and ____?

____ there a ____ languages/audio streams?

____ anyone know ____ or ____ can ____ the SAP and alternate ____?

Is there a ____ or ____ to allow ____ multiple ____ and audio ____?

Which ____ or programs ____ alternative ____ with ____ broadcast ____?

____ the ____ allow for ____ or ____ streams?

Is it ____ what's called ____ other languages/ audio ____ your ____?

____ what networks/programs ____ multi-language audio ____.

Does anyone ____ or programs that are ____ both ____ alternate ____?

Which ____ and ____ you ____ other language feeds?

Which ____ and programs ____ languages with ____ broadcast ____?

What ____ or programs ____ alternative languages ____ the ____ feed?

____ the ____ for audio or ____ streams ____ the main ____ feed?

Which programs support alternate ____?

I ____ know ____ or programs ____ support for ____ with alternate languages and ____.

____ streams ____ other languages ____ be ____ and programs.

____ networks ____ for an ____ or alternative language feed for ____?

Did ____ program or ____ audio streams ____?

____ you tell ____ any ____ that offer support for SAP in ____?

____ for alternative language streams and ____ main broadcast ____?

Which ____ support different ____ streams?

I'm wondering ____ a network ____ can ____ languages ____ audio streams.

In ____ to ____ main broadcast ____ your networks ____ streams?

Does ____ networks ____ the use ____ alternative language feed ____ the ____ feeds

____ your networks allow for ____ use ____ languages ____ audio ____?

____ networks support ____ languages ____ their ____ broadcast feed ____ streams?

Which programs ____ networks ____ alternate language ____ streams alongside their ____?

____ any ____ and shows allow ____ use ____ audio and ____?

____ networks support alternative ____ with a ____ broadcast ____ audio stream?

Do ____ and ____ offerings ____ other ____ as ____ audio streams?

____ programs ____ support ____ streams alongside the main ____?

I'm ____ network or programs ____ way to ____ audio and/or ____.

____ program offerings ____ other languages in addition ____ audio ____?

____ and networks support ____ audio streams along ____ the main ____?

____ alternative languages ____ audio streams?

____ programs ____ networks ____ languages ____ the main feed?

____ the networks ____ alternative ____ audio ____ main feed?

Does _____ allow alternative language streams _____ main broadcast _____?

Which _____ and programs _____ alternative languages with _____ or _____ feed?

Can you tell me the _____ on networks _____ languages and audio streams _____?

_____ the networks _____ use of an _____ feed for _____ feeds?

_____ your network _____ program support _____ streams _____?

_____ networks or programs _____ alternative languages with _____?

Should you be _____ and _____ on the networks?

Does the _____ alternative _____ and _____?

Which _____ networks _____ languages _____ main broadcast feed?

_____ the _____ languages and streams of audio?

Do _____ and program offerings have _____ included _____ audio _____?

_____ any networks _____ provide _____ audio streams _____ other _____?

Does anyone know if _____ are _____ networks _____ programs _____ support forSAP _____?

Which networks _____ programs _____ alternative languages _____ their _____?

_____ to _____ is _____ for other _____ and audio streams on your _____?

_____ for alternative languages and audio streams?

I am _____ if _____ offer a way to _____ for _____.

_____ or programs _____ languages with _____ broadcast feed _____ alternatively audio _____?

_____ networks _____ programs support _____ languages _____ broadcast feed and audio _____?

_____ the networks allow _____ streams _____ other languages _____?

Which _____ language _____ streams alongside the _____ broadcasted feed.

Does _____ networks enable _____ alternative _____ audio _____ main feed?

Does _____ networks _____ audio _____ alternative language feed for the _____ feed?

_____ networks _____ to _____ alternative languages with the SAP _____?

_____ the networks _____ other _____ streams?

I want _____ know if any _____ can handle _____ usual _____.

_____ or _____ support alternative languages _____ audio _____ broadcast feed?

_____ and _____ have a way to allow _____ and _____ streams.

Does anyone _____ networks _____ offer support forSAP _____ alternate _____?

_____ possible for other _____ on _____?

Which _____ or _____ support alternative languages with _____ or an _____?

_____ wondering if network _____ system for multiple _____ and audio _____.

Which programs _____ networks support _____ audio _____

Which networks and _____ alternative _____ with _____ feed and _____?

_____ the _____ allow for _____ and alternative _____ on _____?

Which shows _____ alternate language _____?

