

[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Security and Alarm Companies
Inquiry Category	Technical support for alarm system
Inquiry Sub-Category	Sensor placement and configuration
Description	Offering advice on optimal sensor placement to maximize security coverage, explaining the function of different types of sensors, and assisting with on-site configuration to optimize system performance.
Data Size	6,988 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Home Security and Alarm Company" customer inquiry. (Purchased data will not be masked.)

_____ the recommended _____ which _____ should install our _____ monoxide _____?

_____ is it best _____ place the carbon monoxide sensors _____ to _____ above _____?

What _____ some suggestions _____ the _____ CO _____?

What is _____ installing CO _____?

What _____ the recommended _____ detectors?

Can you _____ for carbon monoxide alarms in _____?

We need advice _____ the _____ for _____.

_____ like to install _____ monoxide _____ a height.

_____ you _____ advice _____ the recommended heights _____ detection?

How high should we _____ carbon _____?

How tall _____ carbon _____ detector?

_____ high should we _____ our _____?

Will _____ a _____ answer _____ the recommended _____ of carbon monoxide _____?

_____ should _____ carbon _____ be up?

_____ is the best _____ CO detector?

What height should _____ put _____?

_____ up should the _____ monoxide _____ installed?

_____ do _____ think _____ would _____ to place carbon _____ relative _____ altitude?

How _____ we _____ CO detector?

Do you suggest a _____ the CO _____?

Is there a suggestion _____ the _____ the _____?

Is _____ level _____ to set up _____?

_____ should _____ carbon monoxide _____ installed?

_____ is the _____ detecting _____ in our home?

What's _____ for our _____ detector?

Can _____ our _____ detectors at _____ altitude?

_____ height _____ usually _____ placed at?

_____ best _____ our carbon monoxide _____ at an _____?

Is it ____ to ____ CO ____?

Is ____ recommended height for ____ monoxide ____?

Can ____ me ____ mounting ____ for the ____ alarms?

____ right level to put ____?

Can you tell ____ heights for ____ monoxide alarms?

Can ____ tell ____ high ____ install ____ CO detection?

____ did ____ CO detectors to be?

How tall is ____ best ____ to ____ CO ____?

What ____ the best ____ the CO ____?

____ a ____ answer on ____ mounting height of carbon monoxide ____.

____ have ____ for ____ for CO detection?

Can ____ tell me ____ height ____ CO detection ____?

Do ____ know ____ to install ____ detectors?

____ the best height to ____?

____ you give ____ on ____ mount our CO sensors?

____ height would ____ recommended ____ detection ____?

Is there any ____ the ____ to ____ our ____?

What ____ you recommend for ____ installation of CO ____?

How about installing ____ detectors?

____ suggested ____ height ____ installed for ____ detectors.

____ height ____ we put ____ carbon ____ detectors?

____ tell me about the correct ____ height ____ monoxide ____.

What is the ____ for ____ carbon ____?

What ____ recommend ____ the installation ____ CO detection ____?

____ tell you ____ recommended ____ height of ____ monitors?

____ advise ____ for the carbon monoxide detector.

What is ____ best location ____ monoxide ____ to be ____ relative to ____ the ground ____?

____ is the ____ for ____ carbon monoxide ____ be ____ in homes?

____ for CO detector?

Do ____ recommend ____ range for ____ detectors?

How ____ suggest for the installation ____ devices?

Is ____ of carbon ____ monitoring ____?

____ looking for ____ the height ____ sensors.

____ high ____ should our ____ be installed?

____ was wondering about ____ sensors.

I'm wondering if you can ____ me the ____ detectors.

____ need ____ install ____ warning devices high up?

What is the ____ the ____ monoxide ____?

____ height ____ a carbon monoxide ____?

What is the ____ for ____ carbon ____?

What is the ____ height ____?

Are ____ to ____ us the ____ installation ____ for our carbon ____?

How high ____ it ____ to ____ carbon ____ devices?

Any ____ regarding the ____ CO ____?

Do you ____ to install ____ detector is?

What is ____ for getting ____ carbon ____ sensor?

____ think the ____ should be set at?

____ should it ____ for our ____ detectors?

What highs would ____ recommend ____ the ____?

____ height ____ carbon ____ detectors?

____ of ____ detectors recommended?
 ____ ask you about ____ preferred ____ to ____ my CO ____?
 Do ____ suggest placing the ____ high ____?
 ____ tell me the best spot ____ the monoxide ____?
 What highs ____ think the ____ should ____?
 How tall is ____ installing ____?
 ____ elevation is optimum ____ our ____ signalers?
 ____ you know the ____ for the ____ monoxide ____?
 ____ put ____ Monoxide ____ at ____ levels?
 What height ____ for the ____ device?
 ____ you install ____ detectors?
 How ____ is the ____ for ____ carbon monoxide ____?
 What's ____ height ____ carbon monoxide alarm?
 ____ the ____ a carbon monoxide ____?
 ____ a straight answer on ____ height of ____ monoxide ____.
 ____ best altitude to ____ carbon monoxide detectors?
 ____ would you ____ the CO ____?
 What height ____ be ____ installing ____ detectors?
 What is the ideal ____ of the ____?
 The carbon monoxide ____ what height?
 Can ____ give me advice on ____ put ____ monoxide ____?
 ____ recommended ____ for a ____ installation ____ CO detectors?
 ____ understand ____ recommended mounting ____ of ____ monoxide monitors?
 What is the appropriate ____ a carbon ____ in ____?
 ____ height of CO sensors?
 ____ there a ____ installation of CO detectors?
 ____ put ____ detector at ____ high altitude?
 Do ____ recommend ____ for ____ devices?
 ____ high ____ we ____ our ____ monoxide ____?
 ____ height range would be ____ to ____ in?
 Is it ____ to ____ the CO ____ installation?
 ____ you have any advice ____ the ____ mount ____ CO ____?
 ____ to place the CO ____?
 How high ____ CO detectors?
 How ____ detectors ____ be?
 ____ height is ____ CO ____?
 ____ there ____ advice on ____ height for installing ____ monoxide ____?
 ____ the best ____ CO detectors?
 What ____ recommended height for ____ monoxide sensor?
 Should ____ height be ____ the ____?
 ____ me the best height ____ installing carbon ____?
 ____ is ____ for our ____ monoxide signalers?
 Should ____ install ____ detector high ____?
 ____ altitude ____ our ____ monitors at?
 What ____ best for ____ carbon monoxide ____?
 What ____ height ____ CO detector.
 ____ suggest ____ carbon ____ sensors to be placed relative to altitude?
 ____ any guidance ____ the ____ height ____ installing ____ carbon monoxide ____?
 ____ me the ____ for CO detection?
 ____ is ____ recommended height ____ a ____ monoxide ____?

