

[Demo] NLP Dataset for Customer Service Automation

Company Type	Telecommunications Equipment Manufacturers
Inquiry Category	Customization and product configuration requests
Inquiry Sub-Category	Advanced feature customization
Description	Customers looking to customize advanced features of their telecommunications equipment, such as call routing, security settings, or user interface preferences.
Data Size	5,412 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

_____ possible to _____ the user _____ preferences on _____ devices?

Are _____ personalize _____ device's interface?

Can we _____ experience _____ these _____?

_____ there _____ way _____ interface preferences on telecommunication _____?

_____ we be _____ to personalize _____?

_____ it _____ user interface _____ of our equipment?

_____ devices capable of _____ more?

_____ it _____ to personalize _____ interface on the _____?

Would it be possible _____ interface _____ our _____?

_____ there a _____ modify _____ interface _____ our _____ gear?

_____ could _____ change _____ we _____ phones?

_____ personalize _____ interface on _____ gadgets?

_____ possible to _____ the user _____ our _____ devices?

_____ might be _____ modify the user _____ telecommunication equipment.

_____ individualized device _____ options _____?

Can we _____ in _____ telecom _____?

Do _____ personalize _____ interface?

_____ personalized device interface _____?

Are y'all _____ me to _____ on this device?

Can I _____ user _____ preferences on _____?

_____ modify the _____ on telecom _____?

Is it possible _____ I _____ modify the _____ these devices?

_____ there _____ way _____ personalize the UI preferences on _____?

I wonder _____ telecom gadgets interface preferences.

Would _____ for _____ the way we _____ and interact _____ these communication _____?

_____ could _____ preferences on _____ phones?

Is there _____ that I will be _____ to _____ the _____ interface _____?

I _____ know _____ can _____ telecom _____ user interface.

Can ____ communication ____ possible?

Couldn't ____ the ____ interface ____ our equipment?

____ there ____ way ____ the interface on ____ devices ____ personal preferences?

Would ____ possible ____ modify our view ____ communication tools?

____ to ____ the user experience on ____ gadgets?

____ allow ____ personalized user interfaces?

____ options feasible?

____ any ____ can ____ the user ____ on ____ communication devices?

A possible way ____ device ____.

Are ____ change ____ settings ____ our telecom equipment?

____ choose their interface ____ devices?

Can ____ modify my ____?

____ change the UI preferences ____ gadgets?

Is it possible ____ modify ____ gadgets?

____ it possible ____ user ____ the telecom devices?

Can ____ change the ____ devices?

____ we change ____ phones?

____ there ____ we can ____ personalize the UI preferences ____ our ____?

____ we alter ____ interface ____ on ____?

____ personalize telecom equipment ____?

____ it possible ____ change ____ telecom ____ user interface ____?

____ tailor ____ interface on ____ to our liking?

____ the features ____ communication gadgets?

____ possible for ____ to change ____ we use ____ tools?

____ is ____ that telecom gadget UI ____ could be ____.

____ the ____ change our telecom settings?

Do ____ devices ____ more ____ personalization?

Is ____ a ____ to modify the ____ phone?

____ possible to ____ interface on our ____ devices ____ our individual ____?

____ tailor the telecom ____ your ____?

____ it ____ possible to adjust ____ we view ____ with ____ communication ____?

Is it ____ the interface ____ on telecom ____.

____ possible to ____ how we ____ and interact ____ tools?

____ we personalize ____ on ____ devices?

____ to set their own ____?

Can ____ add ____ own ____ devices.

Can ____ change ____ our communication ____ used?

____ the ____ we view ____ interact with ____ communication tools?

Is personal ____ possible in ____?

Is ____ chance I ____ change the user ____ on ____?

Would ____ we view and interact with ____ communication tools?

Could you give me ____ device's ____?

____ possible to alter ____ user ____ settings ____ our ____?

Would ____ be ____ the ____ we view ____ interact with these ____?

____ I possibly ____ telecom ____ interface ____?

Do you ____ for ____ make our own ____?

Will we ____ personalize the telecom ____?

____ modify the user ____ devices?

We ____ know ____ we can ____ interface settings for ____.

Is ____ personalize user interface ____?

_____ we _____ the _____ on these _____?

_____ your _____ let users set their _____?

_____ we change the _____ preferences _____ telecommunication devices?

_____ the user interface _____ phones?

Can _____ interface on _____ devices?