Which _____ and networks _____ able to _____ alternate _____ streams?

CouldSAP _____ used _____ other _____ on your _____ and _____?

Does _____ networks _____ for _____ language _____ along _____ their _____ feed?

_____ networks _____ alternate language _____ stream?

I'm wondering _____ network _____ for _____ languages to be _____.

_____ it _____ to use other _____ network or programs?

Which programs support _____?

_____ programs support alternative languages with a _____?

I am _____ or _____ will _____ for _____ languages _____ audio streams.

Which networks _____ alternative _____ streams?

_____ channels support _____ language _____ the main feed?

Which _____ or programs _____ alternative _____ main broadcast _____ an audio _____?

AreSAP _____ other languages _____ your _____ and _____?

_____ networks _____ an audio or _____ alternative language _____ the _____ broadcast _____?

____ the ____ for alternative ____ audio ____ on the broadcasts?
 ____ have ____ to ____ used for other languages ____ network's ____?
 ____ programs ____ with their main broadcast feed?
 Does the networks ____ streams?
 Does ____ networks allow ____ language streams with ____ feed.
 ____ languages and audio streams?
 ____ it possible ____ language and ____ with main broadcasts?
 What networks ____ alternative languages ____ the ____?
 Is there ____ additional languages ____ audio streams ____ the ____?
 ____ networks or programs ____ alternate ____ broadcast feed and ____ streams?
 ____ the scoop on programs for ____ networks ____ they compatible with ____ streams?
 Audio ____ in other languages might ____ networks and ____.
 Does the ____ for ____ languages to be ____?
 ____ provide ____ for additional ____?
 ____ know ____ programs for ____ languages on the network ____ in ____ streams?
 I'm wondering if ____ can allow for ____.
 I'm curious if ____ programs ____ a ____ to allow for ____.
 ____ someone ____ programs if you ____ use what is ____ for ____ languages/audio ____?
 ____ the use ____ languages permissible ____ networks and programs?
 Do ____ know ____ scoop on programs ____ and ____ audio streams ____ networks?
 ____ programs ____ alternative languages with main ____ feed or ____?
 ____ can ____ find ____ languages and ____ the regular broadcasts?
 Is ____ possible to ____ programs ____ audio and language options?
 ____ networks ____ languages with ____ or audio stream?
 Is ____ possible to use SAP ____ languages on ____ network?
 ____ programs ____ they support additional audio feeds ____?
 ____ networks help to facilitate alternative languages ____?
 ____ alternative ____ stream support ____ in ____ with the main ____?
 ____ work for ____ on ____ programs?
 ____ programs ____ networks support ____.
 ____ any network ____ program that ____ allow for multiple ____?
 I'm wondering if network ____ programs ____ multiple languages with ____.
 ____ there any network or program that ____ for SAP ____ languages ____?
 Which programs ____ are ____ language and ____ streams?
 Which ____ support ____ streams ____ main broadcast feed?
 ____ wondering if ____ programs are ____ to ____ for ____ in some ____.
 ____ programs and ____ alternate ____ streams with the main ____ feed?
 What ____ and ____ alternative languages with ____ broadcast feed ____?
 Does ____ program ____ include ____ languages ____ addition to ____ streams?
 ____ a way for SAP ____ be ____ for ____ languages on ____ network's ____?
 Does the ____ for ____ use ____ on broadcasts?
 ____ support alternate languages and ____ streams alongside the ____?
 ____ wondering if ____ programs ____ to ____ for audio and/or ____ multiple ____.
 ____ wondering if network ____ programs ____ and audio streams.
 ____ wondering if ____ can handle ____ languages with audio ____.
 I'm ____ in the support ____ from ____ and programs.
 Some ____ networks provide ____ support.
 Which ____ and ____ you use ____ feeds?
 Which ____ programs support ____ at ____ same time as ____ feed?
 ____ you ____ the ____ that support audio ____ for ____ languages?

_____ programs support different _____ streams?

Which networks or programs support _____ audio _____ broadcast _____?

_____ the _____ use _____ an _____ alternative language _____ for the main _____ feeds?

I'm wondering if _____ handle multiple _____ with _____ streams.

_____ am _____ if networks _____ programs _____ for _____ and/or inlinguants.

Which networks _____ programs support _____ languages _____ main _____ streams?

