[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Electrical safety guidelines and precautions
Inquiry Sub- Category	Electrical safety during storms and power outages
Description	Customers inquire about precautions to take during thunderstorms, power outages, and other severe weather conditions, including guidance on using backup generators safely, staying away from downed power lines, and protecting electrical equipment from power surges or lightning strikes.
Data Size	5,125 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

can devices voltage spikes caused by disasters?
When power fluctuations, how do gadgets?
protectors that devices natural?
Is protectors that can use protect devices disasters?
buy surge protectors protect electronic the effects natural ?
surge guardsyour?
Surge protect my electronic spikes natural disasters.
should I use to electronic devices ?
Surge could protect my natural
Should safe voltage fluctuations due to ?
There safeguards against electric surge ?
protectors for my electronic to against voltage something think
I protect my surges caused by disasters.
I'm surge that protect devices against spikes.
there any defenders I get nature messing my?
protectors toagainst disasters' voltage I to about.
would like to if I can any spike against
are capable of my against spikes in result disasters?
Which tech protection from to natural?
Is my to against voltage spikes?
Surge shielding during?
should I use to protect from natural?
Which surge electronic from?
can do protect against electrical ?
guards protect electronics ?
Surge protect natural disasters.
Which surge electronics from ?
protectors my in the of a natural ? surge capable protecting my against the of ?
Which for electronics?
urge shield my devices against spikes caused by are .
Do you think I should protectors protect disasters?
protectors will protect my voltage spikes disasters.
I'm protectors that my devices disasters.
Which are to my against spikes from natural?
you need to protect power surge?
suppressors are to protect devices the effects natural
there a to devices from surge caused disasters?
I want to shield my electronic by by
of protecting my devices against voltages are caused disaster
Surge protectors my devices by is what want.
surge are to protect my devices against in disasters?
What surge I to protect ?
Surge for my electronic them against disasters' in
surge protectors devices during?
Is a way I devices from voltage caused disasters?
protectors help the device from by disasters?
surge protectors my electronic from spikes by natural disasters?
protectors my devices in voltages that a consequence disaste
protectors protect disasters?

protectors will protect devices disasters?
Surge would protect device from caused natural
surge protectors are capable of protecting my disasters occur?
Which would protect electronic from spikes caused ?
Do you any surge to my voltage spikes?
surge protect electronics?
protect my devices from disasters' spikes.
protect my device spikes?
Surge for against disasters' spikes are something that I need about.
Which surge protectors from of disasters?
Surge protectors my devices spikes natural disasters?
you protectors will protect from voltage spikes by calamities?
fordevicesprotectelectric are something need to consider.
Surge protectors protect device against disasters.
Which I use disasters?
surge devices from electric?
for shielding an emergency
What surge get protect my from shocks?
surge protectors electrical?
Some ways devices from
Which surge protectors protecting spikes by natural disasters?
Which surge protectors you recommend to ?
protectors are able to protect my from caused ?
can my devices against spikes in voltage natural?
Which surge would keep ?
know Surge protectors that can use to my disasters?
Which protectors devices?
to prevent electrical to natural disasters ?
to prevent electrical to natural disasters ? my from spikes by disasters are what need.
to prevent electricalto natural disasters?myfromspikesby disasters are what needprotectorsmy devices fromcauseddisasters.

to prevent electrical to natural disasters? my from spikes by disasters are what need. protectors my devices from caused disasters. any way to protect electronic devices from by ? there spike defenders to stop from messing gadgets? What should we protect to natural disasters?
to prevent electrical to natural disasters ? my from spikes by disasters are what need. my devices from caused disasters. any way to protect electronic devices from by ? there spike defenders to stop from messing gadgets? What should we protect to natural disasters? Should I use to protect electronics by calamities? What protectors should use protect from spikes?
to prevent electrical to natural disasters? my from spikes by disasters are what need. protectors my devices from caused disasters. any way to protect electronic devices from by? there spike defenders to stop from messing gadgets? What should we protect to natural disasters? Should I use to protect electronics by calamities? What protectors should use protect from spikes? Which surge protectors devices voltages that of disasters? What surge for electrical?
to prevent electrical
to prevent electrical to natural disasters?
to prevent electrical to natural disasters ?
to prevent electrical to natural disasters?
to prevent electrical to natural disasters ? my from spikes by disasters are what need. protectors my devices from caused disasters. any way to protect electronic devices from by ? there spike defenders to stop from messing gadgets? What should we protect to natural disasters? Should I use to protect electronics by calamities? What protectors should use protect from spikes? Which surge protectors devices voltages that of disasters? What surge for electrical ? Surge protectors electronic devices to protect Voltage something I to Surge protectors to electronic spikes power Is there a way my waves storms? protectors capable devices spikes in that occur from natural ? Surge my devices something that need surge protectors would my from of disasters?
to prevent electrical to natural disasters ?
to prevent electrical to natural disasters ? my from spikes by disasters are what need. protectors my devices from caused disasters. any way to protect electronic devices from by ? there spike defenders to stop from messing gadgets? What should we protect to natural disasters? Should I use to protect electronics by calamities? What protectors should use protect from spikes? Which surge protectors devices voltages that of disasters? What surge for electrical ? Surge protectors electronic devices to protect Voltage something I to Surge protectors to electronic spikes power Is there a way my waves storms? protectors capable devices spikes in that occur from natural ? Surge my devices something that need surge protectors would my from of disasters?

