

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Requests for energy-saving tips or recommendations
Inquiry Sub-Category	Renewable energy alternatives
Description	Customers request information on renewable energy options such as solar panels or wind turbines to decrease their reliance on traditional power sources.
Data Size	6,610 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

What are _____ in wind turbines _____ my _____ footprint?
_____ machines _____ to reduce CO2 release?
_____ does investing in _____ a difference _____ my emissions?
_____ invest, can wind _____ carbon-footprint _____?
Wind turbines _____ the _____.
Is _____ possible _____ in _____ turbines _____ lower my carbon _____?
_____ turbine investments lower _____ footprint?
_____ does _____ turbine _____ my carbon _____?
Investing _____ wind _____ CO2 release.
_____ turbine _____ in reducing _____
I _____ the _____ turbine _____ my carbon footprint.
Would investing _____ reduce CO2 _____?
_____ know _____ there _____ to wind turbine _____ for reducing CO2.
If I invest in wind _____ my _____?
The windmills _____ slash _____.
_____ to reduce my _____ impact _____ investing in _____.
Should wind _____ help _____ my _____?
I _____ if wind turbines _____ carbon _____.
Do there _____ wind turbine _____ reducing CO2?
What _____ wind turbine's _____ to _____ carbon _____?
Can _____ turbines _____ to help reduce _____ carbon _____?
I'm _____ the deal _____ using _____ my carbon output.
Is _____ wind _____ going to _____ my _____ output?
_____ wind _____ cut my _____ footprint?
How _____ lower _____ footprint by _____ wind turbine investments?
_____ could _____ carbon footprint by _____ in _____ turbines?
_____ the _____ turbines _____ with _____ carbon _____?
_____ putting money _____ wind _____ my _____ dioxide output?
Can _____ help cut _____ footprint?

How does ____ turbine ____ my ____?

____ wind ____ reduce ____ footprint?

____ in ____ turbines ____ cut ____.

____ investing ____ a ____ good for ____ impact?

____ wind ____ use lower my ____?

____ turbine investments ____ about ____ emissions?

Can wind ____ reduce ____ carbon ____?

Is ____ turbines ____ to ____ my ____?

____ my ____ output

Can ____ wind turbine ____ reduce ____ on ____ environment?

____ it possible ____ wind turbines ____ decrease ____ footprint.

____ in wind generators ____ my ____ emissions?

Are there ____ advantages ____ investing ____ wind power ____ emission ____?

Does ____ decrease my ____ footprint?

Can ____ farms ____ carbon ____?

Investing ____ decreases ____ gases.

____ wind farms ____ cut ____ carbon ____?

How can ____ decrease ____ by ____ money into wind ____?

I ____ to ____ my ____ so ____ the advantages of ____ turbines.

If I invest ____ a ____ turbine ____ able to reduce ____.

Is it ____ wind ____ shrink ____ footprints?

The ____ of ____ a wind ____ to reduce ____ explained.

____ it possible ____ wind ____ reduce ____ footprint?

Do ____ decrease ____ carbon ____?

____ make ____ invest in wind ____ equipment for reducing ____?

Is it ____ to ____ my carbon ____ I invest ____ a ____?

____ the ____ lower my carbon ____?

What does ____ turbines do to ____?

____ wind turbine ____ good ____ CO2?

Is it ____ wind ____ cut my ____ footprint?

Is ____ a good ____ invest ____ wind turbines for ____?

____ want to ____ if there are ____ gains ____ investing ____ turbines ____ carbon footprint.

Is it ____ carbon ____ with the ____ of wind ____?

How ____ the ____ help shrink my ____?

____ I ____ my ____ with wind turbine investments?

____ to reduce emissions.

Please tell ____ I ____ turbines ____ reduce ____ carbon footprint.

Is it beneficial ____ invest ____ wind ____ green ____?

____ I reduce ____ by investing ____ a wind ____?

Will investing ____ turbine ____ emissions?

Is ____ wind turbines ____ me ____ my carbon footprint?

____ in ____ farms help reduce ____ impact?

____ will I reduce ____ emissions ____ I invest ____ wind ____?

Is ____ in wind turbines the best ____?

____ wind ____ reduce ____ carbon ____?

Can ____ help ____ cut my carbon ____?

____ possible to ____ the ____ impact by investing ____ farms?

How would ____ my ____ be aided by ____ turbines?

Are wind ____ good at ____?

Is ____ turbines ____ reducing ____ footprint?

