

[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Repair and Maintenance Companies
Inquiry Category	HVAC system maintenance and repair
Inquiry Sub-Category	HVAC system airflow concerns
Description	Customers ask about problems with the airflow in their HVAC system, including weak airflow, no airflow, or uneven air distribution, often caused by clogged air filters, malfunctioning fans, or ductwork issues.
Data Size	5,123 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Home Repair and Maintenance Company" customer inquiry. (Purchased data will not be masked.)

How ____ improve ____ from ____ home's ____ heating and cooling ____?

I want to ____ protect the air in ____ house from ____ of ____ heating ____ unit.

Does ____ have any ____ improving ____ of ____ air conditioning?

____ about ____ to ____ air circulation?

____ can ____ do ____ protect the air in ____ home from the ____ central ____ cooling unit?

How ____ increase ____ amount ____ flow from ____ heating and ____ setup?

Enhance ____ air ____ my ____ heating/cooling ____?

How to ____ air ____ in ____ system?

____ done ____ fix the AC/Heat ____?

____ to ____ better air ____ my AC and heat.

Is ____ do to improve home's ____ flow?

____ I improve house ____?

Suggestions for increasing the ____ heating ____ setup?

How ____ make my ____ vent work better?

____ we increase the amount ____ air ____ heating and ____ setup?

____ air quality with ____ central ____ AC system?

Does ____ have any ____ how to make air ____ AC ____?

____ increase the ____ of ____ leaves ____ central heating and cooling unit?

____ are suggestions to enhance ____.

How do I ____ protect the air in ____ house from ____ heat ____ my ____ heating ____?

____ am looking for ____ on ____ the ____ my ____ unit.

How ____ make ____ heating ____ A/C ____ work better?

____ it ____ improve ____ in the central ____ and ____ unit?

Is ____ way to increase flow ____ heater in ____?

Suggestions for boosting ____?

____ are ____ to ____ flow from ____ heating/cooling unit.

____ my A/C and heating more ____?

____ I ____ the flow of air ____ my ____ and ____.

_____ to improve _____ circulation of _____ central heating and _____?
 Seeking _____ how to _____ the flow _____ in _____ and cooling system.
 How can I better _____ air _____ my _____ the _____ cool _____ cooling unit?
 _____ need to _____ how _____ air _____ from _____ and cooling system.
 I _____ your _____ AC and _____ at _____ work better.
 Are _____ air flow from _____ heating/cooling unit?
 Any _____ on _____ to _____ flow?
 I wonder if anyone _____ how to _____ the _____ move _____.
 _____ there _____ for better air flow _____ heating _____ set up?
 Do _____ need advice _____ increasing the _____ circulation _____ my _____?
 _____ enhancing the _____ air in the central _____ and _____ system.
 _____ a way to increase flow _____ main _____?
 How _____ we _____ the air flow _____ heating _____ setup?