_____ there recommended heights _____?

_____ monoxide detector installation be _____?

The best _____ for _____ a _____?

The _____ should be _____ CO _____.

_____ height for CO _____ devices?

_____ is the height _____ which we _____ install our _____?

_____ if you can give guidance on mounting _____ alarms.

_____ was _____ if you could tell me _____ ideal _____ carbon _____ detectors.

_____ tell _____ the ideal height _____ carbon _____ detectors?

_____ able _____ tell us _____ placement _____ CO detector?

_____ the _____ to _____ a _____ monoxide detector?

Is _____ a _____ on mounting _____ monoxide alarms?

_____ comes to positioning our gas _____ best?

Which height _____ to _____ carbon monoxide _____?

Is _____ possible _____ give _____ preferred _____ mount CO sensors?

How _____ we go to _____ the _____ monoxide _____?

_____ have _____ prescribed installation _____ the _____ CO monitors?

_____ height _____ to install carbon monoxide detectors _____?

_____ need to know the ideal _____ height _____ our _____.

_____ to place _____ monoxide detectors at _____ altitude.

Please tell _____ ideal _____ height _____ our carbon _____.

The _____ height for the _____ to _____.

Is there _____ the height of _____?

For _____ CO detectors, _____ is the placement _____?

_____ height range _____ mount _____ detectors in?

_____ highs _____ the _____ use?

The _____ to _____ CO detector

_____ you able _____ give _____ on _____ height _____ installing _____ monoxide detectors?

Can _____ an _____ about _____ height of carbon monoxide _____?

_____ height range _____ you _____ mounting the _____ detectors?

Can you tell me _____ heights _____ carbon _____?

Is _____ a _____ carbon monoxide monitoring devices?

_____ height for a CO _____?

How _____ to _____ up the _____?

_____ the _____ place to place _____ carbon _____ detectors?

_____ height range _____ you think _____ for CO _____?

Should _____ monitors _____ at an _____?

_____ the correct _____ for _____ CO _____?

_____ should a _____ monoxide _____ be?

I _____ a _____ about mounting _____ for _____ in residential _____.

Can _____ tell me about _____ altitude _____ place _____ monitors?

What height _____ put _____ Monoxide _____?

_____ high do _____ typically be _____?

How high _____ CO _____ be _____?

_____ is appropriate for _____ carbon _____ detectors in _____?

_____ range _____ we mount our _____ detectors _____?

Do _____ have a recommended _____ installing _____ devices?

_____ the _____ to _____ our _____ monoxide detector?

Is _____ possible to give advice _____ the _____ height _____ detectors?

What is the _____ height _____ a carbon _____?

_____ suggested _____ height _____ reliable _____ of CO detector.

How _____ is _____ for our carbon _____?

_____ for _____ of the _____ sensor?

_____ you tell me _____ install a _____ detector?

Is the _____ level to _____ our _____?

Do _____ have a recommended _____ for _____ carbon _____?

Suggestions on _____ to _____ monitors.

Is there _____ height _____ carbon _____?

_____ the proper _____ installing _____ detectors?

_____ height _____ you _____ for _____ CO detectors?

_____ highs should you _____ detectors _____?

_____ detector _____ height

At _____ altitude _____ a good _____ to _____ the _____ monoxide _____?

_____ carbon _____ warning _____ be raised _____?

How _____ we _____ install our carbon monoxide _____?

_____ is _____ height _____ a carbon monoxide _____?

_____ ideal _____ our _____ signalers need?

There _____ a recommended _____ installing _____ Monoxide Monitoring _____.

_____ our carbon _____ be installed _____?

We need a verdict _____ where _____ the _____.

_____ you think _____ be _____ CO detectors?

What _____ installation _____ for the _____ monitors?

What is _____ best _____ to place _____?

What is the best height _____ our home?

_____ tall _____ for our _____ detector?

Can we _____ recommended _____ height _____ carbon _____ monitors?

_____ you tell me the optimal _____ CO _____?

What _____ should be _____ for _____ proper _____ of _____ devices?

_____ high enough to _____ up _____ carbon _____ detectors?

_____ detectors should _____ at the right height.

What _____ the _____ install our carbon _____ detector.

_____ height should _____ carbon _____ detector _____?

_____ do _____ typically be?

_____ have an idea _____ the ideal installation _____ for _____?

At _____ altitude is _____ place _____ carbon _____ detectors?

What's the recommended height _____ installing _____?

_____ ideal elevation is suitable _____ carbon _____?

_____ you help me _____ mounting heights _____ alarms?

How _____ it to _____ a _____ monoxide _____?

Any _____ the _____ of CO _____?

How _____ CO detector _____.

Do we _____ to _____ CO _____?

_____ give guidance _____ the _____ height for carbon _____ detectors?

_____ the optimal height _____ CO detectors?

Should _____ place our CO monitors _____ an _____?

What height would _____ recommend _____?

_____ our _____ monitors at the _____ altitude?

We don't know _____ put our _____.

What _____ is _____ for _____ monoxide detectors in _____?

What is _____ appropriate _____ to _____ carbon _____ in _____ home?

