[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Security and Alarm Companies
Inquiry Category	Upgrades and enhancements to alarm system
Inquiry Sub- Category	Upgrading to wireless or cellular monitoring
Description	Customers want to transition from landline-based monitoring to wireless or cellular options for increased reliability, improved communication, and the ability to control their alarm system remotely.
Data Size	5,324 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

 ${\bf Masked\ sample\ paraphrases\ of\ one\ "Home\ Security\ and\ Alarm\ Company"\ customer\ inquiry.\ (Purchased\ data\ will\ not\ be\ masked.)}$

Is	possible control system remotely a or upgrade?
Can	to my from a or wi-fi?
	possible to wireless/cellular upgrades controlling
	would to remote control setup with cellular enhancement.
	an upgrade possible manage alarm using wireless?
	to control my alarm cellular?
	it to manage my system cellular?
	it have my remote?
	I may I operate the alarm from ?
	be possible to manage alarm if get upgrade?
Can	wireless or cellular remote security setup?
	a wireless/cellular permit alarming?
	possible alarm remotely an upgrade to wireless cellular?
_	o a wireless could remote my ?
	alarms wireless or cellular?
	use cellular upgrade control alarm system?
Does	the ability to control system remotely?
Do _	think wireless/cellular upgrade support features?
	alarm be to have ?
	a upgrade control my
Does	control my system a upgrade?
I was	if I could my system wireless
	use the system after I wireless/cellular?
Is	to alarm through upgrade?
	the using ?
	allow remote alarming features?
	operate system from after changing to wireless?
	I control my callular 2

alarm remotely with a wireless cellular upgrade?
it to my by?
controlling doable cellular update?
like to operate the system after upgrading wireless/cellular.
Is to have remote my alarm a connection?
cell upgrade remote features?
be possible to my remotely I upgraded?
Wireless/cellular could used remote control alarm .
Can I use phone to alarm?
Installation or cellular my security will allow ?
Ispossible to manage alarm by or technology?
Can via wireless?
Is it possible remote the upgrade?
the alarms off via options.
possible control the alarm wireless or upgrade.
use cellular to manage my alarm after an?
Do you manage alarm by wireless?
Would a upgrade alarming ?
Can my alarm I get appropriate ?
wonder if use a to control alarm .
Is there any system cellular upgrade?
Is it possible control the with ?
I allowed to operate system from distance after ?
alarm be remotely if get appropriate ?
If I want wireless enhancement, gain remote over alarm?
wondered if I could remotely cellular wireless options.
was could remotely alarm system using or options.
Could cellular enhancement allow my setup?
doable to wireless upgrade control my system?
a enhancement allow security setup from afar?
Is possible to handling systems via mobile?
possible have control alarms via wireless means?
I oversee alarm if I the ?
ability to my remotely an upgrade wireless or?
or cellular upgrade, it possible control system remotely?
a to upgrade system for control?
signal of a home alert machine?
possible use a upgrade to my alarm?
I to upgrade alarm system use?
Would an alarmed?
Is it possible have remote access to my ?
the alarms via upgraded connections.
Would features be a wireless/cellular?
it possible use to alarm system remotely?
Can tell me way to wireless control alarm?
I was if wireless or options manage my system.
Is it possible dang with wireless/cellular?
Will alarm be be managed using wireless?
want remote of my setup wireless enhancement.
Can control alarm system remotely with ?

Is to control with or updating?
Can use cell remotely operate my alarm?
the alarm system be I upgrade wireless/cellular?
Is my alarm controlled ?
it to operate my system using ?
Can remotely upgrade system wireless or?
it possible to operate alarm after I change ?
through cellular possible?
Would a upgrade alarmed?
Can I a to alarm remotely?
Is way to remote system?
it control alarms remotely wireless and ?
possible upgrades for remote control alarm
operate and monitor with a cellular ?
Is it alarm through cell?
I like access and control via wireless or update.
Will an allow me to to manage alarm?
through wireless cellular upgrade?
Can alarm remotely operated via or ?
possible to control wireless or upgrade?
Could enhancement allow control of my ?
Can you imagine remote ?
be to remotely manage my alarm using?
Is it to control remotely with ?
If use a enhancement, could control my?
Is it to have my via wireless?
could controlled a wireless or cellular
an upgrade alarm me to operate ?
It's possible to wireless/cellular device control.
possible for remote alarms?
or enhancement allow for over my security?
Would to a wireless/cellular solution for my ?
Will an upgrade allow wireless or my system?
controlling remotely wireless cellular update?
Is it for of alarm if I a cellular enhancement?
an upgrade a phone me ability my system?
I use a and monitor my system from afar?
I a to remote access to my alarm?
Can to my alarm?
A cellular upgrade be remotely the system.
my alarm using a wireless or cellular?
Would acellular upgrade?
it wirelesscellular for alarm control?
be through or upgrade?
it possible give control to ?
Is possible to to of via mobile?
Is it control with or wireless upgrade?
possible manage my alarm system or wireless?
it feasible to access a wireless or update?
treaspire to uccess u wireless or update.

I choose to a or cellular control over my system?
there way alarm using wireless/cellular tech?
able operate the alarm distance upgrading to wireless?
Can I operate and monitor from cellular?
I get wireless enhancement remote control over system?
it possible to monitor a cellular upgrade?
it use a wi-fi upgrade remotely operate my?
make sense for to have alarm via wireless cellular update
Will my alarm I get the necessary?
Can control alarm with cellular upgrade?
controlling my system possible or cellular?
upgrades be remote control systems?
Is alarms with a orcellular update?
it oversee my if get an upgrade?
wireless/cellular could used alarm
Will an me use or wireless in my ?
upgrade my system have remote
a cellular allow remotely control my ?
a cellular allow me remote control over my?
alarm remotely controlled wireless or upgrade.
Is it me to remotely alarm a cellular?
It possible remotely control through a upgrade.
upgrade to cellular allow to my alarm ?
Could be to wireless cellular means?
an allow manage system using cellular or wireless?
operate and alarm system have a or cellular upgrade?
I if is way to tech to alarm.
it possible to systems through communication?
Would allow alarming ?
it to remotely system cellular wireless technology.
there remote in wireless upgrade?
Can i the cellular technology manage alarm ?
Can I the cellular technology manage alarm? Is it. have of using cellular means?
Is it have of using cellular means?
Is it have of using cellular means? it possible my alarm a or upgrade?
Is it have of using cellular means? it possible my alarm a or upgrade? Can remotely with wireless update?
Is it have of using cellular means? it possible my alarm a or upgrade? Can remotely with wireless update? I operate monitor my alarm system wireless upgrade.
Is it have of using cellular means? it possible my alarm a or upgrade? Can remotely with wireless update? I operate monitor my alarm system wireless upgrade. I would to control over my security enhancement.
Is it have of using cellular means? it possible my alarm a or upgrade? Can remotely with wireless update? I operate monitor my alarm system wireless upgrade. I would to control over my security enhancement to upgrade my alarm system with?
Is it have of using cellular means? it possible my alarm a or upgrade? Can remotely with wireless update? I operate monitor my alarm system wireless upgrade. I would to control over my security enhancement to upgrade my alarm system with? Is possible operate system from after I wireless?
