[Demo] NLP Dataset for Customer Service Automation

Company Type	Smartphone Manufacturers
Inquiry Category	Pre-sales inquiries and product recommendations
Inquiry Sub- Category	Storage and Expandability
Description	Customers inquire about the internal storage capacity, available memory, and options for expansion, such as microSD card slots or cloud storage compatibility.
Data Size	9,349 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Smartphone Manufacturer" customer inquiry. (Purchased data will not be masked.)

Can I expand storage using	device?
It's with storage via	·
possible that thing _	a MicroSD card more?
support Micros	SD for extra capacity?
don't can	more storage with a card.
it expansion memory	through an?
Extra memory capacity with	?
it permissible to storage _	?
it to expand storage	through microSD?
It is of s	storage
any support for an	capacity the MicroSD?
Can this dumb device	increase capacity?
this device support	on an card?
device support using	microSD?
to expand device sto	rage a microSD?
me know	an mSD enlarge space.
to expand store	age a microSD card?
Expanding memory with	this?
Is possible use a MicroSD	card ?
Is realistic to mSD _	expanding memory?
Can I my phone	e if take microSD?
more storage on this	s if a were
possible the sto	orage better a card?
there a way expand	an card?
Is memor	y with the microSD this?
Can there a way to s	pace card?
Is it to use mSD card	?
Are you compatible stored	ro via

Is adding going to ?
to increase space with a microSD?
to expand storage with a microSD card.
Could with a card?
it possible to increase microSD card?
for expanding storage with a card?
I boost the a ?
there be a chance to increase ?
Is it increase with on this?
it increase storage via the?
to storage through memory card?
device expansion of storage with a?
sd for more?
Is it possible increase on this device using ?
$___ I \ add \ extra \ ___ to \ my \ ____ put \ ___ microSD \ card \ ___ ?$
the device expansion via a microSD?
I would to card on this
Could I use to?
Could I use a the on the?
Can I add extra I put microSD?
it possible microSD here to expand?
it possibleincrease the with a?
Is it microSD card to device?
a chance to increase space a microSD
memory capacity by slots?
I device supports expansion of storage microSD
I have a can to my phone?
this device Micro-SD for storing?
Can this phone with a card?
There a expandable memory
if I an msd to increase capacity.
support cards?
would max my storage with card.
possible enlarge with the of microSD?
it memory through Micro-SD?
gadget using cards?
I if the microSD to enlarge device
need storage and can microSD card?
Is way increase via a card?
I to storage here?
Is expand device's using a micro?
I if I could card more storage.
it to increase the microSD card?
Does allow for expansion storage card?
there any adding via small essentials?
Is expand storage with microSD card this?
Is a increase the capacity of ?
device's storage using a
be used memory?
Is possible to expand a in this?

Will the	expand N	MicroSD card?		
it	_ MicroSD to ma	ke it larger?

a microSD card this device?
this expand capacity an?
Does expansion through Micro-SD?
Will device accept expansion ?
it possible memory with microSD
it allow for of with ?
Can there be chance increase space ?
Is a microSD device?
Could increase the space product by using ?
Is it boost the storage with?
there a way to storage using a ?
Is to add a MicroSD card?
the device capacity using ?
this device able to a card ?
could of storage with a
You compatible with microSD?
it possible storage capacity with card?
Does it allow of storage card?
Does item allow a microSD?
Is it expand the amount of a?
Is it possible add microSD ?
Does item through Micro-SD?
was wondering was expand device storage microSD card.
the able its storage using a ?
use a card to expand the the?
Does the phone have to storage via ?
way to increase storage using card this phone?
it possible expand the the?
The mSD be for
$_{__}$ it $_{__}$ increase storage $_{__}$ the microSD $_{__}$?
Is way to increase with?
Should device's storage expanded microSD?
possible could used for bigger memory?
mSD card?
Is this device?
a microSD to expand the device's ?
Does allow expansion a?
If I microSD can I get ?
Could SD for memory?
it to storage a microSD?
Is compatible with capacity?
a card option?
Is a card this phone the storage?
a here to expand?
Would allow more storage this device?
a help increase storage?
you able the an added microSD?
MicroSD card expansion?
I a microSD card expand here.
Will this device expansion mSD?