____ you ____ the ideal ____ height ____ the ____ monoxide ____?
 ____ is ____ ____ for placing a carbon monoxide ____?
 Is it possible ____ tell ____ ____ ____ height to install ____ monoxide ____?
 Which height is ____ for ____ ____ ____?
 How ____ should ____ install ____ monoxide detectors ____ ____ house?
 How tall ____ ____ carbon ____ detector ____?
 Should ____ place our ____ ____ detectors in a ____ ____?
 ____ ____ would ____ recommend ____ ____ carbon monoxide detectors?
 Is it ____ ____ ____ to ____ a carbon ____ sensor?
 Do you have ____ ____ ____ the altitude ____ which ____ mount ____ ____ sensors?
 What elevation ____ ____ ____ ____ monoxide signalers?
 ____ the best height ____ our ____ ____?
 What ____ ____ needed for ____ carbon ____ ____.
 Do ____ have a ____ ____ we should put ____ ____ ____?
 What ____ ____ ____ height to place ____ ____ monoxide sensor?
 How tall ____ the ideal ____ ____ carbon ____ ____?
 ____ ____ ____ advice ____ recommended heights for ____ detection?
 Do ____ know what the ____ height is for ____ ____ ____?
 Please ____ ____ ____ ____ height for our carbon ____ detector.
 ____ the ____ ____ be used to ____ ____ CO monitors?
 For ____ ____ monoxide monitoring devices, is there ____ ____ ____?
 There might ____ a recommended ____ ____ ____ carbon ____ ____ devices.
 Can you ____ me ____ the ideal ____ ____ installing ____ monoxide ____?
 Which height ____ ____ install ____ ____ ____ detectors?
 ____ ____ wondering ____ ____ ____ a ____ height ____ installing carbon monoxide monitoring devices.
 How ____ should ____ carbon ____ detector ____ ____?
 Any ____ for the ____ ____ ____ sensors?
 ____ is suggested ____ height ____ a reliable ____ ____ ____ detectors.
 ____ it ____ to ____ ____ on recommended ____ ____ CO detection installation?
 Should ____ ____ ____ carbon ____ detectors high?
 What ____ would ____ ____ to install a ____ monoxide ____?
 ____ ____ ____ with ____ heights ____ ____ monoxide alarms in homes?
 Is ____ possible ____ give ____ on ____ best altitude to ____ ____ ____ sensors?
 ____ ____ ____ you think the CO ____ ____ hit?
 Can ____ tell me ____ ____ heights for ____ ____ alarms ____ ____ house?
 At ____ elevation is ____ best place ____ ____ the carbon ____ ____?
 ____ ____ set ____ our CO detectors ____ a ____ level?
 What ____ ____ ____ ____ for ____ carbon monoxide detectors?
 ____ ____ the ____ height ____ carbon Monoxide ____?
 What's ____ ideal height for ____ ____ ____?
 Is it ____ ____ ____ a straight answer: Recommended ____ ____ of ____ monoxide ____?
 ____ ____ possible to ____ advice on which ____ ____ ____ our ____ sensors.
 I need some ____ for the ____ ____ ____ CO ____.
 ____ height ____ ____ for ____ carbon monoxide ____.
 Which ____ the best height ____ ____ ____ monoxide ____?
 Should ____ ____ monoxide ____ ____ ____ at a higher altitude?
 ____ ____ ____ installation of ____ detectors, what should the ____ ____ be?
 What's ____ ____ ____ for ____ carbon monoxide ____?
 ____ height ____ do ____ recommend ____ we ____ the CO ____ in?
 ____ height ____ do ____ suggest to ____ the ____ ____ in?

Could _____ us _____ installation height for our _____?

What height _____ best _____ the _____?

_____ appropriate _____ for our carbon monoxide detector _____ level should _____ in _____ monoxide detector?

Should we _____ monoxide _____ at _____ height?

Is it _____ to give advice _____ height _____ installing _____ detectors. _____ elevation is _____ for our _____ signalers.

How _____ go _____ carbon _____ warning devices? _____ optimum _____ for _____ CO detector?

You can tell us the ideal _____ our _____.

_____ need to know _____ correct positioning _____ our _____ monoxide _____.

Installation height required _____?

_____ is the ideal _____ height?

_____ is _____ height _____ install _____ monitors?

At _____ height should _____ the _____ detector?

Is _____ an _____ height for _____ carbon monoxide _____.

_____ to _____ the optimal _____ for _____ CO detectors.

At what _____ install _____ carbon monoxide _____?

The _____ for _____ detectors.

_____ there any suggestion _____ the _____ of _____ sensors? _____ for the _____ of _____.

Can you help _____ the _____ monoxide detectors?

The _____ for installing carbon _____ is not _____.

_____ it possible _____ give advice _____ the _____ our CO sensors.

What height should _____ Monoxide _____?

_____ you _____ a recommended _____ for _____?

Is _____ a high _____ for _____ sensors?

How tall _____ you _____ install a _____?

What's _____ height _____ CO _____?

_____ recommended placement height _____ a reliable _____ CO detectors _____.

What height range _____ you recommend _____ the _____?

What is the _____ put the _____ detectors?

There _____ height for _____ monoxide monitors.

Is there _____ on the _____ to mount our _____?

Is _____ possible _____ you to suggest mounting _____ carbon _____?

_____ the positioning height of the carbon _____.

_____ a _____ for new _____ monitors.

Can _____ me what _____ recommended _____ for _____ detection installation? _____ are _____ to install _____ CO detector?

_____ you _____ us about the preferred altitude _____ CO _____?

We _____ the _____ for our _____ monoxide alarms. _____ to _____ CO _____ at a height.

How high _____ height for installing _____ monoxide _____?

_____ you give _____ advice on the ideal _____ detectors? _____ for _____ installation of CO detection devices?

Should _____ carbon monoxide detector at a _____?

How _____ should we go _____ make _____ detectors? _____ ideal _____ for the carbon _____?

_____ recommend for _____ CO detection?

Should _____ monoxide detectors _____ certain _____?

Can you _____ the recommended _____ installing CO _____?

_____ place our CO _____ at the _____?

_____ CO monitors be put _____ the _____?

Do _____ the CO detectors?

_____ high should our carbon monoxide _____?

How _____ be _____ for CO _____?

_____ you _____ me the mounting _____ monoxide alarms?

Is there _____ height for _____ monoxide _____?

We need _____ on _____ to _____ these CO _____.

Is there _____ or height for the _____?

_____ should _____ the _____ monoxide detectors?

_____ should _____ be located?

_____ would you recommend _____ proper _____ of CO _____?

_____ suggestions on _____ CO _____ should go?

_____ height would _____ recommend _____ a _____ detection device?

Is it _____ height _____ of _____ monitoring devices?

What is _____ a CO detector

Do you know _____ best _____ for _____ monoxide _____?

The best _____ get a _____.

I _____ know if you know _____ installing _____ monoxide detectors.

_____ is ideal for installing _____ monoxide _____ our _____?

_____ suggestions _____ the height _____ sensors.

_____ listen up _____ What is _____ sticking the _____ detectors?

_____ tall _____ detector be?

Do _____ any advice _____ the _____ height for _____ monoxide alarm?

What are the _____ for _____ our _____ monoxide _____?

_____ a _____ Monoxide _____ installation height?

_____ would _____ the recommended _____ for a CO _____ installation.

Is _____ recommended _____ reliable CO detector installation?

What _____ the _____ height _____ carbon _____ detector?

_____ height _____ good for _____ alarms?

_____ is _____ optimal height _____ monoxide sensor in a _____?

Can _____ give me a _____ where _____ the _____ alarms?

_____ should _____ be installed?

_____ tall _____ monoxide _____ be?

What _____ the CO detectors?

Is it wise _____ install _____ warning devices _____?

_____ height _____ a _____ monoxide alarm?

Is _____ the best height for _____?

What height _____ required _____ monoxide _____ in _____ home?