____ wind ____ in ____ my carbon ____?
 ____ of ____ wind ____ decrease ____ carbon footprint are unknown.
 Is ____ worthwhile to invest ____ turbines for reducing ____?
 How can ____ carbon footprint ____ by ____ wind ____ investments?
 ____ wind ____ help my ____?
 ____ can I ____ my carbon ____ wind ____ investment?
 ____ in wind ____ affect ____ person's eco ____.
 ____ turbine investments ____.
 Can ____ my carbon ____ by investing ____?
 Are wind turbine ____?
 Do ____ cut ____ carbon ____?
 ____ wish to reduce my ____ choosing ____ turbines.
 ____ can ____ decreased by ____ in ____.
 How would ____ in ____ turbine technology help ____ with ____?
 I want to ____ if ____ turbine ____ will lower ____.
 I ____ if ____ in wind turbines ____ CO2 ____.
 How does buying wind turbines ____ cut ____ my ____?
 Investing ____ the ____ greenhouse gases.
 ____ investing ____ to lower emissions?
 ____ if investing ____ turbines will lower ____.
 If I ____ in ____ wind turbine, ____ carbon ____?
 Wind ____ my ____ footprint.
 Can ____ investments ____ emissions?
 ____ in a wind ____ help reduce ____ carbon ____?
 ____ of buying ____ turbine for ____ green ____?
 How would ____ carbon footprint ____ investing in wind turbines?
 ____ wind turbine's ____ carbon ____?
 ____ it ____ to ____ my ____ impact with ____ of ____ turbines?
 The ____ help ____ reducing ____.
 What ____ the benefits of ____ wind ____ reduce carbon ____?
 Can ____ in windmills help ____?
 ____ turbine ____ reduces carbon ____.
 Can you ____ how ____ wind ____ will ____ my carbon ____?
 Does ____ help cut ____ carbon ____.
 ____ are the ____ of ____ in a ____ reduce ____ emissions?
 For ____ environmental ____ is ____ worth investing ____ turbines?
 ____ am ____ if ____ turbines can ____ my ____ footprint.
 Is investing in ____ green ____?
 ____ from ____ wind turbine ____ decrease my carbon footprint?
 Is ____ into wind ____ for ____ reduction benefits?
 Using ____ supposed to decrease ____.
 Is it ____ into wind turbines ____ decrease ____ CO2 ____?
 How ____ turbines ____ footprint?
 How ____ investing in ____ affect ____ pollution?
 Is ____ a wind turbine ____ help ____ my carbon ____?
 Investing in ____ can ____ carbon ____.
 ____ I get wind turbines ____ me reduce ____ carbon ____?
 ____ you tell ____ to lower my ____ footprint by ____ turbines?
 ____ turbine investments make ____ difference ____ my ____?
 What ____ will ____ if I use wind ____ to ____ emissions?

_____ footprint can be _____ investing in _____ technology.

_____ help reduce my emissions?

Investing in _____ my _____ footprint.

Is it possible _____ my _____ impact _____ investing in _____?

_____ the _____ turbines reduce _____ footprint?

_____ in _____ turbines _____ emissions.

Can wind turbine investments _____?

_____ be able to _____ my carbon _____?

_____ wind _____ reduce my carbon _____?

_____ I _____ in a _____ turbine, _____ it lower my _____?

_____ does _____ turbines _____ shrink my _____ footprint?

_____ wind turbine production _____ my _____?

_____ wondering if investing in _____ can _____ footprint.

_____ be _____ wind power systems for emission _____?

_____ can help lower my _____.

_____ investments have an _____ on my _____?

_____ do _____ if using windmills _____ decrease my _____?

_____ decrease _____ by putting money into wind machines?

Wind _____ will reduce _____ carbon _____.

What _____ wind turbines _____ to _____?

Invest _____ to _____ emissions

_____ the _____ of _____ wind _____ to _____ your carbon footprint

_____ invest in _____ for _____ my environmental impact?

Should _____ use _____ turbine to _____ footprint?

Does _____ make sense _____ invest _____ a _____ reducing _____ impact?

_____ in a _____ turbine _____ my carbon _____?

_____ that harness _____ gases.

_____ can _____ affect my _____ footprints?

_____ turbine investments _____ emissions?

Wind turbines _____ carbon _____.

Can wind _____ decrease _____?

_____ wind turbine _____ carbon footprint?

How can _____ turbine _____ footprint?

I _____ if wind _____ can decrease _____ carbon _____.

_____ can _____ reduce my carbon _____ investing in _____?

_____ do _____ decrease _____ output by using _____?

_____ benefits _____ I _____ using windmills?

Financing _____ turbine _____ lower _____ levels.

Was _____ turbine gadgets a _____ reducing _____?

_____ be reduced by investing in _____ turbines.

_____ advantage _____ invest in wind turbine investments _____ reducing _____?

Wind turbine _____ might be _____ CO2 _____.

There are _____ to putting _____ systems for _____ reduction _____.

Is _____ in _____ turbine _____ the environment?

Funding _____ projects _____ reduce _____ levels.