_____ chance that I'll _____ able to _____ on these cursed _____ devices?

_____ we _____ the user _____ telecom _____?

_____ it be possible to _____ the _____ choice?

Is there any _____ to _____ interface _____ our telecom _____?

Is _____ a _____ personalize _____ interface _____ our gadgets?

_____ to modify our interface _____ our devices?

_____ it possible to _____ the user _____ gadgets?

Do _____ you _____ the experience _____?

_____ I modify the _____ on _____

Are we _____ the interface settings _____ our _____?

_____ telecom _____ customizing _____ experiences more?

Is _____ possible to _____ interface features _____ our _____ hardware?

Can _____ modify the _____ my _____?

Would it be _____ personalize _____ for _____?

Is it possible _____ to personalize _____ devices?

_____ possible our telecom _____ have _____ tailored to _____?

Do _____ have the _____ to _____ the _____?

_____ possible _____ personalize the UI _____ on _____ equipment?

Is _____ possible to _____ interface on _____ devices?

Can _____ my _____ interface preferences?

Can _____ change the _____ my _____?

Personalized _____ may _____ with _____ devices.

Is there a _____ that _____ be _____ to change _____ these cursed communication _____?

_____ I able _____ user interface _____ telecom devices?

_____ we _____ phone _____ settings?

_____ we _____ phone _____ settings

Is _____ to _____ settings for _____ telecommunication devices?

_____ able to _____ the user experience _____ gadgets?

_____ the settings on the _____.

Is _____ custom-made?

I would _____ my _____ characteristics

Do telecom _____ user experiences?

_____ change the _____ of _____ telecom gadgets.

Is _____ possible to _____ the _____ on _____ phone _____?

Would it _____ us to _____ how we view _____ with the _____?

_____ change my device _____?

_____ I alter _____ device's UI _____?

_____ possible _____ our phone _____ settings?

_____ you have any _____ make _____ equipment _____ preferences?

Can _____ modify their _____ the _____?

_____ user _____ preferences _____ our _____ can be _____.

Would _____ possible _____ adjust _____ we _____ communication tools?

_____ it _____ to _____ preferences _____ my telecom devices?

Are we _____ to modify the interface _____?

_____ we personalize _____ of our _____?

____ I ____ user interface for my ____ ?
 Do telecommunication devices ____ personal ____ ?
 ____ our interface ____ our telecom ____ ?
 Can the user ____ our telecommunication ____ ?
 ____ let you modify user ____ ?
 Is ____ a ____ will be able ____ modify ____ user interface ____ devices?
 Do ____ have ways to ____ interface preferences?
 Are ____ device ____ options ____ ?
 Can ____ the user experience ____ .
 ____ options for the phone?
 ____ devices ____ settings ____ to us?
 ____ you have ____ for tailoring ____ interface ____ of ____ ?
 ____ we ____ adjust our ____ interface ____ ?
 ____ I ____ look ____ feel of my ____ ?
 It would be ____ change ____ we view ____ these ____ tools.
 Is it ____ a ____ interface?
 Can ____ user interface ____ on ____ equipment?
 Can ____ our UI ____ our gadgets?
 ____ it ____ modify ____ settings on telecom devices?
 ____ we ____ phone ____ settings?
 Can there ____ modify the user ____ desired?
 Can ____ user interface preferences ____ our ____ ?
 Is there ____ I ____ modify the user ____ these ____ ?
 ____ there any ____ to personalize ____ preferences of ____ ?
 ____ we change the settings ____ ?
 Do ____ devices ____ user ____ ?
 ____ settings on telecom ____ ?
 ____ possible ____ change the ____ device's ____ ?
 ____ my phone interface ____ ?
 Are ____ for me to ____ my ____ GUI ____ ?
 Can ____ things with ____ communication ____ ?
 Would it be ____ personalize ____ our telecom ____ ?
 ____ personalize their ____ interface?
 Can ____ our ____ settings ____ own?
 ____ you have ____ to ____ our ____ interface ____ ?
 ____ it be ____ to ____ the ____ for our ____ ?
 Is it ____ change the ____ our ____ devices?
 ____ there ____ to change our telecom ____ .
 Can we ____ user interface ____ ?
 Can ____ change ____ my phone?
 ____ change ____ phones' settings?
 Can ____ make ____ interface ____ tailored?
 ____ able to tailor ____ telecom devices ____ our own preferences?
 Is ____ to ____ telecom ____ user interface?
 ____ there any provision for ____ of ____ user ____ appliances?
 ____ telecom devices allow ____ more ____ the ____ ?
 ____ I ____ my ____ interface?
 Could ____ prefs be ____ ?
 ____ want to know ____ my ____ GUI characteristics.
 ____ personalization ____ interface be done?

