I would like _____ me _____ the coverage for _____ elements of _____

I _____ like to know _____ coverage _____ tired _____ of the DME.

_____ explain _____ regarding _____ parts of the _____ system.

_____ would _____ for you _____ me _____ the coverage _____ for _____ exhausted _____ the DME system.

_____ it about _____ and tear _____ of _____ components that _____ them _____ be covered within the _____?

What is _____ for _____ repairing and _____ components _____ the prosthetics _____?

_____ are _____ in _____ the _____ and replacements of tired component _____ the prosthetics _____.

Is _____ possible to _____ the _____ replacing _____ components if they face _____ wear _____ tear?

How about replacing worn-out _____ are in _____ system, _____ are _____ and _____?

_____ coverage criteria _____ of worn _____ component in the prosthetic system?

_____ worn _____ encounter _____ sort of reasonable _____ and tear _____ you _____ us _____ for repair _____?

How much coverage do you _____ for the repair _____ components _____ wear _____ in the _____?

What _____ included in _____ of _____ exhausted _____ the DME _____ something _____ like to know from _____.

What _____ for obtaining _____ repairing/replacing worn-out parts _____ the DME/prosthetic _____ caused by _____ over _____

_____ wear _____ is part _____ is the qualification for repairing _____ components?

What _____ included _____ for fixing exhausted elements _____ systems?

You need to shed _____ on _____ criteria _____ and replacements _____ tired _____ DME _____ setup

Explain coverage rules _____ of the _____ system.

_____ you _____ us with _____ coverage _____ for repair _____ worn _____ components _____ prosthetic system?

Should tired _____ be _____ or replaced _____ assembly merit _____?

_____ it that _____ you _____ on _____ worn-out components _____ the _____ system?

_____ is _____ for _____ or replacing _____ in the _____ setup?

Explain _____ regarding repairing or _____ of the prosthesis _____

Is it possible to _____ criteria for _____ or replacement if _____ out components _____?

Can _____ tell us the specifics _____ out _____ dme and prosthesis?

I would _____ for you _____ is _____ reconstructing tired _____ of _____ DME.

What _____ the qualification _____ replacement of _____ components within the _____?

Can _____ what _____ worn _____ DME _____ eligible for repair or _____?

_____ possible to _____ or _____ of _____ system after _____ has gone through _____ wear?

Do you know _____ repairing or replacing _____ the _____ system?

_____ when _____ required to fix worn prosthesis _____?

What _____ it _____ and _____ components that can _____ them to _____ covered by the _____.

What about _____ out _____ that _____ in _____ system if they _____ tear?

_____ affect repairing/replacing _____ a prosthesis/DMAE assembly merit reimbursement?

_____ would _____ to _____ coverage _____ available for reconstructing _____ of _____ and pro.

We _____ like _____ about eligibility criteria _____ replacements _____ component _____ DME setup.

_____ explanation of the coverage criteria _____ repair and replacement _____ worn _____ the DME/prosthetic _____?

Does _____ within _____ prosthesis/DMAE _____ reimbursement _____ on certain factors?

Can you _____ me _____ for repairing _____ parts _____ to _____ and _____ in the thesis _____?

What qualifies for _____ if _____ is _____ worn prosthesis _____?

Explain _____ rules _____ tired parts _____ the prosthesis system.

_____ of repairs _____ replacements _____ deteriorated _____ are covered _____ the DME _____ prosthesis _____?

_____ shed light on eligibility _____ repairs or _____ in a DME setup.

_____ you tell me what is _____ in _____ for _____ exhausted _____ prosthesis _____?

_____ would _____ for repairing parts in the _____ wear _____ tear?

Is _____ any reason _____ derm/prosthesis _____ are qualified _____ repair _____ replacement?

_____ specifics are available for repairing worn _____ DME/prosthesis _____?

Do you _____ what _____ is _____ worn out in _____ system?

Is _____ explain coverage criteria _____ replacement of worn _____ in _____?

_____ is _____ by _____ qualification for repairing _____ replacing _____ when _____ tear _____ of _____ system?

What _____ specifics are _____ worn _____ in the dme _____?

I _____ to _____ what makes worn out _____ for _____ replacement.

Is it _____ fix worn out parts in _____?

_____ need _____ breakdown of what is considered _____ on repairing _____ replacing components _____ DME.

You can help clarify what _____ are _____ prosthesis.

_____ is the _____ for repairing _____ replacing _____ when _____ tear _____ a system?

Explain coverage rules for _____ tired _____ the prosthesis _____

I _____ like to _____ what _____ is _____ for _____ tired parts _____ DME.

What's the ____ why ____ components ____ qualified to have ____?

Explain ____ when it ____ repairing worn-out ____ in the ____.

Is it ____ to explain ____ coverage ____ the ____ worn ____ in the ____?

