[Demo] NLP Dataset for Customer Service Automation

Company Type	Car Dealerships
Inquiry Category	Accessories and customization inquiries
Inquiry Sub- Category	Appearance Accessories
Description	Customers inquire about adding minor visual enhancements like window tinting, decorative decals, chrome accents, or custom grille inserts. They often seek information on local regulations, installation options, and maintenance requirements for these accessories.
Data Size	6,871 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.
