[Demo] NLP Dataset for Customer Service Automation

Company Type	Car Dealerships
Inquiry Category	Information on new car releases
Inquiry Sub- Category	Hybrid and electric vehicle releases
Description	Customers inquire about the latest releases of hybrid or electric vehicles, wanting details about their range, charging options, available incentives, and environmental impact.
Data Size	5,614 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Car Dealership" customer inquiry. (Purchased data will not be masked.)

have the _	driving range in	mode?			
anyone know if			eptional EV?

Do know if	models deliver B	EV?			
have	longest driving r	ange?			
What have	the driving	?			
I'm upcoming ve	hicles the further	st in	electric .		

Which models drive in?
Which more mileage?
like if models can the furthest a charge.
cars battery-only travel capacity?
$____ interested in learning ____ anticipated ______ that excel in ____ of ______ range _____ electric ____ systems.$
Do new have distances?
Is there EV with ranges that ?
Which have electric in the?
Is there EV driving?
you range with their ?
Which get miles?
Are there have top electric mode?
new car models the driving range on ?
Which the driving range in ?
Which the longest mode?
The furthest coming soon.
all-electric car choices?
Which models have better ?
aware of car in of achievable range solely their electric drive systems?
models do gas guzzling?
future, are longest drive range?
What models way all-electric?
I know upcoming vehicles mind-blowing electric
Who range electric cars?
to know about the anticipated excel terms maximum range through their drive
I need know vehicles that when operating electric mode.
Which the mileage.
Is there information you give maximum electric upcoming?
The battery-only travel capacity cars
there any electric models that the furthest ?
I'm curious as vehicles in electric mode.
the longest driving distance pure mode?
What upcoming have range?
models driving capacity in mode?
I'd to know vehicles offer distance pure mode.
Will drive range in future?
Which car give driving running only on?
I don't upcoming distance in electric mode.
What have all range?
Which upcoming amazing ranges.
possible to furthest on a charge models?
Is a model the driving range running on?
What the upcoming launch e-range?
Which models mileage?
What models the longest in mode?
Which have the longest electric?
What models with best?
What models have extensive in all-electric?
Tell me go far.

you cars will farthest drive range?
of might have the drive range.
want what the electric is for any upcoming
the models deliver ?
cars have the range?
anyone know which vehicles will have ?
are that EV distances.
Which have electric ranges are?
Upcoming models mode.
What are have have longest driving ranges?
car models provide most driving running on?
want to know the that boast capabilities operating mode.
the driving range running vehicles?
electric have farthest drive in future?
there any new outstanding driving?
There are that have the range.
Which vehicles will best ?
Any new the longest?
forthcoming vehicles capabilities operating in electric?
Who range for vehicles?
Are new electric rides the battery?
have the range running on electricity?
What upcoming an all-electric?
vehicles have best mileage?
Which more electricity?
am interested about anticipated car that maximum achievable range only through their
models mileage electric power-up?
Which drive electric mode?
Can you which electric models the?
the electric car with range the?
interested in vehicles distance in pure electric mode.
models are the electric?
you an of anticipated car releases excel in of maximum range their electric ?
Are electric farthest drive?
expected releases that excel in of maximum range electric ?
upcoming electric the ranges?
Which car models the driving range while ?
Which model drives ?
you tell me about anticipated car in terms of maximum their systems?
car models extensive capacity all-electric mode?
electric the farthest ranges ?
vehicles the power?
models boast an capacity in all-electric?
Which electric mileage?
are upcoming the longest electric mode?
to know about anticipated carof maximum achievable range through systems.
What have the driving ?
Which vehicles have most when electric?
Which vehicles offer the range power?
which vehicles offer the range power.

drive
?
their electric _

models more on power-up.
Do think electric will farthest in the?
I'm which vehicles offer in pure mode.
vehicles best driving range?
will you range when using power?
want know of the models the most electric
What's happening car options?
Do upcoming offerings allow drivers travel longer distances power?
with exceptional driving ranges?
Which of future have electric?
models most mileage?
Which models have on?
There are delivering distances.
you if electric models go furthest charge?
have longest all electric mode?
There electric models go the full charge.
are models deliver exceptional EV?
Is upcoming cars that outstanding capacity?
of these vehicles electric?
Which electric will farthest ?
I'm curious about vehicles offer distances mode.
which will electric ranges?
is next step long-range, options?
Do new deliver ?
Electric have drive in the future.
future, with drive range? Which upcoming model has range all?
model has longest range ?
Is there any the upcoming with ?
What new with exceptional ?
am in which new models the electric driving range.
new deliver EV distances?
Which future the greatest ?
What an range?
models have the longest in all
Will me models can the farthest?
models that can deliver EV distances?
there electric vehicles will last longest?
What the range soon?
furthest range coming soon.
