## [Demo] NLP Dataset for Customer Service Automation

Company Type	Home Security and Alarm Companies
Inquiry Category	Extending or adjusting alarm system coverage
Inquiry Sub- Category	Adjusting alarm system detection zones
Description	Customers may want to modify the detection zones of their alarm systems, ensuring that specific areas, such as pet-friendly zones or outdoor areas, are properly accounted for while minimizing false alarms.
Data Size	8,587 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Home Security and Alarm Company" customer inquiry. (Purchased data will not be masked.)

Could alarm expansion done adjusted ?
modifying detecting improve my ?
wonder if expand my alarm with its
modified zones to ?
the detection zones alarm?
Would possible me to change my alarm zones ?
the alarm grow zones?
Can increase detecting zones?
possible to my monitoring altering the zones?
I change of the system to improve?
Am able expand by changing zones?
alarm when detection change?
Can I more by modifying the?
Can alter detection zones to increase ?
Is a modify areas the monitoring range?
the reach as change?
I change its detection zones the ?
is possible to alarm adjusted detect
Can I its settings in to my ?
Modification of detection zones expand the system of improving by modifying zones here?
be used to enlarge the of my ?
is feasible to expand with adjust
altered the of my?
Can I change zone make alarm ?         Could reach adjusted change?
the detection zones change?
Is possible to protection of by its zone?
detection will of my alarm system.
Better alarm is if areas changed.
Is the my alarm system?
Can I increase the of my home system?
detection areas, can increase my ?
there any chance alarms by their?
it possible to to broaden the protection alarm?
get a reach adjusting detection areas?
get a reach adjusting detection areas?  Is it to detection of alarm?
get a reach adjusting detection areas?  Is it to detection of alarm?  Can I the detection of
get a reach adjusting detection areas?  Is it to detection of alarm?  Can I the detection of
get a reach adjusting detection areas?  Is it to detection of alarm?  Can I the detection of
get a reach adjusting detection areas?  Is it to detection of alarm?  Can I the detection of areas?  Can I modify the to improve its?  it possible range of my alarm system ?

detection zones be way of broadening alarm
Is increase the alarm system's the detection?
Can I my alarm system in extend range?
Will be via detection?
Can they enhance changing ?
be extended modified detection?
there to monitoring range modifying areas?
My alarm from adjusting the
Can change system's settings to ?
Would increase the area of alarm system by zones
Can modify to better ?
Would possible to the zones of system?
I my alarm system?
widen alarm system's the detection areas?
Are to alarm system's coverage adjusted detection?
expansion with adjust is
Is possible to alter detection areas ?
it to enlarge my system through zone adjustments?
My system's should extended with adjusted
Is it to zones on my system increase coverage?
Is possible detection areas to increase ?
be widened with tweaking.
Any changing zones to?
I adjust to alarm system coverage?
I if I expand alarm by with settings.
I coverage to my by changing the?
Adjusting can the alarm's
Can I get more reach ?
for detection zones my alarm coverage.
Is it possible the of my protection circle?
it possible increase by changing detection?
Please extend system's coverage by the
Is possible to adjust to expand system's?
Can add the detection ?
My to be extended adjusted zones
itexpand mycoverage messingdetection settings.
Modification of detection extend of the system.
Is to adapt the of system?  Can my detection adjusted my range?
Can I increase my changing detection?  Is to monitoring by modifying areas?
Am I able to enlarge the coverage my ?
Can I zone system's protection?
detection settings, can enlarge coverage of my ?
I modify the extend the of my ?
Is it to adjust zones system?
Is the going to grow if ?
range increase because of detection adjusted?
I wonder can fix my system ground?
I change my alarm zones coverage?
3. 3yy

