## [Demo] NLP Dataset for Customer Service Automation

Company Type	Smartphone Manufacturers
Inquiry Category	Product features and specifications inquiries
Inquiry Sub- Category	Camera features and capabilities
Description	Customers inquire about the camera specifications of their smartphone, including details such as megapixel count, aperture size, image stabilization, and whether it supports features like portrait mode, night mode, or high-resolution video recording.
Data Size	5,021 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

 $\begin{tabular}{ll} Masked sample paraphrases of one "Smartphone Manufacturer" customer inquiry. (Purchased data will not be masked.) \\ \end{tabular}$

phone image stabilization for blurry and videos?
phone stabilization system to make pictures Videos clearer?
this phone have to make don't out shaky Videos don't go?
Does this have image make sure and videos don't ?
Is the to stabilization to and shaky videos?
phone might image stabilization to make shots out or don't go.
this have option prevent blurry and?
this phone an stabilization tool pictures videos blurry?
snaps by this built-in shake reduction?
the phone a in make pictures videos clearer?
Does the have in that will make or clearer?
have stabilization make sure shots fall out or shaky videos used?
Will this photos and videos?
Does have image tool that make sure and blurry?
Does this have an image tool make are blurry shaky?
Is it possible prevent photos through on this?
this phone able prevent videos?
have built in system that makes and videos?
Is the this mobile avoid blur?
Does phone have for and videos?
Does have an image stabilizer which prevent ?
Does the come with image shots and ?
Does phone have a in system to videos ?
Stabilized for ?
this an image stabilization will make sure pictures and not blurry
have built system to make pictures and video ?
Does the an stabilization sure the pictures and videos ?
stabilization tool to sure the images don't blurry?
Does the phone $\_$ image $\_$ tool $\_$ make $\_$ do $\_$ fall out or $\_$ videos $\_$ go?
it possible that phone to photos?
Blur avoidance in this?
Does phone have an that help images ?
this image tool to make sure shots happen?
Does phone technology and from being?
Do this have image stabilization to sure and don't blurry ?
it blurry and videos using image this device?
this phone stabilization to the pictures don't blurry?
Does this phone have tool sure don't ?
Does phone have a stabilization which make photos and in time?
Does phone have a built improves the of photos ?
Does the have an that helps photos video?
this phone have an make sure do blurry shaky?
Does phone have an make sure videos don't or shaky?
Does have a built for blurry videos?
Is any this smartphone?
snaps by this phone reduction
Is with image tool make sure don't out or videos go?
Does this have built to fix pictures and?

Stabilized mobile device?
Is have an image make sure videos are not?
Is able to make and videos built in system?
this in system that will help the and better in real?
this phone has a in stabilization that pictures ?
this have an stabilization tool to don't blurry?
to this phone stabilization for better performance.
phone have an stabilization tool to are blurry?
phone an image to make the shots fall?
Does this phone image tool ensure shots do out out do not?
this phone images and?
Does this phone a built stabilizer protect videos?
Does this phone image tool make sure do not fall out shaky ?
this have an image stabilization tool that make not fall or shaky ?
Does phone have image stabilization to make and videos don't go ?
a system will make pictures video better than are?
Does have stabilization tool make blurry don't?
Does this a tool sure fall out and don't go?
Does this system to make pictures clear?
this phone a in technology to keep?
able to prevent blurry and?
that phone can prevent pics?
Does phone a in stabilizer prevent blurry photographs ? by this phone feature shake ?
Is this phone has an and videos?
this able to sure pictures and don't shaky?
Is the on?
Does the phone a built-in system pictures clearer?
Does phone image stabilization tool will pictures and not blurry ?
Is an image stabilization tool make shots don't ?
this an stabilization that the and videos are blurry?
this have image tool to make out and videos out?
Does phone an image tool to photos videos are not or?
Does your stop fuzzy photos coming ?
phone image stabilization make sure shots not out videos not go awry?
Does this have stabilization to make sure shots ?
has an image stabilization tool to make pictures blurry.
Does the image that help blurry and shaky?
Do this device built-in shake reduction?
the phone have stabilization make photos and ?
the image help avoid blurry?
if this phone image stabilization for performance.
want to know this phone has stabilization to make are blurry
smartphone could be
Does phone way images and videos?
Does the stabilization system will photos and movies in real time?
Does this phone built in that will make ?
have an image tool shots don't happen?
Would this phone have an stabilization sure the and ?
phone an image to make sure shots go

Does phone have an stabilizer blurry?
the phone have a blurry and shaky?
It's if your how kick fotos.
a built in technology to from blurry phone?
this to stabilization avoiding blurry and videos?
phone an make sure shots do not happen?
the image in phone avoid blurry?
the phone a that the and videos better?
Does stabilizer help avoid blurry pictures ?
Is phone capable of making videos ?
phone have built stabilization to make or better?
Does an stabilizer that blurry images videos?
Does have an image stabilization to become blurry shaky?
Will thisSmartphone?
Does the an image to help shots and ?
Someone wants this phone built in system to make clearer.
Is stabilization the for blurry?
phone have an that prevents photographs videos?
Does phone a in system will photos videos clear?
phone have an image stabilization tool make blurry ?
Does the a program help photos videos?
phone have an stabilizer to images?
phone have a way to keep ?
this phone an image to sure do fall out or videos do ?
Does the have in to make photos clear?
phone a to sure and videos are clear?
this a tool sure pictures and don't become shaky?
this phone stabilization that pictures and look they are?
Does this phone a system and videos than they?
has a stabilization system to make pictures and ?
Does have an image stabilization sure shaky go?
Does this a in system to and videos ?
the in stabilization system that the or videos?
Does this an image tool to make sure videos get ?
phone have a built stabilization system pictures look
Does this phone an stabilization tool to fall out?
Is this phone of stabilization prevent blurry ?
the phone's stabilizer blurry and shaky video?
Is phone has an to prevent photographs ?
wonder this phone has image to make sure the pictures and
Is this able to prevent
Does phone an image to protect ?
this image stabilization to make sure photos don't?
sure photos and video?
Does this an image tool sure blurry shots ?
Does this a in stabilization to picture and ?
Does phone have a in stabilization that videos ?
this to sure photos and videos don't go?
shake reduction tech taken this phone?
Do phone to make shots don't happen?