Is it enhance storage by putting here?
Will MicroSD more ?
Can a accept card to capacity?
Can the msd card be capacity?
anyone have a increase microSD card?
Does this support using Micro-SD further ?
this darn thing handle a for extra storage?
a card will more
the device storage via MicroSD card?
Is increasing memory good for my?
the device for expanded an?
Storage boost with
it possible out storage by using microSD?
Does the a expansion?
Does it sense increase via card?
the a microSD storage capacity?
Could microSD card to storage?
thing handle card?
memory capacity be MicroSD slot.
Does expansion of storage via slot?
Will able expand the capacity using microSD?
device able expand a microSD card?
it to memory to phone with microSD ?
capacity is supported MicroSD
Can I a microSD card ?
I microSD to increase device's storage capacity.
with storage via microSD?
Support additional in the ?
Isn't possible to storage a?
Does allow for expansion ?
microSD increase storage?
Can use microSD on the to storage?
doable storage with microSD card?
Does accept a microSD increase capacity?
Are to expand using microSD here?
storage via the microSD card?
the capable of storage via the ?
expand a card.
Yes, it is adding storage via
Extra capacity supported MicroSD
Can I additional my phone I have ?
the capacity enhanced adding a microSD?
Do need to card to expand storage?
Is a of increasing a card?
I would to know a to a microSD card.
Is device a card for storage?
possible to space in product by using MicroSD?
msd to increase capacity?
$___$ possible $___$ expand the memory $___$ microSD $___$ this.
it possible boost storage a?

Is possible a microSD to expand?
Does item support Micro-SD cards?
Is expand storage via a microSD?
Are to expand space a?
to support memory expansion msd card?
it possible to increase this a MicroSD?
Is it to increase the card?
Adding microSD add storage
Is viable to for expanding memory?
Is possible storage by using a card?
Ispossibleenhance with acard on ?
Will with an msd?
it'sincrease via the card.
this gizmo the use Micro-SD?
Would storage if microSD were added?
I use card for more
Can microSD card on device?
be able storage using a card?
Would possible to space with microSD?
there any memory the microSD this?
Can I memory if add a microSD?
Is permissible to expand ?
a microSD card for ?
you it's possible to using a?
Is there a way capacity with microSD?
there a to expand memory MicroSD?
add a microSD the for more storage?
Would adding increase the on the device?
Will this support expansion memory on ?
I additional memory I insert a card?
a this device to increase the storage?
it to msd card the memory?
a increase the amount of this?
this thing capable card for more?
Is possible to enlarge with ?
Is usable more ?
you know if is to a microSD?
expand with a card?
Can a MicroSD more storage?
it doable to storage microSD here?
Is way to expand the device's using ?
storage on this device?
There is an mSD card expanding
this gizmo support the expansion memory msd?
Can storage a card?
Is expanding memory the?
there ways storage microSD card?
Does the allow more storage ?
Does the allow more storage ? Can data on microSD ?

possible to exceed by a microSD
to storage by using a card?
Would adding card device more?
possible to upgrade my
Can I extra phone microSD card?
the be used for expansion storage via ?
possible to a microSD for?
Maybe it to increase via
it the storage a MicroSD card?
possible to increase by the?
it possible the using a?
it possible to storage via ?
able to with microSD?
Is phone capable adding storage card?
to know is possible increase storage via microSD
I like know if to storage microSD card.
Could possible to storage via card?
if we can use mSD to space.
I a microSD offering this to ?
Can I use a on phone ?
Can use MicroSD card out storage?
I wonder if could use a Sd ?
Adding is compatible with
a chance to increase with a
can be increased the a card.
Will support extra memory capacity slot?
Is there way to space offering?
Can the capacity of a microSD card?
I MicroSD to expand the memory.
Is it device to take a card ?
Will this allow memory through card?
Can I mSd to memory?
it be possible storage a?
use msd more memory capacity?
Does this capacity using?
I use a to the?
Through a?
I like is possible expand using a microSD
Should use a microSD to here?
Does device allow capacity ?
it be add a MicroSD card ?
It may be to with card.
to put a here?
It is to use mSD memory
Can more phone if I a card there?
Is it possible more using card?
a chance increase space a microSD?
this support Micro-SD cards?
if there is a chance to space a?
Can I of?

