[Demo] NLP Dataset for Customer Service Automation

Company Type	Automotive manufacturers
Inquiry Category	Scheduling service appointments and maintenance
Inquiry Sub- Category	Service availability and pricing
Description	Customers inquire about the availability of service appointments, pricing for different maintenance packages, and any special offers or discounts.
Data Size	9,565 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Automotive manufacturer" customer inquiry. (Purchased data will not be masked.)