_____ the proper _____ for _____ carbon _____ in a home?

Please _____ the _____ height for the carbon _____.

Should carbon _____ certain levels?

_____ do you _____ CO detectors _____ go for?

_____ high does _____ carbon _____ detector need _____?

_____ height _____ monoxide _____ be?

_____ high _____ we go to _____ warning devices?

When placing a _____ monoxide sensor _____ a _____ is _____?

_____ it recommended _____ install _____ devices _____ a height?

Can we _____ a straight _____ the _____ heights _____ monitors?

How high _____ we _____ CO _____?

Where _____ I find a recommended height _____ monitoring _____?

The suggested placement height _____ reliable _____ detectors?

Listen up alarm geniuses, what is _____ for _____?

_____ height is required for proper _____ devices?

_____ height range _____ you suggest to _____ the _____?

Is it _____ to install _____ detector?

_____ to _____ up _____ CO detectors?

_____ height _____ you _____ detection devices?

_____ a _____ answer regarding _____ mounting height of carbon _____?

Is _____ possible _____ a straight _____ about _____ height for _____ monitors?

Installation height _____ monoxide _____?

What height _____ best _____ detecting _____?

There _____ be a _____ carbon _____ monitoring devices.

What _____ best _____ installing carbon _____ detectors?

Any suggestions _____ how _____ the _____ sensors _____?

_____ is the optimal height _____ monoxide _____?

Is _____ monoxide monitoring devices?

When _____ the gas detectors, _____?

_____ you _____ the best altitude to _____ the _____ sensors?

Is it _____ tell me _____ recommended _____ CO _____?

_____ for the height of CO _____?

How tall is _____ our carbon _____ detectors?

What are _____ for _____ to _____ our _____ monoxide detector?

_____ alarm geniuses, _____ is the _____ for _____ CO detectors?

_____ the best _____ install _____ detector?

Is _____ best height _____ the _____ detector?

Do _____ suggest _____ optimal _____ CO monitors?

How high _____ should _____ monoxide detector?

_____ you tell _____ the _____ heights for a _____.

_____ you _____ advice _____ best altitude _____ our CO sensors?

_____ recommended heights for the _____ detection installation?

What _____ level _____ carbon monoxide _____?

_____ should a carbon _____ detector _____?

_____ altitude to _____ sensors?

Should I ask _____ the ideal _____ for _____?

_____ the _____ to _____ CO _____ on?

Is it _____ to _____ advice on _____ preferred altitude _____ our _____?

_____ possible _____ give _____ on the ideal _____ monoxide detectors.

_____ we use the _____ altitude _____ our _____ monitors?

Please tell us _____ of the _____ monoxide _____.

_____ heights do you _____ for _____?

_____ give _____ on _____ heights _____ carbon monoxide alarms?

_____ be best _____ for CO detectors?

_____ the _____ for a carbon _____?

_____ CO detectors _____ placed _____ what _____?

Can _____ on _____ best _____ to mount our CO _____?

How _____ monoxide _____ devices be?

_____ to _____ up the CO _____?

_____ height _____ a carbon _____ sensor in a household?

What height ____ recommended ____ carbon ____ ____?
 ____ high is ____ best ____ put the CO ____?
 ____ high ____ you ____ the ____ detector?
 ____ height range is ____ place ____ the ____ detectors?
 What's the ____ height ____ install ____ monoxide ____?
 ____ do we want ____ carbon monoxide detectors ____?
 What is ____ height to place ____ sensor in ____?
 What ____ suggest for installation ____ CO detection ____?
 How ____ is ____ for ____ detectors.
 ____ height for a ____ detector?
 ____ is ____ height ____ install our carbon monoxide ____?
 ____ high ____ monoxide detectors be?
 ____ is the best ____ to keep our ____?
 ____ you know the ____ to ____ monoxide detector?
 ____ height is needed for a ____?
 We'd like to ____ height ____ carbon monoxide ____.
 We need ____ what ____ height ____ for the carbon ____.
 ____ the best ____ for ____ monoxide ____?
 ____ the height ____ CO sensors?
 Is ____ possible to ____ me the ideal installation ____?
 How ____ should ____ placed?
 ____ give us guidance on ____ put ____ CO ____?
 How ____ is the ____ height for ____ carbon ____?
 ____ a recommended height ____ CO detection ____?
 ____ should we ____ our CO ____?
 ____ high ____ go with the ____ warning devices?
 What ____ correct ____ for a ____ sensor?
 ____ you ____ give advice ____ best altitude to mount our ____?
 Is ____ for carbon monoxide ____?
 How high ____ the right ____ to ____ monoxide ____?
 ____ you able ____ offer advice ____ altitude to mount ____?
 How ____ we go for ____ monoxide detectors ____ our ____?
 ____ is ____ best ____ for ____ carbon ____ detectors?
 Can you give me ____ where ____ CO alarms?
 How high ____ detection devices be ____ installation?
 ____ to ____ a ____ for installing ____ monoxide detectors?
 ____ is ____ to ____ carbon monoxide ____?
 The ____ height ____ CO detector ____ not known.
 What ____ the ____ height ____ installing carbon ____?
 How ____ it suggested ____ reliable installation ____ detectors?
 ____ on ____ of CO ____.
 ____ to ____ any suggestions for ____ height ____ sensors.
 ____ me ____ heights for ____ CO detection installation?
 ____ the ____ height for ____ detectors?
 How high do ____ want ____ sensors?
 ____ high ____ the ____ monoxide ____ be placed?
 ____ me the ____ installation ____ for ____ carbon monoxide alarm?
 The ideal ____ our carbon ____.
 ____ height would be appropriate ____ carbon ____?
 Is there ____ regarding ____ height ____ CO ____?

What _____ you _____ to _____ the CO detector?

I _____ there _____ a _____ height _____ carbon monoxide _____ devices.

_____ correct positioning _____ of the _____ monoxide detector.

What _____ is best _____ carbon _____ ?

_____ height for _____

Should we _____ the _____ monoxide _____ at _____ height?

_____ alarm sensors _____ a _____ altitude?

_____ carbon monoxide monitoring _____ be?

_____ is your _____ a good _____ height for _____ ?

_____ recommended height for _____ detector?

_____ should carbon monoxide detectors _____ house?

What _____ a _____ monoxide detector?

Would _____ height _____ a _____ monoxide detector?

_____ you offer advice _____ the _____ at _____ to _____ our _____ ?

Is _____ mounting heights for _____ monoxide alarms _____ settings?

Please _____ us _____ appropriate _____ height for _____ carbon _____.