_____ your _____ if _____ can use _____ sap for more languages?

_____ nets or programs _____ used to have _____ options?

_____ possible _____ you _____ other _____ on your network's programs?

I'm wondering _____ allow for audio _____ languages multiple languages.

_____ wondering _____ or programs _____ for multiple languages and _____.

Which networks _____ alternative languages _____ main _____ feed _____ audio _____?

_____ programs allow alternative _____ main broadcast feed _____ audio streams _____ same _____?

_____ network and _____ offerings _____ languages?

Does _____ networks allow for audio or alternative _____ broadcast _____?

_____ it _____ to _____ additional audio and language _____ using _____?

Does the _____ and _____ streams?

Does _____ alternative languages _____ audio to _____ included in _____ feed?

Which networks and _____ support alternative languages with broadcast _____ same _____?

_____ networks and _____ are able to _____ streams in _____.

_____ programs offer other languages _____ audio streams?

Can nets _____ programs be used _____ language _____?

Which networks _____ alternate languages _____ the _____ broadcast _____?

I'm _____ offer a _____ for multiple languages

I'm wondering _____ networks _____ a way _____ allow _____ audio _____.

I'm _____ and _____ for audio _____ in multiple languages.

What _____ support alternate language _____ streams alongside the main _____?

_____ wondering _____ the network _____ a _____ to allow for _____ and/or _____.

_____ program _____ able to offer other _____?

Can someone _____ your network if you can use _____?

Which _____ networks _____ support for _____?

Do your _____ allow for _____?

_____ tell _____ if it is possible _____ languages _____ the _____ or programs?

_____ me the scoop _____ other languages and _____ streams _____ the _____ broadcast

_____ support for other languages?

Which programs _____ use _____ languages/audio _____?

Does the _____ allow for alternative _____ on _____ broadcasts?

Which _____ support alternative _____ the same _____ feed _____ audio _____?

_____ if networks or _____ can _____ multiple languages to _____.

_____ if _____ and _____ allow for audio and/or in _____.

_____ streams are supported _____ networks _____ programs.

Which programs and _____ feature _____ audio _____?

Does _____ for _____ and _____ streams?

_____ thatSAP can _____ in _____ languages _____ your network's programs?

_____ programs support alternate _____ and _____ streams, _____ main _____ feed?

_____ there any _____ support forSAP _____ different _____ and audio feeds?

_____ wondering if network or _____ offer _____ SAP for _____ streams.

_____ your network _____ if you can _____ is called sap for _____?

Which _____ support _____ other _____?

Does anyone _____ any networks support _____ audio _____?

____ it ____ to ____ in other languages ____ your ____ programs?
 Is it ____ to ____ alternate languages/audio streams ____ broadcasts ____ your ____?
 Which ____ support alternative ____ in addition ____ main ____?
 Which programs ____ support ____ alternative ____?
 I'm ____ if networks or programs have a ____ and ____.
 ____ networks support ____ language ____ streams with the ____?
 Can ____ your ____ you ____ use what's ____ sap for ____ languages and audio ____?
 Can ____ or ____ you can use what's ____ sap for more ____?
 Should you ____ use alternative ____ the networks?
 ____ and networks ____ alternative ____ with the main ____?
 ____ support ____ audio feeds or ____ other ____ of the ____ ones?
 ____ and ____ support ____ with both broadcast and ____ streams?
 Does ____ languages ____ audio streams?
 Network and ____ offerings ____ other ____ addition to ____ streams.
 Did ____ for alternative languages and ____?
 In addition to the ____ your networks ____ audio streams?
 Which ____ audio feeds ____ languages?
 ____ it possible for SAP ____ be utilized in ____ languages ____?
 ____ if network or programs ____ handle ____ languages with ____
 Does ____ networks facilitate alternative ____ audio to ____?
 ____ programs and ____ different streams ____?
 Which programs support alternate language ____ broadcast feed?
 ____ anyone ____ if ____ programs ____ support for ____ with alternate languages?
 Which ____ support ____ languages with ____ and broadcast ____?
 I'm wondering ____ network or programs ____ from ____ languages.
 ____ programs ____ support for alternative ____?
 ____ networks ____ use of an audio ____ alternative ____ feed ____ the main broadcast ____
 ____ me know if ____ is ____ multi-language audio feeds ____.
 ____ the networks allow for audio ____ to ____ used?
 I'm ____ the network ____ the ____ a ____ for ____ languages.
 Is ____ to ____ multiple languages ____ audio streams?
 ____ alternative languages along ____ the main ____?
 Which networks and programs ____?
 ____ and programs ____ a way to allow for ____ in linguists.
 Is there ____ for ____ languages or ____ or programs?
 Is ____ possible ____ to be used ____ your ____ programs?
 ____ programs ____ other ____ to ____ used ____ addition to ____ main broadcast feed?
 Which ____ programs support ____ with ____ feed?
 ____ support ____ language and ____ streams along with ____ main ____?
 Is ____ possible to ____ alternative ____ audios ____ programs?
 ____ there any ____ offer support for SAP in ____?
 ____ support ____ and audio streams?
 ____ and programs support ____ of alternative languages/audio ____?
 Can you ____ if ____ or programs ____ support for ____ alternate ____?
 Does ____ network ____ offerings ____ to ____ alternative language/audio feeds?
 ____ in ____ languages may be ____ the networks and ____.
 ____ and networks ____ for ____ language and audio ____?
 ____ programs support ____ feeds or ____ than ____ is ____ used?
 Do ____ have ____ options ____ languages and audio streams ____ regular ____?
 ____ network ____ to use ____ language ____?

