## [Demo] NLP Dataset for Customer Service Automation

Company Type	Online Electronics and Technology Retailers
Inquiry Category	Shipping and delivery inquiries
Inquiry Sub- Category	Shipping fees and options
Description	Customers inquiring about the available shipping methods, associated costs, and estimated delivery times. They may need assistance in selecting the most suitable shipping option for their order.
Data Size	5,071 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

 $\label{lem:masked_sample} \mbox{Masked sample paraphrases of one "Online Electronics and Technology Retailer" customer inquiry. (Purchased data will not be masked.)}$ 

products have shipment due to size/weight/type?
Does type the cost/time of shipment?
The takes ship them might be by
in shipping costs?
Different products have shipment because size weight.
Is it that dimensions shipping fees or delivery?
products have different of weight, shipment method.
there a shipping for ?
Different have different shipment on and
may differing cost and shipment times to size
Is there variation in shipment or product?
Do have cost and times due to type ?
Does or type cost/time?
Does incur shipping fees?
$Is there \_\_\_ information \_\_\_\_\_ shipment methods, costs, \_\_\_\_\_ on the \_\_\_ weight, and \_\_\_\_ products?$
options sizes or weights?
Diverse items and timelines.
Do shipped differently their size, and?
products shipped differently based on size, ?
Variety products result different
products shipped in based on and?
How for by size, weight, type?
have different shipment methods according to
products different ways based and weight?
Do products methods due to their size?
Do methods due to size?
Do weight, type affect fees?
0 , 11

Do ways on size, weight, type?
there difference shipping methods and delivery merchandise?
shipped in different based on their ?
Do have shipment choices type?
possible products have different delivery costs?
Is information the different and times on size, of product?
What should for that change size and weight?
products have cost time due to size, method.
Different products have size, type or method.
Is it for different different due to and?
products can have and time due to and
Do size, weight, and their shipment?
size, the cost/time of a shipment?
it possible to tell about shipment methods, on the weight, and product
What expect options products that size and weight?
hold true for different products cost shipment?
variety of products ?
know different in different shipment costs, durations?
Is there for products?
differently of size or?
different cost and shipment times to weight and
Is there any variation shipment or weight or ?
products have and shipment times size, or
to size/weight/type different shipment methods, costs, durations my products.
You about the different methods, and on the weight, type products.
different size/weight/type results different costs and?
products have costs to size or
Different have different cost and due size
you have shipment according to ?
Is a time takes to ship is caused by ?
there shipment choices for y'all on ?
Do have different methods different weights?
varied products result in shipping times?
Different products different shipping due their .
that varying size/weight/type result in shipment costs, ?
may different cost time due to and
a in rates and of a product?
there any information on different and times the weight and type ?
there charges different of products?
Is shipping methods/prices product's ?
have differing shipping?
with differing because size, type are possible.
The of might change the and weight of the
the delivery product weight, size, or?
I'm have different shipments based on
you differentaffecttimes?
possible shipped based on their weight, and type?
there shipment due to like size, weight, product?
Can you me if in costs, and durations?
products differing costs of their type, or?

the cost shipment based size, weight nature item?
Factors like weight, product cost of shipment.
Is there a difference fees for items?
Do different result in different fees ?
Does hold since different may and times?
Is it for shipments vary due to ?
Is shipping fees, methods, for different sized items?
Different products cost and shipment time to or
Is difference in based weight, size, type of ?
there the shipment methods, and times based on size, weight, type ?
the cost and of size, and nature of item?
you tell us about methods, and based on weight, and type products?
Are methods different depending ?
Is any information different times based on size, and type of?
is possible that time it to ship them
it different size/weight in shipment methods, and durations for ?
may and time due to their weight.
What expect shipping products are in and type?
products have because of weight, type shipment
products maydiffering cost shipment size type.
How is shipment products ?
products might have different costs due and
products differently on size, and ?
Some a cost and shipment time their
Do different and delivery times merchandise?
Different different costs and due their and
do I know about options for that in size ?
tell me varying result in different shipment methods, ?
Is any information shipment methods, times based and type of products?
Is that size/weight result different methods, costs, and durations ?
various have costs?
Is there different methods, and times based size, weight, of product?
Does dimensions weights shipping or delivery?
Product and weight logistics.
Do weight, of goods time taken shipment?
send differently their size and?
varying affect shipping and ?
different methods, costs, durations your products to the weight?
shipment diverse products influenced by their ?
How the costs for shipping based size and the?
Is any chance product types affect time to ?
Is any chance product types affect time to ?
Is any chance product types affect time to ?  Do different products and of type shipment methods?
Is any chance product types affect time to ?  Do different products and of type shipment methods?  tell me if products affect delivery?
Is any chance product types affect time to ?  Do different products and of type shipment methods?  tell me if products affect delivery ?  a way to some on the times based on the weight, and
Is any chance product types affect time to ?  Do different products and of type shipment methods?  tell me if products affect delivery ?  a way to some on the times based on the weight, and  Some sent depending size, weight type.
Is any chance product types affect time to ?  Do different products and of type shipment methods?  tell me if products affect delivery ?  a way to some on the times based on the weight, and  Some sent depending size, weight type.  Is there chance types can the takes ship out?
Is any chance product types affect time to?  Do different products and of type shipment methods?  tell me if products affect delivery?  a way to some on the times based on the weight, and  Some sent depending size, weight type.  Is there chance types can the takes ship out?  have different methods according to

Different might have differing and shipment size.
have different shipment due and size.
Different products with differing weight and size
Can you me if results in different costs durations ?
Do the size, weight, and cost of?
Does size, of goods of shipment?
Is size, weight type?
may have differing cost shipment time size, method.
products shipped based size ?
size, weight, type of goods affect ?
products differing and shipment to size.
may have different times due weight.
Is clear size/weight/type result in different and?
Can tell me about the different shipment based the size, product?
Is the shipping based on size ?
it true that different can have shipment?
information the methods, costs, based on the size, weight, and of?
should expect selecting shipping for products that are and ?
Different different cost and time due or
products have and time tosize.
products due to size and weight
on size, type, various items get ?
Do have different costs due weight, type, shipment?
different cost shipment methods due their size.
Do different in different shipping fees ?
variation shipment costs, methods, and due to like product?
you tell me about the costs, based on weight, and of?
you tell me about the costs, based on weight, and of?  Is it products have different times their weight?
you tell me about the costs, based on weight, and of?  Is it products have different times their weight?  products may have different and shipment weight.
