

[Demo] NLP Dataset for Customer Service Automation

Company Type	Telecommunications Equipment Manufacturers
Inquiry Category	Product specifications and features request
Inquiry Sub-Category	Power requirements
Description	Customers inquire about the power requirements for the telecommunications equipment, including voltage, wattage, and any specific power supply options.
Data Size	5,126 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

_____ the _____ consumption specifications _____ your telecommunication products in _____ ?

You could _____ me _____ watt _____ your telecommunications _____.

The _____ in watt _____ your _____.

_____ have _____ communication devices?

Can _____ let _____ know _____ of those gadgets?

_____ much power the _____ units require?

_____ watts these _____ contraptions _____?

_____ in _____ watt ratings of your _____ equipment.

Please give us the _____ telecom products _____ to _____ consume _____ planet

Do _____ have any _____ how much _____ your telecom _____?

_____ you _____ how _____ watts _____ telecom _____ consume?

_____ give us _____ wattage specifications _____ equipment.

_____ it _____ to _____ about power _____ watt for my telecommunication _____?

_____ to _____ the power _____ in watt _____ your devices?

Do _____ your watt ratings _____ equipment?

_____ to know _____ usage in _____ for _____ telecommunication gear.

_____ the _____ and _____ specifications _____ your telecom devices?

_____ give us _____ wattage of your _____ so we _____ use.

It is _____ to _____ your watt _____ for _____ equipment.

_____ to _____ energy consumption, _____ the wattage of your _____ products.

_____ do your communications devices _____?

_____ me _____ Watts requirements for _____ communication _____.

Please tell _____ wattage _____ your telecom _____.

I _____ usage _____ watt amounts for your telecommunication _____.

_____ to _____ the specifications _____ power _____ amounts _____ any _____ your telecommunications gear.

I _____ to _____ how many watt _____ contraptions _____.

_____ it _____ tell _____ the watts used by _____ telecom _____.

I want to know _____ of the power usage _____ equivalents _____ have.

_____ the power _____ amounts for yourlecommunications gear.

Please give _____ the _____ of _____ products so _____ how this _____ use will _____ us.

I _____ to _____ how _____ power _____ in watt equivalents.

I want to know _____ watt equivalentents _____ gear.

_____ know what _____ power requirements _____ in watt _____ telecommunications _____?

_____ you tell me the _____ of your _____

_____ it _____ to disclose _____ energy _____ watt for _____ goods?

_____ would like _____ know _____ ratings of _____ equipment.

_____ your watt ratings for _____ equipment.

_____ your watt ratings for _____ equipment.

_____ you _____ how _____ power your telecom gadgets _____?

I want _____ specifications _____ power usage for yourlecommunications _____.

Can _____ about the watt _____ telecom gadgets?

I _____ to _____ about _____ usage _____ equivalentents _____ the _____ gear.

Alright, _____ the _____ needs _____ telecommunication _____?

Please tell _____ of _____ we can understand how they consume _____.

_____ want _____ know the watt ratings _____ telecommunications _____.

I _____ wattage details of my _____ products.

To _____ how this _____ affect _____ they _____ please _____ your telecom products.

_____ to know what _____ usage is _____ you have.

What are _____ your telecommunications _____?

_____ give _____ wattage of your _____ in order _____ understand _____ this energy _____ affect us

_____ the _____ of your telecom _____ that we can _____ energy _____.

_____ tell me _____ in watt equivalentents for _____ equipment you _____.

Give _____ the wattage _____ telecom products to _____ this _____ consumption.

I _____ inquire _____ usage in _____ amounts forlecommunications gear.

_____ to know _____ usage for yourlecommunications equipment.

Do _____ how many watt _____ your _____ goods _____?

_____ watt _____ electricity _____ telecommunication product _____?

_____ for your communication devices.

_____ tell me _____ for your _____.

_____ you know about _____ requirements _____ watt _____ telecommunications?

Can you _____ me _____ the wattage _____ my _____?

_____ you able _____ information _____ the _____ by _____ telecom gadgets?

_____ give us _____ of the _____ products in order _____ understand how _____ affect _____.

_____ wattage for _____ telecom products?

I _____ the specifications on power _____ for _____ gear.

I need to know _____ power _____ in _____ gear.

Did you have a _____ requirement _____ telecommessical _____?

Do _____ have any information _____ watt requirements _____?

_____ to _____ the power _____ specifications for _____ gear.

How much _____ gadgets use?

Please _____ specifications for _____ equipment.

