## [Demo] NLP Dataset for Customer Service Automation

Company Type	Home Appliance Manufacturers
Inquiry Category	Product usage and functionality questions
Inquiry Sub- Category	Product specifications
Description	Customers ask for detailed information about the technical specifications and features of specific home appliances, such as dimensions, power requirements, and available functions.
Data Size	11,006 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Home Appliance Manufacturer" customer inquiry. (Purchased data will not be masked.)