Is possible this gizmo supports through cards
This device's using microSD card.
device allow of storage a MicroSD?
it possible improve storage a?
Is possible to microSD card increase ?
Can me chance to space using microSD?
increase the amount through a card?
feasible to storage a card.
Could use to expand ?
Is it expand via a microSD ?
support adding a MicroSD ?
this device an mSd?
an card for expansion of?
Would increase by using microSD card?
I think to microSD.
if a card be increase storage on this
any for MicroSD option?
it work a?
Is possible storage via microSD here?
to increase using a?
you support addition of a phone?
Is a device Micro card expansion?
Is it possible expand using ?
Storage MicroSD?
Was possible to space a?
Might it possible to increase ?
this expansion of memory mSD card?
the phone have an to add ?
Should a card to increase capacity?
it to a microSD more storage?
Can I more storage a?
the of in a microSD slot?
Is possible to increase device's capacity a ?
Is to increase the capacity with ?
use MicroSD card to increase my ?
Can microSD used expand?
memory might be a MicroSD?
memory microSD is something.
$_$ if we can make $_$ some $_$ an mSD.
a card allow more?
there more capacity the addition a card?
Is it possible?
it possible for increase a microSD?
it the use of a microSD here?
There would storage on if microSD card
expand this memory microSD?
Is it increase space microSD?
Is possible device to capacity an?
it increase storage sd ?
a way to get microSD card?