_____ not _____ a _____ reduce emissions?

_____ wind farms _____ reduce my _____?

Is _____ use _____ wind _____ decrease my carbon _____ it?

_____ wonder if _____ turbines _____ lower _____ carbon _____.

Can _____ turbine investment _____?

_____ investment reduces carbon _____?
 How does _____ turbine _____ reduce _____?
 If I invest _____ turbines, will _____ footprint _____?
 Is _____ possible to lower _____ carbon footprint _____ wind _____?
 Carbon _____ reduced by _____ wind _____.
 Do _____ investments _____ my _____?
 _____ using _____ decrease _____ carbon _____?
 Is _____ assistance decreasing _____ carbon _____?
 _____ not buy a wind _____ _____?
 _____ turbines effective at decreasing _____ _____.
 _____ you tell _____ how _____ in wind _____ can cut _____ _____?
 _____ technology help _____ my carbon _____?
 _____ investing in a _____ turbine _____ my _____ emissions?
 If _____ invest in _____ it lower _____ carbon _____?
 _____ about _____ turbine investments _____ CO2?
 _____ helped _____ my carbon footprint?
 _____ want to know _____ investing in _____ reduce my _____ _____.
 _____ can I _____ my _____ by using wind _____?
 _____ it _____ wind turbines _____ reduce my _____ footprint?
 I _____ know what _____ windmills to _____ my carbon output.
 _____ using windmills to decrease _____?
 Is it worth _____ wind energy and _____ one's _____?
 How can investing _____ reduce my _____?
 Is it worth _____ wind _____ decrease my _____ impact?
 _____ turbine investments _____ to an eco-footprint _____?
 Will _____ turbine investment _____ carbon _____?
 _____ I _____ my carbon emissions _____ investing in _____?
 _____ you _____ investing _____ wind _____ cuts carbon _____?
 _____ might _____ lower my carbon _____?
 Should _____ investments _____ to a _____?
 _____ wind farms _____ a person's _____?
 _____ CO2 _____ could _____ reduced by investing _____ turbines.
 _____ investing _____ wind turbines going to _____ me _____ footprint?
 How _____ I invest in _____ will lower _____ carbon _____?
 _____ in _____ machines reduces _____.
 How _____ investing _____ wind _____ help _____ carbon footprint?
 _____ I reduce _____ carbon footprint with the _____ turbines?
 _____ it possible _____ my _____ emissions with _____ help of _____ turbine?
 _____ in wind turbines _____ decrease my _____ footprint?
 Investing _____ winds _____ gasses.
 There are _____ to put money _____ for _____ reduction.
 Wind _____ help _____ footprint?
 Is investing _____ wind _____ equipment _____ to _____?
 What _____ deal _____ decreasing _____ carbon output?
 What _____ turbine investments do _____ my _____ footprints?
 _____ investments can reduce _____.
 _____ in _____ machines decrease _____?
 How _____ reduce my _____?
 How _____ lower _____ with _____ help of wind _____ investment?
 _____ technology _____ help with reducing _____ warming.

Will wind _____ a _____ emissions?

_____ do wind _____ affect _____ carbon _____?

_____ worthwhile _____ buy a wind turbine to _____ impact?

Is investing in wind _____ able _____ me lower _____?

Can _____ machines _____ eco impact?

_____ wind turbine good for _____?

_____ help lower _____ footprints.

Could _____ turbine _____ reduce _____?

If I _____ wind _____ can _____ shrink _____?

Can you tell _____ investing in a wind _____ footprint?

_____ wind _____ help with carbon _____?

_____ does the _____ shrink my carbon footprint?

_____ the _____ turbine good _____ control?

_____ I reduce my _____ impact by Investing _____?

The benefits of _____ to _____ CO2 _____ are unknown.

_____ reduce _____ impact by _____ in a _____ farm?

Is _____ advisable _____ invest _____ wind turbines _____ my _____?

_____ wind machines _____ my carbon _____?

_____ wondering _____ turbine investments can _____ emissions.

Money _____ put _____ wind _____ systems for _____ reduction

_____ my carbon _____ I _____ choose _____ wind turbine.

_____ turbines lower the emissions?

Will investing in wind _____?

_____ do to help _____ carbon footprint?

Is _____ invest _____ turbines to reduce _____ CO2 release?

_____ lower my carbon _____ if I _____ in _____ turbines?

_____ in _____ technology offers positive _____ when _____ comes to _____.

To reduce _____ footprint, please explain _____ of choosing _____.

_____ wondering how _____ money into wind turbines _____ CO2 _____.

You _____ tell me _____ can _____ footprint by investing in _____.

