## [Demo] NLP Dataset for Customer Service Automation

Company Type	Natural Gas Companies
Inquiry Category	Energy efficiency programs and incentives
Inquiry Sub- Category	Education and resources
Description	Customers seek information on energy-efficient practices, tips, and resources provided by natural gas companies. They inquire about workshops, online tools, and educational materials to help them make informed decisions and improve energy efficiency in their homes or businesses.
Data Size	7,988 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Natural Gas Company" customer inquiry. (Purchased data will not be masked.)
