## [Demo] NLP Dataset for Customer Service Automation

Company Type	Telecommunications Equipment Manufacturers
Inquiry Category	Training and user manual inquiries
Inquiry Sub- Category	Compatibility Inquiries
Description	Customers inquire about the compatibility of specific telecommunications equipment with their existing network infrastructure, seeking guidance and recommendations for seamless integration.
Data Size	5,435 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

 ${\bf Masked\ sample\ paraphrases\ of\ one\ "Telecommunications\ Equipment\ Manufacturer"\ customer\ inquiry.\ (Purchased\ data\ will\ not\ be\ masked.)}$ 

Can a telecommunications that seamlessly integrates existing?
Do you ideas to a our current arrangement?
telecom accessory with we already have operationally?
it possible to integration equipment?
any gear meshes with system?
Looking a tech product that ?
smooth our infrastructure by a telecommunication
Do suggestion for a telecom device that ?
Do have telecommunications that might part our?
What gadgets you with our setup?
you any comms with are doing here?
there any canMerge with?
Is it possible suggest our setup?
possible to suggest a telecommunications that with ?
Does anyone any sync easily ?
you suggest would fit into current?
How incorporate device into our current?
Do you telecom that will in setup?
a device fit our existing telecommunication?
on how integrate device?
do you a telecom that blends into ?
on finding perfectly comms
Suggestions on integration a into the?
tips help find perfectly tool?
Can any telecomm gadgets play nice setup?
Should emerging our existing phone?
a phone that can work ?
have any telecomm is nice setup?