to add more detection zones to ?
the area extend range?
detection the coverage of my home security
it possible to extend system's ?
it be possible for the zones of alarm?
it possible to alarm with adjusted ?
Is add more protection to system changes in its ?
Is to the coverage capabilities of changing its zones?
Maybe possible to change settings of my
increase alarm system's by its detection areas.
detection areas adjusted to increase ?
adjusting the detection my possible?
it possible system toenlargedits detection?
it possible to areas security system range?
Can ya alarm system it ground?
Did the coverage extended zones?
it to change the zones of alarm system coverage?
Can system's zones be to areas?
Can alarm adjusted coverage?
Enhanced modified zones?
changing detection me better access to system?
Will the alarm's adjusting the detection zones?
Is system capable through its zones?
possible to the of alarm broaden its protection?
range alarm, zones a possibility.
detection be increase the of my system?
my alarm range increase the detection?
my alarm system covers more?
$Can\ I\ \_\_\_\ detection\ \_\_\_\ to\ enlarge\ \_\_\_\ coverage\ \_\_\_\ my\ \_\_\_\ system?$
detection me security reach?
about alarm range detection adjustment?
it possible to protection alarm system adjusting its detection zones
zones can expand system
detection expand system coverage.
Are you considering coverage zones?
of modifying their zones their?
Can modifying detection increase system?
Modification of detection enlarge coverage of system.
zones adjust, is that extends?
alarm range increase I adjust areas?
it to change the in alarm ?
I to change and in that in ?
Can alarm messing with zones?
it to increase the security system detection?
detecting zones be alarm coverage?
Can change to widen my?
detection zones expand alarm
the detection is a broaden reach of my
alarms' can reach be?
Would possible to change the detection system to coverage?

I range by the areas?
coverage change if zones?
Is detection zones going give me a for ?
Is possible areas to the alarm?
it to the alarm through modified ?
Could a chance of enhancing zones?
range adjusting zones?
Is changing the my possible?
information if be to reach of my alarm sensors.
alarm zones be changed increase coverage?
my alarm system to more?
Changing for more ?
Should the alarm extended adjustment?
Can security adjusting detection areas?
Can the of my alarm to more?
my alarm by adjusting the detection?
Can I to to coverage?
alarm cover expansion with tweaking areas.
there a to expand my by adjusting its zones?
I want to zone adjustments.
detector to protect my ?
It is to system's coverage detection zones.
it adjust the detector protect my?
Can widen alarm system's the zones?
of detection alarm coverage.
Might possible change settings of the ?
is change in zones coverage grow?
I modify detection zones of my alarm?
Can I modify zones expand?
There chance that I modify detection areas the
may be modify the settings my
would like to broaden my the zones.
could widen my with zone
there way enlarge my system zone?
I my better by tweaking detection?
Can change zones expand its?
I my system's detection areas increase ?
it for to my alarms' its zones?
Can I modify the my alarm better coverage?
Is possible my alarm system's by detection
Will as alarms' ?
Can grow if ?
Will it to my system's range areas?
Can I more by my areas?
Will it modify the detection areas of alarm range?
if expand alarm's by adjusting its detection
alarm range may be adjustment.
there chance of increasing monitoring changing detection?
How can broaden alarm system's by?
Reach be extended alarms' ?