through the use of the microSD
Can storage device expanded micro SD card?
it use a microSD card for ?
it with an ?
Is to the space product using microSD?
MicroSD expansion the device?
the of a allow more storage on ?
Does expanding using an?
Can I phone I put a microSD there?
it possible storage using card?
there any chance to space with
Can a to increase space using ?
Is card for expanding?
Is it to sing?
option MicroSD card memory?
Is possible this thing to handle ?
Is capable of micro sd ?
add more to after I a microSD?
there a way mSD for memory?
Is device Micro card ?
Does it extending Micro-SD ?
I use Micro store memory?
possible through a card?
Adding microSD storage capacity?
Will support expansion of memory through ?
a to capacity with mSd card?
a to capacity with mSd card? Is it to expand the storage device microSD?
a to capacity with mSd card? Is it to expand the storage device microSD? the be increased card?
a to capacity with mSd card? Is it to expand the storage device microSD? the be increased card? am wondering if storage a microSD card.
a to capacity with mSd card? Is it to expand the storage device microSD? the be increased card? am wondering if storage a microSD card. Does this expanded with added?
a to capacity with mSd card? Is it to expand the storage device microSD? the be increased card? am wondering if storage a microSD card. Does this expanded with added? it possible to memory with a ?
a to capacity with mSd card? Is it to expand the storage device microSD? the be increased card? am wondering if storage a microSD card. Does this expanded with added? it possible to memory with a ? a microSD more storage on this
atocapacity with mSd card? Is it to expand the storage device microSD? the be increased card? am wondering if storage a microSD card. Does this expanded with added? it possible to memory with a ? a microSD more storage on this support the memory an mSD card?
atocapacity withmSd card? Is it to expand the storage devicemicroSD? the be increasedcard? am wondering if storage a microSD card. Does this expanded with added? it possible to memory with a? a microSD more storage on this support the memory an mSD card? Can Micro Sd memory?
atocapacity withmSd card? Is it to expand the storage device microSD? the be increased card? am wondering if storage a microSD card. Does this expanded with added? it possible to memory with a ? a microSD more storage on this support the memory an mSD card? Can Micro Sd memory? it possible storage sd card?
a to capacity with mSd card? Is it to expand the storage device microSD? the be increased card? am wondering if storage a microSD card. Does this expanded with added? it possible to memory with a ? a microSD more storage on this support the memory an mSD card? Can Micro Sd memory? it possible storage sd card? device might able to microSD for
atocapacity withmSd card? Is it to expand the storage device microSD? the be increased card? am wondering if storage a microSD card. Does this expanded with added? it possible to memory with a ? a microSD more storage on this support the memory an mSD card? Can Micro Sd memory? it possible storage sd card? device might able to microSD for Is it possible to more storage ?
a to capacity with mSd card? Is it to expand the storage device microSD? the be increased card? am wondering if storage a microSD card. Does this expanded with added? it possible to memory with a ? a microSD more storage on this support the memory an mSD card? Can Micro Sd memory? it possible storage sd card? device might able to microSD for
atocapacity withmSd card? Is it to expand the storage device microSD? the be increased card? am wondering if storage a microSD card. Does this expanded with added? it possible to memory with a ? a microSD more storage on this support the memory an mSD card? Can Micro Sd memory? it possible storage sd card? device might able to microSD for Is it possible to more storage ?
atocapacity withmSd card? Is it to expand the storagedevicemicroSD? the be increasedcard? am wondering if storage a microSD card. Does this expanded with added? it possible to memory with a? a microSD more storage on this support the memory an mSD card? Can Micro Sd memory? it possible storage sd card? device might able to microSD for Is it possible to more storage ? it possible enlarge the device's capacity a ?
atocapacity withmSd card? Is it to expand the storage device microSD? the be increased card? am wondering if storage a microSD card. Does this expanded with added? it possible to memory with a? a microSD more storage on this support the memory? it possible storage sd card? device might able to microSD for Is it possible to more storage? it possible enlarge the device's capacity a? I if a card to max out
atocapacity withmSd card? Is it to expand the storage device microSD? the be increasedcard? am wondering if storage a microSD card. Does this expanded with added? it possible to memory with a? a microSD more storage on this support the memory? it possible storage sd card? device might able to microSD for Is it possible to more storage ? it possible enlarge the device's capacity a ? I if a card to max out don't know I increase a microSD
a to capacity with mSd card? Is it to expand the storage device microSD? the be increased card? am wondering if storage a microSD card. Does this expanded with added? it possible to memory with a ? a microSD more storage on this support the memory an mSD card? Can Micro Sd memory? it possible storage sd card? device might able to microSD for Is it possible to more storage ? it possible enlarge the device's capacity a ? I if a card to max out don't know I increase a microSD use a to maximize my ?
atocapacity withmSd card? Is it to expand the storage device microSD? the be increased card? am wondering if storage a microSD card. Does this expanded with added? it possible to memory with a ? a microSD more storage on this support the memory an mSD card? Can Micro Sd memory? it possible storage sd card? device might able to microSD for Is it possible to more storage ? it possible enlarge the device's capacity a ? I if a card to max out don't know I increase a microSD ? Is possible increase in this a microSD ?
atocapacity withmSd card? Is it to expand the storage device microSD? the be increased card? am wondering if storage a microSD card. Does this expanded with added? it possible to memory with a ? a microSD more storage on this support the memory an mSD card? Can Micro Sd memory? it possible storage sd card? device might able to microSD for Is it possible to more storage ? it possible enlarge the device's capacity a ? I if a card to max out don't know I increase a microSD use a to maximize my ? Is possible increase in this a microSD? it expand the storage a card.
Is it to expand the storage device microSD? the be increased card? am wondering if storage a microSD card. Does this expanded with added? it possible to memory with a ? a microSD more storage on this support the memory an mSD card? Can Micro Sd memory? it possible storage sd card? device might able to microSD for Is it possible to more storage ? it possible enlarge the device's capacity a ? I if a card to max out don't know I increase a microSD ? Is possible increase in this a microSD ? it expand the storage a card. phone place for adding via microSD?
atocapacity withmSd card? Is it to expand the storagedevicemicroSD? thebe increasedcard? am wondering ifstorage a microSD card. Does this expanded withadded? it possible to memory with a? a microSD more storage on this support the memory an mSD card? Is it improve with ? Is the with card?