____ it doable ____ personalize UI options?
 Is ____ possible ____ telecom devices.
 Are personalize ____ interface ____?
 It's possible that ____ gadget ____ made.
 There is ____ possibility ____ telecom gadget ____ custom-made.
 ____ adjust the ____ interface on our phones?
 ____ there ____ to personalize ____ device UI.
 ____ make the settings ____ phones ____?
 I ____ alter my telecom ____.
 Is there a chance ____ can ____ interface ____ these ____?
 Can ____ interface ____ on my ____?
 Do we have ____ ability ____ the interface settings ____?
 Would ____ possible ____ to change how we ____ these ____?
 Can ____ the ____ these telecom ____?
 Will we be ____ change ____ equipment ____?
 ____ devices ____ personalized ____ interfaces?
 Would ____ us ____ modify how ____ view ____ interact with ____ communication tools?
 Is it possible ____ add ____ our ____?
 It's ____ preferences on our ____ gadgets.
 Can ____ interface ____ our ____ devices?
 ____ I be able to modify ____?
 ____ it ____ to ____ preferences on ____?
 Can ____ the ____ interface preferences ____ devices?
 ____ the user ____ for ____
 ____ change my phone's ____?
 ____ that telecom gadget UI prefs ____.
 Is it ____ modify the user ____ on ____?
 Can ____ interface preferences ____ my telecom devices?
 ____ it possible ____ the ____ settings for ____ devices?
 The telecomGadgetUI ____ be ____.
 ____ we personalize ____ interface?
 ____ devices could ____ that are ____ to them.
 Is ____ personalize telecom ____ user interface ____?
 Is it ____ to ____ user ____ on our ____?
 ____ to make our communication ____ more ____?
 Can we ____ the interface ____ our ____ our ____?
 Is there ____ way ____ modify ____ preferences?
 Is there any way to ____ interface ____?
 Could ____ interface settings ____ our equipment?
 ____ a way to ____ the user interface ____ our ____?
 ____ our telecom equipment settings.
 Do ____ have ____ way ____ tweaking ____ telecom ____ preferences?
 ____ we personalize our ____ equipment?
 ____ be ____ us to change ____ view ____ communication tools' interface?
 Can there be ways to ____?
 ____ it ____ possible ____ the interface ____ my phone?
 Do ____ allow ____ user ____?
 How can ____ modify ____ our telecom devices?
 Can ____ change ____ on ____ devices?
 ____ personalize the user interface settings for our _____.

Is _____ to personalize _____ user interface preferences of _____.

_____ we _____ personalize _____ equipment settings.

Is _____ a _____ to personalize _____ interface on _____?

Can we _____ the UI _____ gadgets?

_____ could _____ change _____ settings?

Do you have _____ to _____ equipment interface _____?

Should _____ to personalize the _____ interface preferences _____ our _____?

_____ you modify _____ settings?

_____ it possible _____ personalize _____ interface

Is _____ possible for _____ to personalize their _____?

There are _____ modify _____ user _____ on _____ devices.

_____ gizmo prefs could _____ custom _____.

_____ there a _____ to change the _____ as _____?

How _____ I _____ device's _____ characteristics _____?

_____ to modify the user interface _____ telecom _____.

Can _____ way we use our _____?

Is _____ way _____ can _____ the _____ of our _____ appliances?

Is personal user _____ with _____?

_____ equipment's interface _____ can be _____.

_____ to change _____ device user _____?

Can we _____ interface _____ for _____?

Is _____ devices capable of _____?

_____ it _____ to change _____ settings on _____ devices?

Do telecommunication _____ user _____?

_____ telecom devices allow _____ even more _____ experiences?

Can we _____ telecom _____?

Could the telecom _____ be _____?

The _____ possibly _____ custom made.

The _____ settings of the telecommunication _____ be _____.

_____ change the experience on _____.

_____ it _____ to _____ our device's _____?

Can _____ my _____ interface _____?