Can	the detection zones the coverage?
By ac	ljusting can broaden my system's?
	I to to the of my alarm system?
Can	the alarm's detection to coverage?
	alarm increase if detection ?
Chan	ging detection zones will give to my to my
Alter	ations detection can alarm coverage.
	it possible to scope of my alarm protection zones?
Is it _	to the with zones?
	coverage detection zones?
	wondering if can my security using
	possible to coverage of my alarm by zones?
	I adjust detection on system in to coverage?
	wonder possible to change zones of my
	to modify detection settings expand the coverage?
	be modified to its range?
	easing could be achieved detection areas.
	could be changed to enhance expansion.
	detection zones will coverage?
	think there is a chance alarms by their ?
	the detection widen of my alarm system?
	possible for me to on system in order to my coverage?
	to increase the of my home security detection?
	changing zones allow reach alarm system?
	more security reach by areas? modifying detection extend coverage?
	adjustments expand the my ?
	my alarm be widened tweaking ?
	make alarm more ground?
	the coverage of ?
	possible to extend zones?
	ere to widen scope the by alarm ?
	to change detection on my system in to ?
	I change in my to it cover more?
	broaden alarm system's by adjusting the?
	alarm expansion adjust spaces?
	to detection zones to alarm system's
	enlarge range my system zone adjustments.
	be able to system cover more ground?
	there broaden the scope of protection by system through?
	be possible my protection zone
	coverage should be extended with detection
	I detection expand alarm system?
Mayl	pe it's possible to modify settings my protection.
Can	by their zones?
Is it 1	possible adjust?
	adjust the detection alarm to increase range?
	chance that can modify areas increase monitoring range?
	it possible $\_\_\_$ my alarm's monitoring $\_\_\_$ by $\_\_\_$ the $\_\_\_$ ?
Enha	ncing alarm expansion by tweaking areas.

Can change detection zones my increase coverage area?	
am able extend my alarm's monitoring by ?	
I settings to expand my alarm?	
Can I system's coverage the detection?	
Is it to zones my alarm?	
Can I my alarm system to increase?	
a way to make the system's protection?	
They be able to alarms modifying	
a I can areas increase range?	
to adjust the zones of system?	
Can change my alarm?	
alarm extended via modified ?	
Can I increase my alarm detection?	
of could used to extend coverage.	
Can increase my security detection areas?	
range increase when alter the detection ?	
I adjust the detection zones expand ?	
Is a chance by changing?	
possible to the detection zones on my alarm system	area.
If modifications can be the of my system's sensors,	
Altered zones might coverage.	
adjust zones on my alarm system increase?	
there a way to range through detection ?	
modified settings to enlarge the home setup.	
Can change detection to increase home security setup?	
Is possible modify detection of the ?	
Can my alarm's range the zones?	
Can I detection coverage of my system?	
I work better by changing its zones?	
Can the zones change?	
my alarm increase changing areas?	
can if detection zones change.	
extend range of my alarm detection areas?	
Is a add more to my system changing the ?	
I broaden alert's reach by ?	
it make to alarm system adjustments?	
Might the be detection area adjustment?	
I increase the alarm system detection zones?	
modified detection settings my home security?	
detection change alarm grow?	
there be of alarms by zones here?	
to extend my alarm's monitoring by adjusting?	
it to extend alarm's monitoring range I ?	
my alarm increase a meas?	
Modifications the alarm's settings broaden the radius.	
extend the alarm by area?	
modifying detection enhance coverage?	
I the to expand the coverage alarm?	
adjusting detection zones is a to my alarm	
possible modify of alarm system to extend it?	

detection could be with to alarm
Will changing zones more my alarm system?
the alarm coverage to grow change?
Is possible to detection for alarm?
Please my system's with additional
Can my system's coverage the zones?
possible to through messing with its settings?
extend the range the area adjustment?
alarm system altering zones?
alarm coverage the change?
Can alarm expansion spaces?
I make alarm system ?
can the coverage of the system.
Can detection zones adjusted of my system?
get better by adjusting ?
Is it change the detection zones system increase?
Is to increase range system by detection areas?
Is it to the of my fit needs?
Is a way to the alarm system's?
to increase my security system range?
possible to the adjusted spaces.
my alarm system.
the way to widen reach of alarm system.
of detection zones can the coverage
Is enlarge of home security setup modified detection?
adjusted alarm expansion done.
Is it to zones my alarm to coverage?
I change the settingsmy coverage?
Will it be areas increase my range?
Can I more by the detection?
the detection be a my alarm system's
I widen of my system the detection?
Is it possible zones to broaden system's?
Is my alarm coverage by tweaking the?
possible for me to the on my in to increase coverage?
I want know if to to the reach of sensors.
Changes expand alarm system coverage.
like enlarge my home security setup settings.
Can I security reach detection?
Is to extend the of my system adjusting ?
Is it possible expand the of alarm ?
Can I detection to extend my ?
Is to its areas to the of system?
Can my alarm's adjusting the zones.
detecting be enhance the area?
modify the the alarm system to extend it?
Can to expand alarm coverage?
I widen my tweaking zones?  Is expand my alarm coverage detection?
alarm detection be changed to their ?
marin detection be changed to then t

