[Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators
Inquiry Category	Phone and device compatibility queries
Inquiry Sub- Category	Network coverage queries
Description	Customers inquire about the availability and strength of network coverage in specific locations to determine if their phones or devices will work properly in those areas.
Data Size	5,043 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

 $\begin{tabular}{ll} Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.) \\ \end{tabular}$