_____ I change my _____ preferences?

Is it _____ change user interface _____ devices?

_____ it possible _____ our _____ devices have _____ settings?

Is _____ to alter the interface preferences _____?

_____ it _____ telecom devices have _____ tailored for _____?

_____ there _____ to personalize the user _____ our _____?

Do you _____ any options _____ making our _____?

Do _____ for _____ personalization of _____?

_____ can _____ personalize _____ GUI characteristics?

Is our telecommunication _____ interface _____?

_____ there _____ chance I will be _____ user interface _____ cursed _____ devices?

_____ telecom _____ personalization?

Our _____ interface preferences _____ personalized.

Is _____ modify the user interface _____ our _____.

_____ a _____ tailor the _____ on telecom devices?

_____ is _____ modify _____ device interface _____.

Would we be _____ settings of the equipment?

Is _____ a _____ modify _____ settings on _____ devices?

_____ change _____ on telecom devices?

_____ possible to personalize _____ interface on _____ telecom _____?

Does telecommunication _____ user interface?

_____ device interface a _____?

_____ be done to _____ interface _____?

Do _____ experience changes?

Can _____ modify the _____ phone?

_____ we _____ interface on _____ devices _____ fit _____ personal preferences?

Is there a way _____ experience on _____?

_____ there _____ us to _____ our _____ device preferences?

Is it _____ interface preferences on my telecom _____.

_____ you _____ to _____ me _____ personalize the _____ this device?

_____ we change our _____ interface _____?

_____ able to change our _____ interface _____?

_____ the _____ to change _____ phone interface settings?

Is there an _____ to _____ interface on our _____?

Would you _____ able _____ the _____ interface _____ please?

_____ you have any _____ to _____ equipment's _____ preferences?

_____ your phones _____ users to _____ preferences?

Can _____ personalize _____ interface _____ communication equipment?

_____ be possible _____ we interact _____ the communication tools?

Is it _____ for _____ to personalize _____ these _____.

Do I _____ option to change _____ phone?

Can we _____ the _____ on _____ different?

_____ are _____ modify our telecom _____ preferences?

Is _____ possible to _____ interface _____ on communication _____?

_____ settings _____ on telecom devices?

_____ it _____ the user _____ settings of _____ phones?

_____ change their _____ on these _____?

Is _____ to _____ the _____ settings on our _____?

Can we _____ devices?

_____ able _____ change _____ on my phone?

Can I _____ user interface _____?

Is _____ possible _____ the _____ of our phones?

Is the _____ gadget _____ custom-made?

Is it possible _____ the _____?

Can _____ change _____ that _____ use _____ devices?

Can _____ change _____ user interface _____.

Is it possible _____ deviceUI _____?

_____ I modify _____ preferences?

_____ there _____ modify telecommunication _____ settings?

_____ we be _____ the interface on _____ our personal preferences?

_____ personal user interface?

Can _____ interface on _____ devices for _____ own _____?

_____ can tailor the _____ our telecom devices to _____.

_____ I modify my _____?

_____ telecom devices _____ to _____ user experiences?

Do _____ is _____ to _____ the _____ interface preferences?

Can _____ the _____ on _____ to our preferences?

Is there _____ way to _____ interface _____?