a a llow for more storage device?
MicroSD card available.
the device capable Micro expansion?
it possible that could a card?
Is it possible to a a card?
me if possible to with an mSD.
it permissible for to via fitting?
Is a card ?
want increase storage, can use a ?
Do have chance to the a microSD ?
love know if use an mSD.
The card an to
Could the device support through microSD?
I add more with microSD device?
possible to by using a microSD
the device more with card?
Let know if we are enhance mSD.
Is a to the memory the ?
microSD would add more storage to
Will the device card?
Could use to expand ?
it possible to with a microSD?
Does it?
Is a the space a MicroSD?
Is through a card?
compatible storage via microSD?
The card can for
Is it to use the storage?
Is increase space a card?
Does this device expansion?
What the this?
it add a microSD card here?
Are memory options available?
Is it possible use card storage?
Can the expanded with SD device?
Can use a memory?
Is capable of memory a microSD?
the device increasing capacity ?
increase storage phone by using microSD card?
Does device allow increased storage microSD?
support of memory with an card?
There is a space with a
use microSD card.
the storage via card?
don't a microSD will allow max my storage.
Can a used memory?
a microSD card on this more?
a linerosb card on this inore? a card to expand the storage?
the allow with mSd?
THE AUDY WITH HIGH
microSD storage capacity

possible that I a microSD expand ?
$_$ if $_$ can expand $_$ using $_$ microSD card.
to a microSD for extra storage?
Can enlarge microSD card?
The phone has a used the storage.
the storage expanded card?
Can device storage with a card?
it support expansion with ?
There is MicroSD card
this be to handle a ?
Is to expand the memory the ?
it add more device storage ?
the allow of through a MicroSD?
a card will allow more?
I know we can use an mSD
Can to increase?
Is it by adding a card?
it possible to by microSD card?
Extra capacity supported the slot?
use an mSD for expansion.
Is it to microSD card more?
there an option for with memory?
a storage?
Is this of expansion mSD card?
card expansion supported?
support of storage via a card?
Is add a microSD this device?
I use card storage?
I increase the by using card.
expand a microSD
it to card here?
it with storage the card?
Is there $_$ chance of increasing $_$ a $_$.
Does device support memory through ?
the device allow expanding using ?
to maximize storage using a card.
Is adding storage microSD?
$_$ microSD card on the $_$ expand the storage?
I'd like $___$ more storage with $___$.
the storage boost card?
I if to increase storage
Can use for more?
if there was chance to space using
It's storage via the
Is this gadgets through cards?
use a microSD to add ?
Is it use mSDP card expanding?
I a card, I more storage?
Can be device's storage micro SD card?
Does allow for more storage a 2

Can I use microSD store ?
Possibly with a?
this capable of expanding an?
possible that this device expanded storage via ?
storage this be expanded a microSD?
with a microSD card?
Is it possible memory to I put microSD it?
be possible to microSD card here?
Will the storage the addition a card?
Is the device storage via microSD?
I can use a microSD to storage here.
Will MicroSd expansion?
Is possible increase capacity microSD card?
there a to get more using card?
Is to add more a microSD?
Is a able the on this?
device the expansion storage with card?
this be expanded with a ?
Can I add memory if purchase a ?
Can add memory my phone I add ?
device's storage increased micro SD card?
Is device to using a micro?
the device allow ?
a card amount on this device?
use a to expand my?
a microSD card for expansion of?
Can card increase storage device?
to the on this phone with added?
it possible storage capacity a card?
Isn't expand space a microSD?
If a microSD card in I more?
Can MicroSD be here?
Will device expansion the ?
the device expand capacity ?
Will be to a microSD card?
me we can use mSD amplify
Is microSD something that enhance?
Are you able memory microSD?
Is there increase using a microSD?
There a option.
Can storage be with card on ?
MicroSD slot memory capacity?
mSd?
Is it a idea to a microSD ?
gizmo able its memory through cards?
Yes, with storage
Is it okay to microSD more?
I use card storage?

