[Demo] NLP Dataset for Customer Service Automation

Company Type	Vehicle Rental Companies
Inquiry Category	Accessibility and disabled driver options
Inquiry Sub- Category	Modification Requests
Description	Customers with disabilities may have specific modification needs for the rental vehicle, such as installing hand controls or other adaptive devices. These inquiries involve understanding whether such modifications can be accommodated, any associated costs, and the process for arranging the modifications.
Data Size	5,098 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.