Which _____ alternative _____ audio streams?

Will _____ network _____ in addition to the primary _____ feed?

_____ supports alternative languages with main broadcast _____?

_____ anyone know _____ networks or programs that can support _____?

_____ networks and _____ languages and _____ streams.

_____ networks _____ the use of _____ audio or _____ alternative language feed for _____ broadcast _____?

_____ it _____ audio _____ options with the nets _____ programs?

I'm _____ or _____ are _____ allow _____ audio in multiple languages.

Which networks _____ programs support alternative _____ with _____ audio _____ simultaneously?

Which _____ networks _____ language and audio _____?

_____ language and audio _____ beside the main broadcasted feed?

Which programs support _____ languages with either _____ audio _____?

_____ the _____ alternate language streams with the main _____?

What _____ programs _____ main broadcast feed _____ streams at the same time?

Which _____ and _____ language or audio _____?

Do _____ programs _____ for audio streams _____ broadcast feed?

_____ wondering if networks and _____ to allow _____ audio _____ in linguancy.

_____ or _____ able to _____ for multiple _____?

Which programs and _____ alternate _____ audio _____ to _____ main broadcast _____?

_____ alternate languages _____ the _____ broadcast feed?

_____ alternative _____ and/or audio streams?

_____ networks and programs _____ a way to _____ for _____ languages.

The _____ programs may _____ in _____ languages.

Which networks _____ support _____ with main _____ or _____ streams?

_____ a _____ for _____ and programs _____ multiple languages and _____ streams?

_____ networks or _____ support _____ with their main _____?

The _____ programs _____ to facilitate audio _____ in other _____.

I'm _____ have a _____ for audio _____ more than one language.

Which programs support _____ and _____ streams _____ broadcast feed?

I'm _____ or _____ can allow _____ multiple _____ audio streams.

Does _____ networks _____ for audio _____ with _____ broadcast _____?

_____ programs support _____ languages along with the _____ broadcast _____?

Is there _____ program that supports _____ in alternate languages _____.

Can _____ tell me the _____ the programs _____ support _____ audio streams _____ the main _____?

Will _____ network support additional audio _____?

_____ networks _____ audio streams in _____?

_____ ask your network and _____ can use _____ for audio streams _____?

Do _____ know _____ on programs _____ other _____ networks, _____ they support audio _____.

_____ networks provide _____ for _____?

Is there _____ network _____ that _____ with alternate _____ or _____?

_____ wondering _____ network or _____ have a _____ for _____ other languages.

Do _____ programs _____ alternative languages in addition to _____?

What networks _____ programs _____ languages with the _____?

_____ and programs allow alternative _____ with _____?

I'm wondering _____ programs _____ for multiple languages _____.

_____ wondering if _____ programs _____ a option _____ multiple _____ and _____.

Which _____ you to _____ languages?

_____ networks _____ programs allow _____ or alternative language feed for _____ feeds?

_____ option for multiple languages _____ in the _____ programs?

_____ supports alternative _____ main broadcast feed _____ streams?

Which _____ or _____ support _____ languages _____ an audio _____?

Which programs _____ audio feeds _____ languages _____ the _____ currently _____?
_____ networks _____ support for _____?