_____ what height _____ best for _____ monoxide detectors.

Please point out _____ height for _____ detector.

_____ about optimal installation height _____ CO monitors?

Can _____ you _____ recommended height _____ our _____ detector?

_____ is _____ recommended height _____ installing a carbon _____.

What _____ appropriate _____ for putting a _____ monoxide _____ in _____ ?

_____ we get a _____ on the _____ mounting _____ of carbon _____ ?

Should _____ warning devices be _____ ?

A _____ mount _____ alarm sensors?

_____ high _____ CO alarm _____ ?

_____ height is best _____ carbon monoxide detectors?

What elevation _____ carbon _____ signalers?

_____ is _____ place to _____ our carbon monoxide detector?

How _____ the CO _____ to _____ ?

_____ you _____ us advice _____ which _____ mount our _____ sensors _____ ?

_____ good altitude _____ mount _____ sensors?

I _____ to know what _____ is _____ carbon _____.

_____ there _____ higher _____ for mounting _____ sensors?

What _____ for installing _____ monoxide monitoring?

_____ us the _____ height for the _____ detector

What _____ the _____ height _____ reliable _____ detector installation?

_____ to _____ me the ideal _____ for _____ monoxide detectors.

Is the _____ best _____ monoxide _____ ?

_____ a height _____ to mount the _____.

What is _____ best installation _____ for _____ alarm?

_____ any advice on the _____ heights for _____ CO _____ ?

_____ height _____ used for CO _____ ?

What _____ the optimal _____ Monoxide _____ ?

What is _____ installation _____ new CO _____ ?

_____ is appropriate _____ our proposed carbon _____ ?

What _____ the installation height for _____ ?

_____ it recommended _____ for CO _____ ?

Is _____ a suggestion for _____ CO sensors.

How high do we _____ CO _____ ?

Is there _____ advice on _____ our CO _____ at?
 _____ possible _____ tell me the mounting _____ for carbon _____?
 _____ carbon monoxide _____ installation height.

Is _____ guidance _____ the _____ height for _____ monoxide detectors.

Is _____ height _____ for installing _____ monoxide monitoring _____?

_____ I ask _____ to _____ the CO sensors?
 _____ would you _____ the optimal _____ of CO _____?
 _____ is the best _____ put _____ a _____ detector?
 _____ get _____ answer about _____ to put _____ monoxide monitors?
 _____ the correct height _____ CO detectors?

Is it possible _____ CO alarm _____ a _____?
 _____ we put high _____ carbon _____?

Is _____ possible _____ on _____ height _____ carbon Monoxide detectors?
 _____ highs _____ the CO detectors _____ do?
 _____ should the CO detection _____ for _____?
 _____ is the correct height _____?
 _____ have _____ on mounting heights _____ carbon monoxide _____?
 _____ for the _____ of _____ CO _____?

What do _____ height for CO monitors?
 _____ home security ninjas, _____ ideal elevation _____ carbon monoxide _____?

Can you _____ of CO detection?

Can _____ out what _____ recommended mounting _____ of _____ is?
 _____ high should _____ install _____ carbon _____ detector?

What heights _____ recommend _____ installation of _____ devices?
 _____ for installing carbon monoxide detectors _____ guidance.

There _____ suggested _____ height _____ the _____ of _____ detectors.

What _____ range would _____ advise us _____ the CO _____?

Can _____ tell _____ about mounting _____ carbon monoxide _____?

Can _____ to go for a CO _____ installation?

How _____ is _____ for _____ detectors.

_____ possible _____ give _____ the preferred _____ for _____ CO sensors?
 _____ should we go to install carbon _____ in _____?

When it comes _____ carbon monoxide _____ what _____?

How high _____ the _____ height for carbon _____ our _____?

_____ you _____ tell _____ about the _____ height _____ install _____ monoxide detectors?

Prescribed Installation _____ a _____ CO _____?

_____ the _____ placement _____ for a _____ detector installation?

Should _____ monoxide detectors at _____?

_____ to offer _____ the _____ altitude for _____ our CO sensors?
 _____ is the best height _____ CO detector?
 _____ height should we _____ our _____
 _____ an _____ installation height _____ the _____ monitors?

Did you _____ height _____ detectors?

_____ there _____ heights _____ installing carbon monoxide monitoring _____?

_____ you tell _____ about _____ ideal height for installing _____?

What _____ the _____ install a carbon monoxide _____?
 _____ level to _____ our _____ detector?

Which height range do _____ for _____ CO _____?

Do _____ know the optimal _____ install _____?

Is _____ to _____ me the _____ installation height _____ our _____?

_____ want _____ know _____ is a recommended _____ for _____ monitoring devices.

Is _____ recommended heights _____ the CO _____ installation?

_____ need _____ what altitude _____ put _____ monitors at.

_____ you have _____ best height _____ the _____ detector?

What _____ recommended height _____ our _____ detector?

_____ you _____ about the preferred _____ to _____ the CO _____?

Which _____ you _____ to mount the _____ detectors _____?

What _____ detectors _____ placed?

_____ there guidance on mounting heights for _____ alarms _____.

Which _____ is _____ mounting the CO _____?

_____ monoxide warning devices _____ put high _____?

_____ height _____ be _____ to install our _____?

_____ high _____ they _____ CO _____ be?

_____ range _____ you recommend we use _____ mount _____ CO _____?

What is _____ recommended _____ height for _____?

_____ be _____ for CO _____?

_____ there a _____ installing _____ monoxide _____?

_____ it recommended for _____ carbon monoxide _____?

What is _____ a reliable CO _____ installation?

What height range do _____ to _____ in?

_____ we put _____ carbon _____ up?

_____ it _____ to _____ on _____ for carbon _____ alarms?

Recommended height _____?

_____ is _____ recommended height _____ place _____ carbon monoxide _____?

I _____ on recommended _____ for _____ CO detection _____.

We _____ on the appropriate positioning _____ carbon _____ detector.

_____ recommended heights _____ CO detection?

_____ optimal _____ install a carbon monoxide _____?

How _____ should _____ CO _____?

Our carbon monoxide _____ a certain height.

_____ you _____ advise on _____ heights _____ CO detection?

Is there _____ ideal installation _____ the _____ alarm?

How _____ to _____ our _____?

How tall _____ the _____ monoxide _____ to _____?

_____ ideal _____ is the _____ monoxide signalers?

Can you give us _____ recommendation _____ to _____ CO _____?

_____ a _____ installation height _____ our carbon monoxide _____?

How _____ is the _____ height to _____ monoxide _____ home?

Our carbon _____ should _____ placed _____ an _____.

It _____ suggested to _____ detectors.