_____ want to know _____ can cut _____ carbon _____.

_____ aid in _____ carbon _____.

_____ wind turbines be _____ to reduce _____ person's _____?

_____ invest _____ wind turbine, can it _____ carbon footprint?

_____ it possible that _____ wind turbine _____ footprint?

_____ do _____ get _____ to help _____ shrink _____ carbon footprint?

What do wind _____ footprints?

_____ do wind _____ to reduce _____?

_____ wind _____ for _____ pollution?

How will placing _____ wind turbines affect _____?

_____ invest in _____ turbine to reduce _____ carbon emissions, _____ get?

Should _____ turbine investments _____ to _____?

_____ windmills reduce _____?

Does _____ in _____ reduce _____ footprints?

How _____ investing in _____ wind turbines _____ my _____?

_____ it _____ invest _____ turbines that _____ reduce my _____ impact?

_____ investing in _____ help the _____?

Wind _____ help _____ footprints

_____ advantages _____ a _____ turbine _____ my _____ footprint should be explained.

_____ do _____ reduce my _____?

_____ want to _____ of _____ turbines for cutting my carbon _____.

Can wind _____ with _____ footprint?

_____ the installation _____ lower emissions?

How can _____ turbines _____ decrease _____?

Is it possible _____ doohickeys help _____ CO2 _____?

Does _____ my carbon _____?

_____ farms reduce _____ impact?

Investing _____ wind _____ could reduce the amount _____.

I _____ if _____ turbine _____ will reduce my emissions.

_____ farms decreases emissions.

Will investing in _____?

Is _____ good _____ reining _____ pollution?

Can _____ turbine _____ my _____ footprint?

_____ windmill _____ be used to _____ warming.

_____ the wind _____ slash my _____?

I _____ to _____ carbon footprint, _____ please _____ the _____ wind turbines

_____ the wind _____ make _____ difference to my _____?

Is it _____ that wind _____ reduce my _____?

Does _____ sense to _____ turbines _____ reducing the environmental _____?

_____ turbine _____ it to reduce _____ environmental impact?

_____ can _____ expect when _____ use _____ turbine _____ carbon footprint?

How _____ turbine _____ reduce carbon _____?

Can _____ emissions _____ investing in wind farms?

_____ wind _____ decrease my _____ footprint?

_____ does _____ wind _____ reduce my _____ emissions?

How will putting money _____ my _____ outputs?

_____ decrease my CO2 _____ by putting money _____?

_____ wind decreases greenhouse gases.

_____ the wind _____ investment _____ emissions?

_____ wind turbine _____ decrease _____ carbon _____?

Does _____ wind _____ make _____ to my carbon _____?

_____ turbines _____ in cutting my carbon footprint?

_____ have _____ affect on my eco-footprint?

_____ turbine aid in _____

_____ in _____ turbines has an _____ on the _____.

There are _____ investing in _____ turbines to _____.

Can I _____ to _____ my _____ footprint _____ turbine?

What _____ you _____ footprint due to _____ energy _____?

Can you _____ investing _____ a wind _____ can _____ my carbon _____?

_____ do _____ lower _____ carbon footprint _____ wind turbines?

_____ can _____ invest _____ wind _____ to lower _____ footprint?

Would _____ decrease _____ footprint?

Is _____ that _____ footprint can be reduced if _____?

How _____ decrease my _____ output _____ money into my _____?

_____ in _____ carbon footprint.

_____ investing in _____ wind turbine _____ my carbon _____?

_____ wind _____ reduce _____ carbon _____?

_____ putting money _____ wind turbines affect my _____?

_____ can the wind turbines _____ me _____ footprint?

_____ it _____ to use _____ to _____ carbon footprint?

Will the _____ emissions?

Is investing in _____ turbines _____ minimize _____?

Can I _____ farms _____ minimize _____ carbon impact?

Is _____ in _____ capable _____ reducing _____ carbon impact?

I want to _____ wind _____ can _____ lower _____ carbon footprint.

_____ wind _____ my _____ impact?

_____ does investing _____ a _____ turbine reduce _____?

_____ it _____ that those wind _____ my _____ gunk?

_____ reduction decrease _____ carbon footprint?

If I _____ in _____ farms, _____ carbon impact?

How _____ wind _____ my _____ footprint?

How will _____ wind _____ affect my CO2 _____?

_____ wind energy _____ my carbon _____?

Can _____ power _____?

How _____ putting _____ into wind _____ CO2 output?

Can _____ turbine _____ reduce _____?

I _____ to reduce _____ carbon emissions _____ I _____ in _____.

Should _____ wind farms to reduce my _____?

_____ would _____ be able to lower _____ footprint by _____ turbine _____?

_____ wind power help _____ my _____?

_____ wind _____ at decreasing my _____?

_____ my _____ emissions be reduced by investing _____?

I _____ like to _____ if _____ my carbon _____.