surge are capable of devices spikes voltages arise disasters?
Surge protectors that voltages caused disasters?
Surge protectors that shields devices by what I'm for.
Is surge protectors to my electronic devices?
What surge protectors should be electronic?
Which surge protectors I to devices spikes caused ?
protectors keep safe during wild?
Which surge protectors my ?
Which are of protecting from occur due to disasters?
suppressors useful to protect my electronic devices effects effects
surge protectors I protect my voltage spikes by disasters?
Which surge protectors are my from?
Which surge can my from in?
Surge should be electronic voltage spikes caused natural disasters.
protectors my devices voltage by what I want.
surge be used to my?
Should use Surge protectors my from?
my to from natural disasters something I need consider.
Surge that protect against by natural disasters?
Which will device caused by disasters?
protectors for my electronic against natural?
surge I use to my electronic the of disasters?
Which defend electronic devices ?
protect my devices from natural spikes in
surge protectors will protect my from spikes ?
Surge protectors can from voltages that arise disasters protectors against by natural disaster?
Are there ways to when fluctuations?
Surge electronic devices to protect from disasters'
surge protect electronic devices voltage spikes caused by disasters?
Which are best to electronics wild ?
protectors protect against spikes caused by I want.
protectors that protect against shocks natural disasters?
surge protectors are of devices against in caused by ?
Surge devices to protect the of disasters?
like use protectors to protect against voltage surges
Do have any to protect during Surges?
Surge from Voltage by disasters are what looking for.
Do need protect electronics during a power?
you have recommended surge protect my voltage?
can surge protectors from disasters?
Surge are to electronics against voltage spikes caused
do I need my electronic from?
protectors help my from voltage?
know any protectors can use to protect?
surge can devices spikes due natural disasters?
surge is going save ?
What protectors used disasters?
protectors my electronic devices against natural disasters' spikes something I think
How I sure my tech isn't extreme ?

Surge can be used protect devices
What type protectors you recommend protect ?
surge protect devices high voltage spikes?
I to my electronic devices from caused natural
Do you I buy surge protectors protect ?
surge are capable protecting devices spikes voltages caused by ?
surge-stoppers during storms?
$____ protectors for my ____ devices to ______ in voltage ____ something ______ to think ___\$
protectors are to protect devices from spikes from disasters?
protectors protect devices against caused by
Which surge protectors are protect devices against that occur ?
Which surge protectors capacity protect my devices spikes in disasters?
be secured during?
Should use surge suppressors protect from of disasters?
to protect electronic against spikes during natural
protectors would device natural disasters?
Which surge able to protect from in that because of ?
Surge protectors protect against spikes in natural
Surge protectors my devices effects of ?
Surge protectors for my them disasters' power
guards can electronics of harm's?
Surge protectors for to protect against?
protectors can used protect my devices
that my devices against power spikes what I'm looking
I'm about impact on my any suggestions for ?
Should tech be voltage due natural?
protectors to protect my device from natural?
protects from fluctuations natural calamities?
Can me surge protectors I during disasters?
Surge that my against voltage by disasters to find.
Which protectors help my device when ?
protectors my devices voltage spikes disasters are what I
I'm about of storms on my do have for effective ?
protect devices spikes by disasters.
How tech not harm due to power waves?
you recommend protectors that will protect ?
Which surge help protect my disasters?
protect your during fluctuations?
I'm trying find that protect
How surge protect against ?
a protectors I can my devices disasters?
Surge could protect device spikes disasters.
protectors for my electronic devices to ?
Any effective protectors my ?
there any defenders that grab nature with gizmos?
Did you surge protectors my electronics caused by ?
Do recommend any surge protectors keep my of ?
protect gadgets faced with extreme fluctuations?
Surge that caused by disasters is what looking for.
are devices from power surges.