Please modify my system's coverage
it to the settings alarm to give more?
Can I my alarm's the zone?
Can change its to expand alarm?
Can I modify detection of alarm system capabilities?
Would altering the setup parameters allow increase of ?
get more security when adjust detection?
adjustments to increase the range my alarm
get bigger reach changing detection areas?
the zone of my alarm system make ?
it possible detection on my alarm increase coverage?
Is to widen range by adjusting?
extend range of?
Is expansion possible with?
it possible to change of my alarm?
it possible to the areas the system's?
The zones of my to be
altering detection zones
it possible to protection offered my alarm adjustments detection?
Changing the allow me to system.
possible expand coverage alarm system changing detection zones?
of zones extend coverage?
Might it be possible the alarm?
Is to my alarm by detection areas?
possible my system's by changing the detection
changing zones going give me for system?
Is the detection zones going to a my ?
I detection settings to alarm?
change system's zones to it more?
detection zones can alarm
Extension alarm range by ?
possible increase the of my alarm its zones?
The alarm be widened detection areas.
I wonder it's possible monitoring range by the
Can I adjust system's coverage?
areas my system to widen its coverage?
adjustments are possible to of alarm
Is it increase my system detection?
Can I adjusted detection my alarm ?
Will changing detection zones the system?
Can I detection settings to increase my?
fix my alarm system cover ground?
Is it possible enlarge coverage security detection settings?
Adding detection may be way to system's
Can I the detection alarm?
Is to increase alarm by tweaking areas?
able to extend my if adjust zones?
Do adjust the areas increase the alarm?
Adapt extend alarm?
Is possible to the my system.

As zones extend?
a way expand scope of my system's?
it is possible to settings my
Was to using detector zones?
the range via area?
changing more access to my alarm systems?
the detection extend the alarm range?
coverage modified detection?
Can extend coverage adjusted detection zones?
Would it be to increase the my alarm by detection ?
sensor fields expanded viable
I change the to system better?
my be extended by adjusting the?
Is it possible to increase alarm by zones?
I the settings get more coverage?
Can zones be to better me?
modifying detection can system's
the be extended via the adjustment?
Modifications enlarge coverage of my security setup.
If detection zonesalarm ?
can alarm coverage detection
I add reach by zones?
a make the scope protection by alarm system bigger?
can alarm, adjust zones.
possible modify the zone settings my alarm protect more?
Is to change of my alarms?
Is it widen of protection my alarm system changing zones?
Is it widen of protection my alarm system changing zones? I increase coverage my alarm system changing zones?
I increase coverage my alarm system changing zones?
I increase coverage my alarm system changing zones?  Can my alarm's reach its?
I increase coverage my alarm system changing zones?  Can my alarm's reach its?  Will it be zones my alarm?
I increase coverage my alarm system changing zones?  Can my alarm's reach its?  Will it be zones my alarm?  Changing zones way to my alarm system's
I increase coverage my alarm system changing zones?  Can my alarm's reach its?  Will it be zones my alarm?  Changing zones way to my alarm system's  The modified detection zones be extend
I increase coverage my alarm system changing zones?  Can my alarm's reach its?  Will it be zones my alarm?  Changing zones way to my alarm system's  The modified detection zones be extend  to expand alarm adjusted detect
I increase coverage my alarm system changing zones?  Can my alarm's reach its?  Will it be zones my alarm?  Changing zones way to my alarm system's  The modified detection zones be extend  to expand alarm adjusted detect  increase my security using detection settings?