_____ can inform me _____ your watt _____ equipment.

I need _____ ratings _____ telecom _____.

Tell _____ the wattage _____ telecom _____.

I'm _____ power usage in _____ equivalentents for _____ telecommunications _____.

_____ you want _____ know _____ ratings for yourlecommunications _____?

Can _____ tell _____ the _____ consumption _____ my _____ equipment?

_____ share _____ for _____ communication equipment.

_____ need to know _____ your _____ equipment.

Please give us _____ of _____ telecom _____ how they consume energy.

_____ wanted to ask _____ power _____ terms _____ his _____ gear.

The wattage _____ your _____ should be _____.

I _____ many _____ these communication contraptions consume.

_____ curious to know _____ your _____ consume in _____ equivalents.

_____ curious _____ power usage _____ watt _____ for _____ your telecommunication gear.

In order _____ understand _____ consumption, _____ need _____ wattage of _____.

_____ like to _____ the _____ power use _____ equivalents for _____ telecommunications gear.

How much _____ is expressed in _____ for _____?

Can you tell _____ the wattage _____ my _____?

_____ give _____ the _____ your telecom _____ for _____ understand energy consumption.

_____ the wattage of the _____ products in _____ to _____ how _____ consume _____?

Please give _____ the wattage _____ to understand how they _____.

_____ I _____ out how _____ watt _____ communication contraptions _____?

_____ give us _____ of _____ telecom products _____ help _____ understand how _____ affect energy _____.

_____ order to understand energy usage _____ your _____ the wattage of _____.

_____ provide the wattage _____ your telecom _____ to _____ understand how _____ consumption.

I want _____ the power use in _____ for the _____.

I _____ know the _____ in _____ equivalents for the telecommunications _____.

I _____ specifications _____ usage _____ watt equivalents for _____ gear.

_____ wattage _____ your _____ products in _____ to understand how this will _____

_____ you _____ usage of my comm products?

I want to ask _____ power usage _____ watt _____.

_____ me _____ your _____ for your phone equipment.

_____ want to _____ and power _____ your telecom gear.

Please tell _____ your communication _____.

Can _____ watt _____ for _____ telecom equipment?

The power _____ for _____ telecommunication _____ be provided.

Are you aware _____ the _____ requirements in _____ telecommunications _____?

How _____ watt _____ you _____ for _____ telecom _____?

_____ to know the _____ in watt amounts _____ gear.

_____ the power usage in _____ amounts for telecom _____.

Are _____ able _____ me _____ the watt used _____ telecom _____?

_____ a _____ of the _____ use _____ watt _____ for _____ telecom devices?

I would _____ phones use in watt equivalents.

Please tell _____ of your _____ in order _____ understand _____ consumption

_____ am curious about how much power _____ equivalents.

_____ would like to _____ you _____ specifications of _____ usage in _____ telecommunications _____.

I _____ power _____ in _____ terms for his telecommunications gear

_____ are _____ specifications for _____ usage for _____ telecommunications _____?

_____ curious _____ the _____ usage in _____ for his _____ gear.

Do you have any _____ on power _____ equivalents _____ the _____?

_____ tell _____ Watts requirements _____ devices.

_____ require the _____ telecom products in _____ to _____ consumption.

_____ you have _____ Watts _____ for your _____?

How _____ power _____ in _____ your telecommunication devices?

_____ want _____ know the _____ equivalents for telecommunications equipment you _____.

_____ would like to _____ usage _____ equivalents _____ the telecommunications equipment _____ own.

I _____ to know _____ the _____ amounts _____ any of _____ telecommunication gear.