a microSD card this?
the device capable microSD for storage?
support for memory in MicroSD slots?
it be possible through the?
Can add storage to this card?
a to increase space using card?
Expansion of storage permissible?
Can device's be a SD card?
Is out storage a microSD ?
Can enlarge the microSD card?
possible this device microSD card?
know if can enlarge storage with
Can a microSD increase?
an mSD card expanding?
this possible to memory through Micro-SD?
the device for of via a ?
Can a card to upgrade ?
Is device capable storing microSD?
the device support card?
the storage be a ?
Can I use the capacity the card?
compatible via MicroSD?
any ways to increase storage card?
Is it mSd card?
it to increase storage on this?
the device able more storage card?
it more to my phone I a card in.
It's possible an msd expand
would know we can use an
it possible increase storage card?
Can I storage with ?
it possible to get storage using ?
Could I MicroSD expand ?
device support cards?
it possible to the memory a?
I wonder if I could MicroSD memory
Let me space can enhanced mSD.
Is to use an mSD ?
Is it possibleincrease microSDhere?
I know the can be expanded card.
device compatible with storage?
able storage via
adding microSD possible?
Is to the storage by using a microSD ?
this have a microSD for storing ?
Adding card increase capacity?
Is memory option there?
it to microSD to device?
possible to storage via?
Can a microSD to increase ?

item compatible cards?
it to memory capacity an mSD?
this a microSD card?
Is there a to a card?
the device expansion of through card?
extra memory to if I place microSD?
a card increase storage this?
it to add card to storage?
Does this increasing mSd?
Would adding microSD more on device?
it to increase the amount of microSD ?
Is it increase the device with card?
Does have the capacity to a?
it possible storage use a here?
gadget Micro-SD cards?
Can use a increase the there?
this support extending Micro-SD cards?
it possible storage with memory card?
possible get storage the use a microSD?
t's possible storage microSD
there a more storage microSD card?
possible increase storage via
Micro sd be by the?
s to expand storage microSD
I a card into phone, I memory?
is it storage a card here?
Would be mSD card for memory?
would like if can an
Does the a storage?
possible add extra my phone if I card?
s capable of more a microSD ?
Will this expansion of memory card?
Does anyone know if using microSD card?
would storage using microSD card.
s device use mSd?
Will I be increase space offering?
s there for for ?
there add storage via small sd?
s there storage putting a microSD card?
s it a?
Okay, compatible storage?
to increase a card on the phone?
possible to memory to my if put a there?
s it to storage using card?
Micro expansion supported device?
there possibility using mSD card expanding ?
therepossibilityusingmisb cardexpanding: to expand memory MicroSD?
s it possible increase capacity card on?
s storage a microSD here?
s to increase device microSD?

Expansion of via mSD ?
wondering if use to expand the memory.
there any expand storage with microSD?
there a way increase space a?
storage on be boosted by a ?
Can device hold ?
I would to we an mSD space.
I wonder I can storage with
Can the be expanded using a?
Would microSD card allow for device?
it to the storage using a card ?
there is a card available?
Does the device with microSD card?
Is the device boosted a card?
Is possible expand a microSD card?
add storage via card.
Will the addition microSD ?
wondering microSD card to the storage capacity here.
Can expanded via MicroSD?
It feasible an mSd for memory.
Could I add more by card phone?
the capable of storage a card?
Will storage be via ?
Is it to storage microSD on this?
The storage expanded a microSD
it possible using a microSD in product?
be increased with microSD card in ?
extending its memory Micro-SD?
I get microSD?
the expansion of memory the msd?
a to increase space?
it possiblea microSD cardthis?
the device of expanding a card?
Is it to microSD card to ? Is boost through microSD card?
we card to memory?
Will increase storage?
Is it possible boost card?
the MicroSD slot able to ?
I wonder if could use microSD phone the?
the be a card.
you possibly storage ?
Is there way to boost microSD
there an card feasible?
Is there support slot extra ?
I could microSD to storage here?
Is it possible a MicroSD card?
device expansion through a microSD card?
this device using card?
MicroSD support more?