____ we alter ____ our ____ devices?
 ____ it ____ to personalize ____ preferences ____ communication ____?
 Can ____ the user ____ for ____?
 ____ user interface ____ be tailored?
 ____ to ____ user interface on our ____ systems?
 Is it ____ to ____ experience ____ telecom gadgets.
 Is ____ way ____ change ____ user interface ____ telecom ____?
 Is ____ to personalize ____ telecom ____ interface?
 Will ____ user ____ of our ____ personalized?
 ____ possible ____ tailor the ____ on telecom ____ to ____ preferences?
 We ____ the interface on ____ to our ____.
 Can ____ settings for our ____?
 ____ change ____ interface preferences ____ my devices?
 Do ____ allow ____ be different?
 ____ we ____ user interface ____ of ____ phones?
 Is it ____ to ____ interface ____ our ____ equipment?
 ____ change what's on ____ gizmos?
 Can ____ interface of my ____?
 ____ you ____ me how to ____ GUI characteristics?
 ____ for tailoring ____ equipment's interface preferences?
 Will ____ be ____ to alter the ____ these ____?
 Is there a ____ to personalize ____ preferences ____?
 Is ____ prefs custom-made?
 ____ personalized user ____ telecommunication devices?
 Can we ____ on ____ telecom gadgets?
 ____ we modify ____ settings ____ phone?
 ____ on ____ communication ____ doable
 Personalized ____ telecommunication devices ____?
 ____ we modify ____ features on ____ telecommunications ____ according ____ needs?
 Can ____ the telecom ____?
 ____ devices allow for more ____?
 ____ we add ____ settings ____ devices?
 Can ____ modify ____ telecom device ____?
 ____ our UI preferences on our ____?
 ____ telecommunication ____ allow ____ user interface?
 ____ can we ____ the ____ on ____?
 Are we ____ to change ____ devices?
 Can ____ the device's UI ____?
 ____ we tailor the ____?
 Can I change ____ my ____?
 ____ possible to ____ the user ____ choices?
 Could ____ user interface ____ of our ____?
 Is ____ to adjust ____ settings on ____.
 ____ it possible ____ telecom ____ features?
 Can we ____ way we ____ and ____ tools' interfaces?
 ____ telecommunication ____ personalized user interface?
 Is ____ to ____ user ____ preferences of ____ telecom appliances?
 Can we ____ our devices to match ____ personal ____?
 ____ ways to individualize my device's GUI ____?
 Are ____ let ____ the device's settings?

_____ there _____ chance _____ be _____ to _____ the _____ interface on these _____?

Are we _____ choose _____ on _____ devices?

Can _____ change _____ phone _____?

_____ we tailor the interface _____?

_____ individualizing communication _____ achieved.

Do _____ have _____ the user interface _____ our _____?

The telecom gadget prefs _____.

_____ could _____ we view and _____ communication tools' interface.

Are there _____ equipment's _____ preferences?

It _____ to change _____ deviceUI _____.

Maybe it _____ modify the _____ deviceUI _____.

_____ telecom devices _____ personalize their _____?

Telecom gadget _____ be _____.

_____ we tailor _____ settings _____ our equipment?

Is _____ a _____ to modify _____ user _____ my _____ devices?

_____ we _____ our user _____ our devices?

We would like _____ if we can _____ settings.

Is _____ possible to change _____ our _____ devices?

The _____ interface preferences _____ telecommunication _____ can be _____.

Would it be _____ to _____ for _____ devices?

_____ interface options _____ feasible?

Is _____ options possible?

Can _____ change _____ user experience _____ these _____?

Is _____ to personalize the telecom _____ user _____?

Is it feasible to _____?

_____ personalized user interfaces?

Can we personalize _____ user _____ on our _____?

_____ phone devices allow users to _____ own _____?

Can _____ personalize _____ interface on _____ devices, for _____?

_____ personalize the _____ interface _____ our equipment?

Is there a way _____ personalize _____ user _____ for _____?

Is it feasible _____ personalize _____?

Is it _____ the user _____ of our telecom _____?

Can _____ the interface on _____?

Can _____ options?

Could the _____ devices be different?

I _____ if I _____ my telecom _____.

Can _____ personalize _____ device _____?

_____ possible _____ personalize _____ communication equipment?

Do _____ I'll be allowed to _____ user interface _____ communication _____?

_____ possible for us _____ interface on _____ equipment?

_____ we personalize _____ preferences on _____ devices.

Do _____ to personalize _____ telecommunication equipment?

_____ devices able _____ have _____ interface?

_____ phones _____ your own preferences?

_____ prefs could be _____.

I want _____ user interface on _____ telecom _____.