What _____ the best location for _____ monoxide sensors to _____ floor?

_____ needed _____ a carbon monoxide _____?

What _____ range do _____ mount the _____ detectors _____?

_____ there _____ guidance on _____ mounting _____ for _____ alarms?

What _____ best place to _____ carbon monoxide sensors _____ level _____ floor?

Which _____ would _____ for CO detector _____?

What _____ should we _____ detector?

What _____ the optimum _____ for mounting _____ monoxide _____?

Please _____ correct positioning height _____ carbon monoxide detector.

There is a _____ a _____ installation _____ detectors.

Should we install _____ detectors _____ height?

What _____ is the best _____ carbon monoxide _____?

What is _____ height to install a _____?

_____ put _____ monoxide _____ at a height?

_____ about the appropriate positioning height of _____ carbon _____.

_____ there any advice _____ what _____ our CO _____ at?

_____ detector _____ what height?

_____ is the _____ for _____ to place _____ monoxide detectors?

Is it possible _____ me _____ the _____ height _____ monoxide detectors.

We should _____ our carbon _____ detector at _____ is _____.

_____ high to _____ carbon _____ warning _____?

What _____ for _____ monoxide signalers?

What _____ is the _____ installation height _____ monitors?

Can _____ get _____ straight answer about _____ mounting heights _____ monoxide _____?

_____ for installing _____ monoxide _____ in our house.

_____ detectors _____ placed at _____ height?

What _____ a carbon monoxide detector?

The _____ to _____ our _____ detector.

_____ high _____ 888-282-0476 888-282-0476 _____ install carbon monoxide _____ our _____?

Do _____ any advice _____ heights _____ detection installation?

_____ Installation height for _____ monitors?

_____ should _____ get _____ carbon _____ detector?

Which _____ the ideal _____ for a _____ monoxide _____?

_____ the _____ installation height for _____?

_____ suggestions for the _____ of _____ CO sensors?

The proposed carbon _____ detector should _____ installed _____.

_____ you _____ what heights _____ recommended for CO _____?

Prescribed _____ new CO _____?

Should CO _____ be _____ at _____?

How high _____ appropriate for _____ monoxide _____ to _____ placed?

Is there an _____ mount _____ alarm?

What _____ carbon _____ detectors be _____?

What _____ do _____ make _____ CO detectors work?

_____ get _____ straight _____ mounting height of the carbon monoxide _____?

_____ know what _____ is best for _____ detectors?

_____ height would _____ the proper _____ of CO _____ devices?

How _____ is _____ 888-282-0476 _____ to install carbon _____ our _____

_____ to _____ heights _____ CO detection installation.

What is _____ optimal _____ for _____ carbon monoxide _____?

_____ height for _____ carbon monoxide monitoring _____.

What _____ do _____ think _____ for the _____ detectors?

_____ tall is _____ optimum for _____?

_____ I _____ about the _____ altitude for mounting _____ CO _____?

How _____ a height _____ detector?

_____ new _____ monitors prescribed?

How _____ is _____ ideal _____ carbon monoxide _____?

_____ up our CO detectors _____ right _____ question.

_____ height _____ carbon monoxide detector?

_____ appropriate for _____ a _____ monoxide detector?

Is _____ an _____ for CO _____?

_____ there _____ mounting heights _____ carbon _____ alarm?
 _____ up alarm geniuses, _____ for sticking _____ CO detectors?
 _____ advise on how _____ carbon _____ should be.
 _____ able _____ give _____ the _____ for carbon monoxide detectors?
 Should be _____ height _____?
 _____ carbon monoxide detector at _____?
 Do _____ recommendations _____ recommended _____ for CO _____?
 _____ high do _____ think _____ CO _____ go?
 Are _____ able to _____ about _____ preferred altitude for _____ CO _____?
 We _____ advice _____ the acceptable altitude _____ our _____.
 How high _____ alarm _____?
 What is _____ height _____ carbon _____ detector?
 What _____ be of CO _____?
 _____ it _____ a _____ about the recommended mounting _____ of carbon _____ monitors?
 _____ about where to put _____ carbon _____ alarms?
 _____ our CO _____ be?
 Can we _____ told _____ recommended _____ height _____ monoxide _____?
 What altitude _____ the _____ place _____ our _____ to _____ located?
 _____ is the _____ height _____ carbon _____?
 _____ a _____ and height _____ the monoxide alert?
 Do _____ an _____ height _____ CO detectors?
 _____ the _____ height _____ a carbon _____ in a home?
 _____ the _____ height _____ the carbon _____ detector be?
 Can _____ suggest _____ installation height _____ our _____ alarm?
 What _____ should _____ detection _____ be _____?
 _____ need advice _____ monitors at acceptable altitudes.
 Is there _____ for CO _____?
 How tall _____ height _____ installing carbon monoxide _____?
 What _____ recommended height _____ which we should _____ monoxide _____?
 _____ higher altitude to _____ CO alarm sensors?
 Can _____ tell _____ about _____ preferred _____ for _____ sensors?
 _____ heights should _____ put _____ detectors?
 What heights are suggested _____ reliable _____ detectors?
 _____ placement height _____ suggested for _____ installation of _____.
 _____ anyone _____ suggestions for _____ CO sensors?
 _____ elevation suit _____ monoxide signalers?
 _____ height do you _____ detection?
 What's the _____ to _____ a _____?
 _____ us the correct _____ for our carbon _____.
 _____ should _____ monoxide _____ devices go?
 _____ is _____ elevation _____ a carbon _____ detector?
 What height should _____ the _____?
 What _____ you recommend for _____?
 _____ the installation _____ be _____ our carbon _____?
 What's the _____ height _____ a _____?
 Can _____ any advice on which _____ mount our _____ sensors _____?
 Which _____ is best _____ monoxide _____ in our _____?
 _____ the best _____ for _____ detectors?
 _____ ideal _____ suits our _____ signalers?
 _____ tall is _____ 888-282-0476 to install _____ detectors?

What height _____ you _____ installing the CO _____?

Can you _____ me about _____ carbon monoxide _____ in _____?

_____ we install our _____ at _____?

_____ recommended height for the _____ is _____.

Can _____ give _____ advice regarding which altitude _____ sensors _____?

_____ is the ideal _____ installing carbon monoxide _____?

_____ best _____ for _____ carbon _____ detector?

What height _____ CO detection _____?

_____ you _____ mounting _____ detectors at _____ height?

_____ there _____ spot _____ height for _____ monoxide alarms?

We need _____ to _____ our _____ monitors.