Which _____ or programs _____ languages _____ simultaneous _____ broadcast streams?

Which networks _____ support alternative languages _____ audio streams?
_____ the _____ programs allow _____ alternative _____ feeds _____ the _____ broadcast feed?

Is _____ to use _____ nets/Programs _____ audio or language _____?
_____ programs _____ networks offer alternate _____ streams alongside the _____ feed?
_____ the _____ and programs allow _____ audio _____ streams?

I _____ which channels can _____ along with _____ normal broadcasts.

Which _____ networks support _____ with main _____ feed?
_____ wondering _____ networks or programs _____ to _____ streams in multiple _____.
_____ networks/programs support alternative languages _____?

What programs _____ language and audio streams _____ the _____?
_____ a _____ languages _____ streams in network or program?
_____ networks _____ programs support alternative _____ or broadcast _____?

Which _____ and _____ language _____ audio formats?
_____ networks allow _____ audio _____ streams to accompany the main _____?
_____ networks _____ the ability _____ alternative language feeds?
_____ and _____ alternate _____ and audio streams.
_____ the _____ allow _____ audio or _____ language _____ with _____ main _____?
_____ allow _____ alternate languages and audio _____ broadcasts?

Is it possible _____ used for _____ in your _____ programs?
_____ it _____ to use _____ programs with other _____ options?

Are _____ to offer other languages?
_____ anyone _____ of any _____ or _____ can _____ both SAP and _____ languages?
_____ networks _____ additional _____ streams?
_____ someone ask your network or _____ if _____ use _____ more _____ and audio streams?
_____ programs _____ networks _____ audio _____ language?

Which _____ alternative languages with the main _____ or an _____?
_____ it possible to _____ additional _____ options _____ the nets _____ programs?
_____ network/ programs _____ use _____ for other languages?
_____ programs _____ networks support alternative _____ broadcast _____ and audio _____?
_____ programs support alternative languages _____ streams.

Do _____ use of SAP in other _____ on _____?
_____ the networks allow for _____ and _____ be _____ the main _____ as _____?
_____ want _____ know if any _____ or _____ for SAP with alternate _____.
_____ support _____ languages or audio _____?
_____ networks and programs _____ alternative languages with _____ a _____ feed _____ an _____?
_____ network or _____ have _____ handle _____ languages _____ audio streams?
_____ and programs _____ with the main broadcast _____ with an _____ stream?

Is it possible _____ feeds _____ your _____ program?

Which programs and _____ support _____?

Which programs/networks provide _____?
_____ support alternative languages with main broadcast feed _____ streams?
_____ accommodate _____ languages _____ audio streams?

Which _____ and programs _____ alternative _____ with _____ broadcast _____ and _____?
_____ your _____ provide _____ language support in _____ with _____ main _____?
_____ programs _____ networks support _____ and _____ streams?
_____ and _____ supports _____ language _____ streams?

Is there a _____ use SAP for other _____ your _____?

_____ programs support _____ language _____ alongside the main broadcast _____?

Can the _____ for _____ along _____ main broadcast feed?

Can someone _____ your network _____ if _____ what's _____ for more languages?

Which _____ and _____ alternate audio _____?

_____ allow _____ use _____ an _____ or another language _____ the main _____ feed?

_____ for alternative language?

I am wondering _____ networks and _____ way to _____ multiple _____ audio _____.

_____ possible to _____ other languages _____ your network _____ programs?

_____ or programs supports alternative _____ with _____ feed _____ streams?

_____ curious _____ network or _____ have _____ for _____ languages

_____ alternate _____ with the main broadcast feed?

What channels _____ support _____ languages _____ the main _____?

Do _____ and programs offer _____ audio _____ languages?

Do you know _____ scoop _____ programs _____ on networks _____ if _____ audio _____?

Are _____ additional languages/audio streams?

_____ support alternative _____ a _____ broadcast _____ an audio stream?

_____ want _____ know _____ channels _____ handle _____ languages along with _____ broadcasts.

Does _____ an alternative language stream along _____ main _____?

Which programs _____ for _____?

Which programs/networks _____ alternative _____ streams?

Does the networks allow _____ an _____ alternative language feed _____ the _____?

Which _____ and programs support _____ languages _____ broadcast and _____ at the _____?

_____ wondering if networks _____ programs have _____ to _____ audio in _____.

_____ networks _____ languages with a main broadcast _____ with _____ stream?

I'm wondering if networks _____ programs _____ a _____ to _____ languages.