_____ possible to _____ our _____ interface preferences?

_____ modify the _____ on our telecommunications _____ to meet _____?

_____ it _____ make _____ gadgets have certain preferences?

Can _____ on _____ phone interface?
_____ you _____ telecom gizmos?
_____ it _____ to make changes _____ the _____ our phones?
_____ we _____ the user _____ settings on _____?
_____ assign preferences _____ these phones?
Do _____ think it _____ to change _____ preferences?
_____ you _____ modify _____ gizmoUI?
Is it possible to _____ interface settings _____?
Are _____ to _____ device's _____ characteristics?
_____ possible for us _____ interface on _____ telecom devices?
How could _____ phones _____?
Could you _____ me _____ personalize my device's _____?
_____ it _____ user experience on _____ telecom gadgets?
_____ there _____ personalize _____ telecoms gear?
Would it _____ possible _____ how _____ view these _____ interface?
_____ we change _____ telecom gadgets?
Is _____ any _____ be able _____ the user interface _____ these _____?
Can the _____ preferences _____ my telecom _____ be _____?
_____ change the _____ on _____ phone?
_____ interface options?
Do you have an _____ interface preferences?
_____ telecom devices _____ personalization?
_____ it possible _____ theUI _____ our _____ gadgets?
_____ to be able to Individualize _____ GUI _____.
_____ we modify our _____ settings?
_____ a way _____ personalized user interface _____ devices?
Are we able _____ change _____?
_____ able to _____ interface _____ for the devices?
_____ there _____ to personalize user interface _____ devices?
_____ there any _____ I _____ user interface _____ these communication devices?
Is _____ to _____ preferences _____ our telecom appliances.
Can I set _____ on _____?
_____ there _____ way to _____ deviceUI
_____ possible _____ telecom _____ have _____ interface settings?
Can _____ the _____ of _____ devices?
_____ telecommunication _____ feature personalized _____?
_____ you _____ any _____ tailoring our telecommunication _____ preferences?
_____ the interface on _____ modified?
Would _____ possible _____ change _____ we _____ and _____ with communication _____?
Are it _____ to _____ interface _____ our _____?
_____ phones allow _____ to set _____?
_____ possible to personalize the user _____ on _____?
_____ have the _____ to _____ interface _____ for our _____?
Is _____ possible _____ alter the _____ telecom gadgets.
_____ modify _____ we view the communication tools?
_____ it possible _____ preferences on my phones?
_____ change my telecom _____?
I wonder if _____ possibly _____ telecom _____ preferences.
Would _____ be possible _____ change how _____ communication _____ interface?
Is it _____ our user interface _____ our _____?

_____ my telecom device's UI _____?

Could _____ me ways _____ device's GUI characteristics?

Is there _____ provision for _____ of _____?

Do _____ devices _____ more personalization _____ the _____?

Are _____ telecom _____ individualized?

Is _____ possible to _____ the user _____ on _____?

Do your _____ you to _____ your _____?

Can we modify _____ interface on _____ to fit _____?

Are we _____ tailor the interface _____ telecom _____ to _____ preferences?

Is _____ for changing the look _____ feel of _____?

Will _____ let me _____ this device?

Can our _____ different _____ settings?

Is there _____ way _____ tailor _____ interface preferences?

It _____ possible to _____ the interface preferences _____.

_____ change _____ customizations on my _____?

_____ possible _____ the _____ interface on our _____ devices?

Is _____ telecom _____ interface settings?

_____ could we modify _____ on _____?

Will _____ personalize the _____ device?

Can we personalize _____ on _____?

_____ could _____ change _____ on _____ phones?

Is _____ possible _____ change the user interface _____ our _____?

Is it possible to _____ user _____ telephones?

Is _____ to _____ user _____ preferences on _____?

Can I _____ my _____?

Is _____ a _____ that _____ will _____ to modify the _____ on these _____ devices?

_____ the power to _____ our telecom equipment _____?

_____ change user _____ settings of our equipment?

_____ it possible _____ a personalized user _____ for _____?

Is it _____ to personalize _____ preferences on _____?

_____ we _____ settings _____ our devices?

_____ their interface

Can _____ change the _____ experience of _____?

_____ could _____ our _____ the phone?

_____ there a _____ to _____ the user _____ telecommunication _____?

Do _____ to set their own _____?

_____ telecommunication _____ settings _____ possible.

Can _____ the _____ interface _____ of _____ equipment?

Can _____ modify my _____?

_____ personalized _____ be feasible?

_____ we have the ability to _____ on _____ devices?

_____ able to tailor _____ experiences even _____?

Is _____ possible to _____ the _____ of _____ devices?

_____ the settings _____ phones?

We _____ able _____ deviceUI preferences.

_____ options _____ change _____ interface on our phones?

Are you _____ to allow me to _____ device?

Can _____ change _____ experience _____ these telecom _____?

_____ it possible to personalize _____ our telecom _____?

Is there _____ provision for _____ of _____ interface _____ the _____?

Is _____ modify the user interface on _____?

Is it _____ to _____ the _____ on _____ equipment?

We might be _____ to personalize _____ of the _____.

Is _____ possible to personalize the _____ settings _____?

Is _____ possible _____ the _____ settings?

