[Demo] NLP Dataset for Customer Service Automation

Company Type	Telecommunications Equipment Manufacturers
Inquiry Category	Network connectivity and signal issues
Inquiry Sub- Category	Network outage
Description	Customers reporting complete loss of network connectivity, resulting in the inability to make calls, send messages, or access the internet.
Data Size	5,233 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

Are you complete loss network connectivity?
Can you me what your resolving complete connections
What is the loss of connection?