_____ would _____ to ask you about _____ for your telecommunications gear.
 Do _____ to know the watt _____ for _____?
 _____ the _____ for telecommunications products?
 _____ your _____ use energy _____ watts?
 I _____ a _____ about _____ power _____ in _____ amounts _____ your _____ gear.
 Please _____ the _____ details for your _____.
 We want _____ energy _____ in _____ we need the wattage of _____.
 _____ have information _____ the watt used _____ gadgets?
 How many _____ your _____ gizmos _____?
 Let _____ know what _____ power you _____ telecom goods.
 _____ energy consumption _____ your _____ equipment in watt?
 Do you _____ power used by your _____?
 _____ for your communication devices?
 _____ tell me how much _____ telephones _____ watt equivalents?
 _____ to _____ about power usage _____ watt _____ for telecom _____.
 _____ you have a _____ the _____ specifications _____ your telecom _____?
 _____ you _____ able to tell _____ used by _____ telecom gadgets?
 What _____ the _____ amounts _____ gear?
 _____ give us the wattage _____ your _____ products _____ how this _____ impact _____ consumption.
 Are _____ about _____ requirements for _____ devices?
 _____ know your watt _____ telecom equipment.
 _____ your watt ratings for _____.
 Do you have _____ description of _____ requirements for your _____?
 What _____ watt _____ for your _____?
 I would _____ the power _____ in _____ amounts _____ any of your _____.
 _____ want _____ ask _____ specifications on power _____ in watt _____ for _____.
 _____ of _____ your telecom _____ is _____?
 What _____ of _____ equipment do _____ have?
 Tell _____ about _____ watt used _____ your _____.
 _____ do your _____ gizmos _____?
 How _____ need for your _____ wares?
 _____ us the _____ products so we _____ how _____ energy usage will affect _____.
 _____ provide _____ wattage _____ telecom products so _____ understand how they consume _____.
 I am interested in _____ for your _____.
 Is there any _____ watt _____ products?
 _____ know if _____ watt ratings _____ phone equipment.
 How _____ operate your _____ equipment?
 _____ would like to ask _____ specifications on power _____ watt _____ telecommunications _____.
 I would _____ to inquire _____ in _____ for _____ telecommunications gear.
 I want _____ ask _____ power _____ in _____ the telecommunications gear.
 _____ you _____ a description _____ your power _____ watt _____ your telecom _____?
 What is _____ deal _____ watt _____ on _____?
 How _____ energy _____ expressed in Watts _____ communication endpoints _____?
 _____ the wattage of your _____ so we _____ how energy _____ affect us.
 _____ want to _____ we need the _____ of _____ telecom _____.
 Can you _____ me _____ ratings _____ your equipment?
 _____ want to let _____ the watt _____ telecommunications equipment.
 _____ to _____ the _____ in watt equivalents for the telecommunications _____.
 _____ us the wattage _____ telecom _____ order _____ understand their energy _____.
 Tell me the _____ of _____ your _____.

Let ____ know if you ____ specifications for ____.

____ of ____ used for telecommunication products?

Do ____ have ____ on ____ requirements ____ telecommunications products?

____ about ____ used by ____ gadgets can ____ provided.

____ to ____ you the watt amounts ____ your ____ equipment.

____ you ____ for ____ telecommunications products?

I want ____ know ____ of ____ amounts for ____.

Will you ____ know the wattage details ____?

We ____ like the ____ of ____ telecom ____ order ____ understand ____ consumption.

____ for your communication devices?

Can you ____ watt ____ your ____?

Let ____ know ____ for your ____ equipment.

____ you ____ know ____ watt ratings ____ your telecommunication ____?

____ give us ____ of your ____ in ____ to understand ____ they will ____.

____ like to ____ the specifications on watt ____ telecommunication ____.

Is ____ information ____ watt ____ your telecom products?

I ____ to ____ you ____ the ____ in ____ terms ____ telecommunications gear.

Is ____ on power ____ in watt for ____ devices?

____ would ____ to ____ of power ____ watt equivalents ____ telecommunications equipment.

Please ____ know ____ you have watt ____ your phone ____.

You ____ let ____ watt ratings for your ____.

____ many watt ____ is used for ____ products.

You ____ me know ____ ratings for ____ telecom equipment

Please tell us ____ of your telecom ____ to ____.

____ watt ____ consuming by ____ telecommunication devices?

____ curious about ____ power ____ watt ____ for ____ gear.

Do ____ any ____ about the ____ in ____ for telecommunications?

____ you ____ description ____ watt specifications of your telecommunications ____?

Do ____ much power ____ telecom gadgets ____?

____ want to ____ power ____ in ____ amounts for your telecommunication ____.

The wattage ____ your telecom products ____ to us in order to ____.

____ watt ____ your communications equipment ____?

Do ____ the power usage ____ amounts ____ telecom gear?

____ understand energy ____ in your ____ give ____ the wattage ____ products.

____ wattage ____ telecom products ____ needed.

How ____ watts do your ____?

Please ____ us the ____ of your ____ devices in order ____ this ____ usage will ____.

Did ____ know how many ____ goods consume?

Do ____ a ____ the power usage and watt ____ of ____?

Please ____ us the ____ your ____ products in order ____ how this ____ affect ____ energy.

Is ____ information ____ requirements for ____ telecommunications products?

To ____ in your ____ provide ____ wattage of your products.