_____ make the _____ on our telecom devices _____?

It _____ to _____ deviceUI settings.

_____ interface on my phone?

Are we _____ interface settings on _____?

_____ it possible _____ personalize the user _____ our _____.

_____ make _____ phone interface _____?

Do _____ allow _____ to make their _____?

Can _____ make _____ to my _____?

_____ I _____ able to modify _____ user interface on these communication _____?

Is there a _____ device'sUI customizations?

_____ am wondering if _____ the _____ on _____ phone.

_____ I _____ modify the user interface _____ these _____ devices?

_____ the users _____ interface?

Can we _____ how we view _____ with the _____ these _____?

_____ we make _____ deviceUI _____?

_____ change the _____ on _____ fit our preferences?

Is it possible _____ us to _____ our _____?

_____ it _____ the interface _____ our _____ to our preferences?

Can we _____ telecom _____?

Can _____ tell _____ I will _____ the _____ interface on these _____ communication devices?

_____ it _____ personalize the _____ interface?

_____ devices _____ interface settings?

Would _____ be _____ to _____ settings to _____ user?

Do _____ ability _____ personalize interface _____?

_____ is _____ that telecom gadgetUI prefs _____ made.

_____ I _____ the user _____ preferences _____ my _____?

Is _____ any _____ I _____ able _____ the _____ interface _____ these communication devices?

_____ the user _____ preferences for _____ device?

Is _____ our telecom appliances'UI preferences?

Will _____ able to modify user _____ telecom devices?

Do _____ devices _____ experiences?

_____ we change _____ our phones?

_____ interface _____ of _____ devices can be personalized.

Can we _____ the _____ telecom devices _____ own?

Do we have the option _____ tailor _____ devices?

There _____ a possibility _____ prefs are _____.

_____ there _____ way _____ adjust _____ interface _____ my phone?

_____ we able _____ interface _____ of our devices?

Would _____ be _____ user interface _____ you please?

Is there anything _____ to personalize _____ telecom appliances?

Is _____ possible _____ change _____ interface _____ communication gadgets?

_____ it _____ to _____ interface _____ for the telecommunication _____?

_____ I _____ change my _____ interface _____?

_____ we _____ our telecom equipment _____?

_____ it possible to personalize _____ settings _____ our _____?

Is it _____ change _____ customizations.

Do _____ have _____ to tailor _____ interface of _____ telecom _____?

Wouldn't _____ possible _____ how we view and _____ with _____ tools?

We should _____ able _____ telecom _____ interface.

Is _____ possible to personalize the _____ our _____?

_____ we _____ the UI _____ on _____ gadgets?

_____ possible _____ our telecom devices _____ tailored _____?

Is it _____ change _____ settings?

Is a _____ interface _____?

_____ personalize user interface choices?

Is there _____ way _____ personalize _____ for our _____?

Are _____ able to _____ interface _____ on _____ devices?

There are _____ interface on our telecom _____.

_____ be _____ to change _____ we view _____ with _____ communication tools' _____?

Is telecom _____ made?

_____ we _____ the ability to tailor _____ interface to _____?

How _____ set our own _____ on _____?

_____ it possible _____ interface settings on _____ telecommunication equipment?

Can _____ change the _____?

Can _____ a _____ change the user interface to _____?

_____ telecom device UI preferences?

The interface _____ devices could _____ tailored _____ our personal _____.

_____ I _____ of _____ phone different?

Can we change _____ our _____?

Is _____ to modify the _____ our phones?

Is it _____ personalize the UI _____ our _____?

Is there a _____ to personalize _____ interface _____ our _____?

Can _____ phone's interface?

Is it _____ to _____ interface _____ telecom devices?

We _____ to _____ the user interface _____ of _____ equipment.

Is _____ possible to change _____ our _____ gear?

Could _____ make the user _____ settings _____ different?

_____ I _____ the _____ my telecom _____?

_____ there _____ to modify _____ user interface _____ the _____ devices?

_____ you personalize user _____?

Modification _____ device UI _____ be possible.

_____ to _____ how I can individualize _____ GUI characteristics.

_____ the settings for our _____?

_____ we _____ the _____ on our _____ devices _____ own preferences?

Is _____ possible to _____ the _____ of these _____?

Is it _____ for telecommunication _____ to _____ personalized _____?

_____ it possible _____ personalize the _____ for _____?

Can _____ interface settings _____ device?

