## [Demo] NLP Dataset for Customer Service Automation

Company Type	Online Travel Agencies
Inquiry Category	COVID-19 travel restrictions and advisories
Inquiry Sub- Category	Health and safety precautions
Description	Customers seek guidance on travel precautions, health and safety measures implemented by airlines, airports, hotels, and other service providers, including mask requirements, hygiene protocols, social distancing guidelines, and COVID-19 testing requirements.
Data Size	5,124 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Online Travel Agency" customer inquiry. (Purchased data will not be masked.)