How much power ____ watt?

____ me ____ power usage ____ amounts for my telecommunications gear.

____ tell us ____ of ____ telecom products so that we can ____ usage ____ affect ____.

____ the power usage and ____ specifications of your Telecom ____?

____ me know ____ watt ____ for ____.

____ want ____ the watt amounts ____ for ____ gear.

____ me the ____ ratings of your ____.

Please give ____ specifications ____ our ____ equipment.

_____ say the _____ ratings of _____ telecom _____?

The energy specifications _____ communication _____ or _____ are _____ Watts.

_____ like _____ inquire about the _____ in _____ amounts for yourlecommunications _____.

Watt specifications for _____ should _____.

Give us _____ wattage _____ your _____ so that we _____ understand _____ energy.

_____ the wattage _____ your _____ products _____ how this _____ usage will affect _____

I _____ ask you _____ power _____ in _____ for your _____ equipment.

_____ know the power _____ watt _____ telecom products?

Please _____ know the _____ ratings _____ your telecommunications _____.

_____ me which watt _____ your _____ have.

Is it _____ info on _____ watts _____ by your _____?

_____ want to _____ usage _____ watt equivalents for _____ gear.

_____ theWattage _____ your communication equipment.

Please _____ the wattage _____ your telecom _____ we _____ energy usage will affect us.

_____ know the _____ for _____ products?

_____ have any _____ about _____ your telecom products?

_____ us know the _____ for _____ products.

_____ a _____ energy _____ for phone stuff _____?

_____ the power _____ your telecommunications gear?

_____ us _____ of your _____ products _____ order _____ understand how _____ will _____ energy consumption

_____ me the _____ for _____ telecom _____.

_____ you know how many watt _____ your _____?

I want _____ much _____ use _____ watt amounts for your _____.

_____ want _____ know _____ watt _____ use _____ any of your telecommunication _____.

Do you _____ of the _____ and _____ specifications for _____ telecom _____?

_____ know _____ amounts for your telecommunication gear.

Do you _____ a description _____ telecom _____ power _____ and _____?

_____ to inquire _____ power _____ in watt _____ for your _____ gear.

Can you tell us _____ telecom gadgets?

_____ the watt ratings _____ telecom equipment?

_____ you have watt _____ for _____?

How _____ watt do your _____?

_____ are the _____ figures _____ your _____ equipment?

I _____ to _____ the _____ amounts _____ yourlecommunications gear.

_____ give _____ of your _____ products _____ order _____ understand their usage.

_____ need _____ on _____ telecommunication equipment.

I'm _____ for _____ ratings for _____.

_____ order _____ understand energy _____ your telecom products, please _____ wattage.

_____ you _____ your _____ ratings for _____?

Please _____ us _____ wattage of _____ telecom _____ so _____ usage in them.

_____ are these _____ contraptions consuming?

_____ many watts are in _____?

I wonder _____ your _____ consume _____ watt equivalents.

_____ you tell me _____ number _____ watt used _____ gadgets?

_____ would _____ wattage _____ my telecom products' energy consumption.

How _____ do you use _____ telecom _____?

_____ tell me the power usage _____ for my _____.

I _____ to ask you the _____ usage specifications _____ you _____.

Is _____ to describe _____ your telecom products?

_____ much _____ do _____ communication _____ use?

_____ to _____ the _____ usage _____ watt _____ for any of your telecommunication _____.

I _____ to _____ on watt _____ your telecommunication gear.

_____ specify _____ your telecom products _____ understand energy consumption.

_____ you _____ the _____ details for your _____?

Let _____ know the _____ usage _____ gear.

I want to _____ you _____ power usage _____ gear.

_____ the electrical needs for _____?

Please let me know _____ are for _____ equipment.

_____ to know _____ power usage _____ your telecommunication gear.

We need _____ of your _____ products in _____ energy _____.

_____ power usage specifications for _____ gear?

_____ you _____ wattage details _____ your _____ products?

_____ want to know _____ usage _____ watt _____ for _____ gear

_____ you _____ me about the _____ in _____ telecom gadgets?

_____ have _____ list of the _____ details for your _____?

I would like _____ power _____ watt equivalents for _____ telecommunications gear.

_____ the _____ usage in watt equivalents _____ the _____ equipment _____ have.

Do _____ wattage specifications for _____ telecommunication _____?

_____ ratings _____ your telecom equipment?

_____ would _____ inquire _____ usage in watt equivalents for _____.

Share _____ communication _____ wattage _____.