a way expand	microSD card in this phone?
buy microSD card	_ the storage capacity?
this memor	ry on the mSD card?
support expansion sto	rage a microSD card?
Is device of taking	_ for storing?
it microSD for st	orage.
the device of using	mSd?
Is through the	e card?
if I upgrade with	
Adding a to allow	v more storage.
Can the sto	ring?
this device storing dat	a via card?
the storing a car	
Is microSD	
Let know can add space	ce with
It can be space with	card.
use msd card to increase m	y?
possible increase	_ through a microSD card?
there a expand memory	?
There is a space	microSD card.
the MicroSD card?	
Can microSD space?	
Does item supports	
Is supporting Micro M	
I don't if the	_ for more storage.
a to boost storage?	
it possible a microSD	
Do you have chance to increase	
it to increase with	
is option of the M	
I wonder can with	
Does it expand a micr	
use a MicroSD increas	
Is it possible to storage capacity	a?
boost the card?	
Will addition a microSD	
possible msd car	
device allow expansion using	 ·
device support cards?	
Extra can be the Micr	
increase storage via _	
like use a microSD	
Can msd be used	
adding storage capaci	
Can the in expanded _	
this device card	
I to increase	
that the will support e	
this storage using	
storage through fitting	_(

I'd like a SD to memory.
this have storage using a microSD?
Can I card to capacity here?
Let me know more space with
I like to use increase my
could be for
Microsd card be ?
expansion memory with an mSD?
an mSD card ?
Could it be increase storage the?
Does gizmo support its data ?
It is possible storage card.
it to the storage with a ?
Could the device for ?
wondering could expand with a Micro SD.
this support its with Micro-SD?
I would to if can mSD.
possible for device a microSD card storage?
Is it that space microSD offering?
Will use a microSD to capacity?
possible the device's storage micro Sd?
a chance to space a microSD?
there a way to expand storage using microSD?
I use a microSD card capacity?
it possible a microSD for more?
The option the MicroSD card.
Is that can handle card storage?
possible to space with microSD card.
using to make a good idea?
Does expansion via?
There's a with a
Does way extend its memory through Micro-SD?
have more storage the use of ?
Is that compatible storage the ?
I'm wondering can use increase the capacity.
Can memory into if put a in it?
to know if it is possible increase microSD
I if I microSD card to enhance the
Can the accept to increase capacity?
adding a for more storage this?
me if we're to use
it possibleincrease space this using a offering?
possible to increase the
Can a microSD to device's storage?
Will memory expansion through the msd?
itextend the memorythecards?
Can a be used on device?
Would card increase device's ?
Will I a microSD more?
expand with a card.

compatible storage microSD?
the gizmo support memory expansion?
Do you think to storage using microSD ?
storage phone expanded with a card?
Could it possible to through card?
boost possible card.
wonder I can my storage a microSD
Will card expand my storage capacity?
Does support SD expansion?
this darn handle microSD more storage?
of mSD card expanding is ?
an mSD memory is
Can a microSD increase on device?
for a MicroSD card?
Is it to expand ?
Will storage capacity by a ?
Does the expanding capacity ?
use a to storage?
Is for more capacity in slot?
expanded from microSD card?
Is way increase a microSD this product?
Storage through is?
Can a ?
be able enhance the using microSD card?
Is possible storage a microSD?
be a increase with a card? it to enhance a microSD on phone?
mSd support expansion?
Does thing with ?
Is that compatible storage ?
a chance increase with a?
you use card the storage?
could a Micro SD the
more storage using a microSD card device?
Can tell it to with a microSD card?
Is to storage a MicroSD card?
Could be possible to increase microSD?
increase my storage a microSD
it possible to by microSD card?
Yes, compatible adding storage
The device possibly of storage with
device's be with microSD device?
device's be with microSD device? I the card expand the storage?
device's be with microSD device?
device's be with microSD device? I the card expand the storage? Would it possible use an memory? I want to know if an mSD.
device's be with microSD device? I the card expand the storage? Would it possible use an memory? I want to know if an mSD expand storage a card in this phone?
device's be with microSD device? I the card expand the storage? Would it possible use an memory? I want to know if an mSD.
device's be with microSD device? I the card expand the storage? Would it possible use an memory? I want to know if an mSD expand storage a card in this phone?
device's be with microSD device? I the card expand the storage? Would it possible use an memory? I want to know if an mSD. expand storage a card in this phone? to use card to memory capacity?

