## [Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers
Inquiry Category	Network coverage and availability questions
Inquiry Sub- Category	Equipment malfunction
Description	Customers seek assistance for problems with their modem, router, or other devices, including inquiries about troubleshooting steps, replacement options, or compatibility issues.
Data Size	5,125 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

## $\begin{tabular}{ll} Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.) \\ \end{tabular}$

brands of routers have or reliability than within your ?