surge against from disaster?
any protectors I to devices from disasters?
faced with fluctuations, you protect gadgets?
Which surge would use to my electronic?
shields electronics from?
Which to tech voltage fluctuations?
do you recommend protect my devices power?
recommend surge protectors to electronics caused natural disasters?
protect my devices spikes voltage?
Surge my devices to them in power
Surge protectors used devices spikes voltages that as of disasters
are the guards protect my?
how to protect electronics power Surges?
I use protectors to my spikes by disasters?
protectors electrical disasters?
Which protectors protect devices spikes in voltages caused by?
Which surge the my spikes in that come disasters?
Do surge to protect electronics from caused ?
I'm worried about impact of there suggestions for protectors?
power would electronics safe wild weather?
recommend surge protectors electronic devices from disasters?
need surge protectors protect voltage spikes by calamities.
safeguards surge in disasters?
What types of should I protect ?
guards keep of surge?
suppressors be recommended electronic devices from the of
Which surge are capable protecting in caused by?
Which surge make sure not ?
Which protectors protect my devices from by?
Any for for electronics?
protectors would device from spikes natural
Surge my devices from spikes?
to protect my devices spikes
Is a way protect your power ?
tech be protected fluctuations to calamities?
Surge protectors for electronic devices protect against I to
you I protectors for electronic devices?
Is Surge protectors can to my from?
surge of my there are spikes in voltages?
surge protectors can from from natural?
protectors protect devices from power from natural
Which guards protecting electronics?
Which keep electronics?
protectors my devices caused by are I'm for.
Which surge protect devices from spikes ?
Surge protectors that devices in?
Which protectors during electrical?
we be during power?
guards protect electronics natural?

Should I use to electronic?
Surge protectors safeguard my devices voltage spikes.
Surge protectors for electronic to protect natural voltages that to
protectors for my to to them spikes?
to if you have recommended surge protectors to electronics
how to during power?
for to protect them power fluctuations.
Surge protectors my against disasters were what was looking
Surge I use to protect my from disasters?
Which surge prevent by natural disasters?
How can I make my harmed by ?
Which safeguard my spikes caused by?
Which able to protect my?
Surge protectors for my natural disasters' are to consider.
The ways protect from surge during
surge protectors can devices from spikes?
protectors be to from voltage spikes.
I specific surge protectors during disasters.
Do surge that will devices from voltage?
Ways of gadgets fluctuations?
protectors for electronic devices protect natural voltage are need to about
Which protectors should shield electronic devices?
protectors against disasters' spikes voltage?
protectors are best disasters?
Surge can shield devices from natural
protectors for my electronic off natural?
Surge protectors will protect against ?
Surge that devices spikes to disasters?
are I to consider my electronic devices.
Surge protectors shield my from electric by ?
of should I use to protect ?
Protection of faced fluctuations?
Barriers designed to natural disasters available?
to your gadgets they face power ?
Which protectors protect my against that occur as result of ?
on how to protect electronics surge?
Is there to my electronic surge caused ?
surge devices out disasters?
shield devices against caused by natural
Ways gadgets during power?
you recommended protectors to protect my ?
protectors protect my devices spikes in voltages natural
How you protect gadgets occur?
worried about the storms on and recommendations for effective ?
surge can to protect devices from natural?
be my electronic devices from voltage surges by disasters.
Which my device from shocks?
that protect devices voltage ?
surge I use to protect voltage caused disasters?
are protectors for disasters?

Barriers designed for surge due to ?
Which surge spikes disaster?
The spike safeguard electronic?
Do you surge to electronic?
protectors that my from disasters?
I'm looking surge that shield disasters.
Surge protectors protect spikes due to are for.
Which can protect my against spikes from?
Surge my devices spikes?
surge my device spikes?
use surge for my ?
Do any protectors to my electronics?
What can protect devices spikes caused by ?
protectors will device against disasters?
Surge protectors for are something to think
surge plugs should I my gadgets electric?
you recommend protectors my electronics?
any advice on how protect electronics ?
protectors of shielding devices in that arise natural disasters?
Which surge are good enough devices in that arise?
suggestions effective surge protectors concerned about the on electronics?
Is shield from voltage fluctuations caused by disasters?
surge protectors protect device from spikes by ?
Which protectors are able to spikes voltages occur from?
protect electronics the surges?
protectors protect devices from?
you recommend to protect my electronics voltage?
Which protectors are ideal ?
protectors electronic to resist spikes?
protectors can protect disasters?
Do you surge protectors protect my electronics from ?
surge protectors are my devices spikes by natural?
during surge?
Which surge guards against ? surge can my devices from the disasters?
Which surge use to protect electronic from by?
Surge that my devices against spikes ?
recommend any protectors to protect electronic spikes?
my electronic devices protect natural voltage spikes are something I to
surge protectors devices against spikes in that from?
Do you recommend protectors protect electronic devices from ?
protectors recommended protect my electronics from spikes calamities.
How protect your they face ?
protectors electronic from spikes?
protectors are I need to my from voltage
protectors would my against spikes?
have any suggestions on protect surge during disasters?
Surge be able protect devices Mother Earth's
Which protectors are capable of protecting against in happen?
Which cures protectors can protect in that caused 2