_____ to decrease _____

How can _____ turbines _____ my _____?

Is _____ to decrease my _____ footprint by _____ turbines?

_____ I _____ my _____ footprint _____ investing _____ wind farms?

Is _____ advantage _____ investing _____ wind _____ investments _____ reducing CO2?

How _____ wind turbines decrease _____?

I am wondering _____ wind _____ help _____ footprint.

Will wind _____ difference _____ my carbon _____?

_____ get wind turbines _____ help _____ my _____ footprints?

_____ in _____ can offer _____ outcomes _____ global warming.

_____ invest in _____ turbine to _____ emissions, _____ advantages will _____ get?

_____ my _____ can _____ by investing in wind _____.

Is _____ possible that _____ reduce emissions?

_____ do I _____ decrease my carbon output?

_____ help _____ my carbon footprints?

_____ good for reducing _____?

_____ investing in a wind _____ green _____?

_____ the _____ of _____ a _____ turbine to reduce my _____ emissions?

Is investing in wind turbines _____ me _____ carbon _____?

How _____ investment in wind turbines _____?

_____ wind turbine _____ decrease _____ carbon _____?

_____ funding _____ turbine projects lower _____?

_____ can _____ turbine investments _____ carbon _____?

_____ is _____ use _____ to decrease _____ carbon output?

I wonder _____ I can reduce _____ in _____ farms.

_____ wind turbines _____ to reduce _____?

Will _____ wind turbines _____?

Funding ____ turbine ____ may ____ levels.
 ____ footprint may ____ reduced by investing in ____ .
 ____ carbon footprint ____ be ____ by investing ____ equipment.
 ____ turbine good ____ down ____ pollutants?
 Investing ____ wind turbines ____ release?
 ____ I minimize ____ by purchasing ____ farms?
 How ____ turbine ____ my ____ footprints?
 ____ cut my ____ by investing in wind ____ .
 ____ to minimize ____ carbon ____ by ____ in ____ farms.
 ____ me ____ I ____ cut my ____ by investing ____ wind turbine technology?
 How do ____ decrease ____ CO2 ____ by putting ____ into ____ ?
 ____ I ____ impact by ____ in wind farms.
 Is ____ to ____ my ____ waste by ____ mills?
 ____ are ____ money ____ power systems for emission reduction.
 Is ____ in ____ farms going ____ ?
 Wind turbines ____ reduce ____ .
 ____ turbines help with ____ .
 ____ it possible ____ reduce the CO2 release ____ turbines?
 ____ possible to minimize ____ if ____ invest ____ wind farms?
 Why ____ I ____ wind ____ to decrease ____ carbon ____ ?
 ____ turbine help the environment?
 Investments ____ windmill ____ a chance ____ reduce global ____ .
 Can ____ cut ____ carbon ____ ?
 Is investing ____ a wind ____ worth ____ to ____ my ____ ?
 Do ____ carbon footprint?
 How ____ my carbon ____ wind turbines?
 Do ____ difference in my ____ Footprint?
 ____ doohickeys helping ____ my ____ gunk?
 ____ wind turbine ____ me ____ my ____ ?
 Are wind ____ related ____ eco-footprint?
 Is it ____ to ____ in wind ____ CO2 ____ ?
 If ____ in ____ wind turbine, ____ affect my ____ footprint?
 ____ want to ____ if there are ____ advantages ____ for reducing ____
 I'm wondering ____ in ____ can ____ carbon footprint.
 ____ is the impact of ____ turbines ____ ?
 Should I invest ____ turbines ____ my ____ ?
 Can ____ carbon dioxide ____ be ____ by investing ____ ?
 Is it ____ to ____ environmental ____ by using ____ ?
 What do ____ think can ____ due ____ energy?
 Investing to ____ will ____ greenhouse ____ .
 ____ cutting carbon footprints.
 How can I ____ in ____ to ____ carbon ____ ?
 ____ me ____ the benefits of ____ for reducing CO2
 ____ in ____ turbines reduce ____ footprint?
 ____ wind ____ decrease my carbon ____ ?
 ____ wind farms help ____ footprints?
 ____ wind ____ for green impact?
 ____ like to know ____ in wind turbine ____ lower my ____ .
 ____ in ____ machines ____ cut carbon ____ .
 ____ production ____ my carbon footprint?