_____ you have _____ description _____ of the telecom devices?

I _____ to ask you _____ on _____ in _____ amounts _____ telecom gear.

_____ provide _____ with the _____ of your telecom _____ understand _____ they consume this _____.

Are _____ the power requirements in _____ telecommunications?

Please let us _____ the _____ products to _____ how they _____.

_____ eaten by _____ communication contraptions?

_____ am _____ much power _____ telephones consume, in watt _____.

_____ curious _____ the power _____ in watt _____ telecom _____.

_____ you _____ watt _____ your telecom _____?

How _____ telephones use in _____ equivalents?

Do _____ a _____ of the power usage and _____ telecom _____?

_____ you _____ able to _____ me _____ used _____ my telecom _____?

_____ want to know the power _____ watt amounts _____ gear.

_____ me _____ what _____ ratings you have _____ your _____.

_____ want _____ watt amounts used _____ your telecommunication gear.

_____ order _____ understand how this energy usage _____ us, _____ the _____ of your telecom _____.

_____ us the _____ of _____ in order _____ how it will _____ consumption.

_____ you let me _____ watt used by _____?

_____ tell us _____ wattage _____ your telecom _____ order to understand _____ they _____.

What _____ the _____ used for _____ telecommunications _____?

_____ energy _____ your products, _____ provide _____ wattage _____ your telecom products.

_____ want _____ the power _____ for _____ telecommunications equipment you _____.

_____ us _____ of _____ telecom products to _____ this _____ affect energy consumption.

_____ you _____ idea of _____ requirements for _____ products?

How _____ communication _____ consume?

There _____ question about watt _____ telecommunications _____.

Do you _____ the power requirements in _____?

Do _____ what _____ is _____ for _____ telecommunications products?

_____ many _____ used _____ your telecommunication _____?

_____ to know the _____ the _____ usage in _____ for the telecommunications _____.

_____ you tell _____ about the watt _____ telecom _____?

_____ these communication contraptions consume?

_____ the _____ your _____ products so _____ know how they _____ energy.

Are you _____ me the watt used by _____?

Do _____ any information on _____ for telecommunications _____?

_____ let _____ you have _____ watt ratings _____ your _____ equipment.

_____ description of the watt used by _____ telecom _____?

_____ us _____ your telecom _____ to understand how _____ use energy.

_____ to inquire about _____ in watt amounts for all of _____.

I want _____ power _____ in watt _____ your telecommunications gear.

_____ you have _____ requirements for _____ please?

I _____ you the specifications _____ usage in watt _____ for _____ telecommunications _____.

Did _____ know what _____ in _____ telecommessical products?

I _____ how much power _____ watt amounts _____ your _____ gear.

_____ want to find out the _____ usage in _____ equipment _____ have.

I want _____ the watt _____ your telecommunications _____.

What _____ by your telecom _____?

Tell _____ details for your _____.

Please have _____ for your _____

I want _____ inquire _____ power usage in _____ gear.

_____ know what _____ power usage in watt amounts _____ gear.

_____ to know how _____ power is used _____ telecommunications gear.

Think about _____ gear.

_____ want to know _____ amount of power _____ use _____ watt _____ your _____.

I want to _____ usage in _____ equivalents _____ the _____ equipment.

_____ a description _____ and watt specifications of your telecom _____.

Do _____ have any _____ on _____ usage _____ amounts for _____ gear?

I want _____ inquire _____ power _____ in _____ telecommunications gear.

We want _____ understand energy usage in _____ telecom _____ so please _____ us _____.

I _____ know _____ power usage _____ the _____ equipment that you have.

_____ want to know _____ power is used _____ watt _____ your _____.

I _____ ask _____ about _____ power usage _____ for the _____ gear.

_____ to _____ watt equivalents _____ the power _____ for _____ telecommunications gear.

_____ you want _____ how _____ will affect _____ consumption, _____ us the wattage _____ your _____.

_____ me know _____ watt ratings for _____.

_____ I _____ how many _____ communication _____ consume?

_____ Watts _____ used for _____ telecommunication _____?

_____ specifications for telecommunication gear _____.

Please give us _____ wattage of _____ telecom _____ so _____ can _____ they _____.

_____ what watt your telecom _____?

_____ to know _____ power _____ used in _____ for any _____ gear.

Please _____ the _____ your communication _____.

_____ would _____ to know _____ in _____ amounts for _____ of your telecommunications _____.

_____ for the communication equipment.

I _____ like _____ inquire _____ the power usage in watt _____.

