[Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators
Inquiry Category	Caller ID and call forwarding inquiries
Inquiry Sub- Category	Caller ID Block
Description	Customers ask how to block or hide their caller ID information from being displayed to the recipient of their call, ensuring anonymity and privacy.
Data Size	8,378 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)