I am wondering _____ will reduce _____ emissions.
 _____ turbine investments work to _____?
 _____ investing in _____ farms affect _____ emissions?
 _____ want to know if wind _____ investments _____.
 Invest in _____ turbine to _____.
 How _____ my _____ decreased by putting money into _____?
 How _____ wind _____ CO2 output?
 _____ wind _____ investments _____ pollution?
 _____ wind _____ investments decrease my _____?
 Investing in _____ reduces _____ footprint?
 _____ I _____ wind turbines _____ reduce my carbon _____?
 How can I _____ footprint with wind _____?
 _____ turbine help in _____ footprints
 Will wind turbine _____?
 _____ can I use wind _____ to _____ my _____?
 How _____ wind _____ investments _____ my _____?
 Is _____ in a _____ turbine _____ idea _____ my carbon _____?
 Would wind turbines _____ my _____ if _____?
 _____ my carbon footprint _____ aided _____ in _____ turbines.
 Can _____ turbine investments _____ my _____?
 _____ footprints _____ aided _____ wind turbines.
 Investments in _____ technology _____ global warming.
 Do _____ investments make a _____ eco-footprint?
 Investing in _____ lower carbon _____.
 How _____ wind _____ investments _____ my carbon _____?
 Investing _____ reduce the CO2 _____.
 _____ turbines will _____ emissions.
 Can I _____ my carbon _____ by _____ in _____
 _____ investing in a wind turbine affect _____?
 _____ carbon footprint _____ investing in wind _____ may _____.
 _____ are benefits to _____ in _____ power _____ for _____.
 _____ wind turbine _____ my _____ Footprint?
 Is it possible to _____ environmental _____ turbines?
 _____ turbine _____ to a _____ eco-foot print?
 Can investing _____ wind turbine _____ reduce _____ person's _____ on _____?
 How _____ turbines _____ decrease _____ footprint?
 Wind turbine _____ helps _____.
 Investing _____ could lower _____.
 _____ any _____ to wind turbine investments for _____?
 Can _____ my carbon impact _____ investing _____ farms.
 _____ possible _____ invest in wind _____ that _____ CO2 release?
 Is _____ better to invest in _____ turbine _____?
 _____ the _____ investments lower _____ footprint?
 How _____ wind _____ investments _____ my _____?
 Is it _____ to _____ my _____ in wind _____ investments.
 _____ wind turbine _____ help _____?
 _____ can _____ investments lower _____ Carbon _____?
 _____ do wind turbine _____ my _____?
 If _____ invest in _____ turbines, will _____ lower _____?
 _____ in _____ turbine's, will they _____ my carbon _____?

How ____ I decrease ____ output by ____ turbine construction?
 ____ wind turbines ____ reduce ____.

Is it possible ____ wind turbines ____ lower ____ carbon ____?

Can wind ____ reduce ____?

Wind turbine's ____ help cut ____?

____ into wind power systems ____ emission reduction ____.

I would like ____ to ____ my carbon ____.

There ____ advantages ____ putting ____ into ____ power ____ emissions reduction.
 ____ to harness winds reduces the ____.

Investing in wind farms ____.

____ I reduce my carbon ____ by ____ turbines.

How will putting ____ machines affect ____ output?
 ____ will spending money on ____ turbines ____ output?

Wind ____ reduce carbon ____.

The benefits of ____ wind ____ to reduce ____ are ____.

Do ____ reduce my carbon ____?

Is wind ____ for ____?

Do you ____ my carbon footprint ____ in wind ____?
 ____ using windmills decrease ____ output?

Wind turbine ____ footprint?

____ wind turbines do ____ emissions?

Is ____ turbine good for ____?

____ could ____ my carbon footprint ____ investing ____ wind turbine ____?

How ____ my carbon ____ by investing ____ wind ____?

Can ____ reduce my ____ investing in wind ____?

____ there any advantages ____ investing ____ wind turbine ____ reduce ____ emissions?

How ____ wind turbines ____ reduce ____?

____ I reduce ____ carbon footprint by ____ turbines?

Is it possible ____ in wind ____ to ____?

How would my ____ footprint ____ by ____ in ____?

____ does wind turbine make a difference ____?

____ these ____ mills reduce my carbon waste?

____ wind turbines ____ to ____ carbon footprint?

____ wind turbine to ____ my carbon footprint?

Is there an advantage to ____ into ____ for ____ reduction ____?

Investment in ____ can help reduce ____.

____ in wind turbines able ____ carbon emissions?

Is ____ to ____ my carbon ____ worth ____?

Can ____ limit ____ impact ____ I ____ in ____ farms?

____ are advantages to ____ wind power ____ emission ____.

How does investing ____ wind turbine ____ my ____?

Is it ____ to ____ output ____ putting ____ into ____ farms?

____ it ____ to ____ wind ____ to lower my carbon ____?

____ invest in wind turbines, ____ shrink ____ footprints?

What can ____ projects ____ lower CO2 ____?

____ using ____ to decrease my ____ work?

Is ____ that ____ will ____ carbon-footprint?

____ can wind turbine ____ carbon footprint?

____ wind turbines ____ decrease ____ carbon ____?

Wind ____ investments ____ able to ____ release.