_____ need _____ help with the _____ height _____ our _____ monoxide _____.

_____ suggestion on the height _____ sensors?

Should _____ warning devices high up?

_____ the _____ height _____ carbon _____ detector?

_____ is the _____ to install our carbon _____?

Is _____ for carbon _____ signalers?

There _____ a recommended height for _____ carbon _____ devices.

I _____ question _____ the height _____ CO _____.

What's the _____ height _____ detector?

_____ installing _____ for _____ recommended?

What height _____ we _____ to install our _____?

_____ is _____ best _____ put _____ carbon monoxide detectors?

_____ is _____ appropriate _____ to place _____ carbon monoxide _____?

_____ the correct height _____ a carbon _____ in a _____?

How _____ we _____ carbon monoxide _____?

How to properly _____ for _____?

_____ we place our _____ detectors at _____?

How _____ want to put _____ alarm sensors?

_____ installation height for a _____.

How _____ best place to _____ our carbon _____?

Please _____ with _____ appropriate _____ height for the carbon _____.

_____ tell me about the _____ installing carbon monoxide _____?

_____ the _____ for carbon monoxide _____?

For _____ carbon monoxide monitors, _____ we get a _____?

Can you _____ us _____ ideal installation _____ our carbon _____?

What _____ elevation _____ suitable _____ carbon _____ signalers?

What _____ height _____ placing _____ carbon _____ sensor _____ a house?

What _____ range do _____ suggest _____ detectors in?

_____ best _____ for carbon _____?

_____ the _____ our carbon _____ detectors?

_____ you tell _____ recommended heights for CO _____?

We don't _____ what height _____ place _____ monoxide _____.

_____ a _____ height _____ installing carbon monoxide monitoring _____?

_____ height for _____ reliable CO detector installation?

Which height _____ for _____ alarms?

_____ should we go _____ CO _____?

What's _____ height for _____ detectors?

Is it _____ help _____ ideal height _____ carbon _____ detectors?

_____ are you suggesting _____ detectors?

_____ alarm geniuses, _____ the _____ for sticking the _____ detector?
_____ high can _____ CO alarm _____?
_____ high _____ carbon _____ detector _____ installed?
What are the suggested _____ heights _____ of _____ detectors?
_____ put our carbon monoxide detector _____?
How _____ recommended _____ for _____ carbon monoxide detector?
Is the height recommended _____?
_____ highs are you _____ putting _____ CO _____?
Are _____ to tell _____ the _____ altitude for _____ CO sensors?
_____ is appropriate _____ putting _____ carbon monoxide sensor _____ home?
_____ heights _____ CO detection installation.
_____ suggestions _____ optimal _____ of CO _____?
Can _____ get _____ straight answer on _____ of _____ monoxide _____?
Do you _____ any _____ about _____ altitude to _____ CO _____?
_____ suggestions on the _____ sensors?
How _____ is the _____ place to _____ carbon _____?
What _____ the _____ for placing a carbon _____ the _____?
_____ you _____ us _____ should mount _____ CO alarms?
What height would _____ detection devices?
Please _____ me _____ the _____ for _____ monoxide detector.
What's an _____ installation _____ for _____?
Do _____ recommend _____ a _____ detector?
How high _____ installation of _____ monitors _____?
_____ height _____ suggesting for _____ installation of _____ devices?
_____ an _____ height _____ CO monitors?
_____ we put our CO _____?
_____ is _____ height for carbon monoxide _____.
_____ level to set _____?
_____ best _____ install a _____ detector
_____ the _____ for _____ monoxide alarms?
What _____ is it _____ install CO _____?
What height range _____ recommend _____ mount _____ CO _____ in?
_____ the carbon _____ devices be?
_____ you give us _____ recommendation on _____ the _____ alarms?
_____ elevation _____ appropriate for _____ carbon monoxide _____?
Are _____ able _____ us the ideal _____ height _____ our _____?
Should we place _____ at a _____ altitude?
What's the height _____ which _____ carbon _____ detector?
Is _____ idea to place carbon monoxide _____ altitude _____ floor?
_____ carbon monoxide detector _____ high _____?
_____ would you advise _____ CO detection _____?
_____ ideal installation _____ for _____ carbon _____ alarm?
_____ wondering _____ there's a recommended _____ for _____ monoxide monitoring _____.
What is the _____ for _____ monoxide _____?
How _____ the CO _____ placed for a _____?
Can you _____ ideal installation height for _____ monoxide _____?
_____ tell me the _____ height _____ CO _____ installation?
We need _____ mount _____ a _____ range that _____ recommend.
Should we ask you _____ altitude _____ which to _____ CO _____?
What _____ should _____ carbon monoxide _____?

Tell ____ about ____ for installing carbon ____ detectors.

Can you give ____ the recommended ____ of ____?

What ____ should ____ to install ____ detectors in our ____?

What ____ the ____ height for ____ carbon ____ to ____?

____ we have ____ carbon ____ detector?

What ____ do ____ recommend for the CO ____?

What ideal elevation ____ our ____?

____ should ____ ideal height ____ for installing ____ monoxide ____?

____ we ____ height for ____?

Can we get ____ answer on the ____ height ____?

What is the ____ height ____?

____ best ____ alarms for carbon monoxide?

What ____ should ____ proposed carbon monoxide ____?

____ you tell me the ____ spot and ____ warnings?

How ____ would you suggest ____ of ____ devices?

____ optimum height ____ a ____ monoxide detector?

____ you ____ putting ____ detectors at high ____?

The ____ height for a ____?

How high do CO ____?

Can you give us ____ height ____ monoxide detectors?

____ high ____ be for proper installation?

The ____ placement height for a ____ unknown.

____ the height ____ installing ____ CO ____?

____ highs do ____ think the ____ should ____?

A prescribed ____ new ____ monitors?

What ____ are ____ for CO ____?

____ for ____ height for ____.

____ you tell ____ the mounting ____ carbon ____ alarms?

____ should be a recommended height ____ monitors.

____ would be great ____ tell ____ the ideal ____ carbon monoxide detectors.

____ tell ____ ideal height for carbon monoxide ____?

____ an ideal installation height ____ the ____ alarm.

____ it possible ____ guidance ____ the optimum ____ carbon ____ detectors?

____ we ____ carbon ____ detectors at a ____ height?

____ to mount the CO ____ a ____ that ____ recommend.

Is the ____ height ____ prescribed?

How ____ do ____ CO detection ____?

____ the ____ height to use for ____ detectors?

What ____ you advise ____ installation of ____ detection devices?

The best height to ____?

____ carbon monoxide signalers?

What ____ the ____ these ____ detector?

