[Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators
Inquiry Category	Assistance with mobile number portability
Inquiry Sub- Category	Cancellation
Description	Customers wanting to cancel their porting request before the process is completed, including inquiries about the implications and potential fees associated with canceling a mobile number porting request.
Data Size	5,092 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)