How ____ investing ____ turbines contribute to reducing ____?

____ investments ____ my emissions?

How ____ turbine ____ carbon ____?

Can ____ footprint if ____ in wind farms?

Does ____ turbine investments ____ eco-footprint ____ me?

Does ____ turbines ____ carbon ____?

How would ____ wind turbines ____ reduce ____ footprint?

If ____ invest in wind ____ will ____ carbon ____?

____ wind ____ cut ____ carbon footprint.

____ expect from using wind turbine ____ decrease my ____?

Is there any advantages to ____ CO2 reduction?

How would ____ lower my carbon footprint ____ the help ____?

Can wind ____ footprints if I invest ____?

Is the ____ good ____ pollution?

____ wind ____ help slash my ____?

____ investments ____ my carbon emissions?

Can wind ____ investments ____ environmental ____?

Please tell ____ about ____ investments ____ the ____.

Funding wind turbine projects ____.

____ able to ____ carbon footprints.

Will wind ____ lower ____?

____ it ____ invest in wind ____ for reducing my ____?

____ wind turbine ____ pollution?

____ it ____ sense to invest ____ wind ____ reduce ____ impact?

____ turbine use can ____ reduce ____.

Can ____ machines ____ my ____ footprint?

Do ____ difference in my carbon ____?

____ I ____ the ____ turbine, can it shrink the ____?

Wind ____ reduce ____.

____ help ____ reducing carbon footprints.

____ it advisable ____ wind ____ for my green ____?

____ reduced by investing in wind ____

Wind ____ help ____ reducing ____.

Can wind turbine investments ____ my ____?

____ I ____ in ____ reduce my environmental impact.

____ wondering ____ wind turbine ____ to a smaller ____.

____ investing in ____ wind turbine ____ an ____ eco ____?

____ turbine a ____ way to ____?

How ____ turbine ____ my carbon footprint?

____ wind ____ projects ____ lower CO2 ____.

How does ____ in a ____ greenhouse gasses?

How do ____ turbine ____ my ____?

____ in ____ power ____ greenhouse ____.

Does ____ in a wind ____ difference ____ my carbon ____?

Wind ____ reduce ____ footprints.

Can I ____ from ____ investments?

What can ____ reduce carbon ____?

____ can I lower my carbon ____ by ____ in ____?

____ wind machines ____ my carbon ____?

How ____ investing in ____ my carbon ____?

Should I invest ____ wind ____ reduce ____ impact?

How can ____ my CO2 output ____ wind turbines?

Is investing in ____ wind ____ good ____ impact.

How can ____ farms help ____?

Will wind ____ reduce ____?

Can wind ____ eco impact?

____ can ____ lower ____ footprint ____ investing in ____ mills?

How ____ my carbon footprint?

Investing ____ turbine ____ reduce ____ footprint.

____ can I reduce ____ output ____ investing ____ wind ____?

How ____ wind ____ my carbon footprint?

____ wind turbine ____ greenhouse ____ emissions?

There ____ a ____ whether ____ turbines lower my ____.

What ____ the ____ using ____ turbines ____ reduce carbon ____?

____ turbine investments ____ in a ____ eco-footprint for ____?

Is ____ that wind ____ investments can ____ carbon ____?

What do ____ will reduce ____ footprint ____ energy benefits?

____ blasted turbine ____ move for reducing ____?

____ want to know if wind ____ carbon ____.

Will wind ____ carbon ____?

It ____ put money into wind power ____ reduction.

____ wind farms help ____ carbon ____?

____ my ____ emissions ____ investing in wind turbine

Can ____ turbine ____ make ____ difference ____ eco-footprint?

Is ____ turbine ____ cut ____ footprint?

____ a ____ turbine to ____ emissions.

Climate change can be ____ to ____.

Do windmills reduce ____?

____ wind ____ technology capable ____ cutting ____ footprint?

____ investing in wind turbines ____ cut carbon ____?

How is the ____ windmills ____ decrease ____?

____ wind ____ reduce my ____?

____ will be reduced by ____ wind turbines.

____ is ____ to decrease my carbon output?

Is placing ____ wind ____ systems for ____ advantages?

How do ____ use ____ carbon ____?

____ does ____ in a ____ turbine ____ carbon emissions?

What advantages ____ I ____ I ____ wind turbine?

____ wind ____ help ____ my ____?

____ my carbon footprint be reduced ____ farms?

Does ____ reduce emissions?

Can ____ possibly reduce ____ emissions?

____ wind ____ investments affect ____?

Carbon footprints can ____ cut ____ investing ____.

____ does ____ turbines do ____ lower my carbon ____?

Is it worth buying ____ turbine ____?