I _____ you _____ specifications of _____ power _____ watt amounts for _____ telecommunications _____.

I want the _____ watt _____ for the _____.

_____ of _____ power _____ in watt for telecommunications _____?

Tell me how _____ need from _____ telecom _____.

I ____ to ask ____ watt amounts for your ____ gear.
 ____ know your ____ usage ____ watt amounts ____ your telecommunication ____.
 I'm curious ____ how much ____ your ____ equivalents.
 ____ the wattage requirements ____ devices?
 Please tell ____ amount for ____ telecom ____.
 ____ you tell ____ the ____ of ____ telecom products?
 ____ you ____ information ____ power requirements ____ watt ____ telecommunications ____?
 ____ want to know ____ ratings ____ telecom gear.
 I ____ to find out ____ equivalents for the telecommunications ____.
 Do you ____ how ____ watt ____ takes?
 ____ telecom ____ in watt amount?
 Do ____ know the power ____ specifications ____ the ____ devices?
 ____ you know ____ requirements for ____?
 I want ____ the power ____ watt amounts ____ your telecommunications gear.
 ____ to ____ about the watts used by ____ telecom ____?
 What ____ the ____ needed ____ goods?
 I ____ to know ____ use in ____ for ____ gear.
 ____ much ____ for ____ communication devices?
 Do you ____ description of ____ watt ____ usage of ____ devices?
 ____ watts used for ____ telecommunications ____?
 ____ energy usage ____ your products, ____ give ____ wattage ____ your telecom products.
 Please ____ the ____ your ____ order to understand ____ use.
 ____ wattage ____ your telecom ____ us understand ____ consumption.
 I want to ____ power ____ all ____ your telecommunications gear.
 ____ would ____ power usage in ____ for my ____ devices.
 ____ you ____ to provide ____ about ____ used by ____ telecom ____?
 How many ____ are ____ by ____?
 ____ understand ____ usage of ____ telecom products, ____ give us ____ products.
 ____ you ____ a ____ of the power ____ watt ____ telecom devices?
 ____ the ____ of your ____ order to understand ____ consumption.
 ____ energy requirements ____ goods ____ be ____ in Watts.
 ____ much energy do ____ telecom products ____?
 Please ____ the wattage of ____ products in order to ____ usage will ____ us.
 ____ would like to ____ about ____ usage ____ for ____ telecommunication gear.
 I would like ____ your ____ ratings ____ telecommunications ____.
 I would like ____ specifications ____ the power usage ____ telecommunications ____.
 Do ____ have a ____ of ____ and ____ of your ____ device?
 ____ you ____ wattage rating that ____ gear needs?
 ____ it possible ____ how ____ watt ____ contraptions devour?
 Share ____ electricity use wattage ____.
 ____ need to ____ the ____ watt amounts for your telecommunications ____.
 ____ may ____ let ____ your watt ratings ____ telecom equipment.
 ____ info on ____ watt for your telecommunication devices?
 Is ____ information on ____ for ____ telephone products?
 ____ to know ____ you have ____ power usage in watt equivalents ____.
 ____ want ____ you the ____ for your ____ gear.
 ____ us ____ wattage ____ your telecom products ____ we ____ understand how this energy use ____.
 Please ____ us ____ wattage ____ products in order to ____ how they ____.
 ____ me know your ____ equipment
 Please ____ us ____ wattage of ____ so ____ we can ____ their energy ____.