_____ able to change _____ view _____ interact _____ the communication tools?

Is _____ to _____ user _____ telecom devices?

Can _____ the _____ your own?

_____ it _____ modify _____ interface preferences on my _____?

_____ able _____ personalize _____ interface _____ on our phones?

Do _____ personalization?

Can the _____ customizations _____?

_____ I _____ the user interface _____ my _____?

Can individualizing _____ be _____?

Do we _____ ability to _____ experience on telecom _____?

_____ that _____ telecom _____ prefs could be custom-made.

Is it _____ interface _____ on our equipment?

Is there a way _____ personalize the _____ interface _____?

_____ want _____ my _____ device's UI.

_____ communication _____ individually tailored?

_____ the _____ we view and _____ with _____ tools' interface?

Is _____ way _____ modify the _____ on my _____?

_____ have _____ to modify _____ user interface _____ our telecom _____?

I would _____ a way _____ individualize _____ characteristics.

_____ it possible _____ equipment's UI preferences?

_____ it _____ user interface settings on _____ equipment?

_____ telecom _____ let you _____ user _____?

_____ to _____ my telecom _____

_____ I make changes _____ user _____ my phone?

_____ the _____ interface settings on our _____?

Do we have _____ interface settings for _____ devices?

_____ way to _____ my _____ GUI?

_____ it _____ personalize the User _____ for our _____?

Do you have _____ options for _____ our _____?

Is there a _____ of our _____ devices?

_____ modify _____ telecom device preferences?

Is _____ change the user _____ on _____?

_____ interface settings changeable?

There are _____ to change _____ on _____ telecom _____.

_____ we _____ interface settings _____ the _____?

Can _____ our phone _____?

_____ possible that _____ have personal settings?

Is _____ any way _____ personalize _____ user interface _____ appliances?

_____ possible to add _____ preferences _____ my telecom _____?

_____ personalize the _____ our devices?

_____ interface _____ our _____ devices could _____ changed.

Is there _____ way _____ device preferences?

Do we have _____ to _____ our devices?

Is _____ to _____ the _____ preferences of our _____?

Do _____ the _____ to _____ user experience on _____ telecom _____?

Is _____ possible _____ the _____ device UI

_____ enable personalized _____ interface?

_____ options for us _____ our equipment's _____ preferences?

Is it _____ to _____ on _____ telecommunications hardware?

_____ I _____ change my device's _____?

_____ it _____ for us _____ we view communication tools?

_____ it _____ to modify the user interface _____?

_____ possible to _____ the user _____ of our _____?

Is it possible _____ personalize _____ user interface _____ equipment?

_____ you have _____ tailoring _____ equipment interface preferences?

Can _____ the _____ on our _____?

Can _____ our phone _____ our _____?

_____ we _____ interface settings?
 Can _____ settings on our _____?
 Is the _____ our _____ devices _____?
 _____ interface on my _____?
 _____ we modify _____ interface on _____ telecom _____ match _____ preferences?
 Can users change _____?
 _____ there a way to _____?
 Do _____ devices _____ you _____ experience?
 _____ there a chance _____ allowed _____ modify the user interface _____?
 _____ users _____ choose their UI preferences?
 _____ we _____ able to change _____ user _____ of these _____?
 _____ ways to change _____ on our telecom _____?
 Will _____ be _____ to change _____ interface on _____?
 _____ to _____ telecom device interface?
 Could we _____ interface _____ personalize?
 _____ it _____ be able _____ the _____ interface on these devices?
 _____ there _____ provisions _____ personalization of _____ user _____ our _____ appliances?
 Is _____ a _____ to personalize _____ interface settings _____?
 The prefs _____ telecom _____ be custom _____.
 Can we _____ interface _____ gadgets?
 Can _____ the _____ on _____ phone?
 Can _____ for our phones?
 _____ gizmo UI prefs be possible _____.
 Should _____ able _____ change the interface _____ my _____?
 _____ we _____ how _____ and interact _____ the _____ tools' interface?
 There _____ possibility _____ the telecommunication device _____ settings.
 _____ would _____ possible for _____ to change _____ we _____ and _____ with these _____.
 Can _____ settings for _____?
 Can we _____ the _____ settings _____ devices?
 _____ possible for us _____ personalize the _____ communication equipment?
 Can we modify _____ for _____?
 Are _____ able to _____ the _____?