When wear ____ is part ____ a ____ is included ____ the qualification for ____ components?

Can you ____ the ____ out derm/prosthesis components are ____ have ____?

What ____ covered when ____ to ____ worn-out parts ____?

What ____ the ____ out derm/prosthesis ____ qualified to ____ repaired/replacement?

What qualifications are needed ____ coverage on ____ parts within ____ regime caused ____ usage ____ time?

____ makes ____ out DME ____ eligible ____ or replacement?

We want to hear ____ criteria for repairs ____ of ____ prosthetics ____.

If worn ____ components encounter ____ of reasonable ____ and ____ can ____ give ____ criteria for ____ or ____?

____ want to know what's ____ the ____ tired parts ____ DME.

You should ____ light ____ of tired components in a ____ setup.

____ hear ____ the ____ criteria for ____ or replacements of ____ in the DME ____

____ included ____ the ____ the ____ of exhausted elements of ____ and prothesis ____?

____ it possible ____ point out ____ repairs and ____ out ____ are covered by ____?

____ to know why worn ____ derm/prosthesis components are ____ repair ____.

____ you ____ what is included in ____ for ____ exhausted ____ of ____ system?

What ____ qualifications ____ repairing or replacing ____ due to ____?

____ to know ____ coverage ____ provided for reconstructing tired ____ DME.

____ tell ____ the coverage is ____ fixing exhausted ____ of the ____?

____ it possible ____ in ____ the coverage ____ replacement of ____ out ____ in the prosthetics?

Is ____ possible to fix ____ in ____ DME/prothesis ____ due ____ use?

____ you tell me ____ covered for fixing ____ prothesis systems?

____ should shed ____ eligibility criteria ____ or ____ components in ____ DME setup

To ____ for coverage on ____ worn-out components ____ the ____ system, there has to ____

What ____ the ____ worn ____ DME/pros ____ components?

What qualifies ____ when worn prothesis ____ must ____?

We need ____ coverage criteria for the ____ and ____ worn ____ parts in ____ DME.

____ weary ____ within a ____ assembly merit reimbursement?

____ for fixing ____ parts of the ____ systems?

____ is the criteria ____ coverage when ____ in ____ prosthetics system?

If worn ____ some ____ wear and tear, ____ give ____ for repair or replacement?

When ____ fix ____ prothesis parts, ____ constitutes coverage?

____ want to ____ what's ____ in ____ coverage ____ exhausted ____ of ____ DME

Can ____ explain the ____ Criteria ____ repair or ____ for ____ out ____ in ____?

Can you tell us ____ eligibility ____ replacing ____ the ____ system?

Can ____ give me ____ reasons ____ out ____ components ____ qualified for ____ or ____?

____ to swap or fix ____ the DME ____ after they ____ and ____?

____ qualifications ____ for obtaining coverage ____ worn-out ____ within ____ DME/prosthetic regime caused by ____ usage ____

I ____ to know the ____ worn out ____ qualified to ____ repair/replacement.

____ it ____ criteria ____ repairing or replacing worn ____ components if they ____ reasonable ____ tear?

What are the criteria for ____ comes ____ replacing ____ components in the ____?

When it's necessary to ____ parts ____ normal use, ____ it covered?

____ you please explain ____ coverage criteria ____ and replacement ____ worn out ____ the ____?

We ____ to ____ for repairs or replacements of tired components ____.

Please tell ____ the ____ criteria ____ both repair and ____ worn out ____.

You need to shed ____ eligibility ____ for ____ or replacements of ____ within ____

_____ specific _____ are _____ for obtaining coverage _____ parts _____ have been _____ in a DME _____

What qualifies _____ coverage _____ repairing/replacing _____ components _____ the DME/prosthesis _____?

Is it _____ to clarify _____ rules _____ the _____ of _____ parts _____ the system due to _____?

_____ it possible to _____ criteria for _____ or _____ the DME system?

What is _____ qualification _____ components _____ wear-and tear is _____ part of a system?

_____ is _____ the _____ tear _____ components that can cause them to be covered _____?

Is _____ coverage _____ worn _____ elements in the _____?

Can _____ clarify _____ repairing worn components _____ my DME/prosthesis _____.

Explain coverage rules _____ of the prosthesis _____

_____ covered by the qualification _____ repairing or _____ components when _____ is _____?

What _____ covering _____ repair and replacement of _____ out _____ in _____ prosthetics _____?

What _____ in the coverage _____ reconstructing tired _____ DME and _____?

What _____ that _____ repairing worn _____ in _____ system?

What _____ are _____ to _____ repairing/replacing _____ out parts within the DME/prosthetic _____ caused _____ reasonable _____ over _____.

_____ there _____ reason _____ derm/prosthesis _____ are qualified for _____ replacement?

I would like _____ tell _____ coverage for _____ exhausted _____ in the _____

Can you _____ us _____ the coverage Criteria _____ or replacements for _____ out _____ system?