_____ able to _____ know the _____ ratings of _____ equipment?
 Do _____ have requirements for _____ for _____ communication _____?
 Do you _____ any _____ watt requirements _____ products?
 _____ you _____ a description _____ and _____ used in your _____ devices?
 _____ watt _____ needs for the _____ goods?
 _____ it possible for _____ to _____ me _____ used _____ your _____ gadgets.
 Can _____ me _____ power requirements for _____ products?
 _____ about the _____ requirements in watt _____ products?
 Do _____ me to _____ your watt _____ for _____ equipment?
 _____ any _____ on power _____ in Watts _____ devices?
 _____ you _____ of _____ power _____ and watt _____ of your _____ devices?
 I would _____ much power is _____ in _____ amounts _____ telecom gear.
 Please _____ us the wattage _____ your _____ products _____ we can _____ it will _____.
 Please give _____ wattage _____ telecom products _____ help _____ understand _____ consume energy.
 _____ want to know _____ on power _____ in _____ telecommunications gear.
 Please give us _____ telecom products _____ energy usage will affect us
 Please give _____ the _____ specifications for _____.
 _____ want _____ know _____ watt _____ are _____ for your telecommunication _____.
 I want _____ know the _____ power _____ in _____ for _____ gear.
 _____ do _____ telecom goods consume?
 _____ you give an _____ the wattage _____ telecom _____?
 _____ to _____ the watt _____ your telecommunications gear.
 I would _____ know about the _____ equivalents _____ telecommunications gear.
 I _____ to know the _____ on _____ in watt _____ your telecommunications _____
 To understand _____ consumption, please _____ of your _____ products.
 _____ let me _____ watt ratings of your telecom _____.
 _____ many _____ of _____ do each _____ product _____?
 Did you know _____ watt ratings _____?
 _____ tell you _____ many _____ the _____ contraptions consume?
 _____ like to _____ you the _____ on _____ usage _____ for telecommunications gear.
 You _____ to know _____ watt _____ for your _____?
 _____ us _____ wattage _____ telecom _____ order to understand how they _____ energy.
 _____ amount of watt _____ used _____ your _____?
 We need _____ your _____ products _____ order to get _____ energy usage.
 What _____ requirement _____ your telco _____?
 We need your _____ wattage _____ order to _____.
 I'd be _____ your _____ ratings _____ your _____ equipment.
 Please let _____ know _____ watt ratings _____ your _____.
 To understand _____ usage in your _____ products, _____ wattage.
 _____ us _____ the _____ your telecom _____ that we can understand how they consume _____.
 _____ us the _____ of _____ products in order _____ understand _____.
 Please tell me _____ power _____.
 _____ to know _____ usage of _____ for _____ your telecommunication gear.
 _____ a question _____ power usage _____ watt _____ for _____ telecommunication _____.
 Please _____ me the specifications on _____ usage in _____ gear.
 Can _____ tell _____ for your _____ products?
 How _____ watt _____ require _____ telecom wares?
 I want to _____ for your telecommunication _____.
 _____ have _____ description of _____ power _____ and _____ specifications _____ telecom devices?
 I _____ to _____ you specifications _____ power _____ watt equivalents _____ the _____.

____ many Watts ____ for your ____ goods?
 ____ to ____ the ____ power use in ____ amounts ____ yourlecommunications gear.
 Do ____ wattage specifications ____ devices?
 ____ would ____ to know the specifications on ____ for ____ gear.
 ____ the power ratings in ____ of your ____.
 ____ there anything ____ can tell ____ about ____ by ____ telecom gadgets?
 Do you know ____ your ____?
 Do ____ a ____ of the ____ usage ____ watt ____ telecom device?
 Give the wattage ____ products.
 ____ you give ____ on ____ used by your ____ gadgets?
 Let ____ know the ____ your communication ____.
 ____ to ____ the specifications ____ usage ____ watt amounts for yourlecommunications ____.
 Do ____ to know ____ ratings for ____ equipment?
 ____ want ____ know ____ watt amounts ____ for ____ gear.
 Do ____ want to know ____ for ____ telecommunications ____?
 ____ want ____ know ____ much power your telephones ____ watt ____.
 ____ want to know your ____ in ____ for ____ gear.
 Please ____ the wattage of ____ telecom ____ understand ____.
 ____ you ____ a ____ for the power ____ and watt specifications ____?
 ____ understand ____ your ____ products, please ____ us ____ wattage ____ your devices.
 Is ____ you to ____ me about ____ used by your ____?
 ____ for your communication devices?
 What amount ____ watt ____ consuming?
 ____ you tell me ____ of your ____?
 I want to ____ usage in watt terms ____ equipment.
 Do ____ the number ____ by your devices?
 Tell me ____ watt-wise ____ stuff units.
 ____ the watt power of ____.
 I want to inquire ____ usage for ____ equipment ____ you ____.
 ____ know ____ wattage parameters governing energy utilization for ____?
 ____ there ____ to know how many ____ communication ____ consume?
 What ____ the power draw ____ phone ____ sell?
 ____ you tell me ____ watt Ratings of ____?
 Is it ____ to ____ the ____ details for ____ consumption?
 ____ to ____ the watt amounts ____ yourlecommunications gear.
 ____ the ____ watt of electricity used ____ each ____ product.
 Do ____ information on ____ power ____ and watt ____ of your ____?
 ____ for your communication devices.
 ____ for watt usage for ____ telecommunications equipment?
 ____ would ____ to know how much ____ in ____ amounts for ____ telecommunications ____.
 ____ us know ____ wattage for ____.
 I ____ like ____ about power usage ____ terms ____ his ____ gear.
 Did ____ of the ____ and watt ____ of your telecom ____?
 ____ to ____ the power ____ in ____ equivalents is for ____ telecommunications ____.
 I ____ power usage ____ watt ____ for ____ telecommunications equipment ____ have.
 ____ ratings of ____ telecom equipment.
 Please ____ the wattage of ____ telecom ____ in ____ this ____ usage will ____ us.
 ____ want to know ____ usage in watt ____ for your ____.
 Can you tell me ____ wattage ____ your ____?
 I want ____ know ____ watt ____ are ____ your ____ gear.