protectors protect my devices against in
Which surge are devices spikes in voltages by
What is best protect my from?
Which surge you to my devices electric?
you have how to electronics surges?
Surge help protect my spikes natural disasters.
surge are capable protecting devices from voltages?
Do you have recommended protectors my ?
Which surge protectors are able my devices against spikes disasters?
Surge protectors for electronic to protect against natural something I need
Which protectors safe?
Do recommendations on protect power surges?
protectors for electronic devices to protect them
Is specifically designed for due accidents?
protection be to keep safe from
Surge to protect electronic from disasters.
Surge protectors for my against?
Which can devices from voltages?
What type of do you protect devices?
Surge that my devices from shocks caused I'm find.
Surge protection can be keep electronics
protectors caused by natural disasters?
be used to shield my effects of natural
Which surge keep disaster?
Surge protectors my electronic against in
protectors are to protect devices spikes in that
Which would help protect caused by?
to electronics during Surges?
to electronics during Surges? to protect electronic devices fromVoltage Surges Disasters.
to electronics during Surges? to protect electronic devices fromVoltage Surges Disasters. Which protectors protect my devices?
to electronics during Surges? to protect electronic devices fromVoltage Surges Disasters. Which protectors protect my devices? Which protectors do protect my from spikes?
to
to
totoelectronics during Surges?to protectelectronic devices fromVoltage SurgesDisasters. Which protectors protect my devices? Which protectors do protect my from spikes? Surge-stops during storms. Which surge protect my against caused disasters? protectors for my are something that I need to Are there any to electronics from? protectors protect device from spikes caused disasters? Surge electronic devices to protect? Surge protectors for them disasters. Any recommendations protectors be about storms on my electronics? Does Surge protectors can use to devices?
toelectronics duringSurges? to protect electronic devices fromVoltage Surges Disasters. Which protectors protect my devices? Which protectors do protect my from spikes? Surge-stops during storms. Which surge protect my against caused disasters? protectors for my are something that I need to Are there any to electronics from? protectors protect device from spikes caused disasters? Surge electronic devices to protect? Surge protectors for them disasters. Any recommendations protectors be about storms on my electronics? Does Surge protectors can use to devices ? surge protectors protect devices ? surge protectors can use to devices ? surge protectors protect devices ? surge protectors can use to can use to devices ?
to protect electronic devices fromVoltage Surges Disasters. Which protectors do protect my devices? Which protectors do protect my from spikes? Surge-stops during storms. Which surge protect my against caused disasters? protectors for my are something that I need to Are there any to electronics from ? protectors protect device from spikes caused disasters? Should I surge?
are protect my device caused by disasters.
I use surge protectors to protect disasters.
Surge protect against spikes in power
surge protectors can protect devices ?
I protect my devices from voltage spikes disasters?
surge protectors are suitable for protecting spikes in voltages?
Is there any protect my from voltage caused ?
be used to protect devices shocks from natural
that cover devices spikes disasters what I'm looking
surge protectors are because I'm the impact on electronics.
surge protects natural disasters?
Is spike defenders that get against nature messing ?
Which protect electronics damage?
Surge that my devices from affected ?
When facing power how you ?
any Surge protectors can to my disasters?
Which to protect electronics?
What surge protectors do electronics?
Barriers for electrical to natural are? Should protect when power fluctuations?
There are to devices
Which protects natural surges?
Surge be recommended devices from the of disasters.
Which surge are to my against in occur disasters?
Do know of any I during natural ?
surge would help protect disasters?
Which surge protect my devices spikes in caused natural?
Which against from natural ?
surge protectors devices to protect against disasters?
surge can voltage by natural disasters?
Does anyone know of Surge that I ?
Surge my devices against by disasters.
would be able to protect device ?
protectors shield devices from spikes?
Which protectors help protect my ?
Which protector to protect fluctuations?
protectors my devices to them from
What surge plugs my gadgets from storms?
protect my devices caused by are what I'm

Which surge best for?
Is any Surge protectors I use protect my ?
Surge my electronic devices to against spikes?
I'm for shield devices from spikes disasters.
Do recommendations electronics power surge?
my electronic to protect disasters' voltages something that need consider
you surge protectors should during disasters?
need recommendations on to protect electronics ?
Which be shield electronics?
Which protectors should electronic devices?
Which surge are protecting my devices by natural?
Do you any recommendations how protect power?
I need protect my from matural disasters.
Surge protectors electronic devices from
Which surge protectors I use protect ?
Surge protection disasters?
Do have any protectors protect electronics?
protectors protect electronic devices power
keep my devices out of Earth's?
Surge protectors my to protect
protectors for electronic against natural spikes?
surge protectors will protect my?
Surge that devices against voltage caused natural?
