## [Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers
Inquiry Category	New service inquiries and sign-ups
Inquiry Sub- Category	Equipment and installation
Description	Customers have questions regarding the equipment needed for internet service, such as modems, routers, and installation procedures. This category also covers inquiries about self-installation options and technician visits.
Data Size	10,494 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

## Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)

multiple	need extra equipment	configura	ations not usually	у	_ installations?