_____ us the _____ for your communication _____.

Is _____ possible to _____ the _____ by your _____ gadgets?

_____ me know _____ have a _____ ratings for _____ equipment.

_____ with the wattage _____ products in _____ to understand energy _____.

What energy _____ are expressed _____ your communication _____?

Please _____ specifications _____ your communication equipment.

Do _____ is your telecom stuff taking?

You can let _____ know your watt _____.

_____ you _____ me _____ wattage rating _____ your _____ gear?

_____ give me the _____ usage _____ watt amounts _____ your _____.

We want _____ energy _____ need _____ your telecom products.

You can _____ me _____ what _____ ratings _____ have for _____.

_____ you have information _____ requirements for _____?

_____ many watt _____ gizmos _____?

_____ give us the wattage _____ for _____.

_____ to _____ power _____ in _____ terms for his telecommunications gear.

Please _____ us _____ of your telecom products _____ will affect energy _____.

_____ us the wattage _____ products so that _____ they consume energy.

_____ possible to give _____ power _____ in watt _____ devices?

_____ many watts _____ goods consume?

_____ us know _____ of _____ products _____ order to _____ how _____ will affect _____ consumption.

I _____ to _____ the specifications on _____ power _____ your telecom _____.

_____ you _____ any _____ watt _____ for telecommunications products?

Let _____ know _____ you _____ for your _____ equipment.

Let _____ know if you _____ wattage _____ equipment.

Is _____ any information _____ for _____ products?

_____ watt requirements for _____ devices.

_____ power _____ in watt _____ for the _____ equipment _____ have.

How _____ power do _____ consume?

Did _____ have _____ idea of _____ requirements in _____ products?

I want to _____ power _____ amounts for your telecommunications _____.

_____ a _____ regarding the _____ usage _____ watt terms _____ telecommunications gear.

I _____ to _____ about _____ power _____ in watt amounts for _____.

I _____ to inquire _____ the _____ usage in watt _____ for _____.

_____ a _____ about _____ usage in watt for _____.

Do _____ have information _____ in watt for _____?

_____ have _____ for _____ usage in watt for your _____?

How much do _____ about the watt _____ by _____?

_____ know how _____ your telecom _____ consumes?

Did you _____ ratings _____ your telecom equipment?

_____ of _____ telecom _____ important to understand energy usage in _____.

_____ how many watt _____ telecommunication _____ consume?

Is there _____ info _____ use in _____ for _____?

Can you please _____ Watts _____ devices?

Please supply _____ wattage _____ your _____.

_____ usage in watt amounts _____ any of your _____ gear.

_____ are _____ power usage in _____ for _____ gear.

Please give us _____ products, _____ that _____ can understand how _____ will affect energy _____.

_____ describe _____ wattage parameters _____ your _____ product _____.

_____ tell me what watt _____?

_____ energy _____ expressed in watt _____ communications endpoints?
 Can _____ the amount of power used _____ gadgets?
 We need the _____ your telecom products _____ will consume _____.
 _____ it _____ to _____ the _____ requirements _____ for your telecoms _____?
 Is _____ watt requirements _____ telecommunications products?
 I want _____ power usage _____ watt _____ your telecom _____.
 _____ us to _____ how the _____ of _____ products _____ affect _____ consumption.
 Do _____ an idea _____ the _____ telecom products?
 _____ would like to ask _____ the specifications _____ watt _____.
 Let _____ know _____ watt ratings _____
 To understand energy usage _____ your _____ the _____ of _____ products.
 _____ wattage details for _____ telecom _____?
 What _____ the _____ your _____ gadgets?
 _____ may want to _____ your watt ratings for _____.
 Can you _____ know the _____ by _____ gadgets?
 _____ give us _____ of your _____ understand how this will affect _____.
 _____ to _____ watt amounts for your _____ gear.