Do your _____ allow _____ audio streams in _____ the main _____?

What networks _____ support alternative _____ and _____?

_____ the _____ allow for _____ languages on the _____?

Is _____ possible for other _____ be _____ on _____ network's _____?

_____ provide alternate language _____ audio streams alongside the _____ broadcast _____?

Which _____ and programs _____ you to _____ alternative _____?

Which networks _____ programs _____ alternative _____ streams?

Which programs _____ networks _____ audio _____ streams?

_____ wondering if programs or networks _____ languages _____ streams.

_____ permit _____ alternative language feeds?

_____ networks _____ programs support _____ languages with the same _____ feed _____?

I'm wondering _____ network _____ programs offer _____ allow _____ audio _____.

What _____ languages _____ main broadcast _____ audio streams?

_____ channels support _____ and _____ along with _____ main _____ feed?

Which _____ and _____ allow _____ languages with _____ broadcast _____?

Which programs _____ audio feeds or _____ other than _____ of _____ use?

I am wondering _____ networks and _____ and/or inlinguants.

_____ programs _____ allow _____ language and audio _____ with the main _____?

_____ network or _____ alternative _____ with the main _____?

_____ me if _____ programs _____ support for SAP with _____ languages _____ audio feeds?

_____ curious _____ or programs _____ to _____ multiple languages with audio _____.

_____ networks help _____ audio streams?

Are SAP _____ be _____ other languages on _____ programs?

I want _____ channels _____ handle alternate language, _____ with _____ broadcasts.

_____ wondering if a network or _____ for multiple _____.
 What _____ support additional audio feeds _____ of _____ current _____?
 Is _____ possible _____ have additional _____ options with the _____?
 Does the _____ for _____ languages _____ be connected to the _____?
 _____ tell me _____ there are _____ networks _____ programs _____ in alternate _____?
 _____ there _____ networks _____ programs that _____ for SAP in other _____?
 Is _____ feasible _____ to _____ used for _____ on _____ programs?
 _____ networks or programs _____ languages with the _____ broadcast _____ stream?
 I'm _____ if network or programs _____ multiple _____.
 Which _____ support _____ languages _____ either _____ feed or _____ stream?
 _____ wondering if _____ or programs _____ to allow _____ languages and _____.
 Which programs/networks allow _____ to _____?
 Which networks and programs support _____ languages _____ feeds?
 I'm _____ network _____ programs have a way _____ allow _____ in _____.
 _____ if _____ a way to _____ for _____ in some languages.
 Can nets/ programs be _____ audio _____ options?
 Which _____ and networks support _____ languages _____ broadcast _____?
 _____ it possible _____ used in _____ on _____ network's programs?
 Which _____ alternative _____ main feed or audio?
 _____ if network or programs _____ a way _____ audio _____ multiple _____.
 Does networks allow _____ streams along _____ the _____ feed?
 Is _____ network _____ program capable of handling _____ audio _____?
 _____ programs support other languages _____ the main _____?
 _____ your programs allow alternative languages _____ addition to _____ feed?
 Do your programs _____ languages/audio streams in _____ to _____?
 Which _____ audio _____ or _____ languages _____ of the current ones?
 Is it _____ use nets _____ audio _____ language options.
 _____ language and _____ streams alongside _____ main broadcasted feed?
 _____ streams in _____ languages might be made _____ networks _____.
 _____ support _____ languages _____ the _____ broadcast _____ or with an audio _____?
 Which _____ support alternate _____ audio streams _____ with the _____?
 I'm wondering if networks _____ programs _____ way _____ for _____ other _____.
 I'm _____ if _____ a program can _____ audio and/or _____.
 Which programs _____ provide _____ different _____?
 _____ accommodate _____ alternative languages?
 _____ wondering if network _____ multiple languages and audio _____.
 _____ if _____ programs _____ way to handle multiple _____ audio streams.
 _____ support alternate _____ and _____ streams alongside the _____ feed.
 Is it possible _____ SAP _____ different _____ on your _____?
 _____ am wondering _____ or _____ have a _____ and/or in some languages.
 _____ networks _____ use of _____ or an _____ language _____ the main broadcast _____?
 Which _____ or _____ the main broadcast feed?
 Which _____ support alternative languages with _____ feed _____ audio _____?
 _____ programs _____ with alternate _____ audio streams?
 _____ and networks _____ alternate _____ and audio _____?
 Does the _____ people use alternative _____ streams?
 _____ your _____ allow for _____ streams _____ addition _____ the main broadcast _____?
 _____ or programs offer _____ to handle multiple languages _____ streams.
 Is SAP able to be _____ other _____ on _____?
 Which _____ networks _____ audio streams _____?

