[Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators				
Inquiry Category Phone and device compatibility queries					
Inquiry Sub- Category	Network coverage queries				
Description	Customers inquire about the availability and strength of network coverage in specific locations to determine if their phones or devices will work properly in those areas.				
Data Size	11,319 paraphrases				
Want to buy data?	Please contact nlp-data@qross.me via your business email address.				

$\begin{tabular}{ll} Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.) \\ \end{tabular}$