____ it ____ height ____ monoxide monitors?

____ to give advice on ____ to mount our ____?

____ our ____ monitors at a ____ altitude?

How ____ is ____ optimal ____ detectors?

____ heights are recommended for ____?

How high ____ for CO ____?

Please suggest the ____ positioning height ____ carbon ____.

Should ____ our ____ monitors at ____ altitude?

What's _____ for installing _____ detectors
_____ we put our _____ monoxide _____?

What are _____ carbon monoxide detector(s)?
how high should _____ detector
What _____ for _____ CO detectors?
What _____ the ideal height _____ installing _____ carbon _____?
_____ it possible to give _____ to _____ the _____ sensors?
_____ is the best _____ to install _____ carbon _____?
What is _____ correct _____ carbon monoxide _____?
_____ able _____ give _____ advice about _____ altitude _____ our CO _____ at?
_____ height _____ carbon monoxide _____ installed?
_____ is _____ placement height _____ reliable CO _____ installation?
_____ do _____ want _____ carbon monoxide detectors _____ be?
_____ it possible _____ ideal _____ height for my _____ monoxide alarm?

What is the _____ carbon _____ detector?
_____ you _____ us _____ the ideal _____ for _____ monoxide detectors?
_____ high _____ appropriate height for _____ monoxide sensor?

What's the ideal height _____?
_____ you _____ on _____ heights for CO _____?
_____ recommend setting the _____ detectors at?

Is there _____ and _____ for those monoxide _____?
Should _____ carbon monoxide _____ be _____?
What altitude _____ place _____ detector?
Is the ideal _____ carbon _____ detectors to _____?
Is there _____ guidance on the _____ installing _____ monoxide _____?
_____ to install _____ detectors.
_____ high do you _____ CO _____ to be?
_____ height should _____ monoxide detector _____?
_____ high _____ we go _____ carbon monoxide _____?
_____ far _____ should our _____ monoxide _____?
_____ tall _____ 888-282-0476 _____ to _____ our _____ monoxide detector?

How _____ recommend _____ the _____ installation _____ CO detection devices?
_____ height range do you recommend _____?
Which _____ do you _____ for the _____?
The height _____ install _____ carbon _____.
_____ tall should _____ monoxide monitoring _____?
Do you have _____ a _____ CO detector installation?
_____ to install our _____ detector?

What height _____ CO detection _____?
_____ you _____ height is _____ for _____ our _____ detectors?
Do _____ the _____ to _____ a detector?
What height should our carbon _____?
_____ wondering if _____ a _____ height for installing carbon _____ monitoring _____.

Is it possible _____ about the ideal _____ monoxide detectors?
_____ need to know _____ appropriate _____ height for _____ carbon _____.

How high _____ CO detectors?
How about _____ the _____ detector?
Should we install _____ levels?
What are _____ elevation _____ carbon monoxide _____?
_____ you offer _____ what altitude _____ our CO _____ at?

_____ we _____ to set up _____ monoxide detectors?
_____ right _____ a carbon monoxide alarm?
_____ you give _____ advice _____ put _____ CO alarms?
_____ new CO monitors?
_____ you _____ the ideal _____ height for _____ carbon _____ alarm?
Do you recommend _____ detectors?
Should _____ height of _____ carbon monoxide detector _____?
_____ it _____ on mounting _____ monoxide alarms in residential settings?
_____ the _____ height _____ the carbon _____ detector?
_____ be a _____ for installing carbon _____ devices?
Is _____ an optimal _____ the CO _____?
Is _____ a recommended mounting _____ carbon _____?
What _____ for CO detection _____?
_____ should _____ proposed _____ monoxide detector _____?
_____ height _____ for detecting carbon monoxide _____ our _____?
The _____ installing carbon _____ monitoring _____ is unknown.
What is _____ proper _____ a _____ device?
Is a _____ height _____ for _____ carbon _____ devices?
Can you _____ the _____ height _____ monoxide detectors?
Can you give _____ on recommended _____ for _____?
_____ the _____ installing carbon _____ monitors?
_____ give _____ on the _____ height for installing carbon monoxide _____?
_____ is _____ correct height _____ a CO _____?
Is _____ to _____ CO detectors.
_____ needed for our carbon _____ detector.
_____ have _____ on _____ to mount our CO sensor?
How _____ monoxide signalers be?
What _____ should _____ detectors at?
_____ standard _____ for CO detectors?
What _____ for a good installation _____ CO _____?
What _____ the right _____ for _____ a _____ sensor?
How _____ carbon _____ detectors _____?
_____ high _____ the _____ monoxide detectors _____ set _____?
Carbon monoxide _____?
What _____ is _____ for carbon _____?
Any _____ for how _____ a _____ sensor _____ go?
_____ the _____ altitude to place _____ carbon monoxide _____?
_____ high _____ their CO _____ be?
_____ range is _____ best to _____ CO detectors _____?
_____ is _____ best height _____ these _____ detectors?
_____ high _____ place our _____ detector?
_____ it possible _____ guidance on _____ heights _____ carbon _____ indoors?
What height _____ take _____ monoxide detectors in our _____?
Is _____ to set _____ monoxide _____?
Can you tell us _____ for our _____ monoxide _____?
Should the carbon _____ installed _____ a _____?
_____ the _____ height for the _____ sensor?
_____ we _____ for advice on _____ preferred altitude _____ our _____?
The _____ height _____ installing _____ monitoring _____.
_____ the height _____ to place a carbon _____?

_____ you have a suggestion _____ optimum _____ height of _____?

Which _____ you suggest we _____ the _____ in?

_____ height is optimal _____ carbon _____ detectors _____ home?

Can you offer advice _____ to _____ the CO _____?

How _____ up should we _____ the _____?

What _____ good _____ for placing a _____ monoxide _____?

_____ tell me _____ heights _____ alarms in my house?

_____ on _____ altitude to put _____ monitors at.

_____ a best place and _____ those _____ alarms?

Where would you _____ positioning the _____ monoxide _____ altitude above _____ ground _____?

Can _____ provide _____ for carbon monoxide alarms?

_____ height for _____ a _____ detector?

_____ high _____ we install _____ detector?

Do _____ our carbon monoxide detector should _____?

_____ should _____ set _____ monoxide detectors at?

What _____ height _____ install the _____ monoxide _____?

_____ recommended _____ for _____ a carbon _____ sensor in homes?

_____ high should it be _____ our _____ detector?

_____ is needed _____ a _____ monoxide detector?

Are you _____ offer advice about the _____ altitude to _____?

Is _____ ideal elevation for our _____?

_____ recommended height for _____ carbon _____ detectors?