_____ the _____ allow _____ languages _____ audio _____ be _____ the main feed?
 Can you tell _____ there _____ networks _____ for SAP in different _____?
 Which _____ networks _____ streams _____ the main _____ feed?
 I _____ if networks _____ programs _____ multiple languages and audio _____.
 _____ networks _____ programs support different _____ broadcast feed?
 Which _____ or programs allow _____ see _____ language _____?
 _____ wondering _____ and programs _____ to allow for audio _____ multiple _____.
 _____ of _____ programs that can _____ both SAP and alternate _____
 _____ network/programs allow _____ access _____ language _____?
 _____ permit for alternative _____ and _____ to _____ main feed?
 Is _____ possible _____ listen _____ alternate languages on _____?
 Which networks _____ support _____ languages, with _____ and _____ streams?
 Does _____ allow _____ alternative _____ to be included in the _____?
 Which _____ with main _____ feed or _____ an _____ stream?
 Which _____ support alternate _____ with the _____ broadcast _____?
 Does your network accommodate _____ to the primary _____?
 Audio streams _____ might be supported _____ the _____ and _____.
 _____ able to _____ to _____ languages _____ the networks?
 What programs and _____ alternative _____ and _____?
 _____ offer _____ alternative languages?
 Do you _____ scoop _____ for other _____ networks, _____ if _____ audio _____ with the main?
 Does _____ for different _____ on _____?
 _____ for channels and shows to enable _____ for SAP?
 Can you _____ there are any _____ offer _____ for SAP _____ languages?
 _____ programs _____ streams with the main _____ feed?
 _____ networks and programs _____ the _____ of an _____ alternative _____ feed.
 I'm wondering _____ network _____ can allow _____ in _____ languages.
 _____ you _____ the scoop _____ programs _____ other languages _____ networks _____ they support _____?
 Are there any _____ programs _____ support _____ in _____ languages?
 _____ your _____ program allow for _____ primary _____ to _____ audio and _____?
 _____ curious if network or _____ offer a _____ allow _____ in linguists.
 _____ someone _____ can _____ something called SAP _____ more languages _____ audio streams?
 Does the networks _____ the use _____ audio _____ alternative language _____ for the _____ feeds?
 _____ me _____ any networks or _____ offer support for _____ languages or audio _____?
 _____ possible to _____ languages _____ audios on _____ networks _____ programs?
 _____ allow _____ alternative _____ and streams?
 _____ support _____ languages with the _____ audio and _____ feed?
 Which _____ and networks offer alternate language _____ with the _____?
 Do you know _____ programs for _____ languages _____ support _____?
 Which networks and _____ allow _____ alternative _____ feeds?
 _____ to _____ alternate languages _____ the _____ or programs.
 Can SAP _____ used _____ languages on the _____?
 Does the _____ or _____ use _____ an alternative language feed for _____?
 Which _____ networks _____ alternate language _____ audio _____ alongside the _____ broadcasted _____?
 _____ networks _____ languages _____ audio streams?
 What _____ support alternative _____ with _____ broadcast feed and _____ streams _____ the _____ time?
 Which networks _____ programs allow you _____ alternative _____?
 _____ and programs support alternative _____ with _____ or _____ streams?
 _____ you _____ me if _____ listen to _____ languages with SAP?
 _____ programs _____ alternative _____ with the same _____ and _____ streams?

Does your network _____ stream _____ in conjunction with _____?

_____ support _____ audio feeds or languages _____ the current _____?

_____ networks _____ to facilitate _____ languages and _____ streams?

_____ about _____ programs that support _____ streams with _____ main broadcast?

What _____ and programs _____ languages _____ same broadcast _____?

_____ there any support for _____ language and audio _____ feed?

I _____ to _____ handle alternate _____ along with their usual _____.

_____ and networks support _____ language streams alongside _____ broadcasted _____?

_____ support for alternative _____?

Which networks support _____ languages _____ main _____ or _____ an _____ stream?

Which _____ support _____ main broadcasts and audio _____?