____ worthwhile ____ put money into wind power ____ emission ____?

____ turbine investments ____ carbon footprint?

____ can ____ turbines help ____ carbon ____?

____ I invest ____ a ____ turbine to ____ my ____ are ____ advantages?

_____ wondering _____ wind turbines _____ my carbon footprint.
 Does _____ to _____ in wind turbines _____ reduce the _____?
 What _____ if _____ invest in a _____ turbine?
 _____ wind _____ affect my _____ emissions.
 Can wind _____ investment _____ ecological _____?
 How will _____ reduce _____ warming?
 _____ in _____ help me with my carbon _____?
 _____ the carbon _____ by _____ turbine?
 _____ possible _____ shrink _____ if _____ invest _____ wind turbines?
 _____ wind _____ investments _____ eco-footprint?
 Do _____ turbine _____ effect _____ my eco-footprint?
 _____ does wind turbines _____ cut my _____?
 Are _____ for carbon _____?
 Invest _____ farms to _____?
 Will _____ turbine _____ lower _____?
 Does it make _____ to invest in the wind _____?
 _____ wind turbine _____ or not?
 _____ that _____ turbines can cut my carbon _____?
 Is _____ worth getting a _____ my _____?
 _____ in _____ turbines _____ lower _____.
 _____ are the _____ of wind _____ emissions?
 Does wind _____ carbon footprints?
 Is it _____ wind turbines _____?
 _____ how wind turbine investments can lower _____ footprint.
 _____ would I _____ my carbon _____ in wind _____?
 Can I _____ my _____ footprint _____ farms?
 Wind _____ can _____ footprint.
 _____ wind turbines _____ reduce carbon _____?
 _____ possible to _____ carbon footprints _____ in wind turbines?
 _____ does investing _____ help _____ my carbon emissions?
 _____ help _____ reduce my carbon _____?
 Can _____ carbon impact low by _____ wind _____?
 Are _____ turbine _____ worth _____ to reduce _____?
 Is _____ possible _____ in _____ turbines _____ carbon footprint?
 Is _____ help _____ my _____ footprints?
 _____ you tell me _____ lower _____ carbon footprint _____ investing _____ wind _____?
 Is _____ possible _____ carbon _____ by investing _____ wind _____.
 _____ are _____ advantages of _____ to reduce carbon emissions?
 Is _____ possible that _____ turbines _____ my _____ footprint.
 _____ in _____ turbines _____ my _____ emissions?
 Is _____ possible _____ in _____ decrease CO2 release?
 _____ windmills lower my _____?
 What _____ think about the wind _____ carbon footprint?
 Is wind _____ carbon footprint.
 How _____ wind _____ me reduce _____ carbon footprints?
 _____ to reduce my carbon emissions _____ I could _____ in _____.
 _____ in wind _____ CO2 release.
 Does _____ help reduce my _____?
 _____ don't know if wind _____ help cut _____.
 _____ investing _____ wind _____ make _____ difference in _____?

____ question ____ turbine investments ____ to a smaller ____.
 ____ to ____ in wind ____ for reducing my carbon ____?
 ____ in wind turbines ____ emissions.
 ____ investing ____ reduce emissions?
 ____ in wind turbine ____ footprint.
 ____ it ____ minimize my impact by ____ farms?
 Is ____ possible ____ turbines ____ my ____ footprint?
 ____ turbines ____ good if you ____ pollution.
 ____ you ____ are benefits to ____ turbine ____ for ____ CO2?
 How can my ____ be ____ by ____ farms?
 Wind ____ projects ____ be funding ____ lower ____.
 ____ my ____ emissions be ____ by ____ wind turbines?
 ____ the ____ turbine ____ reduce my ____?
 ____ of carbon footprint due ____ wind energy ____?
 ____ my ____ be reduced ____ I invested in wind ____?
 ____ I reduce ____ carbon footprint ____ farms?
 Is using ____ my ____ a good thing?
 ____ there ____ to wind ____ investments ____ CO2?
 ____ carbon footprint decline ____ I invest ____ wind ____?
 Wind turbines ____ with reducing ____.
 ____ windturbines ____ my carbon ____?
 ____ wind ____ do to reduce my ____?
 Is it possible to ____ in wind ____ minimize ____?
 Is ____ to ____ a wind ____ reducing my environmental ____?
 How will I ____ able to ____ my carbon emissions ____ wind ____?
 ____ the benefits to using ____ turbine ____ my carbon ____?
 Can wind ____ carbon ____ reduced ____ invest?
 ____ way to decrease my ____ footprint ____ turbines?
 ____ in ____ turbines ____ carbon footprint?
 I ____ my ____ emissions if I were ____ invest ____ turbines.
 Does ____ to invest ____ for ____ my environmental impact?
 Investing to ____ winds ____ decrease ____.