it possible to in card?
I allowed use card to expand ?
I increase space the microSD offering?
Can I additional my phone with ?
Can extra if I put microSD in it?
Is the using mSd?
Will support microSD card?
possible to enlarge device microSD card?
Is it of handling a more ?
Could allow for storage?
way increase storage via MicroSD card?
is an memory for the
it possible use microSD storage?
MicroSD card used to storage?
Can this handle ?
Do I need to a microSD ?
Might I card to the device's ?
the MicroSD memory capacity?
want to use MicroSD make it?
the have storage using a card?
Is there a my storage card?
item able to support expansion through an ?
Extra is by sd?
Let me know could an expand
a option for MicroSD card memory.
I am wondering if use a card increase
it possible to the capacity a card?
Will I a to?
my phone if put a card ir
Can I increase capacity a?
possible increase with a microSD?
It's expand mSD fitting.
to increase by utilizing a microSD?
to use card to storage here?
Is it possible that this handle ?
by putting a microSD in here?
the device for expansion of a card?
would enlarge device microSD.
Is any chance space using card?
the device expansion of with a microSD?
there to more on MicroSD card?
possible to use an card for
a microSD card allow this device.
to expand storage here MicroSD?
would to increase storage by using a this
Possibly a card
Is this device expanding via card?
to increase storage adding a card?
on device expanded with a microSD?
Doos the have for 2

use a microSD card on to the?
Is it permissible use microSD expand storage?
Does it using to ?
Is possible to expand memory ?
Is there a extra extra capacity?
it possible using a microSD here?
There a for memory.
Was it possible to a expand this?
device take a card to storage?
it to increase storage a microSD card.
you memory microSD card?
I to the storage expanded with a
Storage a microSD card in this
Adding microSD would for more this?
I am wondering if my by a card.
it possible memory of this with card?
Is adding a going capacity?
Does expansion with card?
Micro SD could used
Can an mSD to increase my ?
Is MicroSD card expandable ?
the device's storage a microSD card?
I able to a microSD card?
way upgrade with microSD?
use a microSD expand the storage?
MicroSD card option.
storage is through the
possible to expand this on?
Will the support card
Expansion via permissible?
Is it microSD card to storage?
to add memory to add a microSD card?
Can the be a microSD?
be via the microSD
Can a microSD exceed my storage?
Will this device?
Was it possible to with microSD?
boost can achieved microSD?
Increased microSD possible.
this device compatible with memory expansion?
possible to the Micro-SD cards?
It's compatible via
compatible adding through the
possible increase storage microSD?
Is it device using the microSD?
expand with a card?
tell if there a increase using a microSD?
a microSD card allow for storage device?
Is possible to expand card
you storage a here?

Is there	to increase	e a M	IicroSD	?	
want	increase my _	with	microSD _	•	
I	microSD car	rd to expand my		_?	
I wondered	l if I could	Micro		the	in
Is	option	n for expanding	?		
the _	support Micro	Sd?			
It's	be in	ncreased r	nicroSD.		
Yes, c	compatible	storage via _			
	SD for larger	?			
Can d	levice be expanded		?		
Would	_ be	_ storage using	a ca	rd?	
Is it t	hat I	card	storage	e here?	
Is it	expansion	_ storage via	microS	SD	?
Can the du	mb device	card		сара	city?
Does		through Mic	ro-SD car	ds?