Which programs _____ alternative _____ main _____ feed _____ audio?

Is network _____ to handle _____ languages with _____?

_____ and _____ support _____ languages _____ audio streams?

_____ wondering _____ programs _____ allow for audio and/or in _____.

I want _____ know _____ network _____ multiple languages _____ audio streams.

_____ and programs support _____ with main broadcast _____?

_____ it _____ to use the nets _____ programs _____ and language _____?

_____ networks allow for alternative languages _____ to _____ feed?

_____ your _____ or _____ supported _____ audio streams _____?

Is _____ for separate audio tracks/languages _____ main stream _____?

Which _____ networks _____ alternative _____ with _____ broadcast feed?

_____ the _____ and _____ with other audio and language options?

Which programs _____ networks _____ streams during broadcasts?

_____ networks _____ programs offer _____ to allow for audio _____ in language.

_____ if networks and _____ allow for audio and/or in _____.

I want _____ know _____ any _____ programs _____ support for _____ alternate _____ or _____ feeds.

_____ tell me if any _____ or programs offer _____ languages?

_____ support _____ languages with their _____ broadcast _____ and audio _____ the same _____?

The _____ and _____ audio streams in other _____.

Do network _____ program offerings allow _____ in addition _____?

_____ the _____ allow an audio or _____ language feed for _____ broadcast _____?

_____ programs and _____ allow alternate languages _____ the _____?

_____ or _____ supports _____ with the _____ broadcast feed?

_____ the networks allow for _____ along _____ the main _____ feed?

Is it _____ alternative _____ feeds on _____ network program _____?

_____ network or programs can _____ for multiple _____ streams.

_____ programs _____ audio streams _____ the broadcast feed?

_____ your _____ or program support more _____?

_____ alternative languages _____ broadcast and audio streams _____ the same _____?

Which networks _____ alternative languages with _____?

_____ use _____ other languages on your _____ and _____?

_____ networks and programs support _____ with _____ main _____ audio streams?

_____ the _____ for _____ languages and audio streams _____ their _____?

Is _____ use of _____ in other _____ allowed _____ networks _____?

_____ you know what programs support _____ streams _____ networks?

Does the networks permit for _____?

_____ possible to use SAP _____ on your network's _____?

Does _____ networks allow the use _____ or _____ feed for _____ broadcast _____?

I'm wondering if _____ handle multiple _____ audio.

____ your ____ the use ____ languages/audio streams?
 ____ support additional audio ____ languages ____ of the ____ ones?
 Is use ____ other languages allowed ____ your ____?
 ____ am ____ if networks ____ handle multiple ____ with ____ streams.
 ____ like ____ know which ____ can handle alternate language ____ with _____.
 I'm wondering ____ network ____ program can ____ some languages.
 ____ wondering ____ a SAP option ____ languages ____ offered in ____ or ____.
 I'm wondering if the ____ programs ____ for ____ languages.
 Are ____ able ____ to alternative ____ and ____ on ____ networks?
 I'm ____ networks ____ have a way ____ allow for ____ other ____.
 I'm wondering ____ programs ____ for audio in different ____.
 ____ there ____ networks or programs that ____ forSAP ____ languages?
 ____ network ____ a way to allow for audio ____ multiple languages.
 ____ and networks support ____ and ____?
 ____ programs ____ alternative ____ with the main ____ audio stream?
 ____ alternate ____ with ____ main broadcast feed?
 Which programs support ____ streams ____ main ____ feed?
 ____ networks ____ programs ____ languages ____ main broadcast feed ____ audio ____?
 AreSAP ____ used for other ____ your ____ programs?
 What ____ provide ____ alternative ____?
 ____ networks support ____ main ____ feed and audio streams?
 Can ____ tell ____ networks or ____ offer ____ forSAP in ____ languages.
 I'm ____ multiple languages and audio streams.
 I'm ____ if networks and ____ can ____ audio ____ languages.
 Which programs ____ alternate ____ feeds?
 ____ programs support alternative ____ main feed ____ streams?
 ____ alternative languages ____ main broadcast ____?
 ____ it possible for ____ or programs ____ allow ____ audio streams?
 What networks ____ support ____ with main ____ or ____ stream?
 ____ enable ____ to ____ alternative ____ feeds?
 Is the use ____ languages okay ____ networks and ____?
 Do your programs ____ languages or ____ the ____ broadcast feed?
