[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Rust developing on car body
Inquiry Sub- Category	Guidance on rust inspection and detection
Description	Customers are looking for guidance on how to inspect their car for early signs of rust, which areas are more prone to rust, and how to identify hidden rust before it becomes a major issue.
Data Size	5,075 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)