Eligibility _____ for worn parts _____ within the _____ that you may _____ able _____ discuss.

When _____ and _____ is _____ a system, what is covered _____ for repairing or _____?

_____ you _____ of _____ repair/replacement coverage _____ worn out in _____ systems?

You _____ the reasons _____ out derm/prosthesis _____ are qualified for _____.

Is _____ possible _____ to explain _____ for repairing _____ worn-out _____ if _____ experience reasonable _____ and tear?

_____ to shed light _____ for _____ or replacements _____ tired components _____ DME setup

What _____ when _____ to _____ worn out _____ in DME/prostheses?

You need _____ on eligibility _____ repairs or _____ of _____ components within the _____ setup

_____ qualifies for _____ when _____ to _____ worn prosthesis _____?

Is _____ possible _____ qualifications for _____ related _____ replacement/repair _____ wore-out _____ in _____ DME _____?

I _____ know what _____ included in _____ coverage _____ fixing _____ elements of _____

Please _____ the criteria for _____ out _____ within the _____.

What is _____ that qualifies _____ towards _____ replacing _____ components _____ the DME _____?

_____ is _____ for repairing or _____ wear and _____ of a system?

_____ tell me why _____ derm/prosthesis components _____ repair/replacement.

_____ me _____ coverage _____ for worn- out parts?

_____ qualifies for _____ when it _____ repairing worn-out components within _____?

Eligibility _____ for _____ or replacements _____ in _____ setup is something we are interested _____.

What qualifications _____ in _____ get coverage _____ repairing/replacing _____ within _____ DME/prosthetic regime _____ by reasonable _____

_____ out _____ sort of reasonable _____ and tear, can _____ us criteria for _____ replacement?

Is _____ possible to _____ repairs/replacements for worn _____ parts _____ covered _____ the _____?

_____ a qualification for repairing or replacing _____ suffered _____ tear within the _____?

Please _____ on _____ fix _____ parts _____ the prosthesis system

Should _____ parts _____ a prosthesis/DMAE _____ reimbursement _____ into account?

_____ for _____ coverage of repairing or _____ components within the _____ setup?

Is _____ explanation of _____ coverage _____ for repair _____ replacement of worn _____ the _____ system?

_____ is _____ when _____ to fixing worn _____ in DME?

Are you able to tell _____ eligibility _____ components _____ DME system?

_____ qualifies for _____ parts _____ the _____?

_____ would _____ to _____ what _____ included in _____ of _____ exhausted elements of _____.

_____ is the qualification for _____ or replacing _____ and _____ is _____?

Please _____ the _____ for both the _____ out parts in the _____.

_____ qualification for repairing or replacing parts when _____ and _____ system?
 Is it possible _____ to _____ the _____ repairing or _____ worn-out _____ if they _____ and tear?
 Explain _____ on how to _____ tired _____ prothesis system.
 _____ know what is included _____ tired elements in the _____.
 _____ as a _____ out _____ coverage on _____ in _____ DME/prothesis system.
 Do _____ know _____ repair or replacement coverage _____ the Dme/prosis _____?
 What _____ the issue about the _____ and _____ that _____ cause _____ covered within the _____?
 _____ am _____ included in _____ for reconstructing tired parts of _____.
 _____ shed _____ on eligibility criteria regarding _____ replacements of tired _____ within the DME _____.
 Coverage rules for _____ of _____ prothesis system _____ explained.
 The _____ for repairing _____ replacing components _____ wear _____ is _____ part _____ system?
 What constitutes a qualification _____ for _____ have _____ wear- And tear within _____ DME?
 I _____ you to _____ me what's included in _____ reconstructing _____ DME.
 What is _____ when _____ comes to _____ parts _____ due to normal _____?
 What is _____ under coverage _____ worn-out _____ in _____ system?
 When wear and _____ is _____ a _____ what is the qualification _____ or _____?
 When _____ to fix worn _____ what qualifies _____?
 _____ you _____ me the _____ out derm/prosthesis components are _____ repairs _____?
 _____ is included in _____ coverage for _____ exhausted _____ DME?
 _____ the _____ coverage to be used to _____ or replace _____ components in _____ DME _____?
 What _____ for getting coverage for _____ parts _____ the DME/prosthetic _____ caused by reasonable _____
 Is _____ possible to explain _____ for _____?
 What _____ the basis for _____ coverage _____ parts in the _____ system that _____?
 _____ you know what _____ worn out parts _____ coverage _____ the _____?
 I _____ to know _____ coverage is _____ for fixing _____ in _____.
 Please elaborate on _____ to _____ worn parts _____ the _____ system due _____ wear _____ tear.
 Can you clarify the coverage _____ out _____ because _____ the _____ system?
